Subj: Response to Homestead Notice of Adjustment

Encl: a. Homestead Notice of Adjustment

The Mississippi State Department of Revenue (MSDOR) sent a letter regarding Homestead Notice of Adjustment on 18 February 2022. Subsequently, the MSDOR was contacted to discuss the circumstances as well as guidance regarding correction. The MSDOR's direction from MSDOR was to contact the Hancock County Tax Assessor's Office (HCTA) for guidance and correction. The below serves as the circumstances of the situation based on the conversation with the MSDOR as well as HCTA.

Mr. and Mrs. William Speaker established full residency approximately January – February of 2019, prior to Mr. Speaker's military deployment and home purchase in Diamondhead to ensure Homestead exemption as well as establish state income tax throughout the deployment. Both have remained residents of the State of Mississippi since this time as Mississippi has become their permanent residence. Tax filing since moving to the Mississippi Gulf Coast area has been conducted through the CPA offices of Wright, Ward, Hatten, and Guel located in Gulfport, MS. Moving to the area in 2016 and prior to home purchase, Mr. Speaker claimed non-residency as a service member and student. The MSDOR advised tax filing from 2017 through 2021 has not changed from non-resident to full resident status. The Speaker's will inform the CPA's office for the 2021 tax year filing to correct the issue in the future. It is the request of the Speaker's for the Tax Assessor to forgive and grant a homestead exemption. We look forward to your response and advisement.

The point of contact for this letter is Mr. William Speaker, 2108453752 or email william.speaker@hotmail.com.

Respectfully,

William Speaker

March 15, 2022

TO whom it may concern,

I received a letter that was dated 2/18/2022 stating that my Homestead Exemption was disqualified and I had 30 days to submit an objection for an unpaid tax dept. I had spoken to the State of Mississippi on 2/15/2022 stating that I could pay the debt in the amount of \$102 on March 10, 2022. They said that was totally fine. I come up to Tim Keller's office and am informed that since I didn't pay by Feb 1, 2022 that I can write a letter and hopefully get my objection heard by the Hancock County Board of Supervisors. I am looking through all of my documentation and have spoken to the State and have NO knowledge of having to pay this by the 2/1/22. I received the letter that is dated 2/18/22 on March 9, 2022. So, I am OBJECTING this decision because I should of been notified about this via telephone when I spoke to the state AND the letter came a month later than dated. I paid the debt, attached is the printed receipt of payment made.

Attached is the letter post dated 2/18/2022 so How would I know this needed to be done by 2/1/2022 WHEN it doesnt even state that in ANY letter I received. I paid the debt within my 30 days stated in this letter to be able to formally object and it's not my fault communication is flawed.
