Hancock County Request of Qualifications Professional Engineering Services for Three FEMA/FEMA AND TIDELANDS Projects

Hancock County, acting through its Board of Supervisors, is issuing a Request for Qualifications (RFQ) for qualified consultants to provide the County with professional Engineering services. Hancock County intends to select entities for the design, permitting, bidding and construction management of the following three projects:

Replacement of Washington Street Pier – all FEMA funds; Repair and Extension of Clermont Pier – FEMA and Tidelands funds; and

Renourish and Repairs of Hancock County Beach (this includes walking path repairs) – all FEMA funds.

Proposers shall be willing, ready and able to promptly provide the services on timelines established by the County. Hancock County will only contract with a responsible entity possessing the ability to perform successfully under the terms and conditions of this procurement, as determined by the Supervisors and/or its selection committee. The County's selection committee will consider technical issues as relates to the proposals received and the grant requirements and may obtain assistance with this review in its discretion. Responding firms or individuals should submit a statement of their qualification and experience, as well as that of all of their pertinent personnel. Proposals will be evaluated by a selection team on the basis of the following criteria and ranked by an assigned point system, being 20 points maximum per category: 1) Knowledge and experience providing services related to federal grant projects and compliance with public policy; 2) Technical competence of staff and principals (qualifications), record of past performance and ability to perform services required; 3) Personnel resources and assessment ability, and entity/individual financial and technical resources; 4) contractor integrity; and 5) knowledge of and familiarity of projects such as those needed for this project.

Firms will be evaluated and ranked using the above criteria. Firms should also submit a statement of their proposed rates, which, however, will not be part of the review of qualifications, but only serve as a basis for negotiation of contracts after the award with selected proposer(s). Hancock County reserves the right to negotiate compensation and terms for each of those services with the selected firm as being most qualified, with the amount of any and all costs being capped and with the County also utilizing relevant federal cost principles. Hancock County reserves the right to select more than one firm. In the instance negotiations with the highest-ranking qualified firm fail, Hancock County may negotiate with the second highest scoring responsive firm, and so forth. Hancock County reserves the right to reject any or all proposals and to waive any irregularities or formalities in the proposal process, and to reject any and all proposals. By submitting a proposal, the proposing entities or persons waive any right to seek damages related to their proposal and acknowledge the County's right to reject any or all proposals, or portions thereof. Hancock County further reserves the right to engage entities or firms for only some of the services listed above.

All proposals should be sealed and properly labeled "RFQ for Hurricane Zeta Projects." The County is an equal opportunity employer and contractor, and specifically solicits with this proposal small and minority firms, women's business enterprises and labor surplus area firms to submit proposals. The County will further take additional further steps to assure that such minority businesses, women's business enterprises and labor surplus area firms are used when possible, including its right to utilize any of the methods outlined in 2 CFR Section 200.321. Any contract resulting from this request for proposals will contain contract provisions including those listed in Title 2 CFR Sections 200.318-316, or otherwise required by the federal funding guidelines. Proposers shall agree to be bound by those terms and to ensure grant and work compliance with the same.

Proposals shall be addressed and delivered to Eddie Favre, County Administrator, no later than 10:00 a.m. on June 7, 2021. Proposals may be mailed or hand-delivered to:

Attention: Office of the County Administrator,
854-A Highway 90,

Hancock County Request of Qualifications Professional Engineering Services for Three FEMA/FEMA AND TIDELANDS Projects Hancock County, acting through its Board of Supervisors, is issuing a Request for Qualifications (RFQ) for qualified consultants to provide the County with professional Engineering services. Hancock County intends to select entities for the design, permitting, bidding and construction management of the following three projects: Replacement of Washington Street Pier – all FEMA funds; Repair and Extension of Clermont Pier – FEMA and Tidelands funds; and Renourish and Repairs of Hancock County Beach (this includes walking path repairs) – all FEMA funds. Proposers shall be willing, ready and able to promptly provide the services on timelines established by the County. Hancock County will only contract with a responsible entity possessing the ability to perform successfully under the terms and conditions of this procurement, as determined by the Supervisors and/or its selection committee. The County's selection committee will consider technical issues as relates to the proposals received and the grant requirements and may obtain assistance with this review in its discretion. Responding firms or individuals should submit a statement of their qualification and experience, as well as that of all of their pertinent personnel. Proposals will be evaluated by a selection team on the basis of the following criteria and ranked by an assigned point system, being 20 points maximum per category: 1) Knowledge and experience providing services related to federal grant projects and compliance with public policy; 2) Technical competence of staff and principals (qualifications), record of past performance and ability to perform services required; 3) Personnel resources and assessment ability, and entity/individual financial and technical resources; 4) contractor integrity; and 5) knowledge of and familiarity of projects such as those needed for this project. Firms will be evaluated and ranked using the above criteria. Firms should also submit a statement of their proposed rates, which, however, will not be part of

Exhibit A:
Proposed Scope of Work For The Hancock County Port & Harbor Commission

Port of Bienville
Hancock County, MS

SPECIFIC SCOPE OF WORK FOR THIS WORK ASSIGNMENT OR PHASE

Local Impact Analytics shall prepare the necessary application to the U.S. Department of Transportation for project funding assistance pursuant to criteria established in the Notices of Funding Opportunity (NOFO) for the Rebuilding American Infrastructure with Sustainability and Equity Program (RAISE) and the Consolidated Rail Infrastructure Safety Improvements Program (CRISI) for the PBVR Intermodal Project.

Local Impact Analytics shall complete the following tasks as part of these Grant Applications:

TASK 1. PROJECT MANAGEMENT AND COORDINATION

This task includes project management, administrative, and coordination activities for the Project. Local Impact Analytics shall facilitate meetings and/or interviews with project stakeholders as required to complete the analysis and prepare the proposed grant applications. Local Impact Analytics shall prepare and distribute notes from any formal meetings by request.

Task 1 Deliverables: Meeting agendas and notes if applicable.

TASK 2. DEVELOP PROJECT NARRATIVE

This task shall include research, project definition, coordination with key project stakeholders, finalization ofproject narratives, analysis of estimated economic impacts, and benefit-cost analysis for the proposed project. The deliverables prepared under this task shall meet the format and content criteria established for any individual Grant Program as appropriate.

TASK 2.1 – Conduct research and gather supporting data.

Local Impact Analytics shall review available and pertinent information related to any individual GrantProgram and the proposed project – e.g., grant application criteria, project reports, feasibility studies, engineering plans. Potential discussions with U.S. DOT officials, US and MS Legislative officials and local stakeholders to determine emphasis areas for any individual Grant Program shall be included in the task as needed.

TASK 2.2 – Coordinate Project Partners to Define Project Scope of Work, Budget, and Schedule.

Local Impact Analytics shall collaborate with Engineering Partners and The Hancock Port & Harbor Commission to confirm the scope, goals, budget, and schedule of the project. Information for each application shall be agreed upon by all relevant parties before the submission of a grant application.

May 19, 2021

TASK 2.3 – Confirm project's adherence to individual Grant Program criteria.

Local Impact Analytics shall screen the proposed project against the individual Grant Program's criteria, considering such factors as project readiness, funding sources, and long-term outcomes. Based on this review, Local Impact Analytics shall develop a descriptive narrative to demonstrate the project's alignment with the criteria.

TASK 2.4 – Assist with obtaining letters of support for the project.

Local Impact Analytics shall assist with efforts to solicit and obtain endorsement letters from key public officials and potential private partners with a stake in the project's implementation and success. These letters shall be included with the grant application.

TASK 2.5 – Develop supporting graphics, figures and tables.

Local Impact Analytics shall develop any necessary graphics, figures and tables as required to clearly communicate and effectively summarize the important details of the proposed project. Based on the findings from Task 2.1, additional graphical information shall be developed as needed.

TASK 2.6 – Layout, format and QA/QC the Project Narrative document.

Based on information developed in the preceding subtasks, Local Impact Analytics shall prepare a single coherent Project Narrative document meeting the requirements for each individual Grant Program application as necessary.

TASK 3. DEVELOP BENEFIT-COST ANALYSIS

This task shall include the benefit-cost analysis for the proposed project. The deliverables prepared under this task shall meet the format and content criteria for the each individual Grant Program as appropriate.

TASK 3.1 – Organize project economic/financial data to prepare benefit-cost analysis (BCA).

Local Impact Analytics shall organize the information obtained in the preceding subtasks as needed to provide an analysis of monetized benefits and costs over the project's life cycle, both "with" and "without" the project. This effort shall involve a comparison of upfront project costs versus expected benefits such as traveltime savings, fuel savings, environmental benefits, safety benefits, reduced maintenance cost and other benefit types as outlined in the Benefit-Cost Analysis Guidance for Discretionary Grant Programs from the U.S. DOT. Local Impact Analytics shall provide the required information regarding the BCA for the application narrative, technical appendix and BCA Excel Workbook. Using the findings from the BCA, Local Impact Analytics shall estimate the associated economic impacts of the project to include in the application narrative.

Task 3 Deliverables: Benefit-Cost Analysis and other supporting information.

TASK 4. FINALIZE AND SUBMIT GRANT APPLICATION DOCUMENTS

TASK 4.1 – Compile draft application package including SF-424, Project Narrative & appendices.

Local Impact Analytics shall assemble a draft grant application package, including the Application for Federal Assistance (SF-424) 4040-0004, Project Narrative, benefit/cost analysis documentation, endorsement letters from public and private partners, and other supporting documents as needed.

AUTHORIZING EXECUTION OF FIRST AMENDMENT TO THE 30 YEAR GROUND LEASE AGREEMENT WITH PEARL RIVER COMMUNITY COLLEGE AT STENNIS INTERNATIONAL AIRPORT IN THE AMOUNT OF $122,415.41 AND 13 YEARS FOR A TOTAL OF 43 YEARS TOTAL.

WHEREAS, by **RESOLUTION 20190911-02**, the Hancock County Port & Harbor Commission (Commission") spread on the minutes a Letter of Intent with Pearl River Community College ("PRCC") for a ground lease at Stennis International Airport;

WHEREAS, PRCC will use the ground lease to construct a hangar on Stennis International Airport Property to carry out aeronautical activities in support of its aviation related educational program;

WHEREAS, PRCC paid in advance $.50 per sq ft. for 18,833.14 sq. ft. for a thirty (30) year ground lease on property shown in Exhibit A of the "Ground Lease Agreement" attached hereto and incorporated by reference;

WHEREAS PRCC is now executing the First Amendment to the Ground Lease which extends the lease to forty-three (43) years. Upon the execution of this First Amendment, Lessee shall pay to Lessor a lump sum in the amount of $122,415.41 for the remaining thirteen (13) years of the Initial Term.

WHEREAS Section 2.01 of the Ground Lease is hereby amended to remove the original language and replace it with the following:

"The term of the Ground Lease shall be commensurate with the required Estimated Useful Life of the Project, as approved by the U.S. Department of Treasury ("Treasury"), pursuant to Section W(5) of Treasury's RESTORE Act Financial Assistance and Program-Specific Terms and Conditions ("ST & C"). Therefore, the initial term of the Ground Lease (the "Initial Term") shall be forty-three (43) years, beginning upon the Lease Commencement Date,

GROUND LEASE AGREEMENT

This Ground Lease Agreement (the "Lease") is entered into between Hancock County Port & Harbor Commission, by and through its Board of Commissioners ("Lessor"), and Pearl River Community College, by and through its Board of Trustees, ("Lessee") as of December 16, 20 21 (the "Effective Date"). Lessor and Lessee are sometimes hereinafter referred to collectively as the "Parties" and individually as a "Party".

RECITALS

WHEREAS, Lessor is a County Port & Harbor Commission under the state laws of Mississippi and is duly organized and validly existing under the laws of the State, and is the operator of the Stennis International Airport (the "Airport") and associated Stennis International Airpark (the "Airpark") located in Hancock County, Mississippi;

WHEREAS, Lessee is a community college under the state laws of Mississippi and intends to develop the Premises, as described in Exhibit "A", pursuant to the Site Development Plan attached hereto as Exhibit "B" (the "Project") for the purposes of constructing, maintaining, repairing and operating a hangar and adjacent facilities at Stennis International Airport for the purpose of offering educational programs and curriculum in aviation and aerospace, including, without limitation, A&P FAA 147 and FA 141;

WHEREAS, Lessor desires to lease Premises as described below in order to generate revenue that will make the Airport more financially self-sustaining; and

WHEREAS, Lessee agrees, subject to the conditions of this Lease, to finance, develop, construct, own, operate and manage the Project on the Premises, all in accordance with the terms of this Lease.

NOW, THEREFORE, in consideration of the covenants and agreements of the Parties as hereinafter set forth, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Parties agree as follows:

ARTICLE 1 Premises

Section 1.01 Leased Premises. The Lessor demises and leases to Lessee, and Lessee leases from Lessor, approximately 18,833.14 square feet, being 0.43 acres, more or less, of real property at the Airport as more particularly described in Exhibit "A" to this Lease (the "Premises"). The Lessee accepts the Premises in its present AS-IS condition as being adequate for Lessee's purposes and Lessor shall have no other obligations to Lessee to make any improvements or modifications to the Premises or any buildings, structures or appurtenances located upon said Premises.

ARTICLE 2 Term

Section 2.01 Term of Lease. The initial term of the Lease (the "Initial Term") is thirty (30) years, beginning on the Lease Commencement Date, and ending at midnight on the immediately preceding day of the 30th anniversary of the Lease Commencement Date. The Lease Commencement Date shall be the earlier of: a) the date of issuance of a Certificate of Occupancy

for the facilities to be constructed upon the Premises, or (b) one year from the Effective Date as stated in the first paragraph of this Lease.

Section 2.02 Options to Extend. Lessee may extend the Initial Term of this Lease for up to two terms of 5 years each (each, an "Extended Term", and the Initial Term with any Extended Term(s), the "Lease Term") at any time prior to the end of the Initial Term or the first Extended Term, provided that Lessee is not then in default of any of its material obligations under this Lease, by providing Lessor written notice of the extension at least six months, but not more than eighteen months, prior to the first day of the proposed Extended Term.

Section 2.03 Holdover. If Lessee holds over and continues in possession of the Premises after the Lease Term expires, Lessee will be considered to be occupying the Premises on a month-to-month tenancy, subject to all the terms of this Lease, at double the monthly rate in effect when the Lease Term (or any extension) expired. Nothing in this section shall be interpreted as providing Lessee the right to holdover and if Lessee fails to vacate the Premises within ten days of a written request by Lessor, Lessee will be responsible for any legal fees incurred by Lessor in connection with Lessee's continued holdover tenancy or termination thereof. Lessee shall not be authorized to conduct any commercial activities from or about the Premises while holding over without the consent of the Commission.

ARTICLE 3 Rent/Security Deposit

Section 3.01 Base Rent. The rent during the Initial Term shall be based upon $0.50 per square foot of the Leased Premises, which rent shall be pre-paid in full for the Initial Term upon Lessee making a lump sum payment to Lessor in the amount of Two Hundred Eighty-Two Thousand Four Hundred Ninety-Seven and 10/100 Dollars ($282,497.10) upon the Effective Date. Any rent paid under any Extended Term as contemplated in Section 2.02 shall be paid annually, in advance, with the first annual rent payment for a given Extended Term year to be paid within fifteen (15) days of the commencement of the Extended Term of the Lease and each subsequent year's rent under said Extended Term paid on or before the anniversary of the Lease Commitment Date for each subsequent year in the Extended Term.

Section 3.02 Rent Adjustment. There will be no rent adjustment during the Initial Term as such rent is pre-paid. For any Extended Term, and then annually thereafter, rent shall be adjusted to the minimum fee required by the most recently adopted Stennis Airport Rates and Charges if such minimum fee is higher than the rent then in effect.

Section 3.03 Payment & Late Charges. Lessee will pay the base rent and any other applicable fees or charges to Lessor by mail to 14054 Fred & Al Key Road, Kiln, MS 39556 or at such other location or locations that Lessor may from time to time designate by written notice to Lessee delivered at least thirty (30) days prior to the due date of any payment.

(a) Lessee shall pay a late charge of five percent (5%) of any payment not received by Lessor by the tenth day of the month in which said payment is due. An additional five percent of the outstanding payments rent and any outstanding late charges shall apply on each subsequent month that such payments are outstanding.

Section 3.04 Taxes and Assessments. In addition to the base rent and amounts specified in § 3.01 and § 3.02, Lessee will pay in full all real-property taxes, special assessments, and governmental charges of any kind imposed on the Premises, improvements to the Premises, or leasehold interest in the Premises commencing on the first day of the Lease Term and continuing through the end of the calendar year in which the term ends, including any special assessments imposed on or against the Premises for constructing or improving public works. In the event Lessee occupies the Premises for part of a year, it will be responsible for any assessment resulting from such partial year occupancy. These taxes and assessments are payable directly to the entity imposing the tax, assessment, or charge at least 30 days before the date payment is due. Lessee will provide Lessor with a receipt or other evidence of payment for each tax, assessment, or charge paid within seven (7) days after a receipt or other evidence is received by Lessee, but not later than the date payment is due. Lessee will provide Lessor with a receipt or other evidence of its annual reporting requirements to the Tax Assessor/Collector of Hancock County for personal property and inventory subject to ad valorem property tax, which is due on or before March 30th of each year. Lessee shall provide notice to Lessor of any tax protest filed with Hancock County within seven (7) days of such notice being received by Lessee. In the event a change in law or change in interpretation of law results in the Premises or leasehold interest in the Premises being exempted from real property taxes, special assessments, or other governmental charges, the annual rent for each Extended Term specified in Section 3.01 will be increased by the sum of the property taxes, special assessments, or other governmental charges in the last year they were assessed before the change in law or change in interpretation of law.

Section 3.05 Security Deposits. No security deposit is being required at the time of execution of this Lease; Lessor reserves the right to require a security deposit in an amount of one year's rent in the event Lessee is delinquent in the payment of rents or other fees and charges under this Lease or causes any damage (ordinary wear and tear excepted) to the Premises. If required, Lessor may use the deposit to pay arrears of rent, to repair any damage or injury to the Premises, or to pay any expense or liability incurred by Lessor as a result of any default by Lessee under this Lease including but not limited to payment of ad valorem taxes upon the Premises or the leasehold interest in the Premises. If Lessor uses the deposit, or any portion thereof as authorized above, Lessee shall restore the deposit to its original amount within ten (10) days after notice from Lessor. Failure to restore the deposit to its original amount within the required time shall constitute a default under the Lease. Within 30 days after Lessee surrenders the Premises, or completion of repairs or replacement of damaged or destroyed property, whichever is later, Lessor shall return to Lessee any remaining portion of the deposit, after any lawful deductions, provided Lessee has given to Lessor an address specifically for that purpose. IT IS SPECIFICALLY PROVIDED, HOWEVER, THAT LESSEE SHALL NOT BE ENTITLED TO ANY PORTION OF THE SECURITY DEPOSIT AS A REFUND UNLESS LESSEE GIVES LESSOR ninety (90) DAYS NOTICE OF SURRENDERING THE PREMISES AT THE END OF THE LEASE TERM.

ARTICLE 4 USE OF PREMISES

Section 4.01 Lessee's Warranty Regarding Use. Lessee represents and warrants to Lessor that the Lessee intends to use Premises for the development of a hangar and adjacent facilities at Stennis International Airport as depicted on Exhibit "B" hereto (the "Facilities") for the purpose of offering educational programs and curriculum in aviation and aerospace, including, without limitation, A&P FAA 147 and FA 141. Lessee's use of the Premises is restricted to the purpose specified in

Attachment: Resolution 20210524-03 Authorizing Execution of First Amendment to PRCC Ground Lease ($122,415.41 13 years) (8238 :

this section unless Lessee obtains Lessor's prior written consent to any change in use. Lessee's use of the Premises and Facilities shall be restricted to aeronautical related programs and other purposes reasonably incidental thereto and to the use of Lessee described above.

Section 4.02 Lessee's Uses and Privileges. Subject to Lessee's Warranty Regarding Use, Lessee shall have the nonexclusive easement to use, in common with other authorized users, the Airport, together with all facilities, equipment, improvements, and services which have been provided at the Airport and which have been designated by Lessor for the common use at the Airport.

Section 4.03 Lessee's Construction of Facilities. Lessee shall construct, at Lessee's sole cost and expense, the Facilities: (i) in compliance with the terms of this Lease; (ii) in compliance with applicable Laws; (iii) in a timely and workmanlike manner and in accordance with the Lessee Site Plan depicting the Facilities, attached hereto as Exhibit "B" and fully incorporated herein by this reference; (iv) upon first providing Lessor with reasonable proof of the commitment of sufficient financing and financial resources and commitments to ensure proper completion of the Facilities (which proof shall be in the form of surety bonds for payment and performance reasonably acceptable to Lessor and naming Lessor as dual obligee with Lessee under such bonds); (v) upon first obtaining all governmental authorizations required for the performance of the construction of the Facilities; and (iv) upon first providing Lessor with certificates, policies, or other proof of insurance that Lessor deems reasonably necessary, including, without limitation, those policies described in Section 11.01. Except as set forth in Exhibit "B", the Facilities (or any portion thereof) may not be placed or constructed on the Premises without the prior written approval of Lessor, which shall not be unreasonably withheld, conditioned, or delayed. The Parties shall, from time to time, cause any such Lessor-approved Facilities to be depicted on and incorporated in this Lease by way of an supplement to Exhibit "B" hereto.

ARTICLE 5 COMPLIANCE & REPORTING

Section 5.01 Compliance With Laws.

(a) Lessee may not use, or permit the use of, the Premises in any manner that results in waste to the Premises or constitutes a nuisance or for any illegal purpose. Lessee, at its own expense, will comply, and will cause its officers, employees, agents, and invitees to comply, with the Airport Rules and Regulations and Minimum Standards for Commercial Aeronautical Activities (as each may be amended from time to time) and all applicable federal, state, and local laws, ordinances, rules and regulations concerning the use of the Premises.

(b) Lessee, at its sole cost, must comply with all Hazardous Materials Laws in connection with Lessee's use of the Premises.

(c) "Hazardous Materials" means any substance, material, or waste that is or becomes regulated by any local governmental agency, the State of Mississippi, or the federal government, including, but not limited to, any material or substance that is upon commencement of the Lease or at any

Attachment: Resolution 20210524-03 Authorizing Execution of First Amendment to PRCC Ground Lease ($122,415.41 13 years) (8238 :

time during the Lease, (1) designated as a "hazardous substance" pursuant to Section 311 of the Clean Water Act, 33 U.S.C. § 1251 et seq., or listed pursuant to Section 307 of the Clean Water Act, 33 U.S.C. § 1317, (2) defined as a "hazardous substance" pursuant to Section 101 of the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. § 9601 et seq., (3) defined as a "hazardous waste" pursuant to Section 1004 of the Resource Conservation and Recovery Act, 42 U.S.C. § 6901 et seq., (4) petroleum, (5) asbestos, and (6) polychlorinated biphenyls.

(d) "Hazardous Materials Laws" means any federal, state, or local statute, ordinance, order, rule, or regulation of any type relating to the storage, handling, use, or disposal of any Hazardous Materials, the contamination of the environment, or any removal of such contamination, including, without limitation, those statutes referred to in subparagraph c.

(e) Lessee shall coordinate with Lessor regarding environmental issues related to the Premises.

(f) Lessee shall obtain and its sole cost and expense any and all permits and/or licenses required to conduct its business on the Premises, including but not limited to a Hancock County business license, and provide a copy of same to Lessor.

Section 5.02 Regulatory Reporting Requirements.

(a) Lessee must promptly supply Lessor with copies of all notices, reports, correspondence, and submissions made by Lessee to the Mississippi Department of Environmental Quality, the United States Environmental Protection Agency, the United States Occupational Safety and Health Administration, and any other local, state, or federal authority that requires submission of any information concerning environmental matters or hazardous materials pursuant to hazardous materials laws. Lessee shall provide to Lessor copies of all permits and/or licenses issued to Lessee for operation of its business on the Premises and all modifications, amendments and other changes within 30 days after issuance of same.

(b) Lessee must promptly notify Lessor in advance of any scheduled meeting between Lessee and any of the agencies specified or described in subparagraph a. In the case of regulatory inspections for which the Lessee has not received advance notice, Lessee shall notify Lessor within 48 hours of the visit and the corrective actions, if any, required by the agency.

Section 5.03 Information to Be Provided to Lessor.

(a) Lessee shall provide material safety data sheets for each material to be used or stored in or on the Premises. If Lessee uses or stores any explosive material, on or before the tenth day of each month during the Lease Term,

Attachment: Resolution 20210524-03 Authorizing Execution of First Amendment to PRCC Ground Lease ($122,415.41 13 years) (8238 :

Lessee shall provide to Lessor a report indicting the type and quantity of each explosive material stored in or on the Premises as of the first day of said month.

(b) Lessee shall provide Lessor an annual report showing the number and average pay of persons employed by Lessee at the Premises.

Section 5.04 Economic Nondiscrimination. In the event the Premises are used in the offering of any services to the public, Lessee shall:

(a) Furnish the services on a reasonable, and not unjustly discriminatory basis, to all users thereof; and

(b) Charge reasonable, and not unjustly discriminatory prices for each unit of service, provided that Lessee may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.

ARTICLE 6 REPAIRS, MAINTENANCE, AND CLEANUP

Section 6.01 Condition of Premises. Lessee accepts the Premises in their present condition "AS IS" and acknowledges that the Premises are suitable for Lessee's intended use.

Section 6.02 Repairs and Maintenance. Lessee shall, at its own cost, throughout the term of this Lease, repair, replace and maintain all aspects of the Leased Premises, including any improvements, in a good state of repair, reasonable wear and tear excepted. The maintenance required by Lessee shall include reasonable preventative maintenance of all Facilities and other improvements installed by Lessee.

Section 6.03 Lessee's Failure to Repair or Maintain. If Lessee fails to perform its obligation to repair, replace, or maintain, as set forth in §6.02, within a reasonable time after notice from Lessor of the need for the repair, replacement, or maintenance, Lessor may enter the Premises and make the repairs or replacements, or perform the maintenance, or have the repairs or replacements made or maintenance performed, at its own expense. On Lessor's notice to Lessee of the performance and cost of any maintenance, repairs, or replacements under this section, Lessee must reimburse Lessor for any reasonable costs incurred by Lessor under this section, together with interest on the sum at the highest legal rate from the date of the notice until the date paid by Lessee to Lessor.

Section 6.04 Delivery of Premises at End of Term. Unless otherwise extended as provided in Section 2.02, Lessee shall remove all Lessee's personal property, Lessee-owned equipment, and stored items from the Premises at the end of the Lease Term. The Premises shall be returned to Lessor in clean, empty, and good condition, reasonable wear and tear excepted, subject to any improvements or alterations accepted by Lessor pursuant to Section 8.03. Under no circumstances shall stored items be left on or in the Premises. Lessor may retain, destroy, or dispose of any property left on the Premises at the end of the Term without liability to Lessee for loss or damage, as such personal property shall be deemed to be abandoned by Lessee.

Attachment: Resolution 20210524-03 Authorizing Execution of First Amendment to PRCC Ground Lease ($122,415.41 13 years) (8238 :

Section 6.05 Lien. Lessee will not permit or cause to be permitted any lien to be placed on the Premises or improvements on the Premises. Lessee must promptly notify Lessor as to any liens threatened or attached against the Premises. Lessee will promptly pay any lien that is filed on the Premises or on improvements located in the Premises. If default in payment of the lien continues for 20 days after Lessor's written notice to Lessee, and in any case before the date on which any proceedings to foreclose on such lien begin, Lessor may, at its option, pay the lien or any portion of it so long as Lessor and its counsel reasonably deem the lien valid. Any amounts Lessor pays to remove a lien caused by Lessee to be filed against the Premises or improvements on them, including expenses and interest, are due from Lessee to Lessor and must be repaid to Lessor after Lessee's receipt of notice, together with interest at eighteen percent (18%) per annum until repaid.

Section 6.06 Allocation of Environmental Cleanup Costs. Lessee is responsible only for the payment of that portion of any cleanup costs necessary for compliance with Hazardous Materials Laws that arise as a result of discharge of hazardous materials on the Premises by Lessee or Lessee's agents, contractors, representatives, invitees, or other associated parties.

ARTICLE 7 UTILITIES AND PUBLIC SERVICES

Section 7.01 Electric Services. Coast Electric Power Association, its successors, agents, or assigns, is the certificated electric utility provider for the area. Lessee shall be responsible for procuring and paying for hook-up charges and electricity service from the local electric utility provider. To the extent such utility service requires installation of additional lines or other infrastructure to the Premises, such installation shall be subject to Lessor approval.

Section 7.02 Telephone, and Internet Service. Lessee shall be responsible procuring and paying for telephone and internet service. To the extent such service requires installation of additional lines to the Premises, such installation shall be subject to Lessor approval.

Section 7.03 Water & Sewer Service. Lessee shall be responsible for procuring and paying for water and sewer service from the certificated water and sewer provider for the area. To the extent such utility service requires installation of additional pipe or other infrastructure to the Premises, such installation shall be subject to Lessor approval.

Section 7.04 Other Utilities. Lessee shall be solely responsible for procuring and paying for any other utilities to the Premises, including, without limitation, waste management services. To the extent such utility service requires installation of additional lines, pipe, or other infrastructure to the Premises, such installation shall be subject to Lessor approval and installed at Lessee's sole cost and expense.

ARTICLE 8 SITE DEVELOPMENT PLAN

Section 8.01 Design of Improvements. Subject to the additional requirements imposed by Section 4.03, Lessee shall select qualified architects and engineers to design the Facilities in accordance with the Site Development Plan and otherwise in accordance with the terms and provisions of this Lease. In furtherance of the foregoing and without limiting the generality thereof, Lessee shall cause its architects and its engineers to prepare, prior to construction or on a phased basis during construction, architectural, site, structural, mechanical and/or electrical drawings and specifications in the form and content required by the appropriate local planning and

Attachment: Resolution 20210524-03 Authorizing Execution of First Amendment to PRCC Ground Lease ($122,415.41 13 years) (8238 :

zoning authorities and all applicable legal requirements (collectively, the "Plans and Specifications"). Lessee shall diligently pursue preparation of the Plans and Specifications for the design and construction of the Project promptly upon execution of this Lease and shall cause the same to be substantially completed with all necessary approvals within a reasonable time thereafter and in no case later than one hundred eighty (180) days from the Effective Date. Lessee shall supply to Lessor "for construction" drawings on disks for the most current version of AutoCAD for CADD generated drawings, or in another mutually agreeable electronic format.

Section 8.02 Construction of Improvements. Prior to construction of the Facilities or any component thereof, Lessee shall obtain approval of the Plans and Specifications therefor from Lessor as contemplated in Section 4.03. The construction of the Facilities and their components shall be in accordance with the Plans and Specifications and shall not deviate in any material respect from such approved Plans and Specifications without additional approval of Lessor. A change or deviation from the approved Plans and Specifications shall be considered material if it substantially modifies the quality and/or character of the Facilities. All proposed construction shall comply with any applicable minimum standards or codes of Hancock County or the Hancock County Port and Harbor Commission, including but not limited to any then applicable Minimum Standards for Airport Hangar Construction or Protective Covenants, and any approval by Lessor shall not relieve the Lessee of this obligation.

Section 8.03 Commencement of Construction. Lessee shall commence construction pursuant to the Site Development Plan within one hundred eighty (180) days following written notice from Lessor that Lessee's Plans and Specification are approved.

Section 8.04 Substantial Completion. Lessee shall diligently pursue completion of the Project without interruption and shall substantially complete the Project and apply for a certificate of occupancy no later than 365 days following written notice from Lessor that Lessee's Plans and Specifications are approved.

Section 8.05 Collateral Assignment. Prior to the commencement of construction of the Project and thereafter in connection with any additions, replacements or substitution to or for contracts relating to the development and construction of the Project, as security for the completion of the Project and the performance of Lessee's obligations under this Article 8, Lessee hereby collaterally assigns to Lessor (a) the benefits inuring to and the obligations for the benefit of Lessee under any and all contracts relating to the construction and development of the Project and the right to enforce the same in Lessor's name, following the occurrence of an Event of Default and the expiration of any cure period set forth in Article 13, and (b) the right to use the Plans and Specifications in connections with such enforcement.

ARTICLE 9 SUBSEQUENT WORK

Section 9.01 Lessor Consent. After initial construction pursuant to the Site Development Plan, Lessee must submit any plans for construction, alterations, modifications, additions, and repairs on the Premises (other than routine maintenance of improvements) for Lessor approval. Lessor approval must be in writing and shall not be unreasonably withheld.

Attachment: Resolution 20210524-03 Authorizing Execution of First Amendment to PRCC Ground Lease ($122,415.41 13 years) (8238 :

Section 9.02 Signs. Any signs of Lessee shall be consistent with the Uniform Sign Plan for Stennis International Airport. No sign may be erected without written approval of Lessor.

Section 9.03 Alterations Required by Accessibility Laws. If any alterations, additions, or improvements to the Premises are mandated by legal requirements related to accessibility by persons with disabilities ("accessibility alterations"), Lessee is responsible for making them. This allocation of responsibility for compliance with such legal requirements is a material inducement for the Parties to enter this Lease.

ARTICLE 10 IMPROVEMENTS, FIXTURES, AND OTHER PROPERTY AT TERMINATION

Section 10.01 Improvements, Fixtures, and Other at Termination. Lessee agrees to yield and deliver to Lessor possession of the Premises, including any Facilities constructed thereon, at the termination of this Lease, by expiration or otherwise, or at the termination of any renewal or extension thereof. Lessor shall have the option of accepting any or all alterations, additions, or improvements made by Lessee to the Premises when the Lease terminates, with such accepted alterations, additions, and improvements becoming the property of Lessor, or rejecting any or all alterations, additions, or improvements made by Lessee, and Lessee may be required to return the Premises to the condition that existed prior to the alterations, additions, or improvements rejected by Lessor. In the event rejected alterations, additions, or improvements have not been undone or removed at the expiration or termination of the Lease, then Lessor may remove such alterations, additions, and improvements made by Lessee and any other property Lessee placed in the Premises, and charge Lessee the cost of removal or reverting, plus interest which amount shall be paid within 50 days of Lessor's notice to Lessee of the amount due. In the event of accepted alterations, additions, or improvements, titles to and ownership of all such alterations, additions, or improvements shall automatically and immediately vest in Lessor without the necessity of any further action being taken by Lessee or Lessor and without any instrument being executed and delivered by Lessee; provided however, Lessee shall cooperate with Lessor to execute any document, which Lessor determines necessary in order to memorialize the transfer of ownership of the Facilities from Lessee to Lessor upon expiration or termination of this Lease.

Section 10.02 Assignments for Property Accepted by Lessor. Effective upon the Termination Date, Lessee assigns, transfers, and conveys to Lessor, without warranty, the following as they relate to alterations, additions, or improvements to the Premises:

(a) Any copyright interests in and the right to use the Plans and Specifications of any improvements, alterations, or additions to the Premises, to the extent owned by Lessee;

(b) The right to enforce, in the Lessee's own name as a proper party: (a) any Project construction contracts or other maintenance or services contracts in force with respect to the Project and any warranties or choses in action arising under any of them or in connection with the performance thereof, as the case may be; and (b) any other agreement and the warranties arising under any other agreement for the provision of the design and construction

of the Project or of any other alterations, additions, or improvements to the Premises;

(c) Lessee agrees to deliver to Lessor written assignments confirming the transfers as soon as possible upon and effective as of the Termination Date and shall also deliver to Lessor any and all the following items related to alterations, additions, or improvements to the Premises:

(i) Any and all plans and specifications, including but not limited to the most current set of" (a) "for construction" plans; and (b) "as-built" plans, if any; for all improvements upon the Premises (reproducible manual drawings and, to the extent in the possession, or under the control of Lessee, disks for the most recent version of industry standard software for computer generated drawings)

(ii) Any keys or access devices to or for the Premises and any codes or combinations in respect to the Premises then in effect; and

(iii) If and to the extent customarily maintained by Lessee, equipment maintenance records, equipment or maintenance manuals, all management records, an inventory of spare parts, all elevator maintenance/inspection records, and other facility-related records, reports and materials.

ARTICLE 11 INSURANCE AND INDEMNITY

Section 11.01 Lessee's Property Insurance. Lessee, at its sole cost and expense, shall be responsible for maintaining property insurance (including wind and flood, if in a flood zone) for the full replacement value of insurable buildings and improvements erected on the Premises. Lessee, at its sole cost and expense shall also be responsible for maintaining any and all insurance desired by Lessee for Lessee's personal property, furniture, fixtures, and equipment. Lessor shall not provide such insurance nor will proceeds from any Lessor policy be available for losses related to the improvements or Lessee's personal property, furniture, fixtures, or equipment. Lessee shall cause all of its contractors, subcontractors, vendors, suppliers, and service providers performing any services or providing any materials in or about the Leased Premises at any time during the Term to maintain in effect at all times during the full term of such work, insurance coverage in accordance and full compliance with all of the requirements set forth in this Agreement, where applicable. During the period of any new construction, renovation, or alteration of or addition to then-existing improvements at the Premises, Lessee shall provide or cause to be provided a completed value, "All Risk" Builder's Risk form or "Course of Construction" insurance policy in non-reporting form, in an amount approved by Lessor, including completed value form, including delayed completion and soft costs.

Section 11.02 Lessor's Property Insurance. Lessor may keep insurance on the Premises in an amount determined by Lessor in its sole discretion, and Lessee will have no claim to any proceeds of Lessor's insurance policies.

Attachment: Resolution 20210524-03 Authorizing Execution of First Amendment to PRCC Ground Lease ($122,415.41 13 years) (8238 :

Section 11.03 Lessee's Liability Insurance. Lessee, at its own expense, must provide and maintain in force during the Lease Term: (a) general commercial liability insurance, for both personal injury and property damages, including products and completed operations, covering Lessee operations and the Premises and anywhere in the Stennis International Airpark, with a minimum limit of $1,000,000.00 single limit and $2,000,000 in the aggregate; (b) automobile liability insurance on all vehicles owned or operated by Lessee in the Stennis International Airpark, including those which are hired or non-owned and used in the course of Lessee's operations, with a combined single limit of $1,000,000 per occurrence; (c) hangar-keeper's liability insurance insuring the property of others under the care, custody, and control of Lessee from the hazards of fire or other normal perils; (d) a policy of Worker's Compensation Insurance as required by applicable law; and (e) employer's liability insurance in the minimum amount of $1,000,000 for bodily injury by accident, disease, or in the aggregate, covering injury or death to any employee which may be outside the scope of or in addition to liability under an workers compensation statute.

Section 11.04 Remedy for Failure to Provide Insurance. Lessee must furnish Lessor with certificates of all insurance required by this article. If Lessee does not provide the certificates when Lessor delivers possession to Lessee and within ten days prior to any renewal date, or if Lessee allows any insurance required under this article to lapse, Lessor may, at its option, take out and pay the premiums on the necessary insurance to comply with Lessee's obligations under this article. Lessor is entitled to reimbursement from Lessee for all amounts spent to procure and maintain the insurance, with interest at the rate of eighteen (18) percent annually from the date Lessee receives Lessor's notice of payment until reimbursement.

Section 11.05 Lessee's Environmental Indemnity. Lessee agrees to indemnify, defend, and hold harmless Lessor from and against all claims, liabilities, losses, damages, remediation expenses, fines and penalties, and costs, foreseen or unforeseen, including without limitation counsel, engineering, and other professional or expert fees, that Lessor may incur by reason of Lessee's breach, by action or inaction, of Lessee's obligations under Article 5 of this Lease. This section survives the expiration or earlier termination of this Lease.

Section 11.06 Hold-Harmless Clause. Lessee will indemnify and hold Lessor harmless against any claims, demands, damages, costs, fines, penalties, and expenses, including reasonable attorney's fees for defending claims and demands, arising from the conduct or management of Lessee's business on the Premises or its use of them; from any breach by Lessee of any conditions of this Lease; or from any act of negligence of Lessee, its agents, contractors, employees, sublessees, concessionaires, or licensees in or about the Premises. If any action or proceeding is brought against Lessor by reason of any such claim, Lessee, on notice from Lessor, will defend the action or proceeding by counsel mutually acceptable to Lessor and Lessee.

Section 11.07 Release of Claims/Waiver of Subrogation. Lessee shall release Lessor from any claim, by subrogation or otherwise, for any damage to the Premises, the Facilities, or personal property within the Facilities, regardless of cause, except the negligence of Lessor, however, the release applies only to the extent the damage is covered by insurance proceeds and the release does not adversely affect any insurance coverage. Lessee will notify its insurance companies of the release set forth herein and will have the insurance policies, endorsed, if necessary, to prevent invalidation of the insurance coverage.

Attachment: Resolution 20210524-03 Authorizing Execution of First Amendment to PRCC Ground Lease ($122,415.41 13 years) (8238 :

Section 11.08 Additional Insured and Other Requirements. All insurance required to be carried by Lessee shall be written on an occurrence basis, and with the exception of workers' compensation and employer's liability, shall name Hancock County and the Hancock County Port & Harbor Commission as additional insureds. Lessee shall provide Lessor with certificates of insurance for each insurance policy required in a form acceptable to Lessor evidencing policies of insurance, and such certificates will indicate that the described insurance policies may not be canceled before the expiration of a thirty (30) day notification period and that Lessor will be notified in writing within seven (7) days of any such notice of termination. All insurance shall be written by an insurance company authorized by the Commissioner of Insurance of the State of Mississippi to do business in the State of Mississippi.

ARTICLE 12 DAMAGE OR DESTRUCTION OF PREMISES

Section 12.01 Notice to Lessor. If the Premises, or any structures or improvements on them, are damaged or destroyed by fire, tornado, or other casualty, Lessee must immediately give Lessor written notice of the damage or destruction, including a general description of the damage and, as far as known to Lessee, the cause of the damage.

Section 12.02 Casualty. If any building located on the Premises is partially damaged or wholly destroyed by fire or other casualty or otherwise rendered unusable, Lessee shall at its sole discretion: (i) elect to repair and/or reconstruct the improvements at its sole cost and expense; or (ii) demolish and remove the improvements at its sole cost and expense within a reasonable time.

ARTICLE 13 DEFAULT

Section 13.01 Lessee's Default. If Lessee allows the rent or other fees or charges to be in arrears or is in breach under any other provision of this Lease, then in addition to any other remedy available under the Lease or at law, Lessor may, at its option, upon thirty (30) days' written notice to Lessee, terminate this Lease, and Lessor may reenter and take possession of the Premises and remove all persons and property without being considered guilty of any manner of trespass and may (but is not required to) re-let the Premises (or any part of them) for all or any part of the remainder of the Lease Term, to a party satisfactory to Lessor and at the monthly rental as Lessor can secure with reasonable diligence. If Lessor cannot re-let after reasonable efforts to do so or if the monthly rental agreed by said third party after reasonable effort by Lessor is less than the rental Lessee was obligated to pay under this Lease (or any renewal of it) plus the expense of re-letting, then Lessee must pay Lessor the amount of the deficiency.

Section 13.02 Lessor's Lien. As security for the prompt and punctual payment of rent or any other sum due or to become due from Lessee to Lessor under this Lease, Lessor has a lien on all fixtures, chattels, or other property of any description belonging to Lessee that are placed in, or become a part of, the Premises. This lien is not in lieu of, nor in any way affects, any statutory Lessor's lien but is in addition to such lien, and Lessee grants Lessor a security interest in all of Lessee's property placed in or on the Premises for purposes of this contractual lien. This does not prevent Lessee's selling any merchandise in the ordinary course of business free of such Lessor's lien. If Lessor exercises the option to terminate the leasehold, reenter, and re-let the Premises as provided in the preceding paragraph and gives Lessee reasonable notice of the intent to take possession and an opportunity for a hearing on the matter, Lessor may take possession of all of

Lessee's property on the Premises and sell it at public or private sale after giving Lessee reasonable notice of the time and place of any public sale or of the time after which any private sale is to be made, for cash or on credit, for the prices and terms that Lessor considers best, with or without having the property present at the sale. The proceeds of the sale will be applied first to the necessary and proper expense of removing, storing, and selling the property, then to the payment of any rent due or to become due under this Lease; any balance will be paid to Lessee. Lessee further grants Lessor a security interest in Lessee's personal property now or subsequently placed in or on the Premises.

Section 13.03 Lessor's Default. If Lessor remains in breach of any material condition of this Lease for thirty (30) days after written notice from Lessee, Lessee may: (i) remedy the default by any reasonable and necessary action and, in connection with the remedy, Lessor must, on demand, pay the reasonable costs borne by Lessee in remedying such breach; or (ii) terminate this Lease by providing thirty (30) days' written notice to Lessor. It is agreed, however, that if Lessor commences action within 30 days after receipt of notice to remedy any default and diligently pursues such action to conclusion, and Lessor gives notice to Lessee of the commencement of said action, and Lessee consents to said action, Lessee's rights under this section shall not apply.

Section 13.04 Cumulative Remedies. All Lessor's and Lessee's rights and remedies under this Article are cumulative, and none will exclude any other right or remedy provided by law or any other provision of this Lease. All the rights and remedies may be exercised and enforced individually or concurrently and whenever occasion for their exercise arises.

Section 13.05 Waiver of Breach. Lessor's or Lessee's waiving a breach of this Lease by the other party does not constitute a continuing waiver or a waiver of any subsequent breach. Lessor's acceptance of rental payment, fees, or other charges for any period after default by Lessee of any of the terms, conditions, covenants, agreements, responsibilities, obligations, or portions thereof herein contained shall not constitute or be deemed a waiver of any right on the part of the Lessor to terminate this Lease for default.

Section 13.06 Survival. Notwithstanding anything to the contrary in this Lease, provisions which by their nature and context are intended to survive the expiration or termination of the Lease will survive the expiration or termination of the Lease, including without limitation, termination provisions, damages provisions, and indemnification provisions.

Section 13.07 Limitation of Lessor's Liability. Notwithstanding anything to the contrary contained herein, no personal or individual liability of any kind or character whatsoever shall now or at any time hereafter attach to Lessor's commissioners, officers, directors, employees, representatives, or its property.

ARTICLE 14 INSPECTION AND ACCESS BY LESSOR

Section 14.01 Inspection & Access. Lessee shall, upon reasonable notice provided by Lessor, permit Lessor and Lessor's agents, servants, and employees, including but not limited to legal counsel and environmental consultants and engineers, access to the Premises at all reasonable times for the purpose of inspection, whether environmental inspections and sampling or inspections of the condition of the Premises or otherwise and for any other purpose necessary to

protect the Lessor's interest in the Premises or to perform Lessor's duties under this Lease or to show the Premises to prospective future Lessees and must permit access during other hours in the event of an emergency. Lessee may not restrict access to any part of the Premises, and Lessee may not impose any conditions to access. If Lessor's inspection includes sampling and testing of the Premises, Lessor must use its best efforts to avoid interfering with Lessee's use of the Premises, and on completion of sampling and testing must repair and restore the affected areas of the Premises as made necessary by any sampling and testing.

ARTICLE 15 ASSIGNMENT AND SUBLEASE

Section 15.01 Assignment and Subletting by Lessee. Lessee may not sublet, assign, encumber, or otherwise transfer this Lease, or any right or interest in it or in the Premises or the improvements on them, without Lessor's written consent, which consent may be withheld in Lessor's sole discretion. If Lessee sublets, assigns, encumbers, or otherwise transfers its rights or interests in this Lease or in the Premises or the improvements on them without Lessor's written consent, any such sublet, assignment, or encumbrance shall be void and of no effect and Lessor may, at its option, declare this Lease terminated, and Lessee will remain liable for every obligation under this Lease. If Lessor consents in writing to an assignment, sublease, or other transfer of all or any of Lessee's rights under this Lease, the assignee or sublessee must assume all of Lessee's obligations under this Lease.

Section 15.02 Assignment by Lessor. Lessor may assign or transfer any of its interests under this Lease. On transfer, and on the transferee's assumption of its obligations, Lessor is relieved of its obligations under the Lease.

ARTICLE 16 MORTGAGE OF LEASEHOLD INTEREST

Section 16.01 Mortgage of Leasehold Interest. Lessee is given and has the right to mortgage its interest in this Lease with Lessor's prior consent, if no other mortgage in this Lease is outstanding at the time such mortgage is granted. If Lessee mortgages this leasehold, so long as such mortgage remains in effect, the following provisions will apply:

(a) **Lease surrender.** There shall be no cancellation, surrender, acceptance of surrender, or modification of this Lease, without the leasehold mortgagee's prior written consent.

(b) **Notice of default, cure.** Lessor shall, upon serving on Lessee any notice of default or any other notice under this Lease, simultaneously serve a copy of such notice upon the leasehold mortgagee, and no notice of such default shall be deemed to have been duly given until a copy thereof has been so served. The mortgagee shall thereupon have the same time within which to remedy or cause to be remedied the defaults complained of as is allowed to Lessee, and Lessor shall accept such performance by or at the instigation of the mortgagee as if such performance had been accomplished by Lessee.

(c) **Due diligence, cure.** For the purpose of this article, no default by Lessee in the performance of work to be performed, acts to be done, or conditions to be remedied, which cannot reasonably be completed within the grace

period, shall be deemed to exist, if steps, in good faith, have been commenced promptly to rectify the same, and are prosecuted to completion with diligence and continuity.

(d) **Leasehold mortgagee compliance.** Notwithstanding any other provision herein, Lessor may not terminate this Lease while such leasehold mortgage remains in effect, if, within ten (10) days after the date of service of a notice to terminate this Lease for any reason, the leasehold mortgagee has paid Lessor all rent and additional rent and has complied, or taken reasonable steps to comply, with the requirements of this Lease so as to cure the default or defaults claimed by Lessor. In such case, any notice of termination by Lessor shall be void.

(e) **Extension of time to cure.** If Lessor elects to terminate this Lease by reason of any default of Lessee, the leasehold mortgagee shall not only have and be subrogated to all rights of Lessee with respect to curing such default, but shall also have the right to postpone and extend the specified date for the termination of this Lease as fixed by Lessor in its notice of termination, for a period of not more than six (6) months, if: (1) the mortgagee cures any existing default, and meanwhile pays the rent and additional rent and performs all of Lessee's other obligations under this Lease, and no further defaults accrue hereunder during such extended period; or (2) if the nature of the default is such that the mortgagee is unable to take reasonable steps to cure the same, the mortgagee immediately proceeds to acquire Lessee's interest in this Lease by foreclosure of its mortgage or otherwise.

(f) **Insurance.** The name of the leasehold mortgagee may be added to the "Loss Payable Endorsement" of any and all insurance policies required to be carried by Lessee hereunder.

(g) **Estoppel certificate.** Lessor, within 10 days after a written request by Lessee or the leasehold mortgagee, shall furnish a written statement, duly acknowledged, that this Lease is in full force and effect and that Lessee is not in default hereunder. If there is a default, the statement shall specify the nature thereof claimed by Lessor.

(h) **Extension of lease.** Lessor shall notify the leasehold mortgagee if Lessee fails to exercise any extension or renewal option hereunder. The leasehold mortgagee may exercise any such option on Lessee's behalf, within ten (10) days after receipt of such notice, provided that Lessee's indebtedness to the leasehold mortgagee has not been fully paid.

ARTICLE 17 MISCELLANEOUS

Section 17.01 Notices and Addresses. All notices required under this Lease may be given by the following methods:

Attachment: Resolution 20210524-03 Authorizing Execution of First Amendment to PRCC Ground Lease ($122,415.41 13 years) (8238 :

(a) By certified mail, return receipt requested, addressed to the proper party, at the following addresses:

Lessor: Hancock County Port & Harbor Commission
14054 Fred & Al Key Road
Kiln, Mississippi 39556

Lessee: Pearl River Community College
101 US-11
Poplarville, MS 39470

(b) By fax transmission, to the proper party, at the following fax numbers:

Lessor: 228-467-9341
Attn: Chief Executive Officer

Lessee: 601-403-1120
Attn: President

Notices are effective when received. Either party may change the address or fax number to which notices are to be sent by sending written notice of the new address or number to the other party in accordance with the provisions of this section.

Section 17.02 Parties Bound. This Lease binds, and inures to the benefit of, the parties to the Lease and their respective heirs, executors, administrators, legal representatives, successors, and assigns (to the extent this Lease permits assignment).

Section 17.03 Mississippi Law to Apply. This Lease is to be governed by and construed under Mississippi law, and all obligations of the parties created by this Lease are performable in Hancock County, Mississippi, and both parties irrevocably consent to the exclusive personal jurisdiction and venue in the circuit, chancery, and justice court of Hancock County, Mississippi.

Section 17.04 Abandonment. Lessee agrees not to vacate or abandon the Premises at any time during the Lease Term. Should Lessee vacate or abandon the Premises or be dispossessed by process of law or otherwise, such abandonment, vacating or dispossession shall be a breach of this Lease, and entitle Lessor to all of the remedies for default set forth in this Lease or available under law.

Section 17.05 No Set Off. Lessee shall perform its obligations under this Lease without setoff, deduction, recoupment, or withholding of any kind for any claim Lessee may have against Lessor, whether under this Lease or any other agreement or interaction between the parties.

Section 17.06 Legal Construction. If one or more of the provisions contained in this Lease are for any reason held by a court of competent jurisdiction to be invalid, illegal, or unenforceable in any respect, the invalidity, illegality, or unenforceability will not affect any other provision of the Lease, which will be construed as if it had not included the invalid, illegal, or unenforceable provision.

Section 17.07 Prior Agreements Superseded. This Lease constitutes the parties' sole agreement and supersedes any prior understandings or written or oral agreements between the parties with respect to the subject matter.

Section 17.08 Amendment. No amendment, modification, or alteration of this Lease is binding unless in writing, dated subsequent to the date of execution of this Lease, and duly executed by the parties.

Section 17.09 Rights and Remedies Cumulative. The rights and remedies provided by this Lease are cumulative, and either party's using any right or remedy will not preclude or waive its right to use any other remedy. These rights and remedies are in addition to any other rights the parties may have by law, statute, ordinance, or otherwise.

Section 17.10 Attorney's Fees and Costs. If, as a result of Lessee breaching this Lease, the Lessor employs an attorney to enforce its rights under this Lease, then the Lessee will pay the Lessor the reasonable attorney's fees and costs incurred to enforce the Lease. If, as a result of Lessor breaching this Lease, the Lessee employs an attorney to enforce its rights under this Lease, then the Lessor will pay the Lessee the reasonable attorney's fees and costs incurred to enforce the Lease.

Section 17.11 Force Majeure. With the exception of the obligation to pay money owed, neither Lessor nor Lessee is required to perform any term or covenant in this Lease so long as performance is delayed or prevented by *force majeure,* which includes acts of God, strikes, lockouts, material or labor restrictions by any governmental authority, civil riot, floods, and any other cause not reasonably within Lessor's or Lessee's control and that Lessor or Lessee cannot, by exercising due diligence and paying money, prevent or overcome, in whole or part.

Section 17.12 Time of Essence. Time is of the essence of this Lease.

Section 17.13 Limitation of Warranties. There are no implied warranties of merchantability or fitness for a particular purpose or of any other kind arising out of this Lease. There are no warranties that extend beyond those, if any, expressly stated in this Lease.

Section 17.14 Recording of Lease Agreement. This Lease or a memorandum hereof may, at Lessor's option, be recorded in the real property records kept by the Hancock County Chancery Clerk.

Section 17.15 Reservation of Rights. The Premises are within the Stennis International Airport, and Lessee agrees to abide by the Protective Covenants for Stennis International Airpark and Stennis International Airport's Rules and Regulations and Minimum Standards, as amended by Lessor from time to time.

Section 17.16 Access to Premises. Lessor shall have a right of ingress and egress to the Premises over the public and private areas owned or controlled by Lessor between the Premises and Fred & Al Key Road, subject to all reasonable safety and security restrictions, rules, regulations, and minimum standards of the Lessor and subject to any state and local laws and ordinances pertaining to the use of public roadways.

Section 17.17 No Broker or Real Estate Agent. Lessee represents and warrants that no real estate agent or broker was used by Lessee to identify and secure this Lease and will defend, hold harmless, and indemnify Lessor from any claims for a commission or other fee asserted by a broker or real estate agent based on any alleged services provided to Lessee.

Section 17.18 No Right of Purchase; No Conveyance of Mineral Interests. Lessee acknowledges and agrees that it has no right to purchase or acquire any fee interest in the Premises, and further acknowledges that no conveyance of or granting of any oil, gas, or other mineral interest to Lessee is made pursuant to this Lease.

Section 17.19 Compliance with Safety Requirements. Lessee shall observe all safety requirements of Lessor relating to Stennis International Airpark and Stennis International Airport, as in effect from time to time, and shall take such steps and actions as may be necessary or directed by Lessor to ensure that all officers, employees, representatives, invitees and guests of Lessee observe such requirements.

Section 17.20 Compliance with Security Program. Lessee shall observe all security requirements of any security program or plan pertaining to Lessor or the Stennis International Airpark and Stennis International Airport, as in effect from time to time, and shall take such steps and actions as may be necessary or directed by Lessor to ensure that all officers, employees, representatives, invitees and guests of Lessee observe such requirements.

Section 17.21 Fines for Safety or Security Violations. If Lessor incurs any fines or penalties or any cost or expense under any safety or security program or plan pertaining to Lessor or the Stennis International Airpark and Stennis International Airport as a result of any act or omission of Lessee, or any officer, employee, representative, invitee or guest of Lessee, Lessee shall pay or reimburse to Lessor, as the case may be, all such fines, penalties, costs, and expenses. Lessee shall further rectify any such safety or security deficiency as may be determined by Lessor. Lessor reserves the right to take whatever action may be necessary to rectify any security deficiency caused by the actions or inactions of Lessee which Lessee fails to timely remedy. In the event Lessor undertakes any such action, Lessee shall immediately pay and reimburse Lessor all monies expended and costs incurred by Lessor in connection therewith.

Section 17.22 Subordination to Agreements with the United States Government.

(a) This Lease is subject and subordinate to the provisions of any agreement heretofore or hereafter made between Lessor and the United States Government relative to the operation or maintenance of the Stennis International Airpark and Stennis International Airport, the execution of which has been or will be required as a condition precedent to the transfer of federal rights or property to Lessor for airport purposes, or the expenditure of federal funds for the improvement or development of the Stennis International Airpark and Stennis International Airport.

(b) In the event that the Federal Aviation Administration or its successors requires modifications or changes in this Lease as a condition precedent to the granting of funds for the improvement of the Airport, Lessee agrees to

consent to such amendments, modifications, revisions, supplements, or deletions of any of the terms, conditions or requirements of this Lease as may be reasonably required to obtain such funds; provided, however, that in no event will Lessee be required to (i) agree to an increase in the rent or costs to Lessee provided for hereunder; (ii) reduce in size the Premises; or (iii) materially alter the uses and the right to improve the Premises granted Lessee in this Lease.

Section 17.23 Nondiscrimination. Lessee, for itself, its successors in interest, sublessees and assigns, as a part of the consideration hereof, does hereby covenant and agree that: (1) no person on the grounds of race, creed, color, national origin, sex, age, or disability will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of the Premises; (2) in the construction of any improvements on, over or under such Premises and the furnishing of services thereon and in connection therewith, no person on the grounds of race, creed, color, national origin or sex will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination; and (3) the Premises will be used in compliance with all other requirements imposed by or pursuant to 49 CFR Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, and any future amendments. In the event of a final judgment by a court of competent jurisdiction, finding Lessee in material violation of any of the above non-discrimination covenants, Lessor shall have the right to terminate the Lease and to re-enter and repossess the Premises and the Facilities thereon and hold the same as if said Lease had never been made or issued.

Section 17.24 Non-Exclusive Rights. Nothing herein contained shall be construed to grant or authorize the granting of an exclusive business or operating right within the meaning of 49 USC Section 40103(e) and the regulations promulgated thereunder.

Section 17.25 Subject to Easements. It is understood and agreed that this Lease is subject to all easements, rights-of-way, and conveyances as well as those matters reflected on the survey of the Premises prepared by James J. Chiniche, P.A., Inc, for Job #19-001 dated December 5, 2019.

Section 17.26 Right of Flight. There is hereby reserved to Lessor, its successors and assigns for the use and benefit of the public the following:

(a) The right to unobstructed passage of all aircraft, by whosoever owned and operated in the airspace above the Airport at any altitude and at any time.

(b) The right of flight and the right to cause in all the space above the surface of the Airport such noise, vibrations, fumes, dust, fuel particles and all other effects that may be caused by the operation of aircraft landing and taking off from, flying over, operating at, or operation on the Airport; and

(c) The right to prohibit lighting interference, electrical interference, electronic interference, radio interference, or smoke emanating from Lessee's leasehold property to the extent such interference impairs, derogates, or otherwise endangers air operations at the Airport, including, but not limited

to aircraft communications, navigational aids, visibility, and the landing, taking off and maneuvering of aircraft in the vicinity of the Airport

Section 17.27 Obstruction. Lessee, by accepting this Lease, expressly agrees for itself, its successors and assigns, that it will not erect or permit the erection of any structure or object nor permit the growth of any tree on the Premises that would constitute an obstruction to air navigation or pierce the imaginary surfaces as defined in FAR Part 77 of the Federal Aviation Regulations. In the event the aforesaid covenant is breached, Lessor shall give Lessee notice of such violation and Lessee shall have twenty-four (24) hours to eliminate the obstruction. If Lessee does not remove the obstruction within twenty-four (24) hours of such notice, Lessor reserves the right to enter upon the Premises and to remove the offending structure or object or cut the offending trees at the expense of the Lessee.

Section 17.28 FAR Part 77 Notification. Lessee agrees to comply with the notification and review requirements covered in Part 77 of the Federal Aviation Regulations in construction of its Facilities and in any modification or alteration thereof on the Leased Premises.

Section 17.29 Right to Develop Airport. It is further covenanted and agreed that Lessor reserves the right to further develop or improve the Airport and all roadways, parking areas, terminal facilities, landing areas, and taxiways, except on the Premises, as it may see fit, regardless of the desires or views of Lessee and without interference or hindrance; provided however, Lessor shall not develop the Airport or such other areas to prohibit the uses granted Lessee in this Lease.

FIRST AMENDMENT TO
GROUND LEASE AGREEMENT
Stennis International Airpark

This **First Addendum to Ground Lease Agreement** is entered on the date set forth next to the signatures hereinbelow, by and between **Hancock County Port & Harbor Commission**, 14054 Fred & Al Key Road, Kiln, MS 39556 ("**Lessor**"), and **Pearl River Community College**, 101 US-11, Poplarville, MS 39470 ("**Lessee**").

WHEREAS, on or about December 16, 2019, Lessor and Lessee entered into that certain Ground Lease Agreement ("the Ground Lease") governing Lessee's rental and use of certain real property and improvements located in Hancock County, Mississippi, more particularly described as follows:

Land – 18,833.14 square feet (0.43+/- acres)

Improvements – outdoor covered area 60x30 ft to be constructed in accordance with the Site Development Plan on Exhibit "B" attached to the Ground Lease

Premises Description – Part of SW ¼ SE ¼ of Section 1, T8S, R15W, Hancock County, MS (metes and bounds description depicted by survey on Exhibit "A" attached to the Ground Lease)

WHEREAS, Lessor and Lessee desire to make certain amendments to the ground lease to comply with the requirements of the Treasury Department's RESTORE Act.

NOW THEREFORE, in consideration of the mutual promises contained in the Ground Lease, and other good and valuable consideration, the receipt and sufficiency of which the parties hereby acknowledge, Lessor and Lessee hereby agree to the following amendments to the Ground Lease.

Article 2. Term

Section 2.01 of the Ground Lease is hereby amended to remove the original language and replace it with the following:

The term of the Ground Lease shall be commensurate with the required Estimated Useful Life of the Project, as approved by the U.S. Department of Treasury ("Treasury"), pursuant to Section W(5) of Treasury's RESTORE Act Financial Assistance and Program-Specific Terms and Conditions ("ST&C"). Therefore, the initial term of the Ground Lease (the "Initial Term") shall be forty-three (43) years, beginning upon the Lease Commencement Date, and ending at midnight on the immediately preceding day of the 43rd anniversary of the Lease Commencement Date, which is December 16, 2020, pursuant to the Ground Lease.

Attachment: Resolution 20210524-03 Authorizing Execution of First Amendment to PRCC Ground Lease ($122,415.41 13 years) (8238 :

Article 3. Rent/Security Deposit

Section 3.01 of the Ground Lease is hereby amended to remove the original language and replace it with the following:

The rent during the Initial Term shall be based upon $0.50 per square foot of the Leased Premises, which rent shall be pre-paid in full for the Initial Term upon Lessee making a lump sum payment to Lessor. Lessee has previously pre-paid the amount of $282,497.10 for the first thirty (30) years of the Initial Term. Upon the execution of this First Amendment, Lessee shall pay to Lessor the amount of $122,415.41 for the remaining thirteen (13) years of the Initial Term. Any rent paid under any Extended Term as contemplated in Section 2.02 shall be paid annually, in advance, with the first annual rent payment for a given Extended Term year to be paid within fifteen (15) days of the commencement of the Extended Term of the Lease, and with each subsequent year's rent under said Extended Term to be paid on or before the anniversary of the Lease Commencement Date for each subsequent year in the Extended Term.

Article 4. Use of Premises

Section 4.03 of the Ground Lease is hereby amended to add the following provision at the end of said Section 4.03:

Prior to receiving Treasury authorization to start construction, Lessee must furnish evidence, satisfactory to Treasury, that Lessee has acquired good and merchantable title to the leasehold interest to the Premises, free of all mortgages, foreclosable liens, or encumbrances, to all land, rights of way, and easements necessary for the completion of the Facilities.

Article 4 of the Ground Lease is further hereby amended to add the following provision after Section 4.03:

4.04. "Federal Interest" in Facilities. Lessor and Lessee agree and acknowledge that the Project and the Facilities are funded, at least in part, with RESTORE Act Direct Component funds, and that the Project and the Facilities are held in trust by Lessee for the benefit of the Project for the Initial Term of the Ground Lease, during which period Treasury shall retain an undivided equitable reversionary interest in the Facilities and other improvements made by Lessee on the Premises ("the Federal Interest"). During the entire Initial Term of the Ground Lease, the Premises may not be used for purposes other than the authorized purpose of the award without the express, prior written approval of Treasury. Lessee must maintain facilities constructed or renovated with grant funds in a manner consistent with the purposes for which the funds were provided for the duration of the Initial Term of the Ground Lease.

Article 6. Repairs, Maintenance, and Cleanup

Article 6 of the Ground Lease is hereby amended to add the following provision after Section 6.05:

Attachment: Resolution 20210524-03 Authorizing Execution of First Amendment to PRCC Ground Lease ($122,415.41 13 years) (8238 :

6.06. Liens Subordinate to Federal Interest. All agreements between Lessee and any party that provides construction services for, or makes repairs, maintenance, or cleanup to, the Facilities and other improvements on the Premises shall include the following provision:

> The parties to this agreement acknowledge that all the Facilities and other improvements on the Premises are funded, at least in part, with RESTORE Act funds, and said Facilities and improvements are held in trust for the benefit of the U.S. Department of Treasury ("Treasury") for forty (40) years after completion of construction, during which period Treasury shall retain its Federal Interest in the Facilities and improvements. The property must not be in any manner encumbered except as expressly authorized in writing by Treasury. In the event any party asserts a lien against the Premises or the Facilities and other improvements thereupon during the forty-year period, said lien shall be subordinate to and shall not affect the Federal Interest held by Treasury.

Section 6.06 of the Ground Lease is hereby amended to change the section number to "Section 6.07."

Article 8. Site Development Plan

Section 8.01 of the Ground Lease is hereby amended to add the following provision at the end of said Section 8.01:

The selection of Engineers, Architects, and any other services or items that may need to be procured for the Project shall be conducted in accordance with 2 C.F.R. 200 and the Project Award issued by Treasury under the RESTORE Act ("the Project Requirements"). In the event there is a conflict between the Project Requirements and the requirements of this Ground Lease, the Project Requirements shall govern.

Section 8.02 of the Ground lease is hereby amended to add the following provision at the end of said Section 8.02:

The construction of the "Facilities" and other improvements upon the Premises shall be conducted in accordance with the 2 C.F.R. 200 and the Project ST&C, as well as all other applicable state and federal laws. In the event there is a conflict between the Project Requirements and the requirements of this Ground Lease, the Project Requirements shall govern.

Article 10. Improvements, Fixtures, and Other Property upon Termination

Section 10.01 of the Ground Lease is hereby amended to add the following provision at the end of said Section 10.01:

Provided, however, that in the event that the Premises is no longer needed for the purpose originally authorized by Treasury during the Initial Term of the Ground Lease, Lessee and Lessor must obtain disposition instructions from Treasury, and the Facilities and other improvements on the Premises may be rejected, removed, transferred, or disposed of only with Treasury's prior

written consent and in accordance with Treasury's Project Award, including but not limited to the Project Requirements and applicable federal law.

Article 13. Default

Section 13.01 of the Ground Lease is hereby amended to add the following provision at the end of said Section 13.01:

Provided, however, that in the event that Lessee is in default and Lessor desires to terminate the Ground Lease and/or re-let the Premises to a third party during the Initial Term of the Ground Lease, Lessor must obtain disposition instructions from Treasury, and the Facilities and other improvements on the Premises may be rejected, removed, transferred, or disposed of only with Treasury's prior written consent and in accordance with Treasury's Project Award, including but not limited to the Project Requirements and applicable federal law.

Section 13.02 of the Ground Lease is hereby amended to add the following provision at the end of said Section 13.02:

Provided, however, that the property must not be in any manner encumbered except as expressly authorized in writing by Treasury. In the event that Lessee is in default of the Ground Lease and Lessor attempts to assert a lien against the Premises or the Facilities or other improvements thereupon during the Initial Term of the Ground Lease, said lien shall be subordinate to and shall not affect the Federal Interest held by Treasury.

Article 17. Miscellaneous

Section 17.22 of the Ground Lease is hereby amended to add the following provision at the end of said Section 17.22:

(c) During the Initial Term of the Ground Lease, in the event that any federal government agency requests changes or modifications to the Ground Lease as a condition precedent to the federal government's transfer of property or rights to Lessor for airport purposes or the federal government's expenditure or grant of federal funds for improvements to or development of the Airport or Airpark, Lessor shall provide notice to Treasury within thirty (30) days after Lessor's receipt of said request for changes and modifications, and no changes or modifications to the Ground Lease may be made without Treasury's prior written consent, which shall not be unreasonably withheld but may be made only if the requested changes or modifications are in accordance with Treasury's Project Award, including but not limited to the Project Requirements and applicable federal law.

Remaining Provisions

Except the above-described amendments, all other provisions of the original Ground Lease, executed on or about December 16, 2019, shall remain unchanged and in full force and effect.

2021 ROCK AND TIMBER REPLACEMENT & TAIL TRACK UPGRADE
(RR2103 & RR2101)

Dear Mr. Cotter:

The Hancock County Port and Harbor Commission received sealed bids on May 11, 2021 at 2:00 PM for the project entitled "2021 Rock and Timber Replacement & Tail Track Upgrade (RR2103 & RR2101)" located at Port Bienville Industrial Park. A representative from Neel-Schaffer, Inc. attended this bid opening to assist with the opening and evaluation of the bids. A total of five (5) bid packages were received prior to the specified time by electronic and paper submission. Two (2) bid packages were received via paper submission, and three (3) bid packages were received via electronic submission. The bids were opened and read aloud, and the bid amounts are as shown below:

BIDDER	BID SCH. A	BID SCH. B	ADD. ALT. #1	ADD. ALT. #2	DED. ALT. #1	DED. ALT. #1
Trac-Work, Inc.	$259,917.44	$702,113.22	$18,868.20	$35,610.87	$32,828.00	$5,980.50
Continental Rails, Inc.	$237,573.00	$744,122.00	$85.00	$40,000.00	$34,800.00	$5,400.00
STX Corporation	$277,310.00	$761,150.00	$110.00	$35,000.00	$29,000.00	$3,375.00
Alabama Railroad and Construction Company, LLC	$302,150.00	$934,050.00	$110.00	$40,000.00	$8,700.00	$1,012.50
American Services LLC	$427,600.00	$1,290,625.00	$180.00	$45,000.00	$34,800.00	$4,050.00

We have included a certified bid tabulation and bid evaluation for your use. As shown in the table above and the enclosures, Trac-Work, Inc. submitted the lowest responsive bid. Trac-Work, Inc. holds a current Certificate of Responsibility from the Mississippi State Board of Contractors for Railroad Construction and has met the submittal requirements in the proposal.

The summed total of Bid Schedule A ($259,917.44), Bid Schedule B ($702,113.22), Additive Alternate #1 ($18,868.20), Additive Alternate #2 ($35,610.87), Deductive Alternate #1 ($32,828.00), and Deductive Alternate #2 ($5,980.50) is within the project budget. We therefore recommend that the Hancock County Port and Harbor Commission considers awarding Bid Schedule A, Bid Schedule B, and all alternates in the total amount of $977,701.23 to Trac-Work, Inc.

If you have any questions or require additional information, please contact me at your earliest convenience.

Sincerely,

NEEL-SCHAFFER, INC.

CERTIFICATION REGARDING DEBARMENT, SUSPENTION, NON-COLLUSION

AND OTHER RESPONSIBILITY MATTERS

Under Executive Order 12549 individuals or organizations debarred from participation in Federal Assistance Programs may not receive an assistance award under a federal program or sub-agreement there under for $25,000 or more. Accordingly, each recipient of a Federally Funded contract or subcontract exceeding $25,000 must complete the following certification (see 40 C-R 32.510). The prime bidder shall attach the copies of this certification to his bid.

The prospective participant certifies to the best of their knowledge and belief that it and its principals:

(a) Have not either directly or indirectly entered into any agreement, participated in any collusion; or otherwise taken any action in restraint of free competitive bidding on connection with this contract; nor have any of its officials, partners, employees or principal owners.

(b) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;

(c) Have not within a three year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

(d) Are not presently indicted for or otherwise criminally or civilly charged by a government entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (b) of this certification; and

(e) Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

I understand that a false statement on this certification may be grounds for rejection of this proposal or termination of the award. In addition, under 18 U.S.C. Subsection 1001, a false statement may result in a fine up to $10,000 or imprisonment for up to 5 years, or both.

BID BOND

2021 ROCK AND TIMBER REPLACEMENT & TAIL TRACK UPGRADE
PROJECT NO. RR2103 & RR2101
HANCOCK COUNTY PORT & HARBOR COMMISSION

KNOW ALL MEN BY THESE PRESENTS, that we, the undersigned **Trac-Work, Inc.** as Principal, and **Fidelity and Deposit Company of Maryland** as Surety, are hereby held and firmly bound unto the HANCOCK COUNTY PORT & HARBOR COMMISSION, HANCOCK COUNTY, MISSISSIPPI, as Owner, in the penal sum of **5% of the Greatest Amount Bid** for the payment of which, well and truly to be made, we hereby jointly and severally bind ourselves, our heirs, executors, administrators, successors and assigns. Signed this **11th** day of **May**, 20**21**.

The condition of the above obligation is such that whereas the Principal has submitted to the Hancock County Port & Harbor Commission, a certain bid, attached hereto and hereby made a part hereof to enter into a contract in writing for **2021 ROCK AND TIMBER REPLACEMENT & TAIL TRACK UPGRADE – PROJECT NO. RR2103 & RR2101**.

NOW THEREFORE,

(a) If said Bid shall be rejected, or in the alternate,

(b) If said Bid shall be accepted and the Principal shall execute and deliver a contract in the Form of Contract attached hereto (properly completed in accordance with said Bid) and shall furnish a bond for his faithful performance of said contract, and for the payment of all persons performing labor or furnishing materials in connection therewith, and shall in all other respects perform the agreement created by the acceptance of said Bid,

then this obligation shall be void, otherwise the same shall remain in force and effect; it being expressly understood and agreed that the liability of the Surety for any and all claims hereunder shall, in no event, exceed the penal amount of this obligation as herein stated.

The surety, for value received, hereby stipulates and agrees that the obligations of said Surety and its bond shall be in no way impaired or affected by any extension of the time within which the Owner may accept such Bid; and said Surety does hereby waive notice of any such extension.

IN WITNESS WHEREOF, the Principal and the Surety have hereunto set their hands and seals, and such of them as are corporations have caused their corporate seals to be hereto affixed and these presents to signed by their proper officers, the day and year first set forth above.

Texas Comptroller of Public Accounts

Restricted Expenditures — Contracts and Bids

Contract Awards to Nonresident Bidders

Texas law requires that bids submitted by ***nonresident bidders*** who reside in states that grant resident bidder preferences for that state's purchases be evaluated in the same manner that a Texas ***resident bidder*** would be evaluated in the out-of-state bidder's home state.

For example, state X grants its in-state bidders a 10 percent preference when bidding on agricultural products. By granting a 10 percent preference to in-state bidders, state X essentially penalizes Texas bidders 10 percent for not being residents. To evaluate a bid from state X in the same manner, a Texas agency would apply a 10 percent penalty to a bid submitted by the bidder from state X.

To assist ***governmental entities*** in evaluating bids from out-of-state vendors, the Comptroller's office publishes a list of the **states with resident bidder preferences**.

Note: Resident bidder preferences do not apply in the evaluation of bids involving the use of federal funds.

See the ***State of Texas Procurement and Contract Management Guide*** for more information.

The rationale for the competitive range determination should be documented in the procurement file.

Oral Presentations

If expressly permitted by the solicitation, an agency may elect, after reviewing the responses, to conduct oral presentations. Oral presentations, including reviews conducted during site visits, provide an opportunity for respondents to highlight the strengths and unique aspects of their responses and to provide answers to clarification questions the agency may have regarding the responses. Presentations which include demonstrations of product functionality are recommended when appropriate, such as information technology or solution-based purchases.

Oral presentations may be scheduled for all respondents or limited to the top ranked vendors in the competitive range. The agency must follow the process outlined in the solicitation to notify the respondents of the time and place for the oral presentations. Before the oral presentation, the evaluation committee should prepare its list of clarification questions for the presenting respondents.

Oral presentations and demonstrations must be fair to all parties. The time allowed and the agenda format should be the same for all presenters. Because some presenters may believe there is an advantage to the order in which they present, it is best practice to draw names for the presentation order to ensure impartiality of the process.

Following the oral presentation, it is best practice for the agency to submit written questions to the respondent to document in writing the verbal clarifications provided by the respondent during the presentation. The answers to these clarification questions should be signed by an authorized representative of the respondent. Following all oral presentations, the evaluation committee will complete a scoring matrix using the evaluation criteria and weights published in the solicitation. To protect the integrity of the evaluation process, the evaluation committee which evaluated the written responses should also evaluate the clarifying information obtained from the respondents during the oral presentations.

Best and Final Offer

After any oral presentations or demonstrations are completed, discussions may be held. If discussions are held, respondents must be given equal opportunity to discuss and submit revisions to proposals. Revisions of proposals are normally accomplished by formally requesting Best and Final Offers (BAFOs) at the conclusion of discussions with a deadline set for receipt of BAFOs and including instructions as to exactly what should be submitted in response to the BAFO. After consideration of all BAFO responses, agencies may choose to down select to a smaller number of respondents with which to commence negotiations.

Evaluation Committee Recommendation

Once the evaluation process is completed, the committee chair will prepare, sign and date the master scoring matrix, and proceed with a recommendation to either award the contract the highest ranked respondent without discussion, tentatively award the contract to the highest ranked respondent subject to successful completion of negotiations or not award the solicitation. It is recommended that each committee member review the master score sheet to verify the accuracy of the scoring. Particular care should be taken to ensure that the raw data is accurately transcribed into the mathematical formulas and that the mathematical formulas are properly loaded into electronic spreadsheets/workbooks when such electronic aids are used. If the solicitation allows, the evaluation committee may recommend a contract award to more than one respondent; provided, however, that the awarded respondents are the highest ranked in the evaluation.[353]

Preferences

Overview

Preferences are established by statute. With the exception of the reciprocal preference, a vendor must claim the applicable preference(s) in its response by marking the appropriate preference on the preference form included in the solicitation. If the appropriate box is not marked on the preference form, a preference will not be granted unless other documents included in the response sufficiently demonstrate that the vendor may receive the preference and is requesting the preference. Upon the agency's request, the vendor must provide adequate documentation to support a claimed preference.

Any price adjustment that results from application of a preference occurs only during the evaluation process. The application of a preference does not alter the price to be paid by the agency under an awarded contract. A non-exhaustive List of Preferences is located in Appendix 21.

Reciprocal Preference Law

Texas law requires that responses from nonresidents from a state that grants resident bidder preferences for that state's purchases must be reciprocated in the same manner when competing against a bidder residing in Texas. In other words, the State of Texas will respond in kind to resident bidder preferences made by other states.

[353] For procurements subject to Chapter 2261 of the Texas Government Code, refer to Sections 2261.0525 and 2261.054 of the Texas Government Code.

Attachment: Resolution# 20210524-04 Authorizing Award of Contract for RR2103 and RR2101 Rock and Timber, Tail Track upgrades $977,701.23

Packet Pg. 109

Under the Texas reciprocal preference law, a governmental entity may not award a governmental contract to a nonresident bidder unless the nonresident underbids the lowest bid submitted by a responsible resident bidder by an amount that is not less than the greater of the following:

1. the amount by which a resident bidder would be required to underbid the nonresident bidder to obtain a comparable contract in the state in which the nonresident's principal place of business is located; or
2. the amount by which a resident bidder would be required to underbid the nonresident bidder to obtain a comparable contract in the state in which a majority of the manufacturing relating to the contract will be performed.[354]

For purposes of the reciprocal preference law, "resident bidder" refers to a person whose principal place of business is in Texas, including a contractor whose ultimate parent company or majority owner has its principal place of business in Texas.[355]

If another state grants a preference to its resident bidders, a corresponding percentage increase is added to the nonresident bidder's response when bidding in Texas. For example, State A grants its in-state bidders a 10 percent preference when bidding on agricultural products. By granting a 10 percent advantage to in-state bidders, State A is essentially penalizing Texas bidders 10 percent for not being residents. Texas reciprocates by adding a 10 percent non-residency penalty to the response from the bidder from State A, which essentially gives a 10 percent preference to bidders residing in Texas.

Reciprocity and resident bidder preferences do not apply when evaluating responses that involve the use of federal funds.[356] The reciprocity preference is only applied during the evaluation process and only in situations where the out-of-state bidder is from a state that has a residency preference. SPD maintains a Summary of Other State Bidder Preference Laws on the CPA website.[357]

Resolving Tie Bids

A tie occurs when two or more responses receive the same score after evaluation. Priority of the claimed preference is given in the sequence listed below:

- Texas Agricultural Product
- Texas Product
- Texas Bidder
- U.S. Product

Same Price – Same Preferences

The award for any tied item is determined by drawing lots, tossing a coin, or drawing names with two witnesses to oversee the tie-breaking activity.

Same Price – Different Preferences

If two bidders propose the same price, but the preferences checked are different, the award is based on the priority for goods and/or for services.

Examples of Using Preferences to Break a Tie for Goods and Services.

EXAMPLE 1: The award is made to Bidder A. Priority is given to the Texas-produced product over the U.S.-produced product.

Product	Bidder A	Bidder B
Texas Agricultural Product		
Texas Product	X	
Texas Bidder		
U.S. Product		X

EXAMPLE 2: The award is made to Bidder B. Because both bidders show preference to Texas agricultural and Texas products, priority is given to the Texas bidder.

Product	Bidder A	Bidder B
Texas Agricultural Product	X	X
Texas Product	X	X
Texas Bidder		X
U.S. Product		

EXAMPLE 3: The award is made by drawing lots, tossing a coin, or drawing a name.

Product	Bidder A	Bidder B
Texas Agricultural Product		
Texas Product		
Texas Bidder	X	X
U.S. Product

NOTE: The BETST is authorized, but only from funds appropriated by the Legislature, to reimburse all expenses associated with the successful completion of approved training. Reimbursement is authorized only for those agencies and subdivisions of the state that are in compliance with all provisions of the law to include policies and procedures established by the BETST. Reimbursement for elective training shall consist of all of the same expenses as initial certification. Reimbursement requests are on a first-come first-served basis, which shall be determined by the date of request. Training over 150 miles distance from the agency requires prior written approval from BETST for reimbursement of all eligible expenses. A justifiable written explanation must be provided for approval to be considered. If the agency sends a telecommunicator to a posted training over 150 miles from their agency without BETST written approval, the only expense that will be reimbursed is the tuition. Itemized meal receipts (date and time stamped) are required for reimbursement, not to exceed state daily rate. Mileage reimbursement – 1 vehicle up to 4 students. Hotel rates must be within state rate guidelines (night before training is not eligible for reimbursement without prior approval/night after training is not eligible for reimbursement). Reimbursement requests may be submitted immediately upon completion of course/requirements.

If an agency has telecommunicators that are in need of initial certification training or elective training and wants to host the training, notify the contacts of the courses needed.

MCDEMA 2021 Mid-Winter Emergency Management Education Conference
November 16-18, 2021
Golden Nugget – Biloxi, MS

The Mississippi Civil Defense Emergency Management Association will hold its 2021 Mid-Winter Emergency Management Education Conference November 16-18, at Golden Nugget Convention Center in Biloxi, Mississippi. State and local speakers have been secured for the conference with emphasis placed on those topics which can help grow stronger community readiness, response and recovery in Mississippi.

This year's Mid-Winter Emergency Management Education Conference will begin on Tuesday and conclude before noon Thursday. There will be featured topics of interest to county leadership, emergency managers, and first responders across our state. Vendors will have interesting displays, there will be lessons learned sharing and training sessions in a variety of disciplines and fields of practice, and the conference will include reports from MCDEMA officers and committee chairs dealing with plans of work for the 2021 fiscal year, and 2021-2022 officer nominations. MCDEMA officers, board and Conference Committee have secured a favorable sleeping room rate of $59.99 per night, plus a $12.99 daily fee and applicable taxes. Reservations can be made by calling **1-800-777-7568** and mentioning **S200357** as the group rate code or by clicking on the link: https://goldennuggetbiloxi.reztrip.com/ext/promoRate?property=1262&mode=b&pm=true&sr=549612&vr=3 before October 25, 2021.

Tuesday night in the Exhibit Hall will allow conference participants to visit with vendors and share some entertainment in support of the MCDEMA scholarship program. We believe the education conference to be a valuable use of your time and resources and urge you to participate.

Notes

Garlaprime: Asphalt primer to used with the revitalizer coating and fabric.

Revitalizer: Asphalt based emulsion to be used with polyester fabric. This product will help stop leaks. You can also use it where the membrane looks worn.

Grip Polyester: Reinforcement for Revitalizer. Spread revitalizer out, embed the polyester so it turns black, apply a skim coat over the fabric and then apply another coat of Revitalizer the next day. Wait 30 days before applying the Silvershield.

Silvershield: Fibered aluminum coating that can be applied directly to the clean cap sheet or over Revitalizer once it has cured.

Re: Roof Products

Dear Mr. Lichtenstein,

Please see the attached quote for the materials you inquired about. Since the roof is under a long-term warranty with Garland, you will need to apply Garland materials only or the warranty could be voided.

Please let your purchasing department know that I priced the products according to our published GSA pricing. Per our GSA agreement, we cannot sell the material at a lower cost. The federal government is guaranteed our lowest price.

Please let me know if you have any questions.

Sincerely,

Scott Schneidewind, CDT

MANUFACTURER RESPONSIBILITIES

The Garland Company, Inc. (hereinafter referred to as "Garland"), a Corporation of the State of Ohio, warrants to the above named Owner that the Garland roof system, including all Garland metal components, will not leak due to manufacturing defects or defective workmanship by the above mentioned installing contractor. Garland will pay all authorized costs of repairs to the roofing system necessary to stop any leaks that occur during a period of twenty (20) years, from the completion date, subject to the terms of this Warranty. In the event repairs to correct leaks caused by defective materials or workmanship require removal and replacement of the roof system in recover applications, Owner will be responsible for costs associated with the removal and replacement of the original roof system.

APPLICABILITY OF WARRANTY

In order for this Warranty to remain in effect, all repairs, changes, alterations, modifications and/or additions to the roofing system must be authorized in advance in writing by Garland. This Warranty is transferable, subject to Garland's approval of the payment of the transfer fee and applicable maintenance required. This Warranty shall not be applicable if, in the sole judgment of Garland, any of the following shall occur:

A. The roofing system is damaged by natural disasters including, but not limited to, fire, floods, lightning, hail, earthquakes, wind damage in excess of 90 mph, etc.
B. The roofing system is damaged by structural movement or failure or movement of any material underlying the roofing system or base flashing.
C. The roofing system is damaged by acts of negligence, misuse or accidents including, but not limited to, use of roof for other than waterproofing the building, vandalism, civil disobedience or acts of war.
D. Damage to the roofing system resulting from:
   1. Infiltration or condensation of moisture in, through, or around walls, copings, building structure or underlying or surrounding areas not associated with Garland metal components.
   2. Ponding water, defined as standing water 48 hours after rainfall.
   3. Chemical contaminate attacks on the roofing system which have not been approved or accepted by Garland.
   4. Defects in engineering or building design or construction.
   5. Traffic or storage of materials on roof.
   6. Defects in, failure or improper application of the underlying structural material used as a base upon which the roof is applied.
E. Failure of Owner to properly notify Garland in writing and receive written approval of:
   1. Changes in the usage of the building.
   2. Modifications or additions to the roofing system.
F. Failure of Owner to properly maintain the roof according to the High-Performance Roof Care & Maintenance Guide.
G. Failure of Owner to provide Garland with timely written notice of a claim pursuant to the terms of this Warranty.

LIMITATIONS/EXCLUSIONS

Garland shall not be responsible for damages that occur to real or personal property as a result of leaks, including damage to the structure itself or contents therein. Garland's sole responsibility pursuant to this Warranty is for the costs associated with the repair of leaks caused by defective materials or workmanship as set forth above. Furthermore, Garland shall not be responsible for any fading, chalking, or weathering; nor for damage, rust, or other conditions resulting from the building being located within 1,500 feet of the ocean or from acid rain; nor for any normal surface rust along the edges which, in the process of manufacturing and/or installation, have been factory-sheared or exposed in the field. Garland shall not be responsible for the removal or replacement of any roof top equipment or systems; nor for any incidental or consequential damages caused by leaks in the original roof system, including, but not limited to, loss of use or profits.

EXCEPT AS SET FORTH HEREIN, GARLAND MAKES NO OTHER WARRANTIES EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

OWNER RESPONSIBILITIES

In the event of a leak, Owner shall provide written notice to Garland within seven (7) days of discovery of the leak and before any repairs are undertaken. The written notice shall be sent to 3800 East 91st Street, Cleveland, OH 44105. Owner, or its agent or representatives shall then provide Garland with adequate access to allow Garland to inspect the leak and roofing system. If it is determined that the roof leak is the direct result of defective materials or workmanship, Garland will perform the repairs required to correct the roof leaks at no cost to Owner. If Garland fails to have the repairs performed within 72 hours after its inspection, emergency temporary repairs performed by others will not void this Warranty, as long as those repairs are approved by Garland.

To the fullest extent allowed by law, this Warranty shall be construed under and in accordance with the laws of the State of Ohio and any actions or suits to enforce this Warranty shall be brought in the State of Ohio. This Warranty constitutes the sole and exclusive Warranty of the parties hereto and supersedes any prior understandings or written or oral agreements or warranties between the parties respecting the subject matter within.

In the event that any one or more of the provisions contained in this Warranty shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision thereof, and this Warranty shall be construed as if the invalid, illegal or unenforceable provision had never been contained therein.

WARRANTY ACCEPTANCE

Owner hereby accepts and agrees to the terms and conditions set forth in this Warranty.

Regular Meeting of the Hancock County Planning Commission held on May 6, 2021

Those Present: R. Ladner, Koenig and Farve

Also Present: Anthony Cuevas, Director of Planning & Zoning

Minutes of the Previous Meeting: The minutes of the April 15, 2021 regular meeting were unanimously adopted on the motion of Commissioner Farve with Commissioner R. Ladner abstaining due to being absent.

Mark Necaise d/b/a Markkim Real Estate, LLC-Preliminary Subdivision Plan-Public Hearing
The Commission considered the application of Mark Necaise d/b/a Markkim Real Estate, LLC requesting preliminary subdivision plan approval for a 32-lot subdivision to be know as Derby Place. The property is located on Hwy 603, one mile north of Hwy 43, Kiln, MS 39556. The parcel number for the property is 063 -0-07-032.000. The property is currently zoned A-1 General Agricultural.

Mark Necaise was present at the meeting and presented the preliminary Subdivision Plan to the Commission stating that the property contains close to 11 acres of lakes and originally consisted of 32 lots, but now will consist of 31 lots with the combination of lots 19 & 20 into one after speaking with the adjacent property owners. Mr. Necaise also stated that there will be a minimum 2,000 sq. ft. size requirement for houses as well as covenants attached to all lots.

Adam Landrum was present from the public and had concerns with Stormwater and his property flooding from the result of the proposed subdivision. He stated that he purchased his house that abuts the proposed subdivision and in the recent rains that water has backed up on his property. The Commission stated that Mr. Necaise's Stormwater plan will be reviewed by the County Engineer and that Mr. Necaise will have to make any corrections to the plan that the County Engineer may have concerns with if there are any.

William Borj was present from the public and stated to the Commission that he had concerns with Mr. Necaise's character of acting as a contractor for this development and for the houses that have been constructed abutting the Preliminary Subdivision. The Commission informed Mr. Borj that the character of Mr. Necaise is not being determined with the application for the Preliminary Subdivision Plan.

Mrs. Abbey Seaward was present from the public and stated that she incouraged her daughter and son-in-law to purchase a house abutting the proposed Preliminary Subdivision and was asking if their property was part of the Derby Place Subdivision.

After public comment Mr. Necaise stated that the lots created from a Mini Subdivision along Hwy 603 did have covenants attached to them that are the same as the proposed Preliminary Subdivision Plan.

Kim Lee & S. Kenneth Lee-Special Exception -Public Hearing
The Commission considered the application of Kim Lee & S. Kenneth Lee requesting a special exception use for a surface mining operation of a 33.75 acre parcel of property. The property is located in the north west corner of the County off of Ridge Rd. Picayune, MS 39466. The parcel number is 091 -0-12-007.000. The property is currently zoned A-1 General Agricultural.

Attachment: 5-6-21 P&Z Minutes (8241 : May 6, 2021 P&Z Minutes)

Mr. Kenneth Lee was present at the meeting and explained to the Commission that they would like to have a surface mining operation of 33.75 acres.

No one was present at the meeting for comment from the public but the Planning & Zoning Office did receive a letter from Irma Kellar Frierson opposing the dirt pit adjacent from her property. The Planning & Zoning office also received back in the mail the notice sent to The Alabama Great Southern an adjacent property owner stating Return to Sender Not Deliverable as Addressed.

After discussion on the matter it was unanimously adopted on the motion of Commissioner Farve to recommend the Special Exception Use for a Surface Mining Operation on the property with the following stipulations:

1. Minimum buffer setback of natural vegetation of 100 ft. from any Road Right of Way and property lines bordering undeveloped parcels.
2. Minimum buffer setback of natural vegetation of 200 ft. from property lines abutting developed parcels to obscure the view of the operations area.
3. All entrances shall be gated and locked during non-business hours.
4. Haul Road Intersection with the public right of way shall be covered with limestone or crushed concrete for a distance of 200 ft.
5. Pit Operator is responsible to keep the public right of way clean of material from the pit operation.

Rose D. Ladner & Derrick Ladner-Special Exception Use & Site Plan Review

The Commission considered the application of Rose D. Ladner & Derrick Ladner requesting a special exception use & site plan review to operate a diesel mechanic shop. The property is located at 18869 Hwy 43 Kiln, MS 39556. The parcel number for the property is 076 -0-13-001.011. The property is currently zoned A-1 General Agricultural.

Mr. Derrick Ladner was present at the meeting and explained to the Commission that he would like to operate a diesel mechanic shop on his property. He explained that he always wanted to have his own mechanic shop.

No one was present from the public for comment.

After discussion on the matter it was unanimously adopted on the motion of Commissioner Farve to recommend the special exception use and site plan review to operate a diesel mechanic shop.

Irma Day & Lisa Day Necaise-Mini Subdivision

The Commission considered the application of Irma Day & Lisa Day Necaise requesting to divide a 10-acre parcel of property into five (5) separate parcels of property. The property is located at the south west corner of the intersection of Kiln-DeLisle Rd. and Gustine Rd. Kiln, MS 39556. The parcel number for the property is 076 -0-24-043.000. The property is currently zoned A-1 General Agricultural.

Mrs. Irma Day was present at the meeting and explained to the Commission that she would like to separate her property into five new parcels.

After discussion on the matter it was unanimously adopted on the motion of Commissioner Farve to recommend approval of the proposed subdivision as a mini subdivision based on the findings that said division meets the previously established criteria for a mini subdivision and that formal compliance with

Attachment: 5-6-21 P&Z Minutes (8241 : May 6, 2021 P&Z Minutes)

the requirements of the Subdivision Regulations is not necessary, but subject to the stipulations and on the condition that the applicant files an affidavit of subdivision in the public land records along with a certified survey showing new parcels with the legal descriptions.

Irma Day & Lisa Day Necaise-Mini Subdivision
The Commission considered the application of Irma Day & Lisa Day Necaise requesting to combine three separate parcels into two separate parcels. The properties are located at the southeast corner of the intersection of Bayou Lacroix Rd. and Rhonda Rd. Bay St. Louis, MS 39520. The parcel numbers for the properties are 126 -0-24-004.000, 126 -0-13-014.000 and 126 -0-24-002.000. The properties are currently zoned A-1 General Agricultural.

Mrs. Irma Day was present at the meeting and explained to the Commission that she would like to divide the property to create 2 separate parcels of property.

After discussion on the matter it was unanimously adopted on the motion of Commissioner R. Ladner to recommend approval of the proposed subdivision as a mini subdivision based on the findings that said division meets the previously established criteria for a mini subdivision and that formal compliance with the requirements of the Subdivision Regulations is not necessary, but subject to the stipulations and on the condition that the applicant files an affidavit of subdivision in the public land records along with a certified survey showing new parcels with the legal descriptions.

Jeffrey & Tien Reisch-Mini Subdivision
The Commission considered the application of Jeffrey & Tien Reisch requesting to divide a 24.7 acre parcel of property into 6 separate parcels of property. The property is located at 16115 Slade Rd. Kiln, MS 39556. The parcel number for the property is 069 -0-30-045.007. The property is currently zoned A-1 General Agricultural.

Mr. Reisch was present at the meeting and explained to the Commission that he would like to divide his property into separate parcels in order to sell.

After discussion on the matter it was unanimously adopted on the motion of Commissioner R. Ladner to recommend approval of the proposed subdivision as a mini subdivision based on the findings that said division meets the previously established criteria for a mini subdivision and that formal compliance with the requirements of the Subdivision Regulations is not necessary, but subject to the stipulations and on the condition that the applicant files an affidavit of subdivision in the public land records along with a certified survey showing new parcels with the legal descriptions.

Shandie Zimmerman agent for One River Crew LLC-Mini Subdivision
The Commission considered the application of Shandie Zimmerman agent for One River Crew LLC requesting to divide a 15 acre parcel of property into 4 separate parcels of property. The property is located at One River Place, west side of Hwy 603 across from Jourdan River Shores Subdivision. The parcel number for the property is 077 -0-36-020.000. The property is currently zoned C-1A Neighborhood Commercial.

Mr. Zimmerman was present at the meeting and explained to the Commission that he would like to divide the property in order to construct houses.

§ 45-9-131. Purchase of sidearm by retiring member of municipal or county law enforcement agency.

Upon approval of the governing authorities of the municipality or county, a member of any municipal or county law enforcement agency who retires under any state retirement system or any state-approved retirement system may be allowed to purchase as his personal property one (1) sidearm which was issued to him by the law enforcement agency from which he retired. The governing authorities of the municipality or county shall determine the amount to be paid for the firearm by the retiring member of the law enforcement agency.

SOURCES: Laws, 1995, ch. 462, § 1, eff from and after July 1, 1995.

ATTORNEY GENERAL OPINIONS

There is no fair market value requirement placed on a firearm when it is sold to a law enforcement officer who is retiring under the conditions set forth in the statute; the sale will not be considered an illegal donation if the firearm is sold for less than fair market value so long as the retirement conditions in the statute are met. Robichaux, March 10, 2000, A.G. Op. #2000-0124.

§ 45-9-133. Retention of sidearm by retiring law enforcement officer of Mississippi Department of Transportation.

Each person employed as a law enforcement officer by the Mississippi Department of Transportation who retires for superannuation or for reason of disability under the Public Employees' Retirement System shall be allowed to retain as his personal property, one (1) sidearm which was issued to such law enforcement officer.

Project: Specialized Domestic Violence Investigator

This continuation application is being submitted by the Hancock County Sheriff's Office, which operates under the local governing authority of the Hancock County Board of Supervisors.

Scotty Adam, Board President _____ Date _____

Attachment: FY22 Stop Grant App. (8215 : FY22 VAWA-STOP Grant Application.)

Project Narrative

Problem Statement:

The Hancock County Sheriff's Office provides services that target a population of 47,334 according to an estimate of the U.S. Census Bureau as of July 1, 2019. Hancock County is the southernmost county in Mississippi, and is along the Gulf of Mexico with St. Tammany Parish, Louisiana to its West, Harrison County, Mississippi to its East and Pearl River County, Mississippi to its North. For this project, the Hancock County Sheriff's Office is targeting victims of domestic violence, stalking and teen dating violence. This project will offer ongoing services to victims of domestic violence as well as focus on serving the following underserved populations: Homeless Victims, Victims with Disabilities, Victims with Limited English Proficiency, and Geographically Isolated Crime Victims.

During the years since the Hancock County Sheriff's Office has funded a Domestic Violence Investigator through the VAWA-STOP formula grant, many factors have been presented as triggers for domestic violence situations. Some of the major causes given have been: drug and alcohol abuse, use and abuse of new synthetic products and their derivatives, poverty, lack of funding for and limited access to mental health services, geographical isolation, homelessness, custodial disagreements and money mismanagement from gambling addiction. This information on causation is derived from the data collection process the Hancock County Sheriff's Office has implemented for domestic violence calls.

Geographically, domestic violence calls are more prominent in isolated areas. This information was derived from mapping out the domestic violence calls from the State of Mississippi's Report Beam program. During the 2020 calendar year, Hancock County Sheriff's Office responded to 197 calls related to domestic violence or stalking. Of these 187 calls, all cases were investigated, resulting in 73 misdemeanor arrests and 7 felony arrests. Criminal charges included Simple Assault Domestic Violence, Disturbance of the Family, Aggravated Assault Domestic Violence, Stalking and Violation of Protection Order. Currently, 6 of those who were arrested for charges related to domestic violence in the 2020 calendar year have active warrants for Failure to Appear to their court date. In addition to the everyday duties of the Domestic Violence Investigator, this further demonstrates it is essential that we retain continued services to those victims who have yet to see their suspected attackers answer for their crimes.

During the 2020 calendar year, victims of Domestic Violence have been faced with unforeseen barriers surrounding the COVID-19 pandemic. With orders to shelter in place, victims have been further isolated and without the ability to easily access all avenues of assistance. This has created new challenges for law enforcement and reaching isolated victims. The issue surrounding reaching geographically isolated victims morphed into an issue that reaches all victims of interpersonal violence and their access to services and care.

Attachment: FY22 Stop Grant App. (8215 : FY22 VAWA-STOP Grant Application.)

The impact of law enforcement personnel on domestic violence outcomes is dramatic. Victims need support and guidance throughout the criminal justice process. VAWA-STOP funding allows the Hancock County Sheriff's Office to meet the needs of victims of domestic violence and better pursue the prosecution of suspects of domestic violence.

Implementation:

The Hancock County Sheriff's Office will continue to use the VAWA-STOP funding for the salary and ongoing training of our full-time Domestic Violence Investigator. Funds will be used to provide enhanced law enforcement response to victims of domestic violence, stalking and dating violence. This involvement will cover everything from the initial police response to follow through with court proceedings. A victim will be eligible for receiving services from the Domestic Violence Investigator at the time of any report of domestic violence, whether or not a criminal charge results from the report. The Domestic Violence Investigator will respond to or follow up on all incidents of domestic violence, teen dating violence and stalking. Job duties for the Domestic Violence Investigator include but are not limited to: investigation of each incident, providing referral services, safety planning, assistance with procuring domestic protection orders, assistance with navigating the criminal justice and court process, and holding offenders accountable for their actions through filing criminal charges.

The Hancock County Sheriff's Office is able to provide culturally responsive services by implementing policies and training surrounding bias-based profiling. Law Enforcement Officers receive annual training on this policy and understand it is strictly prohibited to make law enforcement decisions upon unconstitutional bias or preference. Receiving this annual training enables law enforcement officers to be culturally responsive when responding to incidents of domestic violence. As an agency, policies are in place for contact and delivery of services to disabled persons, as well as interaction with the mentally ill. Language barriers can prove to be difficult in law enforcement, however, the Hancock County Sheriff's Office utilizes translators on staff who are called on when necessary, as well as a translator service when these employees are unavailable.

From the initial law enforcement response through finalization of court proceedings, the Hancock County Sheriff's Office is committed to providing victim-centered and trauma-informed services to victims of domestic violence. By employing a full-time Domestic Violence Investigator, the focus can be on the compassionate and sensitive delivery of services to victims. The Domestic Violence Investigator is solely responsible for handling and following up on calls that are a result of crimes against women. Through training and experience, the Investigator has learned how to provide support to victims by minimizing the traumatization often associated with the criminal justice process. The Hancock County Sheriff's Office believes that having a trained investigator assigned strictly to providing services to victims allows these victims to have a voice when they otherwise could easily get lost in the process. The Hancock County Sheriff's Office is able to provide trauma-informed services by allowing the victim to take the lead in many ways. In doing so, victims feel more

Attachment: FY22 Stop Grant App. (8215 : FY22 VAWA-STOP Grant Application.)

comfortable with follow-up interviews, court proceedings and other events that happen throughout the criminal justice process. By giving victims a voice in the process, chances of cooperation increase and better cases are built for court proceedings, which increases the likelihood of convictions. Ultimately, a victims' safety, well-being, and comfort take priority in all matters and procedures at the Hancock County Sheriff's Office. Victim service collaborations and referrals play a large role in providing critical support for victims. The Hancock County Sheriff's Office Domestic Violence Investigator works closely with local service organizations to ensure victims receive support in all aspects; from the initial need for services after an incident of domestic violence, to creating a safety plan and arrangements to move into shelter and/or transitional housing.

When a deputy is dispatched to a domestic violence call, it is agency policy that all victims receive the Mississippi Crime Victims' Bill of Rights and the Victim's Compensation Application. When giving these documents to the victim, deputies explain the process of how victims can exercise their rights, as well as direct them to the phone number for the Domestic Violence Investigator so that when they have questions about the process, the investigator can assist them. Victims are also given emergency services and local emergency shelter information at the time of the initial report. This process can look different on a case by case basis. Using lethality assessment protocol, the deputy or investigator may find it necessary to contact the shelter at that time. Otherwise, when a follow-up interview is conducted with the victim by the Domestic Violence Investigator, they go over the victims' rights once more. In many cases, the overwhelming nature of the incident at the time of the initial report leaves the victim with questions. It is also one of our goals as an agency to continue training for patrol deputies on lethality assessment protocol upon response to domestic violence calls, both through the part-time training academy and through one-on-one training between the Domestic Violence Investigator and newly employed deputies.

The Hancock County Sheriff's Office employs a Grant Coordinator that oversees grants and ensures that all grant activities are being carried out. The plan for outreach to the targeted population will be a collaborative effort between the Domestic Violence Investigator and Grant Coordinator, executed by providing education to the community through print media PSA's, utilizing social media platforms, and in person community presentations. Brochures and Flyers will be purchased and handed out to victims and hung in local community services agencies to reach victims. Two town hall styled community presentations will be conducted throughout the grant year. At each session, anonymous surveys will be given out before and after the presentation to allow the Hancock County Sheriff's Office to measure participant knowledge and answer questions from community members. Qualitative research will also be conducted through Social Media posts, utilizing Facebook surveys, and anonymous google forms where victims in the community can have input on issues that dive deeper into the issues surrounding domestic violence. The purpose of utilizing social media is to reach isolated victims, whether geographically or due to factors related to COVID-19. Victim surveys will be conducted at the close of each court case to measure qualitative and quantitative data on victim experiences with the criminal justice process from report to the close of each case. These surveys will be given by either paper form, or anonymous google submission form. This data will be submitted by the Domestic Violence Investigator and tracked within the excel victim survey tracking spreadsheet by the Grant Coordinator.

Attachment: FY22 Stop Grant App. (8215 : FY22 VAWA-STOP Grant Application.)

Bi-weekly, the Grant Coordinator and the Domestic Violence Investigator meet to discuss data collection and grant reporting. In the role of Domestic Violence Investigator, daily tracking of data occurs through the Hancock County Sheriff's Office case management system. As each call or report of domestic violence happens, a case is opened in this data tracking system, and all points are logged and tracked from that moment forward. Through this data system, all points of tracked statistics are kept in each case, with the system easily capable of pulling reports of this data. In this system the following information is tracked: Date of incident, case number, suspect name, suspect arrest, victim name, victim arrest, charge, reporting deputy name, referral to victim services, protection order tracking, prior history notes, court dispositions, and notes and case management information. All of this data is used to derive quantitative data and statistics.

Quarterly, the Grant Coordinator, Domestic Violence Investigator, Chief Investigator and Chief Deputy will meet to analyze and evaluate victim and community surveys. They will also discuss data tracked for the amount of calls to service, protection orders, court dispositions and current case statuses. At this time, determinations will be made on whether or not any changes to actions or activities are needed to achieve the outcome of the proposed project. If this is the case, the Grant Coordinator will ensure these changes are made and will be responsible for follow-up.

Please see the following pages for Scope of Service/Goals, Objectives and Activities in the work plan provided by the Mississippi State Department of Health

Sustainability Plan:

The Hancock County Sheriff's Office is committed to responding to crimes against women. In the event that continued funding is not available for any reason, it is unlikely that this position would be funded. Instead, domestic violence victims would see several investigators from the Criminal Investigations Division based on who was on call. As it stands, one investigator is assigned to this position, and has spent great amounts of time training and gaining knowledge and experience on how to work with victims. The Domestic Violence Investigator is able to not only assist victims of Felony crimes being a fully funded position, but he is able to assist victims of misdemeanor crimes as well as those who simply would like to pursue charges against their attackers. The value of the services this position provides to the community is extensive.

OFFICE AGAINST INTERPERSONAL VIOLENCE
Mississippi State Department of Health

WORK PLAN

GOAL 1:	Provide continued education to residents of Hancock County on Domestic Violence laws, and the Hancock County Sheriff's Office ability to prosecute offenders.
OBJECTIVE 1.1:	*Educate community members on the laws of Domestic Violence, Dating Violence and Stalking through (4) community outreach programs so the community will be more informed of how the Hancock County Sheriff's Office assists victims.*

Activities/Strategies	Staff Responsible	How will it be measured	Completion Date
1.1.1 The Domestic Violence Investigator and Grant Coordinator will plan and conduct (2) outreach informational sessions throughout the grant year. These will be held as town-hall style sessions to encourage community participation from many. At each of these informational sessions, we will have an anonymous survey to be passed out before and after the presentation to be able to measure participants' knowledge and answer questions from community members.	Grant Coordinator and Domestic Violence Investigator	Surveys	09/30/2022
1.1.2 The Domestic Violence Investigator and Grant Coordinator will work together to create a social media plan for the 2022 grant year to include educational information for the community on laws of domestic violence, teen dating violence and stalking. In this activity, Facebook posts with requests for anonymous question submissions from community members will be posted, with responses to these questions being posted a few weeks later. After each session, a social media survey will be posted to ask the community if they feel the series educated them on the subjects addressed in each post. This will be a 4-part series over the entire grant year. In addition, posts will be made for each community outreach informational session with the goal of informing geographically isolated community members. Facebook surveys will also be conducted throughout the grant year asking community members to participate in helping identify issues that dive deeper into the issues surrounding domestic violence for the purpose of qualitative research. purpose of conducting so many social media posts is to reach out into homes of victims who may be isolated due to geographic location or COVID-19.			
1.1.3 The Domestic Violence Investigator and Grant Coordinator will work with local print media to create articles and share information on domestic violence with community members.	Domestic Violence Investigator and Grant Coordinator	By the amount of times articles are published.	9/30/2022

GOAL 2:	Provide enhanced law enforcement response and support for victims of domestic violence, dating violence and stalking.
OBJECTIVE 2.1:	*At the end of September 30, 2022, 75% of victims of domestic violence, teen dating violence or stalking who have completed the client survey will report that they have felt supported through the criminal justice process.*

Activities/Strategies	**Staff Responsible**	**How will it be measured**	**Completion Date**
2.1.1 The Grant Coordinator will continue tracking an anonymous survey that is given to victims to take at the close of their court case. This survey will be given to victims by either the Court Advocate or Domestic Violence Investigator to be filled out. This survey will be forwarded once complete to the Grant Coordinator where the data will be entered and tracked.	Domestic Violence Investigator and Grant Coordinator	Qualitative data tracking through an excel spreadsheet.	9/30/2022
2.1.2 The Domestic Violence Investigator will respond to or follow up on all calls of domestic violence, teen dating violence and stalking. This will be accomplished through follow-up interviews, phone calls and meetings	Domestic Violence Investigator	Through the Hancock County Sheriff's Office case management tracking system	9/30/2022

Attachment: FY22 Stop Grant App. (8215 : FY22 VAWA-STOP Grant Application.)

2.1.3 The Domestic Violence Investigator will assist in procuring protection orders when necessary.	Domestic Violence Investigator	Through the Hancock County Sheriff's Office case management tracking system	9/30/2022
2.1.4 The Domestic Violence Investigator will communicate with victims throughout the criminal justice process, providing education and referrals to other community service agencies that can be of support to the victim.	Domestic Violence Investigator	Through the Hancock County Sheriff's Office case management tracking system	9/30/2022
2.1.5 The Domestic Violence Investigator will ensure that each victim received a Mississippi Crime Victims' Bill of Rights, Crime Victims' Compensation Program information and an emergency services packet.	Domestic Violence Investigator	Through the Hancock County Sheriff's Office case management tracking system	9/30/2022
2.1.6 Hancock County Sheriff's Office will continue to reach out to homeless victims of domestic violence through the Hancock County Adult Detention Center. Since July 2019, correctional officers have conducted a survey during the booking process. This survey asks offenders if they are a victim of domestic violence, and if they are homeless. If the answer is yes to either of these questions, inmates are instructed to go to the Sheriff's Office upon their release from the facility to speak with the Domestic Violence Investigator. When speaking with the Domestic Violence Investigator, they are able to receive information about reporting domestic violence incidents and resources available to them to assist in procuring stable housing.	Domestic Violence Investigator	Through the Hancock County Sheriff's office case management tracking system	9/30/2022

OBJECTIVE 2.2:	*The Domestic Violence Investigator will train at least 15 patrol deputies throughout the FY22 grant year on the Lethality Assessment Protocol so the deputies will be able to provide more enhanced services to victims.*

Activities/Strategies	**Staff Responsible**	**How will it be measured**	**Completion Date**
2.2.1 The Domestic Violence Investigator will train patrol deputies in the use of evidence-based instruments in Lethality Assessment. Through this training and protocol, patrol deputies will be able to better serve victims of domestic violence.	Domestic Violence Investigator	The Domestic Violence Investigator will utilize sign-in sheets and a tracking spreadsheet to know who has attended and been trained in Lethality Assessment Protocol.	09/30/2022

Travel - In State Narrative

Out of State travel reimbursement is being requested for the Domestic Violence Investigator to attend the 2022 Conference on Crimes Against Women in Dallas, TX in Spring of 2022. The goal of attending this conference is to improve delivery of services to victims. The 2021 program was invaluable to the Investigator and continued education is essential. The first "other" item is for the cost of registration. For "Mileage", this is a projected cost for gas based off of current rates. The DV Investigator drives a 2019 Nissan Pathfinder that gets 23.5 miles per gallon. We have estimated that he will need 45.18 gallons of gas at the gas average of $2.71 per gallon. This totals to $122.44 for the trip to Dallas and back. Hotel and meal rates are based off of the federal Per Diem rates for Dallas, TX. The second "other" item is to be used for parking at the hotel, with the cost being directly taken from the conference website. According to the website, teh goal of the Conference on Crimes Against Women is to provide practical instruction, using current information, the newest ideas and most successful intervention strategies, to those professionals responsible for combating the many and varied forms of crimes against women. Some of the classes offered cover the following: Investigations, Victim Testimony, Victim Interviewing Techniques, Domestic Violence Fatality Review Teams, and more.

Hello Everyone,

My name is Blake Wallace. I will be working with Joel Yelverton (Project Coordinator) and Jimmie Ladner (Project Administrator), for the upcoming 2021/2022 ortho project (currently 13 counties). I served as the administrator for all previous ortho flights that Joel coordinated, so I have worked with some, if not all of you, before. The documents and the process that we will be using were developed by the 6-county coastal group that flew in 2011/2012 and has been incrementally improved during subsequent projects.

As a result, the documents and process for completing your ortho project have been well-tested in battle, and the best practices gleaned from the prior projects were incorporated into the documents you will begin receiving soon. You will also receive instructions as to their review, execution, and disposition.

It is important that during this process a point person from your county is assigned to this project, and because you are receiving this email, you are currently the point person for your county; if that needs to be changed, please forward me the contact information for your new point person. Point persons, please ensure that information requests and documents are promptly addressed, beginning with the information requested below.

We will need to complete all tasks associated with this project in a timely manner to ensure that we are in position to advertise for bids by our target date, which is currently sometime in August, September at the latest. We will supply an actual date later in the process. Timeliness is imperative to ensure that we can advertise, receive contractor proposals, review the proposals, and select a contractor for the project, and the selected contractor can commit adequate equipment to our project; otherwise, we will be in jeopardy of delaying the project or missing the flying season entirely.

During the process, it will be important for the point person to check email often. There will be a lot of communication via email, and many, if not all, will contain time sensitive tasks and information. To ensure optimal communication, I need the following for each point person:

- Name
- Title
- Office number
- Email address
- Cellular number (The cell numbers will not be shared and will not be utilized unless necessary.)
- Mailing address
- Physical address (For UPS and FedEx deliveries if necessary)

I will also need:

- Name of the President of the Board of Supervisors
- Address if different from point person above

- Name of your Chancery Clerk
- Address if different from point person above

If you have a vendor providing your mapping services, I also need the following information for them:

- Name of Vendor

Attachment: MS ORTHO 2021-2022 Intro Email (8219 : Approve MS ORTHO 2021 Aerial Photography Interlocal Agreement.)

- Name of contact person
- Title
- Office number
- Email address

Please email the above information to blake02w@hotmail.com by the end of May 2021.

Once I start forwarding documents, the first document that you will receive will be the interlocal agreement; this document does not commit you to the project, in fact, you are not committed until you sign a contract with the selected contractor. You will see language to that effect in the interlocal agreement at item VI. You will also receive instructions on what to do with the interlocal agreement. Please pay particular attention to the instructions for all documents; the instructions will inform you what to do with each document and how to distribute the document once executed.

I am providing the following costs per square mile from last year's flight for budgeting purposes. If you need assistance determining the number of square miles in your county and/or computing a budget cost, please do not hesitate to contact me. There were ten counties in last year's flight, but the numbers may be different in this year's flight; however, these numbers will give you an idea of what to budget for the flight.

- 12" pixel outside urban areas - cost per square mile was $29.90.
- 6" pixel – urban areas only – cost per square mile was $177.55.
- 6" pixel – countywide – cost per square mile was $80.23.

If you have any questions regarding any of the documents or communications that you receive, please contact me at your convenience. My cell number is: 601 572 7201, and my email is blake02w@hotmail.com.

I look forward to working with you.

MS ORTHO 2021 Aerial Photography Update Initiative 2021-2022 Interlocal Agreement

State of Mississippi

County of Amite
County of Covington
County of Forrest
County of Hancock
County of Jefferson Davis
County of Lamar
County of Lauderdale
County of Lawrence
County of Pearl River
County of Pike
County of Simpson
County of Stone
County of Walthall

Interlocal Cooperation Agreement

This agreement is made among the Board of Supervisors, of the respective counties as set forth hereinafter, pursuant to the Interlocal Cooperation Act of 1974, Section 17-13-3 et seq., Mississippi Code of 1972, as amended.

As the purpose of this Interlocal Agreement is to collectively seek and procure services to conduct Aerial Photography and Survey of the eleven (13) named counties as directed under section 27-35-101 Mississippi Code 1972 as required for compliance with section 27-35-113 Mississippi Code 1972 at a substantially reduced cost to the Tax Payers.

Attachment: MS ORTHO 2021-2022 Interlocal Agreement (8219 : Approve MS ORTHO 2021 Aerial Photography Interlocal Agreement.)

I. Title

This joint agreement between the aforementioned cooperative counties shall be known as MS ORTHO 2021.

II. Statutory Authority.

Counties are individually authorized to engage in Aerial Photography and Survey as allowed under section 27-35-101 Miss. Code 1972. Section 17-13-3 Miss. Code 1972, allows the cooperative activity under section 27-35-113 Miss. Code 1972.

III. Duration

This agreement shall continue in force and effective from date of its approval until all work is complete and accepted by all parties but no longer than the current term of any Board of Supervisors which is a party hereto.

IV. Purpose

The purpose of this agreement is to allow the participating counties to collectively bid for and receive services that are like in kind and required by statute that would otherwise be more costly or prohibitive to contract for separately. Ultimately, the expressed purpose is to acquire Aerial Photography for Assessment purposes at a substantially reduced cost to the Tax Payer. By acting in concert there is reason to believe the group will benefit from other Government bodies wanting access to the completed project.

Attachment: MS ORTHO 2021-2022 Interlocal Agreement (8219 : Approve MS ORTHO 2021 Aerial Photography Interlocal Agreement.)

V. Administration

For the ease of administration, Jimmie Ladner, Tax Assessor/Collector of Hancock County, will act as project coordinator and Blake Wallace, an independent consultant, will act as a single point of contact for all Counties and potential vendors during the bidding process and other matters related to the project. Each County shall be responsible for approving its portion of any bids received and will be responsible for the cost associated with the Initiative incurred for their county only. In the case that any other Government Bodies provide assistance funding for project completion, it will be up to that entity to describe the nature and distribution of funding.

VI. Financing

It will be the responsibility of each County to arrange for contract and financing with the agreed upon vendor based on contract bid acceptance.

VI. Termination

This agreement may be terminated as to any county at any time with the adoption of an Order by the county. In such an event the Agreement will have no further effect on that county from the effective date of the Order. The terminating county will resolve any contractual issues with the vendor independently. Dependent on the timing of termination other counties may have to re-bid or negotiate with the vendor(s).

VII. Bid for Services

Attachment: MS ORTHO 2021-2022 Interlocal Agreement (8219 : Approve MS ORTHO 2021 Aerial Photography Interlocal Agreement.)

There will be a final agreed upon bid for basic services. Said bid will be the basis for fees paid by participating counties. Base service will be but not limited to, Rectified Orthographic Photography to agreed specifications. Each county will individually contract for additional services as required by their jurisdiction.

VIII. Contracting

Each County will ultimately be responsible for the final contract and payment agreements with the approved vendor. This agreement does not bind any county for any other counties' obligations or debts.

IX. Additional Jurisdiction

Should any other county or other government body wish to join this agreement they may do so in writing, agreeing to all terms and conditions prior to the completion of the project.

RE: Telepak Networks
ROW Occupancy Request
Hancock North Elementary School

Dear Board Members:

We have received a right-of -way permit application (attached) from Telepak Networks.

We recommend approval of the attached permit application with the following conditions.

1) Underground installation of road crossings shall have a minimum depth of 4' below the road surface and 3' below the bottom of ditch.
2) When lines are placed within ditch, cut or slope minimum bury depth shall be a minimum of 3'.
3) All ditch flow lines shall remain intact and unimpeded for duration of installation.
4) Applicant shall also provide a 48-hour notice to County Engineer prior to work being performed.

Our fee for county billing per Board of Supervisors authorization is attached.

If you have any questions, please advise.

Sincerely,

COMPTON ENGINEERING, INC.

Geoffrey F. Clemens, P.E.
County Engineer

BY Jon Huddleston, OSP Permit Specialist,
(Name & Company Title)

ADDRESS 1018 Highland Colony Parkway Suite 400, Ridgeland, MS 39157, hereinafter called APPLICANT,

proposes to construct fiber optic cable
(Type of Facility)

along or across E Rate-Hancock County School District-Kiln-12005707-6122 Cuevas Town Rd, Kiln, MS 39556 Road, said facility to be
(Name of Road)

installed between Station No._____ and Station No._____ and within the road right-of-way, and hereby makes application to the County for the construction permit. Attached hereto are drawings or plans for the construction, which will not be changed or altered without approval of the Board of Supervisors, or its authorized representative.

WHEREAS, the Legislature of Mississippi has heretofore granted to the Applicant the right to locate its facilities upon, across, under, over and along public roads and streets within the State of Mississippi; Applicant agrees to comply with applicable provisions of S.O.P. No. SA II-2-8, Policy for the Accommodation of Utility Facilities within the Rights-of-Way of County Federal Aid and State Aid Roads (hereinafter referred to as the "Policy"), promulgated by the State Aid Engineer and dated July 1, 2005, and which is hereby made a part of this Application Agreement, and agrees to perform the construction according to the applicable industry code and according to the plans and specifications for the project.

The Applicant shall be responsible for future maintenance and repair of the facilities. The Applicant shall make future adjustments in, or relocate, the facilities located within the road right-of-way when required for road widening, construction or maintenance, and its right to reimbursement of its costs shall be in accordance with State Laws affecting County roads in effect at the time such adjustment or relocation is made. Further, any maintenance, repair, or construction shall be done in such a manner as to occasion no unreasonable interference with the normal flow and safety of traffic.

FORM-SA ROW-U2
(Rev. 07-01-2005)

A general description of the size, type, nature, and extent of the Utility work to be done is a follows:

directional bore at a minimum of 48" in depth as drawings reflect

See Attached Construction Drawings

E Rate-Hancock County School District-Kiln-12005707-6122 Cuevas Town Rd, Kiln, MS 39556

The Applicant understands and agrees that, except as herein granted, no right, title, claim, or easement to said road right-of-way is granted by the issuance of this permit and that if this Utility Facility is not placed within the allowable horizontal and vertical limits as listed in the general provisions of the Policy, it will be adjusted to comply with same without cost to the County, unless the variance from the Policy has been approved by the granting of the Permit pursuant to this Application.

_____ County agrees to the following stipulations:

(1) To cooperate with the Utility Company in every way to avoid conflicts in the location, construction, and maintenance of the County road and Utility Facility.

(2) To pursue any and all legal means to see that Policy Standards, except to the extent of any variance shown on the plans filed herewith and approved, are complied with in the facility installation.

(3) If the County/LSBP Engineer or other authorized representative of the Board of Supervisors approved the drawings, sketches, and plans submitted by the Applicant, he shall so indicate by signing and dating the Permit Approval at the end of this Application, and the Applicant may proceed with the installation; if the drawings, sketches, and plans are not approved, he shall promptly notify the Applicant, and advise him of the reason or reasons. He will also act as the duly appointed representative of the Board of Supervisors and will give his approval to the completed work as being in compliance with the location and standards shown in the Policy and in this Agreement for the installation.

(4) That all joint road construction and utility adjustment or relocation operations will comply with the requirements of Section S-105.06 and Section S-107.18, Mississippi Standard Specifications for State Aid Road and Bridge Construction, 2004 edition (or current edition).

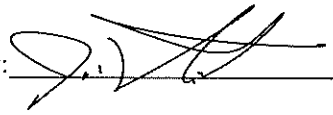

(5) Should any terms or provision of this Agreement conflict with the Laws of the State of Mississippi, or the United States, or impair or deny to the Applicant or the County any right protected thereby, it shall be deemed amended to conform to said Laws.

TYPICAL HAND HOLE INSTALLATION

MARKER POST WITH LOCATE PIGTAIL CENTERED BEHIND HANDHOLE

8' x 5/8" GROUND ROD 6" BELOW GROUND AND 6" TO THE LEFT OF MARKER POST OUTSIDE OF HANDHOLE

PIGTAIL INSTALLED IN H/H WITH LONG WIRES (CONNECTORIZED ENDS) FED UP INTO MAKER POST AND SHORT WIRE TO GROUND ROD

AT EVERY HANDHOLE LOCATION WITH A MARKER POST, 1.25" HDPE SHOULD EXTEND 48" INTO MARKER POST. HDPE SHOULD ALSO EXTEND 6" ABOVE GRAVEL AT THE BOTTOM OF THE HANDHOLE.

AT EVERY TEST STATION, BURY GROUND ROD 6" BELOW GROUND AND 6" TO THE LEFT OF MARKER POST

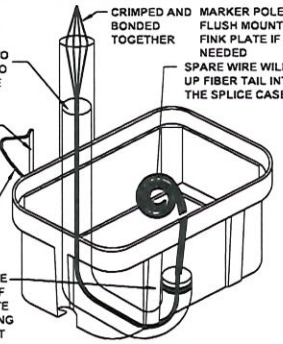

BLACK WIRE BONDED TO 8' GROUND ROD AT TEST STATIONS ONLY

PLACE BLUE TAPE NEAR THE TOP OF HDPE TO INDICATE THE DUCT LEADING TO MARKER POST

CRIMPED AND BONDED TOGETHER

MARKER POLE OR FLUSH MOUNT FINK PLATE IF NEEDED

SPARE WIRE WILL GO UP FIBER TAIL INTO THE SPLICE CASE

PIGTAILS ARE TO BE INSTALLED AT TEST STATION (T.S.) ONLY.

HANDHOLES ARE TO BE INSTALLED A MINIMUM OF THREE FEET FROM ANY UTILITY OR POWER POLE.

BOXES (Nestable)

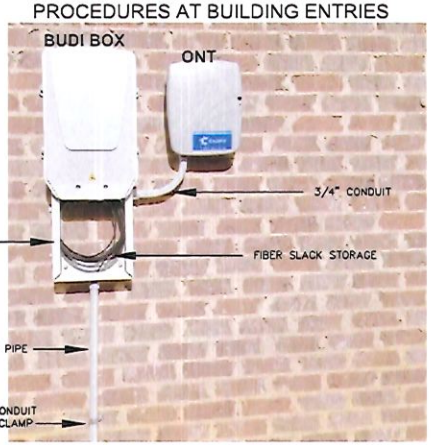

DESCRIPTION	PART NO.	WEIGHT	DESIGN/TEST LOAD#
UH-5 30x60x36	PG3060Z501	933# 423KG.	15'000 LBS
UH-4 30x48x36	PG3048Z579	563# 255KG.	15'000 LBS
UH-3 24x36x24	PG2436Z905	284# 129KG.	15'000 LBS

DIMENSIONS ARE IN INCHES OR MILLIMETERS IN BRACKETS UNLESS OTHERWISE NOTED.

NOTES:

1. THIS ASSEMBLY IS RATED FOR A STATIC DESIGN LOAD OF 15,000 LBS. [66,720 N] OVER A 10 [254] X 10 [254] AREA AND MUST PASS A MIN. STATIC TEST LOAD OF 22,500 LBS. [100,085 N].
2. ALL ENCLOSURES, BOXES AND COVERS, ARE REQUIRED TO CONFORM TO ALL TEST PROVISIONS OF ANSI/SCTE 77 2007 "SPECIFICATION FOR UNDERGROUND ENCLOSURE INTEGRITY" AS MANUFACTURED BY QUAZITE OR EQUIVALENT WITH TELEPAK NETWORK'S ENGINEER'S SIGNED APPROVAL. THE COVERS MUST BE RATED FOR TIER 15 APPLICATIONS AND BOXES RATED FOR TIER 22 APPLICATIONS AND IN NO ASSEMBLY CAN THE COVER DESIGN LOAD EXCEED THE DESIGN LOAD OF THE BOX. ALL COMPONENTS IN AN ASSEMBLY (BOX & COVER) ARE MANUFACTURED USING MATCHED SURFACE TOOLING. ALL COVERS ARE REQUIRED TO HAVE A MINIMUM COEFFICIENT OF FRICTION OF 0.50 IN ACCORDANCE WITH ASTM C 1028 AND HAVE TIER 15 AND "TELEPAK NETWORKS 800-342-3716" EMBOSSED ON THE TOP SURFACE. ALL COVER BOLTS TO BE SELF-CLEANING AUGER BOLT ASSEMBLIES.

TYPICAL BUDI BOX, SKIRT & ONT COMBO OUTDOOR INSTALLATION PROCEDURES AT BUILDING ENTRIES

1. PLEASE MOUNT BUDI BOX 36" OFF THE GROUND UNLESS OTHERWISE STATED ON THE DRAWINGS.
2. BUDI BOX & ONT INSTALLATION LOCATION WILL BE SHOWN ON THE CONSTRUCTION DRAWINGS. PLEASE DO NOT USE PICTURES AS A HEIGHT INDICATOR FOR THE INSTALLATION.
3. MOUNT 3' RISER PIPE TO THE WALL USING SHOWN CONDUIT STRAPS.
4. JOIN RISER PIPE TO SKIRT AT SHOWN LOCATION & MOUNT BUDI BOX & SKIRT TO WALL.
5. USING A 3/4" SWEEPING 90, CONNECT SKIRT TO ONT AND MOUNT ONT TO WALL.
6. PLACE FIBER FROM DUCT INTO RISER PIPE AND INTO SKIRT LEAVING A 5' SLACK LOOP.

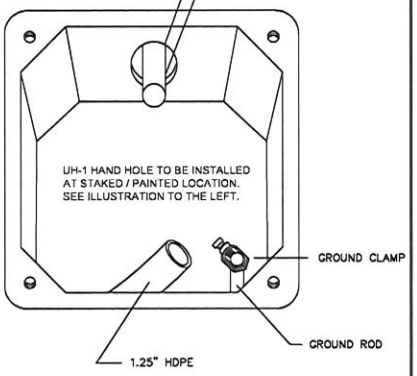

BUDI BOX, SKIRT & ONT COMBO OUTDOOR INSTALLATION COMPLETED INSTALL

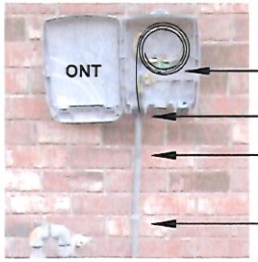

TYPICAL UH-1 / UH-2 HAND HOLE INSTALLATION PROCEDURES AT BUILDING ENTRIES

UH-1 / UH-2 INSTALLATION LOCATION WILL BE MARKED BY A STAKE AND/OR PAINT. CSPIRE/ OSP WILL INSTALL CONDUIT 8" UNDERGROUND TO DESIRABLE UH-1 LOCATION.

TYPICAL ONT OUTDOOR INSTALLATION PROCEDURES AT BUILDING ENTRIES

1. PLEASE MOUNT ONT 48" OFF THE GROUND UNLESS OTHERWISE STATED ON THE DRAWINGS.
2. ONT & FDP INSTALLATION LOCATION WILL BE SHOWN ON THE CONSTRUCTION DRAWINGS. PLEASE DO NOT USE PICTURES AS A HEIGHT INDICATOR FOR THE INSTALLATION. MOUNT ONT AS CLOSE TO THE POWER METER AS POSSIBLE
3. DUCT PLACED BY DIRECTIONAL BORING SHOULD MEET THE RISER PIPE UNDERGROUND NEAR THE BASE OF THE WALL. A 4" GAP BETWEEN THE DUCT AND THE RISER PIPE IS ACCEPTABLE.
4. MOUNT 4' RISER PIPE TO THE WALL USING SHOWN CONDUIT CLAMPS.
5. JOIN RISER PIPE TO ONT AT SHOWN LOCATION & MOUNT ONT TO THE WALL.
6. PLACE FIBER FROM DUCT INTO RISER PIPE AND INTO ONT.
7. LEAVE 5' OF SLACK INSIDE OF THE ONT. SLACK SHOULD BE LOOSELY STORED AND NOT LOOPED TIGHTLY.

FORM-SAD ROW-U2

PERMIT APPLICATION FOR USE AND OCCUPANCY AGREEMENT FOR THE CONSTRUCTION OR ADJUSTMENT OF A UTILITY WITHIN ROAD OR HIGHWAY RIGHT-OF-WAY

FACILITY ALONG OR ACROSS KILN-DELISLE RD COUNTY ROAD

PROJECT NUMBER 14C00536N / A0235GD COUNTY OF HANCOCK

UTILITY NAME AT&T BY DEWEY SMITH

ADDRESS 1723 22ND AV, GULFPORT, MS herein called APPLICANT

proposes to construct BURIED FIBER Utility Facility

along or across KILN-DELISLE RD County Road, said facility to be

installed between Station ROAD 525 and Station ROAD 520

of Project Number AT&T 14C00536N / A0235GD and within road or highway right-of-way, and hereby makes application to the County for the construction permit. Attached hereto are drawings or plans for the construction, which will not be changed or altered without approval of the Board of Supervisors, or its authorized representative.

WHEREAS, the Legislature of Mississippi has heretofore granted to the Applicant the right to locate its facilities upon, across, under, over and along public highways and streets within the State of Mississippi; Applicant agrees to comply with applicable provisions of S.O.P. Number SAD II-2-8, Policy for the Accommodation of Utility Facilities within the Rights-of-Ways of County Federal Aid and State Aid Highways (hereinafter referred to as the "Policy"), promulgated by the State Aid Engineer and dated January 1, 1983, and which is hereby made a part of this Application Agreement, and agrees to perform the construction according to the applicable industry code and according to the plans and specifications for the Project.

The Applicant shall be responsible for future maintenance and repair of the facilities. The Applicant shall make future adjustments in, or relocate, the facilities located within road or highway right-of-way when required for highway widening or other highway construction, and its right to reimbursement of its costs, if any, shall be in accordance with State law in effect at the time such adjustment or relocation is made. Further, any maintenance, repair, or construction shall be done in such a manner as to occasion no unreasonable interference with the normal flow and safety of traffic.

Attachment: Letter to HCBOS 5-26-21 (8225 : ROW Request AT&T)

A general description of the size, type, nature, and extent of the Utility work to be done is as follows:

The Applicant understands and agrees that, except as herein granted, no right, title, claim, or easement to said road right-of-way is granted by the issuance of this permit and that if this Utility Facility is not placed within the allowable horizontal and vertical limits as listed in the general provisions of the Policy, it will be adjusted to comply with same without cost to the County, unless the variance from the Policy has been approved by the granting of the Permit pursuant to this Application.

The Applicant further understands that the Utility's engineering, plant, or other personnel will be responsible for the staking and construction supervision of the work set out above and as shown on the attached plans.

_____HANCOCK___ County agrees to the following stipulations:

1) To cooperate with the Utility Company in every way to avoid conflicts in the location, construction, and maintenance of the County Highway and Utility Facility.

2) To pursue any and all legal means to see that Policy Standards, except to the extent of any variance shown on the plans filed herewith and approved, are complied with in the facility installation.

3) If the County Engineer or other authorized representative of the Board of Supervisors approved the drawings, sketches, and plans submitted by the Applicant, he shall so indicate by signing and dating the Permit Approval at the end of this Application, and the Applicant may proceed with the installation; if the drawings, sketches, and plans are not approved, he shall promptly notify the Applicant, and advise it of the reason or reasons. He will also act as the duly appointed representative of the Board of Supervisors and will give his approval to the completed work as being in compliance with the location and standards shown in the Policy and in this Agreement for the installation.

4) That all joint highway construction and utility adjustment or relocation operations will comply with the requirements of Section S-105.06 and Section S-107.18, Mississippi Standard Specifications for State Aid Road and Bridge Construction, 1989 edition (or current edition).

5) Should any term or provision of this Applicant Agreement conflict with the law of the State of Mississippi, the Mississippi Constitution, or the United States Constitution, or impair or deny to the Applicant or the County any right protected thereby, it shall be deemed amended to conform to said law or Constitution.

The Applicant understands and agrees that, except as herein granted, no right, title, claim, or easement to said road right-of-way is granted by the issuance of this permit and that if this Utility Facility is not placed within the allowable horizontal and vertical limits as listed in the general provisions of the Policy, it will be adjusted to comply with same without cost to the County, unless the variance from the Policy has been approved by the granting of the Permit pursuant to this Application.

Hancock County agrees to the following stipulations:

(1) To cooperate with the Utility Company in every way to avoid conflicts in the location, construction, and maintenance of the County road and Utility Facility.

(2) To pursue any and all legal means to see that Policy Standards, except to the extent of any variance shown on the plans filed herewith and approved, are complied with in the facility installation.

(3) If the County/LSBP Engineer or other authorized representative of the Board of Supervisors approved the drawings, sketches, and plans submitted by the Applicant, he shall so indicate by signing and dating the Permit Approval at the end of this Application, and the Applicant may proceed with the installation; if the drawings, sketches, and plans are not approved, he shall promptly notify the Applicant, and advise him of the reason or reasons. He will also act as the duly appointed representative of the Board of Supervisors and will give his approval to the completed work as being in compliance with the location and standards shown in the Policy and in this Agreement for the installation.

(4) That all joint road construction and utility adjustment or relocation operations will comply with the requirements of Section S-105.06 and Section S-107.18, Mississippi Standard Specifications for State Aid Road and Bridge Construction, 2004 edition (or current edition).

(5) Should any terms or provision of this Agreement conflict with the Laws of the State of Mississippi, or the United States, or impair or deny to the Applicant or the County any right protected thereby, it shall be deemed amended to conform to said Laws.

SECTION 00410
BID FORM

NOTE: Use preferably black ink for completing this Bid form.

ARTICLE 1 – BID RECIPIENT

1.01 This Bid is submitted for:

Replacement of Bridge No. 48 Bogue Houma Bayou on Flat Top Road

1.02 This Bid is submitted to:

Hancock County Board of Supervisors
854 Highway 90, Suite A
Bay St. Louis, MS 39520

1.03 The undersigned Bidder proposes and agrees, if this Bid is accepted, to enter into an Agreement with Owner in the form included in the Bidding Documents to perform all Work as specified or indicated in the Bidding Documents for the prices and within the times indicated in this Bid and in accordance with the other terms and conditions of the Bidding Documents.

1.04 The person to contact for additional information regarding this Bid:

NAME: _____
TITLE: _____
TELEPHONE: _____

ARTICLE 2 – BIDDER'S ACKNOWLEDGEMENTS

2.01 Bidder accepts all of the terms and conditions of the Instructions to Bidders, including without limitation those dealing with the disposition of Bid security. This Bid will remain subject to acceptance for 90 days after the Bid opening, or for such longer period of time that Bidder may agree to in writing upon request of Owner.

ARTICLE 3 – BIDDER'S REPRESENTATIONS

3.01 In submitting this Bid, Bidder represents that:

A. Bidder has examined and carefully studied the Bidding Documents, the other related data identified in the Bidding Documents, and the following Addenda, receipt of which is hereby acknowledged.

Addendum No.	Addendum Date

B. Bidder has visited the Site and become familiar with and is satisfied as to the general, local and Site conditions that may affect cost, progress, and performance of the Work.

C. Bidder is familiar with and is satisfied as to all federal, state and local Laws and Regulations that may affect cost, progress and performance of the Work.

D. Bidder has carefully studied all: (1) reports of explorations and tests of subsurface conditions at or contiguous to the Site and all drawings of physical conditions relating to existing surface or subsurface structures at the Site (except Underground Facilities) that have been identified in SC-4.02 as containing

Attachment: 00901-01 Addendum No. 1 (8256 : Bridge No. 48 Bogue Homa Bayou)

reliable "technical data" and, (2) reports and drawings of Hazardous Environmental Conditions, if any, at the site that have been identified in SC-4.06 as containing reliable "technical data".

E. Bidder has considered the information known to Bidder; information commonly known to contractors doing business in the locality of the Site; information and observations obtained from visits to the Site; the Bidding Documents; and the Site-related reports and drawings identified in the Bidding Documents, with respect to the effect of such information, observations, and documents on (1) the cost, progress, and performance of the Work; (2) the means, methods, techniques, sequences, and procedures of construction to be employed by Bidder, including applying the specific means, methods, techniques, sequences, and procedures of construction expressly required by the Bidding Documents; and (3) Bidder's safety precautions and programs.

F. Based on the information and observations referred to in Paragraph 3.01.E above, Bidder does not consider that further examinations, investigations, explorations, tests, studies, or data are necessary for the determination of this Bid for performance of the Work at the price(s) bid and within the times required, and in accordance with the other terms and conditions of the Bidding Documents.

G. Bidder is aware of the general nature of work to be performed by Owner and others at the Site that relates to the Work as indicated in the Bidding Documents.

H. Bidder has given Engineer written notice of all conflicts, errors, ambiguities, or discrepancies that Bidder has discovered in the Bidding Documents, and the written resolution thereof by Engineer is acceptable to Bidder.

I. The Bidding Documents are generally sufficient to indicate and convey understanding of all terms and conditions for the performance of the Work for which this Bid is submitted.

ARTICLE 4 – FURTHER REPRESENTATIONS

4.01 Bidder further represents that:

A. This Bid is genuine and not made in the interest of or on behalf of any undisclosed individual or entity and is not submitted in conformity with any collusive agreement or rules of any group, association, organization or corporation;

B. Bidder has not directly or indirectly induced or solicited any other Bidder to submit a false or sham Bid;

C. Bidder has not solicited or induced any individual or entity to refrain from bidding; and

D. Bidder has not engaged in corrupt, fraudulent, collusive, or coercive practices in competing for the Contract. For the purposes of this Paragraph 4.01.D:

1. "corrupt practice" means the offering, giving, receiving, or soliciting of any thing of value likely to influence the action of a public official in the bidding process;

2. "fraudulent practice" means an intentional misrepresentation of facts made (a) to influence the bidding process to the detriment of Owner, (b) to establish bid prices at artificial non-competitive levels, or (c) to deprive Owner of the benefits of free and open competition;

3. "collusive practice" means a scheme or arrangement between two or more Bidders, with or without the knowledge of Owner, a purpose of which is to establish bid prices at artificial, non-competitive levels; and

4. "coercive practice" means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the bidding process or affect the execution of the Contract.

SECTION 00520
CONTRACT

THIS AGREEMENT is by and between **HANCOCK COUNTY BOARD OF SUPERVISORS**

(Owner) and _____

(Contractor).

Owner and Contractor, in consideration of the mutual covenants set forth herein, agree as follows:

ARTICLE 1 - WORK

1.01 Contractor shall complete all Work as specified or indicated in the Contract Documents. The Work is generally described as follows:

Remove and dispose of 3@19 concrete with wood substructure and replacing with 1@19-1@31-1@19 precast concrete bridge precast concrete bridge with precast concrete piling, and associated guardrail and approach work in conformance with Mississippi Standard Specifications for State Aid Road & Bridge Construction, 2004 Edition, and these specifications and drawings.

ARTICLE 2 - THE PROJECT

2.01 The Project for which the Work under the Contract Documents may be the whole or only a part is generally described as follows:

Replacement of Bridge No. 48 Bogue Houma Bayou on Flat Top Road

ARTICLE 3 - ENGINEER

3.01 The Project has been designed by:

Compton Engineering, Inc.
3036 Longfellow Drive
Bay St. Louis, MS 39520

Compton Engineering, who is to act as Owner's representative, assume all duties and responsibilities, and have the rights and authority assigned to Engineer in the Contract Documents in connection with the completion of the Work in accordance with the Contract Documents.

ARTICLE 4 - CONTRACT TIMES

4.01 Time of the Essence

A. All time limits for Milestones, if any, Substantial Completion, and completion and readiness for final payment as stated in the Contract Documents are of the essence of the Contract.

4.02 Days to Achieve Substantial Completion and Final Payment

A. The Work will be ~~substantially completed within~~ 60 ~~days after the date when the Contract Times commence to run as provided in Paragraph 2.03 of the General Conditions, and~~ completed and ready for final payment in accordance with Paragraph 14.07 of the General Conditions within ~~90 days~~ 45 working days after the date when the Contract Times commence to run.

4.03 Liquidated Damages

A. Contractor and Owner recognize that time is of the essence of this Agreement and that Owner will suffer financial loss if the Work is not completed within the times specified in Paragraph 4.02 above, plus any extensions thereof allowed in accordance with Article 12 of the General Conditions. The parties also recognize the delays, expense, and difficulties

Attachment: 00901-01 Addendum No. 1 (8256 : Bridge No. 48 Bogue Homa Bayou)

involved in proving in a legal or arbitration proceeding the actual loss suffered by Owner if the Work is not completed on time. Accordingly, instead of requiring any such proof, Owner and Contractor agree that as liquidated damages for delay (but not as a penalty), Contractor shall pay Owner **$** 200.00 for each day that expires after the time specified in Paragraph 4.02 for Substantial Completion until the Work is substantially complete. After Substantial Completion, if Contractor shall neglect, refuse, or fail to complete the remaining Work within the Contract Time or any proper extension thereof granted by Owner, Contractor shall pay Owner **$** 200.00 for each day that expires after the time specified in Paragraph 4.02 for completion and readiness for final payment until the Work is completed and ready for final payment.

ARTICLE 5 - CONTRACT PRICE

5.01 Owner shall pay Contractor for completion of the Work in accordance with the Contract Documents an amount in current funds equal to the sum of the amounts determined below:

Base Bid:_____

A. For all Work, at the prices stated in Contractor's Bid, attached hereto as an exhibit.

As provided in Paragraph 11.03 of the General Conditions, estimated quantities are not guaranteed, and determinations of actual quantities and classifications are to be made by Engineer as provided in Paragraph 9.07 of the General Conditions. Unit prices have been computed as provided in Paragraph 11.03 of the General Conditions.

ARTICLE 6 - PAYMENT PROCEDURES

6.01 Submittal and Processing of Payments

A. Contractor shall submit Applications for Payment in accordance with Article 14 of the General Conditions. Applications for Payment will be processed by Engineer as provided in the General Conditions.

6.02 Progress Payments; Retainage

A. Owner shall make progress payments on account of the Contract Price on the basis of Contractor's Applications for Payment in accordance with Article 14 of the General Conditions during performance of the Work as provided in Paragraphs 6.02.A.1 and 6.02.A.2 below. All such payments will be measured by the schedule of values established as provided in Paragraph 2.07.A of the General Conditions (and in the case of Unit Price Work based on the number of units completed) or, in the event there is no schedule of values, as provided in the General Requirements.

1. Prior to Substantial Completion, progress payments will be made in an amount equal to the percentage indicated below but, in each case, less the aggregate of payments previously made and less such amounts as Engineer may determine or Owner may withhold, including but not limited to liquidated damages, in accordance with Paragraph 14.02 of the General Conditions:

a. 95 percent of Work completed (with the balance being retainage); and

b. 95 percent of cost of materials and equipment not incorporated in the Work (with the balance being retainage).

2. Upon Substantial Completion, Owner shall pay an amount sufficient to increase total payments to Contractor to 95 percent of the Work completed, less such amounts as Engineer shall determine in accordance with Paragraph 14.02.B.5 of the General Conditions and less 100 percent of Engineer's estimate of the value of Work to be completed or corrected as shown on the tentative list of items to be completed or corrected attached to the certificate of Substantial Completion.

6.03 Final Payment

A. Upon final completion and acceptance of the Work in accordance with Paragraph 14.07 of the General Conditions, Owner shall pay the remainder of the Contract Price as recommended by Engineer as provided in said Paragraph 14.07.

ARTICLE 7 - INTEREST

Attachment: 00901-01 Addendum No. 1 (8256 : Bridge No. 48 Bogue Homa Bayou)

7.01 All moneys not paid when due as provided in Article 14 of the General Conditions shall bear interest at the rate specified by Mississippi State Law.

ARTICLE 8 – CONTRACTOR'S REPRESENTATIONS

8.01 In order to induce Owner to enter into this Agreement Contractor makes the following representations:

A. Contractor has examined and carefully studied the Contract Documents and the other related data identified in the Bidding Documents.

B. Contractor has visited the Site and become familiar with and is satisfied as to the general, local, and Site conditions that may affect cost, progress, and performance of the Work.

C. Contractor is familiar with and is satisfied as to all federal, state, and local Laws and Regulations that may affect cost, progress, and performance of the Work.

D. Contractor has carefully studied all: (1) reports of explorations and tests of subsurface conditions at or contiguous to the Site and all drawings of physical conditions relating to existing surface or subsurface structures at the Site (except Underground Facilities), if any, that have been identified in Paragraph SC-4.02 of the Supplementary Conditions as containing reliable "technical data," and (2) reports and drawings of Hazardous Environmental Conditions, if any, at the Site that have been identified in Paragraph SC-4.06 of the Supplementary Conditions as containing reliable "technical data."

E. Contractor has considered the information known to Contractor; information commonly known to contractors doing business in the locality of the site; information and observations obtained from visits to the Site; the Contract Documents; and the Site-related reports and drawings identified in the Contract Documents, with respect to the effect of such information, observations, and documents on (1) the cost, progress, and performance of the Work; (2) the means, methods, techniques, sequences, and procedures of construction to be employed by Contractor, including any specific means, methods, techniques, sequences, and procedures of construction expressly required by the Contract Documents; and (3) Contractor's safety precautions and programs.

F. Based on the information and observations referred to in Paragraph 8.01.E above, Contractor does not consider that further examinations, investigations, explorations, tests, studies, or data are necessary for the performance of the Work at the Contract Price, within the Contract Times, and in accordance with the other terms and conditions of the Contract Documents.

G. Contractor is aware of the general nature of work to be performed by Owner and others at the Site that relates to the Work as indicated in the Contract Documents.

H. Contractor has given Engineer written notice of all conflicts, errors, ambiguities, or discrepancies that Contractor has discovered in the Contract Documents, and the written resolution thereof by Engineer is acceptable to Contractor.

I. The Contract Documents are generally sufficient to indicate and convey understanding of all terms and conditions for performance and furnishing of the Work.

ARTICLE 1 – BID RECIPIENT

1.01 This Bid is submitted for:

Replacement of Bridge No. 2 on Anner Necaise Road

1.02 This Bid is submitted to:

Hancock County Board of Supervisors
854 Highway 90, Suite A
Bay St. Louis, MS 39520

1.03 The undersigned Bidder proposes and agrees, if this Bid is accepted, to enter into an Agreement with Owner in the form included in the Bidding Documents to perform all Work as specified or indicated in the Bidding Documents for the prices and within the times indicated in this Bid and in accordance with the other terms and conditions of the Bidding Documents.

1.04 The person to contact for additional information regarding this Bid:

NAME: _____
TITLE: _____
TELEPHONE: _____

ARTICLE 2 – BIDDER'S ACKNOWLEDGEMENTS

2.01 Bidder accepts all of the terms and conditions of the Instructions to Bidders, including without limitation those dealing with the disposition of Bid security. This Bid will remain subject to acceptance for 90 days after the Bid opening, or for such longer period of time that Bidder may agree to in writing upon request of Owner.

ARTICLE 3 – BIDDER'S REPRESENTATIONS

3.01 In submitting this Bid, Bidder represents that:

A. Bidder has examined and carefully studied the Bidding Documents, the other related data identified in the Bidding Documents, and the following Addenda, receipt of which is hereby acknowledged.

Addendum No.	Addendum Date

B. Bidder has visited the Site and become familiar with and is satisfied as to the general, local and Site conditions that may affect cost, progress, and performance of the Work.

C. Bidder is familiar with and is satisfied as to all federal, state and local Laws and Regulations that may affect cost, progress and performance of the Work.

D. Bidder has carefully studied all: (1) reports of explorations and tests of subsurface conditions at or contiguous to the Site and all drawings of physical conditions relating to existing surface or subsurface structures at the Site (except Underground Facilities) that have been identified in SC-4.02 as containing

Attachment: 00901-01 Addendum No. 1 (8257 : Bridge No. 2 Anner Necaise)

reliable "technical data" and, (2) reports and drawings of Hazardous Environmental Conditions, if any, at the site that have been identified in SC-4.06 as containing reliable "technical data".

E. Bidder has considered the information known to Bidder; information commonly known to contractors doing business in the locality of the Site; information and observations obtained from visits to the Site; the Bidding Documents; and the Site-related reports and drawings identified in the Bidding Documents, with respect to the effect of such information, observations, and documents on (1) the cost, progress, and performance of the Work; (2) the means, methods, techniques, sequences, and procedures of construction to be employed by Bidder, including applying the specific means, methods, techniques, sequences, and procedures of construction expressly required by the Bidding Documents; and (3) Bidder's safety precautions and programs.

F. Based on the information and observations referred to in Paragraph 3.01.E above, Bidder does not consider that further examinations, investigations, explorations, tests, studies, or data are necessary for the determination of this Bid for performance of the Work at the price(s) bid and within the times required, and in accordance with the other terms and conditions of the Bidding Documents.

G. Bidder is aware of the general nature of work to be performed by Owner and others at the Site that relates to the Work as indicated in the Bidding Documents.

H. Bidder has given Engineer written notice of all conflicts, errors, ambiguities, or discrepancies that Bidder has discovered in the Bidding Documents, and the written resolution thereof by Engineer is acceptable to Bidder.

I. The Bidding Documents are generally sufficient to indicate and convey understanding of all terms and conditions for the performance of the Work for which this Bid is submitted.

ARTICLE 4 – FURTHER REPRESENTATIONS

4.01 Bidder further represents that:

A. This Bid is genuine and not made in the interest of or on behalf of any undisclosed individual or entity and is not submitted in conformity with any collusive agreement or rules of any group, association, organization or corporation;

B. Bidder has not directly or indirectly induced or solicited any other Bidder to submit a false or sham Bid;

C. Bidder has not solicited or induced any individual or entity to refrain from bidding; and

D. Bidder has not engaged in corrupt, fraudulent, collusive, or coercive practices in competing for the Contract. For the purposes of this Paragraph 4.01.D:

1. "corrupt practice" means the offering, giving, receiving, or soliciting of any thing of value likely to influence the action of a public official in the bidding process;

2. "fraudulent practice" means an intentional misrepresentation of facts made (a) to influence the bidding process to the detriment of Owner, (b) to establish bid prices at artificial non-competitive levels, or (c) to deprive Owner of the benefits of free and open competition;

3. "collusive practice" means a scheme or arrangement between two or more Bidders, with or without the knowledge of Owner, a purpose of which is to establish bid prices at artificial, non-competitive levels; and

4. "coercive practice" means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the bidding process or affect the execution of the Contract.

SECTION 00520
CONTRACT

THIS AGREEMENT is by and between **HANCOCK COUNTY BOARD OF SUPERVISORS**

(Owner) and _____

(Contractor).

Owner and Contractor, in consideration of the mutual covenants set forth herein, agree as follows:

ARTICLE 1 - WORK

1.01 Contractor shall complete all Work as specified or indicated in the Contract Documents. The Work is generally described as follows:

Remove and dispose 2@19 concrete with wood substructure and replacing with 1@19-1@31-1@19 precast concrete bridge with precast concrete piling, and associated guardrail and approach work in conformance with Mississippi Standard Specifications for State Aid Road & Bridge Construction, 2004 Edition, and these specifications and drawings.

ARTICLE 2 - THE PROJECT

2.01 The Project for which the Work under the Contract Documents may be the whole or only a part is generally described as follows:

Replacement of Bridge No. 2 On Anner Necaise Road

ARTICLE 3 - ENGINEER

3.01 The Project has been designed by:

Compton Engineering, Inc.
3036 Longfellow Drive
Bay St. Louis, MS 39520

Compton Engineering, who is to act as Owner's representative, assume all duties and responsibilities, and have the rights and authority assigned to Engineer in the Contract Documents in connection with the completion of the Work in accordance with the Contract Documents.

ARTICLE 4 - CONTRACT TIMES

4.01 Time of the Essence

A. All time limits for Milestones, if any, Substantial Completion, and completion and readiness for final payment as stated in the Contract Documents are of the essence of the Contract.

4.02 Days to Achieve Substantial Completion and Final Payment

A. The Work will be ~~substantially completed within~~ 60 ~~days~~ 45 working days ~~after the date when the Contract Times commence to run as provided in Paragraph 2.03 of the General Conditions, and~~ completed and ready for final payment in accordance with Paragraph 14.07 of the General Conditions within ~~90 days~~ 45 working days after the date when the Contract Times commence to run.

4.03 Liquidated Damages

A. Contractor and Owner recognize that time is of the essence of this Agreement and that Owner will suffer financial loss if the Work is not completed within the times specified in Paragraph 4.02 above, plus any extensions thereof allowed in accordance with Article 12 of the General Conditions. The parties also recognize the delays, expense, and difficulties involved in proving in a legal or arbitration proceeding the actual loss suffered by Owner if the Work is not completed on

Attachment: 00901-01 Addendum No. 1 (8257 : Bridge No. 2 Anner Necaise)

time. Accordingly, instead of requiring any such proof, Owner and Contractor agree that as liquidated damages for delay (but not as a penalty), Contractor shall pay Owner **$** 200.00 for each day that expires after the time specified in Paragraph 4.02 for Substantial Completion until the Work is substantially complete. After Substantial Completion, if Contractor shall neglect, refuse, or fail to complete the remaining Work within the Contract Time or any proper extension thereof granted by Owner, Contractor shall pay Owner **$** 200.00 for each day that expires after the time specified in Paragraph 4.02 for completion and readiness for final payment until the Work is completed and ready for final payment.

ARTICLE 5 - CONTRACT PRICE

5.01 Owner shall pay Contractor for completion of the Work in accordance with the Contract Documents an amount in current funds equal to the sum of the amounts determined below:

Base Bid:_____

A. For all Work, at the prices stated in Contractor's Bid, attached hereto as an exhibit.

As provided in Paragraph 11.03 of the General Conditions, estimated quantities are not guaranteed, and determinations of actual quantities and classifications are to be made by Engineer as provided in Paragraph 9.07 of the General Conditions. Unit prices have been computed as provided in Paragraph 11.03 of the General Conditions.

ARTICLE 6 - PAYMENT PROCEDURES

6.01 Submittal and Processing of Payments

A. Contractor shall submit Applications for Payment in accordance with Article 14 of the General Conditions. Applications for Payment will be processed by Engineer as provided in the General Conditions.

6.02 Progress Payments; Retainage

A. Owner shall make progress payments on account of the Contract Price on the basis of Contractor's Applications for Payment in accordance with Article 14 of the General Conditions during performance of the Work as provided in Paragraphs 6.02.A.1 and 6.02.A.2 below. All such payments will be measured by the schedule of values established as provided in Paragraph 2.07.A of the General Conditions (and in the case of Unit Price Work based on the number of units completed) or, in the event there is no schedule of values, as provided in the General Requirements.

1. Prior to Substantial Completion, progress payments will be made in an amount equal to the percentage indicated below but, in each case, less the aggregate of payments previously made and less such amounts as Engineer may determine or Owner may withhold, including but not limited to liquidated damages, in accordance with Paragraph 14.02 of the General Conditions:

a. 95 percent of Work completed (with the balance being retainage); and

b. 95 percent of cost of materials and equipment not incorporated in the Work (with the balance being retainage).

2. Upon Substantial Completion, Owner shall pay an amount sufficient to increase total payments to Contractor to 95 percent of the Work completed, less such amounts as Engineer shall determine in accordance with Paragraph 14.02.B.5 of the General Conditions and less 100 percent of Engineer's estimate of the value of Work to be completed or corrected as shown on the tentative list of items to be completed or corrected attached to the certificate of Substantial Completion.

6.03 Final Payment

A. Upon final completion and acceptance of the Work in accordance with Paragraph 14.07 of the General Conditions, Owner shall pay the remainder of the Contract Price as recommended by Engineer as provided in said Paragraph 14.07.

ARTICLE 7 - INTEREST

7.01 All moneys not paid when due as provided in Article 14 of the General Conditions shall bear interest at the rate specified by Mississippi State Law.

Attachment: 00901-01 Addendum No. 1 (8257 : Bridge No. 2 Anner Necaise)

ARTICLE 8 – CONTRACTOR'S REPRESENTATIONS

8.01 In order to induce Owner to enter into this Agreement Contractor makes the following representations:

A. Contractor has examined and carefully studied the Contract Documents and the other related data identified in the Bidding Documents.

B. Contractor has visited the Site and become familiar with and is satisfied as to the general, local, and Site conditions that may affect cost, progress, and performance of the Work.

C. Contractor is familiar with and is satisfied as to all federal, state, and local Laws and Regulations that may affect cost, progress, and performance of the Work.

D. Contractor has carefully studied all: (1) reports of explorations and tests of subsurface conditions at or contiguous to the Site and all drawings of physical conditions relating to existing surface or subsurface structures at the Site (except Underground Facilities), if any, that have been identified in Paragraph SC-4.02 of the Supplementary Conditions as containing reliable "technical data," and (2) reports and drawings of Hazardous Environmental Conditions, if any, at the Site that have been identified in Paragraph SC-4.06 of the Supplementary Conditions as containing reliable "technical data."

E. Contractor has considered the information known to Contractor; information commonly known to contractors doing business in the locality of the site; information and observations obtained from visits to the Site; the Contract Documents; and the Site-related reports and drawings identified in the Contract Documents, with respect to the effect of such information, observations, and documents on (1) the cost, progress, and performance of the Work; (2) the means, methods, techniques, sequences, and procedures of construction to be employed by Contractor, including any specific means, methods, techniques, sequences, and procedures of construction expressly required by the Contract Documents; and (3) Contractor's safety precautions and programs.

F. Based on the information and observations referred to in Paragraph 8.01.E above, Contractor does not consider that further examinations, investigations, explorations, tests, studies, or data are necessary for the performance of the Work at the Contract Price, within the Contract Times, and in accordance with the other terms and conditions of the Contract Documents.

G. Contractor is aware of the general nature of work to be performed by Owner and others at the Site that relates to the Work as indicated in the Contract Documents.

H. Contractor has given Engineer written notice of all conflicts, errors, ambiguities, or discrepancies that Contractor has discovered in the Contract Documents, and the written resolution thereof by Engineer is acceptable to Contractor.

I. The Contract Documents are generally sufficient to indicate and convey understanding of all terms and conditions for performance and furnishing of the Work.

ARTICLE 10 - MISCELLANEOUS

10.01 Terms

A. Terms used in this Agreement will have the meanings stated in the General Conditions and the Supplementary Conditions.

10.02 Assignment of Contract

A. No assignment by a party hereto of any rights under or interests in the Contract will be binding on another party hereto without the written consent of the party sought to be bound; and, specifically but without limitation, moneys that may become due and moneys that are due may not be assigned without such consent (except to the extent that the effect of this restriction may be limited by law), and unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under the Contract Documents.

10.03 Successors and Assigns

A. Owner and Contractor each binds itself, its partners, successors, assigns, and legal representatives to the other party hereto, its partners, successors, assigns, and legal representatives in respect to all covenants, agreements, and obligations contained in the Contract Documents.

10.04 Severability

Attachment: 00901-01 Addendum No. 1 (8257 : Bridge No. 2 Anner Necaise)

A. Any provision or part of the Contract Documents held to be void or unenforceable under any Law or Regulation shall be deemed stricken, and all remaining provisions shall continue to be valid and binding upon Owner and Contractor, who agree that the Contract Documents shall be reformed to replace such stricken provision or part thereof with a valid and enforceable provision that comes as close as possible to expressing the intention of the stricken provision.

10.05 Contractor's Certifications

A. Contractor certifies that it has not engaged in corrupt, fraudulent, collusive, or coercive practices in competing for or in executing the Contract. For the purposes of this Paragraph 10.05:

1. "corrupt practice" means the offering, giving, receiving, or soliciting of any thing of value likely to influence the action of a public official in the bidding process or in the Contract execution;

2. "fraudulent practice" means an intentional misrepresentation of facts made (a) to influence the bidding process or the execution of the Contract to the detriment of Owner, (b) to establish Bid or Contract prices at artificial non-competitive levels, or (c) to deprive Owner of the benefits of free and open competition;

3. "collusive practice" means a scheme or arrangement between two or more Bidders, with or without the knowledge of Owner, a purpose of which is to establish Bid prices at artificial, non-competitive levels; and

4. "coercive practice" means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the bidding process or affect the execution of the Contract.

the County and qualified under the provisions of Section 13-3-31, Mississippi Code of 1972, as amended and supplemented from time to time, on March 10, 17, 24 and 31, 2021, said publication being for at least three (3) consecutive weeks, with the first publication of the Intent Resolution being made not less than twenty-one (21) days prior to April 5, 2021 and the last publication being made not more than seven (7) days prior to such date.

4. On or prior to 9:00 a.m. on April 5, 2021, no qualified elector of the County had filed a written protest or objection of any kind or character against the issuance of the general obligation bonds, general obligation bond and/or loan described in the Intent Resolution with the County, the Chancery Clerk, the Clerk of the Governing Body (the "**Clerk**") or any member of the Governing Body.

5. The Governing Body did meet at the hour of 9:00 a.m. on April 5, 2021, at the usual meeting place of the Governing Body in the Board of Supervisors room in the Annex Building, located at 854 Highway 90, Bay St. Louis, Mississippi, and all persons present or represented by counsel or otherwise were given the opportunity to be heard concerning the issuance of the general obligation bonds, general obligation bond and/or loan described in the Intent Resolution and the purposes therefor and no protest or objection of any kind or character against the issuance of the general obligation bonds, general obligation bond and/or loan described in the Intent Resolution or the purposes therefor was presented.

6. On April 5, 2021, the Governing Body adopted a resolution (the "**No Protest Resolution**") finding and determining that (a) no qualified elector of the County had filed a written protest or objection of any kind or character with the County or any member of the Governing Body against the issuance of the general obligation bonds, general obligation bond and/or loan described in the Intent Resolution, and (b) all persons present or represented by counsel or otherwise were given the opportunity to be heard concerning the issuance of the general obligation bonds, general obligation bond and/or loan described in the Intent Resolution, and (c) that no protest or objection of any kind or character against the issuance of the general obligation bonds, general obligation bond and/or loan described in the Intent Resolution or the purposes therefor has been presented.

7. The Governing Body is now authorized and empowered by the provisions of the Act to issue the general obligation bonds, general obligation bond and/or loan described in the Intent Resolution without an election on the question thereof at any time within a period of two (2) years after the date of the No Protest Resolution.

8. The Governing Body is now authorized and empowered by the provisions of the Act to authorize the issuance of the Bonds by the County registered as to principal and interest in the form and manner hereinafter provided for by Sections 31-21-1 to 31-21-7, Mississippi Code of 1972, as amended.

9. The assessed value of all taxable property within the County, according to the last completed assessment for taxation, is $629,756,569; the County has outstanding bonded indebtedness subject to the fifteen percent (15%) debt limit prescribed by Section 19-9-5, Mississippi Code of 1972, as amended, in the amount of $2,035,000, and outstanding bonded and floating indebtedness subject to the twenty percent (20%) debt limit prescribed by Section

19-9-5, Mississippi Code of 1972, as amended (which amount includes the sum set forth above subject to the 15% debt limit), in the amount of $2,035,000; the issuance of the Bonds, when added to the outstanding bonded indebtedness of the County, will not result in bonded indebtedness, exclusive of indebtedness not subject to the aforesaid fifteen percent (15%) debt limit, of more than fifteen percent (15%) of the assessed value of taxable property within the County, and will not result in indebtedness, both bonded and floating, exclusive of indebtedness not subject to the aforesaid twenty percent (20%) debt limit, in excess of twenty percent (20%) of the assessed value of taxable property within the County, and will not exceed any constitutional or statutory limitation upon indebtedness which may be incurred by the County.

10. It has now become necessary to make provision for the preparation, execution and issuance of said Bonds.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY, ACTING FOR AND ON BEHALF OF THE COUNTY, AS FOLLOWS:

SECTION 1. In consideration of the purchase and acceptance of any and all of the Bonds by those who shall hold the same from time to time, this Bond Resolution shall constitute a contract between the County and the Registered Owners from time to time of the Bonds. The pledge made herein and the covenants and agreements herein set forth to be performed on behalf of the County for the benefit of the Registered Owners shall be for the equal benefit, protection and security of the Registered Owners of any and all of the Bonds, all of which, regardless of the time or times of their authentication and delivery or maturity, shall be of equal rank without preference, priority or distinction.

SECTION 2. (a) The Bonds shall initially be issued pursuant to a Book-Entry System administered by the Securities Depository with no physical distribution of Bond certificates to be made except as provided in this Section 2. Any provision of this Bond Resolution or the Bonds requiring physical delivery of the Bonds shall, with respect to any Bonds held under the Book-Entry System, be deemed to be satisfied by a notation on the registration records maintained by the Paying Agent that such Bonds are subject to the Book-Entry System.

(b) So long as a Book-Entry System is being used, one Bond in the aggregate principal amount of each separate maturity (whether serially or by term) of the Bonds and registered in the name of the Securities Depository, the Securities Depository Nominee and the DTC participants and Indirect Participants will evidence beneficial ownership of the Bonds in authorized denominations, with transfers of ownership effected on the records of the Securities Depository, the DTC participants and the Indirect Participants pursuant to rules and procedures established by the Securities Depository, the DTC participants and the Indirect Participants. The principal of and any premium on each Bond shall be payable to the Securities Depository Nominee or any other Person appearing on the registration records as the Registered Owner of such Bond or its registered assigns or legal representative at the principal office of the Paying Agent. So long as the Book-Entry System is in effect, the Securities Depository will be recognized as the Holder of the Bonds for all purposes. Transfer of principal, interest and any premium payments or notices to DTC Participants and Indirect Participants will be the responsibility of the Securities Depository and transfer of principal, interest and any premium

payments or notices to Beneficial Owners will be the responsibility of the DTC participants and Indirect Participants. No other party will be responsible or liable for such transfers of payments or notices or for maintaining, supervising or reviewing such records maintained by the Securities Depository, the DTC participants or the Indirect Participants. While the Securities Depository Nominee or the Securities Depository, as the case may be, is the Registered Owner of the Bonds, notwithstanding any other provisions set forth herein, payments of principal of, redemption premium, if any, and interest on the Bonds shall be made to the Securities Depository Nominee or the Securities Depository, as the case may be, by wire transfer in immediately available funds to the account of such Holder, without notice to or the consent of the Beneficial Owners, the Paying Agent, with the consent of the County, and the Securities Depository may agree in writing to make payments of principal and interest in a manner different from that set out herein. In such event, the Paying Agent shall make payments with respect to the Bonds in such manner as if set forth herein.

(1) The County may at any time elect (i) to provide for the replacement of any Securities Depository as the depository for the Bonds with another qualified Securities Depository, or (ii) to discontinue the maintenance of the Bonds under a Book-Entry System. In such event, and upon being notified by the County of such election, the Paying Agent shall give 30 days' prior notice of such election to the Securities Depository (or such fewer number of days as shall be acceptable to such Securities Depository).

(2) Upon the discontinuance of the maintenance of the Bonds under a Book-Entry System, the County will cause Bonds to be issued directly to the Beneficial Owners of Bonds, or their designees, as further described below. In such event, the Paying Agent shall make provisions to notify DTC participants and the Beneficial Owners of the Bonds, by mailing an appropriate notice to the Securities Depository, or by other means deemed appropriate by the Paying Agent in its discretion, that Bonds will be directly issued to the Beneficial Owners of Bonds as of a date set forth in such notice, which shall be a date at least 10 days after the date of mailing of such notice (or such fewer number of days as shall be acceptable to the Securities Depository).

(3) In the event that Bonds are to be issued to the Beneficial Owners of the Bonds, or their designees, the County shall, at its expense, promptly have prepared Bonds in certificated form registered in the names of the Beneficial Owners of Bonds shown on the records of the DTC participants provided to the Paying Agent, as of the date set forth in the notice described above. Bonds issued to the Beneficial Owners, or their designees, shall be in fully registered form substantially in the form set forth in Section 7 hereof.

(4) If any Securities Depository is replaced as the depository for the Bonds with another qualified Securities Depository, the County will issue to the replacement Securities Depository Bonds substantially in the form set forth herein, registered in the name of such replacement Securities Depository.

(c) Each Securities Depository and the DTC participants, the Indirect Participants and the Beneficial Owners of the Bonds, by their acceptance of the Bonds, agree that the County and the Paying Agent shall have no liability for the failure of any Securities Depository to perform its obligation to any DTC participant, Indirect Participant or other nominee of any Beneficial Owner

of any Bonds to perform any obligation that such DTC participant, Indirect Participant or other nominee may incur to any Beneficial Owner of the Bonds.

(d) Notwithstanding any other provision of this Bond Resolution, on or prior to the date of issuance of the Bonds, the County shall have executed and delivered to the initial Securities Depository the Letter of Representations governing various matters relating to the Securities Depository and its activities pertaining to the Bonds. The terms and provisions of the Letter of Representations are incorporated herein by reference and in the event there shall exist any inconsistency between the substantive provisions of the Letter of Representations and any provisions of this Bond Resolution, then, for as long as the initial Securities Depository shall serve with respect to the Bonds, the terms of the Letter of Representations shall govern.

(e) Notwithstanding any provision in this Bond Resolution to the contrary, at all times in which the Book-Entry System is in effect, any references to physical delivery of a Bond shall not be required.

SECTION 3. The Bonds are hereby authorized and ordered to be prepared and issued in the principal amount of Seven Million Dollars ($7,000,000) to raise money for the Project as authorized by the Act.

SECTION 4. (a) Payments of interest on the Bonds shall be made to the Record Date Registered Owner, and payments of principal shall be made upon presentation and surrender thereof at the principal office of the Paying Agent to the Record Date Registered Owner in lawful money of the United States of America.

(b) The Bonds shall be registered as to both principal and interest; shall be dated the date of delivery thereof; shall be issued in the principal denomination of $5,000 each, or integral multiples thereof up to the amount of a single maturity; shall be numbered from one upward in the order of issuance; shall bear interest from the date thereof at the rate or rates specified by further order of the Governing Body such rate or rates being in compliance with the Act, payable on February 1 and August 1 of each year (each an "**Interest Payment Date**"), commencing August 1, 2022, and shall mature and become due and payable on August 1 in the years and in the principal amounts as follows:

YEAR	AMOUNT	YEAR	AMOUNT
2022	$360,000	2028	$740,000
2023	370,000	2029	760,000
2024	375,000	2030	775,000
2025	385,000	2031	795,000
2026	395,000	2032	810,000
2027	405,000	2033	830,000

(c) Bonds maturing on August 1, 2028 and thereafter, are subject to redemption prior to their stated dates of maturity, at par, plus accrued interest to the date of redemption, either in whole or part, at any time on or after August 1, 2027.

(d) Notice of redemption identifying the numbers of Bonds or portions thereof to be redeemed shall be given to the Registered Owners thereof by first class mail at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption; provided, however, such notice of redemption can be waived by the Registered Owners of the Bonds. Failure to mail or receive any such notice, or any defect therein or in the mailing thereof, shall not affect the validity of any proceedings for the redemption of Bonds. Any notice mailed as provided herein shall be conclusively presumed to have been given, irrespective of whether received. If such written notice of redemption is made and if due provision for payment of the redemption price is made, all as provided above, the Bonds which are to be redeemed thereby automatically shall be deemed to have been redeemed prior to their scheduled maturities, and they shall not bear interest after the date fixed for redemption, and they shall not be regarded as being outstanding except for the right of the owner to receive the redemption price out of the funds provided for such payment. If at the time of mailing of any notice of redemption, there shall not be on deposit with the Paying Agent sufficient moneys to redeem all of the Bonds called for redemption, such notice shall state that it is subject to the deposit of moneys with the Paying Agent not later than on the redemption date and shall be of no effect unless such moneys are deposited.

(e) The Bonds, for which the payment of sufficient moneys or, to the extent permitted by the laws of the State, (a) direct obligations of, or obligations for the payment of the principal of and interest on which are unconditionally guaranteed by, the United States of America ("**Government Obligations**"), (b) certificates of deposit or municipal obligations fully secured by Government Obligations, (c) evidences of ownership of proportionate interests in future interest or principal payments on Government Obligations held by a bank or trust company as custodian, under which the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor on the Government Obligations and which Government Obligations are not available to satisfy any claim of the custodian or any Person claiming through the custodian or to whom the custodian may be obligated, (d) United States Treasury Securities - State and Local Government Series ("**SLGS**"), or (e) municipal obligations, the payment of the principal of, interest and redemption premium, if any, on which are irrevocably secured by Government Obligations and which Government Obligations are not subject to redemption prior to the date on which the proceeds attributable to the principal of such obligations are to be used and have been deposited in an escrow account which is irrevocably pledged to the payment of the principal of and interest and redemption premium, if any, on such municipal obligations (all of which collectively, with Government Obligations, "**Defeasance Securities**"), shall have been deposited with an escrow agent appointed for such purpose, which may be the Paying and Transfer Agent, shall be deemed to have been paid, shall cease to be entitled to any lien, benefit or security under this Bond Resolution and shall no longer be deemed to be outstanding hereunder, and the Registered Owners shall have no rights in respect thereof except to receive payment of the principal of and interest on such Bonds from the funds held for that purpose. Defeasance Securities shall be considered sufficient hereunder if said investments, with interest, mature and bear interest in such amounts and at such times as will assure sufficient cash to pay currently maturing interest and to pay principal when due on such Bonds.

SECTION 5. (a) When the Bonds have been validated and executed as herein provided, they shall be registered as an obligation of the County in the office of the Clerk in a record maintained for that purpose, and the Clerk shall cause to be imprinted upon, or attached to the

Attachment: Hancock County GO Bonds 2021 (218956) - Bond Resolution_POS (8202 : Approve Resolution for the Issuance of General

reverse side of each of the Bonds, over said Clerk's original or facsimile signature and original or facsimile seal, the Clerk's certificate in substantially the form set out in Section 7.

(b) The Bonds shall be executed by the manual or facsimile signature of the President and countersigned by the manual or facsimile signature of the Clerk, with the seal of the County imprinted or affixed thereto; provided, however all signatures and seals appearing on the Bonds, other than the signature of an authorized officer of the Transfer Agent hereafter provided for, may be facsimile and shall have the same force and effect as if manually signed or impressed. In case any official of the County whose signature or a facsimile of whose signature shall appear on the Bonds shall cease to be such official before the delivery or reissuance thereof, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if such official had remained in office until delivery or reissuance.

(c) The Bonds shall be delivered to the Purchaser upon payment of the purchase price therefor in accordance with the terms and conditions of their sale and award, together with a complete certified transcript of the proceedings had and done in the matter of the authorization, issuance, sale and validation of the Bonds, and the final, unqualified approving opinion of Bond Counsel, which opinion may be imprinted on, or attached to, the reverse of each of the Bonds or provided to the Purchaser.

(d) Prior to or simultaneously with the delivery by the Transfer Agent of any of the Bonds, the County shall file with the Transfer Agent:

(i) a copy, certified by the Clerk, of the transcript of proceedings of the Governing Body in connection with the authorization, issuance, sale and validation of the Bonds; and

(ii) an authorization to the Transfer Agent, signed by the President, to authenticate and deliver the Bonds to or as directed by the Purchaser.

(e) At delivery, the Transfer Agent shall authenticate the Bonds and deliver them to or as directed by the Purchaser thereof upon payment of the purchase price of the Bonds to the County.

(f) Bonds, blank as to denomination, rate of interest, date of maturity and CUSIP number and sufficient in quantity in the judgment of the County to meet the reasonable transfer and reissuance needs on the Bonds, shall be printed and delivered to the Transfer Agent in generally-accepted format, and held by the Transfer Agent until needed for transfer or reissuance, whereupon the Transfer Agent shall imprint the appropriate information as to denomination, rate of interest, date of maturity and CUSIP number prior to the registration, authentication and delivery thereof to the transferee holder. The Transfer Agent is hereby authorized upon the approval of the Governing Body to have printed from time to time as necessary additional Bonds bearing the facsimile seal of the County and facsimile signatures of the individual persons who were the officials of the Governing Body as of the date of original issue of the Bonds.

SECTION 6. (a) The County will appoint the Paying and Transfer Agent for the Bonds after receiving the recommendation of the Purchaser, as the successful bidder, subject to the

Attachment: Hancock County GO Bonds 2021 (218956) - Bond Resolution_POS (8202 : Approve Resolution for the Issuance of General

following conditions. The Paying and Transfer Agent shall be a bank or trust company located within the State or a bank that has a branch within the State or may be the Chancery Clerk of the County. The Governing Body for and on behalf of the County specifically reserves the right to hereafter designate a separate Transfer Agent and/or Paying Agent in its discretion in the manner hereinafter provided.

(b) So long as any of the Bonds shall remain outstanding, the County shall maintain with the Transfer Agent records for the registration and transfer of the Bonds. The Transfer Agent is hereby appointed registrar for the Bonds, in which capacity the Transfer Agent shall register in such records and permit to be transferred thereon, under such reasonable regulations as may be prescribed, any Bond entitled to registration or transfer.

(c) The County shall pay or reimburse the Agent for reasonable fees for the performance of the services normally rendered and the incurring of normal expenses reasonably and necessarily paid as are customarily paid to paying agents, transfer agents and bond registrars, subject to agreement between the County and the Agent. Fees and reimbursements for extraordinary services and expenses, so long as not occasioned by the negligence, misconduct or willful default of the Agent, shall be made by the County on a case-by-case basis, subject, where not prevented by emergency or other exigent circumstances, to the prior written approval of the Governing Body.

(d) (i) An Agent may at any time resign and be discharged of the duties and obligations of either the function of the Paying Agent or Transfer Agent, or both, by giving at least sixty (60) days' written notice to the County, and may be removed from either or both of said functions at any time by resolution of the Governing Body delivered to the Agent. The resolution shall specify the date on which such removal shall take effect and the name and address of the successor Agent, and shall be transmitted to the Agent being removed within a reasonable time prior to the effective date thereof. Provided, however, that no resignation or removal of an Agent shall become effective until a successor Agent has been appointed pursuant to this Bond Resolution.

(ii) Upon receiving notice of the resignation of an Agent, the County shall promptly appoint a successor Agent by resolution of the Governing Body. Any appointment of a successor Agent shall become effective upon acceptance of appointment by the successor Agent. If no successor Agent shall have been so appointed and have accepted appointment within thirty (30) days after the notice of resignation, the resigning Agent may petition any court of competent jurisdiction for the appointment of a successor Agent, which court may thereupon, after such notice as it may deem appropriate, appoint a successor Agent.

(iii) In the event of a change of Agents, the predecessor Agent shall cease to be custodian of any funds held pursuant to this Bond Resolution in connection with its role as such Agent, and the successor Agent shall become such custodian; provided, however, that before any such delivery is required to be made, all fees, advances and expenses of the retiring or removed Agent shall be fully paid. Every predecessor Agent shall deliver to its successor Agent all records of account, registration records, lists of Registered

Owners and all other records, documents and instruments relating to its duties as such Agent.

(iv) Any successor Agent appointed under the provisions hereof shall be a bank, trust company or national banking association having Federal Deposit Insurance Corporation insurance of its accounts, duly authorized to exercise corporate trust powers and subject to examination by and in good standing with the federal and/or state regulatory authorities under the jurisdiction of which it falls.

(v) Every successor Agent appointed hereunder shall execute, acknowledge and deliver to its predecessor Agent and to the County an instrument in writing accepting such appointment hereunder, and thereupon such successor Agent, without any further act, shall become fully vested with all the rights, immunities and powers, and subject to all the duties and obligations, of its predecessor.

(vi) Should any transfer, assignment or instrument in writing be required by any successor Agent from the County to more fully and certainly vest in such successor Agent the estates, rights, powers and duties hereby vested or intended to be vested in the predecessor Agent, any such transfer, assignment and written instruments shall, on request, be executed, acknowledged and delivered by the County.

(vii) The County will provide any successor Agent with certified copies of all resolutions, orders and other proceedings adopted by the Governing Body relating to the Bonds.

(viii) All duties and obligations imposed hereby on an Agent or successor Agent shall terminate upon the accomplishment of all duties, obligations and responsibilities imposed by law or required to be performed by this Bond Resolution.

(e) Any corporation or association into which an Agent may be converted or merged, or with which it may be consolidated or to which it may sell or transfer its assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, shall be and become successor Agent hereunder and vested with all the powers, discretion, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of either the County or the successor Agent, anything herein to the contrary notwithstanding, provided only that such successor Agent shall be satisfactory to the County and eligible under the provisions of Section 6(d)(iv) hereof.

SECTION 7. The Bonds shall be in substantially the following form, with such appropriate variations, omissions and insertions as are permitted or required by this Bond Resolution:

HANCOCK COUNTY, MISSISSIPPI
GENERAL OBLIGATION BOND
SERIES 2021

NO._____ **$_____**

Rate of Interest	Maturity	Date of Original Issue	CUSIP
____%	August 1, 20__	_____, 2021	_____ ____

Registered Owner:

Principal Amount: **DOLLARS**

Hancock County, State of Mississippi (the "**County**"), a body politic existing under the Constitution and laws of the State of Mississippi, acknowledges itself to owe and for value received, promises to pay in lawful money of the United States of America to the Registered Owner identified above, upon the presentation and surrender of this Bond, at the principal office of _____, _____, _____, or its successor, as paying agent (the "**Paying Agent**") for the General Obligation Bonds, Series 2021, of the County (the "**Bonds**"), on the maturity date identified above, the principal amount identified above. Payment of the principal amount of this Bond shall be made to the Registered Owner hereof who shall appear in the registration records of the County maintained by _____, _____, _____, or its successor, as transfer agent for the Bonds (the "**Transfer Agent**"), as of the 15th day of the calendar month preceding the maturity date hereof.

The County further promises to pay interest on such principal amount from the date of this Bond or from the most recent interest payment date to which interest has been paid at the rate of interest per annum set forth above, on February 1 and August 1 of each year (each an "**Interest Payment Date**"), commencing August 1, 2022, until said principal amount is paid, to the Registered Owner hereof who shall appear in the registration records of the County

maintained by the Transfer Agent as of the 15th day of the calendar month preceding the applicable Interest Payment Date.

Payments of principal of and interest on this Bond shall be made by check or draft mailed on the Interest Payment Date to such Registered Owner at the Registered Owner's address as it appears on such registration records. The Registered Owner hereof may change such address by written notice to the Transfer Agent by certified mail, return receipt requested, or such other method as may be subsequently prescribed by the Transfer Agent, such notice to be received by the Transfer Agent not later than the 15th day of the calendar month preceding the applicable principal maturity date or Interest Payment Date.

This Bond is one of a series of Bonds of like date of original issue, tenor and effect, except as to denomination, number, rate of interest and date of maturity, issued in the aggregate authorized principal amount of Seven Million Dollars ($7,000,000) to raise money for the purpose of providing funds for (a) constructing, reconstructing, and repairing roads, highways and bridges, and acquiring the necessary land, including land for road building materials, and acquiring rights-of-way therefor and the purchase of heavy construction equipment and accessories thereto reasonably required to construct, repair and renovate roads, highways and bridges and approaches thereto within the County, (b) purchasing machinery and equipment which have an expected useful life in excess of ten (10) years, (c) purchasing or erecting, equipping, repairing, reconstructing, remodeling and enlarging County buildings, courthouses and related facilities and the purchase of land therefor, and (d) for other authorized purposes under the Act, including paying the costs of borrowing (together (a) through (d) are referred to herein as the "**Project**").

This Bond is issued under the authority of the Constitution and statutes of the State of Mississippi, including Sections 19-9-1 et seq., Mississippi Code of 1972, as amended from time to time, and by the further authority of proceedings duly had by the Board of Supervisors of the County, including a resolution adopted June 7, 2021 (the "**Bond Resolution**").

Bonds maturing on August 1, 2028 and thereafter, are subject to redemption prior to their stated dates of maturity, at par, plus accrued interest to the date of redemption, either in whole or part, at any time on or after August 1, 2027.

Notice of redemption identifying the numbers of Bonds or portions thereof to be redeemed shall be given to the Registered Owners thereof by first class mail at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption; provided, however, such notice of redemption can be waived by the Registered Owners of the Bonds. Failure to mail or receive any such notice, or any defect therein or in the mailing thereof, shall not affect the validity of any proceedings for the redemption of Bonds. Any notice mailed as provided herein shall be conclusively presumed to have been given, irrespective of whether received. If such written notice of redemption is made and if due provision for payment of the redemption price is made, all as provided above, the Bonds which are to be redeemed thereby automatically shall be deemed to have been redeemed prior to their scheduled maturities, and they shall not bear interest after the date fixed for redemption, and they shall not be regarded as being outstanding except for the right of the owner to receive the redemption price out of the funds provided for such payment. If at the time of mailing of any notice of redemption, there shall not be on deposit

with the Paying Agent sufficient moneys to redeem all of the Bonds called for redemption, such notice shall state that it is subject to the deposit of moneys with the Paying Agent not later than on the redemption date and shall be of no effect unless such moneys are deposited.

The Bonds are registered as to both principal and interest. The Bonds are to be issued or reissued in the denomination of $5,000 each, or integral multiples thereof up to the amount of a single maturity.

This Bond may be transferred or exchanged by the Registered Owner hereof in person or by such Registered Owner's attorney duly authorized in writing at the principal office of the Transfer Agent, but only in the manner, subject to the limitations in the Bond Resolution, and upon surrender and cancellation of this Bond. Upon such transfer or exchange, a new Bond or Bonds of like aggregate principal amount in authorized denominations of the same maturity will be issued.

The County and the Paying Agent may deem and treat the Registered Owner hereof as the absolute owner for the purpose of receiving payment of or on account of principal hereof and interest due hereon and for all other purposes and neither the County nor the Paying Agent shall be affected by any notice to the contrary.

The Bonds are general obligations of the County secured by the full faith, credit and resources of the County and will continue to be payable as to principal and interest out of and secured by an irrevocable pledge of the avails of a direct and continuing tax to be levied annually without limitation as to time, rate or amount upon all the taxable property within the geographical limits of the County. The County's tax levy for any year shall be abated pro tanto to the extent the County on or prior to September 1 of that year has transferred monies to the 2021 Bond Fund for the Bonds, or has made other provisions for funds to be applied toward the payment of the principal of and interest on the Bonds due during the ensuing fiscal year of the County, in accordance with the provisions of the Bond Resolution. The County will levy annually a special tax upon all taxable property within the geographical limits of the County adequate and sufficient to provide for the payment of the principal of and the interest on the Bonds as the same falls due.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any benefit or security under the Bond Resolution until the certificate of registration and authentication hereon shall have been signed by the Transfer Agent.

IT IS HEREBY CERTIFIED, RECITED AND REPRESENTED that all conditions, acts and things required by law to exist, to have happened and to have been performed precedent to and in the issuance of the Bonds, in order to make the same legal and binding general obligations of the County, according to the terms thereof, do exist, have happened and have been performed in regular and due time, form and manner as required by law. For the performance in apt time and manner of every official act herein required, and for the prompt payment of this Bond, both principal and interest, the full faith and credit of the County are hereby irrevocably pledged.

IN WITNESS WHEREOF, the County has caused this Bond to be executed in its name by the manual or facsimile signature of the President of the Board of Supervisors of the County,

SECTION 8. In case any Bond shall become mutilated or be stolen, destroyed or lost, the County shall, if not then prohibited by law, cause to be authenticated and delivered a new Bond of like date, number, maturity and tenor in exchange and substitution for and upon cancellation of such mutilated Bond, or in lieu of and in substitution for such Bond stolen, destroyed or lost, upon the Registered Owner's paying the reasonable expenses and charges of the County in connection therewith, and in case of a Bond stolen, destroyed or lost, such Registered Owner's filing with the County or Transfer Agent evidence satisfactory to them that such Bond was stolen, destroyed or lost, and of such Registered Owner's ownership thereof, and furnishing the County or Transfer Agent with such security or indemnity as may be required by law or by them to save each of them harmless from all risks, however remote.

SECTION 9. The Bonds shall be general obligations of the County secured by the full faith, credit and resources of the County. For the purpose of effectuating and providing for the payment of the principal of and interest on the Bonds as the same shall respectively mature and accrue, there shall be and is hereby levied a direct, continuing special tax upon all of the taxable property within the geographical limits of the County, adequate and sufficient, after allowance shall have been made for the expenses of collection and delinquencies in the payment of taxes, to produce sums required for the payment of the principal of and the interest on the Bonds. The County's tax levy for any year shall be abated pro tanto to the extent the County on or prior to September 1 of that year has transferred monies to the 2021 Bond Fund for the Bonds, or has made other provisions for funds to be applied toward the payment of the principal of and interest on the Bonds due during the ensuing fiscal year of the County, in accordance with the provisions of the Bond Resolution. Said tax shall be extended upon the tax rolls and collected in the same manner and at the same time as other taxes of the County are collected, and the rate of tax which shall be so extended shall be sufficient in each year fully to produce the sums required as aforesaid, without limitation as to time, rate or amount. The avails of said tax are hereby irrevocably pledged for the payment of the principal of and interest on the Bonds as the same shall respectively mature and accrue. Should there be a failure in any year to comply with the requirements of this section, such failure shall not impair the right of the Registered Owners of any of the Bonds in any subsequent year to have adequate taxes levied and collected to meet the obligations of the Bonds, both as to principal and interest.

SECTION 10. Only such of the Bonds as shall have endorsed thereon a certificate of registration and authentication in substantially the form hereinabove set forth, duly executed by the Transfer Agent, shall be entitled to the rights, benefits and security of this Bond Resolution. No Bond shall be valid or obligatory for any purpose unless and until such certificate of registration and authentication shall have been duly executed by the Transfer Agent, which executed certificate shall be conclusive evidence of registration, authentication and delivery under this Bond Resolution. The Transfer Agent's certificate of registration and authentication on any Bond shall be deemed to have been duly executed if signed by an authorized officer of the Transfer Agent, but it shall not be necessary that the same officer sign said certificate on all of the Bonds that may be issued hereunder at any one time.

SECTION 11. (a) In the event the Purchaser shall fail to designate the names, addresses and social security or tax identification numbers of the Registered Owners of the Bonds within thirty (30) days of the date of sale, or at such other later date as may be designated by the County, one Bond registered in the name of the Purchaser may be issued in the full

amount for each maturity. Ownership of the Bonds shall be in the Purchaser until the initial Registered Owner has made timely payment and, upon request of the Purchaser within a reasonable time of the initial delivery of the Bonds, the Transfer Agent shall re-register any such Bond upon its records in the name of the Registered Owner to be designated by the Purchaser in the event timely payment has not been made by the initial Registered Owner.

(b) Except as hereinabove provided, the Person in whose name any Bond shall be registered in the records of the County maintained by the Transfer Agent may be deemed the absolute owner thereof for all purposes, and payment of or on account of the principal of or interest on any Bond shall be made only to or upon the order of the Registered Owner thereof, or such Registered Owner's legal representative, but such registration may be changed as hereinafter provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

SECTION 12. (a) Each Bond shall be transferable only in the records of the County, upon surrender thereof at the office of the Transfer Agent, together with a written instrument of transfer satisfactory to the Transfer Agent duly executed by the Registered Owner or its attorney duly authorized in writing. Upon the transfer of any Bond, the County, acting through its Transfer Agent, shall issue in the name of the transferee a new Bond or Bonds of the same aggregate principal amount and maturity and rate of interest as the surrendered Bond or Bonds.

(b) In all cases in which the privilege of transferring Bonds is exercised, the Transfer Agent shall authenticate and deliver Bonds in accordance with the provisions of this Bond Resolution.

SECTION 13. (a) The County hereby establishes the 2021 Bond Fund which shall be maintained with a qualified depository in its name for the payment of the principal of and interest on the Bonds, and the payment of Agents' fees in connection therewith. There shall be deposited into the 2021 Bond Fund as and when received:

(i) The accrued interest and premium, if any, received upon delivery of the Bonds;

(ii) The avails of any of the ad valorem taxes levied and collected pursuant to Section 9 hereof;

(iii) Any income received from investment of monies in the 2021 Bond Fund; and

(iv) Any other funds available to the County which may be lawfully used for payment of the principal of and interest on the Bonds, and which the Governing Body, in its discretion, may direct to be deposited into the 2021 Bond Fund.

(b) As long as any principal of and interest on the Bonds remains outstanding, the Clerk is hereby irrevocably authorized and directed to withdraw from the 2021 Bond Fund sufficient monies to make the payments herein provided for and to transfer same to the account of the Paying Agent in time to reach said Paying Agent at least five (5) days prior to the date on which said interest or principal and interest shall become due.

SECTION 14. The County hereby establishes the 2021 Construction Fund which shall be maintained with a qualified depository. The principal proceeds received upon the sale of the Bonds shall be deposited in the 2021 Construction Fund. Any income received from investment of monies in the 2021 Construction Fund shall be deposited in the 2021 Construction Fund or the 2021 Bond Fund for the payment of debt service on the Bonds during the construction period for the Project. From the 2021 Construction Fund there shall be first paid the costs, fees and expenses incurred by the County in connection with the authorization, issuance, sale, validation and delivery of the Bonds, the amounts of which may be paid by an Authorized Officer of the County upon written approval thereof by the President of the Governing Body, without the necessity of providing for such payments on the County claims docket. The balance thereof shall be held and disbursed for the Project, as authorized by the Act. Any amounts which remain in the 2021 Construction Fund after the completion of the Project shall be transferred to the 2021 Bond Fund and used as permitted under State law.

SECTION 15. (a) Payment of principal on the Bonds shall be made, upon presentation and surrender of the Bonds at the principal office of the Paying Agent, to the Record Date Registered Owner thereof who shall appear in the registration records of the County maintained by the Transfer Agent as of the Record Date.

(b) Payment of each installment of interest on the Bonds shall be made to the Record Date Registered Owner thereof whose name shall appear in the registration records of the County maintained by the Transfer Agent as of the Record Date. Interest shall be payable in the aforesaid manner irrespective of any transfer or exchange of such Bond subsequent to the Record Date and prior to the due date of the interest.

(c) Principal of and interest on the Bonds shall be paid by check, draft or federal funds wire mailed on the Interest Payment Date to Registered Owners at the addresses appearing in the registration records of the Transfer Agent. Any such address may be changed by written notice from the Registered Owner to the Transfer Agent by certified mail, return receipt requested, or such other method as may be acceptable to the Transfer Agent, such notice to be received by the Transfer Agent not later than the Record Date preceding the applicable principal or Interest Payment Date to be effective as of such date.

SECTION 16. The Bonds shall be submitted to validation as provided by Chapter 13, Title 31, Mississippi Code of 1972, and to that end the Clerk is hereby directed to make up a transcript of all legal papers and proceedings relating to the Bonds and to certify and forward the same to the State's Bond Attorney for the institution of validation proceedings.

SECTION 17. The County covenants to comply with each requirement of the Code and the regulations promulgated thereunder necessary to maintain the exclusion of interest on the Bonds from gross income for federal income tax purposes, and in furtherance thereof, to comply with a certificate of the County to be executed and delivered concurrently with the issuance of the Bonds, or such other covenants as may, from time to time, be required to be complied with in order to maintain the exclusion of interest on the Bonds from gross income for federal income tax purposes or as requested by Bond Counsel. The County shall not use or permit the use of any of the proceeds of the Bonds, or any other funds of the County, directly or indirectly, to acquire any securities, obligations or other investment property, and shall not take or permit to be taken

any other action or actions, which would cause any Bank Bond to be an "arbitrage bond" as defined in Section 148 of the Code. Notwithstanding any other provisions to the contrary, so long as necessary in order to maintain the exclusion of interest on the Bonds from gross income for federal income tax purposes under the Code, the covenants contained in this Section 17 shall survive the payment of the Bonds and the interest thereon, including any payment or defeasance thereof.

SECTION 18. The County hereby covenants as follows:

(a) The County shall timely file with the Ogden, Utah Service Center of the Internal Revenue Service, such information report or reports as may be required by Section 148(f) and 149(e) of the Code;

(b) The County shall take no action that would cause the Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code;

(c) The County shall take all necessary action to have the Bonds registered within the meaning of Section 149(a) of the Code; and

(d) The County will not employ any device or abusive transaction with respect to the investment of the proceeds of the Bonds.

SECTION 19. The County hereby covenants that it shall make, or cause to be made, the rebate required by Section 148(f) of the Code ("**Rebate**") in the manner described in Regulation §§1.148-1 through 1.148-11, as such regulations and statutory provisions may be modified insofar as they apply to the Bonds. In accordance therewith, the County shall:

(a) Within sixty (60) days of the last day of the fifth and each succeeding fifth "bond year" (which shall be the five-year period ending on the date five years subsequent to the date of the closing, unless another date is selected by the Board of Supervisors of the County, and each succeeding fifth "bond year"), and within sixty (60) days of the date the last bond that is part of the Bonds is discharged the County shall (i) calculate, or cause to be calculated, the "rebate amount" as of each "computation date" or the "final computation date" attributable to any investment in "investment-type property" made by the County, of "gross proceeds" of the Bonds, and (ii) remit the following to the United States Treasury within sixty (60) days of the last day of the fifth and each succeeding fifth "bond year:" (A) an amount of money equal to such "rebate amount" (treating for purposes of such calculation any previous payments made to the United States Treasury on account of such "rebate amount" as if the payment on any such date was an "expenditure" constituting a "rebate payment"), (B) the calculations supporting the amount of "rebate amount" attributable to any investments in "investment-type property" made by the County of gross proceeds of the Bonds and (C) any other information required to comply with Section 148 of the Code.

(b) The County shall keep accurate records of each investment-type property (as that term is defined in Section 148(b) of the Code), if any, acquired, directly or indirectly, with "gross proceeds" of the Bonds and each expenditure it makes with "gross proceeds." Such records shall include the purchase price, nominal interest rate, dated date, maturity date, type of property, frequency of periodic payments, period of compounding, yield to maturity, amount actually or

constructively realized on disposition, disposition date, and evidence of the "fair market value" of such property on the purchase date and disposition date (or deemed purchase or disposition date), for each item of such "investment-type property."

SECTION 20. The County does designate the Bonds as "qualified tax-exempt obligation" as defined in and for the purposes of Section 265(b)(3) of the Code.

SECTION 21. Pursuant to Rule 15c2-12(b)(5) of the Securities and Exchange Commission, the County covenants and agrees to provide to the Purchaser a Continuing Disclosure Certificate, dated the date of issuance and delivery of the Bonds, setting forth the County's agreement with regard to continuing disclosure (the "**Continuing Disclosure Certificate**"), and to comply with the covenants set forth therein and carry out all of the provisions of the Continuing Disclosure Certificate. In the event the County fails to comply with the provisions of the Continuing Disclosure Certificate, any Bondholder may take such actions as may be necessary and appropriate, including mandamus or specific performance by court order, to cause the State to comply with its obligations set forth in the Continuing Disclosure Certificate and this Section 21.

SECTION 22. The Bonds shall be offered for sale on sealed bids at a meeting of the Governing Body to be held at the place, and on the date and at the hour specified and upon the terms and conditions set out in the Notice in Section 23 hereof. On or before said date and hour, such sealed bids must be filed at the place specified in the Notice. The Governing Body reserves the right to reject any and all bids submitted, and if all bids are rejected, to sell the Bonds at a private sale at any time within sixty (60) days after the date advertised for the receipt of bids, at a price not less than the highest bid which shall have been received at the advertised sale.

SECTION 23. As required by Section 31-19-25, Mississippi Code of 1972, as amended, the Clerk is hereby authorized and directed to give Notice by publishing an advertisement at least two (2) times in the *Sea Coast Echo*, a newspaper published in the City of Bay St. Louis, Mississippi, and of general circulation in the County, the first publication thereof to be made at least ten (10) days preceding the date fixed herein for the receipt of bids. The Notice shall be in substantially the following form:

NOTICE OF BOND SALE

$7,000,000
HANCOCK COUNTY, MISSISSIPPI
GENERAL OBLIGATION BONDS, SERIES 2021

NOTICE IS HEREBY GIVEN that the Board of Supervisors (the "Governing Body") of Hancock County, Mississippi (the "County") will receive sealed bids in the Office of the Chancery Clerk, located at 854 Highway 90, Bay St. Louis, Mississippi, until the hour of 11:30 a.m. on Monday, July 19, 2021, and will be presented to the Governing Body at such time for the purchase at not less than par plus accrued interest to the date of delivery of $7,000,000 aggregate principal amount Hancock County, Mississippi General Obligation Bonds, Series 2021 (the "Bonds").

The Bonds will be dated and bear interest from their date of delivery, will be delivered in definitive form as fully registered Bonds, will be in the denominations of $5,000 or any integral multiple thereof, will be payable as to principal at a bank or banks to be named by the County (the "Paying and Transfer Agent") and will bear interest, payable semiannually on February 1 and August 1 of each year, commencing on August 1, 2022, at the rate or rates of interest specified in the bid submitted by the successful bidder in accordance with this Notice of Bond Sale.

The Bonds will be issued in registered, book-entry-only form and all bidders for the Bonds must be participants of The Depository Trust Company, New York, New York ("DTC"), or affiliated with its participants. The Bond certificates will be deposited with DTC. DTC will be responsible for maintaining a book-entry system for recording the interests of its participants and for the transfer of the interests among its participants. The participants will be responsible for maintaining records regarding the beneficial ownership interests in the Bonds on behalf of the individual purchasers. Individual purchases may be made in the principal amount of $5,000 or any multiple thereof through book entries made on the books and records of DTC and its participants. Unless the book-entry-only system is discontinued, Bond principal and interest payments will be made by the County to DTC through the Paying and Transfer Agent. DTC will then be responsible for distributing such payments to DTC participants for subsequent remittance to the owners of beneficial interests in the Bonds. Payment of principal and interest on the Bonds to DTC is the responsibility of the County, disbursement of such payments to DTC participants shall be the responsibility of DTC, and disbursements of such payments to the owners of beneficial interests shall be the responsibility of DTC participants and not the responsibility of the County. The County will have no responsibility or obligation to DTC participants or owners of beneficial interests in the Bonds, with respect to the payment by DTC or any DTC participants, of the principal of or interest on the Bonds or the providing of notice to DTC participants or owners of beneficial interests in the Bonds or with respect to: (a) the accuracy of any records maintained by DTC or any DTC participant; or (b) any consent given or other action taken by DTC as owner of the Bonds.

The Bonds will mature on August 1 in the years and in the principal amounts shown below:

YEAR	AMOUNT	YEAR	AMOUNT
2022	$360,000	2028	$740,000
2023	370,000	2029	760,000
2024	375,000	2030	775,000
2025	385,000	2031	795,000
2026	395,000	2032	810,000
2027	405,000	2033	830,000

Bonds maturing on August 1, 2028 and thereafter, are subject to redemption prior to their stated dates of maturity, at par, plus accrued interest to the date of redemption, either in whole or part, at any time on or after August 1, 2027.

The Bonds will be issued pursuant to the provisions of Sections 19-9-1 et seq., Mississippi Code of 1972, as amended from time to time (the "Act") and resolutions adopted or to be adopted by the Governing Body. The Bonds are being issued to raise money for the purpose of providing funds for (a) constructing, reconstructing, and

repairing roads, highways and bridges, and acquiring the necessary land, including land for road building materials, and acquiring rights-of-way therefor and the purchase of heavy construction equipment and accessories thereto reasonably required to construct, repair and renovate roads, highways and bridges and approaches thereto within the County, (b) purchasing machinery and equipment which have an expected useful life in excess of ten (10) years, (c) purchasing or erecting, equipping, repairing, reconstructing, remodeling and enlarging County buildings, courthouses and related facilities and the purchase of land therefor, and (d) for other authorized purposes under the Act, including paying the costs of borrowing (together (a) through (d) are referred to herein as the "Project").

The Bonds shall be general obligations of the County and the full faith, credit and taxing power of the County shall be pledged to secure the payment of the principal of and interest on the Bonds. The County's tax levy for any year shall be abated pro tanto to the extent the County on or prior to September 1 of that year has transferred monies to the 2021 Bond Fund for the Bonds, or has made other provisions for funds to be applied toward the payment of the principal of and interest on the Bonds due during the ensuing fiscal year of the County, in accordance with the provisions of the Bond Resolution.

The Bonds are to be sold at not less than $7,000,000 aggregate par plus interest on the Bonds accrued to the date of delivery, and are to be awarded to the bidder complying with the terms hereof and offering to purchase all of the Bonds at the lowest net interest cost to the County. The net interest cost will be determined by computing the aggregate interest on the Bonds over the life of the issue at the rate or rates of interest specified by the bidder, less premium offered, if any. It is requested that each bid be accompanied by a statement of the net interest cost (computed to six decimal places), but such statement will not be considered a part of the bid. No Bond shall bear more than one (1) rate of interest; each Bond shall bear interest from its date to its stated maturity date at the interest rate specified in the bid; all Bonds of the same maturity shall bear the same rate of interest from their date to maturity; the lowest rate of interest specified for any of the Bonds shall not be less than seventy percent (70%) of the highest rate of interest specified for any of the Bonds; and the highest rate of interest specified for any of the Bonds shall not exceed eleven percent (11%) per annum. Each interest rate specified in any bid must be a multiple of one-eighth of one percent (1/8 of 1%) or a multiple of one-tenth of one percent (1/10 of 1%) and a zero rate of interest cannot be named.

The County will designate the Bonds as qualified tax-exempt obligations within the meaning and for the purposes of Section 265(b)(3) of the Code.

Bidders must acknowledge in their respective bids that they have received and reviewed the County's preliminary official statement in connection with the issuance of the Bonds (the "Preliminary Official Statement"). The County deems the Preliminary Official Statement to be "final" as described in SEC Rule 15c2-12(b)(1) for the purposes of such Rule. Upon award of the Bonds to the successful bidder, the County will prepare a final official statement in connection with the Bonds (the "Official Statement") in substantially the form of the Preliminary Official Statement, subject to minor amendments and supplementations. A reasonably sufficient number of Official Statements will be made available to the successful bidder at the expense of the County within seven (7) business days of the award of the Bonds to such bidder. Copies of the Preliminary Official Statement may be obtained from Eddie Favre, County Administrator, 854 Highway 90, Bay St. Louis, Mississippi, telephone: (228) 466-4736 and the County's municipal advisor (the "Municipal Advisor"), Government Consultants, Inc., 116 Village Boulevard, Madison, Mississippi 39110, telephone: (601) 982-0005, attention: Mr. Steve Pittman.

In order to assist bidders in complying with SEC Rule 15c2-12(b)(5), the County, pursuant to a resolution of the Governing Body and a Continuing Disclosure Certificate, will agree to provide annual reports and notices of certain events. A summary of the County's procedures with regard to continuing disclosure is set forth in the Preliminary Official Statement and will also be set forth in the Official Statement.

All bids must be enclosed in a sealed envelope, should be addressed to the Governing Body, should be filed with the Governing Body of the County in the Office of the Chancery Clerk, located at 854 Highway 90, Bay St. Louis, Mississippi, attention: Tim Kellar, Chancery Clerk, and worded on the outside, in substance, "Bid for Hancock County, Mississippi General Obligation Bonds, Series 2021". **ALL BIDS MUST BE UNCONDITIONAL AND, AS A CONDITION PRECEDENT TO THE CONSIDERATION OF ITS BID, EACH BIDDER MUST ENCLOSE WITH IT, AS A GOOD FAITH DEPOSIT, A CERTIFIED OR CASHIER'S CHECK ISSUED OR CERTIFIED BY A BANK LOCATED WITHIN THE STATE OF**

MISSISSIPPI PAYABLE TO THE ORDER OF HANCOCK COUNTY, MISSISSIPPI FOR $140,000.00. No interest will be allowed on any good faith deposit. Bids will be accepted or rejected by the Governing Body on the date above shown for the sale of the Bonds. When a bid is rejected by the Governing Body, the good faith deposit accompanying said bid will be returned to the bidder. When a bid is accepted by the Governing Body, the good faith deposit accompanying said bid will be applied as part payment for the Bonds or, if the successful bidder fails to comply with this agreement to purchase the Bonds, will be retained as liquidated damages. Pending the application of the good faith deposit of the successful bidder as aforesaid, such deposit may be invested in direct obligations of, or obligations guaranteed by the United States of America or in repurchase agreements with banks fully secured by such obligations, and the County shall be entitled to any income from any such investment.

The Governing Body reserves the right to reject any or all bids as well as the right to waive any irregularity or informality in any bid. All bids shall be submitted on the Official Bid Form which may be obtained from Eddie Favre, County Administrator, 854 Highway 90, Bay St. Louis, Mississippi, telephone: (228) 466-4736 and the County's Municipal Advisor, Government Consultants, Inc., 116 Village Boulevard, Madison, Mississippi 39110, telephone: (601) 982-0005, attention: Mr. Steve Pittman.

In the opinion of Butler Snow LLP ("Bond Counsel"), assuming compliance by the County with certain tax covenants, under existing statutes, regulations, rulings and court decisions, interest on the Bonds is excludable from gross income for federal income tax purposes, and interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax. Bond Counsel will express no other opinion regarding other federal tax consequences resulting from the ownership, receipt or accrual of interest on or disposition of the Bonds. In addition, Bond Counsel is further of the opinion that under and pursuant to the Act, the Bonds and interest thereon are exempt from income taxation in the State of Mississippi.

The final approving opinion of Bond Counsel, relating to the validity and tax exemption of the Bonds, dated the date of delivery of the Bonds, and a transcript of the proceedings relating to the Bonds will be delivered to the successful bidder without charge.

It is anticipated that CUSIP identification numbers will be secured and printed on the Bonds, but neither the failure to secure or print such numbers on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the successful bidder to accept delivery of and pay for the Bonds in accordance with its agreement to purchase the Bonds. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid for by the County; provided, however, that the CUSIP Global Services charge for the assignment of said numbers shall be paid for by the successful bidder.

The successful bidder will be given at least seven (7) business days advanced notice of the proposed date of delivery of the Bonds when that date has been tentatively determined. It is expected that the Bonds will be delivered in New York, New York and payment therefor shall be made in federal or other immediately available funds.

At or before 11:30 a.m. on Monday, July 19, 2021, the winning bidder for the Bonds must provide to the County Administrator and Municipal Advisor the initial offering prices to the public.

The winning bidder shall assist the County in establishing the issue price of the Bonds for federal income tax purposes and shall execute and deliver to the County at Closing an “issue price” or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Bonds, together with the supporting pricing wires or equivalent communications, substantially in the form as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the County and Bond Counsel. All actions to be taken by the County under this Notice of Public Sale to establish the issue price of the Bonds may be taken on behalf of the County by the County’s Municipal Advisor and any notice or report to be provided to the County may be provided to the County’s Municipal Advisor.

The County intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the “competitive sale requirements”) because:

Attachment: Hancock County GO Bonds 2021 (218956) - Bond Resolution_POS (8202 : Approve Resolution for the Issuance of General

(1) the County will disseminate this Notice of Public Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;

(2) all bidders will have an equal opportunity to bid;

(3) the County may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and

(4) the County anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Public Sale.

Any bid submitted pursuant to this Notice of Public Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid and in this Notice of Public Sale and shall not be subject to any conditions or qualifications except as permitted by this Notice of Public Sale. By submitting a bid, each bidder confirms that it has an established industry reputation for underwriting new issuances of municipal obligations.

In the event that the competitive sale requirements are not satisfied, the County shall so advise the winning bidder. The County shall treat the first price at which 10% of a maturity of the Bonds (the "10% test") is sold to the public as the issue price of that maturity, applied on a maturity-by-maturity basis (and if different interest rates apply within a maturity, to each separate CUSIP number within that maturity). The winning bidder shall advise the County if any maturity of the Bonds satisfies the 10% test as of the date and time of the award of the Bonds. The County will not require bidders to comply with the "hold-the-offering-price rule" and therefore does not intend to use the initial offering price to the public as of the sale date of any maturity of the Bonds as the issue price of that maturity. Bids will not be subject to cancellation in the event that the competitive sale requirements are not satisfied. Bidders should prepare their bids on the assumption that all of the maturities of the Bonds will be subject to the 10% test in order to establish the issue price of the Bonds.

If the competitive sale requirements are not satisfied, then until the 10% test has been satisfied as to each maturity of the Bonds, the winning bidder agrees to promptly report to the County the prices at which the unsold Bonds of that maturity have been sold to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% test has been satisfied as to the Bonds of that maturity or until all Bonds of that maturity have been sold.

By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the winning bidder that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public, if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the winning bidder or such underwriter that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public, if and for so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires.

Sales of any Bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Public Sale. Further, for purposes of this Notice of Public Sale:

(i) "public" means any person other than an underwriter or a related party,

Attachment: Hancock County GO Bonds 2021 (218956) - Bond Resolution_POS (8202 : Approve Resolution for the Issuance of General

(ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the County (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),

(iii) a purchaser of any of the Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) "sale date" means the date that the Bonds are awarded by the County to the winning bidder.

The successful bidder shall have the right, at its option, to cancel its agreement to purchase the Bonds if the Bonds to be delivered by the County in accordance with the preceding paragraph are not tendered for delivery within sixty (60) days from the date of sale thereof, and in such event the County shall return to said bidder its good faith deposit without interest. The County shall have the right, at its option, to cancel its agreement to sell the Bonds if within five (5) days after the tender of the Bonds for delivery the successful bidder shall not have accepted delivery of and paid for the Bonds, and in such event the County shall retain the successful bidder's good faith deposit as liquidated damages.

SECTION 24. The Clerk shall obtain from the publisher of the aforesaid newspaper the customary publisher's affidavit proving publication of the Notice for the time and in the manner required by law, and such proof of publication shall be filed in the Clerk's office and exhibited before the Governing Body at the hour and date aforesaid.

SECTION 25. The Governing Body of the County hereby approves, adopts and ratifies the Preliminary Official Statement for the sale of the Bonds in the form attached hereto as **EXHIBIT A**, and hereby authorizes the President of the Governing Body to sign a Preliminary Official Statement in substantially the same form for and on behalf of said Governing Body.

SECTION 26. The County deems the Preliminary Official Statement to be "final" as described in Rule 15c2-12(b)(1) of the Securities and Exchange Commission (the "**Rule**"), for the purposes of such Rule.

SECTION 27. The distribution of copies of said Preliminary Official Statement to prospective purchasers of the Bonds is hereby authorized and ratified.

SECTION 28. Upon the sale of the Bonds, the President of the Governing Body and the Clerk of the County are hereby authorized and directed to cause to be prepared and to execute a final Official Statement in connection with the Bonds in substantially the form of the Preliminary Official Statement, subject to minor amendments and supplement as approved by the President of the Governing Body and the Clerk of the County executing same (the execution thereof shall constitute approval of any such completions, changes, insertions and modifications) as a result of the sale of the Bonds.

SECTION 29. If in the opinion of the County and Bond Counsel, a supplement or amendment to the Preliminary Official Statement and/or Official Statement is necessary to provide proper disclosure for the Bonds, the Governing Body of the County hereby authorizes (a) Bond Counsel, acting as disclosure counsel, to prepare such supplement or amendment to the Preliminary Official Statement and/or the Official Statement in a form and in a manner approved by Bond Counsel, acting as disclosure counsel, and (b) Bond Counsel and/or the successful bidder for the Bonds to provide distribution of such supplement or amendment to the Preliminary Official Statement and/or Official Statement, as the case may be, in connection with the sale of the Bonds.

SECTION 30. The Governing Body hereby authorizes the Municipal Advisor to prepare and distribute bid packages in connection with the Bonds to prospective purchasers of the Bonds.

SECTION 31. The Governing Body hereby approves the form of the Official Bid Form, attached hereto as **EXHIBIT B**, and the distribution of said Official Bid Form for the sale of the Bonds.

SECTION 32. Each of the following constitutes an event of default under this Bond Resolution:

(a) failure by the County to pay any installment of principal of or interest on any Bond at the time required;

Attachment: Hancock County GO Bonds 2021 (218956) - Bond Resolution_POS (8202 : Approve Resolution for the Issuance of General

(b) failure by the County to materially perform or observe any other covenant, agreement or condition on its part contained in this Bond Resolution or in the Bonds, and the continuance thereof for a period of thirty (30) days after written notice thereof to the County by the Registered Owners of not less than ten percent (10%) in principal amount of the then outstanding Bonds; or

(c) an Act of Bankruptcy occurs.

SECTION 33. The President, the Clerk and the other Authorized Officers of the County are, and each of them acting alone is, hereby authorized and directed to take such actions and to execute such documents, certificates, requisitions, forms or other instruments as may be necessary to effectuate the purposes of this Bond Resolution.

SECTION 34. The President, the Clerk and other Authorized Officers of the County are, and each of them acting alone is, hereby authorized and directed to take such actions and to execute such documents, certificates, requisitions, forms or other instruments as may be necessary to effectuate the purposes of this Bond Resolution. Further, if the issuance and delivery of the Bonds is delayed or does not occur as provided in the Notice of Bond Sale, the Governing Body hereby approves and authorizes the President or Clerk, upon recommendation by the Municipal Advisor, to make any revisions to the Notice of Bond Sale, the Bid Form and the Preliminary Official Statement, with all dates and hours to be finalized and/or revised and authorizes the President or Clerk of the Governing Body to approve those terms prior to publication. If the issuance and delivery of the Bonds is delayed or does not occur during the Calendar Year 2021, then the Governing Body authorizes the President, the Clerk and the other Authorized Officers of the County, to approve all applicable and necessary changes to any documents attached hereto or otherwise and to change any applicable date herein provided that is affected by such delay in issuance and delivery, including but not limited to principal and interest payment dates, redemption dates, sale date, notice date, and/or maturity date, the execution of said documents being conclusive evidence of such approval.

PRELIMINARY OFFICIAL STATEMENT DATED JUNE 7, 2021

ONE NEW ISSUE/BOOK-ENTRY-ONLY **NON-RATED**

*In the opinion of Butler Snow LLP, Ridgeland, Mississippi ("**Bond Counsel**"), assuming compliance by Hancock County, Mississippi with certain tax representations and covenants, interest on the Series 2021 Bonds (as defined herein) is excludable from gross income for federal income tax purposes under existing statutes, regulations, rulings and court decisions and interest on the Series 2021 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax. See "TAX MATTERS" herein for a description of certain other federal tax consequences of ownership of the Series 2021 Bonds. Bond Counsel is further of the opinion that under and pursuant to the Act (as hereinafter defined), the Series 2021 Bonds and interest thereon are exempt from all income taxes imposed by the State of Mississippi.*

$7,000,000
HANCOCK COUNTY, MISSISSIPPI
GENERAL OBLIGATION BONDS,
SERIES 2021

Dated: Date of Delivery **Due: August 1, as shown on the inside front cover**

Interest on the $7,000,000 Hancock County, Mississippi General Obligation Bonds, Series 2021, dated ____, 2021 (the "**Series 2021 Bonds**"), will be payable on February 1 and August 1 of each year, commencing August 1, 2022. The Board of Supervisors of Hancock County, Mississippi (the "**County**") has designated _____, _____, Mississippi to serve as paying agent, transfer agent and registrar of the Series 2021 Bonds (the "**Paying Agent**"). The Series 2021 Bonds will be issued as fully registered bonds in denominations of $5,000 or any integral multiple thereof and registered in the name of Cede & Co., as nominee of The Depository Trust Company ("**DTC**"), New York, New York, which will act as securities depository for the Series 2021 Bonds under a book-entry-only system, as described herein. So long as the Series 2021 Bonds are held in book-entry form, Beneficial Owners (as hereinafter defined) of Series 2021 Bonds will not receive physical delivery of bond certificates.

The principal of, and interest on, the Series 2021 Bonds will be payable by the Paying Agent to DTC, which will in turn remit such principal and interest to its Direct Participants (as defined herein) and Indirect Participants (as defined herein), which will in turn remit such principal, and interest to the Beneficial Owners of the Series 2021 Bonds. If the date for payment is not a business day, then the payment shall be made on the next succeeding business day with the same force and effect as if made on the payment date. See "DESCRIPTION OF THE SERIES 2021 BONDS – Book-Entry-Only System" herein.

The Series 2021 Bonds are general obligations of the County for which the full faith, credit and resources of the County are pledged as provided herein.

The Bonds are being offered for sale in accordance with the official Notice of Bond Sale, dated June 7, 2021, the form of which is attached hereto as APPENDIX E.

Sealed bids for the Bonds will be received in the Office of the Chancery Clerk, located at 854 Highway 90, Bay St. Louis, Mississippi, until the hour of 11:30 a.m. on Monday, July 19, 2021, and will be presented to the Governing Body of the County at such time.

The Series 2021 Bonds will be subject to redemption prior to maturity as provided herein.

The Series 2021 Bonds have been designated by the County as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

The Series 2021 Bonds are offered subject to the final approving opinion of Butler Snow LLP, Ridgeland, Mississippi, Bond Counsel. Certain legal matters will be passed upon for the County by its counsel, Yarborough Law Firm, PLLC, Bay St. Louis, Mississippi, as County Counsel. Government Consultants, Inc., Madison, Mississippi, serves as the Independent Registered Municipal Advisor to the County in connection with the sale and issuance of the Series 2021 Bonds. It is expected that the Series 2021 Bonds available for delivery in definitive form on or about August 18, 2021.*

Dated: _____, 2021.

* Preliminary, subject to change.

This Preliminary Official Statement and the information contained herein are subject to completion or amendment without notice. Under no circumstances shall this Preliminary Official Statement constitute an offer to sell or a solicitation of an offer to buy nor shall there be any sale of these securities in any jurisdiction in which such offer, solicitation, or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. This Preliminary Official Statement is deemed final by the issuer of these securities within the meaning of Rule 15c2-12 of the Securities Exchange Act of 1934 for the purposes of such rule.

OFFICIAL STATEMENT

THE OFFERING

$7,000,000
HANCOCK COUNTY, MISSISSIPPI
GENERAL OBLIGATION BONDS,
SERIES 2021

The Issuer	Hancock County, Mississippi (the "**County**").
Issue and Date	$7,000,000 Hancock County, Mississippi General Obligation Bonds, Series 2021, dated the date of their delivery (the "**Series 2021 Bonds**").
Authority	Sections 19-9-1, *et seq.*, Mississippi Code of 1972, as amended from time to time (the "**Act**").
Use of Proceeds	The Series 2021 Bonds are being issued under the Act for the purpose of providing funds for (a) constructing, reconstructing, and repairing roads, highways and bridges, and acquiring the necessary land, including land for road building materials, and acquiring rights-of-way therefor and the purchase of heavy construction equipment and accessories thereto reasonably required to construct, repair and renovate roads, highways and bridges and approaches thereto within the County, (b) purchasing machinery and equipment which have an expected useful life in excess of ten (10) years, (c) purchasing or erecting, equipping, repairing, reconstructing, remodeling and enlarging County buildings, courthouses and related facilities and the purchase of land therefor, and (d) for other authorized purposes under the Act, including paying the costs of borrowing.
Amounts and Maturities	The Series 2021 Bonds will mature on August 1 in the years and amounts as set forth on the inside cover page hereof.
Interest Payment Dates	February 1 and August 1 of each year, commencing August 1, 2022.

Security for Payment	Pursuant to the Act, the Series 2021 Bonds shall be general obligations of the County and shall be secured by a pledge of the full faith, credit and resources of the County (see "DESCRIPTION OF THE SERIES 2021 BONDS - Security", herein).
Tax Matters	In the opinion of Bond Counsel, assuming compliance by the County with certain tax representations and covenants, interest on the Series 2021 Bonds is excludable from gross income for federal income tax purposes under existing statutes, regulations, rulings and court decisions, and interest on the Series 2021 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax. See "TAX MATTERS" herein for a description of certain other federal tax consequences of ownership of the Series 2021 Bonds. Bond Counsel is further of the opinion that under and pursuant to the Act, the Series 2021 Bonds and interest thereon are exempt from all income taxes imposed by the State of Mississippi.

The above information is qualified in its entirety by the detailed information concerning the Series 2021 Bonds, the County and the financial information appearing elsewhere in this Official Statement, including the Appendices.

OFFICIAL STATEMENT

$7,000,000
HANCOCK COUNTY, MISSISSIPPI
GENERAL OBLIGATION BONDS,
SERIES 2021

INTRODUCTION

The purpose of this Official Statement, which includes the cover page, inside cover pages and the Appendices hereto, is to set forth certain information concerning Hancock County, Mississippi (the "**County**") and the County's $7,000,000 General Obligation Bonds, Series 2021, dated _____, 2021 (the "**Series 2021 Bonds**").

Reference is made to the Act (as hereinafter defined), the Resolution (as hereinafter defined) and any and all modifications and amendments thereof for a description of the nature and extent of the security of the Series 2021 Bonds, the pledge of tax revenues for the payment of the principal of and interest on the Series 2021 Bonds, the nature and extent of said pledge and the terms and conditions under which the Series 2021 Bonds are issued.

DESCRIPTION OF THE SERIES 2021 BONDS

The Series 2021 Bonds are being issued pursuant to the provisions of Sections 19-9-1, *et seq.*, Mississippi Code of 1972, as amended from time to time (the "**Act**"), and a resolution adopted by the Board of Supervisors (the "**Board of Supervisors**") of the County on June 7, 2021 (the "**Resolution**"). The Series 2021 Bonds are being issued for the purpose of providing funds for (a) constructing, reconstructing, and repairing roads, highways and bridges, and acquiring the necessary land, including land for road building materials, and acquiring rights-of-way therefor and the purchase of heavy construction equipment and accessories thereto reasonably required to construct, repair and renovate roads, highways and bridges and approaches thereto within the County, (b) purchasing machinery and equipment which have an expected useful life in excess of ten (10) years, (c) purchasing or erecting, equipping, repairing, reconstructing, remodeling and enlarging County buildings, courthouses and related facilities and the purchase of land therefor, and (d) for other authorized purposes under the Act, including paying the costs of borrowing.

The Series 2021 Bonds will be general obligations of the County and the full faith, credit and resources of the County are pledged to secure the payment of the principal of and interest on the Series 2021 Bonds (see "DESCRIPTION OF THE SERIES 2021 BONDS - Security" herein).

The Series 2021 Bonds will be dated the date of their delivery, and will be issued as fully registered bonds in denominations of Five Thousand Dollars ($5,000) or any integral multiple thereof, bearing interest at the rates per annum set forth on the inside cover page hereof, payable on February 1 and August 1 of each year, commencing on August 1, 2022. The County has designated _____, _____, Mississippi, to serve as paying agent, transfer agent and registrar of the Series 2021 Bonds (the "**Paying Agent**"). Interest will be payable by check or draft of the Paying Agent made payable to the registered owners of the Series 2021 Bonds named in, and mailed to the addresses appearing on, the registration records of the County kept and maintained by the Paying Agent as of the close of business on the date which shall be the fifteenth (15th) day (whether or not a business day) of the calendar month next preceding each interest payment date.

The Series 2021 Bonds will mature on August 1 in the years and in the amounts set forth on the inside cover page hereof.

The Series 2021 Bonds will initially be held in a book-entry-only system administered by The Depository Trust Company, New York, New York ("**DTC**"). Principal of and interest on the Series 2021 Bonds held in book-entry form shall be payable as described herein under the heading "DESCRIPTION OF THE SERIES 2021 BONDS - Book-Entry-Only System."

Attachment: Hancock County MS GO Bonds (2021) (218956) - POS (8202 : Approve Resolution for the Issuance of General Obligation Bonds.)

Attachment: Hancock County MS GO Bonds (2021) (218956) - POS (8202 : Approve Resolution for the Issuance of General Obligation Bonds.)

As long as the Series 2021 Bonds are held in a book-entry-only system, the principal of and interest on the Series 2021 Bonds will be payable by the Paying Agent to DTC, which will in turn remit such principal and interest to its Direct Participants and Indirect Participants, as described herein, which will in turn remit such principal and interest to the Beneficial Owners, as described herein, of the Series 2021 Bonds. If the date for payment is not a business day, then the payment shall be made on the next succeeding business day with the same force and effect as if made on the payment date.

Redemption Provisions

Optional Redemption. The Series 2021 Bonds maturing on August 1, 2028 and thereafter, are subject to redemption prior to their stated dates of maturity, at par, plus accrued interest to the date of redemption, either in whole or part, at any time on or after August 1, 2027.

Notice. Notice of redemption identifying the numbers of Series 2021 Bonds or portions thereof to be redeemed shall be given to the registered owners thereof by first class mail at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption; provided, however, such notice of redemption can be waived by the registered owners of the Bonds. Failure to mail or receive any such notice, or any defect therein or in the mailing thereof, shall not affect the validity of any proceedings for the redemption of Series 2021 Bonds. Any notice mailed as provided in the Resolution shall be conclusively presumed to have been given, irrespective of whether received. If such written notice of redemption is made and if due provision for payment of the redemption price is made, all as provided above, the Series 2021 Bonds which are to be redeemed thereby automatically shall be deemed to have been redeemed prior to their scheduled maturities, and they shall not bear interest after the date fixed for redemption, and they shall not be regarded as being outstanding except for the right of the owner to receive the redemption price out of the funds provided for such payment. If at the time of mailing of any notice of redemption, there shall not be on deposit with the Paying Agent sufficient moneys to redeem all of the Series 2021 Bonds called for redemption, such notice shall state that it is subject to the deposit of moneys with the Paying Agent not later than on the redemption date and shall be of no effect unless such moneys are deposited.

Defeasance. The Series 2021 Bonds, for which the payment of sufficient moneys or, to the extent permitted by the laws of the State, (a) direct obligations of, or obligations for the payment of the principal of and interest on which are unconditionally guaranteed by, the United States of America ("**Government Obligations**"), (b) certificates of deposit or municipal obligations fully secured by Government Obligations, (c) evidences of ownership of proportionate interests in future interest or principal payments on Government Obligations held by a bank or trust company as custodian, under which the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor on the Government Obligations and which Government Obligations are not available to satisfy any claim of the custodian or any person claiming through the custodian or to whom the custodian may be obligated, (d) United States Treasury Securities - State and Local Government Series, or (e) municipal obligations, the payment of the principal of, interest and redemption premium, if any, on which are irrevocably secured by Government Obligations and which Government Obligations are not subject to redemption prior to the date on which the proceeds attributable to the principal of such obligations are to be used and have been deposited in an escrow account which is irrevocably pledged to the payment of the principal of and interest and redemption premium, if any, on such municipal obligations (all of which collectively, with Government Obligations, "**Defeasance Securities**"), shall have been deposited with an escrow agent appointed for such purpose, which may be the Paying and Transfer Agent, shall be deemed to have been paid, shall cease to be entitled to any lien, benefit or security under the Resolution and shall no longer be deemed to be outstanding under the Resolution, and the registered owners shall have no rights in respect thereof except to receive payment of the principal of and interest on such Series 2021 Bonds from the funds held for that purpose. Defeasance Securities shall be considered sufficient under the Resolution if said investments, with interest, mature and bear interest in such amounts and at such times as will assure sufficient cash to pay currently maturing interest and to pay principal when due on such Series 2021 Bonds.

Ownership

Pursuant to the Resolution, the County, the Paying Agent, and any other person may treat the person in whose name any Series 2021 Bond is registered as the absolute owner of such Series 2021 Bond for the purpose of making payment of the principal thereof and premium, if any, thereon, and for the further purpose of making payment of the interest thereon, and for all other purposes, whether or not such Series 2021 Bond is overdue.

Neither the County nor the Paying Agent shall be bound by any notice or knowledge to the contrary. All payments made to the person deemed to be the owner of any Series 2021 Bond in accordance with the Resolution shall be valid and effective and shall discharge the liability of the County and the Paying Agent for such Series 2021 Bond to the extent of the sums paid.

Registration

For so long as DTC acts as securities depository for the Series 2021 Bonds, the registration and transfer of ownership interests in Series 2021 Bonds shall be accomplished by book entries made by DTC and the Direct Participants and, where appropriate, the Indirect Participants, as described herein under the heading "DESCRIPTION OF THE SERIES 2021 BONDS - Book-Entry-Only System."

Book-Entry-Only System

The County has determined that it will be beneficial to have the Series 2021 Bonds held by a central depository system and to have transfers of the Series 2021 Bonds affected by book-entry on the records of DTC as such central depository system. Unless and until the book-entry-only system has been discontinued, the Series 2021 Bonds will be available only in book-entry form in principal amounts of $5,000 or any integral multiple thereof. DTC will initially act as securities depository for the Series 2021 Bonds. The Series 2021 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's nominee). One fully-registered Series 2021 Bond will be issued for each maturity of the Series 2021 Bonds, and will be deposited with or as otherwise directed by DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York banking law, a "banking organization" within the meaning of the New York banking law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("**Direct Participants**") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions, in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("**DTCC**"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("**Indirect Participants**"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2021 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for such Series 2021 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2021 Bond (a "**Beneficial Owner**") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transactions, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2021 Bonds are to be accomplished by entries made on the books of Direct or Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2021 Bonds, except in the event that use of the book-entry system for the Series 2021 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2021 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2021 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge

Attachment: Hancock County MS GO Bonds (2021) (218956) - POS (8202 : Approve Resolution for the Issuance of General Obligation Bonds.)

of the actual Beneficial Owners of the Series 2021 Bonds. DTC's records reflect only the identity of the Direct Participants to whose accounts the Series 2021 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2021 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2021 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2021 Bond documents. For example, Beneficial Owners of Series 2021 Bonds may wish to ascertain that the nominee holding the Series 2021 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices are to be sent to DTC. If less than all of the Series 2021 Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Series 2021 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Paying Agent as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2021 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds and principal and interest payments on the Series 2021 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detailed information from the County or the Paying Agent, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Paying Agent or the County, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds and principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the County or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2021 Bonds at any time by giving reasonable notice to the County or the Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, Series 2021 Bond certificates are required to be printed and delivered.

The County may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Series 2021 Bonds in definitive form will be printed and delivered.

THE COUNTY CANNOT AND DOES NOT GIVE ANY ASSURANCE THAT THE DIRECT PARTICIPANTS OR THE INDIRECT PARTICIPANTS WILL DISTRIBUTE TO THE BENEFICIAL OWNERS OF THE SERIES 2021 BONDS (a) PAYMENTS OF PRINCIPAL OR INTEREST ON THE SERIES 2021 BONDS; (b) CERTIFICATES REPRESENTING AN OWNERSHIP INTEREST OR OTHER CONFIRMATION OF BENEFICIAL OWNERSHIP INTERESTS IN THE SERIES 2021 BONDS; OR (c) REDEMPTION OR OTHER NOTICES SENT TO DTC OR CEDE & CO., ITS NOMINEE, AS THE REGISTERED OWNER OF THE SERIES 2021 BONDS, OR THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC OR DIRECT OR INDIRECT PARTICIPANTS WILL SERVE AND ACT IN THE MANNER DESCRIBED IN THIS OFFICIAL STATEMENT. THE CURRENT "RULES" APPLICABLE TO DTC ARE ON FILE WITH THE SEC AND THE CURRENT "PROCEDURES" OF DTC TO BE FOLLOWED IN DEALING WITH DTC PARTICIPANTS ARE ON FILE WITH DTC.

Attachment: Hancock County MS GO Bonds (2021) (218956) - POS (8202 : Approve Resolution for the Issuance of General Obligation Bonds.)

THE COUNTY WILL NOT HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO SUCH DTC PARTICIPANTS OR THE BENEFICIAL OWNERS WITH RESPECT TO (a) THE SERIES 2021 BONDS; (b) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (c) THE PAYMENT BY ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT OF AND INTEREST ON THE SERIES 2021 BONDS; (d) THE DELIVERY BY ANY DTC PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE RESOLUTIONS TO BE GIVEN TO HOLDERS OF THE SERIES 2021 BONDS; OR (e) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS HOLDER OF THE SERIES 2021 BONDS.

Security

The Series 2021 Bonds will be general obligations of the County. Pursuant to the terms of the Resolution, the full faith, credit and resources of the County are irrevocably pledged to secure the payment of the principal of and interest on the Series 2021 Bonds, which are payable out of and secured by the avails of a direct and continuing ad valorem tax to be levied annually without limitation as to rate or amount upon all taxable property within the geographical limits of the County. The County's tax levy for any year shall be abated pro tanto to the extent the County on or prior to September 1 of that year has transferred monies to the 2021 Bond Fund for the Bonds, or has made other provisions for funds to be applied toward the payment of the principal of and interest on the Bonds due during the ensuing fiscal year of the County, in accordance with the provisions of the Bond Resolution. The Resolution provides that the County, when necessary, will levy annually a special tax upon all taxable property within the geographical limits of the County adequate and sufficient to provide for the payment of principal of and interest on the Series 2021 Bonds as the same falls due.

The qualified electors of the State of Mississippi (the "**State**") voted in a general election held on November 7, 1995, to amend the Mississippi Constitution of 1890 (the "**Constitution**") to add the following new Section 172A (the "**Amendment**").

> SECTION 172A. Neither the Supreme Court nor any inferior court of this state shall have the power to instruct or order the state or any political subdivision thereof, or an official of the state or any political subdivision, to levy or increase taxes.

The Amendment does not affect the underlying obligation of the County to pay the principal of and interest on the Series 2021 Bonds as they mature and become due nor does the Amendment affect the County's obligation to levy a tax sufficient to accomplish that purpose. However, even though it appears that the Amendment was not intended to affect a holder's remedies in the event of a payment default, the Amendment potentially prevents a holder from obtaining a writ of mandamus to compel the levying of taxes to pay the principal of and interest on the Series 2021 Bonds in a court of the State. It is not certain whether the Amendment would affect the right of a federal court to direct the levy of a tax to satisfy a contractual obligation. Other effective remedies are available to bondholders in the event of a payment default with respect to the Series 2021 Bonds.

The outbreak of COVID-19, a respiratory disease caused by a new strain of coronavirus, which was first detected in China and has since spread to other countries, including the United States, and to the State, has been declared a Public Health Emergency of International Concern by the World Health Organization. The outbreak of the disease has affected travel, commerce, and financial markets globally and is widely expected to affect economic growth worldwide. Although the potential impact of COVID-19 on the County cannot be predicted at this time, the continued spread of the outbreak could have a material adverse effect on the County.

Certain information relating to the County is set forth in "APPENDIX A – Information Concerning the County and Its Economy" and certain financial information on the County is included in "APPENDIX B - Fiscal Year 2019 Audited Financial Information and 2021 Fiscal Year Budget."

Bankruptcy

The County is a "Municipality" as that term is defined in Title 11 of the United States Code (the "**Bankruptcy Code**"). Section 109(c) of the Bankruptcy Code prescribes the conditions and circumstances under which a Municipality may file a petition for relief under the Bankruptcy Code. As a debtor, a Municipality may

Attachment: Hancock County MS GO Bonds (2021) (218956) - POS (8202 : Approve Resolution for the Issuance of General Obligation Bonds.)

only file for relief pursuant to Chapter 9 of the Bankruptcy Code ("**Chapter 9**"). Pursuant to Section 303(a) of the Bankruptcy Code, no creditor or judgment holder of a Municipality may file a Chapter 9 petition on behalf of a Municipality.

Pursuant to Section 109(c)(2) of the Bankruptcy Code, before a Municipality may file a petition under Chapter 9 of the Bankruptcy Code, a Municipality must be specifically authorized by (a) state law or (b) a governmental officer or organization empowered to authorize such a filing. Accordingly, before a Municipality in the State may file for Chapter 9 protection, it must have specific authority granted to it. Currently, there is no State statute that prescribes, authorizes or otherwise contains authorization for any Municipality to file for Chapter 9 protection, or delegates such authority to a governmental officer or organization. As such, in order for a Municipality of the State, including the County, to file for Chapter 9 relief, the Municipality must obtain specific authority from the State Legislature.

The State Legislature is comprised of the Senate and the House of Representatives. The Senate is composed of 52 members, and the House of Representatives consists of 122 members. Each member of each chamber is elected to a four-year term. In the State, the Legislature convenes annually on the first Tuesday after the first Monday each January. Regular sessions of the State Legislature last 90 days in all years of an administration except for the first session after a new governor has been elected, when a 125-day session is held.

In order to obtain specific authority from the State Legislature to file for relief pursuant to Chapter 9, a Municipality would have to request both houses of the State Legislature during the annual session of the State Legislature or a special session of the State Legislature called for such purpose to approve a bill authorizing the Municipality to file for relief pursuant to Chapter 9 and such bill would have to be signed into law by the Governor of the State. There is no appeal process or any other proceeding under current State law that the Municipality may pursue if such requested specific authority is not granted by the State Legislature.

LITIGATION

The County's Counsel, Yarborough Law Firm, PLLC, Bay St. Louis, Mississippi, as County Counsel, has reviewed the status of all pending litigation. While the County is involved in numerous legal proceedings, there is not now pending, to the County's knowledge, legal proceedings which might be expected to affect the County's ability to perform its obligations to the registered owners of the Series 2021 Bonds.

To the County's knowledge, there is not now pending any threatened litigation restraining or enjoining the sale, issuance, execution or delivery of the Series 2021 Bonds or in any way contesting or affecting the validity of the Series 2021 Bonds, any proceedings of the County taken with respect to the sale and issuance thereof or the pledge of any security provided for the payment of the Series 2021 Bonds.

MUNICIPAL ADVISOR

The County has retained the firm of Government Consultants, Inc. as Independent Registered Municipal Advisor (the "**Municipal Advisor**") to the County in connection with the issuance of the Series 2021 Bonds. In such capacity the Municipal Advisor has provided recommendations and other financial guidance to the County with respect to the preparation of documents, the preparation for the sale of the Series 2021 Bonds and the time of the sale, market conditions and other factors related to the sale of the Series 2021 Bonds.

Although the Municipal Advisor performed an active role in the drafting of this Official Statement, it has not independently verified any of the information set forth herein. The information contained in this Official Statement has been obtained primarily from the County's records and from other sources which are believed to be reliable, including financial records of the County and other entities, which records may be subject to interpretation. No guarantee is made as to the accuracy or completeness of any information obtained from sources other than the County. Any summaries or excerpts of statutes, ordinances, resolutions or other documents do not purport to be complete statements of the same and reference is made to such original sources in all respects.

RECORD OF NO DEFAULT

There is no record of any default on general obligations of the County as to payment of either principal or interest or in any other material respect at any time in at least the past 25 years. No principal or interest on any obligation of the County is currently past due.

Attachment: Hancock County MS GO Bonds (2021) (218956) - POS (8202 : Approve Resolution for the Issuance of General Obligation Bonds.)

Attachment: Hancock County MS GO Bonds (2021) (218956) - POS (8202 : Approve Resolution for the Issuance of General Obligation Bonds.)

NO BOND PROCEEDS FOR CURRENT OPERATING EXPENSES

No proceeds from the sale of securities (except tax anticipation notes issued against revenues of a current fiscal year) have been used by the County for current operating expenses at any time in at least the past ten years.

PENSION PLANS

The County has no pension plan or retirement plan for employees. County employees are members of and contribute to the Mississippi Public Employees' Retirement System (PERS), a cost-sharing, multiple employer retirement system administered by the State for the benefit of its local governments and State personnel. Benefit provisions are established by State statute and may be amended from time to time only by the State Legislature.

In June 2012, the Government Accounting Standards Board issued Statement No. 68, Accounting and Financial Reporting for Pensions ("**GASB-68**"). The objective of GASB-68 is to improve accounting and financial reporting of government pensions. Also, GASB-68 improves information provided by government employers about financial support for pensions that is provided by other entities. Requirements of GASB-68 are effective for financial statements whose fiscal year begins after June 15, 2014 (Fiscal Year 2015 for the County).

As of September 30, 2018, PERS members are required to contribute 9.00% of their annual covered salary, and the County is required to contribute at an actuarially determined rate. The rate at September 30, 2018 was 15.75% of annual covered payroll. On June 26, 2018, the PERS Board of Trustees voted to increase the employer contribution rate from 15.75 to 17.40 percent, effective June 30, 2019. The County's contributions (employer share only) to PERS for the years ending September 30, 2019, 2018 and 2017 were $1,860,509, $1,719,865 and $1,615,132, respectively, equal to the required contributions for each year.

At September 30, 2019, the County reported a liability of $30,066,089 for its proportionate share of the net pension liability.

POSTEMPLOYMENT BENEFITS OTHER THAN PENSIONS

Effective with the fiscal year ended September 30, 2018 audit, the County will be required to apply GASB Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other than Pension* ("**GASB 75**"), to its audited financial statements. GASB 75 changes accounting and financial reporting for OPEB. Fund level statements, including the General Fund statements, will not be impacted by the GASB 75 reporting.

INDEPENDENT AUDITORS

The County has not requested and will not obtain a consent letter from its auditor for the inclusion of the audit report in this Official Statement. Necaise & Company PLLC, the County's independent auditor (the "**Auditor**"), has not been engaged to perform, and has not performed, since the date of its report included herein, any procedures on the financial statements addressed in that report. The Auditor also has not performed any procedures relating to this Official Statement (the "**audit report**").

CONTINUING DISCLOSURE

The County has covenanted for the benefit of the owners of the Series 2021 Bonds to provide certain financial information and operating data relating to the County at least once a year commencing (the "**Annual Report**"), and to provide notices of the occurrence of certain enumerated events, in certain cases if deemed material under federal laws. The Annual Report and notices of material events will be filed by the County with (a) the Municipal Securities Rulemaking Board (the "**MSRB**") through MSRB's Electronic Municipal Market Assess system at http://emma.msrb.org ("**EMMA**") in the electronic format then prescribed by the Securities and Exchange Commission (the "**SEC**") pursuant to SEC Rule15c2-12(b)(5) (the "**Rule**"), and with (b) any public or private repository or entity designated by the State as a State repository, if any, for the purposes of the Rule. This information will be made available free to securities brokers and the general public through EMMA. For the procedures for all filings and notices due to the MSRB, instructions will be provided on the following website for MSRB: http://emma.msrb.org. The specific nature of the information to be contained in the Annual Report or the notices of material events is summarized in APPENDIX D to this Official Statement. All filings of the County are available on the following website for MSRB: http://emma.msrb.org.

Attachment: Hancock County MS GO Bonds (2021) (218956) - POS (8202 : Approve Resolution for the Issuance of General Obligation Bonds.)

Notice is given that due to certain statutory requirements, the County's audited financial statement is subject to review by the State Auditor's Office before the County's audited financial statements may be released to the public. There have been times when the State Auditor's Office has not timely completed its review of the County's financials thereby delaying the County's ability to timely file its audited financial statements with EMMA. Under current State law, these delays are expected to continue.

The County entered into other prior undertakings (the "**Prior Undertakings**") with respect to bonds previously issued by, or on behalf of, the County. All of the bonds issued by or on behalf of the County which were subject to such Prior Undertakings have matured and been paid in full, with exception to the Green Bonds (as defined herein). However, during the past five (5) years, several series of those bonds were still outstanding and subject to the Prior Undertakings and the County failed to make the required filings in accordance with such Prior Undertakings. Specifically, the County failed (i) to timely file its audited financial statements and budgeted financial information for fiscal years 2013 through 2016 in calendar years 2014 through 2017, (ii) to timely file updated economic, demographic and financial information required by its Prior Undertakings for fiscal years 2013 through 2016 in calendar years 2014 through 2017, and (iii) to timely file notices of failure to file, all as required by the Rule.

The County adopted policies and procedures on May 6, 2019 (the "**Policy**") to assist in the timely filing of its annual financial information. Pursuant to the Policy, a staff designee of the County will appoint or engage a dissemination agent to assist in carrying out its obligations under the Policy and/or the staff designee will be responsible for submitting the information required under the Policy. The County has hired a dissemination agent to file the County's required annual report.

On May 22, 2019, the County entered into a Continuing Disclosure Certificate in connection with the issuance by the Mississippi Development Bank of its $13,000,000 Special Obligation Bonds (Hancock County GOMESA Project), Series 2019 (Green Bonds) (the "**Green Bonds**") requiring the County to (i) update certain information relating to the Green Bonds (Annual Report -Phase 1) no later than 180 days following the end of the fiscal year 2019 and (ii) provide its audited financial statements no later than 360 days following the end of the fiscal year 2019 and if audited financial statements are unavailable then the County shall provide unaudited financial statements. On March 29, 2020, the County filed a Notice of Failure to File the Green Bonds Annual Report -Phase 1 as the information was not available at the time of filing. On March 27, 2021, the County filed a Notice of Failure to File the Green Bonds Annual Report -Phase 1 as the information was not available at the time of filing. On March 27, 2021, the County filed its audited financial statements for fiscal year ending September 30, 2019. On March 27, 2021, the County filed a notice of Failure to File its audited financial statements for fiscal year ended September 30, 2020 as they were unavailable at the time of filing.

VALIDATION

Prior to issuance, the Series 2021 Bonds will be validated before the Chancery Court of Hancock County, Mississippi, as provided by Section 31-13-1 *et seq.*, Mississippi Code of 1972, as amended.

APPROVAL OF LEGAL PROCEEDINGS

Certain legal matters incident to the authorization and issuance of the Series 2021 Bonds are subject to the approval of Butler Snow LLP, Ridgeland, Mississippi ("**Bond Counsel**"), whose approving legal opinion will be available at the time of delivery of the Series 2021 Bonds (see APPENDIX C hereto). Certain legal matters will be passed upon for the County by its counsel, Yarborough Law Firm, PLLC, Bay St. Louis, Mississippi (the "**County Counsel**").

No representation is made to the registered owners of the Series 2021 Bonds that Bond Counsel or County Counsel has verified the accuracy, completeness or fairness of the statements in this Official Statement and Bond Counsel or County Counsel assumes no responsibility to the registered owners of the Series 2021 Bonds except for the matters set forth in such legal opinions.

TAX MATTERS

The Internal Revenue Code of 1986, as amended (the "**Code**"), and the applicable regulations promulgated thereunder (the "**Regulations**"), include requirements which the County must continue to meet after the issuance of

the Series 2021 Bonds in order that interest on the Series 2021 Bonds not be included in gross income for federal income tax purposes. The County's failure to meet these requirements may cause interest on the Series 2021 Bonds to be included in gross income for federal income tax purposes retroactive to their date of issuance. The County has covenanted in the Resolution to comply with the requirements of the Code in order to maintain the exclusion of interest on the Series 2021 Bonds from gross income for federal income tax purposes.

In the opinion of Bond Counsel, assuming compliance by the County with the tax covenants referred to above, under existing statutes, regulations, rulings and court decisions, interest on the Series 2021 Bonds is excludable from gross income of the owners thereof for federal income tax purposes and interest on the Series 2021 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax.

The opinion of Bond Counsel described in the preceding paragraph is subject to the condition that the County comply with all requirements of the Code and the Regulations, including, without limitation, certain limitations on the use, expenditure and investment of the proceeds of the Series 2021 Bonds and the obligation to rebate certain earnings on investments of proceeds to the United States Government, that must be satisfied subsequent to the issuance of the Series 2021 Bonds in order that interest thereon be, or continue to be, excludable from gross income for federal income tax purposes. The County has covenanted to comply with each such requirement. Failure to comply with certain of such requirements may cause the interest on the Series 2021 Bonds to be includable in gross income for federal income tax purposes retroactive to the date of issuance of the Series 2021 Bonds. Bond Counsel will express no opinion regarding other federal tax consequences arising with respect to the Series 2021 Bonds, and taxpayers should consult their tax advisors regarding such other federal tax consequences.

Bond Counsel is further of the opinion that under and pursuant to the Act, the Series 2021 Bonds and interest thereon are exempt from all income taxes imposed by the State of Mississippi and any county, municipality and other political subdivision of the State of Mississippi.

Financial Institutions

Section 265(b)(1) of the Code provides that financial institutions may not deduct the portion of their otherwise allowable interest expense allocable to tax exempt obligations acquired after August 7, 1986 (other than "qualified tax-exempt obligations" as defined in Section 265(b)(3) of the Code). The County has designated the Series 2021 Bonds as "qualified tax-exempt obligations" pursuant to Section 265(b)(3)(B) of the Code.

Original Issue Premium

The initial public offering prices of the Series 2021 Bonds maturing on August 1 of the years _____ are more than the amounts payable at the maturity dates thereof as set forth on the inside cover page of this Official Statement. Such Series 2021 Bonds are hereinafter referred to as the "**2021 Premium Bonds**." Under the Code, the difference between the principal amount of a 2021 Premium Bond and the cost basis of such 2021 Premium Bond to its owner (other than an owner who holds such a 2021 Premium Bond as inventory, stock in trade or for sale to customers in the ordinary course of business) is "bond premium." Bond premium is amortized over the term of such a 2021 Premium Bond for federal income tax purposes. The owner of a 2021 Premium Bond is required to decrease his basis in such 2021 Premium Bond by the amount of amortizable bond premium attributable to each taxable year he holds the 2021 Premium Bond. The amount of the amortizable bond premium attributable to each taxable year is determined on an actuarial basis at a constant interest rate compounded on each interest payment date. The amortizable bond premium attributable to a taxable year is not deductible for federal income tax purposes.

Owners of 2021 Premium Bonds should consult their tax advisors with respect to the precise determination for federal income tax purposes of the treatment of bond premium upon sale, redemption or other disposition of such 2021 Premium Bonds and with respect to the state and local tax consequences of owning and disposing of such 2021 Premium Bonds.

Original Issue Discount

The initial public offering price of the Series 2021 Bonds maturing on August 1, of the years _____ are less than the amounts payable at the maturity date thereof as set forth on the inside cover page of this Official Statement. Such Series 2021 Bonds are hereinafter collectively referred to as the "**2021 Discount Bonds**." An amount not less

Attachment: Hancock County MS GO Bonds (2021) (218956) - POS (8202 : Approve Resolution for the Issuance of General Obligation Bonds.)

than the difference between the initial public offering price of each 2021 Discount Bond and the amount payable at the maturity date thereof constitutes original issue discount which will be treated as interest on such 2021 Discount Bond, and to the extent properly allocable to an owner who acquires a 2021 Discount Bond at the initial offering thereof, will be excludable from gross income for federal income tax purposes, and a portion of the original issue discount that accrues in each year to an owner of a 2021 Bond that is a 2021 Discount Bond will not be an item of tax preference in computing the federal alternative minimum tax.

Owners of 2021 Discount Bonds should consult their tax advisors with respect to the determination for federal income tax purposes of the amount of original issue discount or interest properly accruable with respect to 2021 Discount Bonds and other tax consequences of owning and disposing of 2021 Discount Bonds, and with respect to the state and local tax consequences of owning and disposing of 2021 Discount Bonds.

Future Legislation

The federal government is considering various legislative proposals for reducing the federal budget deficit and the federal debt and promoting economic growth, and some of these proposals, if enacted, could affect the tax-exempt status and/or market price or marketability of state and local bonds, such as the Series 2021 Bonds. In addition, future legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the Series 2021 Bonds to be subject, directly or indirectly and retroactively, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent holders from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such future legislative proposals, clarification of the Code or court decisions may also affect the market price for, or marketability of, the Series 2021 Bonds. Prospective purchasers of the Series 2021 Bonds should consult their own tax advisors regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

In addition, prospective purchasers of the Series 2021 Bonds should consult their own tax advisors as to the applicability and effect on their federal income taxes of the federal alternative minimum tax, the environmental tax, the branch profits tax and the tax on passive investment income of corporations, as well as the applicability and effect of any other collateral federal income tax consequences.

APPENDIX A
ECONOMIC AND DEMOGRAPHIC INFORMATION
HANCOCK COUNTY, MISSISSIPPI

General Description

Hancock County, one of the oldest counties in the State of Mississippi (the "**State**"), was organized on December 14, 1812, and was named for John Hancock, president of the Continental Congress and the first signer of the Declaration of Independence. The County has a land area of 485 square miles, but originally covered an area that now includes Harrison, Pearl River and Stone counties.

The John C. Stennis Space Center (the "**Stennis Space Center**") in Bay St. Louis is one of ten NASA field centers in the United States. It is NASA's primary center for testing and flight certifying rocket propulsion systems for the space shuttle and future generations of space vehicles. Because of its important role in engine testing for more than three decades, Stennis Space Center has been designated NASA's Center of Excellence for rocket propulsion testing. Stennis Space Center is also NASA's lead center for rocket propulsion testing with total responsibility for conducting and/or managing all NASA propulsion test programs.

The tourism industry, gaming industry, natural gas production and numerous commercial fishing operations also contribute to the economy of the County.

Dockside Gaming

During 1992, the voters of Harrison County and Hancock County approved dockside gaming activities and the Gulf Coast's first casino opened in August 1992. Prior to Hurricane Katrina[1], twelve (12) casinos (eight (8) in Biloxi, three (3) in Gulfport and one (1) in Hancock County) were in operation employing approximately 14,632 people with an estimated annual payroll of $200 million. The County currently has two (2) casinos located in the County. Hollywood Casino, located in Bay St. Louis, Hancock County, Mississippi is a 600-acre casino and golf resort offering all amenities on-site. The property offers 24-hour gaming with 40,000 square feet of gaming space, over 900 slots, six poker tables, and 30 table games. Their 14-story hotel has 291 luxurious guest rooms, a swimming pool, lazy river, and jacuzzi with sundeck. There also is a 100-site RV park and over 10,000 square feet of convention and meeting space. The property also offers “The Bridges” Arnold Palmer design championship golf course. Silver Slipper Casino, located in Bay St. Louis, Hancock County, Mississippi, is the first land-based casino to be built from the ground up on the Mississippi Gulf Coast. The property offers 24-hour gaming on over 1,000 of the newest high-tech slot machines, 26 table games, poker room, and a beachfront RV park with full hookups.

Population

The population of the County has been recorded as follows:

1990	2000	2010	2019 Estimate
31,760	42,967	43,929	47,632

SOURCE: Census Data at website: www.census.gov; June 2021.

[1] On August 29, 2005, Hurricane Katrina ("**Katrina**") made landfall in the coastal region of the State of Mississippi.

Government

The governing body of the County is the Board of Supervisors, which consists of five members, each of whom is elected from a separate district or "beat" for concurrent four-year terms. The current members of the Board of Supervisors are as follows:

Name	Position	Beginning of Current Term	End of Current Term
Theresa Ryan	District 1 Supervisor	December 2020	December 2024
Greg Shaw	District 2 Supervisor/Vice President	December 2020	December 2024
Kodie Koenenn	District 3 Supervisor	December 2020	December 2024
Scotty Adam	District 4 Supervisor/President	December 2020	December 2024
Darrin “Bo” Ladner	District 5 Supervisor	December 2020	December 2024

Transportation

The County is served by Interstate 10, U.S. Highway 90 and State Highway 43. A number of other County highways provide access to many outlying areas in the County.

Other major forms of transportation are also available within the County. Commercial air transportation is available at Gulfport-Biloxi Regional Airport, approximately fifteen (15) miles from the County seat of Bay St. Louis. Five scheduled airlines provide departures including: American Airlines, Delta Airlines, United Airlines, Allegiant Air and Sun Country Airlines. Scheduled carriers provide non-stop jet service to Atlanta, Georgia, Dallas/FT.Worth/Houston, Texas, and other locations in the Untied States. Non-commercial air transportation is available within the County at Hancock County Airport. Various freight carriers serve the County, as does the Port of Gulfport, located in Harrison County, Mississippi, which is North America's second largest handler of tropical fruit, the largest poultry exporter to Russia, and offers containerized refrigeration.

[2] The total assessed valuation is approved in September preceding the fiscal year of the County and represents the value of real property, personal property and public utility property for the year indicated on which taxes are assessed for the following fiscal year's budget. For example, the taxes for the assessed valuation figures for 2020 will be collected starting in January 2021 for the 2020-21 fiscal year budget of the County.

[3] Personal Property includes personal property, automobile and mobile home assessments.

Assessed valuations are based upon the following assessment ratios:

(a) Real and personal property (excluding single-family owner-occupied residential real property and motor vehicles, respectively), fifteen percent (15%) of true value;

(b) Single-family owner-occupied residential real property, ten percent (10%) of true value;

(c) Motor vehicles and public utility property, thirty percent (30%) of true value.

The 1986 Session of the Mississippi Legislature adopted House Concurrent Resolution No. 41 (the "**Resolution**"), pursuant to which there was proposed an amendment to the Mississippi Constitution of 1890 (the "**Amendment**"). The Amendment provided, inter alia, that the assessment ratio of any one class of property shall not be more than three times the assessment ratio on any other class of property.

The Amendment set forth five classes of property and the assessment ratios which would be applicable thereto upon the adoption of the Amendment. The assessment ratios set forth in the Amendment are identical to those established by Section 27-35-4, Mississippi Code of 1972, as it existed prior to the Amendment, except that the assessment ratio for single-family, owner-occupied residential real property under the Amendment is set at ten percent (10%) of true value as opposed to fifteen percent (15%) of true value under previously existing law.

Real and personal property valuations other than motor vehicles and property owned by public utilities are determined by the County Tax Assessor. All taxable real property situated in the County is assessed each year and taxes thereon paid for the ensuing year. Assessment rolls of such property subject to taxation are prepared by the County Tax Assessor and are delivered to the Board of Supervisors of the County on the first Monday in July. Thereafter, the assessments are equalized by the Board of Supervisors and notice is given to the taxpayers that the Board of Supervisors will meet to hear objections to the assessments. After objections are heard, the Board of Supervisors adjusts the rolls and submits them to the State Tax Commission, which examines them on receipt. The State Tax Commission may then accept the rolls or, if it finds a roll incorrect in any particular, return the rolls to the Board of Supervisors to be corrected in accordance with the recommendations of the State Tax Commission. If the Board of Supervisors has any objections to the order of the State Tax Commission, it may arrange a hearing before the Commission. Otherwise, the assessment roll is finalized and submitted to the County Tax Collector for collection. The assessed value of motor vehicles is determined by an assessment schedule prepared each year by the State Tax Commission. With minor exceptions the property of public utilities is assessed each year by the State Tax Commission.

Procedure for Tax Collections

The Board of Supervisors is required to levy annually a special tax upon all taxable property within the County sufficient to provide for the payment of the principal of and the interest its general obligation indebtedness. If any taxpayer neglects or refuses to pay his taxes on the due date thereof, the unpaid taxes will bear interest at the rate of one percent (1%) per month or fractional part thereof from the delinquent date to the date of payment of such taxes. When enforcement officers take action to collect delinquent taxes, other fees, penalties and costs may accrue. Both real property and personal property are subject to public tax sale.

Ad valorem taxes on personal property are payable at the same time and in the same manner as on real property. Section 27-41-15, Mississippi Code of 1972, provides that upon failure of the taxpayer to make timely payment, the tax collector of each county is authorized to sell any personal property liable for unpaid taxes at the courthouse door of the county unless the property is too cumbersome to be removed. Five days' notice of the sale in an advertisement posted in three public places in the county, one of which must be the courthouse, is required. Municipal tax collectors are required to follow any special ordinance adopted by a municipality on personal property sales. Interest, fees, costs and expenses of sale are recoverable in addition to the taxes delinquent. If sufficient personal property cannot be found, the tax collector may make a list of debts due the taxpayer by other persons and sell such debts and is further directed to distrain and sell sufficient other properties of the taxpayer to pay the delinquent taxes. Debts sold may be redeemed within six months from the sale in the same manner as redemption of land from tax sales.

Section 27-41-55, Mississippi Code of 1972, as amended, provides that after the fifth day of August in each year, the tax collector for each county shall advertise and sell all land in the county on which all taxes due and in arrears have not been paid, as well as all land liable for other matured taxes. The sale is held at the door of the courthouse of the county or any place within the courthouse that the tax collector deems suitable to hold such sale, provided that the place of such sale shall be designated by the tax collector in the advertisement of the notice of tax sale on the last Monday of August following. The owner, or any person with an interest in the land sold for taxes, may redeem the land at any time within two years after the day of sale by paying all taxes, costs, interest and damages due to the Chancery Clerk. A valid tax sale will mature two years after the date of sale unless the land is redeemed and title will vest in the purchaser on such date.

At the option of the tax collector, advertisement for the sale of such county lands may be made after the fifteenth day of February in each year with the sale of such lands to be held on the first Monday of April following. All provisions which relate to the tax sale held in August of each year shall apply to the tax sale if held in April.

County and municipal taxes, assessed upon lands or personal property, are entitled to preference over all judgments, executions, encumbrances or liens however created.

[5] Does not include school taxes.

Reappraisal of Property and Limitation on Ad Valorem Levies

Senate Bill No. 2672, General Laws of Mississippi, Regular Session 1980, codified in part as Sections 27-35-49 and 27-35-50, Mississippi Code of 1972 (the "Reappraisal Act"), provides that all real and personal property in the State shall be appraised at true value and assessed in proportion to true value. To insure that property taxes do not increase dramatically as the counties complete reappraisals, the Reappraisal Act provides for the limit on increase in tax revenues discussed below.

The statute limits ad valorem tax levies by the County subsequent to October 1, 1980, to a rate which will result in an increase in total receipts of not greater than ten percent (10%) over the previous year's receipts, excluding revenue from ad valorem taxes on any newly constructed properties, any existing properties added to the tax rolls or any properties previously exempt which were not assessed in the next preceding year. This limitation does not apply to levies for the payment of the principal of and the interest on general obligation bonds issued by the County or to certain other specified levies. The limitation may be increased only if the proposed increase is approved by a majority of those voting in an election held on such question.

On August 20, 1980, the Mississippi Supreme Court rendered its decision in State Tax Commission v. Fondren, 387 So.2d 712, affirming the decree of the Chancery Court of the First Judicial District of Hinds County, Mississippi, wherein the State Tax Commission was enjoined from accepting and approving assessment rolls from any county in the State for the tax year 1983 unless the State Tax Commission equalized the assessment rolls of all of the counties. Due to the intervening passage of the Reappraisal Act, the Supreme Court reversed that part of the lower court's decree ordering the assessment of property at true value (although it must still be appraised at true value), holding instead that assessed value may be expressed as a percentage of true value. Pursuant to the Supreme Court modification of the Chancellor's decree, on November 15, 1980, the State Tax Commission filed a master plan to assist counties in determining true value. On February 7, 1983, the Chancery Court granted an extension until July 1, 1984, of its previous deadline past which the State Tax Commission could not accept and approve tax rolls from counties which had not yet reappraised. The County has completed reappraisal.

Homestead Exemption

The Mississippi Homestead Exemption Law of 1946 reduces the local tax burden on homes qualifying by law and substitutes revenues from other sources of taxation on the State level as a reimbursement to the local taxing units for such tax loss. Provisions of the homestead exemption law determine qualification, define ownership and limit the amount of property that may come within the exemption. The exemption is not applicable to taxes levied for the payment of the Bonds, except as hereinafter noted.

Those homeowners who qualify for the homestead exemption and who have reached the age of sixty-five (65) years on or before January 1 of the year for which the exemption is claimed, service-connected, totally disabled American veterans who were honorably discharged from military service and those qualified as disabled under the federal Social Security Act are exempt from any and all ad valorem taxes on qualifying homesteads not in excess of $7,500 of assessed value thereof.

The tax loss resulting to local taxing units from properly qualified homestead exemptions is reimbursed by the State Tax Commission. Beginning with the 1984 supplemental ad valorem tax roll and for each roll thereafter, no taxing unit shall be reimbursed an amount in excess of one hundred six percent (106%) of the total net reimbursement made to such taxing unit in the next proceeding year.

Statutory Debt Limits

The County is subject to a statutory debt limitation under Sections 59-9-1 *et seq.*, Mississippi Code of 1972, as amended (the "Port Authority Act"), under which the County may not incur general obligation bonded indebtedness under the Port Authority Act in an amount which will exceed twenty percent (20%) of the assessed value of all taxable property within the County according to the last completed assessment for taxation.

The County is also subject to a general statutory debt limitation under which no county in the State may incur general obligation bonded indebtedness in an amount which will exceed fifteen percent (15%) of the assessed value of all taxable property within such county according to the last completed assessment for taxation.

In computing general obligation bonded indebtedness for purposes of this fifteen percent (15%) limitation, there may be deducted all bonds or other evidences of indebtedness issued for the construction of hospitals, ports or other capital improvements payable primarily from the net revenues to be generated from such hospital, port or other capital improvements in cases where such revenue is pledged to the retirement of the indebtedness, together with the full faith and credit of such county.

However, in no case shall any county contract any indebtedness payable in whole or in part from proceeds of ad valorem taxes when added to all of the outstanding general obligation indebtedness, both bonded and floating, which shall exceed twenty percent (20%) of the assessed value of all taxable property within such county, but bonds issued for school purposes and bonds issued under Sections 57-1-1 through 57-1-51 are specifically excluded from both the fifteen percent (15%) limitation and the twenty percent (20%) limitation (but are subject to statutory limits applicable to bonds of each type, respectively). Bonds issued for washed-out or collapsed bridges apply only against the twenty percent (20%) limitation under the general obligation bond statute. Industrial development revenue bonds are excluded from all limitations on indebtedness, as are contract obligations subject to annual appropriations.

[FORM OF BOND COUNSEL OPINION]

__, 2021

Board of Supervisors
Hancock County, Mississippi

RE: $7,000,000 Hancock County, Mississippi General Obligation Bonds, Series 2021, dated _____, 2021

Ladies and Gentlemen:

We have acted as Bond Counsel ("**Bond Counsel**") for Hancock County, Mississippi (the "**County**"), in connection with the issuance of the Hancock County, Mississippi General Obligation Bonds, Series 2021, dated ___, 2021, in the total authorized aggregate principal amount of $7,000,000 (the "**Bonds**").

The Bonds bear interest, mature and may be transferred and exchanged as set out in the Bonds and in the resolution adopted by the Board of Supervisors of the County on June 7, 2021, authorizing their issuance (the "**Bond Resolution**"). The Bonds are subject to redemption prior to maturity to the extent provided in the Bond Resolution. Capitalized terms contained and not defined herein shall have the same meaning as set forth in the Bond Resolution.

We have acted as Bond Counsel for the sole purpose of rendering an opinion with respect to the legality and validity of the Bonds under the laws of the State of Mississippi (the "**State**"), and with respect to the excludability of interest on the Bonds from federal and State income taxation. Regarding questions of fact material to our opinions, we have not investigated or verified original proceedings, records, data or other material, but have relied solely upon the certified transcript of proceedings described in the following paragraph and on the authenticity, truthfulness and completeness set forth in such documents, instruments and certificates. We have not assumed any responsibility with respect to the financial condition or capabilities of the County or the disclosure thereof in connection with the sale of the Bonds.

In our capacity as Bond Counsel, we have participated in the preparation of and have examined a certified transcript of proceedings pertaining to the Bonds which contains copies of certain proceedings of the County, customary certificates of officers, agents and representatives of the County and other public officials and other matters relating to the authorization and issuance of the Bonds including a certification of the County prepared pursuant to Section 1.148-2(b)(2)(i) of the United States Treasury Regulations (the "**Non-Arbitrage Certificate**"). We have also examined the form of Bond No. 1 of this issue.

Based upon the foregoing examinations, and subject to the qualifications, assumptions and statements of reliance herein, it is our opinion as Bond Counsel, on the date hereof, that:

1. The transcript of proceedings evidences complete legal authority for the issuance of the Bonds in full compliance with the laws of the State presently in effect, and that the Bonds constitute valid and legally binding obligations of the County, payable from and secured by an irrevocable pledge of the avails of a direct and continuing tax to be levied annually without limitation as to time, rate or amount upon all the taxable property within the geographical limits of the County, in accordance with the provisions of the Bond Resolution. The County's tax levy for any year shall be abated pro tanto to the extent the County on or prior to September 1 of that year has transferred monies to the 2021 Bond Fund for the Bonds, or has made other provisions for funds to be applied toward the payment of the principal of and interest on the Bonds due during the ensuing fiscal year of the County, in accordance with the provisions of the Bond Resolution.

2. Under existing law, regulations and court decisions, as presently interpreted and construed, interest on the Bonds is exempt from all present income taxes imposed by the State.

3. Under existing law, regulations and court decisions, as presently interpreted and construed, interest on the Bonds is excludable from gross income of the owners thereof for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "**Code**"), and interest on the Bonds is not treated as a specific item of tax preference under Section 57 of the Code in calculating the alternative minimum tax imposed by Section 55 of the Code.

The Board of Supervisors of the County, acting for and on behalf of the County, has covenanted in the Bond Resolution and the Non-Arbitrage Certificate that the County will not make any use of the gross proceeds of the Bonds or amount that may be treated as proceeds of the Bonds or do or take or omit to take any other action that would cause: (i) the Bonds to be "arbitrage bonds" as such term is defined in Section 148(a) of the Code and the Regulations promulgated thereunder; (ii) the interest on the Bonds to be includable in the gross income of the registered owners for federal income taxation purposes; or (iii) the interest on the Bonds to be treated as an item of tax preference under Section 57(a)(5) of the Code. Failure of the County to comply with such covenants could result in the interest on the Bonds being subject to federal income tax from the date of issue.

In rendering the foregoing opinion, Bond Counsel has assumed the continuing compliance by the County with the tax covenants and representations in the Bond Resolution and the representations in the Non-Arbitrage Certificate. These requirements relate to, *inter alia,* the use and investment of the gross proceeds of the Bonds, the use of any facility, equipment or improvement financed or refinanced directly or indirectly with the proceeds of the Bonds, and rebate to the United States Treasury of specified arbitrage earnings, if any. Bond Counsel has not undertaken to determine (or to inform any person) whether any actions taken (or not taken) or events occurring (or not occurring) after the date of issuance of the Bonds have resulted in a failure of the County to comply with its covenants. Failure of the County to comply with such covenants could result in the interest on the Bonds becoming subject to federal income tax from the date of issue.

Section 265(b)(1) of the Code provides that certain financial institutions may not deduct the portion of their otherwise allowable interest expense allocable to tax exempt obligations acquired after August 7, 1986 other than "qualified tax-exempt obligations" as defined in Section 265(b)(3)(B) of the Code. In the Bond Resolution, the County has designated the Bonds as "qualified tax-exempt obligations" pursuant to Section 265(b)(3)(B) of the Code.

Owners of the Bonds should consult their own tax advisors as to the applicability and effect on their federal income taxes and the effect of any other collateral federal income tax consequences.

It is understood that the rights of the owners of the Bonds and the enforceability of the Bonds and the Bond Resolution may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar law affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable, and that the enforcement thereof may be subject to the exercise of judicial discretion in appropriate cases.

In this opinion letter issued in our capacity as Bond Counsel, we are opining only upon those matters set forth herein, and we are not passing upon the accuracy, adequacy or completeness of the Official Statement or any other statements made in connection with any offer or sale of the Bonds or upon any federal or state tax consequences arising from the receipt or accrual of interest on or the ownership or disposition of the Bonds, except those specifically addressed herein.

In rendering the foregoing opinions, we have assumed the accuracy and truthfulness of all public records and of all certificates, resolutions, documents and other proceedings examined by us that have been executed or certified by public officials acting within the scope of their official capacities and have not verified the accuracy or truthfulness thereof. We also have assumed the genuineness of the signatures appearing upon such public records, certifications, resolutions, documents and proceedings. In rendering this opinion we have relied upon the opinion of Yarborough Law Firm, PLLC, Bay St. Louis, Mississippi, acting as counsel for the County, dated the date hereof, as to the due authorization and execution by and enforceability against the County as to the Bonds and the Bond Resolution. This opinion letter is issued as of the date hereof and we assume no obligation to revise or supplement

CONTINUING DISCLOSURE CERTIFICATE

This Continuing Disclosure Certificate (this "**Disclosure Certificate**") is executed and delivered by the Board of Supervisors (the "**Governing Body**") of Hancock County, Mississippi (the "**Issuer**"), acting for and on behalf of the Issuer, in connection with the execution and delivery of $7,000,000 Hancock County, Mississippi General Obligation Bonds, Series 2021 (the "**Bonds**"). The Bonds are being executed and delivered pursuant to a resolution adopted by the Governing Body June 7, 2021 (the "**Resolution**"). The Issuer covenants and agrees as follows:

SECTION 1. **Purpose of this Disclosure Certificate**. This Disclosure Certificate is being executed and delivered by the Issuer for the benefit of the holders and beneficial owners of the Bonds and in order to assist the Participating Underwriter in complying with Rule 15c2-12(b)(5) of the Securities and Exchange Commission (the "**SEC**").

SECTION 2. **Definitions**. In addition to the definitions set forth in the Bond Resolution or parenthetically defined herein, which apply to any capitalized terms used in this Disclosure Certificate unless otherwise defined in this Section, the following capitalized terms shall have the following meanings:

"**Annual Report**" shall mean any Annual Report provided by the Issuer pursuant to, and as described in, Sections 3 and 4 of this Disclosure Certificate.

"**Dissemination Agent**" shall mean any Dissemination Agent designated in writing by the Issuer and which has filed with the Issuer a written acceptance of such designation.

"EMMA" shall mean the Electronic Municipal Market Access System found at http://emma.msrb.org, which is the electronic format prescribed by the MSRB pursuant to the Rule.

"**Fiscal Year**" shall mean the period beginning on October 1 of and ending on September 30, or such other 12-month period as may be adopted by the Issuer in accordance with law.

"**Listed Events**" shall mean any of the events listed in Section 5 of this Disclosure Certificate.

"**MSRB**" shall mean the Municipal Securities Rulemaking Board. As of the date hereof, the MSRB's required method of filing is electronically via its Electronic Municipal Market Access (EMMA) system, which is currently available at http://emma.msrb.org.

"**Official Statement**" means the final Official Statement prepared in connection with the Bonds.

"**Participating Underwriter**" shall mean the original purchaser of the Bonds required to comply with the Rule in connection with an offering of the Bonds.

"**Rule**" shall mean Rule 15c2-12(b)(5) adopted by the SEC under the Securities Exchange Act of 1934, as in effect on the date of this Disclosure Certificate.

SECTION 3. **Provision of Annual Reports**.

(a) The Issuer shall, or shall cause the Dissemination Agent to, not later than twelve (12) months following the end of the Issuer's fiscal year of each year, commencing twelve (12) months following the end of the Issuer's fiscal year ending September 30, 2021, provide to the MSRB (in an electronic format as prescribed by the MSRB, an Annual Report which is consistent with the requirements of Section 4 of this Disclosure Certificate. Not later than five (5) business days prior to said date, the Issuer shall provide the Annual Report to the Dissemination Agent (if other than the Issuer). The Annual Report may be submitted as a single document or as separate documents comprising a package, and may cross-reference other information as provided in Section 4 of this Disclosure Certificate; provided that the audited financial statements of the Issuer may be submitted separately from the balance of the Annual Report. The information to be updated may be reported in any format chosen by the Issuer; it is not required that the format reflected in the Official Statement be used in future years.

(b) If the Issuer is unable to provide to the MSRB an Annual Report by the date required in subsection (a), the Issuer shall file, in a timely manner, or cause to be filed with the MSRB a notice in substantially the form attached to this Disclosure Certificate as Exhibit "A," or in another form as determined by the Issuer.

Attachment: Hancock County MS GO Bonds (2021) (218956) - POS (8202 : Approve Resolution for the Issuance of General Obligation Bonds.)

SECTION 4. **Content of Annual Reports**. The Issuer's Annual Report shall contain or incorporate by reference the following:

(a) Audited financial statements, if any, prepared in accordance with generally accepted accounting principles, for such Fiscal Year if audited financial statements are then available, and, if unavailable, reasonably available and accessible unaudited financial information describing the Issuer's financial situation for the prior Fiscal Year; or adopted budgets and such audited financial statements if and when they become available.

(b) An update of the type of information identified in Exhibit "B" hereto, which is contained in the tables in the Official Statement with respect to the Bonds.

Any or all of the items listed above may be incorporated by reference from other documents (including official statements), which are available to the public on the MSRB's Internet Web Site or filed with the SEC. The Issuer shall clearly identify each such document incorporated by reference.

SECTION 5. **Reporting of Listed Events**. The Issuer shall file or cause to be filed with the MSRB, in a timely manner not in excess of ten (10) business days after the occurrence of the event, notice of any of the events listed below with respect to the Bonds. All of the events currently mandated by the Rule are listed below; however, some may not apply to the Bonds.

(1) Principal and interest payment delinquencies;

(2) Non-payment related defaults, *if material*;

(3) Unscheduled draws on debt service reserves reflecting financial difficulties;

(4) Unscheduled draws on credit enhancements reflecting financial difficulties;

(5) Substitution of credit or liquidity providers or their failure to perform;

(6) Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds;

(7) Modifications to rights of bondholders, *if material*;

(8) Bond calls, *if material*, and tender offers;

(9) Defeasances;

(10) Release, substitution or sale of property securing repayment of the Bonds, *if material;*

(11) Rating changes;

(12) Bankruptcy, insolvency, receivership or similar event of the obligated person;[8]

(13) The consummation of a merger, consolidation, or acquisition involving an obligated person or the sale of all or substantially all of the assets of the obligated person, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, *if material*;

---

[8] For the purposes of the event identified in subparagraph (b)(5)(i)(C)(12) of the Rule, the event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for an obligated person in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the obligated person, or if such jurisdiction has been assumed by leaving the existing governing body and official or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the obligated person.

Attachment: Hancock County MS GO Bonds (2021) (218956) - POS (8202 : Approve Resolution for the Issuance of General Obligation Bonds.)

(14) Appointment of a successor or additional trustee or the change of name of a trustee, *if material*;

(15) Incurrence of a financial obligation of the obligated person, *if material*, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation of the Issuer, any of which affect security holders, *if material*; and

(16) Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the obligated person, any of which reflect financial difficulties.

SECTION 6. **Format; Identifying Information**. All documents provided to the MSRB pursuant to this Disclosure Certificate shall be in the format prescribed by the MSRB and accompanied by identifying information as prescribed by the MSRB.

As of the date of this Disclosure Certificate, all documents submitted to the MSRB must be in portable document format (PDF) files configured to permit documents to be saved, viewed, printed and retransmitted by electronic means. In addition, such PDF files must be word-searchable, provided that diagrams, images and other non-textual elements are not required to be word-searchable.

SECTION 7. **Termination of Reporting Obligation**. The Issuer's obligations under this Disclosure Certificate shall terminate upon the earliest of: (i) the date of legal defeasance, prior redemption or payment in full of all of the Bonds; (ii) the date that the Issuer shall no longer constitute an "obligated person" within the meaning of the Rule; or (iii) the date on which those portions of the Rule which require this written undertaking are held to be invalid by a court of competent jurisdiction in a non-appealable action, have been repealed retroactively or otherwise do not apply to the Bonds.

SECTION 8. **Dissemination Agent.**

(a) The Issuer may, from time to time, appoint or engage a Dissemination Agent to assist the Issuer in carrying out its obligations under this Disclosure Certificate, and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent. If the Issuer elects not to appoint a successor Dissemination Agent, it shall perform the duties thereof under this Disclosure Certificate. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Certificate and any other agreement between the Issuer and the Dissemination Agent.

(b) In addition to the filing duties on behalf of the Issuer described in this Disclosure Certificate, the Dissemination Agent shall:

(1) each year, prior to the date for providing the Annual Report, determine the appropriate electronic format prescribed by the MSRB;

(2) send written notice to the Issuer at least 30 days prior to the date the Annual Report is due stating that the Annual Report is due as provided in Section 3(a) hereof; and

(3) if the Dissemination Agent is other than the Issuer, certify in writing to the Issuer that the Annual Report has been provided pursuant to this Disclosure Certificate and the date it was provided.

(4) If the Annual Report (or any portion thereof) is not provided to the MSRB by the date required in Section (3)(a), the Dissemination Agent shall file with the MSRB a notice in substantially the form attached to this Disclosure Certificate as Exhibit A or in another form determined by the Issuer.

SECTION 9. **Amendment; Waiver**. Notwithstanding any other provision of this Disclosure Certificate, the Issuer may amend this Disclosure Certificate and may waive any provision of this Disclosure Certificate, without the consent of the holders and beneficial owners of the Bonds, if such amendment or waiver does not, in and of itself, cause the undertakings herein (or action of any Participating Underwriter in reliance on the undertakings herein) to violate the Rule, but taking into account any subsequent change in or official interpretation of the Rule. The Issuer will provide notice of such amendment or waiver to the MSRB.

SECTION 10. **Additional Information**. Nothing in this Disclosure Certificate shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Certificate. If the Issuer chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the Issuer shall have no obligation under this Disclosure Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

SECTION 11. **Default**. In the event of a failure of the Issuer to comply with any provision of this Disclosure Certificate, any holder or beneficial owner of the Bonds may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Issuer to comply with its obligations under this Disclosure Certificate. A default under this Disclosure Certificate shall not be deemed an event of default under the Bond Resolution, and the sole remedy under this Disclosure Certificate in the event of any failure of the Issuer to comply with this Disclosure Certificate shall be an action to compel performance.

SECTION 12. **Beneficiaries.** This Disclosure Certificate shall inure solely to the benefit of the Issuer, the Dissemination Agent, the Participating Underwriter and the holders and beneficial owners from time to time of the Bonds, and shall create no rights in any other person or entity.

NOTICE OF BOND SALE

$7,000,000
HANCOCK COUNTY, MISSISSIPPI
GENERAL OBLIGATION BONDS, SERIES 2021

NOTICE IS HEREBY GIVEN that the Board of Supervisors (the "Governing Body") of Hancock County, Mississippi (the "County") will receive sealed bids in the Office of the Chancery Clerk, located at 854 Highway 90, Bay St. Louis, Mississippi, until the hour of 11:30 a.m. on Monday, July 19, 2021, and will be presented to the Governing Body at such time for the purchase at not less than par plus accrued interest to the date of delivery of $7,000,000 aggregate principal amount Hancock County, Mississippi General Obligation Bonds, Series 2021 (the "Bonds").

The Bonds will be dated and bear interest from their date of delivery, will be delivered in definitive form as fully registered Bonds, will be in the denominations of $5,000 or any integral multiple thereof, will be payable as to principal at a bank or banks to be named by the County (the "Paying and Transfer Agent") and will bear interest, payable semiannually on February 1 and August 1 of each year, commencing on August 1, 2022, at the rate or rates of interest specified in the bid submitted by the successful bidder in accordance with this Notice of Bond Sale.

The Bonds will be issued in registered, book-entry-only form and all bidders for the Bonds must be participants of The Depository Trust Company, New York, New York ("DTC"), or affiliated with its participants. The Bond certificates will be deposited with DTC. DTC will be responsible for maintaining a book-entry system for recording the interests of its participants and for the transfer of the interests among its participants. The participants will be responsible for maintaining records regarding the beneficial ownership interests in the Bonds on behalf of the individual purchasers. Individual purchases may be made in the principal amount of $5,000 or any multiple thereof through book entries made on the books and records of DTC and its participants. Unless the book-entry-only system is discontinued, Bond principal and interest payments will be made by the County to DTC through the Paying and Transfer Agent. DTC will then be responsible for distributing such payments to DTC participants for subsequent remittance to the owners of beneficial interests in the Bonds. Payment of principal and interest on the Bonds to DTC is the responsibility of the County, disbursement of such payments to DTC participants shall be the responsibility of DTC, and disbursements of such payments to the owners of beneficial interests shall be the responsibility of DTC participants and not the responsibility of the County. The County will have no responsibility or obligation to DTC participants or owners of beneficial interests in the Bonds, with respect to the payment by DTC or any DTC participants, of the principal of or interest on the Bonds or the providing of notice to DTC participants or owners of beneficial interests in the Bonds or with respect to: (a) the accuracy of any records maintained by DTC or any DTC participant; or (b) any consent given or other action taken by DTC as owner of the Bonds.

The Bonds will mature on August 1 in the years and in the principal amounts shown below:

YEAR	AMOUNT	YEAR	AMOUNT
2022	$360,000	2028	$740,000
2023	370,000	2029	760,000
2024	375,000	2030	775,000
2025	385,000	2031	795,000
2026	395,000	2032	810,000
2027	405,000	2033	830,000

Bonds maturing on August 1, 2028 and thereafter, are subject to redemption prior to their stated dates of maturity, at par, plus accrued interest to the date of redemption, either in whole or part, at any time on or after August 1, 2027.

The Bonds will be issued pursuant to the provisions of Sections 19-9-1 et seq., Mississippi Code of 1972, as amended from time to time (the "Act") and resolutions adopted or to be adopted by the Governing Body. The Bonds are being issued to raise money for the purpose of providing funds for (a) constructing, reconstructing, and repairing roads, highways and bridges, and acquiring the necessary land, including land for road building materials,

and acquiring rights-of-way therefor and the purchase of heavy construction equipment and accessories thereto reasonably required to construct, repair and renovate roads, highways and bridges and approaches thereto within the County, (b) purchasing machinery and equipment which have an expected useful life in excess of ten (10) years, (c) purchasing or erecting, equipping, repairing, reconstructing, remodeling and enlarging County buildings, courthouses and related facilities and the purchase of land therefor, and (d) for other authorized purposes under the Act, including paying the costs of borrowing (together (a) through (d) are referred to herein as the "Project").

The Bonds shall be general obligations of the County and the full faith, credit and taxing power of the County shall be pledged to secure the payment of the principal of and interest on the Bonds. The County's tax levy for any year shall be abated pro tanto to the extent the County on or prior to September 1 of that year has transferred monies to the 2021 Bond Fund for the Bonds, or has made other provisions for funds to be applied toward the payment of the principal of and interest on the Bonds due during the ensuing fiscal year of the County, in accordance with the provisions of the Bond Resolution.

The Bonds are to be sold at not less than $7,000,000 aggregate par plus interest on the Bonds accrued to the date of delivery, and are to be awarded to the bidder complying with the terms hereof and offering to purchase all of the Bonds at the lowest net interest cost to the County. The net interest cost will be determined by computing the aggregate interest on the Bonds over the life of the issue at the rate or rates of interest specified by the bidder, less premium offered, if any. It is requested that each bid be accompanied by a statement of the net interest cost (computed to six decimal places), but such statement will not be considered a part of the bid. No Bond shall bear more than one (1) rate of interest; each Bond shall bear interest from its date to its stated maturity date at the interest rate specified in the bid; all Bonds of the same maturity shall bear the same rate of interest from their date to maturity; the lowest rate of interest specified for any of the Bonds shall not be less than seventy percent (70%) of the highest rate of interest specified for any of the Bonds; and the highest rate of interest specified for any of the Bonds shall not exceed eleven percent (11%) per annum. Each interest rate specified in any bid must be a multiple of one-eighth of one percent (1/8 of 1%) or a multiple of one-tenth of one percent (1/10 of 1%) and a zero rate of interest cannot be named.

The County will designate the Bonds as qualified tax-exempt obligations within the meaning and for the purposes of Section 265(b)(3) of the Code.

Bidders must acknowledge in their respective bids that they have received and reviewed the County's preliminary official statement in connection with the issuance of the Bonds (the "Preliminary Official Statement"). The County deems the Preliminary Official Statement to be "final" as described in SEC Rule 15c2-12(b)(1) for the purposes of such Rule. Upon award of the Bonds to the successful bidder, the County will prepare a final official statement in connection with the Bonds (the "Official Statement") in substantially the form of the Preliminary Official Statement, subject to minor amendments and supplementations. A reasonably sufficient number of Official Statements will be made available to the successful bidder at the expense of the County within seven (7) business days of the award of the Bonds to such bidder. Copies of the Preliminary Official Statement may be obtained from Eddie Favre, County Administrator, 854 Highway 90, Bay St. Louis, Mississippi, telephone: (228) 466-4736 and the County's municipal advisor (the "Municipal Advisor"), Government Consultants, Inc., 116 Village Boulevard, Madison, Mississippi 39110, telephone: (601) 982-0005, attention: Mr. Steve Pittman.

In order to assist bidders in complying with SEC Rule 15c2-12(b)(5), the County, pursuant to a resolution of the Governing Body and a Continuing Disclosure Certificate, will agree to provide annual reports and notices of certain events. A summary of the County's procedures with regard to continuing disclosure is set forth in the Preliminary Official Statement and will also be set forth in the Official Statement.

All bids must be enclosed in a sealed envelope, should be addressed to the Governing Body, should be filed with the Governing Body of the County in the Office of the Chancery Clerk, located at 854 Highway 90, Bay St. Louis, Mississippi, attention: Tim Kellar, Chancery Clerk, and worded on the outside, in substance, "Bid for Hancock County, Mississippi General Obligation Bonds, Series 2021". **ALL BIDS MUST BE UNCONDITIONAL AND, AS A CONDITION PRECEDENT TO THE CONSIDERATION OF ITS BID, EACH BIDDER MUST ENCLOSE WITH IT, AS A GOOD FAITH DEPOSIT, A CERTIFIED OR CASHIER'S CHECK ISSUED OR CERTIFIED BY A BANK LOCATED WITHIN THE STATE OF MISSISSIPPI PAYABLE TO THE ORDER OF HANCOCK COUNTY, MISSISSIPPI FOR $140,000.00.** No interest will be allowed on any good faith deposit. Bids will be accepted or rejected by the Governing Body on the

date above shown for the sale of the Bonds. When a bid is rejected by the Governing Body, the good faith deposit accompanying said bid will be returned to the bidder. When a bid is accepted by the Governing Body, the good faith deposit accompanying said bid will be applied as part payment for the Bonds or, if the successful bidder fails to comply with this agreement to purchase the Bonds, will be retained as liquidated damages. Pending the application of the good faith deposit of the successful bidder as aforesaid, such deposit may be invested in direct obligations of, or obligations guaranteed by the United States of America or in repurchase agreements with banks fully secured by such obligations, and the County shall be entitled to any income from any such investment.

The Governing Body reserves the right to reject any or all bids as well as the right to waive any irregularity or informality in any bid. All bids shall be submitted on the Official Bid Form which may be obtained from Eddie Favre, County Administrator, 854 Highway 90, Bay St. Louis, Mississippi, telephone: (228) 466-4736 and the County's Municipal Advisor, Government Consultants, Inc., 116 Village Boulevard, Madison, Mississippi 39110, telephone: (601) 982-0005, attention: Mr. Steve Pittman.

In the opinion of Butler Snow LLP ("Bond Counsel"), assuming compliance by the County with certain tax covenants, under existing statutes, regulations, rulings and court decisions, interest on the Bonds is excludable from gross income for federal income tax purposes, and interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax. Bond Counsel will express no other opinion regarding other federal tax consequences resulting from the ownership, receipt or accrual of interest on or disposition of the Bonds. In addition, Bond Counsel is further of the opinion that under and pursuant to the Act, the Bonds and interest thereon are exempt from income taxation in the State of Mississippi.

The final approving opinion of Bond Counsel, relating to the validity and tax exemption of the Bonds, dated the date of delivery of the Bonds, and a transcript of the proceedings relating to the Bonds will be delivered to the successful bidder without charge.

It is anticipated that CUSIP identification numbers will be secured and printed on the Bonds, but neither the failure to secure or print such numbers on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the successful bidder to accept delivery of and pay for the Bonds in accordance with its agreement to purchase the Bonds. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid for by the County; provided, however, that the CUSIP Global Services charge for the assignment of said numbers shall be paid for by the successful bidder.

The successful bidder will be given at least seven (7) business days advanced notice of the proposed date of delivery of the Bonds when that date has been tentatively determined. It is expected that the Bonds will be delivered in New York, New York and payment therefor shall be made in federal or other immediately available funds.

At or before 11:30 a.m. on Monday, July 19, 2021, the winning bidder for the Bonds must provide to the County Administrator and Municipal Advisor the initial offering prices to the public.

The winning bidder shall assist the County in establishing the issue price of the Bonds for federal income tax purposes and shall execute and deliver to the County at Closing an “issue price” or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Bonds, together with the supporting pricing wires or equivalent communications, substantially in the form as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the County and Bond Counsel. All actions to be taken by the County under this Notice of Public Sale to establish the issue price of the Bonds may be taken on behalf of the County by the County’s Municipal Advisor and any notice or report to be provided to the County may be provided to the County’s Municipal Advisor.

The County intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the “competitive sale requirements”) because:

(1) the County will disseminate this Notice of Public Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;

(2) all bidders will have an equal opportunity to bid;

(3) the County may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and

(4) the County anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Public Sale.

Any bid submitted pursuant to this Notice of Public Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid and in this Notice of Public Sale and shall not be subject to any conditions or qualifications except as permitted by this Notice of Public Sale. By submitting a bid, each bidder confirms that it has an established industry reputation for underwriting new issuances of municipal obligations.

In the event that the competitive sale requirements are not satisfied, the County shall so advise the winning bidder. The County shall treat the first price at which 10% of a maturity of the Bonds (the "10% test") is sold to the public as the issue price of that maturity, applied on a maturity-by-maturity basis (and if different interest rates apply within a maturity, to each separate CUSIP number within that maturity). The winning bidder shall advise the County if any maturity of the Bonds satisfies the 10% test as of the date and time of the award of the Bonds. The County will not require bidders to comply with the "hold-the-offering-price rule" and therefore does not intend to use the initial offering price to the public as of the sale date of any maturity of the Bonds as the issue price of that maturity. Bids will not be subject to cancellation in the event that the competitive sale requirements are not satisfied. Bidders should prepare their bids on the assumption that all of the maturities of the Bonds will be subject to the 10% test in order to establish the issue price of the Bonds.

If the competitive sale requirements are not satisfied, then until the 10% test has been satisfied as to each maturity of the Bonds, the winning bidder agrees to promptly report to the County the prices at which the unsold Bonds of that maturity have been sold to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% test has been satisfied as to the Bonds of that maturity or until all Bonds of that maturity have been sold.

By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the winning bidder that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public, if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the winning bidder or such underwriter that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public, if and for so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires.

Sales of any Bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Public Sale. Further, for purposes of this Notice of Public Sale:

(i) "public" means any person other than an underwriter or a related party,

(ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the County (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),

(iii) a purchaser of any of the Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total

value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) "sale date" means the date that the Bonds are awarded by the County to the winning bidder.

The successful bidder shall have the right, at its option, to cancel its agreement to purchase the Bonds if the Bonds to be delivered by the County in accordance with the preceding paragraph are not tendered for delivery within sixty (60) days from the date of sale thereof, and in such event the County shall return to said bidder its good faith deposit without interest. The County shall have the right, at its option, to cancel its agreement to sell the Bonds if within five (5) days after the tender of the Bonds for delivery the successful bidder shall not have accepted delivery of and paid for the Bonds, and in such event the County shall retain the successful bidder's good faith deposit as liquidated damages.

Southern Mississippi Planning & Development District

BUILDING A STRONGER MISSISSIPPI

Southern Mississippi Planning and Development District's (SMPDD) Workforce Innovation & Opportunity Act (WIOA) Youth Program is a program designed to assist youth to overcome barriers and develop skills necessary to achieve educational and employment goals. Through the 14 required elements of the WIOA Youth Program, the youth are given the tools necessary to begin successful careers. The SMPDD Youth Training Program trains the youth in work readiness and places the youth in paid work experiences or work-based learning opportunities with employers ranging from large companies to small companies.

Work Readiness Skills Training

Youth complete work readiness training prior to paid work experience that teaches:

- Work Ethics (Attitude, Attendance, Appearance, Ambition, Accountability, Acceptance, and Appreciation)
- Job search Skills (Resume and Cover letter writing, Interview skills, Job application completion, and Job search and Networking)
- Job Success Skills
- Workplace Communication Skills

Benefits to Youth

- Youth will gain work experience with local employers in a real world situation
- Youth will apply the skills learned in the classroom while at the worksite to further strengthen work readiness
- Youth will have the opportunity to explore potential career choices
- Youth will create an opportunity to secure future employment
- Youth will have the opportunity to gain a reference for future employment with other agencies

Benefits to Employers

- The opportunity to screen and interview youth prior to the start of the work experience
- Match with youth based on the youth's skills, interests, and needs of the worksite
- Open communication with the Job developer to provide feedback to enhance the success of the youth and the program
- Work experience salary is paid 100% with WIOA funds by SMPDD
- Opportunity to directly contribute to the community's future workforce
- Opportunity for current employee growth through the experience of supervising WIOA youth

For more information on how to become a work experience worksite, please contact:

RE: Appraisal Report
Knight - Permanent Acquisition (Strip Take)
31050 Crane Creek Road
Perkinston, Hancock County, Mississippi 39573
Permanent Acquisition (Strip Take) – 0.09 AC

Dear Mr. Yarborough:

In accordance with your request, we have performed an appraisal of the above referenced property. This appraisal report sets forth the pertinent data gathered, the techniques employed, and the reasoning leading to our value opinions. This letter of transmittal does not constitute an appraisal report and the rationale behind the value opinion(s) reported cannot be adequately understood without the accompanying appraisal report.

The subject property, as referenced above, is located along the southeast side of Crane Creek Road, along Knight Drive, just north of Highway 53 within Perkinston, Hancock County, Mississippi and is further identified as tax parcel numbers 012 -0-10-019.000 and 015 -0-15-002.001. The parent tract comprises 42.743 acres of partially cleared agricultural land including a single-family residence and related site improvements. The purpose of this appraisal report is to estimate the `Just Compensation` for a permanent acquisition (strip-take) comprising 0.09 acres. The appraisal report is ordered by the Court and is required by the Hancock County Board of Supervisors for a bridge repair on Crane Creek Road.

We developed our analyses, opinions, and conclusions and prepared this report in conformity with the Uniform Standards of Professional Appraisal Practice (USPAP) of the Appraisal Foundation; the Code of Professional Ethics and Standards of Professional Appraisal Practice of the Appraisal Institute; the Financial Institutions Reform, Recovery, and Enforcement Act (FIRREA); and the requirements of our client as we understand them.

The client in this assignment is the Yarborough Law Firm, PLLC and the intended users of this report are the Yarborough Law Firm, PLLC, Hancock County Board of Supervisors, and/or their assignees and no others. The sole intended use is to value a permanent acquisition (strip-take) needed for a bridge repair project by the Hancock County Board of Supervisors. This appraisal report is court ordered.. The value opinions reported herein are subject to the definitions, assumptions, limiting conditions, and certifications contained in this report.

The findings and conclusions are further contingent upon the following extraordinary assumptions and/or hypothetical conditions, the use of which might have affected the assignment results:

Extraordinary Assumptions:

- The subject property contains a single-family residence and related improvements; however, for the purpose of this appraisal, the land will be valued as if vacant and the building improvements will not be valued in this appraisal report.
- This appraisal report is a before and after valuation of the subject property. It is acknowledged that the parent tract is improved with a structure. For purposes of this appraisal report, only the before-and-after valuation of the land is presented (the existing building is unaffected by the proposed acquisition). If an updated appraisal report is eventually needed, we reserve the right the revise this report to show the before-and-after valuation of the land and existing building improvements.
- The subject property contains a single-family residence and related improvements; however, for the purpose of this appraisal, the land will be valued as if vacant and the building improvements will not be valued in this appraisal report.

Hypothetical Conditions:

- Hypothetical Condition: As discussed throughout this appraisal report, the "after" value of the subject parcel assumes that the proposed acquisition is in place. The "after" value is based on something contrary to what exists as of the effective date of this appraisal report. This scenario represents a hypothetical condition. The result of the hypothetical condition being applied is the value of the property "as if" the proposed acquisition has occurred. If the hypothetical condition were not applied, the value of the property is the "before" value.

Based on the analysis contained in the following report, our value conclusions are summarized as follows:

Attachment: MS01-21-1542 Knight Acquisition, Kiln (8243 : Approve payment for Knight Drive, Permanent Right-of-Way Acquisition.)

Compensation Summary	
Permanent Acquisition (Strip Take)	$450
Temporary Construction Easement	$0

Analysis of Listings/Offers/Contracts

The subject property is not offered for sale on the open market.

Type and Definition of Value

We developed opinions of value for the subject property under the following scenarios:

- Market value of the whole property – Before the Acquisition
- Market value of the whole property – After the Acquisition
- Any change in value to the subject as a result of the acquisition

"Market value," as used herein, is defined by the court case of City of Austin vs. Cannizzo, et al, 267 S.W. 2d 808, 815 (1954), which defines market value as follows:

...the price which the property would bring when it is offered for sale by one who desires, but is not obliged to sell, and is bought by one who is under no necessity of buying it, taking into consideration all of the uses to which it is reasonably adaptable and for which it either is or in all reasonable probability will become available within the reasonable future.

The market value estimate set forth herein is stated in terms of cash or financing terms equivalent to cash.

Please refer to the Glossary in the Addenda section for additional definitions of terms used in this report.

Valuation Scenarios, Property Rights Appraised, and Effective Dates of Value

We have appraised the fee simple interest of the subject whole property (land only) and the permanent acquisition (strip take) comprising 0.90 acres, for use with Hancock County Bridge Repair Project.

Per the scope of our assignment, we developed opinions of value for the subject property under the following scenarios of value:

Valuation Scenario	Effective Date of Value
As Is Just Compensation of the Fee Simple Interest	May 27, 2021

We completed an appraisal inspection of the subject property on 05-27-2021.

Date of Report

The date of this report is 06-01-2021.

Assumptions and Conditions of the Appraisal

This appraisal assignment and the opinions reported herein are subject to the General Assumptions and Limiting Conditions contained in the report and the following extraordinary assumptions and/or hypothetical conditions, the use of which might have affected the assignment results.

Extraordinary Assumptions

- The subject property contains a single-family residence and related improvements; however, for the purpose of this appraisal, the land will be valued as if vacant and the building improvements will not be valued in this appraisal report.
- This appraisal report is a before and after valuation of the subject property. It is acknowledged that the parent tract is improved with a structure. For purposes of this appraisal report, only the before-and-after valuation of the land is presented (the existing building is unaffected by the proposed acquisition). If an updated appraisal report is eventually needed, we reserve the right the revise this report to show the before-and-after valuation of the land and existing building improvements.
- Coronavirus disease (COVID-19) is a unique event, and a reliable estimate of the impact on commercial real estate values is not possible at this time. The analyses and value conclusions in this report do not reflect the potential impact of the COVID-19 virus on real estate markets. Therefore, we have employed an Extraordinary Assumption that the impacts are short-term and do not negatively impact the asset value of the subject on a long-term basis. The use of this extraordinary assumption may affect assignment results.

Hypothetical Conditions

- Hypothetical Condition: As discussed throughout this appraisal report, the "after" value of the subject parcel assumes that the proposed acquisition is in place. The "after" value is based on something contrary to what exists as of the effective date of this appraisal report. This scenario represents a hypothetical condition. The result of the hypothetical condition being applied is the value of the property "as if" the proposed acquisition has occurred. If the hypothetical condition were not applied, the value of the property is the "before" value.

Attachment: MS01-21-1542 Knight Acquisition, Kiln (8243 : Approve payment for Knight Drive, Permanent Right-of-Way Acquisition.)

Scope of Work

The elements addressed in the Scope of Work are (1) the extent to which the subject property is identified, (2) the extent to which the subject property is inspected, (3) the type and extent of data researched, (4) the type and extent of analysis applied, (5) the type of appraisal report prepared, and (6) the inclusion or exclusion of items of non-realty in the development of the value opinion. These items are discussed as below.

The scope of this appraisal is concerned with developing an appraisal report to form an opinion of the market value of the subject property under the following scenarios.

1. As-is market value of the fee simple estate of the whole property before the acquisition
2. As-is market value of the fee simple estate of the whole property after the acquisition
3. Damages and/or cost to cure
4. Total compensation based on market value

Extent to Which the Property Was Identified

The three components of the property identification are summarized as follows:

- Legal Characteristics - The subject was legally identified via county Plat Map, Legal Description, and Deed.
- Economic Characteristics - Economic characteristics of the subject property were identified via Hancock County public records, STDB Online, Realty Rates, LoopNet, MLS, Costar, as well as a comparison to properties with similar locational and physical characteristics.
- Physical Characteristics - The subject was physically identified via an appraisal inspection that consisted of exterior observations of vacant land.

Extent to Which the Property Was Inspected

We inspected the subject on 05-27-2021. We inspected from the road and the property owner was not present. We did not physically measure the improvements. The improvements are adequately set back from the permanent acquisition (strip take); therefore, are not affected by the acquisition.

Type and Extent of Data Researched

We researched and analyzed: (1) market area data, (2) property-specific market data, (3) zoning and land-use data, and (4) current data on comparable listings and transactions. We also interviewed people familiar with the subject market/property type.

Type and Extent of Analysis Applied (Valuation Methodology)

We observed surrounding land use trends, the condition of any improvements, demand for the subject property, and relevant legal limitations in concluding a highest and best use. We then valued the subject based on that highest and best use conclusion.

Appraisers develop an opinion of property value with specific appraisal procedures that reflect three distinct methods of data analysis: the Cost Approach, Sales Comparison Approach, and Income Capitalization Approach. One or more of these approaches are used in all estimations of value.

Attachment: MS01-21-1542 Knight Acquisition, Kiln (8243 : Approve payment for Knight Drive, Permanent Right-of-Way Acquisition.)

- Sales Comparison Approach - In the Sales Comparison Approach, value is indicated by recent sales and/or listings of comparable properties in the market, with the appraiser analyzing the impact of material differences in both economic and physical elements between the subject and the comparables.
- Direct Capitalization: Land Residual Method - The Land Residual Methodology involves estimating the residual net income to the land by deducting from total potential income the portion attributable to the improvements, assuming development of the site at its highest and best use. The residual income is capitalized at an appropriate rate, resulting in an indication of land value.
- Direct Capitalization: Ground Rent Capitalization – A market derived capitalization rate is applied to the net income resulting from a ground lease. This can represent the leased fee or fee simple interest, depending on whether the income potential is reflective of a lease in place or market rental rates.
- Yield Capitalization: Subdivision Development Method – Also known as Discounted Cash Flow Analysis (DCF), the methodology is most appropriate for land having multiple lot development in the near term as the highest and best use. The current site value is represented by discounting the anticipated cash flow to a present value, taking into consideration all necessary costs of development, maintenance, administration, and sales throughout the absorption period.

All of these approaches to value were considered. We assessed the availability of data and applicability of each approach to value within the context of the characteristics of the subject property and the needs and requirements of the client. Based on this assessment, we relied upon the Sales Comparison Approach (land only). The Cost Approach was not used because this is an appraisal of land only. The improvements were not included in the valuation of this report. The Income Capitalization Approach was not used because market participants rarely employ the Income Approach in their buy/sell decisions for a property like the subject. Further discussion of the extent of our analysis and the methodology of each approach is provided later in the respective valuation sections.

Appraisal Conformity and Report Type

We developed our analyses, opinions, and conclusions and prepared this report in conformity with the Uniform Standards of Professional Appraisal Practice (USPAP) of the Appraisal Foundation; the Code of Professional Ethics and Standards of Professional Appraisal Practice of the Appraisal Institute; the Financial Institutions Reform, Recovery, and Enforcement Act (FIRREA); and the requirements of our client as we understand them. This is an Appraisal Report as defined by the Uniform Standards of Professional Appraisal Practice under Standards Rule 2-2a.

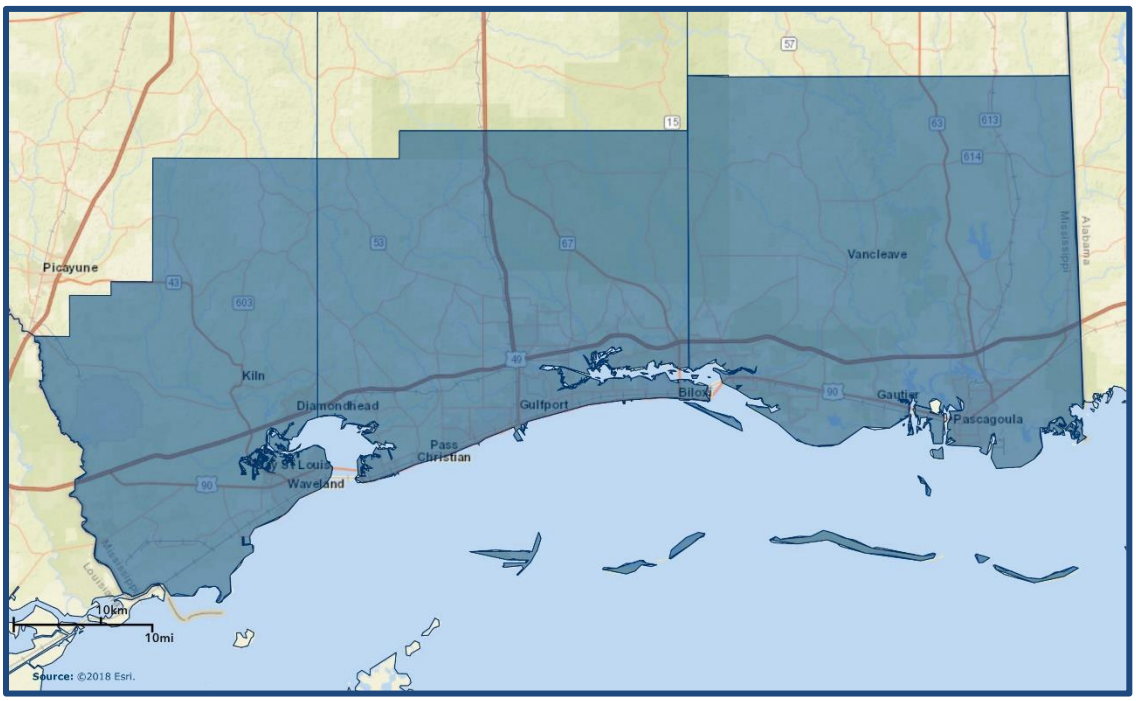

Personal Property/FF&E

All items of non-realty are excluded from this analysis. The opinion of market value developed herein is reflective of real estate only.

Conclusions

This information barely touches on the resources of the tri-county area of Hancock, Harrison, and Jackson Counties which encompass the southern portion of the state of Mississippi and according to the 2010 U.S. Census, is home to 370,702 people. The area's economic background is one of aerospace, shipbuilding, government, defense, gaming, tourism, retail, industry, and shipping. From an overall standpoint, the tri-county area has a favorable economic and social climate. A newcomer to the area will find many established communities and cities which offer year-round economic opportunities as well as considerable recreational facilities and natural resources. Considering its, location, climate, and economic strengths, the tri-county regional area is expected to continue its steady and stable history of population and economic growth.

Assessment and Tax Data

Assessment Methodology

The State of Mississippi requires each assessor to locate and value all taxable property within his county.

"True Value" shall mean and include, but shall not be limited to, market value, cash value, actual cash value, proper value, and value for the purposes of appraisal for ad valorem taxation. In arriving at the true value of all class I and class II property and improvements, the appraisal shall be made according to current use, regardless of location."
Mississippi Appraisal Manual

"Assessed Value" is a percentage of true value. The assessment rate to be used for each class of property to determine the assessed value is set by Mississippi's Constitution.

Five Classes of Property for Assessment Purposes
Class I - Single family, owner occupied, residential real property (Primary Residence*)
Assessment Rate = (10%) of value
Class II - All other real property
Assessment Rate = (15%) of value
Class III - Personal Property (business & industrial personal property)
Assessment Rate = (15%) of value
Class IV - Utilities (appraised either locally or by the State)
Assessment Rate = (30%) of value
Class V - Automobiles (valued by the State)
Assessment Rate = (30%) of value
** State Supreme Court No. 89-CA-1192*

Hancock County utilizes two of the three approaches to value to develop their assessments of real estate within the county. The cost approach is utilized to develop value for improvements to real estate. This is developed utilizing a cost manual and index provided by Mississippi's Department of Revenue. Agents of the county tax assessor inspect the real estate from the street and make necessary assumptions to develop an assessed value. Assessed value of land is developed considering market value, or if over 10 acres value in use. On par with the rest of the state Hancock County allows for certain exemptions.

Market Analysis

The Covid-19 pandemic upended economies globally beginning in Q1 2020. A year later, the virus continues to spread but is showing signs of relenting in many countries. Unprecedented vaccine development and manufacturing efforts, combined with mitigation strategies, have helped slow the virus's progress in many places and most leaders expect to see a return to pre-pandemic level activity in the second half of 2021 for most industries. As of March 2021, approximately 1/3 of all adults in the United States have received at least the first dose of a Covid-19 vaccine, with the US averaging two million doses administered per day. Oxford Economics' US Recovery Tracker rose 1.7 ppts to 85.3 in mid-March, a new high one year after the onset of the pandemic crisis.

Employment is stabilizing as more job listings are posted, layoffs are decreasing, and small businesses bring in new hires. Consumers are spending more on goods and leisure activity, including air travel and hotel rooms.

President Biden announced a $2 trillion infrastructure plan in March 2021. The plan calls for spending to improve basic infrastructure such as roads, bridges, electrical grids, and water systems, as well as expanding broadband internet access. It also calls for $213 billion to renovate more than 2,000,000 affordable housing units and commercial buildings and build more than 500,000 new low-cost housing units. As part of the housing plan, the president is asking for Congress to pass the Neighborhood Homes Investment Act, which would provide $20 billion in tax credits over the next five years for affordable housing. Additional spending in the Act would go toward modernization of Veteran's Affairs facilities, other federal buildings, and schools.

Other parts of the plan could bolster prospects for commercial real estate, including aid for rental housing, restaurants, and small business assistance. This, in addition to individual stimulus checks and assistance programs, aims to keep households stabilized as the recovery takes hold. Rental aid passed in December in the Consolidated Appropriations Act is intended to help multi-family property owners collect unpaid rents caused by eviction moratoria and renters unable to make payments.

Unemployment claims in late March fell to the lowest levels since the onset of the pandemic, though it is still a higher number than any week prior to 1982, according to Costar. The biggest concern is the high percentage of those unemployed for more than six months.

President Biden's tax plan proposals, made during his campaign, could affect commercial real estate markets if enacted. Possible impacts would include:

- Capital gains tax increases for those earning over $1 million per year from 20% to 39.6%
- Elimination of the 1031 exchange program
- Changing the taxing of Carried Interests from capital gains to ordinary income, effectively raising rates for most developers with these types of interests from 20% to 39.6%
- Repeal of the 20% deduction for qualified pass-through entities for taxpayers earning more than $400,000 per year.

Attachment: MS01-21-1542 Knight Acquisition, Kiln (8243 : Approve payment for Knight Drive, Permanent Right-of-Way Acquisition.)

It is too early to know if these changes will be pushed in the near term and what the political climate in Congress will be to support the plan, but the changing party in the White House and Congress means that some change to the markets and tax implications in real estate are likely in the next two years.

Capital fundraising for US commercial real estate investment is strong, with investment managers reporting that they intend to primarily raise capital from new investors rather than the traditional approach of sticking with existing investors. Managers are also seeing a shift in investors from large positions to smaller ones. Technology innovations have made it more feasible to manage smaller positions, enabling retail investors to get in for $150,000 to $300,000.

Cap rates for net leased assets are down from Q1 2020 in Q1 2021, according to the Boulder Group, in retail and industrial sectors, with office rates holding around the same place they were a year ago. Sector trends vary widely right now as specific property use and geographic location play large roles in market health. It remains incumbent on market participants to look at property, sector, and location details closely to understand fundamentals and project performance in coming months and years. Broad trends in the major sectors are discussed below. All sector graphs are from Costar's April 1, 2021, US Capital Markets Data Report.

Retail

Activity started to come back in Q3 2020 in transactions with well-capitalized and successful concept retailers taking advantage of vacant spaces at reduced rates. Some changes underway before Covid will continue as retail space and tenants modernize and adjust to evolving consumer demands and learned habits during lockdown.

Attachment: MS01-21-1542 Knight Acquisition, Kiln (8243 : Approve payment for Knight Drive, Permanent Right-of-Way Acquisition.)

Restaurant traffic, as evidenced by data from OpenTable, shows a steady increase since the beginning of the year and is expected to continue as vaccination rates grow and warm weather expands dining space options in northern areas. Grocery-anchored space remains strong, as well as home improvement retail. Clothing retailers continue to struggle, and we will see much transition in traditional clothing space such as department stores.

Office

Physical occupancy of office is at its lowest on record. As the pandemic wanes, office occupancy is very slow to come back. Leasing is at record low activity levels across the country, with varying degrees, depending on the metro area. Some experts believe we are at a bottom and may see some recovery in Q2 or Q3 this year, but this will likely look very different across various parts of the country and between CBD properties versus suburban low-density space.

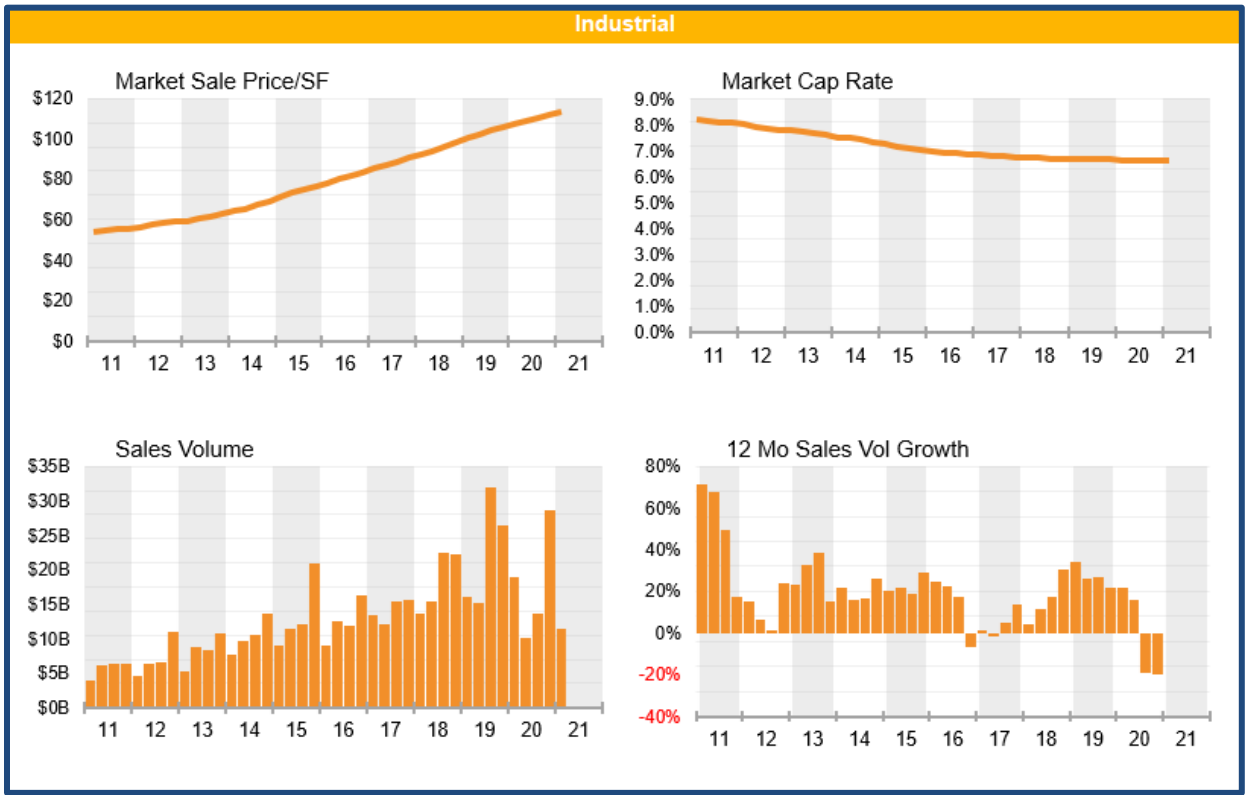

It is generally agreed that there will be wide-spread trends for new employees to spend at least some time working from home for the foreseeable future, and hot-desking between home, office and third-site locations will be the norm in many companies. Overall, firms are expected to reduce their office space needs by 30% as lockdown restrictions are lifted across the country.

Attachment: MS01-21-1542 Knight Acquisition, Kiln (8243 : Approve payment for Knight Drive, Permanent Right-of-Way Acquisition.)

Industrial

While all other sectors were negatively impacted by the pandemic, industrial was positively impacted, leading to the highest annual rental rate growth ever posted, 8.3%, according to RE Journals. This followed more than two years leading up to the pandemic of positive absorption, rent growth and low vacancy.

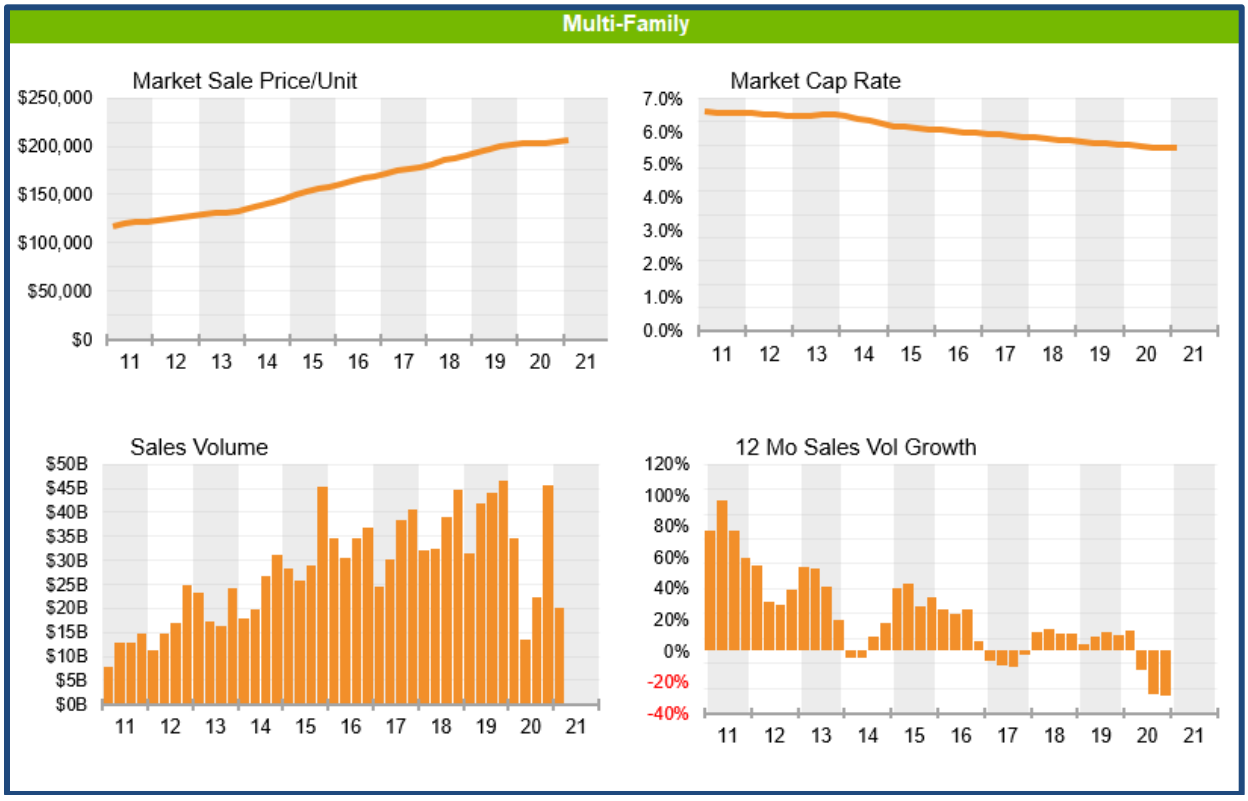

Investors, confident of ecommerce's strength and continuity, poured money into the sector and at year's end, a record 327 million square feet of industrial space was under construction. Distribution and warehouse space is the most in demand. Consumers with saved up cash are spending both online and in stores, creating demand to have inventory stored and ready to go. Personal saving in the United States in February was $2.4 trillion, which is a $1 trillion increase from a year ago.

Multifamily

The multi-family sector has weathered the crisis fairly well, helped in some cases by stimulus money and unemployment checks for renters and eviction moratoria, keeping occupancies up. Vacancy rates increased year-over-year, but when the hardest-hit metros are subtracted from the numbers, the decline is just over 1%.

Loan requirements tightened in 2020, as well as underwriting scrutiny, but both have loosened in recent months. Suburban properties and Class B and C products have been relatively strong, with urban core properties in coastal northern cities struggling. As workers' offices continue to re-open in 2021, it is unclear how occupancy in suburban, rural, and smaller metros will be impacted. Sunbelt areas are likely to benefit most as companies and individuals move south.

Attachment: MS01-21-1542 Knight Acquisition, Kiln (8243 : Approve payment for Knight Drive, Permanent Right-of-Way Acquisition.)

In other sectors, markets vary widely. Hospitality has seen a bigger hit than even office, with metrics showing the lowest performance on record. While 2020 was dark for all but a few hotel properties (notably, those on the coasts and near outdoor destinations with less restrictive lockdowns), early 2021 appears to have a brighter outlook. ADR growth is slowly increasing, and higher vaccination rates presumably mean people will begin feeling more comfortable traveling for both business and leisure.

Highest and Best Use

The Highest and Best Use of a property is the use that is legally permissible, physically possible, and financially feasible which results in the highest value. An opinion of the highest and best use results from consideration of the criteria noted above under the market conditions or likely conditions as of the effective date of value. Determination of highest and best use results from the judgment and analytical skills of the appraiser. It represents an opinion, not a fact. In appraisal practice, the concept of highest and best use represents the premise upon which value is based.

Analysis of Highest and Best Use As Though Vacant

The primary determinants of the highest and best use of the property As Though Vacant are the issues of (1) Legal permissibility, (2) Physical possibility, (3) Financial feasibility, and (4) Maximum productivity.

Legally Permissible

The subject site is zoned A-1, General Agricultural which controls the general nature of permissible uses but is appropriate for the location and physical elements of the subject property, providing for a consistency of use with the general neighborhood. The location of the subject property is appropriate for the uses allowed, as noted previously, and a change in zoning is unlikely. There are no known easements, encroachments, covenants, or other use restrictions that would unduly limit or impede development.

Physically Possible

The physical attributes allow for a number of potential uses. Elements such as size, shape, availability of utilities, known hazards (flood, environmental, etc.), and other potential influences are described in the Site Description and have been considered. There are no items of a physical nature which would adversely impact development with the legal permitted uses.

Financially Feasible

The probable use of the tract for agricultural/residential use conforms to the pattern of land use in the market area. A review of published yield, rental and occupancy rates suggest that there is a balanced supply and demand is sufficient to support construction costs and ensure timely absorption of additional inventory in this market. Therefore, near-term speculative development of the subject site is financially feasible.

Maximally Productive

Among the financially feasible uses, the use that results in the highest value (the maximally productive use) is the highest and best use. Considering these factors, the maximally productive use as though vacant is for those agriculture/residential uses allowed within its current A-1 zoning district use.

Conclusion of Highest and Best Use As Though Vacant

The conclusion of the highest and best use As Though Vacant is for those agriculture/residential uses allowed within its current A-1 zoning district use.

Attachment: MS01-21-1542 Knight Acquisition, Kiln (8243 : Approve payment for Knight Drive, Permanent Right-of-Way Acquisition.)

Analysis of Highest and Best Use as Improved

In determining the highest and best use of the property as improved, the focus is on three possibilities for the property: 1) continuation of the existing use, 2) modification of the existing use, or 3) demolition and redevelopment of the land.

Retaining the improvements as they exist meets the tests for physical possibility, legal permissibility, and financial feasibility. The improvements are in average condition and any alternative use of the existing improvements is unlikely to be economically feasible. The market value of the property as improved exceeds the combination of vacant site value plus cost of demolition of the improvements. Therefore, demolition and redevelopment of the site is not maximally productive.

Conclusion of Highest and Best Use As Improved

The highest and best use of the subject property, as improved, is continuation of agricultural/single-family residence use.

Most Probable Buyer

As of the date of value, the most probable buyer of the subject property is an owner occupant.

Attachment: MS01-21-1542 Knight Acquisition, Kiln (8243 : Approve payment for Knight Drive, Permanent Right-of-Way Acquisition.)

Determination of the Larger Parcel

In condemnation, the part of the tract that has unity of ownership, contiguity, and unity of use establishes the larger parcel. The larger parcel establishes the basis of the valuation. The property owner, John S. Knight, own the entire tract comprising 42.743 acres located at the south side of Crane Creek Road, just north of Highway 53, in Perkinston, Hancock County, MS. The tract is zoned for agricultural/residential uses and is currently improved with a single-family dwelling and related site improvements. The unity of use is the primary criteria that establishes that the entire 42.743-acre tract as the larger parcel. As described throughout this report, based on the survey, the proposed acquisition contains a permanent acquisition (strip take) comprising 0.09± acres. The entire 42.743-acre tract is associated with a single development tract.

Land Valuation

Methodology

Site Value is most often estimated using the sales comparison approach. This approach develops an indication of market value by analyzing closed sales, listings, or pending sales of properties similar to the subject, focusing on the difference between the subject and the comparables using all appropriate elements of comparison. This approach is based on the principles of supply and demand, balance, externalities, and substitution, or the premise that a buyer would pay no more for a specific property than the cost of obtaining a property with the same quality, utility, and perceived benefits of ownership.

The process of developing the sales comparison approach consists of the following analyses: (1) researching and verifying transactional data, (2) selecting relevant units of comparison, (3) analyzing and adjusting the comparable sales for differences in various elements of comparison, and (4) reconciling the adjusted sales into a value indication for the subject site.

Unit of Comparison

The unit of comparison depends on land use economics and how buyers and sellers use the property. The unit of comparison in this analysis is per gross acre.

Elements of Comparison

Elements of comparison are the characteristics or attributes of properties and transactions that cause the prices of real estate to vary. The primary elements of comparison considered in sales comparison analysis are as follows: (1) property rights conveyed, (2) financing terms, (3) conditions of sale, (4) expenditures made immediately after purchase, (5) market conditions, (6) location and (7) physical characteristics.

Comparable Sales Data

To obtain and verify comparable sales of vacant land properties, we conducted a search of public records, field surveys, interviews with knowledgeable real estate professionals in the area, and a review of our internal database.

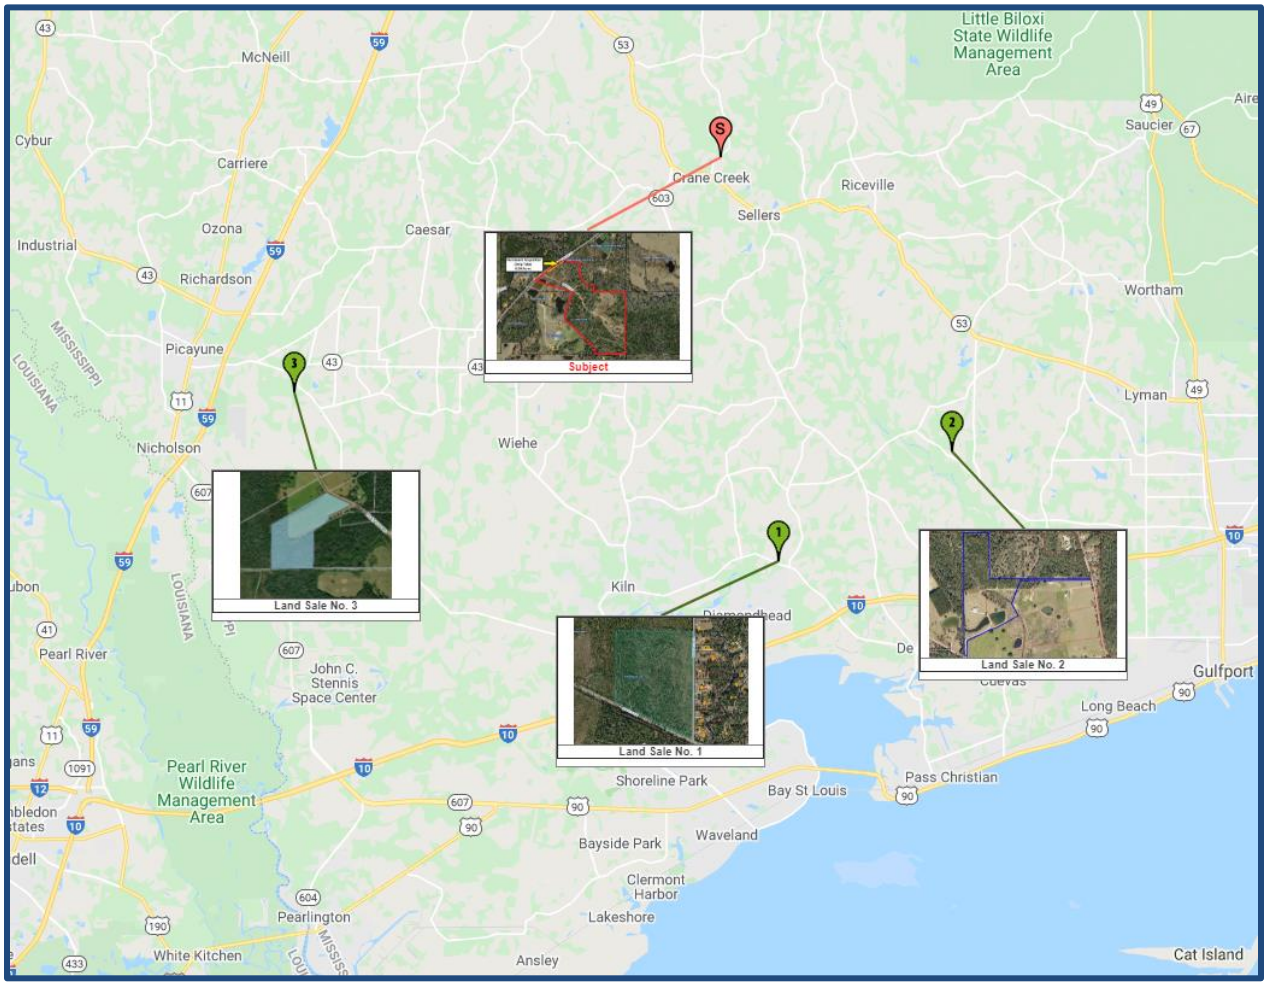

The sales selected and presented in our analysis were judged to be the most comparable to develop an indication of market value for the subject property. The following is a table summarizing each sale comparable and a map illustrating the location of each in relation to the subject. Details of each comparable follow the location map.

Land Sales Comparison Analysis

When necessary, adjustments were made for differences in various elements of comparison, including property rights conveyed, financing terms, conditions of sale, expenditures made immediately after purchase, market conditions, location, and other physical characteristics. If the element in comparison is considered superior to that of the subject, we applied a negative adjustment. Conversely, a positive adjustment was applied if inferior. A summary of the elements of comparison follows.

Transaction Adjustments

Transaction adjustments include (1) real property rights conveyed, (2) financing terms, (3) conditions of sale and (4) expenditures made immediately after purchase. These items, which are applied prior to the market conditions and property adjustments, are discussed as follows:

Real Property Rights Conveyed

Real property rights conveyed influence sale prices and must be considered when analyzing a sale comparable. The appraised value and sale comparables all reflect the fee simple interest with no adjustments required.

Financing Terms

The transaction price of one property may differ from that of an identical property due to different financial arrangements. Sales involving financing terms that are not at or near market terms require adjustments for cash equivalency to reflect typical market terms. A cash equivalency procedure discounts the atypical mortgage terms to provide an indication of value at cash equivalent terms. All of the sale comparables involved typical market terms by which the sellers received cash or its equivalent and the buyers paid cash or tendered typical down payments and obtained conventional financing at market terms for the balance. Therefore, no adjustments for this category were required.

Conditions of Sale

When the conditions of sale are atypical, the result may be a price that is higher or lower than that of a normal transaction. Adjustments for conditions of sale usually reflect the motivations of either a buyer or a seller who is under duress to complete the transaction. Another more typical condition of sale involves the downward adjustment required to a comparable property's for-sale listing price, which usually reflects the upper limit of value. No adjustments for atypical conditions or for-sale listings were warranted.

Expenditures Made Immediately After Purchase

A knowledgeable buyer considers expenditures required upon purchase of a property, as these costs affect the price the buyer agrees to pay. Such expenditures may include: costs to demolish and remove any portion of the improvements, costs to petition for a zoning change, and/or costs to remediate environmental contamination.

The relevant figure is not the actual cost incurred, but the cost anticipated by both the buyer and seller. Unless the sales involved expenditures anticipated upon the purchase date, no adjustments to the comparable sales are required for this element of comparison. The parties to these transactions did not anticipate expenditures were required immediately after purchase; therefore, no adjustments were warranted.

Attachment: MS01-21-1542 Knight Acquisition, Kiln (8243 : Approve payment for Knight Drive, Permanent Right-of-Way Acquisition.)

Market Conditions Adjustment

Market conditions change over time because of inflation, deflation, fluctuations in supply and demand, or other factors. Changing market conditions may create a need for adjustment to comparable sale transactions completed during periods of dissimilar market conditions.

Property Adjustments

Property adjustments are usually expressed quantitatively as percentages or dollar amounts that reflect the differences in value attributable to the various characteristics of the property. In some instances, however, qualitative adjustments are used. These adjustments are based on locational and physical characteristics and are applied after transaction and market conditions adjustments.

Our reasoning for the property adjustments made to each sale comparable follows. The discussion analyzes each adjustment category deemed applicable to the subject property.

Size

The size adjustment addresses variance in the physical size of the comparables and that of the subject, as a larger parcel typically commands a lower price per unit than a smaller parcel. This inverse relationship is due, in part, to the principle of "economies of scale."

The parent tract consists of 42.74 gross acres (1,861,885 gross square feet), and 42.74 acres (1,861,885 square feet) of useable land area. The sales range in size from 33.174 to 45.070 acres and required size adjustments. We applied an adjustment factor of approximately 10.0% per doubling to each sale, resulting in total adjustments ranging from -4.0% to 1.0%.

Improved Size Adjustment Table

Subject/Sale	Subject	Sale 1	Sale 2	Sale 3
Size	42.743 ac	45.07 ac	33.174 ac	38.87 ac
Adjustment		1.0%	-4.0%	-2.0%

Summary of Adjustments

Presented on the following page is a summary of the adjustments made to the sale comparables. As noted earlier, these quantitative adjustments were based on our market research, best judgment, and experience in the appraisal of similar properties.

Conclusion

From the market data available, we used the relevant land sales in competitive market areas which were adjusted based on pertinent elements of comparison. The analysis of the sales in our set resulted in a range of unit pricing from which our value conclusion is drawn. The following table summarizes the unit prices resulting from our analysis:

Land Sale Statistics

Metric	Unadjusted	Analyzed	Adjusted
Min. Sales Price per Gross Acre	$3,772	$3,772	$3,810
Max. Sales Price per Gross Acre	$5,908	$5,908	$5,672
Median Sales Price per Gross Acre	$4,374	$4,374	$4,286
Mean Sales Price per Gross Acre	$4,685	$4,685	$4,589

The adjusted prices for the comparable sales ranged from $3,810 to $5,672 per gross acre, with an average of $4,589 per gross acre and a median of $4,286 per gross acre. The included sales represent sales of competitive agricultural/residential land sales from within the subject's market area. The sales are organized by sale date within the sales grid with Sale 1 being the most recent.

Based on the adjusted prices and the analysis of the sales presented, we have concluded a unit value for the subject property is near the upper end of the adjusted range. This indicates a market value of $213,715. The comparable ranking analysis is illustrated within the following.

Ranking Analysis

Sale	$/Unit
Sale 2	$5,672
Subject	**$5,000**
Sale 3	$4,286
Sale 1	$3,810

Based on this analysis, the land value conclusions are summarized as follows:

Reconciliation of Whole Property

To reach a final opinion of value, we considered the reliability and relevance of each value indication based upon the quality of the data and applicability of the assumptions underlying each approach.

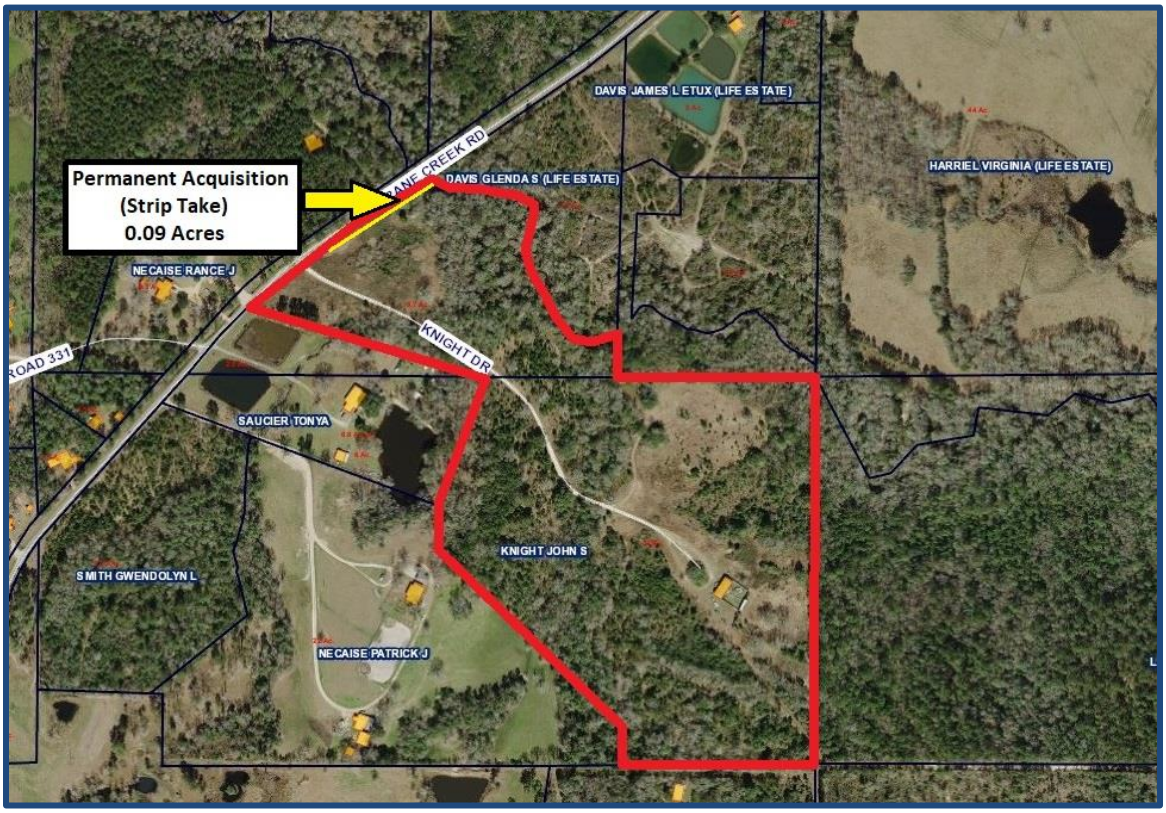

For the purpose of this analysis, the sales comparison approach (land only) has been relied upon for the indication of the whole property value. Based upon the preceding analysis, the total value of the whole property via the sales approach (land only) is $213,715.

Part to be Acquired

VIEW OF SUBJECT ACQUISITION AREA SHADED IN YELLOW

The proposed acquisition consists of a taking of a permanent strip take (acquisition) comprising 0.09 acres. The proposed permanent acquisition (shown in yellow) is shown in the aerial photograph above (for visual purposes only).

The acquisition extends along the northwestern property boundary. For the appraisal, we have utilized the land areas and dimensions in the survey prepared by Batson & Brown, Inc. dated August 12, 2020.

There are no building improvements or site improvements located within the proposed permanent strip-take (acquisition).

Highest and Best Use of Remainder

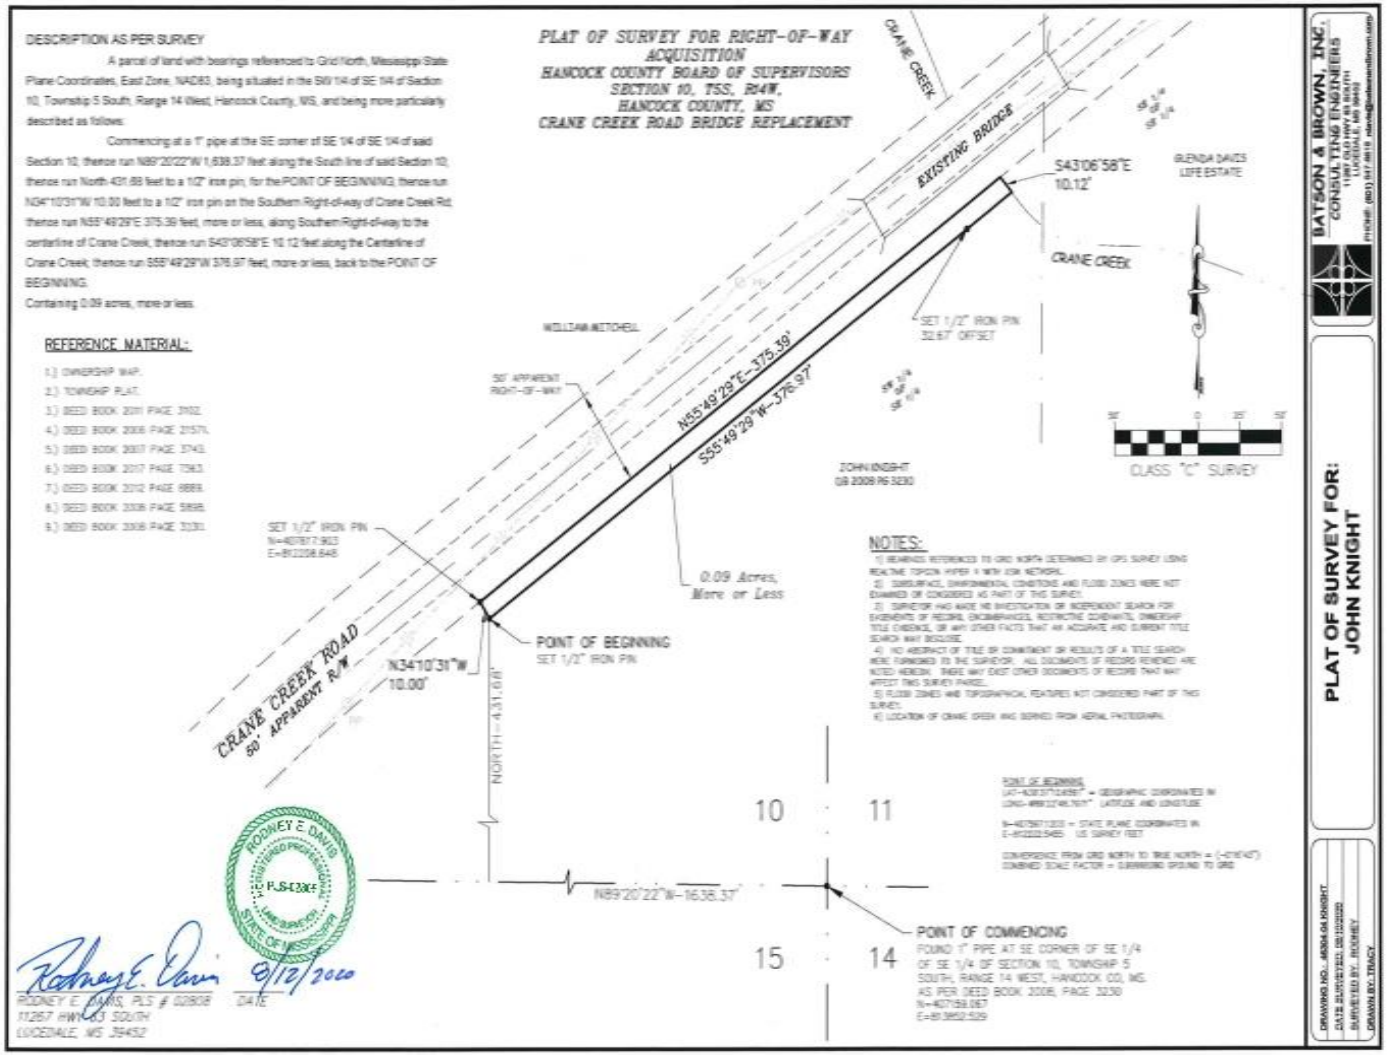

The highest and best use of the remainder is:

Same as [x] Different from [ ] the highest and best use of the whole

In our opinion, the highest and best use of the subject remainder is for agricultural/residential use. There is no significant impact of the taking to the parent tract. The acquisition is so small in size that its size difference from the before and after is minuscule. The remainder land is suitable for agricultural/residential use. The remainder size of the subject tract is adequate for its current agricultural/residential use. The permanent acquisition (strip-take) does not impact the development potential of the subject tract as an agricultural/residential tract.

Land Value - After

The remainder after the acquisition tract will contain 42.653 acres of land. There are no significant changes to the remainder of the land. All the physical features will remain the same other than size; however, the size difference is so small considering the large size of the parent tract. It is our opinion there is no diminution in the value of the remainder resulting from the partial acquisition.

Based on the value indication of $5,000 per acre derived in the Before Land Value of this report, the After Land Value indication is summarized as follows:

Compensation Estimate (Land Only)

To reach a final opinion of value (land only), we considered the reliability and relevance of each value indication based upon the quality of the data and applicability of the assumptions underlying each approach. The approaches relate well to one another within a pattern characteristic of current market conditions.

The value of the subject whole, the remainder before the acquisition, the remainder after the acquisition were estimated in the preceding section of this report. Utilizing these value estimates, total just compensation due the property owner (for the land only) is computed as follows:

Final Opinion of Market Values

Value Opinion	Land Area		Land PSF		% of Fee		Value
Value Whole Property - Before							
Land Area	42.743 AC	x	5,000 PAC	x	100%	=	$213,715

Value of Improvements Within the Acquisition

As described throughout this report, there are no building or site improvements located within the acquisition area other than natural vegetation (trees/shrubs/grass). The contributory value of the site improvement after the acquisition is zero. The site improvements do not contribute value to the tract.

Attachment: MS01-21-1542 Knight Acquisition, Kiln (8243 : Approve payment for Knight Drive, Permanent Right-of-Way Acquisition.)

Damages to the Remainder

The remainder parcel will have essentially the same location and physical characteristics before and after the acquisition. The subject is improved with a single-family residence; however, the improvements are located more than 300 feet from the proposed permanent acquisition and are not impacted by the acquisition.

Attachment: MS01-21-1542 Knight Acquisition, Kiln (8243 : Approve payment for Knight Drive, Permanent Right-of-Way Acquisition.)

Cost to Cure

The subject does contain a single-family residence; however, the improvements are located more than 300 feet from the proposed permanent strip-take and are not impacted by the acquisition. There is no cost to cure.

Compensation Estimate

To reach a final opinion of value, we considered the reliability and relevance of each value indication based upon the quality of the data and applicability of the assumptions underlying each approach. The approaches relate well to one another within a pattern characteristic of current market conditions.

The value of the subject whole, the remainder after the acquisition, the contributory value of the site improvements within the acquisition, damages to the remainder, cost to cure damages were estimated in the preceding section of this report. Utilizing these value estimates, total just compensation due the property owner is computed as follows:

Compensation Summary	
Permanent Acquisition (Strip Take)	$450
Temporary Construction Easement	$0
Improvements	$0
Damages (Remainder Before less Remainder After)	$0
Cost to Cure	$0
Total Compensation (05-27-21)	**$450**

General Assumptions and Limiting Conditions

This appraisal is subject to the following general assumptions and limiting conditions:

1. The legal description – if furnished to us – is assumed to be correct.
2. No responsibility is assumed for legal matters, questions of survey or title, soil or subsoil conditions, engineering, availability or capacity of utilities, or other similar technical matters. The appraisal does not constitute a survey of the property appraised. All existing liens and encumbrances have been disregarded and the property is appraised as though free and clear, under responsible ownership and competent management unless otherwise noted.
3. Unless otherwise noted, the appraisal will value the property as though free of contamination. Valbridge Property Advisors | South-Central Mississippi will conduct no hazardous materials or contamination inspection of any kind. It is recommended that the client hire an expert if the presence of hazardous materials or contamination poses any concern.
4. The stamps and/or consideration placed on deeds used to indicate sales are in correct relationship to the actual dollar amount of the transaction.
5. Unless otherwise noted, it is assumed there are no encroachments, zoning violations or restrictions existing in the subject property.
6. The appraiser is not required to give testimony or attendance in court by reason of this appraisal unless previous arrangements have been made.
7. Unless expressly specified in the engagement letter, the fee for this appraisal does not include the attendance or giving of testimony by Appraiser at any court, regulatory or other proceedings, or any conferences or other work in preparation for such proceeding. If any partner or employee of Valbridge Property Advisors | South-Central Mississippi is asked or required to appear and/or testify at any deposition, trial, or other proceeding about the preparation, conclusions or any other aspect of this assignment, client shall compensate Appraiser for the time spent by the partner or employee in appearing and/or testifying and in preparing to testify according to the Appraiser's then current hourly rate plus reimbursement of expenses.
8. The values for land and/or improvements, as contained in this report, are constituent parts of the total value reported and neither is (or are) to be used in making a summation appraisal of a combination of values created by another appraiser. Either is invalidated if so used.
9. The dates of value to which the opinions expressed in this report apply are set forth in this report. We assume no responsibility for economic or physical factors occurring at some point at a later date, which may affect the opinions stated herein. The forecasts, projections, or operating estimates contained herein are based on current market conditions and anticipated short-term supply and demand factors and are subject to change with future conditions. Appraiser is not responsible for determining whether the date of value requested by Client is appropriate for Client's intended use.
10. The sketches, maps, plats, and exhibits in this report are included to assist the reader in visualizing the property. The appraiser has made no survey of the property and assumed no responsibility in connection with such matters.
11. The information, estimates and opinions, which were obtained from sources outside of this office, are considered reliable. However, no liability for them can be assumed by the appraiser.

Attachment: MS01-21-1542 Knight Acquisition, Kiln (8243 : Approve payment for Knight Drive, Permanent Right-of-Way Acquisition.)

12. Possession of this report, or a copy thereof, does not carry with it the right of publication. Neither all, nor any part of the content of the report, or copy thereof (including conclusions as to property value, the identity of the appraisers, professional designations, reference to any professional appraisal organization or the firm with which the appraisers are connected), shall be disseminated to the public through advertising, public relations, news, sales, or other media without prior written consent and approval.
13. No claim is intended to be expressed for matters of expertise that would require specialized investigation or knowledge beyond that ordinarily employed by real estate appraisers. We claim no expertise in areas such as, but not limited to, legal, survey, structural, environmental, pest control, mechanical, etc.
14. This appraisal was prepared for the sole and exclusive use of the client for the function outlined herein. Any party who is not the client or intended user identified in the appraisal or engagement letter is not entitled to rely upon the contents of the appraisal without express written consent of Valbridge Property Advisors | South-Central Mississippi and Client. The Client shall not include partners, affiliates, or relatives of the party addressed herein. The appraiser assumes no obligation, liability, or accountability to any third party.
15. Distribution of this report is at the sole discretion of the client, but third parties not listed as an intended user on the face of the appraisal, or the engagement letter may not rely upon the contents of the appraisal. In no event shall client give a third-party a partial copy of the appraisal report. We will make no distribution of the report without the specific direction of the client.
16. This appraisal shall be used only for the function outlined herein, unless expressly authorized by Valbridge Property Advisors | South-Central Mississippi.
17. This appraisal shall be considered in its entirety. No part thereof shall be used separately or out of context.
18. Unless otherwise noted in the body of this report, this appraisal assumes that the subject property does not fall within the areas where mandatory flood insurance is effective. Unless otherwise noted, we have not completed, nor have we contracted to have completed an investigation to identify and/or quantify the presence of non-tidal wetland conditions on the subject property. Because the appraiser is not a surveyor, he or she makes no guarantees, express or implied, regarding this determination.
19. The flood maps are not site specific. We are not qualified to confirm the location of the subject property in relation to flood hazard areas based on the FEMA Flood Insurance Rate Maps or other surveying techniques. It is recommended that the client obtain a confirmation of the subject property's flood zone classification from a licensed surveyor.
20. If the appraisal is for mortgage loan purposes 1) we assume satisfactory completion of improvements if construction is not complete, 2) no consideration has been given for rent loss during rent-up unless noted in the body of this report, and 3) occupancy at levels consistent with our "Income and Expense Projection" are anticipated.
21. It is assumed that there are no hidden or unapparent conditions of the property, subsoil, or structures which would render it more or less valuable. No responsibility is assumed for such conditions or for engineering which may be required to discover them.

Attachment: MS01-21-1542 Knight Acquisition, Kiln (8243 : Approve payment for Knight Drive, Permanent Right-of-Way Acquisition.)

22. Our inspection included an observation of the land and improvements thereon only. It was not possible to observe conditions beneath the soil or hidden structural components within the improvements. We inspected the buildings involved, and reported damage (if any) by termites, dry rot, wet rot, or other infestations as a matter of information, and no guarantee of the amount or degree of damage (if any) is implied. Condition of heating, cooling, ventilation, electrical and plumbing equipment is considered to be commensurate with the condition of the balance of the improvements unless otherwise stated. Should the client have concerns in these areas, it is the client's responsibility to order the appropriate inspections. The appraiser does not have the skill or expertise to make such inspections and assumes no responsibility for these items.

23. This appraisal does not guarantee compliance with building code and life safety code requirements of the local jurisdiction. It is assumed that all required licenses, consents, certificates of occupancy or other legislative or administrative authority from any local, state, or national governmental or private entity or organization have been or can be obtained or renewed for any use on which the value conclusion contained in this report is based unless specifically stated to the contrary.

24. When possible, we have relied upon building measurements provided by the client, owner, or associated agents of these parties. In the absence of a detailed rent roll, reliable public records, or "as-built" plans provided to us, we have relied upon our own measurements of the subject improvements. We follow typical appraisal industry methods; however, we recognize that some factors may limit our ability to obtain accurate measurements including, but not limited to, property access on the day of inspection, basements, fenced/gated areas, grade elevations, greenery/shrubbery, uneven surfaces, multiple story structures, obtuse or acute wall angles, immobile obstructions, etc. Professional building area measurements of the quality, level of detail, or accuracy of professional measurement services are beyond the scope of this appraisal assignment.

25. We have attempted to reconcile sources of data discovered or provided during the appraisal process, including assessment department data. Ultimately, the measurements that are deemed by us to be the most accurate and/or reliable are used within this report. While the measurements and any accompanying sketches are considered to be reasonably accurate and reliable, we cannot guarantee their accuracy. Should the client desire more precise measurement, they are urged to retain the measurement services of a qualified professional (space planner, architect or building engineer) as an alternative source. If this alternative measurement source reflects or reveals substantial differences with the measurements used within the report, upon request of the client, the appraiser will submit a revised report for an additional fee.

26. In the absence of being provided with a detailed land survey, we have used assessment department data to ascertain the physical dimensions and acreage of the property. Should a survey prove this information to be inaccurate, upon request of the client, the appraiser will submit a revised report for an additional fee.

27. If only preliminary plans and specifications were available for use in the preparation of this appraisal, and a review of the final plans and specifications reveals substantial differences upon request of the client the appraiser will submit a revised report for an additional fee.

Attachment: MS01-21-1542 Knight Acquisition, Kiln (8243 : Approve payment for Knight Drive, Permanent Right-of-Way Acquisition.)

28. Unless otherwise stated in this report, the value conclusion is predicated on the assumption that the property is free of contamination, environmental impairment, or hazardous materials. Unless otherwise stated, the existence of hazardous material was not observed by the appraiser and the appraiser has no knowledge of the existence of such materials on or in the property. The appraiser, however, is not qualified to detect such substances. The presence of substances such as asbestos, urea-formaldehyde foam insulation or other potentially hazardous materials may affect the value of the property. No responsibility is assumed for any such conditions, or for any expertise or engineering knowledge required for discovery. The client is urged to retain an expert in this field, if desired.

29. The Americans with Disabilities Act ("ADA") became effective January 26, 1992. We have not made a specific compliance survey of the property to determine if it is in conformity with the various requirements of the ADA. It is possible that a compliance survey of the property, together with an analysis of the requirements of the ADA, could reveal that the property is not in compliance with one or more of the requirements of the Act. If so, this could have a negative effect on the value of the property. Since we have no direct evidence relating to this issue, we did not consider possible noncompliance with the requirements of ADA in developing an opinion of value.

30. This appraisal applies to the land and building improvements only. The value of trade fixtures, furnishings, and other equipment, or subsurface rights (minerals, gas, and oil) were not considered in this appraisal unless specifically stated to the contrary.

31. No changes in any federal, state, or local laws, regulations, or codes (including, without limitation, the Internal Revenue Code) are anticipated, unless specifically stated to the contrary.

32. Any income and expense estimates contained in the appraisal report are used only for the purpose of estimating value and do not constitute prediction of future operating results. Furthermore, it is inevitable that some assumptions will not materialize and that unanticipated events may occur that will likely affect actual performance.

33. Any estimate of insurable value, if included within the scope of work and presented herein, is based upon figures developed consistent with industry practices. However, actual local and regional construction costs may vary significantly from our estimate and individual insurance policies and underwriters have varied specifications, exclusions, and non-insurable items. As such, we strongly recommend that the Client obtain estimates from professionals experienced in establishing insurance coverage. This analysis should not be relied upon to determine insurance coverage and we make no warranties regarding the accuracy of this estimate.

34. The data gathered in the course of this assignment (except data furnished by the Client) shall remain the property of the Appraiser. The appraiser will not violate the confidential nature of the appraiser-client relationship by improperly disclosing any confidential information furnished to the appraiser. Notwithstanding the foregoing, the Appraiser is authorized by the client to disclose all or any portion of the appraisal and related appraisal data to appropriate representatives of the Appraisal Institute if such disclosure is required to enable the appraiser to comply with the Bylaws and Regulations of such Institute now or hereafter in effect.

35. You and Valbridge Property Advisors | South-Central Mississippi both agree that any dispute over matters in excess of $5,000 will be submitted for resolution by arbitration. This includes fee disputes and any claim of malpractice. The arbitrator shall be mutually selected. If Valbridge Property Advisors | South-Central Mississippi and the client cannot agree on the arbitrator, the presiding head of the Local County Mediation & Arbitration panel shall select the arbitrator. Such arbitration shall be binding and final. In agreeing to arbitration, we both acknowledge that, by agreeing to binding arbitration, each of us is giving up the right to have the dispute decided in a court of law before a judge or jury. In the event that the client, or any other party, makes a claim against Valbridge Property Advisors | South-Central Mississippi or any of its employees in connections with or in any way relating to this assignment, the maximum damages recoverable by such claimant shall be the amount actually received by Valbridge Property Advisors | South-Central Mississippi for this assignment, and under no circumstances shall any claim for consequential damages be made.

36. Valbridge Property Advisors | South-Central Mississippi shall have no obligation, liability, or accountability to any third party. Any party who is not the "client" or intended user identified on the face of the appraisal or in the engagement letter is not entitled to rely upon the contents of the appraisal without the express written consent of Valbridge Property Advisors | South-Central Mississippi. "Client" shall not include partners, affiliates, or relatives of the party named in the engagement letter. Client shall hold Valbridge Property Advisors | South-Central Mississippi and its employees harmless in the event of any lawsuit brought by any third party, lender, partner, or part-owner in any form of ownership or any other party as a result of this assignment. The client also agrees that in case of lawsuit arising from or in any way involving these appraisal services, client will hold Valbridge Property Advisors | South-Central Mississippi harmless from and against any liability, loss, cost, or expense incurred or suffered by Valbridge Property Advisors | South-Central Mississippi in such action, regardless of its outcome.

37. The Valbridge Property Advisors office responsible for the preparation of this report is independently owned and operated by Mississippi Valuations, LLC. Neither Valbridge Property Advisors, Inc., nor any of its affiliates has been engaged to provide this report. Valbridge Property Advisors, Inc. does not provide valuation services, and has taken no part in the preparation of this report.

38. If any claim is filed against any of Valbridge Property Advisors, Inc., a Florida Corporation, its affiliates, officers or employees, or the firm providing this report, in connection with, or in any way arising out of, or relating to, this report, or the engagement of the firm providing this report, then (1) under no circumstances shall such claimant be entitled to consequential, special or other damages, except only for direct compensatory damages, and (2) the maximum amount of such compensatory damages recoverable by such claimant shall be the amount actually received by the firm engaged to provide this report.

39. This report and any associated work files may be subject to evaluation by Valbridge Property Advisors, Inc., or its affiliates, for quality control purposes.

40. Acceptance and/or use of this appraisal report constitutes acceptance of the foregoing general assumptions and limiting conditions.

Motion for Appointment of Appraiser

IN THE COUNTY COURT OF HANCOCK COUNTY, MISSISSIPPI
SPECIAL COURT OF EMINENT DOMAIN

HANCOCK COUNTY, MISSISSIPPI BOARD OF SUPERVISORS — **PLAINTIFF**

VERSUS — **CIVIL ACTION NO. CC21-0075**

DEFENDANT

JOHN KNIGHT

Motion for Appointment of Appraiser

COMES NOW, Hancock County, Mississippi, by and through record, files this motion pursuant to MS Code Section 11-27-83 for appointment of an appraiser as follows:

Hancock County has filed this instant cause of action requesting to obtain property via a quick take for the immediate possession as needed to comply with grant timelines and the construction and repair of a bridge on Crane Creek Road, Hancock County, Mississippi. Defendant has been served with process in this action, as is indicated in the record of this cause and the return of service.

Pursuant to MS Code Section 11-27-83, after service of process in the instance of a quick take, the court "[s]hall appoint a disinterested, knowledgeable person qualified to make an appraisal of the property described in the complaint to act as appraiser, with the appraiser to

Attachment: MS01-21-1542 Knight Acquisition, Kiln (8243 : Approve payment for Knight Drive, Permanent Right-of-Way Acquisition.)

return to the clerk within ten days of the appointment in triplicate and under oath a statement of the fair market value as of the date of the filing, the damages to the remainder, if any, and his highest and best use of the property, with a corresponding narrative."

Accordingly, pursuant to this statute Hancock County requests that the Court enter an order requesting the appraiser and posting the obligations on the appraiser and neutral of 11-27-83.

Respectfully submitted on this the 10th day of May, 2021.

Glossary

Definitions are taken from The Dictionary of Real Estate Appraisal, 6th Edition (Dictionary), the Uniform Standards of Professional Appraisal Practice (USPAP), and Building Owners and Managers Association International (BOMA).

Absolute Net Lease

A lease in which the tenant pays all expenses including structural maintenance, building reserves, and management; often a long-term lease to a credit tenant. (Dictionary)

Amortization

The process of retiring a debt or recovering a capital investment, typically through scheduled, systematic repayment of the principal; a program of periodic contributions to a sinking fund or debt retirement fund. (Dictionary)

As Is Market Value

The estimate of the market value of real property in its current physical condition, use, and zoning as of the appraisal date. (Dictionary)

Base Rent

The minimum rent stipulated in a lease. (Dictionary)

Base Year

The year on which escalation clauses in a lease are based. (Dictionary)

Building Common Area

In office buildings, the areas of the building that provide services to building tenants, but which are not included in the office area or store area of any specific tenant. These areas may include, but shall not be limited to, main and auxiliary lobbies, atrium spaces at the level of the finished floor, concierge areas or security desks, conference rooms, lounges or vending areas, food service facilities, health or fitness centers, daycare facilities, locker or shower facilities, mail rooms, fire control rooms, fully enclosed courtyards outside the exterior walls, and building core and service areas such as fully enclosed mechanical or equipment rooms. Specifically excluded from building common area are floor common areas, parking space, portions of loading docks outside the building line, and major vertical penetrations. (BOMA)

Building Rentable Area

The sum of all floor rentable areas. Floor rentable area is the result of subtracting from the gross measured area of a floor the major vertical penetrations on that same floor. It is generally fixed for the life of the building and is rarely affected by changes in corridor size or configuration. (BOMA)

Bulk Value

The value of multiple units, subdivided plots, or properties in a portfolio as though sold together in a single transaction.

Certificate of Occupancy (COO)

A formal written acknowledgment by an appropriate unit of local government that a new construction or renovation project is at the stage where it meets applicable health and safety codes and is ready for commercial or residential occupancy. (Dictionary)

Common Area Maintenance (CAM)

The expense of operating and maintaining common areas; may or may not include management charges and usually does not include capital expenditures on tenant improvements or other improvements to the property. (Dictionary)

The amount of money charged to tenants for their shares of maintaining a [shopping] center's common area. The charge that a tenant pays for shared services and facilities such as electricity, security, and maintenance of parking lots. Items charged to common area maintenance may include cleaning services, parking lot sweeping and maintenance, snow removal, security, and upkeep. (ICSC – International Council of Shopping Centers, 4th Ed.)

Condominium

A multiunit structure, or a unit within such a structure, with a condominium form of ownership. (Dictionary)

Conservation Easement

An interest in real estate restricting future land use to preservation, conservation, wildlife habitat, or some combination of those uses. A conservation easement may permit farming, timber harvesting, or other uses of a rural nature as well as some types of conservation-oriented development to continue, subject to the easement. (Dictionary)

Contributory Value

A type of value that reflects the amount a property or component of a property contributes to the value of another asset or to the property as a whole.

The change in the value of a property as a whole, whether positive or negative, resulting from the addition or deletion of a property component. Also called deprival value in some countries. (Dictionary)

Attachment: MS01-21-1542 Knight Acquisition, Kiln (8243 : Approve payment for Knight Drive, Permanent Right-of-Way Acquisition.)

Debt Coverage Ratio (DCR)

The ratio of net operating income to annual debt service (DCR = NOI/Im), which measures the relative ability of a property to meet its debt service out of net operating income; also called *debt service coverage ratio (DSCR)*. A larger *DCR* typically indicates a greater ability for a property to withstand a reduction of income, providing an improved safety margin for a lender. (Dictionary)

Deed Restriction

A provision written into a deed that limits the use of land. Deed restrictions usually remain in effect when title passes to subsequent owners. (Dictionary)

Depreciation

In appraisal, a loss in property value from any cause; the difference between the cost of an improvement on the effective date of the appraisal and the market value of the improvement on the same date.

In accounting, an allocation of the original cost of an asset, amortizing the cost over the asset's life; calculated using a variety of standard techniques. (Dictionary)

Disposition Value

The most probable price that a specified interest in property should bring under the following conditions:

- Consummation of a sale within a specified time, which is shorter than the typical exposure time for such a property in that market.
- The property is subjected to market conditions prevailing as of the date of valuation;
- Both the buyer and seller are acting prudently and knowledgeably;
- The seller is under compulsion to sell;
- The buyer is typically motivated;
- Both parties are acting in what they consider to be their best interests;
- An adequate marketing effort will be made during the exposure time;
- Payment will be made in cash in U.S. dollars (or the local currency) or in terms of financial arrangements comparable thereto; and
- The price represents the normal consideration for the property sold, unaffected by special or creative financing or sales concessions granted by anyone associated with the sale. (Dictionary)

Double Net (Net Net) Lease

An alternative term for a type of net lease. In some markets, a net net lease is defined as a lease in which the tenant is responsible to pay both property taxes and premiums for insuring the building(s). (Valbridge)

(The market definition of a double net lease varies depending on the market)

Easement

The right to use another's land for a stated purpose. (Dictionary)

EIFS

Exterior Insulation Finishing System. This is a type of exterior wall cladding system. Sometimes referred to as dry-vit.

Effective Date

The date on which the appraisal or review opinion applies. (SVP)

In a lease document, the date upon which the lease goes into effect. (Dictionary)

Effective Gross Income (EGI)

The anticipated income from all operations of the real estate after an allowance is made for vacancy and collection losses and an addition is made for any other income. (Dictionary)

Effective Rent

Total base rent, or minimum rent stipulated in a lease, over the specified lease term minus rent concessions; the rent that is effectively paid by a tenant net of financial concessions provided by a landlord. (TIs). (Dictionary)

EPDM

Ethylene Propylene Diene Monomer Rubber. A type of synthetic rubber typically used for roof coverings. (Dictionary)

Escalation Clause

A clause in an agreement that provides for the adjustment of a price or rent based on some event or index. e.g., a provision to increase rent if operating expenses increase; also called *escalator clause, expense recovery clause or stop clause*. (Dictionary)

Estoppel Certificate

A signed statement by a party (such as a tenant or a mortgagee) certifying, for another's benefit, that certain facts are correct, such as that a lease exists, that there are no defaults, and that rent is paid to a certain date. (Black's) In real estate, a buyer of rental property typically requests estoppel certificates from existing tenants. Sometimes referred to as an *estoppel letter*. (Dictionary)

Excess Land

Land that is not needed to serve or support the existing use. The highest and best use of the excess land may or may not be the same as the highest and best use of the improved parcel. Excess land has the potential to be sold separately and is valued separately. (Dictionary)

Attachment: MS01-21-1542 Knight Acquisition, Kiln (8243 : Approve payment for Knight Drive, Permanent Right-of-Way Acquisition.)

Excess Rent
The amount by which contract rent exceeds market rent at the time of the appraisal; created by a lease favorable to the landlord (lessor) and may reflect unusual management, unknowledgeable or unusually motivated parties, a lease execution in an earlier, stronger rental market, or an agreement of the parties. (Dictionary)

Expense Stop
A clause in a lease that limits the landlord's expense obligation, which results in the lessee paying operating expenses above a stated level or amount. (Dictionary)

Exposure Time
The time a property remains on the market.
The estimated length of time that the property interest being appraised would have been offered on the market prior to the hypothetical consummation of a sale at market value on the effective date of the appraisal;

Comment: Exposure time is a retrospective opinion based on an analysis of past events assuming a competitive and open market. (Dictionary)

Extraordinary Assumption
An assignment-specific assumption as of the effective date regarding uncertain information used in an analysis which, if found to be false, could alter the appraiser's opinions or conclusions.

Comment: Uncertain information might include physical, legal, or economic characteristics of the subject property; or conditions external to the property, such as market conditions or trends; or the integrity of data used in an analysis. (USPAP)

Fee Simple Estate
Absolute ownership unencumbered by any other interest or estate, subject only to the limitations imposed by the governmental powers of taxation, eminent domain, police power, and escheat. (Dictionary)

Floor Common Area
In an office building, the areas on a floor such as washrooms, janitorial closets, electrical rooms, telephone rooms, mechanical rooms, elevator lobbies, and public corridors which are available primarily for the use of tenants on that floor. (BOMA)

Full Service (Gross) Lease
A lease in which the landlord receives stipulated rent and is obligated to pay all of the property's operating and fixed expenses; also called a *full service lease*. (Dictionary)

Furniture, Fixtures, and Equipment (FF&E)
Business trade fixtures and personal property, exclusive of inventory. (Dictionary)

Going-Concern Value
An outdated label for the market value of all the tangible and intangible assets of an established and operating business with an indefinite life, as if sold in aggregate; more accurately termed the *market value of the going concern* or *market value of the total assets of the business.* (Dictionary)

Gross Building Area (GBA)
Total floor area of a building, excluding unenclosed areas, measured from the exterior of the walls of the above-grade area. This includes mezzanines and basements if and when typically included in the market area of the type of property involved.

Gross leasable area plus all common areas.
For residential space, the total area of all floor levels measured from the exterior of the walls and including the superstructure and substructure basement; typically does not include garage space. (Dictionary)

Gross Measured Area
The total area of a building enclosed by the dominant portion (the portion of the inside finished surface of the permanent outer building wall which is 50 percent or more of the vertical floor-to-ceiling dimension, at the given point being measured as one moves horizontally along the wall), excluding parking areas and loading docks (or portions of same) outside the building line. It is generally not used for leasing purposes and is calculated on a floor by floor basis. (BOMA)

Gross Up Method
A method of calculating variable operating expenses in income-producing properties when less than 100% occupancy is assumed. Expenses reimbursed based on the amount of occupied space, rather than on the total building area, are described as "grossed up." (Dictionary)

Gross Retail Sellout
The sum of the separate and distinct market value opinions for each of the units in a condominium, subdivision development, or portfolio of properties, as of the date of valuation. The aggregate of retail values does not represent the value of all the units as though sold together in a single transaction; it is simply the total of the individual market value conclusions. Also called the *aggregate of the retail values, aggregate retail selling price or sum of the retail values.* (Dictionary)

Ground Lease
A lease that grants the right to use and occupy land. Improvements made by the ground lessee typically revert to the ground lessor at the end of the lease term. (Dictionary)

Attachment: MS01-21-1542 Knight Acquisition, Kiln (8243 : Approve payment for Knight Drive, Permanent Right-of-Way Acquisition.)

Ground Rent
The rent paid for the right to use and occupy land according to the terms of a ground lease; the portion of the total rent allocated to the underlying land. (Dictionary)

HVAC
Heating, ventilation, air conditioning (HVAC) system. A unit that regulates the temperature and distribution of heat and fresh air throughout a building. (Dictionary)

Highest and Best Use
The reasonably probable use of property that results in the highest value. The four criteria that the highest and best use must meet are legal permissibility, physical possibility, financial feasibility, and maximum productivity.

The use of an asset that maximizes its potential and that is possible, legally permissible, and financially feasible. The highest and best use may be for continuation of an asset's existing use of for some alternative use. This is determined by the use that a market participant would have in mind for the asset when formulating the price that it would be willing to bid. (IVS)

[The] highest and most profitable use for which the property is adaptable and needed or likely to be needed in the reasonably near future. (Uniform Appraisal Standards for Federal Land Acquisitions) (Dictionary)

Hypothetical Condition
A condition, directly related to a specific assignment, which is contrary to what is known by the appraiser to exist on the effective date of the assignment results, but is used for the purpose of analysis.

Comment: Hypothetical conditions are contrary to known facts about physical, legal, or economic characteristics of the subject property; or about conditions external to the property, such as market conditions or trends; or about the integrity of data used in an analysis. (USPAP)

Insurable Value
A type of value for insurance purposes. (Typically, this includes replacement cost less basement excavation, foundation, underground piping, and architect's fees). (Dictionary)

Investment Value
The value of a property to a particular investor or class of investors based on the investor's specific requirements. Investment value may be different from market value because it depends on a set of investment criteria that are not necessarily typical of the market. (Dictionary)

Just Compensation
In condemnation, the amount of loss for which a property owner is compensated when his or her property is taken. Just compensation should put the owner in as good a position pecuniarily as he or she would have been if the property had not been taken. (Dictionary)

Leased Fee Interest
The ownership interest held by the lessor, which includes the right to receive the contract rent specified in the lease plus the reversionary right when the lease expires. (Dictionary)

Leasehold Interest
The right held by the lessee to use and occupy real estate for a stated term and under the conditions specified in the lease. (Dictionary)

See also Positive Leasehold and Negative Leasehold.

Lessee (Tenant)
One who has the right to occupancy and use of the property of another for a period of time according to a lease agreement. (Dictionary)

Lessor (Landlord)
One who conveys the rights of occupancy and use to others under a lease agreement. (Dictionary)

Liquidation Value
The most probable price that a specified interest in property should bring under the following conditions:

- Consummation of a sale within a short time period.
- The property is subjected to market conditions prevailing as of the date of valuation.
- Both the buyer and seller are acting prudently and knowledgeably.
- The seller is under extreme compulsion to sell.
- The buyer is typically motivated.
- Both parties are acting in what they consider to be their best interests.
- A normal marketing effort is not possible due to the brief exposure time.
- Payment will be made in cash in U.S. dollars (or the local currency) or in terms of financial arrangements comparable thereto.

The price represents the normal consideration for the property sold, unaffected by special or creative financing or sales concessions granted by anyone associated with the sale. (Dictionary)

Attachment: MS01-21-1542 Knight Acquisition, Kiln (8243 : Approve payment for Knight Drive, Permanent Right-of-Way Acquisition.)

Loan to Value Ratio (LTV)
The ratio between a mortgage loan and the value of the property pledged as security, usually expressed as a percentage. (Dictionary)

Major Vertical Penetrations
Stairs, elevator shafts, flues, pipe shafts, vertical ducts, and the like, and their enclosing walls. Atria, lightwells and similar penetrations above the finished floor are included in this definition. Not included, however, are vertical penetrations built for the private use of a tenant occupying office areas on more than one floor. Structural columns, openings for vertical electric cable or telephone distribution, and openings for plumbing lines are not considered to be major vertical penetrations. (BOMA)

Market Rent
The most probable rent that a property should bring in a competitive and open market under all the conditions requisite to a fair lease transaction, the lessee, and the lessor each acting prudently and knowledgeably, and assuming the rent is not affected by undue stimulus. Implicit in this definition is the execution of a lease as of a specified date under conditions whereby:
Lessee and lessor are typically motivated;
Both parties are well informed or well advised, and acting in what they consider their best interests;
Payment is made in terms of cash or in terms of financial arrangements comparable thereto; and
The rent reflects specified terms and conditions, such as permitted uses, use restrictions, expense obligations, duration, concessions, rental adjustments and revaluations, renewal and purchase options, and tenant improvements (TIs). (Appraisal Institute)

Market Value
The most probable price that a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller each acting prudently and knowledgeably, and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby:

- Buyer and seller are typically motivated;
- Both parties are well informed or well advised, and acting in what they consider their own best interests;
- A reasonable time is allowed for exposure in the open market;
- Payment is made in terms of cash in United States dollars or in terms of financial arrangements comparable thereto; and
- The price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions granted by anyone associated with the sale. (Dictionary)

Marketing Time
An opinion of the amount of time it might take to sell a real or personal property interest at the concluded market value level during the period immediately after the effective date of an appraisal. Marketing time differs from exposure time, which is always presumed to precede the effective date of an appraisal. (Advisory Opinion 7 of the Appraisal Standards Board of the Appraisal Foundation)

Master Lease
A lease in which the fee owner leases a part or the entire property to a single entity (the master lease) in return for a stipulated rent. The master lessee then leases the property to multiple tenants. (Dictionary)

Modified Gross Lease
A lease in which the landlord receives stipulated rent and is obligated to pay some, but not all, of the property's operating and fixed expenses. Since assignment of expenses varies among modified gross leases, expense responsibility must always be specified. In some markets, a modified gross lease may be called a *double net lease, net net lease, partial net lease, or semi-gross le*ase. (Dictionary)

Negative Leasehold
A lease situation in which the market rent is less than the contract rent. (Dictionary)

Operating Expense Ratio
The ratio of total operating expenses to effective gross income (TOE/EGI); the complement of the net income ratio, i.e., OER = 1 – NIR (Dictionary)

Option
A legal contract, typically purchased for a stated consideration, that permits but does not require the holder of the option (known as the *optionee*) to buy, sell, or lease real estate for a stipulated period of time in accordance with specified terms; a unilateral right to exercise a privilege. (Dictionary)

Partial Interest
Divided or undivided rights in real estate that represent less than the whole, i.e., a fractional interest such as a tenancy in common, easement, or life interest. (Dictionary)

Pass Through
A tenant's portion of operating expenses that may be composed of common area maintenance (CAM), real property taxes, property insurance, and any other expenses determined in the lease agreement to be paid by the tenant. (Dictionary)

Attachment: MS01-21-1542 Knight Acquisition, Kiln (8243 : Approve payment for Knight Drive, Permanent Right-of-Way Acquisition.)

Percentage Lease
A lease in which the rent or some portion of the rent represents a specified percentage of the volume of business, productivity, or use achieved by the tenant. (Dictionary)

Positive Leasehold
A lease situation in which the market rent is greater than the contract rent. (Dictionary)

Potential Gross Income (PGI)
The total income attributable to property at full occupancy before vacancy and operating expenses are deducted. (Dictionary)

Prospective Future Value Upon Completion
A prospective market value may be appropriate for the valuation of a property interest related to a credit decision for a proposed development or renovation project. According to USPAP, an appraisal with a prospective market value reflects an effective date that is subsequent to the date of the appraisal report. … The prospective market value –as completed- reflects the property's market value as of the time that development is expected to be complete. (Dictionary)

Prospective Future Value Upon Stabilization
A prospective market value may be appropriate for the valuation of a property interest related to a credit decision for a proposed development or renovation project. According to USPAP, an appraisal with a prospective market value reflects an effective date that is subsequent to the date of the appraisal report …The prospective market value – as stabilized – reflects the property's market value as of the time the property is projected to achieve stabilized occupancy. For an income-producing property, stabilized occupancy is the occupancy level that a property is expected to achieve after the property is exposed to the market for lease over a reasonable period of time and at comparable terms and conditions to other similar properties. (Dictionary)

Replacement Cost
The estimated cost to construct, at current prices as of a specific date, a substitute for a building or other improvements, using modern materials and current standards, design, and layout. (Dictionary)

Reproduction Cost
The estimated cost to construct, at current prices as of the effective date of the appraisal, an exact duplicate or replica of the building being appraised, using the same materials, construction standards, design, layout, and quality of workmanship and embodying all of the deficiencies, superadequacies, and obsolescence of the subject building. (Dictionary)

Retrospective Value Opinion
A value opinion effective as of a specified historical date. The term *retrospective* does not define a type of value. Instead, it identifies a value opinion as being effective at some specific prior date. Value as of a historical date is frequently sought in connection with property tax appeals, damage models, lease renegotiation, deficiency judgments, estate tax, and condemnation. Inclusion of the type of value with this term is appropriate, e.g., "retrospective market value opinion." (Dictionary)

Sandwich Leasehold Estate
The interest held by the sandwich leaseholder when the property is subleased to another party; a type of leasehold estate. (Dictionary)

Sublease
An agreement in which the lessee in a prior lease conveys the right of use and occupancy of a property to another, the sublessee, for a specific period of time, which may or may not be coterminous with the underlying lease term. (Dictionary)

Subordination
A contractual arrangement in which a party with a claim to certain assets agrees to make his or her claim junior, or subordinate, to the claims of another party. (Dictionary)

Surplus Land
Land that is not currently needed to support the existing use but cannot be separated from the property and sold off for another use. Surplus land does not have an independent highest and best use and may or may not contribute value to the improved parcel. (Dictionary)

TPO
Thermoplastic polyolefin, a resilient synthetic roof covering.

Triple Net (Net Net Net) Lease
An alternative term for a type of net lease. In some markets, a net net net lease is defined as a lease in which the tenant assumes all expenses (fixed and variable) of operating a property except that the landlord is responsible for structural maintenance, building reserves, and management; also called *NNN lease, net net net lease, or fully net lease*. (Dictionary)

(The market definition of a triple net lease varies; in some cases tenants pay for items such as roof repairs, parking lot repairs, and other similar items.)

Usable Area
The measured area of an office area, store area, or building common area on a floor. The total of all the usable areas for a floor shall equal floor usable area of that same floor. (BOMA)

Attachment: MS01-21-1542 Knight Acquisition, Kiln (8243 : Approve payment for Knight Drive, Permanent Right-of-Way Acquisition.)

Value-in-Use

The value of a property assuming a specific use, which may or may not be the property's highest and best use on the effective date of the appraisal. Value in use may or may not be equal to market value but is different conceptually. (Dictionary)

VTAB

Value of the Total Assets of a Business. The value of a going concern (i.e. the business enterprise). (Dictionary)

Attachment: MS01-21-1542 Knight Acquisition, Kiln (8243 : Approve payment for Knight Drive, Permanent Right-of-Way Acquisition.)

RE: Appraisal Report (Court Ordered)
Sharpe - Temporary Construction Easement
3259 Kiln Delisle Road
Kiln, Hancock County, Mississippi 39556
Temporary Construction Easement (26,033 sq f.)

Dear Mr. Yarborough:

In accordance with your request, we have performed an appraisal of the above referenced property. This appraisal report sets forth the pertinent data gathered, the techniques employed, and the reasoning leading to our value opinions. This letter of transmittal does not constitute an appraisal report and the rationale behind the value opinion(s) reported cannot be adequately understood without the accompanying appraisal report.

The subject property, as referenced above, is located along the south side of Kiln Delisle Road, east of Highway 603, west of Fenton Delisle Road, within Kiln, Hancock County, Mississippi and is further identified as tax parcel number 068 -0-37-001.000. The parent tract comprises 14.88 acres of partially cleared agricultural land including a single-family residence and related site improvements. The purpose of this appraisal report is to estimate the `Just Compensation` for a temporary construction easement comprising 26,033 square feet (0.60 acres). The appraisal report is ordered by the Court and is required by the Hancock County Board of Supervisors for a bridge repair on Kiln-Delisle Road.

We developed our analyses, opinions, and conclusions and prepared this report in conformity with the Uniform Standards of Professional Appraisal Practice (USPAP) of the Appraisal Foundation; the Code of Professional Ethics and Standards of Professional Appraisal Practice of the Appraisal Institute; and the requirements of our client as we understand them.

The client in this assignment is the Yarborough Law Firm, PLLC and the intended users of this report are the Yarborough Law Firm, PLLC , Hancock County Board of Supervisors, and/or their assignees and no others. The sole intended use is to value a temporary construction easement needed for a bridge repair project by the Hancock County Board of Supervisors. This appraisal report is court ordered. The value opinions reported herein are subject to the definitions, assumptions, limiting conditions, and certifications contained in this report.

The findings and conclusions are further contingent upon the following extraordinary assumptions and/or hypothetical conditions, the use of which might have affected the assignment results:

Extraordinary Assumptions:

- The subject property contains a single-family residence and related improvements; however, for the purpose of this appraisal, the land will be valued as if vacant and the building improvements will not be valued in this appraisal report.
- This appraisal report is a before and after valuation of the subject property. It is acknowledged that the parent tract is improved with several structures. For purposes of this appraisal report, only the before-and-after valuation of the land is presented (the existing buildings are unaffected by the proposed acquisition). If an updated appraisal report is eventually needed, we reserve the right the revise this report to show the before-and-after valuation of the land and existing building improvements.
- There is a wood fence and landscaping (shrub, trees, misc.) within the temporary construction easement area. According to Gary Yarborough with the Yarborough Law Firm, the site improvements will be replaced by Hancock County; therefore, there is no contributory value for these site improvements included in our appraisal report.
- Coronavirus disease (COVID-19) is a unique event, and a reliable estimate of the impact on commercial real estate values is not possible at this time. The analyses and value conclusions in this report do not reflect the potential impact of the COVID-19 virus on real estate markets. Therefore, we have employed an Extraordinary Assumption that the impacts are short-term and do not negatively impact the asset value of the subject on a long-term basis. The use of this extraordinary assumption may affect assignment results.

Hypothetical Conditions:

- Hypothetical Condition: As discussed throughout this appraisal report, the "after" value of the subject parcel assumes that the proposed acquisition is in place. The "after" value is based on something contrary to what exists as of the effective date of this appraisal report. This scenario represents a hypothetical condition. The result of the hypothetical condition being applied is the value of the property "as if" the proposed acquisition has occurred. If the hypothetical condition were not applied, the value of the property is the "before" value.

Attachment: MS01-21-1541 Sharpe Construction Easement, Kiln (8244 : Approve payment for Sharpe, Temporary Construction Easement.)

Based on the analysis contained in the following report, our value conclusions are summarized as follows:

Compensation Summary	
Partial Acquisition	$0
Temporary Construction Easement	$975
Improvements	$0
Damages (Remainder Before less Remainder After)	$0
Cost to Cure	$0
Total Compensation (05-27-21)	**$975**

We appreciate the opportunity to provide real estate appraisal services to you and the Yarborough Law Firm, PLLC. After your review, should you have questions, please contact us.

Summary of Land Sales

Subject Property	Acres	Square Feet
Parent Tract	14.88	648,173
Temporary Construction Easement	0.60	26,033

Use of Real Estate as of the Effective Date of Value

As of the effective date of value, the subject was an agricultural/residential property with a single-family residence and related site improvements.

Use of Real Estate as Reflected in this Appraisal

The subject as is reflects use as an agricultural/residential (single-family) land. The temporary construction easement) is located at the northern boundary of the subject property and comprises 26,033 square feet or 0.60 acres. The temporary construction easement is being acquired for the purpose of a bridge repair project along Kiln-Delisle Road, by Hancock County Board of Supervisors.

Ownership of the Property

According to Hancock County, title to the subject property is vested in Ann L. Sharpe.

History of the Property

Ownership of the subject property has not changed within the past three years. The subject property has been occupied by the current owners for several years. The subject property is an improved agricultural/residential tract with a single-family residence and related site improvements.

Analysis of Listings/Offers/Contracts

The subject property is not offered for sale on the open market.

Type and Definition of Value

We developed opinions of value for the subject property under the following scenarios:

- Market value of the whole property – Before the Acquisition
- Market value of the whole property – After the Acquisition
- Any change in value to the subject as a result of the acquisition

"Market value," as used herein, is defined by the court case of City of Austin vs. Cannizzo, et al, 267 S.W. 2d 808, 815 (1954), which defines market value as follows:

…the price which the property would bring when it is offered for sale by one who desires, but is not obliged to sell, and is bought by one who is under no necessity of buying it, taking into consideration all of the uses to which it is reasonably adaptable and for which it either is or in all reasonable probability will become available within the reasonable future.

The market value estimate set forth herein is stated in terms of cash or financing terms equivalent to cash.

Please refer to the Glossary in the Addenda section for additional definitions of terms used in this report.

Assumptions and Conditions of the Appraisal

This appraisal assignment and the opinions reported herein are subject to the General Assumptions and Limiting Conditions contained in the report and the following extraordinary assumptions and/or hypothetical conditions, the use of which might have affected the assignment results.

Extraordinary Assumptions

- The subject property contains a single-family residence and related improvements; however, for the purpose of this appraisal, the land will be valued as if vacant and the building improvements will not be valued in this appraisal report.
- This appraisal report is a before and after valuation of the subject property. It is acknowledged that the parent tract is improved with several structures. For purposes of this appraisal report, only the before-and-after valuation of the land is presented (the existing buildings are unaffected by the proposed acquisition). If an updated appraisal report is eventually needed, we reserve the right the revise this report to show the before-and-after valuation of the land and existing building improvements.
- There is a wood fence and landscaping (shrub, trees, misc.) within the temporary construction easement area. According to Gary Yarborough with Yarborough Law Firm, the site improvements will be replaced by Hancock County; therefore, there is no contributory value for these site improvements included in our appraisal report.
- Coronavirus disease (COVID-19) is a unique event, and a reliable estimate of the impact on commercial real estate values is not possible at this time. The analyses and value conclusions in this report do not reflect the potential impact of the COVID-19 virus on real estate markets. Therefore, we have employed an Extraordinary Assumption that the impacts are short-term and do not negatively impact the asset value of the subject on a long-term basis. The use of this extraordinary assumption may affect assignment results.

Attachment: MS01-21-1541 Sharpe Construction Easement, Kiln (8244 : Approve payment for Sharpe, Temporary Construction Easement.)

Hypothetical Conditions

- Hypothetical Condition: As discussed throughout this appraisal report, the "after" value of the subject parcel assumes that the proposed acquisition is in place. The "after" value is based on something contrary to what exists as of the effective date of this appraisal report. This scenario represents a hypothetical condition. The result of the hypothetical condition being applied is the value of the property "as if" the proposed acquisition has occurred. If the hypothetical condition were not applied, the value of the property is the "before" value.

Attachment: MS01-21-1541 Sharpe Construction Easement, Kiln (8244 : Approve payment for Sharpe, Temporary Construction Easement.)

Scope of Work

The elements addressed in the Scope of Work are (1) the extent to which the subject property is identified, (2) the extent to which the subject property is inspected, (3) the type and extent of data researched, (4) the type and extent of analysis applied, (5) the type of appraisal report prepared, and (6) the inclusion or exclusion of items of non-realty in the development of the value opinion. These items are discussed as below.

The scope of this appraisal is concerned with developing an appraisal report to form an opinion of the market value of the subject property under the following scenarios.

1. As-is market value of the fee simple estate of the whole property before the acquisition
2. As-is market value of the fee simple estate of the whole property after the acquisition
3. Damages and/or cost to cure
4. Total compensation based on market value

Extent to Which the Property Was Identified

The three components of the property identification are summarized as follows:

- Legal Characteristics - The subject was legally identified via county Plat Map, Legal Description, and Deed.
- Economic Characteristics - Economic characteristics of the subject property were identified via Hancock County public records, STDB Online, Realty Rates, LoopNet, MLS, Costar, as well as a comparison to properties with similar locational and physical characteristics.
- Physical Characteristics - The subject was physically identified via an appraisal inspection that consisted of exterior observations of land only. No inspections were made of the building improvements.

Extent to Which the Property Was Inspected

We inspected the subject on 05-27-2021. We inspected from the road and the property owner was not present. We did not physically measure the improvements. The improvements are adequately set back from the temporary easement; therefore, are not affected by the acquisition.

Type and Extent of Data Researched

We researched and analyzed: (1) market area data, (2) property-specific market data, (3) zoning and land-use data, and (4) current data on comparable listings and transactions. We also interviewed people familiar with the subject market/property type.

Type and Extent of Analysis Applied (Valuation Methodology)

We observed surrounding land use trends, the condition of any improvements, demand for the subject property, and relevant legal limitations in concluding a highest and best use. We then valued the subject based on that highest and best use conclusion.

Attachment: MS01-21-1541 Sharpe Construction Easement, Kiln (8244 : Approve payment for Sharpe, Temporary Construction Easement.)

Appraisers develop an opinion of property value with specific appraisal procedures that reflect three distinct methods of data analysis: the Cost Approach, Sales Comparison Approach, and Income Capitalization Approach. One or more of these approaches are used in all estimations of value.

- Sales Comparison Approach - In the Sales Comparison Approach, value is indicated by recent sales and/or listings of comparable properties in the market, with the appraiser analyzing the impact of material differences in both economic and physical elements between the subject and the comparables.
- Direct Capitalization: Land Residual Method - The Land Residual Methodology involves estimating the residual net income to the land by deducting from total potential income the portion attributable to the improvements, assuming development of the site at its highest and best use. The residual income is capitalized at an appropriate rate, resulting in an indication of land value.
- Direct Capitalization: Ground Rent Capitalization – A market derived capitalization rate is applied to the net income resulting from a ground lease. This can represent the leased fee or fee simple interest, depending on whether the income potential is reflective of a lease in place or market rental rates.
- Yield Capitalization: Subdivision Development Method – Also known as Discounted Cash Flow Analysis (DCF), the methodology is most appropriate for land having multiple lot development in the near term as the highest and best use. The current site value is represented by discounting the anticipated cash flow to a present value, taking into consideration all necessary costs of development, maintenance, administration, and sales throughout the absorption period.

All of these approaches to value were considered. We assessed the availability of data and applicability of each approach to value within the context of the characteristics of the subject property and the needs and requirements of the client. Based on this assessment, we relied upon the Sales Comparison Approach (land only). The Cost Approach was not used because this is an appraisal of land only. The improvements were not included in the valuation of this report. The Income Capitalization Approach was not used because market participants rarely employ the Income Approach in their buy/sell decisions for a property like the subject. Further discussion of the extent of our analysis and the methodology of each approach is provided later in the respective valuation sections.

Appraisal Conformity and Report Type

We developed our analyses, opinions, and conclusions and prepared this report in conformity with the Uniform Standards of Professional Appraisal Practice (USPAP) of the Appraisal Foundation; the Code of Professional Ethics and Standards of Professional Appraisal Practice of the Appraisal Institute; the Financial Institutions Reform, Recovery, and Enforcement Act (FIRREA); and the requirements of our client as we understand them. This is an Appraisal Report as defined by the Uniform Standards of Professional Appraisal Practice under Standards Rule 2-2a.

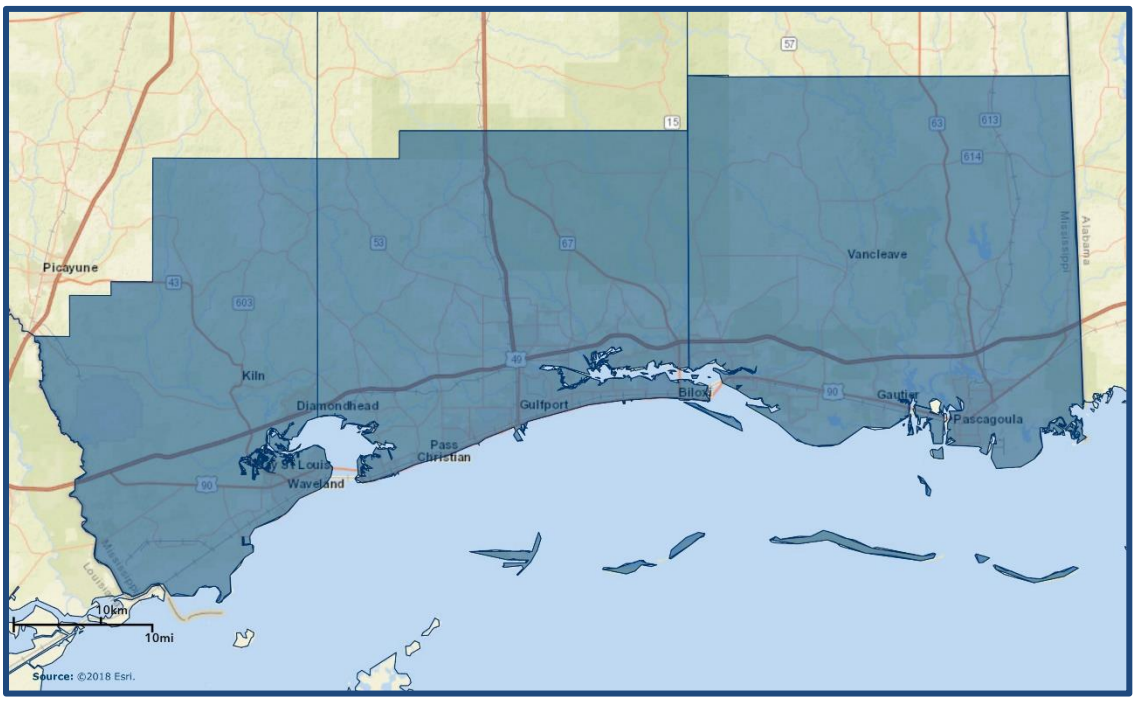

Personal Property/FF&E

All items of non-realty are excluded from this analysis. The opinion of market value developed herein is reflective of real estate only.

Conclusions

This information barely touches on the resources of the tri-county area of Hancock, Harrison, and Jackson Counties which encompass the southern portion of the state of Mississippi and according to the 2010 U.S. Census, is home to 370,702 people. The area's economic background is one of aerospace, shipbuilding, government, defense, gaming, tourism, retail, industry, and shipping. From an overall standpoint, the tri-county area has a favorable economic and social climate. A newcomer to the area will find many established communities and cities which offer year-round economic opportunities as well as considerable recreational facilities and natural resources. Considering its, location, climate, and economic strengths, the tri-county regional area is expected to continue its steady and stable history of population and economic growth.

Assessment and Tax Data

Assessment Methodology

The State of Mississippi requires each assessor to locate and value all taxable property within his county.

"True Value" shall mean and include, but shall not be limited to, market value, cash value, actual cash value, proper value, and value for the purposes of appraisal for ad valorem taxation. In arriving at the true value of all class I and class II property and improvements, the appraisal shall be made according to current use, regardless of location."
Mississippi Appraisal Manual

"Assessed Value" is a percentage of true value. The assessment rate to be used for each class of property to determine the assessed value is set by Mississippi's Constitution.

Five Classes of Property for Assessment Purposes
Class I - Single family, owner occupied, residential real property (Primary Residence*)
Assessment Rate = (10%) of value
Class II - All other real property
Assessment Rate = (15%) of value
Class III - Personal Property (business & industrial personal property)
Assessment Rate = (15%) of value
Class IV - Utilities (appraised either locally or by the State)
Assessment Rate = (30%) of value
Class V - Automobiles (valued by the State)
Assessment Rate = (30%) of value
** State Supreme Court No. 89-CA-1192*

Hancock County utilizes two of the three approaches to value to develop their assessments of real estate within the county. The cost approach is utilized to develop value for improvements to real estate. This is developed utilizing a cost manual and index provided by Mississippi's Department of Revenue. Agents of the county tax assessor inspect the real estate from the street and make necessary assumptions to develop an assessed value. Assessed value of land is developed considering market value, or if over 10 acres value in use. On par with the rest of the state Hancock County allows for certain exemptions.

Market Analysis

The Covid-19 pandemic upended economies globally beginning in Q1 2020. A year later, the virus continues to spread but is showing signs of relenting in many countries. Unprecedented vaccine development and manufacturing efforts, combined with mitigation strategies, have helped slow the virus's progress in many places and most leaders expect to see a return to pre-pandemic level activity in the second half of 2021 for most industries. As of March 2021, approximately 1/3 of all adults in the United States have received at least the first dose of a Covid-19 vaccine, with the US averaging two million doses administered per day. Oxford Economics' US Recovery Tracker rose 1.7 ppts to 85.3 in mid-March, a new high one year after the onset of the pandemic crisis.

Employment is stabilizing as more job listings are posted, layoffs are decreasing, and small businesses bring in new hires. Consumers are spending more on goods and leisure activity, including air travel and hotel rooms.

President Biden announced a $2 trillion infrastructure plan in March 2021. The plan calls for spending to improve basic infrastructure such as roads, bridges, electrical grids, and water systems, as well as expanding broadband internet access. It also calls for $213 billion to renovate more than 2,000,000 affordable housing units and commercial buildings and build more than 500,000 new low-cost housing units. As part of the housing plan, the president is asking for Congress to pass the Neighborhood Homes Investment Act, which would provide $20 billion in tax credits over the next five years for affordable housing. Additional spending in the Act would go toward modernization of Veteran's Affairs facilities, other federal buildings, and schools.

Other parts of the plan could bolster prospects for commercial real estate, including aid for rental housing, restaurants, and small business assistance. This, in addition to individual stimulus checks and assistance programs, aims to keep households stabilized as the recovery takes hold. Rental aid passed in December in the Consolidated Appropriations Act is intended to help multi-family property owners collect unpaid rents caused by eviction moratoria and renters unable to make payments.

Unemployment claims in late March fell to the lowest levels since the onset of the pandemic, though it is still a higher number than any week prior to 1982, according to Costar. The biggest concern is the high percentage of those unemployed for more than six months.

President Biden's tax plan proposals, made during his campaign, could affect commercial real estate markets if enacted. Possible impacts would include:

- Capital gains tax increases for those earning over $1 million per year from 20% to 39.6%
- Elimination of the 1031 exchange program
- Changing the taxing of Carried Interests from capital gains to ordinary income, effectively raising rates for most developers with these types of interests from 20% to 39.6%
- Repeal of the 20% deduction for qualified pass-through entities for taxpayers earning more than $400,000 per year.

Attachment: MS01-21-1541 Sharpe Construction Easement, Kiln (8244 : Approve payment for Sharpe, Temporary Construction Easement.)

It is too early to know if these changes will be pushed in the near term and what the political climate in Congress will be to support the plan, but the changing party in the White House and Congress means that some change to the markets and tax implications in real estate are likely in the next two years.

Capital fundraising for US commercial real estate investment is strong, with investment managers reporting that they intend to primarily raise capital from new investors rather than the traditional approach of sticking with existing investors. Managers are also seeing a shift in investors from large positions to smaller ones. Technology innovations have made it more feasible to manage smaller positions, enabling retail investors to get in for $150,000 to $300,000.

Cap rates for net leased assets are down from Q1 2020 in Q1 2021, according to the Boulder Group, in retail and industrial sectors, with office rates holding around the same place they were a year ago. Sector trends vary widely right now as specific property use and geographic location play large roles in market health. It remains incumbent on market participants to look at property, sector, and location details closely to understand fundamentals and project performance in coming months and years. Broad trends in the major sectors are discussed below. All sector graphs are from Costar's April 1, 2021, US Capital Markets Data Report.

Retail

Activity started to come back in Q3 2020 in transactions with well-capitalized and successful concept retailers taking advantage of vacant spaces at reduced rates. Some changes underway before Covid will continue as retail space and tenants modernize and adjust to evolving consumer demands and learned habits during lockdown.

Attachment: MS01-21-1541 Sharpe Construction Easement, Kiln (8244 : Approve payment for Sharpe, Temporary Construction Easement.)

Restaurant traffic, as evidenced by data from OpenTable, shows a steady increase since the beginning of the year and is expected to continue as vaccination rates grow and warm weather expands dining space options in northern areas. Grocery-anchored space remains strong, as well as home improvement retail. Clothing retailers continue to struggle, and we will see much transition in traditional clothing space such as department stores.

Office

Physical occupancy of office is at its lowest on record. As the pandemic wanes, office occupancy is very slow to come back. Leasing is at record low activity levels across the country, with varying degrees, depending on the metro area. Some experts believe we are at a bottom and may see some recovery in Q2 or Q3 this year, but this will likely look very different across various parts of the country and between CBD properties versus suburban low-density space.

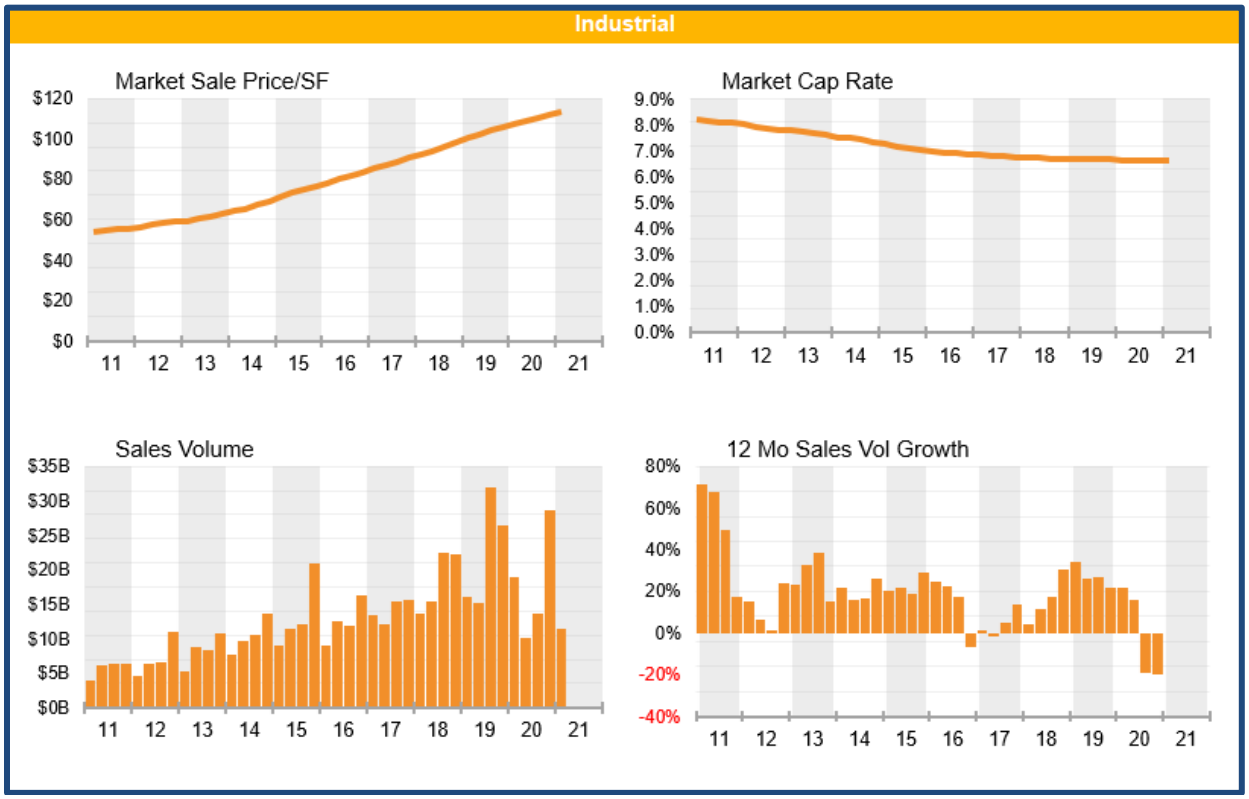

It is generally agreed that there will be wide-spread trends for new employees to spend at least some time working from home for the foreseeable future, and hot-desking between home, office and third-site locations will be the norm in many companies. Overall, firms are expected to reduce their office space needs by 30% as lockdown restrictions are lifted across the country.

Attachment: MS01-21-1541 Sharpe Construction Easement, Kiln (8244 : Approve payment for Sharpe, Temporary Construction Easement.)

Industrial

While all other sectors were negatively impacted by the pandemic, industrial was positively impacted, leading to the highest annual rental rate growth ever posted, 8.3%, according to RE Journals. This followed more than two years leading up to the pandemic of positive absorption, rent growth and low vacancy.

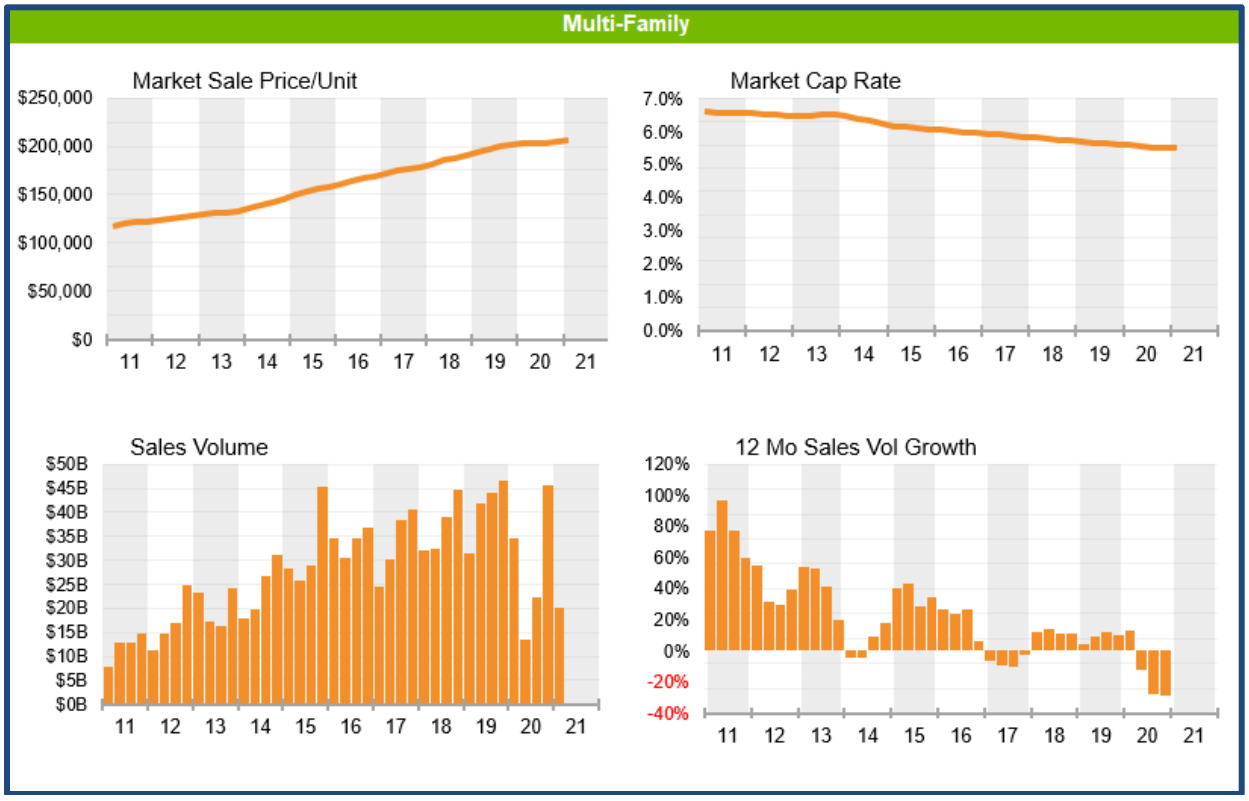

Investors, confident of ecommerce's strength and continuity, poured money into the sector and at year's end, a record 327 million square feet of industrial space was under construction. Distribution and warehouse space is the most in demand. Consumers with saved up cash are spending both online and in stores, creating demand to have inventory stored and ready to go. Personal saving in the United States in February was $2.4 trillion, which is a $1 trillion increase from a year ago.

Multifamily

The multi-family sector has weathered the crisis fairly well, helped in some cases by stimulus money and unemployment checks for renters and eviction moratoria, keeping occupancies up. Vacancy rates increased year-over-year, but when the hardest-hit metros are subtracted from the numbers, the decline is just over 1%.

Loan requirements tightened in 2020, as well as underwriting scrutiny, but both have loosened in recent months. Suburban properties and Class B and C products have been relatively strong, with urban core properties in coastal northern cities struggling. As workers' offices continue to re-open in 2021, it is unclear how occupancy in suburban, rural, and smaller metros will be impacted. Sunbelt areas are likely to benefit most as companies and individuals move south.

Attachment: MS01-21-1541 Sharpe Construction Easement, Kiln (8244 : Approve payment for Sharpe, Temporary Construction Easement.)

In other sectors, markets vary widely. Hospitality has seen a bigger hit than even office, with metrics showing the lowest performance on record. While 2020 was dark for all but a few hotel properties (notably, those on the coasts and near outdoor destinations with less restrictive lockdowns), early 2021 appears to have a brighter outlook. ADR growth is slowly increasing, and higher vaccination rates presumably mean people will begin feeling more comfortable traveling for both business and leisure.

Highest and Best Use

The Highest and Best Use of a property is the use that is legally permissible, physically possible, and financially feasible which results in the highest value. An opinion of the highest and best use results from consideration of the criteria noted above under the market conditions or likely conditions as of the effective date of value. Determination of highest and best use results from the judgment and analytical skills of the appraiser. It represents an opinion, not a fact. In appraisal practice, the concept of highest and best use represents the premise upon which value is based.

Analysis of Highest and Best Use As Though Vacant

The primary determinants of the highest and best use of the property As Though Vacant are the issues of (1) Legal permissibility, (2) Physical possibility, (3) Financial feasibility, and (4) Maximum productivity.

Legally Permissible

The subject site is zoned A-1, General Agricultural which controls the general nature of permissible uses but is appropriate for the location and physical elements of the subject property, providing for a consistency of use with the general neighborhood. The location of the subject property is appropriate for the uses allowed, as noted previously, and a change in zoning is unlikely. There are no known easements, encroachments, covenants, or other use restrictions that would unduly limit or impede development.

Physically Possible

The physical attributes allow for a number of potential uses. Elements such as size, shape, availability of utilities, known hazards (flood, environmental, etc.), and other potential influences are described in the Site Description and have been considered. There are no items of a physical nature which would adversely impact development with the legal permitted uses.

Financially Feasible

The probable use of the site for residential/agricultural structures conform to the pattern of land use in the market area. A review of published yield, rental and occupancy rates suggest that there is a balanced supply and demand is sufficient to support construction costs and ensure timely absorption of additional inventory in this market. Therefore, near-term speculative development of the subject site is financially feasible.

Maximally Productive

Among the financially feasible uses, the use that results in the highest value (the maximally productive use) is the highest and best use. Considering these factors, the maximally productive use as though vacant is for those agriculture uses allowed within its current A-1 zoning district use.

Conclusion of Highest and Best Use As Though Vacant

The conclusion of the highest and best use As Though Vacant is for those agriculture uses allowed within its current A-1 zoning district use.

Analysis of Highest and Best Use as Improved

In determining the highest and best use of the property as improved, the focus is on three possibilities for the property: 1) continuation of the existing use, 2) modification of the existing use, or 3) demolition and redevelopment of the land.

Retaining the improvements as they exist meets the tests for physical possibility, legal permissibility, and financial feasibility. The improvements are in average condition and any alternative use of the existing improvements is unlikely to be economically feasible. The market value of the property as improved exceeds the combination of vacant site value plus cost of demolition of the improvements. Therefore, demolition and redevelopment of the site is not maximally productive.

Conclusion of Highest and Best Use As Improved

The highest and best use of the subject property, as improved, is continued use as an agriculture property including a single-family residence use.

Most Probable Buyer

As of the date of value, the most probable buyer of the subject property is an owner occupant.

Determination of the Larger Parcel

In condemnation, the part of the tract that has unity of ownership, contiguity, and unity of use establishes the larger parcel. The larger parcel establishes the basis of the valuation. The property owner, Ann L. Sharpe, owns the entire residential property comprising 14.88 acres located at the south side of Kiln-Delisle Road, in Kiln, Hancock County, MS. The tract is zoned for agricultural/residential uses and is currently improved with a single-family dwelling and related site improvements. The unity of use is the primary criteria that establishes that the entire 14.88-acre tract as the larger parcel. As described throughout this report, based on the survey, the acquisition contains a temporary construction easement comprising 26,033± square feet or 0.60± acres. The entire 14.88-acre tract is associated with a single development tract.

Land Valuation

Methodology

Site Value is most often estimated using the sales comparison approach. This approach develops an indication of market value by analyzing closed sales, listings, or pending sales of properties similar to the subject, focusing on the difference between the subject and the comparables using all appropriate elements of comparison. This approach is based on the principles of supply and demand, balance, externalities, and substitution, or the premise that a buyer would pay no more for a specific property than the cost of obtaining a property with the same quality, utility, and perceived benefits of ownership.

The process of developing the sales comparison approach consists of the following analyses: (1) researching and verifying transactional data, (2) selecting relevant units of comparison, (3) analyzing and adjusting the comparable sales for differences in various elements of comparison, and (4) reconciling the adjusted sales into a value indication for the subject site.

Unit of Comparison

The unit of comparison depends on land use economics and how buyers and sellers use the property. The unit of comparison in this analysis is per gross acre.

Elements of Comparison

Elements of comparison are the characteristics or attributes of properties and transactions that cause the prices of real estate to vary. The primary elements of comparison considered in sales comparison analysis are as follows: (1) property rights conveyed, (2) financing terms, (3) conditions of sale, (4) expenditures made immediately after purchase, (5) market conditions, (6) location and (7) physical characteristics.

Comparable Sales Data

To obtain and verify comparable sales of vacant land properties, we conducted a search of public records, field surveys, interviews with knowledgeable real estate professionals in the area, and a review of our internal database.

The sales selected and presented in our analysis were judged to be the most comparable to develop an indication of market value for the subject property. The following is a table summarizing each sale comparable and a map illustrating the location of each in relation to the subject. Details of each comparable follow the location map.

Land Sales Comparison Analysis

When necessary, adjustments were made for differences in various elements of comparison, including property rights conveyed, financing terms, conditions of sale, expenditures made immediately after purchase, market conditions, location, and other physical characteristics. If the element in comparison is considered superior to that of the subject, we applied a negative adjustment. Conversely, a positive adjustment was applied if inferior. A summary of the elements of comparison follows.

Transaction Adjustments

Transaction adjustments include (1) real property rights conveyed, (2) financing terms, (3) conditions of sale and (4) expenditures made immediately after purchase. These items, which are applied prior to the market conditions and property adjustments, are discussed as follows:

Real Property Rights Conveyed

Real property rights conveyed influence sale prices and must be considered when analyzing a sale comparable. The appraised value and sale comparables all reflect the fee simple interest with no adjustments required.

Financing Terms

The transaction price of one property may differ from that of an identical property due to different financial arrangements. Sales involving financing terms that are not at or near market terms require adjustments for cash equivalency to reflect typical market terms. A cash equivalency procedure discounts the atypical mortgage terms to provide an indication of value at cash equivalent terms. All of the sale comparables involved typical market terms by which the sellers received cash or its equivalent and the buyers paid cash or tendered typical down payments and obtained conventional financing at market terms for the balance. Therefore, no adjustments for this category were required.

Conditions of Sale

When the conditions of sale are atypical, the result may be a price that is higher or lower than that of a normal transaction. Adjustments for conditions of sale usually reflect the motivations of either a buyer or a seller who is under duress to complete the transaction. Another more typical condition of sale involves the downward adjustment required to a comparable property's for-sale listing price, which usually reflects the upper limit of value. No adjustments for atypical conditions or for-sale listings were warranted.

Expenditures Made Immediately After Purchase

A knowledgeable buyer considers expenditures required upon purchase of a property, as these costs affect the price the buyer agrees to pay. Such expenditures may include: costs to demolish and remove any portion of the improvements, costs to petition for a zoning change, and/or costs to remediate environmental contamination.

The relevant figure is not the actual cost incurred, but the cost anticipated by both the buyer and seller. Unless the sales involved expenditures anticipated upon the purchase date, no adjustments to the comparable sales are required for this element of comparison. The parties to these transactions did not anticipate expenditures were required immediately after purchase; therefore, no adjustments were warranted.

Attachment: MS01-21-1541 Sharpe Construction Easement, Kiln (8244 : Approve payment for Sharpe, Temporary Construction Easement.)

Market Conditions Adjustment

Market conditions change over time because of inflation, deflation, fluctuations in supply and demand, or other factors. Changing market conditions may create a need for adjustment to comparable sale transactions completed during periods of dissimilar market conditions.

Discussions with market participants and a review of market data indicated overall market conditions for vacant land properties have been stable with recent transactions confirming this trend. When appropriate, we have applied adjustments for market conditions.

Property Adjustments

Property adjustments are usually expressed quantitatively as percentages or dollar amounts that reflect the differences in value attributable to the various characteristics of the property. In some instances, however, qualitative adjustments are used. These adjustments are based on locational and physical characteristics and are applied after transaction and market conditions adjustments.

Our reasoning for the property adjustments made to each sale comparable follows. The discussion analyzes each adjustment category deemed applicable to the subject property.

Location

Location adjustments may be required when the locational characteristics of a comparable property are different from those of the subject property. These include, but are not limited to, general neighborhood characteristics, freeway accessibility, street exposure, corner versus interior lot location, neighboring properties, view amenities, and other factors.

The subject property is located along Kiln Delisle Road with average access and average visibility. All three comparable land sales are located within the same area and are located within a few miles of the subject property. For this reason, there is no adjustments required for location.

Size

The size adjustment addresses variance in the physical size of the comparables and that of the subject, as a larger parcel typically commands a lower price per unit than a smaller parcel. This inverse relationship is due, in part, to the principle of "economies of scale."

The subject property consists of 14.88 gross acres (648,173 gross square feet), and 14.88 acres (648,173 square feet) of useable land area. The sales range in size from 6.200 to 12.200 acres and required size adjustments. We applied an adjustment factor of approximately 10.0% per doubling to each sale, resulting in total adjustments ranging from -13.0% to -4.0%.

Land Size Adjustment Table

Subject/Sale	Subject	Sale 1	Sale 2	Sale 3
Size	14.88 acres	12.20 ac	12.00 ac	6.20 ac
Adjustment		-4.00%	-4.00%	-13.00%

Summary of Adjustments

Presented on the following page is a summary of the adjustments made to the sale comparables. As noted earlier, these quantitative adjustments were based on our market research, best judgment, and experience in the appraisal of similar properties.

Conclusion

From the market data available, we used the relevant land sales in competitive market areas which were adjusted based on pertinent elements of comparison. The analysis of the sales in our set resulted in a range of unit pricing from which our value conclusion is drawn. The following table summarizes the unit prices resulting from our analysis:

Land Sale Statistics

Metric	Unadjusted	Analyzed	Adjusted
Min. Sales Price per Gross Acre	$12,917	$12,917	$12,400
Max. Sales Price per Gross Acre	$15,000	$15,000	$13,770
Median Sales Price per Gross Acre	$14,344	$14,344	$13,050
Mean Sales Price per Gross Acre	$14,087	$14,087	$13,073

The included sales were given similar weight within the sales grid. The adjusted prices for the comparable sales ranged from $12,400 to $13,770 per gross acre, with an average of $13,073 per gross acre and a median of $13,050 per gross acre. The included sales represent sales of competitive residential land sales from within the subject's market area. The sales are organized by sale date within the sales grid with Sale 1 being the most recent.

Based on the adjusted prices and the analysis of the sales presented, we have concluded a unit value for the subject property is near the mid-point of the adjusted range. This indicates a market value of $193,440. The comparable ranking analysis is illustrated within the following.

Ranking Analysis

Sale	$/Unit
Sale 1	$13,770
Sale 3	$13,050
Subject	**$13,000**
Sale 2	$12,400

Based on this analysis, the land value conclusions are summarized as follows:

Part to be Acquired

VIEW OF SUBJECT ACQUISITION AREA SHADED IN YELLOW

The proposed acquisition includes a temporary construction easement (26,033 square feet), shown in yellow in the above aerial photograph.

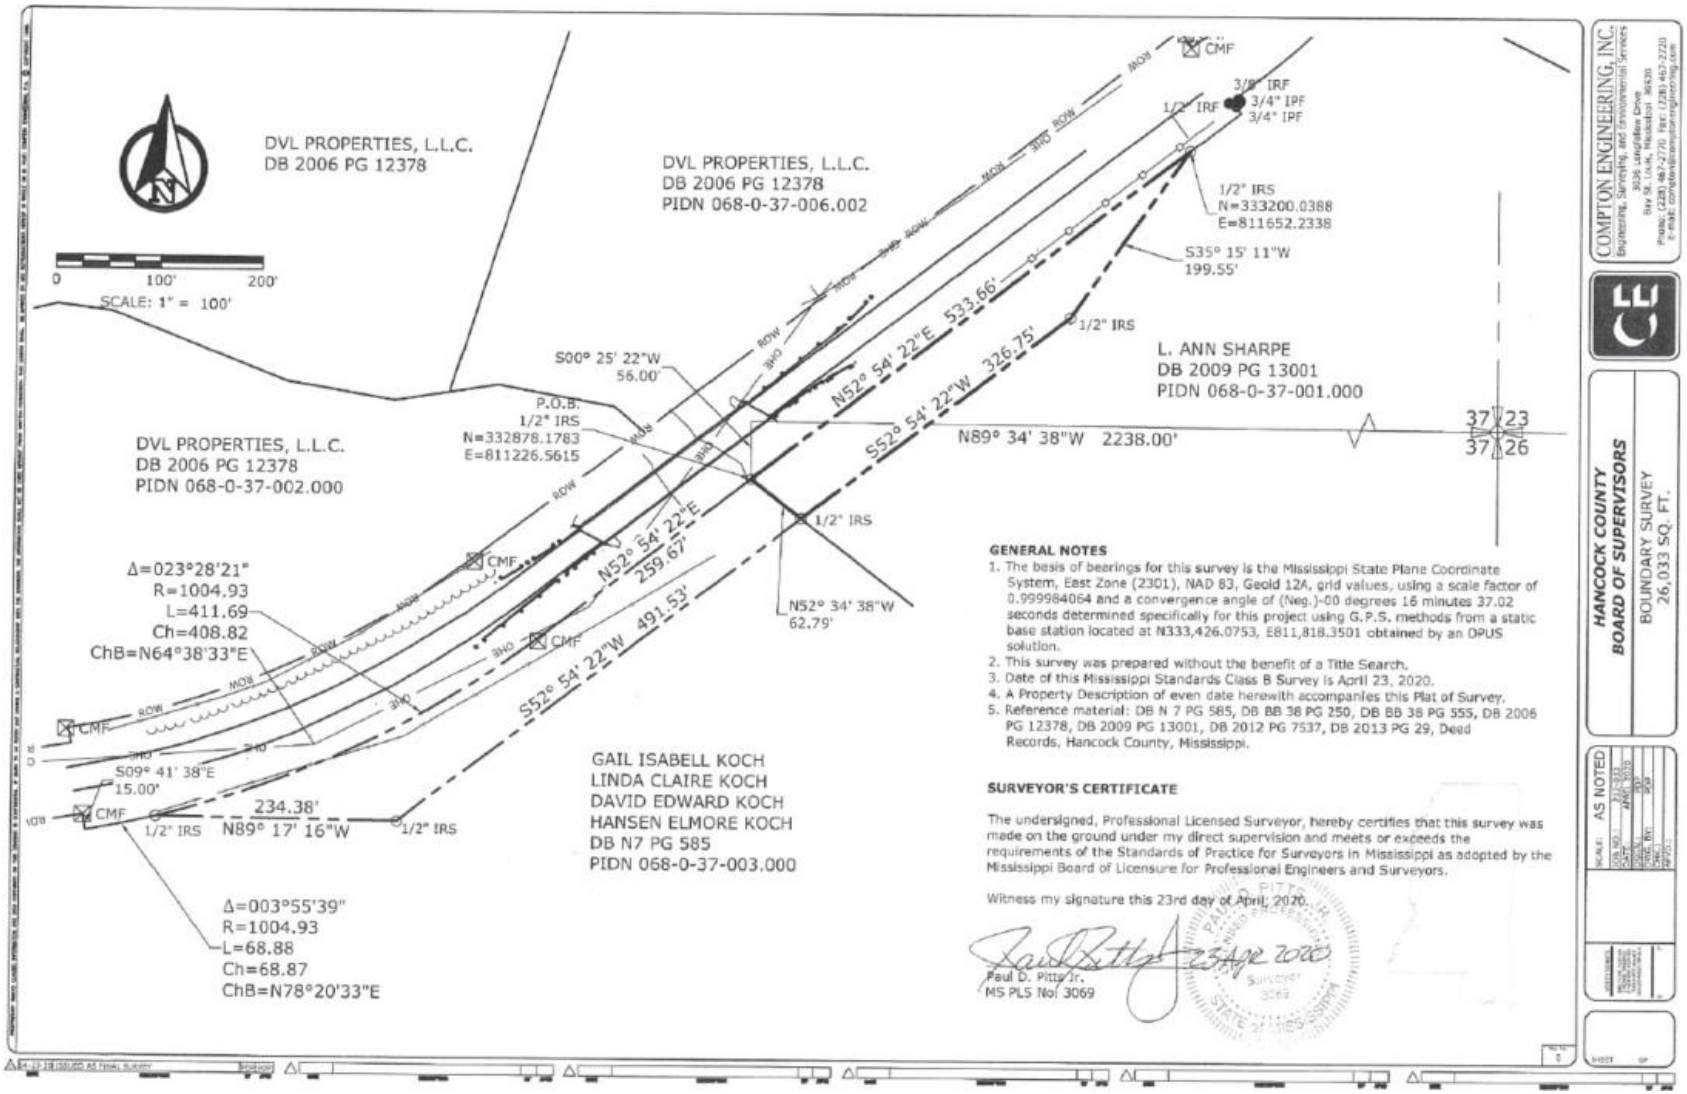

The acquisition extends along the northern property boundary. For the appraisal, we have utilized the land areas and dimensions in the survey prepared by Compton Engineering, Inc. dated April 23, 2020.

There are no building improvements located within the temporary construction easement. Site improvements located within the temporary construction easement area include a wood fence and landscaping (trees, shrubs, etc.)

Remainder After the Acquisition

There are no permanent acquisition areas proposed within the subject property. For this reason, the remainder of the acquisition is the same as the Before. The temporary construction easement is needed on a temporary basis (15 months) and there will be no changes to size, access, topography, soil conditions or other physical characteristics.

The value of the remainder after the acquisition is calculated as follows:

Remainder After the Acquisition					
Land Area	14.88 AC	x	13,000 PAC	=	$193,440
Acqusition Area	0 AC	x	13,000 PAC	=	$0

Compensation Estimate (Land Only)

To reach a final opinion of value (land only), we considered the reliability and relevance of each value indication based upon the quality of the data and applicability of the assumptions underlying each approach. The approaches relate well to one another within a pattern characteristic of current market conditions.

The value of the subject whole, the remainder before the acquisition, the remainder after the acquisition were estimated in the preceding section of this report. Utilizing these value estimates, total just compensation due the property owner (for the land only) is computed as follows:

Value of Temporary Construction Easement

As described throughout this report, a temporary construction easement is required. The temporary construction easement is used for the repair of the adjacent bridge located on Kiln-Delisle Road. It is temporary and terminates in 15 months. The value of the temporary construction easement is computed as follows:

Temporary Construction Easement Value Indication						
TCE Value						
0.60 acres	x	13,000 PAC	x	100%	=	$7,800
$7,800	x	10%	x	1.25 YRS	=	**$975**

Value of Improvements Within the Acquisition

There is a wood fence and landscaping (shrub, trees, misc.) within the temporary construction easement area. According to Gary Yarborough with the Yarborough Law Firm, the site improvements will be replaced by Hancock County; therefore, there is no contributory value for these site improvements included in our appraisal report.

Attachment: MS01-21-1541 Sharpe Construction Easement, Kiln (8244 : Approve payment for Sharpe, Temporary Construction Easement.)

Damages to the Remainder

The remainder parcel will have essentially the same location and physical characteristics before and after the acquisition. The subject is improved with a single-family residence and related improvements. The temporary construction easement is temporary and does not impact the improvements; therefore, there are no damages to the subject property.

Attachment: MS01-21-1541 Sharpe Construction Easement, Kiln (8244 : Approve payment for Sharpe, Temporary Construction Easement.)

Cost to Cure

The subject does contain a single-family residence and related improvements; however, are not impacted by the temporary construction easement. No improvements are being impacted by the temporary construction easement and there is no cost to cure.

General Assumptions and Limiting Conditions

This appraisal is subject to the following general assumptions and limiting conditions:

1. The legal description – if furnished to us – is assumed to be correct.
2. No responsibility is assumed for legal matters, questions of survey or title, soil or subsoil conditions, engineering, availability or capacity of utilities, or other similar technical matters. The appraisal does not constitute a survey of the property appraised. All existing liens and encumbrances have been disregarded and the property is appraised as though free and clear, under responsible ownership and competent management unless otherwise noted.
3. Unless otherwise noted, the appraisal will value the property as though free of contamination. Valbridge Property Advisors | South-Central Mississippi will conduct no hazardous materials or contamination inspection of any kind. It is recommended that the client hire an expert if the presence of hazardous materials or contamination poses any concern.
4. The stamps and/or consideration placed on deeds used to indicate sales are in correct relationship to the actual dollar amount of the transaction.
5. Unless otherwise noted, it is assumed there are no encroachments, zoning violations or restrictions existing in the subject property.
6. The appraiser is not required to give testimony or attendance in court by reason of this appraisal unless previous arrangements have been made.
7. Unless expressly specified in the engagement letter, the fee for this appraisal does not include the attendance or giving of testimony by Appraiser at any court, regulatory or other proceedings, or any conferences or other work in preparation for such proceeding. If any partner or employee of Valbridge Property Advisors | South-Central Mississippi is asked or required to appear and/or testify at any deposition, trial, or other proceeding about the preparation, conclusions or any other aspect of this assignment, client shall compensate Appraiser for the time spent by the partner or employee in appearing and/or testifying and in preparing to testify according to the Appraiser's then current hourly rate plus reimbursement of expenses.
8. The values for land and/or improvements, as contained in this report, are constituent parts of the total value reported and neither is (or are) to be used in making a summation appraisal of a combination of values created by another appraiser. Either is invalidated if so used.
9. The dates of value to which the opinions expressed in this report apply are set forth in this report. We assume no responsibility for economic or physical factors occurring at some point at a later date, which may affect the opinions stated herein. The forecasts, projections, or operating estimates contained herein are based on current market conditions and anticipated short-term supply and demand factors and are subject to change with future conditions. Appraiser is not responsible for determining whether the date of value requested by Client is appropriate for Client's intended use.
10. The sketches, maps, plats, and exhibits in this report are included to assist the reader in visualizing the property. The appraiser has made no survey of the property and assumed no responsibility in connection with such matters.
11. The information, estimates and opinions, which were obtained from sources outside of this office, are considered reliable. However, no liability for them can be assumed by the appraiser.

12. Possession of this report, or a copy thereof, does not carry with it the right of publication. Neither all, nor any part of the content of the report, or copy thereof (including conclusions as to property value, the identity of the appraisers, professional designations, reference to any professional appraisal organization or the firm with which the appraisers are connected), shall be disseminated to the public through advertising, public relations, news, sales, or other media without prior written consent and approval.
13. No claim is intended to be expressed for matters of expertise that would require specialized investigation or knowledge beyond that ordinarily employed by real estate appraisers. We claim no expertise in areas such as, but not limited to, legal, survey, structural, environmental, pest control, mechanical, etc.
14. This appraisal was prepared for the sole and exclusive use of the client for the function outlined herein. Any party who is not the client or intended user identified in the appraisal or engagement letter is not entitled to rely upon the contents of the appraisal without express written consent of Valbridge Property Advisors | South-Central Mississippi and Client. The Client shall not include partners, affiliates, or relatives of the party addressed herein. The appraiser assumes no obligation, liability, or accountability to any third party.
15. Distribution of this report is at the sole discretion of the client, but third parties not listed as an intended user on the face of the appraisal, or the engagement letter may not rely upon the contents of the appraisal. In no event shall client give a third-party a partial copy of the appraisal report. We will make no distribution of the report without the specific direction of the client.
16. This appraisal shall be used only for the function outlined herein, unless expressly authorized by Valbridge Property Advisors | South-Central Mississippi.
17. This appraisal shall be considered in its entirety. No part thereof shall be used separately or out of context.
18. Unless otherwise noted in the body of this report, this appraisal assumes that the subject property does not fall within the areas where mandatory flood insurance is effective. Unless otherwise noted, we have not completed, nor have we contracted to have completed an investigation to identify and/or quantify the presence of non-tidal wetland conditions on the subject property. Because the appraiser is not a surveyor, he or she makes no guarantees, express or implied, regarding this determination.
19. The flood maps are not site specific. We are not qualified to confirm the location of the subject property in relation to flood hazard areas based on the FEMA Flood Insurance Rate Maps or other surveying techniques. It is recommended that the client obtain a confirmation of the subject property's flood zone classification from a licensed surveyor.
20. If the appraisal is for mortgage loan purposes 1) we assume satisfactory completion of improvements if construction is not complete, 2) no consideration has been given for rent loss during rent-up unless noted in the body of this report, and 3) occupancy at levels consistent with our "Income and Expense Projection" are anticipated.
21. It is assumed that there are no hidden or unapparent conditions of the property, subsoil, or structures which would render it more or less valuable. No responsibility is assumed for such conditions or for engineering which may be required to discover them.

Attachment: MS01-21-1541 Sharpe Construction Easement, Kiln (8244 : Approve payment for Sharpe, Temporary Construction Easement.)

22. Our inspection included an observation of the land and improvements thereon only. It was not possible to observe conditions beneath the soil or hidden structural components within the improvements. We inspected the buildings involved, and reported damage (if any) by termites, dry rot, wet rot, or other infestations as a matter of information, and no guarantee of the amount or degree of damage (if any) is implied. Condition of heating, cooling, ventilation, electrical and plumbing equipment is considered to be commensurate with the condition of the balance of the improvements unless otherwise stated. Should the client have concerns in these areas, it is the client's responsibility to order the appropriate inspections. The appraiser does not have the skill or expertise to make such inspections and assumes no responsibility for these items.

23. This appraisal does not guarantee compliance with building code and life safety code requirements of the local jurisdiction. It is assumed that all required licenses, consents, certificates of occupancy or other legislative or administrative authority from any local, state, or national governmental or private entity or organization have been or can be obtained or renewed for any use on which the value conclusion contained in this report is based unless specifically stated to the contrary.

24. When possible, we have relied upon building measurements provided by the client, owner, or associated agents of these parties. In the absence of a detailed rent roll, reliable public records, or "as-built" plans provided to us, we have relied upon our own measurements of the subject improvements. We follow typical appraisal industry methods; however, we recognize that some factors may limit our ability to obtain accurate measurements including, but not limited to, property access on the day of inspection, basements, fenced/gated areas, grade elevations, greenery/shrubbery, uneven surfaces, multiple story structures, obtuse or acute wall angles, immobile obstructions, etc. Professional building area measurements of the quality, level of detail, or accuracy of professional measurement services are beyond the scope of this appraisal assignment.

25. We have attempted to reconcile sources of data discovered or provided during the appraisal process, including assessment department data. Ultimately, the measurements that are deemed by us to be the most accurate and/or reliable are used within this report. While the measurements and any accompanying sketches are considered to be reasonably accurate and reliable, we cannot guarantee their accuracy. Should the client desire more precise measurement, they are urged to retain the measurement services of a qualified professional (space planner, architect or building engineer) as an alternative source. If this alternative measurement source reflects or reveals substantial differences with the measurements used within the report, upon request of the client, the appraiser will submit a revised report for an additional fee.

26. In the absence of being provided with a detailed land survey, we have used assessment department data to ascertain the physical dimensions and acreage of the property. Should a survey prove this information to be inaccurate, upon request of the client, the appraiser will submit a revised report for an additional fee.

27. If only preliminary plans and specifications were available for use in the preparation of this appraisal, and a review of the final plans and specifications reveals substantial differences upon request of the client the appraiser will submit a revised report for an additional fee.

Attachment: MS01-21-1541 Sharpe Construction Easement, Kiln (8244 : Approve payment for Sharpe, Temporary Construction Easement.)

28. Unless otherwise stated in this report, the value conclusion is predicated on the assumption that the property is free of contamination, environmental impairment, or hazardous materials. Unless otherwise stated, the existence of hazardous material was not observed by the appraiser and the appraiser has no knowledge of the existence of such materials on or in the property. The appraiser, however, is not qualified to detect such substances. The presence of substances such as asbestos, urea-formaldehyde foam insulation or other potentially hazardous materials may affect the value of the property. No responsibility is assumed for any such conditions, or for any expertise or engineering knowledge required for discovery. The client is urged to retain an expert in this field, if desired.

29. The Americans with Disabilities Act ("ADA") became effective January 26, 1992. We have not made a specific compliance survey of the property to determine if it is in conformity with the various requirements of the ADA. It is possible that a compliance survey of the property, together with an analysis of the requirements of the ADA, could reveal that the property is not in compliance with one or more of the requirements of the Act. If so, this could have a negative effect on the value of the property. Since we have no direct evidence relating to this issue, we did not consider possible noncompliance with the requirements of ADA in developing an opinion of value.

30. This appraisal applies to the land and building improvements only. The value of trade fixtures, furnishings, and other equipment, or subsurface rights (minerals, gas, and oil) were not considered in this appraisal unless specifically stated to the contrary.

31. No changes in any federal, state, or local laws, regulations, or codes (including, without limitation, the Internal Revenue Code) are anticipated, unless specifically stated to the contrary.

32. Any income and expense estimates contained in the appraisal report are used only for the purpose of estimating value and do not constitute prediction of future operating results. Furthermore, it is inevitable that some assumptions will not materialize and that unanticipated events may occur that will likely affect actual performance.

33. Any estimate of insurable value, if included within the scope of work and presented herein, is based upon figures developed consistent with industry practices. However, actual local and regional construction costs may vary significantly from our estimate and individual insurance policies and underwriters have varied specifications, exclusions, and non-insurable items. As such, we strongly recommend that the Client obtain estimates from professionals experienced in establishing insurance coverage. This analysis should not be relied upon to determine insurance coverage and we make no warranties regarding the accuracy of this estimate.

34. The data gathered in the course of this assignment (except data furnished by the Client) shall remain the property of the Appraiser. The appraiser will not violate the confidential nature of the appraiser-client relationship by improperly disclosing any confidential information furnished to the appraiser. Notwithstanding the foregoing, the Appraiser is authorized by the client to disclose all or any portion of the appraisal and related appraisal data to appropriate representatives of the Appraisal Institute if such disclosure is required to enable the appraiser to comply with the Bylaws and Regulations of such Institute now or hereafter in effect.

35. You and Valbridge Property Advisors | South-Central Mississippi both agree that any dispute over matters in excess of $5,000 will be submitted for resolution by arbitration. This includes fee disputes and any claim of malpractice. The arbitrator shall be mutually selected. If Valbridge Property Advisors | South-Central Mississippi and the client cannot agree on the arbitrator, the presiding head of the Local County Mediation & Arbitration panel shall select the arbitrator. Such arbitration shall be binding and final. In agreeing to arbitration, we both acknowledge that, by agreeing to binding arbitration, each of us is giving up the right to have the dispute decided in a court of law before a judge or jury. In the event that the client, or any other party, makes a claim against Valbridge Property Advisors | South-Central Mississippi or any of its employees in connections with or in any way relating to this assignment, the maximum damages recoverable by such claimant shall be the amount actually received by Valbridge Property Advisors | South-Central Mississippi for this assignment, and under no circumstances shall any claim for consequential damages be made.

36. Valbridge Property Advisors | South-Central Mississippi shall have no obligation, liability, or accountability to any third party. Any party who is not the "client" or intended user identified on the face of the appraisal or in the engagement letter is not entitled to rely upon the contents of the appraisal without the express written consent of Valbridge Property Advisors | South-Central Mississippi. "Client" shall not include partners, affiliates, or relatives of the party named in the engagement letter. Client shall hold Valbridge Property Advisors | South-Central Mississippi and its employees harmless in the event of any lawsuit brought by any third party, lender, partner, or part-owner in any form of ownership or any other party as a result of this assignment. The client also agrees that in case of lawsuit arising from or in any way involving these appraisal services, client will hold Valbridge Property Advisors | South-Central Mississippi harmless from and against any liability, loss, cost, or expense incurred or suffered by Valbridge Property Advisors | South-Central Mississippi in such action, regardless of its outcome.

37. The Valbridge Property Advisors office responsible for the preparation of this report is independently owned and operated by Mississippi Valuations, LLC. Neither Valbridge Property Advisors, Inc., nor any of its affiliates has been engaged to provide this report. Valbridge Property Advisors, Inc. does not provide valuation services, and has taken no part in the preparation of this report.

38. If any claim is filed against any of Valbridge Property Advisors, Inc., a Florida Corporation, its affiliates, officers or employees, or the firm providing this report, in connection with, or in any way arising out of, or relating to, this report, or the engagement of the firm providing this report, then (1) under no circumstances shall such claimant be entitled to consequential, special or other damages, except only for direct compensatory damages, and (2) the maximum amount of such compensatory damages recoverable by such claimant shall be the amount actually received by the firm engaged to provide this report.

39. This report and any associated work files may be subject to evaluation by Valbridge Property Advisors, Inc., or its affiliates, for quality control purposes.

40. Acceptance and/or use of this appraisal report constitutes acceptance of the foregoing general assumptions and limiting conditions.

41. The global outbreak of a "novel coronavirus" (known as COVID-19) was officially declared a pandemic by the World Health Organization (WHO). It is currently unknown what direct, or indirect, effect, if any, this event may have on the national economy, the local economy, or the market in which the subject property is located. The reader is cautioned and reminded that the conclusions presented in this appraisal report apply only as of the effective date(s) indicated. The appraiser makes no representation as to the effect on the subject property of this event, or any event, subsequent to the effective date of the appraisal.

Motion for Appointment of Appraiser

IN THE COUNTY COURT OF HANCOCK COUNTY, MISSISSIPPI
SPECIAL COURT OF EMINENT DOMAIN

HANCOCK COUNTY, MISSISSIPPI BOARD OF SUPERVISORS — **PLAINTIFF**

VERSUS — **CIVIL ACTION NO. CC21-0073**

ANN L. SHARPE — **DEFENDANT**

ORDER GRANTING Motion for Appointment of Appraiser

THIS CAUSE THIS DAY came to be heard on Hancock County, Mississippi's motion pursuant to MS Code Section 11-27-83 for appointment of an appraiser. The Court finds the motion is well-taken and should be granted as follows:

The Court finds that:

1. Hancock County has filed this instant cause of action requesting to obtain property via a quick take for the immediate possession as needed to comply with grant timelines and the construction and repair of a bridge on Crane Creek Road, Hancock County, Mississippi. Defendant has been served with process in this action, as is indicated in the record of this cause and the return of service.

2. Pursuant to MS Code Section 11-27-83, after service of process in the instance of a quick take, the court "[s]hall appoint a disinterested, knowledgeable person qualified to make an appraisal of the property described in the complaint to act as appraiser, with the appraiser to

Glossary

Definitions are taken from The Dictionary of Real Estate Appraisal, 6th Edition (Dictionary), the Uniform Standards of Professional Appraisal Practice (USPAP), and Building Owners and Managers Association International (BOMA).

Absolute Net Lease

A lease in which the tenant pays all expenses including structural maintenance, building reserves, and management; often a long-term lease to a credit tenant. (Dictionary)

Amortization

The process of retiring a debt or recovering a capital investment, typically through scheduled, systematic repayment of the principal; a program of periodic contributions to a sinking fund or debt retirement fund. (Dictionary)

As Is Market Value

The estimate of the market value of real property in its current physical condition, use, and zoning as of the appraisal date. (Dictionary)

Base Rent

The minimum rent stipulated in a lease. (Dictionary)

Base Year

The year on which escalation clauses in a lease are based. (Dictionary)

Building Common Area

In office buildings, the areas of the building that provide services to building tenants, but which are not included in the office area or store area of any specific tenant. These areas may include, but shall not be limited to, main and auxiliary lobbies, atrium spaces at the level of the finished floor, concierge areas or security desks, conference rooms, lounges or vending areas, food service facilities, health or fitness centers, daycare facilities, locker or shower facilities, mail rooms, fire control rooms, fully enclosed courtyards outside the exterior walls, and building core and service areas such as fully enclosed mechanical or equipment rooms. Specifically excluded from building common area are floor common areas, parking space, portions of loading docks outside the building line, and major vertical penetrations. (BOMA)

Building Rentable Area

The sum of all floors rentable areas. Floor rentable area is the result of subtracting from the gross measured area of a floor the major vertical penetrations on that same floor. It is generally fixed for the life of the building and is rarely affected by changes in corridor size or configuration. (BOMA)

Bulk Value

The value of multiple units, subdivided plots, or properties in a portfolio as though sold together in a single transaction.

Certificate of Occupancy (COO)

A formal written acknowledgment by an appropriate unit of local government that a new construction or renovation project is at the stage where it meets applicable health and safety codes and is ready for commercial or residential occupancy. (Dictionary)

Common Area Maintenance (CAM)

The expense of operating and maintaining common areas; may or may not include management charges and usually does not include capital expenditures on tenant improvements or other improvements to the property. (Dictionary)

The amount of money charged to tenants for their shares of maintaining a [shopping] center's common area. The charge that a tenant pays for shared services and facilities such as electricity, security, and maintenance of parking lots. Items charged to common area maintenance may include cleaning services, parking lot sweeping and maintenance, snow removal, security, and upkeep. (ICSC – International Council of Shopping Centers, 4th Ed.)

Condominium

A multiunit structure, or a unit within such a structure, with a condominium form of ownership. (Dictionary)

Conservation Easement

An interest in real estate restricting future land use to preservation, conservation, wildlife habitat, or some combination of those uses. A conservation easement may permit farming, timber harvesting, or other uses of a rural nature as well as some types of conservation-oriented development to continue, subject to the easement. (Dictionary)

Contributory Value

A type of value that reflects the amount a property or component of a property contributes to the value of another asset or to the property as a whole.

The change in the value of a property as a whole, whether positive or negative, resulting from the addition or deletion of a property component. Also called deprival value in some countries. (Dictionary)

Debt Coverage Ratio (DCR)

The ratio of net operating income to annual debt service (DCR = NOI/Im), which measures the relative ability of a property to meet its debt service out of net operating income; also called *debt service coverage ratio (DSCR)*. A larger *DCR* typically indicates a greater ability for a property to withstand a reduction of income, providing an improved safety margin for a lender. (Dictionary)

Deed Restriction

A provision written into a deed that limits the use of land. Deed restrictions usually remain in effect when title passes to subsequent owners. (Dictionary)

Depreciation

In appraisal, a loss in property value from any cause; the difference between the cost of an improvement on the effective date of the appraisal and the market value of the improvement on the same date.

In accounting, an allocation of the original cost of an asset, amortizing the cost over the asset's life; calculated using a variety of standard techniques. (Dictionary)

Disposition Value

The most probable price that a specified interest in property should bring under the following conditions:

- Consummation of a sale within a specified time, which is shorter than the typical exposure time for such a property in that market.
- The property is subjected to market conditions prevailing as of the date of valuation;
- Both the buyer and seller are acting prudently and knowledgeably;
- The seller is under compulsion to sell;
- The buyer is typically motivated;
- Both parties are acting in what they consider to be their best interests;
- An adequate marketing effort will be made during the exposure time;
- Payment will be made in cash in U.S. dollars (or the local currency) or in terms of financial arrangements comparable thereto; and
- The price represents the normal consideration for the property sold, unaffected by special or creative financing or sales concessions granted by anyone associated with the sale. (Dictionary)

Double Net (Net Net) Lease

An alternative term for a type of net lease. In some markets, a net lease is defined as a lease in which the tenant is responsible to pay both property taxes and premiums for insuring the building(s). (Valbridge)

(The market definition of a double net lease varies depending on the market)

Easement

The right to use another's land for a stated purpose. (Dictionary)

EIFS

Exterior Insulation Finishing System. This is a type of exterior wall cladding system. Sometimes referred to as dry-vit.

The date on which the appraisal or review opinion applies. (SVP)

In a lease document, the date upon which the lease goes into effect. (Dictionary)

Effective Gross Income (EGI)

The anticipated income from all operations of the real estate after an allowance is made for vacancy and collection losses and an addition is made for any other income. (Dictionary)

Effective Rent

Total base rent, or minimum rent stipulated in a lease, over the specified lease term minus rent concessions; the rent that is effectively paid by a tenant net of financial concessions provided by a landlord. (TIs). (Dictionary)

EPDM

Ethylene Propylene Diene Monomer Rubber. A type of synthetic rubber typically used for roof coverings. (Dictionary)

Escalation Clause

A clause in an agreement that provides for the adjustment of a price or rent based on some event or index. e.g., a provision to increase rent if operating expenses increase; also called *escalator clause, expense recovery clause or stop clause*. (Dictionary)

Estoppel Certificate

A signed statement by a party (such as a tenant or a mortgagee) certifying, for another's benefit, that certain facts are correct, such as that a lease exists, that there are no defaults, and that rent is paid to a certain date. (Black's) In real estate, a buyer of rental property typically requests estoppel certificates from existing tenants. Sometimes referred to as an *estoppel letter*. (Dictionary)

Excess Land

Land that is not needed to serve or support the existing use. The highest and best use of the excess land may or may not be the same as the highest and best use of the improved parcel. Excess land has the potential to be sold separately and is valued separately. (Dictionary)

Attachment: MS01-21-1541 Sharpe Construction Easement, Kiln (8244 : Approve payment for Sharpe, Temporary Construction Easement.)

Excess Rent
The amount by which contract rent exceeds market rent at the time of the appraisal; created by a lease favorable to the landlord (lessor) and may reflect unusual management, unknowledgeable or unusually motivated parties, a lease execution in an earlier, stronger rental market, or an agreement of the parties. (Dictionary)

Expense Stop
A clause in a lease that limits the landlord's expense obligation, which results in the lessee paying operating expenses above a stated level or amount. (Dictionary)

Exposure Time
The time a property remains on the market.
The estimated length of time that the property interest being appraised would have been offered on the market prior to the hypothetical consummation of a sale at market value on the effective date of the appraisal;

Comment: Exposure time is a retrospective opinion based on an analysis of past events assuming a competitive and open market. (Dictionary)

Extraordinary Assumption
An assignment-specific assumption as of the effective date regarding uncertain information used in an analysis which, if found to be false, could alter the appraiser's opinions or conclusions.

Comment: Uncertain information might include physical, legal, or economic characteristics of the subject property; or conditions external to the property, such as market conditions or trends; or the integrity of data used in an analysis. (USPAP)

Fee Simple Estate
Absolute ownership unencumbered by any other interest or estate, subject only to the limitations imposed by the governmental powers of taxation, eminent domain, police power, and escheat. (Dictionary)

Floor Common Area
In an office building, the areas on a floor such as washrooms, janitorial closets, electrical rooms, telephone rooms, mechanical rooms, elevator lobbies, and public corridors which are available primarily for the use of tenants on that floor. (BOMA)

Full Service (Gross) Lease
A lease in which the landlord receives stipulated rent and is obligated to pay all of the property's operating and fixed expenses; also called a *full service lease*. (Dictionary)

Furniture, Fixtures, and Equipment (FF&E)
Business trade fixtures and personal property, exclusive of inventory. (Dictionary)

Going-Concern Value
An outdated label for the market value of all the tangible and intangible assets of an established and operating business with an indefinite life, as if sold in aggregate; more accurately termed the *market value of the going concern* or *market value of the total assets of the business.* (Dictionary)

Gross Building Area (GBA)
Total floor area of a building, excluding unenclosed areas, measured from the exterior of the walls of the above-grade area. This includes mezzanines and basements if and when typically included in the market area of the type of property involved.

Gross leasable area plus all common areas.
For residential space, the total area of all floor levels measured from the exterior of the walls and including the superstructure and substructure basement; typically does not include garage space. (Dictionary)

Gross Measured Area
The total area of a building enclosed by the dominant portion (the portion of the inside finished surface of the permanent outer building wall which is 50 percent or more of the vertical floor-to-ceiling dimension, at the given point being measured as one moves horizontally along the wall), excluding parking areas and loading docks (or portions of same) outside the building line. It is generally not used for leasing purposes and is calculated on a floor by floor basis. (BOMA)

Gross Up Method
A method of calculating variable operating expenses in income-producing properties when less than 100% occupancy is assumed. Expenses reimbursed based on the amount of occupied space, rather than on the total building area, are described as "grossed up." (Dictionary)

Gross Retail Sellout
The sum of the separate and distinct market value opinions for each of the units in a condominium, subdivision development, or portfolio of properties, as of the date of valuation. The aggregate of retail values does not represent the value of all the units as though sold together in a single transaction; it is simply the total of the individual market value conclusions. Also called the *aggregate of the retail values, aggregate retail selling price or sum of the retail values.* (Dictionary)

Ground Lease
A lease that grants the right to use and occupy land. Improvements made by the ground lessee typically revert to the ground lessor at the end of the lease term. (Dictionary)

Attachment: MS01-21-1541 Sharpe Construction Easement, Kiln (8244 : Approve payment for Sharpe, Temporary Construction Easement.)

Ground Rent
The rent paid for the right to use and occupy land according to the terms of a ground lease; the portion of the total rent allocated to the underlying land. (Dictionary)

HVAC
Heating, ventilation, air conditioning (HVAC) system. A unit that regulates the temperature and distribution of heat and fresh air throughout a building. (Dictionary)

Highest and Best Use
The reasonably probable use of property that results in the highest value. The four criteria that the highest and best use must meet are legal permissibility, physical possibility, financial feasibility, and maximum productivity.

The use of an asset that maximizes its potential and that is possible, legally permissible, and financially feasible. The highest and best use may be for continuation of an asset's existing use of for some alternative use. This is determined by the use that a market participant would have in mind for the asset when formulating the price that it would be willing to bid. (IVS)

[The] highest and most profitable use for which the property is adaptable and needed or likely to be needed in the reasonably near future. (Uniform Appraisal Standards for Federal Land Acquisitions) (Dictionary)

Hypothetical Condition
A condition, directly related to a specific assignment, which is contrary to what is known by the appraiser to exist on the effective date of the assignment results, but is used for the purpose of analysis.

Comment: Hypothetical conditions are contrary to known facts about physical, legal, or economic characteristics of the subject property; or about conditions external to the property, such as market conditions or trends; or about the integrity of data used in an analysis. (USPAP)

Insurable Value
A type of value for insurance purposes. (Typically this includes replacement cost less basement excavation, foundation, underground piping, and architect's fees). (Dictionary)

Investment Value
The value of a property to a particular investor or class of investors based on the investor's specific requirements. Investment value may be different from market value because it depends on a set of investment criteria that are not necessarily typical of the market. (Dictionary)

Just Compensation
In condemnation, the amount of loss for which a property owner is compensated when his or her property is taken. Just compensation should put the owner in as good a position pecuniarily as he or she would have been if the property had not been taken. (Dictionary)

Leased Fee Interest
The ownership interest held by the lessor, which includes the right to receive the contract rent specified in the lease plus the reversionary right when the lease expires. (Dictionary)

Leasehold Interest
The right held by the lessee to use and occupy real estate for a stated term and under the conditions specified in the lease. (Dictionary)

See also Positive Leasehold and Negative Leasehold.

Lessee (Tenant)
One who has the right to occupancy and use of the property of another for a period of time according to a lease agreement. (Dictionary)

Lessor (Landlord)
One who conveys the rights of occupancy and use to others under a lease agreement. (Dictionary)

Liquidation Value
The most probable price that a specified interest in property should bring under the following conditions:

- Consummation of a sale within a short time period.
- The property is subjected to market conditions prevailing as of the date of valuation.
- Both the buyer and seller are acting prudently and knowledgeably.
- The seller is under extreme compulsion to sell.
- The buyer is typically motivated.
- Both parties are acting in what they consider to be their best interests.
- A normal marketing effort is not possible due to the brief exposure time.
- Payment will be made in cash in U.S. dollars (or the local currency) or in terms of financial arrangements comparable thereto.

The price represents the normal consideration for the property sold, unaffected by special or creative financing or sales concessions granted by anyone associated with the sale. (Dictionary)

Attachment: MS01-21-1541 Sharpe Construction Easement, Kiln (8244 : Approve payment for Sharpe, Temporary Construction Easement.)

Loan to Value Ratio (LTV)
The ratio between a mortgage loan and the value of the property pledged as security, usually expressed as a percentage. (Dictionary)

Major Vertical Penetrations
Stairs, elevator shafts, flues, pipe shafts, vertical ducts, and the like, and their enclosing walls. Atria, lightwells and similar penetrations above the finished floor are included in this definition. Not included, however, are vertical penetrations built for the private use of a tenant occupying office areas on more than one floor. Structural columns, openings for vertical electric cable or telephone distribution, and openings for plumbing lines are not considered to be major vertical penetrations. (BOMA)

Market Rent
The most probable rent that a property should bring in a competitive and open market under all the conditions requisite to a fair lease transaction, the lessee, and the lessor each acting prudently and knowledgeably, and assuming the rent is not affected by undue stimulus. Implicit in this definition is the execution of a lease as of a specified date under conditions whereby:
Lessee and lessor are typically motivated;
Both parties are well informed or well advised, and acting in what they consider their best interests;
Payment is made in terms of cash or in terms of financial arrangements comparable thereto; and
The rent reflects specified terms and conditions, such as permitted uses, use restrictions, expense obligations, duration, concessions, rental adjustments and revaluations, renewal and purchase options, and tenant improvements (TIs). (Appraisal Institute)

Market Value
The most probable price that a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller each acting prudently and knowledgeably, and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby:

- Buyer and seller are typically motivated;
- Both parties are well informed or well advised, and acting in what they consider their own best interests;
- A reasonable time is allowed for exposure in the open market;
- Payment is made in terms of cash in United States dollars or in terms of financial arrangements comparable thereto; and
- The price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions granted by anyone associated with the sale. (Dictionary)

Marketing Time
An opinion of the amount of time it might take to sell a real or personal property interest at the concluded market value level during the period immediately after the effective date of an appraisal. Marketing time differs from exposure time, which is always presumed to precede the effective date of an appraisal. (Advisory Opinion 7 of the Appraisal Standards Board of the Appraisal Foundation)

Master Lease
A lease in which the fee owner leases a part or the entire property to a single entity (the master lease) in return for a stipulated rent. The master lessee then leases the property to multiple tenants. (Dictionary)

Modified Gross Lease
A lease in which the landlord receives stipulated rent and is obligated to pay some, but not all, of the property's operating and fixed expenses. Since assignment of expenses varies among modified gross leases, expense responsibility must always be specified. In some markets, a modified gross lease may be called a *double net lease, net lease, partial net lease, or semi-gross le*ase. (Dictionary)

Negative Leasehold
A lease situation in which the market rent is less than the contract rent. (Dictionary)

Operating Expense Ratio
The ratio of total operating expenses to effective gross income (TOE/EGI); the complement of the net income ratio, i.e., OER = 1 – NIR (Dictionary)

Option
A legal contract, typically purchased for a stated consideration, that permits but does not require the holder of the option (known as the *optionee*) to buy, sell, or lease real estate for a stipulated period of time in accordance with specified terms; a unilateral right to exercise a privilege. (Dictionary)

Partial Interest
Divided or undivided rights in real estate that represent less than the whole, i.e., a fractional interest such as a tenancy in common, easement, or life interest. (Dictionary)

Pass Through
A tenant's portion of operating expenses that may be composed of common area maintenance (CAM), real property taxes, property insurance, and any other expenses determined in the lease agreement to be paid by the tenant. (Dictionary)

Attachment: MS01-21-1541 Sharpe Construction Easement, Kiln (8244 : Approve payment for Sharpe, Temporary Construction Easement.)

Percentage Lease
A lease in which the rent or some portion of the rent represents a specified percentage of the volume of business, productivity, or use achieved by the tenant. (Dictionary)

Positive Leasehold
A lease situation in which the market rent is greater than the contract rent. (Dictionary)

Potential Gross Income (PGI)
The total income attributable to property at full occupancy before vacancy and operating expenses are deducted. (Dictionary)

Prospective Future Value Upon Completion
A prospective market value may be appropriate for the valuation of a property interest related to a credit decision for a proposed development or renovation project. According to USPAP, an appraisal with a prospective market value reflects an effective date that is subsequent to the date of the appraisal report. … The prospective market value –as completed- reflects the property's market value as of the time that development is expected to be complete. (Dictionary)

Prospective Future Value Upon Stabilization
A prospective market value may be appropriate for the valuation of a property interest related to a credit decision for a proposed development or renovation project. According to USPAP, an appraisal with a prospective market value reflects an effective date that is subsequent to the date of the appraisal report …The prospective market value – as stabilized – reflects the property's market value as of the time the property is projected to achieve stabilized occupancy. For an income-producing property, stabilized occupancy is the occupancy level that a property is expected to achieve after the property is exposed to the market for lease over a reasonable period of time and at comparable terms and conditions to other similar properties. (Dictionary)

Replacement Cost
The estimated cost to construct, at current prices as of a specific date, a substitute for a building or other improvements, using modern materials and current standards, design, and layout. (Dictionary)

Reproduction Cost
The estimated cost to construct, at current prices as of the effective date of the appraisal, an exact duplicate or replica of the building being appraised, using the same materials, construction standards, design, layout, and quality of workmanship and embodying all of the deficiencies, superadequacies, and obsolescence of the subject building. (Dictionary)

Retrospective Value Opinion
A value opinion effective as of a specified historical date. The term *retrospective* does not define a type of value. Instead, it identifies a value opinion as being effective at some specific prior date. Value as of a historical date is frequently sought in connection with property tax appeals, damage models, lease renegotiation, deficiency judgments, estate tax, and condemnation. Inclusion of the type of value with this term is appropriate, e.g., "retrospective market value opinion." (Dictionary)

Sandwich Leasehold Estate
The interest held by the sandwich leaseholder when the property is subleased to another party; a type of leasehold estate. (Dictionary)

Sublease
An agreement in which the lessee in a prior lease conveys the right of use and occupancy of a property to another, the sublessee, for a specific period of time, which may or may not be coterminous with the underlying lease term. (Dictionary)

Subordination
A contractual arrangement in which a party with a claim to certain assets agrees to make his or her claim junior, or subordinate, to the claims of another party. (Dictionary)

Surplus Land
Land that is not currently needed to support the existing use but cannot be separated from the property and sold off for another use. Surplus land does not have an independent highest and best use and may or may not contribute value to the improved parcel. (Dictionary)

TPO
Thermoplastic polyolefin, a resilient synthetic roof covering.

Triple Net (Net Net Net) Lease
An alternative term for a type of net lease. In some markets, a net net net lease is defined as a lease in which the tenant assumes all expenses (fixed and variable) of operating a property except that the landlord is responsible for structural maintenance, building reserves, and management; also called *NNN lease, net net net lease, or fully net lease*. (Dictionary)

(The market definition of a triple net lease varies; in some cases tenants pay for items such as roof repairs, parking lot repairs, and other similar items.)

Usable Area
The measured area of an office area, store area, or building common area on a floor. The total of all the usable areas for a floor shall equal floor usable area of that same floor. (BOMA)

Attachment: MS01-21-1541 Sharpe Construction Easement, Kiln (8244 : Approve payment for Sharpe, Temporary Construction Easement.)

Value-in-Use

The value of a property assuming a specific use, which may or may not be the property's highest and best use on the effective date of the appraisal. Value in use may or may not be equal to market value but is different conceptually. (Dictionary)

VTAB

Value of the Total Assets of a Business. The value of a going concern (i.e. the business enterprise). (Dictionary)

Attachment: MS01-21-1541 Sharpe Construction Easement, Kiln (8244 : Approve payment for Sharpe, Temporary Construction Easement.)

Re: 2021-2022 Emergency Solutions Grant (ESG) Program Application

Dear Rhonda Rhodes,

The Hancock County Board of Supervisors supports the Hancock Resource Center's efforts to provide homelessness prevention and rapid-rehousing services to low-income residents of Hancock County, through an outreach and case management program that will identify at-risk residents, determine their eligibility, conduct needs assessment, create individualized housing plans, help the clients set specific goals, assist participants in transitioning to permanent housing and providing additional supportive services through direct and/or coordinated assistance.

The Hancock County Board of Supervisors fully supports the Hancock Resource Center's initiative in offering community support to help stabilize Hancock County families.

Sincerely,

Scotty Adam, President
Hancock County Board of Supervisors
