3. This obligation shall be null and void if:

TERMS AND CONDITIONS

The following terms and conditions shall apply to such purchase and sale:

1. Purchase Price; Payment; Taxes

PURCHASER agrees to pay the purchase price of each item listed on the front of this Agreement according to the terms defined on page 1 of the contract, plus applicable sales/use taxes, less any security deposit paid in advance. The PURCHASER will pay any personal property taxes assessable on the item(s) on or after the delivery.

PURCHASER agrees that any payment not received by SELLER within the terms defined in this Agreement shall be subject to an annual interest charge of the lower of 18% or the maximum allowed by law. This charge will be applied to the unpaid balance for each 30 day period, or any portion thereof, that payment is not received.

PURCHASER agrees to pay for any partial shipment of item(s) under the same terms listed above. Payment for the partial shipments shall equal the portion of the total amount that the partial shipment represents.

2. Freight Costs; Risk of Loss

SELLER of SELLER'S agent will arrange for packing, insurance, shipment and delivery of the equipment to PURCHASER'S installation site. Risk of loss shall pass to PURCHASER upon delivery at PURCHASER'S installation site.

3. Installation

PURCHASER agrees to pay all installation charges and to provide a suitable place for installation with proper power and general environmental conditions as defined in the item's Installation Manual

4. Titles; Risk of Loss; Security Interest

Title to each item shall pass to PURCHASER upon payment. SELLER shall retain a vendor's security interest in any item(s) delivered to the PURCHASER until the full purchase price thereof is paid by the PURCHASER. Should PURCHASER fail to perform any such obligations including default in payment of any charges hereunder when due, SELLER or its assignee may remove and repossess any or all item(s) hereunder with or without notice or demand, in addition to exercising such other rights and remedies as may be conferred on it by law.

5. Maintenance; Warranties; Disclaimers

SELLER warrants that, upon delivery, SELLER will be the lawful owner of the item(s) and will have the full power and authority to sell the same to the PURCHASER.

All new items listed in this Agreement will be accompanied by all eligible manufacturers' warranties, unless otherwise stated in item description. For thirty (30) days after shipment to PURCHASER, SELLER warrants that items which do

not have any manufacturer's warranty remaining, will qualify for the manufacturer's maintenance agreement, if the items are both installed by the manufacturer and placed under the manufacturer's maintenance agreement prior to such installation.

After this thirty (30) day period, PURCHASER assumes all liability for such item(s) which are either defective or may have missing "ship group" items.

PURCHASER ACKNOWLEDGES THAT SELLER IS NOT THE MANUFACTURER OF THE ITEM(S) AND EXPRESSLY WAIVES ANY CLAIM AGAINST SELLER BASED UPON ANY INFRINGEMENT OR ALLEGED INFRINGEMENT OF ANY PATENT WITH RESPECT TO ANY ITEM(S) OR FOR ANY INDEMNITY AGAINST ANY PATENT CLAIM MADE BY ANOTHER AGAINST THE PURCHASER.

THERE ARE NO UNDERSTANDINGS, AGREEMENTS, REPRESENTATIONS, OR WARRANTIES, EXPRESSED OR IMPLIED (INCLUDING ANY REGARDING THE MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE), NOT SPECIFIED HEREIN, RESPECTING THIS CONTRACT OR ITEMS HEREUNDER.

6. GENERAL

A. This constitutes the entire Agreement between the SELLER and PURCHASER with respect to the purchase of the item(s) superseding all prior correspondence and representation between the parties including, without limitation, any purchase order submitted by the PURCHASER to the SELLER. No provision of this Agreement shall be deemed waived, amended or modified by either party unless such waiver, amendment or modification be in writing signed by the party, against whom it is sought to enforce the waiver, amendment or modification.

B. This Agreement may not be assigned by the PURCHASER without the prior written consent of the SELLER, and any attempted assignment without such consent shall be void.

C. This Agreement will be deemed void, at the SELLER'S option, if it is not signed by the PURCHASER within (10) days of being signed by the SELLER.

D. Notices shall be in writing and sent by registered or certified mail, postage prepaid, to the address of the party contained herein. Either party may change its address for notice purposes by notifying the other party in this matter.

E. This Agreement may be executed in multiple counterparts, each of which shall be deemed to be an original and of equal force and effect.

F. Cancellation of this Agreement prior to shipment may result in a cancellation fee of up to 15% of the total purchase price to be paid to SELLER by PURCHASER.

G. No item may be returned to SELLER by PURCHASER after shipment without prior written approval from SELLER. A restocking charge may be assessed by SELLER upon such approval.

H. Acceptance of this Agreement is contingent upon PURCHASER'S credit approval and acceptance by SELLER.

I. Each party agrees that when electronic communications are used, they are the equivalent of written and signed documents.

J. PURCHASER agrees to pay rework charges incurred when associated with PURCHASER'S requested changes to the contract, after the order has been placed with the supplier.

K. This Agreement shall be governed by and construed in accordance with the laws of the State Of Louisiana.

L. The parties agree that jurisdiction for the purpose of all issues of law, fact or equity arising out of this Agreement, or any additions, amendments, or supplements thereto, shall be in the state of federal courts located in the state and parish/county where the equipment is delivered.

M. The parties agree to submit any disputes arising in connection with this Agreement or any additions, amendments, of supplements thereto to binding arbitration, pursuant to the rules of the American Arbitration Association.

Attachment: 01-13-2022_Hancock County_VMware QUOTE (10306 : VMware renewal for Sheriff's Office)

N. If any legal action is necessary to enforce the terms of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees, in addition to any other relief to which that party may be entitled. This provision shall be construed as applicable to the entire Agreement.

O. The PURCHASER is responsible for the accuracy of any equipment configuration provided by the PURCHASER and used as a basis to order any item(s) listed. Any additional charges resulting from an inaccurate equipment configuration supplied by PURCHASER to SELLER will be the sole responsibility of the PURCHASER.

ARTICLE 15 - SUBMITTAL OF BID

15.01 With each copy of the Bidding Documents, a Bidder is furnished one separate unbound copy of the Bid Form, and, if required, the Bid Bond Form. The unbound copy of the Bid Form is to be completed and submitted with the Bid security and the following data:

15.02 A Bid shall be submitted no later than the date and time prescribed and at the place indicated in the Advertisement or Invitation to Bid and shall be enclosed in a sealed package plainly marked with the Project title (and, if applicable, the designated portion of the Project for which the Bid is submitted), the name and address of Bidder, and shall be accompanied by the Bid security and other required documents. If a Bid is sent by mail or other delivery system, the sealed envelope containing the Bid shall be enclosed in a separate envelope plainly marked on the outside with the notation "BID ENCLOSED." A mailed Bid shall be addressed as indicated in the Notice to Bidders and/or Invitation to Bid.

15.03 Non-Resident Bidders ("Preference Statue" Miss. Code Ann. § 31-3-21(3))

A. Effective July 1, 2010, all bids submitted by a non-resident contractor which does not include the non-resident contractor's current state law shall be rejected and not considered for award. If the state does not have a preference law, then the contractor shall submit a letter stating such from an officer of the court.

Attachment: 00901-01 Addendum No. 1 with Attachments (10284 : Renourishment and Repairs of HC Beach and Walking Path)

15.04 When Bids are submitted electronically, the same requirements under Article 15.01 through 15.03 shall apply.

ARTICLE 16 - MODIFICATION AND WITHDRAWAL OF BID

16.01 A Bid may be modified or withdrawn by an appropriate document duly executed in the manner that a Bid must be executed and delivered to the place where Bids are to be submitted prior to the date and time for the opening of Bids.

16.02 If within 24 hours after Bids are opened, any Bidder files a duly signed written notice with Owner and promptly thereafter demonstrates to the reasonable satisfaction of Owner that there was a material and substantial mistake in the preparation of its Bid, that Bidder may withdraw its Bid, and the Bid security will be returned. Thereafter, if the Work is re-bid, that Bidder will be disqualified from further bidding on the Work.

ARTICLE 17 - OPENING OF BIDS

17.01 Bids will be opened at the time and place indicated in the Advertisement or Invitation to Bid and, unless obviously non-responsive, read aloud publicly. An abstract of the amounts of the base Bids and major alternates, if any, will be made available to Bidders after the opening of Bids.

ARTICLE 18 - BIDS TO REMAIN SUBJECT TO ACCEPTANCE

18.01 All Bids will remain subject to acceptance for the period of time stated in the Bid Form, but Owner may, in its sole discretion, release any Bid and return the Bid security prior to the end of this period.

ARTICLE 19 – EVALUATION OF BIDS AND AWARD OF CONTRACT

19.01 Owner reserves the right to reject any or all Bids, including without limitation, nonconforming, nonresponsive, unbalanced, or conditional Bids. Owner further reserves the right to reject the Bid of any Bidder whom it finds, after reasonable inquiry and evaluation, to not be responsible. Owner may also reject the Bid of any Bidder if Owner believes that it would not be in the best interest of the Project to make an award to that Bidder. Owner also reserves the right to waive all informalities not involving price, time, or changes in the Work and to negotiate contract terms with the Successful Bidder.

19.02 More than one Bid for the same Work from an individual or entity under the same or different names will not be considered. Reasonable grounds for believing that any Bidder has an interest in more than one Bid for the Work may be cause for disqualification of that Bidder and the rejection of all Bids in which that Bidder has an interest.

19.03 In evaluating Bids, Owner will consider whether or not the Bids comply with the prescribed requirements, and such alternates, unit prices and other data, as may be requested in the Bid Form prior to the Notice of Award.

19.04 In evaluating Bidders, Owner will consider the qualifications of Bidders and may consider the qualifications and experience of Subcontractors, Suppliers, and other individuals or entities proposed for those portions of the Work for which the identity of Subcontractors, Suppliers, and other individuals or entities must be submitted as provided in the Supplementary Conditions.

19.05 Owner may conduct such investigations as Owner deems necessary to establish the responsibility, qualifications, and financial ability of Bidders, proposed Subcontractors, Suppliers, individuals, or entities to perform the Work in accordance with the Contract Documents.

19.06 If the Contract is to be awarded, Owner will award the Contract to the Bidder whose Bid is in the best interests of the Project.

ARTICLE 20 - CONTRACT SECURITY AND INSURANCE

20.01 Article 5 of the General Conditions, as may be modified by the Supplementary Conditions, sets forth Owner's requirements as to performance and payment bonds and insurance. When the Successful Bidder delivers the executed Agreement to Owner, it shall be accompanied by such bonds.

Attachment: 00901-01 Addendum No. 1 with Attachments (10284 : Renourishment and Repairs of HC Beach and Walking Path)

Within 10 days thereafter, Successful Bidder shall sign and deliver the required number of counterparts of the Agreement and attached documents to Owner. Within ten days thereafter, Owner shall deliver one fully signed counterpart to Successful Bidder with a complete set of the Drawings with appropriate identification.

ARTICLE 22 - SALES AND USE TAXES

22.01 The Contractor may be subject to a Contractor's Tax in the state where the project is located. If applicable, all Contractor's taxes shall be included in the Bid.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (this "Agreement") is made and entered into by and between the Mississippi Department of Environmental Quality ("MDEQ") and the Hancock County Board of Supervisors ("Committed Party") (together with MDEQ, the "Parties").

RECITALS

WHEREAS, the Parties hereto recognize that certain funds provided by the Direct Component of the RESTORE Act are being made available for certain approved projects.

WHEREAS, together with MDEQ, the Committed Party is intending to act in a role in the development and implementation of the Hancock County Fairgrounds Revitalization Project (the "Project");

WHEREAS, the Parties recognize the Committed Party's statutory authority regarding the subject of this Project, and that the Committed Party is to serve an important role in the development and implementation of the Project.

WHEREAS, the Committed Party, serving a role in the Project and is seeking funding for the Project, which may be in the form of a Sub-Award Agreement with MDEQ, which shall require the Committed Party to abide by the terms and conditions of the Sub-Award Agreement for the entire life of the Project. Although not yet approved by the United States Department of the Treasury, a draft copy of the standard Sub-Award Agreement, that is subject to change, is attached hereto and incorporated herein as Exhibit "A" by reference;

WHEREAS, the Parties hereto recognize that MDEQ cannot guarantee that funding will be made available for the Project because the decision to authorize funding for the Project is made by the United States Department of the Treasury;

WHEREAS, the Committed Party recognizes that, upon MDEQ obtaining approved funding, it will not receive the total amount of funds allocated for the Project due to costs associated with the efforts provided by entities other than the Committed Party;

WHEREAS, the Parties hereto recognize that MDEQ must make a substantial expenditure of time, effort and funds for planning and obtaining approval from the United States Department of the Treasury for the funding of projects like the above-referenced Project;

WHEREAS, the Committed Party hereto recognizes that it is solely responsible for obtaining the approval of its authorized representatives prior to engaging with MDEQ regarding its role in the Project and, specifically, prior to providing MDEQ with estimates, budgetary in nature or otherwise, in relation to this Project.

Attachment: MOU - Hancock County Fairgrounds Revitalization (10269 : MOU with DEQ regarding Fairgrounds Revitalization with RESTORE

WHEREAS, because of the unsettled nature of the Project, the Committed Party shall not voluntarily discuss the Project with any third-parties until a final decision is made by the United States Department of the Treasury regarding the Project and funding approval, unless otherwise required by law or written approval by MDEQ has been obtained. Furthermore, neither MDEQ nor the Committed Party shall voluntarily disclose any information and documentation related to the Project, unless otherwise provided for herein or required by law, to any third-party;

WHEREAS, for purposes of this Agreement, in the event partial funding is made available and the Project utilizes leveraged funds from another funding source, the Parties hereto recognize the need for communication with that additional funding source to determine if leveraged funding is feasible for the Project and that MDEQ is hereby authorized to produce information and documentation related to the Project for purposes of attempting to obtain additional funding;

WHEREAS, for purposes of this Agreement, MDEQ is hereby authorized to produce information and documentation related to the Project to third-parties responsible for conducting technical review of the Project as required for projects funded by the Direct Component of the RESTORE Act;

WHEREAS, a principal concern of MDEQ is that, upon obtaining approval of funding, the Committed Party is not committed to performing the Project in accordance with the Sub-Award Agreement for the entire life of the Project;

WHEREAS, to alleviate the concerns raised in the prior paragraph, the Committed Party hereby recognizes that, in the event funds are made available, whether in whole or in part, for this Project, the Committed Party intends to make a good faith effort with MDEQ to enter into a mutually agreeable definitive Sub-Award Agreement authorizing Committed Party to perform the Project;

WHEREAS, the Parties wish to enter into this Agreement for the purpose of setting forth the basis of their agreement so that MDEQ can seek to obtain approval for the funding, whether in whole or in part, for the Project;

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing and the mutual and dependent covenants and consideration hereinafter set forth, the Parties agree as follows:

1. Term of the Agreement: This Agreement shall be valid for one (1) year from the Effective Date, provided however that the Agreement shall automatically terminate upon the Parties entering into a final and binding Sub-Award Agreement regarding the Project. This Agreement may also be terminated at any time and at the sole option of either Party upon 30 days written notice to the other Party as provided herein.

2. Funding of the Project. The Parties agree that MDEQ cannot guarantee that funding will be made available for the Project because the decision to authorize funding for the Project is made by the United States Department of the Treasury.

3. Negotiation of Definitive Agreement. Upon development of the Project and upon funding being made available by the United States Department of the Treasury, the Parties agree to make a good-faith effort to enter into a mutually agreeable definitive Sub-Award Agreement authorizing the Committed Party to perform activities related to the Project. The Sub-Award Agreement will include provisions similar to the terms in the attached Exhibit "A." The Parties understand, acknowledge, and agree that the Sub-Award Agreement will also include other material terms and conditions that will be negotiated by the Parties, as permitted by the United States Department of the Treasury. The finalization of the Sub-Award Agreement is subject to the approval of the United States Department of the Treasury. The Parties agree that they will act in good faith during the negotiations. The Parties understand and agree that this Agreement constitutes only the intent to enter into a final Sub-Award Agreement and is not a Sub-Award Agreement itself.

4. Exclusive Dealing. In consideration of the substantial expenditure of time, effort and funds to be undertaken by MDEQ in connection with the various matters described in this Agreement, the Committed Party agrees not to voluntarily discuss the Project with any third-parties, except for those parties the Committed Party anticipated or intends to utilize or consult with for the exclusive purposes of development and implementation of the Project until a decision is made regarding Project funding approval.

5. Development of Project. The Parties understand and agree that Committed Party will work with MDEQ to develop the Project.

6. Disclosure of Project Information. The Parties understand and agree that their work may involve information or documentation of either Party, relating to the Project, that has not been disclosed or disseminated beyond the Parties ("Project Information"). The Parties further understand and agree that the voluntary disclosure of this information may cause irreparable harm to the Party to whom the information belongs and that damages would be difficult to calculate. Therefore, the Parties understand and agree that they shall not voluntarily disclose such Project Information to anyone other than the Parties to this Agreement, except for those necessary parties the Committed Party anticipates or intends to utilize or consult with for the exclusive purposes of the development and implementation of the Project; *provided*, *however*, (i) in the event partial funding is made available by the United States Department of the Treasury and the Project utilizes leveraged funds from another funding source, the Parties hereto recognize and agree to the need for communication

Attachment: MOU - Hancock County Fairgrounds Revitalization (10269 : MOU with DEQ regarding Fairgrounds Revitalization with RESTORE

with that additional funding source to determine if leveraged funding isfeasible for the Project and that MDEQ is hereby authorized to produce Project Information for purposes of attempting to obtain additional funding; (ii) MDEQ is hereby authorized to produce Project Information to third-parties responsible for conducting technical review of the Project as required for the United States Department of the Treasury-funded projects; and (iii) the Parties are authorized to produce Project Information to comply with the provisions of the Mississippi Public Records Act, Miss. Code Ann. §§ 21-1-61 *et seq.*, the Mississippi Open Meetings Act, Miss. Code Ann. §§ 25-41-1, *et seq.*, or as otherwise required by the law or a court of competent jurisdiction. The Committed Party agrees that, upon the termination of this Agreement for any reason, the Committed Party shall immediately return any Project Information belonging to MDEQ and shall not retain any copies of that information in any form whatsoever, except to the extent necessary to comply with Committed Party's document retention schedule with the Mississippi Department of Archives and History, as applicable. The Parties understand and agree that this provision shall extend to all representatives of that Party and that each Party shall take reasonable steps to ensure that their representatives abide by the terms of this Agreement, including this provision. The Parties understand and agree that they shall be responsible for the actions of their representatives in violation of this Agreement, including this provision.

The Parties understand and agree that the provisions of this Section are a material inducement for the Parties to enter into this Agreement or any Sub-Award Agreement for the Project. The Parties acknowledge and agree that a breach of this Paragraph through voluntarily disclosure of Project Information to a third party, not otherwise reasonably required by law or allowed by MDEQ's prior written approval, as in good faith determined at MDEQ's sole discretion, shall be independent grounds for MDEQ to: (i) immediately terminate this Agreement upon written notice to the Committed Party; and (ii) disqualify the Committed Party from receiving any award, sub-award, contract or sub-contract relating to the Project and/or any other current or future MDEQ Projects.

7. Committed Party's Sub-recipient(s)/Contractor(s). The Committed Party shall ensure that any of its prospective sub-recipients or contractors for the Project are aware and agree to abide by the applicable terms and conditions of this Agreement, including Section 6 of this Agreement.

8. Relationship of Parties. The Parties agree that nothing in this Agreement shall be deemed to constitute, create, give effect to or otherwise recognize a joint venture, partnership, limited liability company or formal business entity of any kind.

When SUB-RECIPIENT has performed all the Work, SUB-RECIPIENT shall transmit to MDEQ a comprehensive report on the Work, along with the corresponding results (the "Final Report"). As appropriate, the Final Report should include copies of any publications, press releases, and other documents, materials, and products developed as part of the Project, including, without limitation, photographs, video footage, and other electronic representations of the Project and Work not previously submitted to MDEQ. MDEQ requires that the SUB-RECIPIENT have in place, prior to the receipt of funds, a financial management system that will be able to isolate and trace every dollar funded under this Agreement from receipt to expenditure and have on file appropriate support documentation for each transaction. Examples of documentation are copies of checks paid to vendors, vendor invoices, bills of lading, purchase vouchers, payrolls, bank statements and reconciliations, and real property and easement appraisals. Prior to the submittal of any such documentation to MDEQ, SUB-RECIPIENT shall redact, in accordance with 2. C.F.R. § 200.82, all information reflecting an individual's first name or first initial and last name in combination with any one or more of types of information, including, but not limited to, social security number, passport number, credit card numbers, clearances, bank numbers, biometrics, date and place of birth, mother's maiden name, criminal, medical and financial records, educational transcripts. This does not include Personally Identifiable Information (PII) that is required by law to be disclosed. (See also §200.79 PII). SUB-RECIPIENT and any Contracted Parties (as such term is defined in the "Contracts" provision of this Agreement) are limited to the travel rates of the State of Mississippi, including dining and hotels, in place at the time of the expenditure for which reimbursement is sought; and SUB-RECIPIENT shall audit any such invoice for same, clearly indicating the actual expense and the adjustment, if any.

If any potential conflict of interest exists, the Parties will resolve it according to the applicable laws and regulations. MDEQ's failure to reject the letting of any contract under this Agreement shall not be deemed in any way to provide for the incurrence of any obligation of MDEQ in addition to the Funds. If SUB-RECIPIENT makes or issues any contract in coordination with this Agreement, then SUB-RECIPIENT will be deemed to have represented and certified to MDEQ at each such time, in connection with such contract, as follows:

MDEQ shall not bear responsibility for any liability caused or incurred by any contractor in performing Work. MDEQ shall not be deemed by virtue of this Agreement to have any contractual obligation to, or relationship with, any of SUB-RECIPIENT's contractors, and the Parties agree and acknowledge that, as between MDEQ and SUB-RECIPIENT, all Work shall be deemed to be the responsibility of, and performed by, SUB-RECIPIENT. SUB-RECIPIENT shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination SUB-RECIPIENT will stop work to the extent specified. SUB-RECIPIENT shall also terminate outstanding orders and contracts as they relate to the terminated work. SUB-RECIPIENT shall settle the liabilities and claims arising out of the termination of contracts and orders connected with the terminated work. C. TERMINATION UPON BANKRUPTCY

This Agreement may be terminated in whole or in part by MDEQ upon written notice to SUB-RECIPIENT, if SUB-RECIPIENT should become the subject of bankruptcy or receivership proceedings, whether voluntary or involuntary, or upon the execution by SUB-RECIPIENT of an assignment for the benefit of its creditors. Contracts shall be subject to the terms and conditions of this Agreement and to any conditions of approval that MDEQ may deem

2. Funding of the Project. The Parties agree that MDEQ cannot guarantee that funding will be made available for the Project because the decision to authorize funding for the Project is made by the United States Department of the Treasury.

3. Negotiation of Definitive Agreement. Upon development of the Project and upon funding being made available by the United States Department of the Treasury, the Parties agree to make a good-faith effort to enter into a mutually agreeable definitive Sub-Award Agreement authorizing the Committed Party to perform activities related to the Project. The Sub-Award Agreement will include provisions similar to the terms in the attached Exhibit "A." The Parties understand, acknowledge, and agree that the Sub-Award Agreement will also include other material terms and conditions that will be negotiated by the Parties, as permitted by the United States Department of the Treasury. The finalization of the Sub-Award Agreement is subject to the approval of the United States Department of the Treasury. The Parties agree that they will act in good faith during the negotiations. The Parties understand and agree that this Agreement constitutes only the intent to enter into a final Sub-Award Agreement and is not a Sub-Award Agreement itself.

4. Exclusive Dealing. In consideration of the substantial expenditure of time, effort and funds to be undertaken by MDEQ in connection with the various matters described in this Agreement, the Committed Party agrees not to voluntarily discuss the Project with any third-parties, except for those parties the Committed Party anticipated or intends to utilize or consult with for the exclusive purposes of development and implementation of the Project until a decision is made regarding Project funding approval.

5. Development of Project. The Parties understand and agree that Committed Party will work with MDEQ to develop the Project.

6. Disclosure of Project Information. The Parties understand and agree that their work may involve information or documentation of either Party, relating to the Project, that has not been disclosed or disseminated beyond the Parties ("Project Information"). The Parties further understand and agree that the voluntary disclosure of this information may cause irreparable harm to the Party to whom the information belongs and that damages would be difficult to calculate. Therefore, the Parties understand and agree that they shall not voluntarily disclose such Project Information to anyone other than the Parties to this Agreement, except for those necessary parties the Committed Party anticipates or intends to utilize or consult with for the exclusive purposes of the development and implementation of the Project; *provided, however*, (i) in the event partial funding is made available by the United States Department of the Treasury and the Project utilizes leveraged funds from another funding source, the Parties hereto recognize and agree to the need for communication

with that additional funding source to determine if leveraged funding isfeasible for the Project and that MDEQ is hereby authorized to produce Project Information for purposes of attempting to obtain additional funding; (ii) MDEQ is hereby authorized to produce Project Information to third-parties responsible for conducting technical review of the Project as required for the United States Department of the Treasury-funded projects; and (iii) the Parties are authorized to produce Project Information to comply with the provisions of the Mississippi Public Records Act, Miss. Code Ann. §§ 21-1-61 *et seq.*, the Mississippi Open Meetings Act, Miss. Code Ann. §§ 25-41-1, *et seq.*, or as otherwise required by the law or a court of competent jurisdiction. The Committed Party agrees that, upon the termination of this Agreement for any reason, the Committed Party shall immediately return any Project Information belonging to MDEQ and shall not retain any copies of that information in any form whatsoever, except to the extent necessary to comply with Committed Party's document retention schedule with the Mississippi Department of Archives and History, as applicable. The Parties understand and agree that they shall be responsible for the actions of their representatives in violation of this Agreement, including this provision.

The Parties understand and agree that the provisions of this Section are a material inducement for the Parties to enter into this Agreement or any Sub-Award Agreement for the Project. The Parties acknowledge and agree that a breach of this Paragraph through voluntarily disclosure of Project Information to a third party, not otherwise reasonably required by law or allowed by MDEQ's prior written approval, as in good faith determined at MDEQ's sole discretion, shall be independent grounds for MDEQ to: (i) immediately terminate this Agreement upon written notice to the Committed Party; and (ii) disqualify the Committed Party from receiving any award, sub-award, contract or sub-contract relating to the Project and/or any other current or future MDEQ Projects.

7. Committed Party's Sub-recipient(s)/Contractor(s). The Committed Party shall ensure that any of its prospective sub-recipients or contractors for the Project are aware and agree to abide by the applicable terms and conditions of this Agreement, including Section 6 of this Agreement.

If any potential conflict of interest exists, the Parties will resolve it according to the applicable laws and regulations. MDEQ's failure to reject the letting of any contract under this Agreement shall not be deemed in any way to provide for the incurrence of any obligation of MDEQ in addition to the Funds. 13. TERMINATION

The Agreement may be terminated as follows:

A. TERMINATION FOR CONVENIENCE

i. *Termination.* The MDEQ may, when the interests of the State so require, terminate this Agreement in whole or in part, for the convenience of the State. SUB-RECIPIENT shall also terminate outstanding orders and contracts as they relate to the terminated work. SUB-RECIPIENT shall settle the liabilities and claims arising out of the termination of contracts and orders connected with the terminated work. MDEQ may direct SUB-RECIPIENT to assign SUB-RECIPIENT's right, title, and interest under terminated orders or contracts to MDEQ. C. TERMINATION UPON BANKRUPTCY

This Agreement may be terminated in whole or in part by MDEQ upon written notice to SUB-RECIPIENT, if SUB-RECIPIENT should become the subject of bankruptcy or receivership proceedings, whether voluntary or involuntary, or upon the execution by SUB-RECIPIENT of an assignment for the benefit of its creditors. In the event of such termination, SUB-RECIPIENT shall be entitled to recover just and equitable compensation for satisfactory work performed under this Agreement, but in no case shall said compensation exceed the total Maximum Amount.

14. DISPUTES

Before pleading to any judicial system at any level, the SUB-RECIPIENT must exhaust all administrative remedies. A written complaint must first be sent to the Executive Director of MDEQ. The decision of the Executive Director shall be reduced to writing and a copy thereof mailed or furnished to the SUB-RECIPIENT within fourteen (14) days after receipt of information requested by MDEQ or the Executive Director. If the decision of the Executive Director does not resolve the matter, successive administrative remedies may, at the SUB-RECIPIENT's option, include bringing the complaint before the Mississippi Commission on Environmental Quality pursuant to Miss. Code Ann. Section 49-17-35 and -41. In the alternative, at the SUB-RECIPIENT's option, the decision of the Executive Director may be deemed the final agency action on the complaint. 15. ANTI-ASSIGNMENT/CONTRACTING

SUB-RECIPIENT acknowledges that it was selected by MDEQ to perform the Work required hereunder based, in part, upon SUB-RECIPIENT's special skills and expertise. Any attempted assignment or transfer of its obligations without such consent shall be null and void. No such approval by MDEQ of any contract shall be deemed in any way to provide for the incurrence of any obligation of MDEQ in addition to the Maximum Amount agreed upon in this Agreement, nor create any contractual relationship between MDEQ and any Contracted Parties. Contracts shall be subject to the terms and conditions of this Agreement and to any conditions of approval that MDEQ may deem
