Additionally, the company declared a cash dividend of $0.10 per common share, payable November 10, 2022 to shareholders of record as of November 07, 2022.

Third Quarter Earnings

Net income for the third quarter of 2022 was $1,749,000 an increase of $642,000 or 58% compared to net income of $1,107,000 for the third quarter of 2021. The earnings per weighted average common share for the third quarter of 2022 were $0.37 compared to earnings per weighted average common share of $0.23 for the third quarter of 2021. Per share figures are based on weighted average common shares outstanding of 4,678,186 and 4,878,557 for the third quarters 2022 and 2021, respectively.

The improvement in net income for the third quarter of 2022 was primarily due to an increase in net interest income of $634,000 to $5,663,000 for the third quarter of 2022 as compared with $5,029,000 for the third quarter of 2021. This increase was attributable to higher interest income on securities.

Net income for the first nine months of 2022 decreased $2,535,000 to $3,691,000 compared to net income of $6,226,000 for the first nine months of 2021. The earnings per weighted average common share for the first nine months of 2022 were $0.79 compared to earnings per weighted average common share of $1.28 for the first nine months of 2021. Per share figures are based on weighted average common shares outstanding of 4,678,186 and 4,878,557 for the first nine months of 2022 and 2021, respectively.

The primary reason for the decrease in net income over the first nine months of 2022 as compared to the prior year was a non-recurring gain during the first nine months of 2021 that was caused by a reduction in the allowance for loan losses of $5,004,000. This reduction was the

Attachment: The Peoples Bamk (11776 : Open and take under advisement Bids received for County Term Bids)

result of a recovery of $4,510,000 related to a previously charged off loan. Results for the first nine months of 2021 also included a non-recurring expense of $1,125,000 relating to the settlement of a lawsuit.

Other Real Estate

Other real estate decreased from $2,525,000 at September 30, 2021, to $334,000 at September 30, 2022.

"The Company continues its implementation of its strategic plan focusing on improving asset quality with those efforts resulting in the significant reduction in past due loans, nonaccruals and other real estate." said Chevis C. Swetman, chairman and chief executive officer of the Company and the Bank.

Shareholders' Equity

Total shareholders' equity decreased from $94,362,000 at September 30, 2021, to $47,666,000 at September 30, 2022. Consistent with a similar decrease experienced during the first and second quarters of this year, the decrease was again largely attributable to $45,142,000 in unrealized losses on the available for sale securities portfolio during the first nine months of 2022 that reduced accumulated other comprehensive income on the Company's balance sheet, thereby reducing shareholders' equity. These unrealized losses resulted primarily from higher interest rates that have impacted the current market value of available for sale securities, but they are not related to any credit deterioration within the portfolio. The Company does not foresee a sale of any affected securities in the near future, and it does not currently anticipate any realization of these losses that could impact the Company's net income in the current year.

The available for sale securities portfolio of $411,304,000 consists primarily of U.S. Treasury securities with approximately $65,000,000 maturing prior to year-end. Most of the purchases in the treasury portfolio occurred at the end of 2021 and as these securities mature, they will be replaced by higher yielding treasury securities. The Company's leverage ratio and total risk-based capital ratios have not been impacted by these unrealized losses on available for sale securities due to an opt-out election previously made by the Company in accordance with current regulatory capital requirements and therefore remained strong at 9.67% and 20.31%, respectively as of September 30, 2022.

Acquisition of Corporate Trust Business

On March 17, 2022, the bank subsidiary signed a definitive agreement with Trustmark National Bank ("Trustmark") to acquire substantially all of the Trustmark's corporate trust business for a purchase price of $650,000. This book of business was added to the bank subsidiary's existing corporate trust portfolio in its Asset Management and Trust Services Department. The purchase was approved by the Federal Deposit Insurance Corporation and closed on August 15, 2022, during the third quarter of 2022.

About the Company

Founded in 1896, with $882 million in total assets as of September 30, 2022, The Peoples Bank operates 18 branches along the Mississippi Gulf Coast in Hancock, Harrison, Jackson and Stone counties. In addition to offering a comprehensive range of retail and commercial banking services, the Bank also operates a trust and investment services department that has provided customers with financial, estate and retirement planning services since 1936.

Receiving/Inspection: Based upon your companies receiving policies there are two ways of handling damag shipments depending on if the shipment was documented or un-documented.

Notify Custom Products immediately of any problems and provide images of tl pallets/merchandise as received by the carrier. **UPS DELIVERIES**: If a package from UPS is damaged instead signing your name it should be signed "DAMAGED". This helps CPC to file a claim with UPS. Otherwise, they w not pay a claim. CPC will replace your items at no charge and file the claim with the carriers.

Un-documented: If the damages were not noted on the BOL and pictures taken of all damages or if there damage found after delivery, contact the carrier and request an inspection report. Claims for un-documented damag goods must be filed with the carrier. CPC will not be responsible for such claims.

Claims for lost items will be resolved by scale tickets printed at the CPC dock site. If the printed tickets show that tl proper weight of items left the CPC docks, then a claim must be filed with the carrier. If the tickets show that tl proper weight of items did not leave the CPC docks then the claim will be filed with CPC.

Re: Tidelands Grant Award – McLeod Park Bulkhead Improvements

Dear Supervisor Scotty Adam:

Due to the change in the Tidelands Revenue received by the Secretary of State's Office, the Department of Marine Resources will be reducing your FY23 Tidelands Awards (at a) prorated amount of 16%. H.B. No. 1624 Section 5 gives the Department of Marine Resources the authority to allocate funding on a pro rata basis as needed when the actual funding is less than the appropriations bill. Your new FY23 Tidelands funding for the above referenced project will be $ 336,000.00.

As per H.B. No 1624 Section 4, The Mississippi Department of Marine Resources (MDMR) request that you submit an amended Tidelands Application to reflect the change in funding. An Amended Tidelands application can be found on our website at (dmr.ms.gov). Attached you will find your approved FY23 Tidelands Grant Agreement. Please review and return a fully executed copy with the amended application by December 15, 2022.

Thank you for making the Mississippi Gulf Coast a better place to live and work. Please feel free to contact me at any time should the Mississippi Department of Marine Resources be of service to you, (P)228-523-4011 or joe.spraggins@dmr.ms.gov.

5) To comply with the Stop Work Order Provisions listed below:

On behalf of the **Hancock County Board of Supervisors** I have read, understand, and agree to all terms listed above, and recognize that failure to comply with any portion of this Grant Agreement could jeopardize the receipt of any future Tidelands Trust Funds Appropriations.

Impaired Driving (405d) - Impaired Driving enforcement projects are strictly for **alcohol and drug** related activities, programs and projects.

Please provide a detailed problem identification description for the location that the grant will seek funding, such as high fatality/injury/crash areas, college/universities, factories, community events, alcohol related establishments, etc. **Please limit to 350 words for the Problem Identification Summary**.

There are several factors that contribute to the large volume of daily vehicular traffic in Hancock County, Mississippi. Not only is it home to many major roadways, it also contains Port Bienville Industrial Park, as well as the John C. Stennis Space Center. Hancock County is the first county entered when crossing state lines from Louisiana on either US Hwy 90, or Interstate 10. Just a short drive from New Orleans, Louisiana, Hancock County is a regularly visited area for tourists hoping to access beaches, casinos, fairs, festivals, restaurants, bars and nightclubs. Through data collected, it iis shown that during high peak times of holiday travel, impaired driving DUI arrests yield higher statistics.

The Hancock County Sheriff's Office intends to continue enhanced patrol on roadways with high vehicular traffic and a history of vehicular fatalites. The HCSO will also conduct DUI Checkpoints and Saturation Patrols to seek out DUI offenders and other traffic violators. The HCSO will utilize funding for manpower for regular time as well as on an overtime basis to achieve goals under this grant. Funding for two DUI officers ensures that Hancock County roadways received enhanced impaired driving enforcement every night. Funding for overtime allows for enhanced impaired driving enforcement for Checkpoints and Saturations during busy holiday times.

This grant is important for Hancock County, and those who live and travel to the area. Funding provided to the Hancock County Sheriff's Office allows for enhanced enforcement that would otherwise not take place.

Problem Identification Summary:

Occupant Protection (402 OP) - Occupant Protection enforcement projects are strictly for seatbelt and child restraint related activities, programs, and projects.

Please provide a detailed problem identification description for the location that the grant will seek funding, such as high unbelted fatality/injury/crash areas, college/universities, factories, community events, etc. **Please limit to 350 words for the Problem Identification Summary**.

In addition to the major traveled roadways listed above in Hancock County, Mississippi, the Hancock County Development Commission owns and operates the Port Bienville Industrial Park (PBIP), the John C. Stennis Space Center (NASA's largest rocket engine testing facility) is also housed in Hancock County. Hancock County, Mississippi is the first county entered when leaving Louisiana on US Hwy 90 or Interstate 10. Just a short driving distance from New Orleans, Louisiana. Hancock County is a regularly visited area for tourists hoping to access beaches, casinos, fairs, festivals, restaurants, bars and nightclubs. Being faced with such a large amount of vehicular traffic, the Hancock County Sheriff's Office experiences many traffic related accidents, speed violations, careless drivers, seatbelt and child restraint violators.

The Hancock County Sheriff's Office intends to continue enhanced patrol in these areas to stop violators and take necessary enforcement action. The HCSO also intends to continue saturating areas during high peak hours for both enforcement and deterrence with the goal of promoting safer travel habits. Checkpoint and Saturation Patrols will help enforce seatbelt and child restraint violations as well as other violations that rise as a result of these actions.

This grant is important to Hancock County, and those who live and travel to the area. Funding provided to the Hancock County Sheriff's Office allows for enhanced performance that would otherwise not take place. Without the Hancock County Sheriff's Office performing enhanced enforcement, the statistics for unbelted fatalities and injuries would undoubtedly be higher than stats currently reflect.

There are several factors that contribute to the large volume of daily vehicular traffic in Hancock County, Mississippi. Not only is it home to many major roadways, it also contains Port Bienville Industrial Park, as well as the John C. Stennis Space Center. Hancock County is the first county entered when crossing state lines from Louisiana on either US Hwy 90, or Interstate 10. Just a short drive from New Orleans, Louisiana, Hancock County is a regularly visited area for tourists hoping to access beaches, casinos, fairs, festivals, restaurants, bars and nightclubs. Through data collected, it iis shown that during high peak times of holiday travel, impaired driving DUI arrests yield higher statistics.

The Hancock County Sheriff's Office intends to continue enhanced patrol on roadways with high vehicular traffic and a history of vehicular fatalites. The HCSO will also conduct DUI Checkpoints and Saturation Patrols to seek out DUI offenders and other traffic violators. The HCSO will utilize funding for manpower for regular time as well as on an overtime basis to achieve goals under this grant. Funding for two DUI officers ensures that Hancock County roadways received enhanced impaired driving enforcement every night. Funding for overtime allows for enhanced impaired driving enforcement for Checkpoints and Saturations during busy holiday times.

This grant is important for Hancock County, and those who live and travel to the area. Funding provided to the Hancock County Sheriff's Office allows for enhanced enforcement that would otherwise not take place.

This section must be filled out completely for all project applications.

Number of Population:	46,053 according to 2020 Decennial Census Data
Major Roadways in the Area:	Interstate 10, US Hwy 90, MS Hwy 603, MS Hwy 53, MS Hwy 607

Problem Identification Summary:

Occupant Protection (402 OP) - Occupant Protection enforcement projects are strictly for seatbelt and child restraint related activities, programs, and projects.

Please provide a detailed problem identification description for the location that the grant will seek funding, such as high unbelted fatality/injury/crash areas, college/universities, factories, community events, etc. **Please limit to 350 words for the Problem Identification Summary**.

In addition to the major traveled roadways listed above in Hancock County, Mississippi, the Hancock County Development Commission owns and operates the Port Bienville Industrial Park (PBIP), the John C. Stennis Space Center (NASA's largest rocket engine testing facility) is also housed in Hancock County. Hancock County, Mississippi is the first county entered when leaving Louisiana on US Hwy 90 or Interstate 10. Just a short driving distance from New Orleans, Louisiana. Hancock County is a regularly visited area for tourists hoping to access beaches, casinos, fairs, festivals, restaurants, bars and nightclubs. Being faced with such a large amount of vehicular traffic, the Hancock County Sheriff's Office experiences many traffic related accidents, speed violations, careless drivers, seatbelt and child restraint violators.

The Hancock County Sheriff's Office intends to continue enhanced patrol in these areas to stop violators and take necessary enforcement action. The HCSO also intends to continue saturating areas during high peak hours for both enforcement and deterrence with the goal of promoting safer travel habits. Checkpoint and Saturation Patrols will help enforce seatbelt and child restraint violations as well as other violations that rise as a result of these actions.

This grant is important to Hancock County, and those who live and travel to the area. Funding provided to the Hancock County Sheriff's Office allows for enhanced performance that would otherwise not take place. Without the Hancock County Sheriff's Office performing enhanced enforcement, the statistics for unbelted fatalities and injuries would undoubtedly be higher than stats currently reflect.

RE: Immediate Bridge Repair
Structure Number: SA2300000000045
Stewart Drive, Sec. 42, T8S, R14W B
Hancock County

Members of the Board:

This letter is to inform you that it has been determined the above referenced bridge site is in need of immediate repair to remain open. If the repairs are not made in a timely manner, the bridge may ultimately have to be closed. The Critical Finding Report is attached and may assist you in your repairs. These repairs are the County's responsibility. Upon completion of repairs, a re-inspection is required and it may be prudent to perform additional delayed maintenance, or other repairs before requesting a re-inspection.

Please notify us by December 14, 2022 of the county's intensions regarding this bridge. If the County can provide adequate written justification to warrant additional time for repair of the bridge, an extension of time may be considered by State Aid.

Attachment: 23-045 signed repair letter (11741 : Discussion regarding Stewart Street Bridge)

After completion of repairs, State Aid should be notified in order to schedule a re-inspection of the bridge to determine if repairs are sufficient such that the bridge may remain open.

Any questions concerning this should be discussed with your County Engineer.

Sincerely,

Harry Lee James, P. E.
State Aid Engineer

REPORT OF CRITICAL FINDINGS

COUNTY: Hancock **DATE:** 11/29/2022

STRUCTURE NUMBER: SA2300000000045

FEATURE INTERSECTED: Watts Bayou

ROAD CARRIED: Stewart Drive

LOCATION: 30.32679, -89.36937

TEAM LEADER (Name, Organization, telephone, email): Preston Wierzba, PE 504-235-6895

Modjeski and Masters, Inc. PLWierzba@modjeski.com

Was Critical Finding Based On Load Rating? Yes ☐ No ☑

Critical Findings (include photos, sketches, etc):

Previous inspections of this bridge have noted significant decay of multiple piles at Bents 2 and 3 (see appended sketch and photos). The water level of Watts Bayou at the time of the 2022 routine inspection covered the locations of pile decay, so the advancement of further pile decay was unable to be inspected. However, upon review of the previous bridge substructure findings, it is suspected that these decayed piles have a significant affect on the load carrying capacity of the bridge. The Substructure condition rating (NBI Item 60) has been downgraded from 4 to 3.

The latest load rating analysis performed (dated 4/20/2018) recommends that the bridge be posted for 13 tons for tandem axles. The load rating summary sheet indicates that the controlling member of the rating and posting are in the superstructure (concrete channel beam delaminations and section loss of reinforcing bars).

RECOMMENDED ACTION: Repair within 30 days

Recommended Repairs:

Repair or replace the following piles:
Bent 2 - Piles 1, 2, 3, and 4
Bent 3 - Piles 2 and 3

Repairs Made (Include sketches photos,etc.)

Time Extension Request

Dear Mr. Siler:

The Hancock County Board of Supervisors is requesting a time extension for PW #236- Necaise Ballfield, Hancock County Equine Livestock, Lakeshore Park, Sports Complex Damages. This project is 90% complete. We have applied for one previous extension on this PW which was granted to December 31, 2022.

We are now requesting this second time extension due to not being able to drive a lift across the fields to re-install lights without sinking due to the ground being to wet during the off season.

Based on the current schedule, the Hancock County Board of Supervisors respectfully requests the deadline for this project to be extended to December 31, 2023.

Should you require any additional information relating to this request, please let me know.

Sincerely,

April Shiyou

Amit Bose, Federal Railroad Administrator

Mr. Bose,

On behalf of the Hancock County Board of Supervisors, I am writing in my capacity as Board President to show the Board's full endorsement and strong support of the Hancock County Port and Harbor Commission's (HCPHC) application for the Port Bienville Short Line Railroad (PBVR) Intermodal Expansion in Hancock County, Mississippi.

The project will add a seven-track classification yard for blocking trains for multi-direction shipping which will reduce delivery delays. The tracks will also add storage for 235 cars which will alleviate congestion, reduce unscheduled overtime and increase safety and efficiency. To help support existing business and create new opportunities, the project will also add a truck-to-rail intermodal yard.

Shipping by rail removes about three trucks from highways and roadways. Shipping by rail is safer, more efficient and more environmentally sustainable. Less trucks on the road improves air quality and reduces congestion with passenger vehicles.

Investment in transportation infrastructure grows the economy and affects quality of life. Port Bienville Railroad processes about 8,000 loaded rail cars a year for 16 port tenants that employ 600 people.

The Port Bienville Short Line Railroad Intermodal Yard Project in Hancock County, Mississippi, is an example of long-range planning to support existing tenants, attract new business, and relieve regional congestion. The project will grow economic activity and support high-paying jobs. The additional capacity and intermodal capabilities will not only expand economic opportunities for Hancock County, but also improve freight efficiency and resiliency for the entire region.

In conclusion, the project has the full support of the Hancock County Board of Supervisors and deserves full consideration and funding from the Consolidated Rail Infrastructure and Safety Improvements (CRISI) Program through the U.S. Department of Transportation.

Sincerely,

Scotty Adam

Attachment: Rico Lee - 2 acres (11756 : Spread 16th Section Land Matters)

WITNESSETH:

That, for the term and in consideration of the rentals hereinafter set forth, and the covenants, conditions, and obligations to be observed and performed by LESSEE, and by the authority and under the direction of the LESSOR, LESSOR does hereby lease, let and rent unto LESSEE the following described land (hereinafter the "Leased Premises") to-wit:

Section 29 Township 5S Range 15W

MORE PARTICULARLY DESCRIBED IN EXHIBIT "A" ATTACHED HERETO AND INCORPORATED BY REFERENCE AS IF COPIED FULLY HEREIN.

1. Term. The term of this Lease Agreement shall be for Five (5) years, beginning on the 3rd day of October , 2022 , and terminating on the 2th day of October , 2027 (called the "primary term"). For purposes of this Lease Agreement the Anniversary Date shall be October 3rd of each year.

It is expressly agreed and understood by all the parties hereto that part of the consideration given for the execution and delivery of this instrument is the option hereby granted to LESSEE to renew this Lease Agreement for an additional "secondary term" of Twenty-Five (25) years from October 3, 2027, under the same terms, conditions, and stipulations set forth herein, except the annual rental shall be based upon the fair market value of the land, excluding the value of buildings and improvements not then owned by LESSOR, as determined by a qualified appraiser selected by LESSOR hereto who performs his appraisal not more than twelve months and not less than three months prior to the expiration of the initial primary term. LESSEE shall exercise said option to renew for the secondary term of Twenty-Five (25) years by notifying LESSOR in writing no less than twelve (12) months in advance of the expiration of the primary term and by tendering the determined annual rental to LESSOR at its above-stated address prior to the expiration of the primary term as may be required by statute. The cost of the new appraisal shall be borne by LESSEE. A new lease shall be executed to effectuate the secondary term.

2. Annual Rent. LESSEE covenants and agrees to pay as rent to LESSOR the sum of One Thousand Sixty-Four dollars and Eighty-Two cents ($ 1064.82) per annum, on or before the Anniversary Date of this Lease Agreement each year; provided, however, that the payment of rent for the first year of this lease shall be due at the time of approval by LESSOR. The obligation of LESSEE to pay rent under this Lease Agreement is unconditional, and the rent shall not be subject to set off for any reason or cause. LESSOR and LESSEE agree that in the event of termination or cancellation, any rental payment made during the term of this Lease Agreement is not refundable, and LESSEE waives any right or claim it may have to refund of rent paid.

Rents shall be adjusted periodically pursuant to the rent adjustment clause contained in Paragraph 3 of this lease. In the event LESSEE is delinquent in the payment of rent, LESSEE shall pay a late charge equal to fifteen percent (15%) of the amount of rent past due for more than 30 days and thereafter shall pay interest on any rent past due at an annual rate (the "Default Rate") equal to the maximum rate then allowed by law or, if there is no maximum rate, then a rate equal to five percent per annum above the discount rate, excluding any

Attachment: Rico Lee - 2 acres (11756 : Spread 16th Section Land Matters)

surcharge thereon, on ninety-day commercial paper in effect at the Federal Reserve Bank in the Federal Reserve district in which LESSOR is located, calculated according to the actuarial method.

3. Rent Adjustment. The eighth and every subsequent eight year Anniversary Date of the commencement of this Lease Agreement shall be the effective dates of rental adjustments, and on such dates the amount of annual rental due and payable hereunder shall be adjusted in the manner hereafter described to reflect the current fair market rental value of the Leased Premises.

a. LESSOR shall use its best efforts to cause the Leased Premises to be reappraised and a redetermination made of the annual fair market rental amount within six months before any adjustment date. In the event LESSOR shall fail to instigate reappraisal within the six months preceding any rent adjustment date, LESSOR shall not be deemed to have waived this provision requiring rent adjustment, and in such event (at any time after a rent adjustment date), LESSOR may proceed to have the Leased Premises reappraised and an adjusted rent determined for any such readjustment period. The adjusted rent shall be effective on the required adjustment date and LESSEE shall pay any deficiency to LESSOR within fifteen (15) days of the determination of the adjusted rent. The reappraisal shall be made pursuant to the Mississippi Code of 1972, § 29-3-69, or pursuant to the statute then in effect governing such leases and procedures for determining fair market rental value. The reappraisal shall establish the fair market value of the property unencumbered by this lease and shall reflect the market rate of return at the time but shall be no less than the minimum acceptable percentage provided by the statute in effect. Unless altered by the procedures described below, the amount of rent so determined as of each rental adjustment date shall be paid until the next rental adjustment date or for the balance of the lease as the case may be. The appraisal process described in this subparagraph (a) may be referred to hereafter as the Statutory Procedure. The cost of the reappraisal shall be borne by LESSEE, using an appraiser selected by LESSOR.
b. Should the Statutory Procedure result in an increase in rent over the amount previously due, LESSEE, by notice in writing given to LESSOR within 15 days after receiving notice of the increase, shall have the right to elect an alternate method of determining the current fair market rental value of the Leased Premises (the "Alternate Procedure") as follows:
    1. LESSEE may provide an appraisal by a Mississippi licensed appraiser having the qualifications hereafter described giving an opinion of current fair market annual rental value based on the (i) the fair market value of the land unencumbered by this lease and (ii) a reasonable percentage of return on comparable land investments as of the rental adjustment date. The written report of LESSEE'S appraiser shall be delivered to LESSOR within 45 days after the date on which LESSOR gave notice of an increase in rent under the Statutory Procedure. UPON FAILURE TO PROVIDE AN ALTERNATE APPRAISAL WITHIN THE TIME ALLOWED, LESSEE SHALL FORFEIT THE RIGHT TO PURSUE THE ALTERNATE PROCEDURE, AND ANNUAL RENT DETERMINED UNDER THE STATUTORY PROCEDURE SHALL BECOME DUE AND PAYABLE.
    2. The two appraisers shall make a good faith effort to reconcile their differences. If they have been unable to do so within 10 days after delivery of the report of

Attachment: Rico Lee - 2 acres (11756 : Spread 16th Section Land Matters)

LESSEE'S appraiser, the two appraisers within such 10 day period shall each submit the names of three appraisers having the qualifications hereafter described who practice in Mississippi to serve as a review appraiser, and they shall select the review appraiser from names in common on the two lists. If there is no name in common on the two lists, or if the person selected shall decline to serve, then each appraiser shall submit another list of three names of persons meeting the same criteria.

3. The review appraiser shall review and analyze the two appraisal reports, and if needed, inspect the land, consult with the two appraisers, review their assumptions and source information and request corrections, revisions, and additions to the appraisal reports. The review appraiser may also consider relevant information from his own files, conduct such independent investigation as he deems appropriate and may consider comparable transactions which occurred after the rental adjustment date.
4. The review appraiser shall report his opinion of annual fair market rent and such amount shall be accepted by LESSOR and LESSEE as the current fair market rental value of the Leased Premises.

c. If LESSEE requests the Alternate Procedure, LESSEE shall pay all fees and expenses of LESSEE'S appraiser, the review appraiser and any additional charges of LESSOR'S appraiser. The review appraiser, however, shall perform his duties in an independent and impartial manner irrespective of the source of payment of his fees and expenses.
d. The annual rentals on any adjustment date shall not be reduced below the amount established upon the initial date of this lease except upon determination by the Statutory Procedure.
e. The amount of rent determined in the above manner shall be remitted on or before the rental adjustment date or, if the rental adjustment procedures are concluded after such date, then promptly upon conclusion of such procedures effective as of the rental adjustment date.
f. The rent adjustment procedures will not delay the due date of rent at the existing annual rate and will not affect LESSOR'S right to declare a default if such rent is not timely paid.
g. LESSEE'S appraiser and the review appraiser must be members of the same organization of appraisers as LESSOR'S appraiser, or an organization having higher requirements for admission, and must have the same or higher designation (such as, for example, Member, Appraisal Institute). If LESSOR'S appraiser belongs to more than one organization, the other appraisers must belong to the organization having the highest standards and qualifications for membership. If the organization has multiple designations for appraisers, the review appraiser and LESSEE'S appraiser must hold the same or a higher designation as held by LESSOR'S appraiser.

4. Taxes. LESSEE covenants and agrees to pay any and all general and special taxes and assessments, including drainage taxes, if ever any there be, applicable to the above-described property and LESSEE'S interest therein; further, LESSEE covenants and agrees to pay any and all survey costs and recording fees in connection with this Lease Agreement or any other fees so determined by law. All payments for general and special taxes and assessments, including drainage taxes, shall be made directly to the governmental authority responsible for collecting such taxes and assessments. During the final year of the lease term, LESSOR or the governmental authority responsible for collecting taxes and assessments may require payment of any such taxes or assessments in advance or require

Attachment: Rico Lee - 2 acres (11756 : Spread 16th Section Land Matters)

that other security be given to insure that taxes will be paid when due. In the event it becomes necessary for the County Tax Collector or any other authority responsible for collecting general and special taxes or assessments to retain the services of attorneys to collect any taxes or assessments due from LESSEE under this lease, then LESSEE agrees to pay all costs and expenses of such actions or collections, including a reasonable attorneys' fee for the County Tax Collector or such other authority responsible for collecting said taxes or assessments.

5. Default. The parties herein expressly agree that if DEFAULT shall be made in the payment of any general or special tax or assessment or rent due, pursuant to this Lease Agreement, then and in any event of DEFAULT it shall be lawful for LESSOR to enter upon said premises, or any part thereof, after LESSOR has provided sixty (60) days prior written notice to LESSEE and upon LESSEE'S failure to cure such DEFAULT within said sixty (60) days, either with or without the process of law, to re-enter and repossess the same, and to distrain from any rent or assessment that may be due thereon, at the election of LESSOR, but nothing here is to be construed to mean that LESSOR is not permitted to hold LESSEE liable for any unpaid rent or assessment to that time. As to all other conditions, covenants, and obligations imposed on LESSEE herein, enforcement shall be by proceeding at law or in equity against any person violating or attempting to violate said conditions, covenants, and obligations to restrain violation and recover damages, if any, including reasonable expenses of litigation including but not limited to fees charged by attorneys, expert witnesses, surveyors and appraisers, which LESSEE expressly agrees to pay. Such enforcement by proceedings at law or in equity may be instituted at any time after thirty (30) days written notice. Enforcement proceedings shall include the right of the Tax Collector to recover any tax, assessment, fees and costs.

6. Remedies. In the event of any FORFEITURE, DEFAULT, OR CANCELLATION of this Lease Agreement or termination of the term therefore aforesaid, LESSEE shall quit, deliver up and surrender possession of the leased property and all LESSOR-owned structures and improvements thereon to the said LESSOR, and thereupon this Lease Agreement and all agreements and covenants on LESSOR'S behalf to be performed and kept, shall cease, terminate, and be utterly void, the same as if the Lease Agreement had not been made. At LESSOR'S option LESSEE shall be required to remove all LESSEE-owned improvements. In addition thereto LESSOR shall be entitled to whatever remedies it may have at law or equity for the collection of any unpaid rental hereunder, or for any other sums, for damages or otherwise, that it may have sustained on account of the LESSEE'S non-fulfillment or nonperformance of the terms and conditions of this Lease Agreement including costs for removing LESSEE-owned improvements.

Immediately upon the termination of this Lease Agreement, whether by FORFEITURE, DEFAULT, or CANCELLATION, LESSOR shall be entitled to take possession of the Leased Premises and all LESSOR- owned improvements thereon absolutely, and custom, usage, or law to the contrary notwithstanding. Any removal of property from the Leased Premises shall be accomplished so as to leave said the Leased Premises in a condition satisfactory to LESSOR. At LESSOR'S option LESSEE shall remove all of the LESSEE'S property within thirty (30) days of LESSOR'S possession. LESSEE shall be subject to the accrual of rent during said thirty (30) day period.

Attachment: Rico Lee - 2 acres (11756 : Spread 16th Section Land Matters)

7. Curing Default. Notwithstanding any DEFAULT provisions of this Lease Agreement, any present or future holder of a mortgage or deed of trust securing money loaned on facilities located on the Leased Premises shall have the right of a thirty (30) day notice of default within which to cure any DEFAULT which may be cured by the payment of money. In addition, for any other DEFAULT for which a forfeiture of said Lease Agreement may be invoked, such holder of such mortgage or deed of trust shall be entitled to a notice in writing of the claimed DEFAULT and shall have a reasonable time, which shall not be less than Thirty (30) days, either to require the correction of such DEFAULT or in lieu thereof to protect itself through the exercise of a power of sale and thereby acquire a leasehold in said property and correct such DEFAULT. LESSEE hereby covenants and agrees to notify LESSOR of the existence of all such mortgages, deeds of trust, or other secured encumbrances, and that, in the absence of such notice, LESSOR has no obligation whatever to notify any such holder of said encumbrance.

8. Assignment. This lease SHALL NOT BE ASSIGNED OR SUBLEASED. Assignment or sublease of this Lease Agreement or any rights hereunder shall automatically terminate this lease without any further notice or action by LESSOR. In the event LESSEE owns improvements on the Leased Premises, any purchaser of said improvements or any person or entity holding a contract to purchase said improvements shall have the right of first refusal to negotiate a new lease agreement with LESSOR.

9. Regulatory Compliance. LESSEE shall comply with all applicable laws, rules, and regulations concerning LESSEE'S use of the Leased Premises and/or obligations under this instrument. This obligation shall include, but not be limited to, compliance with federal, state and local environmental regulations concerning the air, water and soil, endangered species, wetlands, and other laws, rules and regulations that may presently exist or hereafter be adopted. In the event of contamination of the air, water or soils arising out of any LESSEE use, LESSEE shall be responsible for all mandated remediation and monitoring with this obligation to survive termination of this Lease Agreement. Notwithstanding the requirements of this paragraph LESSEE:

a. Except as modified by paragraph 22 below, LESSEE will not use, generate, manufacture, produce, store, release, discharge or dispose of on, under or about the Leased Premises or transport to or from the Leased Premises any hazardous substance or pollutant (as either may be defined by any present or future laws or regulations of any governmental authority or by any administrative or judicial decisions) or any solid wastes and will not allow any other person to do so.
b. Shall keep and maintain the Leased Premises in compliance with and shall not cause or permit the Leased Premises to be in violation of any environment laws or regulations nor any laws or regulations pertaining to the disposal of solid, liquid, or gaseous wastes, both hazardous, and non-hazardous.
c. Shall give prompt written notice to LESSOR and the Secretary of State of:
    1. Any proceeding or inquiry by any governmental authority with respect to the presence of any solid wastes or hazardous substance on the leased premises or the migration thereof from or to other property;
    2. All claims made or threatened by any governmental authority with respect to the presence of any solid wastes or hazardous substance on the Leased Premises or the migration thereof from or to other property; or

Attachment: Rico Lee - 2 acres (11756 : Spread 16th Section Land Matters)

3. LESSEE'S discovery of any occurrence or condition that would cause the leased premised to be subject to any restrictions on the ownership, occupancy, transferability or use of the Leased Premises under any environmental or solid waste disposal law, regulation, ordinance or ruling.

10. Environmental Accidents. LESSEE shall immediately furnish written notice of all spills, leaks, accidents or similar matters on the Leased Premises to LESSOR and the Secretary of State at the address provided in this instrument. LESSEE shall also furnish LESSOR a copy of all filings, including but not limited to, environmental issues, required bylaws, rules or regulations arising out of any spills, leaks, accidents, or other matters relating to the use and occupation of the Leased Premises by LESSEE. Nothing in this paragraph shall place any duty of cleanup or remediation of the Leased Premises upon LESSOR or the Secretary of State with those duties belonging exclusively to LESSEE.

11. Breach of Lease Agreement. If LESSEE breaches any of the provisions of this Lease Agreement and fails to cure same after thirty (30) days written notice from LESSOR, then LESSEE, in addition to any other damages for which it may be responsible, shall pay LESSOR its reasonable costs and expenses in enforcing the Lease Agreement, including but not limited to fees charged by attorneys, expert witnesses, surveyors and appraisers.

12. Notices. All notices specified by this instrument shall be in writing and sent by registered or certified mail, postage prepaid to the following addresses or hand-delivered in person, delivered by facsimile or otherwise to the following persons. By written notice, either party may change the persons or addresses to whom notice shall be given.

13. Insurance. LESSEE shall maintain contractual and comprehensive general liability insurance with a company acceptable to LESSOR and the Secretary of State with a minimum combined single limit of liability of one million dollars ($1,000,000.00) and the members of LESSEE shall collectively maintain a similar policy or self-insure for an excess limit of liability of one million dollars ($1,000,000.00) for personal injuries or death of persons or destruction of property arising out of its operation, use or occupancy of the Leased Premises. LESSEE shall furnish proof of insurance (or self-insurance for LESSEE'S members, if applicable) to LESSOR, shall keep this insurance (of self-insurance for LESSEE'S members, if applicable) in full force and effect, and shall furnish LESSOR notice if the coverage is placed with another insurance company (or if the self-insurance for LESSEE'S members is managed by another company, if applicable). The amount of insurance coverage shall be adjusted for inflation every ten years on each tenth Anniversary of this instrument according to the procedures then set forth by the Office of the Secretary of State.

14. Indemnification. LESSEE shall protect, indemnify, defend, save, and hold harmless LESSOR, the State of Mississippi, and the Secretary of State, their officers, board members, employees and agents, from and against all claims, demands, liabilities, suits, injuries, and any and all losses or damages and cost of every kind and nature whatsoever ("loss"), including but not limited to all court costs and attorneys fees and all personal injury or death and/or damage to any person or entity including, but not limited to, LESSOR and its property or other loss arising out of any alleged noncompliance with laws or caused by LESSEE'S exercise of its rights under this Lease Agreement and/or resulting from the actions or omission of LESSEE in connection with its presence on or any use of the Leased Premises by LESSEE, its officers, agents, subcontractors, employees or invitees. Provided, however, it is understood that the indemnity provided by LESSEE as described in this paragraph shall not extend to intentional or negligent acts of LESSOR, its officers, or agents. In the event the intentional or negligent acts of LESSOR, its officers or agents, are not the direct and sole proximate cause for one hundred percent (100%) of the loss of claim, LESSEE shall be responsible to fulfill its obligations under this paragraph for the percentage of liability not attributable to LESSOR, its officers or agents.

15. Mortgage Transactions. The restrictions on assignments set forth in Paragraph 8 of the Lease Agreement shall not apply to and no prior approval of LESSOR shall be required for (i) a mortgage of the leasehold estate (ii) a foreclosure or an assignment of the leasehold estate to the mortgagee in lieu of foreclosure or (iii) a transfer by a mortgagee who has acquired the leasehold estate and such transfer occurs within a reasonable period of time commensurate with liquidation of the asset. However, any person acquiring the leasehold estate by any of the above means shall be obligated, within 10 days thereafter, to provide LESSOR with a copy of the assignment. No mortgagee shall be deemed to have assumed and no mortgagee shall be personally obligated to perform any of LESSEE'S obligations under this lease which accrued prior to acquisition of the leasehold estate, provided that this limitation on personal liability shall not diminish the rights and remedies otherwise available to LESSOR in the event of a default nor the right of a mortgagee to cure defaults as herein provided. A mortgagee, having acquired the leasehold estate through foreclosure or assignment in lieu of foreclosure, shall be liable for performance of all obligations of LESSEE which accrue during the period the mortgagee has ownership of the leasehold estate, and any rent payment which becomes

Attachment: Rico Lee - 2 acres (11756 : Spread 16th Section Land Matters)

due during such period shall be paid in full and not prorated. Nothing contained in this Lease Agreement or in any mortgage shall release LESSEE from the full and faithful performance of LESSEE'S obligations under this Lease Agreement or from any liability for non-performance or constitute a waiver of any right of LESSOR against LESSEE.

The term "mortgage" as used in this paragraph means any mortgage, deed of trust, collateral assignment or other transfer or pledge of this lease as security for an indebtedness of LESSEE; and the term "mortgagee" means the holder of the indebtedness to whom or for whose benefit this lease has been mortgaged or pledged as security.

16. Waste. LESSEE shall be responsible for any damage that may be caused to LESSOR'S property by the activities of LESSEE, its employees, agents, contractors, and invitees under this Lease Agreement, and shall exercise reasonable care in the protection of all improvements, timber and other property of LESSOR, which may be located on the Leased Premises or in the vicinity whereon, against fire or damage from any and all other causes. LESSEE, its employees, agents, contractors, and invitees shall exercise reasonable care in conducting the activities permitted under this Lease Agreement, and shall not, in any event, commit waste or allow waste to be committed.

17. Quiet Possession. LESSEE shall have quiet and peaceful possession of said property as long as compliance is made with the terms of this agreement.

18. Bankruptcy or Judgments. LESSEE hereby covenants and agrees that if an execution or process is levied upon the Leased Premises or if a petition of bankruptcy be filed by or against the LESSEE in any court of competent jurisdiction, LESSOR shall have the right at its option, to cancel this Lease Agreement. LESSEE further covenants and agrees that this Lease Agreement and the interest of LESSEE hereunder shall not, without the written consent of LESSOR first obtained, be subject to garnishment or sale under execution or otherwise in any suit or proceeding which may be brought against said LESSEE.

19. Condemnation. If the whole of the Leased Premises, or such portion thereof as will make the Leased Premises unsuitable for LESSEE'S normal business activity, should be condemned for any public use or conveyed under threat of condemnation, then this Lease Agreement shall terminate on the date possession is acquired by the condemning authority, and rent shall be apportioned as of that date. All compensation awarded or paid upon such total or partial taking of the Leased Premises shall belong to LESSOR without participation by LESSEE except to the extent the award fairly represents the value of improvements which are the property of LESSEE. However, nothing herein shall preclude LESSEE from prosecuting any claim directly against the condemning authority for loss of business, cost of relocation or any other damages to which a tenant may be entitled provided that no such claim shall diminish or otherwise adversely affect the amount of LESSOR'S award.

20. Classification/Use. The lands herein have been classified as Other in accordance with §29-3-31 et seq. Miss. Code Ann (1972) as amended. LESSOR warrants that the Leased Premises shall be permitted to be used as set forth in Exhibit "B" for the duration of the term. This warranty does not apply to any change in use which may be required by governmental authority or other means beyond the control of LESSOR.

Attachment: Rico Lee - 2 acres (11756 : Spread 16th Section Land Matters)

LESSEE shall not use the Leased Premises for any of the following purposes:

a. The operation of a business or proprietorship where the majority of revenues are derived from the sale of alcohol,
b. The operation of a business or proprietorship that offers adult entertainment including, but not limited to, nude or partially nude dancing or display, or the sale of distribution of adult materials including, but not limited to, pornographic magazines, books, videocassettes, or computer disks,
c. Activities that are considered hazardous including, but not limited to, demolition or the storage or use of dangerous substances,
d. Any activity considered to be a nuisance,
e. Any activity that is unlawful or immoral; or
f. Any activity which at the discretion of LESSOR or the Secretary of State is inappropriate upon Sixteenth Section Land.

21. Successors. To the extent assignment of this Lease Agreement is allowed by the above provisions this Lease Agreement shall be binding upon LESSEE'S successors and assigns.

22. General Duties of LESSEE. LESSEE agrees:

a. To comply with all laws and ordinances applicable to the use of the Leased Premises including, without limitation, laws and regulations pertaining to accessibility by handicapped persons;
b. To allow inspection of the Leased Premised during normal business hours by any persons responsible for management or supervision of the Leased Premises or this Lease Agreement acting in their official capacity;
c. To perform all obligations herein expressed in a prompt fashion, without notice or demand;
d. To surrender the Leased Premises upon termination or expiration of this Lease Agreement, with improvements to be in the condition as herein specified;
e. To provide LESSOR, at each Anniversary Date, written certification by LESSEE or an officer of LESSEE of compliance with the provisions of this lease;
f. To maintain the Leased Premises at all times in a clean, neat and orderly manner, free of waste materials, and to keep grass and other vegetation clipped.

23. Alteration. It is expressly agreed by and between the parties that LESSEE will not make any alteration upon the Leased Premises without the express prior written consent of LESSOR and that LESSEE will not occupy or use, nor permit to be occupied or used, the Leased Premises, for any business deemed extra-hazardous on account of fire or otherwise; nor will LESSEE permit the same to be used for any immoral or unlawful purpose. LESSEE also covenants and agrees to maintain the Leased Premises in a neat and orderly manner and to refrain from creating or maintaining any eyesores, unattractive nuisances, or other nuisance.

24. Reservations. LESSOR reserves title to all oil or gas, coal, lignite or other minerals in,

Attachment: Rico Lee - 2 acres (11756 : Spread 16th Section Land Matters)

on, or under said lease property, together with the right to enter and remove the same, but not in a manner which interferes with LESSEE'S operations on the Leased Premises.

25. Timber. LESSOR reserves and excepts from said lease all timber now or during the term, being situated on the Leased Premises with right of ingress and egress to remove same, and with the right to sell all or any part of said timber without breach of any right of LESSEE hereunder.

26. Rights-of-Way. LESSOR reserves the right to grant or sell rights-of-way across said lands for roads, highways, railroads, fiber optic cables or any public utility line, provided that any such roads, highways, railroads, fiber optic cables or public utility lines be constructed in a manner so as not to interfere with LESSEE'S operations.

27. Recording. Lessee will deliver a check in the requisite amount to the Lessor that is payable to the Chancery Clerk to cover recording fees. The Lessor will deliver this Lease Agreement to the Chancery Clerk of the necessary County for recording.

28. Immunity. No provision of this Lease Agreement, whether requiring LESSEE to maintain insurance or to indemnify LESSOR or otherwise, shall be construed as a waiver by LESSOR of any provision of law related to governmental immunity.

29. Interpretation. The parties to this Lease Agreement acknowledge that they have freely entered into this Lease Agreement and any ambiguities shall not be construed against a single party.

30. Governing Law. This Lease Agreement shall be governed by, construed, and enforced in accordance with the laws of the State of Mississippi. Jurisdiction and venue for any actions arising from this Lease Agreement and any amendments hereto shall rest exclusively in the Chancery Court of HANCOCK, Mississippi.

31. Secretary of State. By virtue of the signature below, the Secretary of State of the State of Mississippi has approved this Lease Agreement in accordance with the Secretary's authority for general supervision of 16th Section Public School Trust Land. Approval of this Lease Agreement by the Secretary of State indicates that the LESSOR has exercised the care and skill of an ordinary prudent person to protect the beneficiaries of the 16th Section Public School Trust Land.

32. Supervisory Right. The Secretary of State, as supervisory trustee, shall have the right to institute any action to enforce the terms of this Lease Agreement in the event LESSOR fails to do so in a timely manner. In the event the Secretary institutes legal action to enforce the terms of this Lease Agreement, he shall have all rights as are conferred to LESSOR.

33. Additional Provisions. This Lease Agreement contains an Exhibit "B". Any additional or special provisions to this Lease Agreement are set forth in Exhibit "B" and incorporated by reference as if copied fully herein. If there are no additional or special provisions then Exhibit "B" shall state "NONE".

Attachment: Rico Lee - 2 acres (11756 : Spread 16th Section Land Matters)

34. Entire Agreement. This Lease Agreement shall constitute the entire agreement between the parties. Any prior understanding or representation of any kind preceding the date of this Lease Agreement shall not be binding upon either party except to the extent incorporated in this Lease Agreement. This Lease Agreement contains Exhibits "A" and "B". If Exhibits "A" and "B" are not attached to this Lease Agreement, then this Lease Agreement shall be null and void.

Attachment: Herbert Ritchie - Lot 62 (11756 : Spread 16th Section Land Matters)

WITNESSETH:

That, for the term and in consideration of the annual rentals hereinafter set forth, and the covenants, conditions, and obligations to be observed and performed by LESSEE, LESSOR does hereby lease, let and rent unto LESSEE the following classified "Residential lands", situated in HANCOCK County, Mississippi (hereinafter called the "Leased Premises") and described as:

Section 16 Township 9S Range 16W

SEE SURVEY AND DESCRIPTION ATTACHED AS EXHIBIT "A" TO THIS LEASE

1. Term. The term of this Lease Agreement shall be for Twenty-Five (25) years, beginning on the 3rd day of November , 2022 , and terminating on the 3th day of November , 2047 (called the "primary term"). For purposes of this Lease Agreement the Anniversary Date shall be November 3rd of each year.

It is expressly agreed and understood by all the parties hereto that part of the consideration given for the execution and delivery of this instrument is the option hereby granted to LESSEE to renew this Lease Agreement for an additional "secondary term" of Twenty-Five (25) years from November 4, 2047, under the same terms, conditions, and stipulations set forth herein, except the annual rental shall be based upon the fair market value of the land, excluding the value of buildings and improvements not then owned by LESSOR, as determined by a qualified appraiser selected by LESSOR hereto who performs his appraisal not more than twelve months and not less than three months prior to the expiration of the initial primary term. LESSEE shall exercise said option to renew for the secondary term of Twenty-Five (25) years by notifying LESSOR in writing no less than twelve (12) months in advance of the expiration of the primary term and by tendering the determined annual rental to LESSOR at its above-stated address prior to the expiration of the primary term as may be required by statute. The cost of the new appraisal shall be borne by LESSEE. A new lease shall be executed to effectuate the secondary term.

2. Rental Amount. LESSEE agrees and covenants to pay or cause to be paid to LESSOR annually, on or before the Anniversary Date of this Lease Agreement each year during the term hereof, rentals in the amount of Two Hundred and Ninety-Two dollars and Eighty cents ($ 292.80). The first annual payment has been made with the execution hereof, and a like amount, subject to adjustment, shall be due and payable on each anniversary date. Subsequent payment of annual rent shall be due on or before the Anniversary Date of this Lease Agreement. The obligation of LESSEE to pay rent under this Lease Agreement is unconditional, and the rent shall not be subject to set off for any reason or cause. LESSOR and LESSEE agree that in the event of termination or cancellation, any rental payment made during the term of this Lease Agreement is not refundable, and LESSEE waives any right or claim it may have to refund of rent paid. Rents shall be adjusted periodically pursuant to the rent adjustment clause contained in Paragraph 3 of this lease. In the event LESSEE is delinquent in the payment of rent, LESSEE shall pay a late charge equal to fifteen percent (15%) of the amount of rent past due for more than 30 days and thereafter shall pay interest on any rent past due at an annual rate (the "Default Rate) equal to the maximum rate then allowed by law or, if there is no maximum rate, then a rate equal to five percent per annum

above the discount rate, excluding any surcharge thereon, on ninety-day commercial paper in effect at the Federal Reserve Bank in the Federal Reserve district in which the LESSOR is located, calculated according to the actuarial method.

3. Rent Adjustment. The eighth and every subsequent eight year Anniversary Date of the commencement of this Lease Agreement shall be the effective dates of rental adjustments, and on such dates the amount of annual rental due and payable hereunder shall be adjusted in the manner hereafter described to reflect the current fair market rental value of the Leased Premises.

a. LESSOR shall use its best efforts to cause the Leased Premises to be reappraised and a redetermination made of the annual fair market rental amount within six months before any adjustment date. In the event LESSOR shall fail to instigate reappraisal within the six months preceding any rent adjustment date, LESSOR shall not be deemed to have waived this provision requiring rent adjustment, and in such event (at any time after a rent adjustment date), LESSOR may proceed to have the Leased Premises reappraised and an adjusted rent determined for any such readjustment period. The adjusted rent shall be effective on the required adjustment date and LESSEE shall pay any deficiency to LESSOR within fifteen (15) days of the determination of the adjusted rent. The reappraisal shall be made pursuant to the Mississippi Code of 1972, § 29-3-69, or pursuant to the statute then in effect governing such leases and procedures for determining fair market rental value. The reappraisal shall establish the fair market value of the property unencumbered by this lease and shall reflect the market rate of return at the time but shall be no less than the minimum acceptable percentage provided by the statute in effect. Unless altered by the procedures described below, the amount of rent so determined as of each rental adjustment date shall be paid until the next rental adjustment date or for the balance of the lease as the case may be. The appraisal process described in this subparagraph (a) may be referred to hereafter as the Statutory Procedure. The cost of the reappraisal shall be borne by LESSEE, using an appraiser selected by LESSOR.
b. Should the Statutory Procedure result in an increase in rent over the amount previously due, LESSEE, by notice in writing given to LESSOR within 15 days after receiving notice of the increase, shall have the right to elect an alternate method of determining the current fair market rental value of the Leased Premises (the "Alternate Procedure") as follows:
    1. LESSEE may provide an appraisal by a Mississippi licensed appraiser having the qualifications hereafter described giving an opinion of current fair market annual rental value based on the (i) the fair market value of the land unencumbered by this lease and (ii) a reasonable percentage of return on comparable land investments as of the rental adjustment date. The written report of LESSEE'S appraiser shall be delivered to LESSOR within 45 days after the date on which LESSOR gave notice of an increase in rent under the Statutory Procedure. UPON FAILURE TO PROVIDE AN ALTERNATE APPRAISAL WITHIN THE TIME ALLOWED, LESSEE SHALL FORFEIT THE RIGHT TO PURSUE THE ALTERNATE PROCEDURE, AND ANNUAL RENT DETERMINED UNDER THE STATUTORY PROCEDURE SHALL BECOME DUE AND PAYABLE.
    2. The two appraisers shall make a good faith effort to reconcile their differences. If they have been unable to do so within 10 days after delivery of the report of

Attachment: Herbert Ritchie - Lot 62 (11756 : Spread 16th Section Land Matters)

LESSEE'S appraiser, the two appraisers within such 10 day period shall each submit the names of three appraisers having the qualifications hereafter described who practice in Mississippi to serve as a review appraiser, and they shall select the review appraiser from names in common on the two lists. If there is no name in common on the two lists, or if the person selected shall decline to serve, then each appraiser shall submit another list of three names of persons meeting the same criteria.

3. The review appraiser shall review and analyze the two appraisal reports, and if needed, inspect the land, consult with the two appraisers, review their assumptions and source information and request corrections, revisions, and additions to the appraisal reports. The review appraiser may also consider relevant information from his own files, conduct such independent investigation as he deems appropriate and may consider comparable transactions which occurred after the rental adjustment date.
4. The review appraiser shall report his opinion of annual fair market rent and such amount shall be accepted by LESSOR and LESSEE as the current fair market rental value of the Leased Premises.

c. If LESSEE requests the Alternate Procedure, LESSEE shall pay all fees and expenses of LESSEE'S appraiser, the review appraiser and any additional charges of LESSOR'S appraiser. The review appraiser, however, shall perform his duties in an independent and impartial manner irrespective of the source of payment of his fees and expenses.
d. The annual rentals on any adjustment date shall not be reduced below the amount established upon the initial date of this lease except upon determination by the Statutory Procedure.
e. The amount of rent determined in the above manner shall be remitted on or before the rental adjustment date or, if the rental adjustment procedures are concluded after such date, then promptly upon conclusion of such procedures effective as of the rental adjustment date.
f. The rent adjustment procedures will not delay the due date of rent at the existing annualrate and will not affect LESSOR'S right to declare a default if such rent is not timely paid.
g. LESSEE'S appraiser and the review appraiser must be members of the same organization of appraisers as LESSOR'S appraiser, or an organization having higher requirements for admission, and must have the same or higher designation (such as, for example, Member, Appraisal Institute). If LESSOR'S appraiser belongs to more than one organization, the other appraisers must belong to the organization having the highest standards and qualifications for membership. If the organization has multiple designations for appraisers, the review appraiser and LESSEE'S appraiser must hold the same or a higher designation as held by LESSOR'S appraiser.

4. Taxes. LESSEE covenants and agrees to pay any and all general and special taxes and assessments, including drainage taxes, if ever any there be, applicable to the Leased Premises and LESSEE'S interest therein; further, LESSEE covenants and agrees to pay any and all survey costs and recording fees in connection with this Lease Agreement or any other fees so determined by law. All payments for general and special taxes and assessments, including drainage taxes, shall be made directly to the governmental authority responsible for

Attachment: Herbert Ritchie - Lot 62 (11756 : Spread 16th Section Land Matters)

collecting such taxes and assessments. During the final year of the lease term, LESSOR or the governmental authority responsible for collecting taxes and assessments may require payment of any such taxes or assessments in advance or require that other security be given to insure that taxes will be paid when due. In the event it becomes necessary for the County Tax Collector or any other authority responsible for collecting general and special taxes or assessments to retain the services of attorneys to collect any taxes or assessments due from LESSEE under this lease, then LESSEE agrees to pay all costs and expenses of such actions or collections, including a reasonable attorneys' fee for the County Tax Collector or such other authority responsible for collecting said taxes or assessments.

5. Assignment. This lease SHALL NOT BE ASSIGNED OR SUBLEASED. Assignment or sublease of this Lease Agreement or any rights hereunder shall automatically terminate this lease without any further notice or action by LESSOR. In the event LESSEE owns improvements on Leased Premises, any purchaser of said improvements or any person or entity holding a contract to purchase said improvements shall have the right of first refusal to negotiate a new lease agreement with LESSOR.

6. Improvements. LESSEE agrees, at LESSEE'S own cost and expense, to keep all improvements in a good state of repair at all times and maintain the premises in good order and in a clean, sanitary and safe condition. While this Lease continues in force and effect, LESSEE shall have the unrestricted right to remove, change, alter, modify, add to or subtract from any of LESSEE'S improvements on the land as LESSEE may in his sole discretion elect so to do, and LESSOR, while this Lease or any extensions thereof continues in force and effect, shall have no ownership interest in any of LESSEE'S improvements. If any improvements are removed, LESSEE shall be obligated to remove all foundations and paved areas, fill any excavations with a soil material suitable as a foundation support for further construction and generally restore the premises to a condition suitable for construction, use and occupancy by others. LESSEE shall have the right to construct new or replacement buildings or structures on the Leased Premises. In the event construction is contemplated, LESSEE shall submit a description of the general nature of the proposed improvement and its intended use to LESSOR for approval, which approval shall not be unreasonably withheld.

7. Default. The parties herein expressly agree that if default shall be made in the payment of any tax assessment or other charge made pursuant to this Lease Agreement, then and in any such event of default, it shall be lawful for LESSOR, its legal representatives or assigns, to enter upon the Leased Premises, or any part thereof, either with or without process of law, to re-enter and repossess the same, and to distrain for any rent or assessment that may be due thereon, at the election of LESSOR, but nothing herein is to be construed to mean that LESSOR is not permitted to hold LESSEE liable for any unpaid liens or assessment to that time. As to all other conditions, covenants and obligations imposed on LESSEE herein, enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate said conditions, covenants and obligations, to restrain violation and to recover damages, if any, including reasonable expenses of litigation and a reasonable attorney's fee, which LESSEE expressly agrees to pay. Such enforcement by proceedings at law or in equity may be instituted at any time after sixty (60) days written notice to LESSEE. Invalidation of any provision(s) of this Lease by judgment or court order shall in no way affect any of the remaining provisions which shall remain in full force and effect.

Attachment: Herbert Ritchie - Lot 62 (11756 : Spread 16th Section Land Matters)

8. Forfeiture. In the event of any forfeiture, default or cancellation of this Lease Agreement or termination under the terms hereof as aforesaid, LESSEE shall quit, deliver up and surrender possession of the Leased Premises, and all structures and improvements thereon to LESSOR, and thereupon this Lease Agreement and all agreements and covenants on LESSOR'S behalf to be performed and kept, shall cease, terminate and be utterly void, the same as if this Lease had not been made; and in addition thereto, LESSOR shall be entitled to whatever remedies it may have at law for the collection of any unpaid rental hereunder, or for any other sums, for damages or otherwise, that it may have sustained on account of LESSEE'S non fulfillment or nonperformance of the terms and conditions of this Lease. LESSEE shall pay to LESSOR all costs of collection of rent or enforcement of this Lease Agreement, including expenses of litigation and attorneys fees, regardless of whether suit is filed. Immediately upon the termination of this Lease in any manner, whether by litigation or forfeiture, LESSOR shall be entitled to take possession of the Leased Premises and all the improvements thereon absolutely, any custom, usage, or law to the contrary notwithstanding. Mobile homes, factory manufactured, complete with wheels, where permitted to be placed, may, however, be removed at the termination of the Lease Agreement, when termination is by the expiration of the full term, but not in the event of default.

9. Waste. LESSEE shall be responsible for any waste or damages that may be caused to LESSOR's property by the activities of LESSEE under this Lease Agreement, and shall exercise due diligence in the protection of all improvements, timber and other property of LESSOR, which may be located on the Leased Premises or in the vicinity thereof, against fire or damage from any and all other causes. LESSEE shall further comply with all applicable laws, rules, and regulations concerning LESSEE'S use of the property and/or obligations under this Lease Agreement. This obligation shall include, but not be limited to, compliance with federal, state and local environmental, endangered species, wetlands, and other laws, rules and regulations that may presently exist or hereafter be adopted. In the event of contamination of soils, air or water arising out of any LESSEE use, LESSEE shall be responsible for all mandated remediation and monitoring with this obligation to survive termination of this lease.

10. Indemnity. LESSEE shall protect, indemnify, defend, save, and hold harmless LESSOR, the State of Mississippi, and the Secretary of State, their officers, board members, employees and agents, from and against all claims, demands, liabilities, suits, injuries, and any and all losses or damages and cost of every kind and nature whatsoever ("loss"), including but not limited to all court costs and attorneys fees and all personal injury or death and/or damage to any person or entity including, but not limited to, LESSOR and its property or other loss arising out of any alleged noncompliance with laws or caused by LESSEE'S exercise of its rights under this Lease Agreement and/or resulting from the actions or omission of LESSEE in connection with its presence on or any use of Leased Premises by it, its officers, agents, subcontractors, employees, or invitees; provided, however, it is understood that the indemnity provided by LESSEE as described in this paragraph shall not extend to intentional or negligent acts of LESSOR, its officers, or agents.

11. Right to Cure. Notwithstanding any DEFAULT of this Lease Agreement, any present or future holder of a mortgage or deed of trust representing money loaned on facilities located

Attachment: Herbert Ritchie - Lot 62 (11756 : Spread 16th Section Land Matters)

on the Leased Premises shall have the right of a sixty (60) day notice of default within which to cure any default which may be cured by the payment of money. In addition, for any other default for which a forfeiture of said Lease may be invoked, such holder shall have reasonable time, which shall not be less than sixty (60) days, either to require the correction of such default, or in lieu thereof to protect itself through the exercise of a power of sale and thereby acquire title to such properties and correct such default.

12. Enjoyment. LESSEE shall have quiet and peaceable possession as long as compliance is made by LESSEE with the terms of this Lease Agreement. LESSEE, his heirs successors or assigns, shall occupy the premises as a single family residence; but this condition shall not prejudice rights of a holder of mortgage or deed of trust set forth elsewhere in this residential lease agreement. LESSEE certifies that there are no other dwellings on the Leased Premises other than LESSEE'S dwelling.

13. Reservation. LESSOR reserves title to all timber, the right to harvest said timber at LESSOR's discretion and to reseed or replant after harvest, together with title to all minerals and oil and gas, together with the right of ingress and egress to remove same, as provided by law. LESSOR reserves the right to grant or sell rights-of-way across the Leased Premises for roads, highways, railroads, fiber optic cables or any public utility line, provided that any such roads, highways, railroads, fiber optic cables or public utility lines be constructed or operated in a manner so as not to unreasonably interfere with LESSEE'S use of the property.

14. Mortgage. Any recorded mortgages or deed of trust may provide that any default by the LESSEE/Mortgagor concerning this Lease shall likewise be a default of such mortgage or deed of trust, but failure to indicate such provisions in any mortgage or deed of trust shall not affect the validity or propriety thereof nor diminish the protection extended to the holder of such mortgage or deed of trust or the indebtedness secured thereby. Notwithstanding any provision of this Lease to the contrary, in the event of a default and foreclosure of a mortgage or deed of trust representing money loaned on the hereinbefore described property or the receipt of a transfer in lieu thereof, the purchaser at such foreclosure or the recipient of a transfer in lieu thereof will receive all the rights and privileges of a LESSEE and likewise assume all responsibilities of a LESSEE as if such purchaser or transferee had initially been a LESSEE under this Lease Agreement.

15. Condemnation. In the event of condemnation or other taking for public use under powers of eminent domain of all or part of LESSEE'S interest in the Leased Premises, payments for such condemnation or taking of LESSEE'S leasehold interest shall be payable to LESSEE, or, if the LESSEE'S promises are encumbered by a mortgage or Deed of Trust, payment for the leasehold estate shall be made in accordance with the terms and provisions of such mortgage or Deed of Trust. Leasehold mortgagee (or trustee for restoration in the case of partial awards) shall be entitled to receive payment of a condemnation award to which LESSEE is entitled. The payment must not be less than the total award less the value of the land considered as unimproved.

16. Notices. All notices specified by this Lease Agreement shall be in writing and sent by registered or certified mail, postage prepaid to the following addresses or hand-delivered in person, delivered by facsimile or otherwise to the following persons. By written notice, either

INDEXING INSTRUCTIONS:

Attachment: Rico Lee - 2 acres. - recorded (11756 : Spread 16th Section Land Matters)

WITNESSETH:

That, for the term and in consideration of the rentals hereinafter set forth, and the covenants, conditions, and obligations to be observed and performed by LESSEE, and by the authority and under the direction of the LESSOR, LESSOR does hereby lease, let and rent unto LESSEE the following described land (hereinafter the "Leased Premises") to-wit:

Section 29 Township 5S Range 15W

MORE PARTICULARLY DESCRIBED IN EXHIBIT "A" ATTACHED HERETO AND INCORPORATED BY REFERENCE AS IF COPIED FULLY HEREIN.

1. Term. The term of this Lease Agreement shall be for Five (5) years, beginning on the 3rd day of October , 2022 , and terminating on the 2th day of October , 2027 (called the "primary term"). For purposes of this Lease Agreement the Anniversary Date shall be October 3rd of each year.

It is expressly agreed and understood by all the parties hereto that part of the consideration given for the execution and delivery of this instrument is the option hereby granted to LESSEE to renew this Lease Agreement for an additional "secondary term" of Twenty-Five (25) years from October 3, 2027, under the same terms, conditions, and stipulations set forth herein, except the annual rental shall be based upon the fair market value of the land, excluding the value of buildings and improvements not then owned by LESSOR, as determined by a qualified appraiser selected by LESSOR hereto who performs his appraisal not more than twelve months and not less than three months prior to the expiration of the initial primary term. LESSEE shall exercise said option to renew for the secondary term of Twenty-Five (25) years by notifying LESSOR in writing no less than twelve (12) months in advance of the expiration of the primary term and by tendering the determined annual rental to LESSOR at its above-stated address prior to the expiration of the primary term as may be required by statute. The cost of the new appraisal shall be borne by LESSEE. A new lease shall be executed to effectuate the secondary term.

2. Annual Rent. LESSEE covenants and agrees to pay as rent to LESSOR the sum of One Thousand Sixty-Four dollars and Eighty-Two cents ($ 1064.82) per annum, on or before the Anniversary Date of this Lease Agreement each year; provided, however, that the payment of rent for the first year of this lease shall be due at the time of approval by LESSOR. The obligation of LESSEE to pay rent under this Lease Agreement is unconditional, and the rent shall not be subject to set off for any reason or cause. LESSOR and LESSEE agree that in the event of termination or cancellation, any rental payment made during the term of this Lease Agreement is not refundable, and LESSEE waives any right or claim it may have to refund of rent paid.

Rents shall be adjusted periodically pursuant to the rent adjustment clause contained in Paragraph 3 of this lease. In the event LESSEE is delinquent in the payment of rent, LESSEE shall pay a late charge equal to fifteen percent (15%) of the amount of rent past due for more than 30 days and thereafter shall pay interest on any rent past due at an annual rate (the "Default Rate") equal to the maximum rate then allowed by law or, if there is no maximum rate, then a rate equal to five percent per annum above the discount rate, excluding any

surcharge thereon, on ninety-day commercial paper in effect at the Federal Reserve Bank in the Federal Reserve district in which LESSOR is located, calculated according to the actuarial method.

3. Rent Adjustment. The eighth and every subsequent eight year Anniversary Date of the commencement of this Lease Agreement shall be the effective dates of rental adjustments, and on such dates the amount of annual rental due and payable hereunder shall be adjusted in the manner hereafter described to reflect the current fair market rental value of the Leased Premises.

a. LESSOR shall use its best efforts to cause the Leased Premises to be reappraised and a redetermination made of the annual fair market rental amount within six months before any adjustment date. In the event LESSOR shall fail to instigate reappraisal within the six months preceding any rent adjustment date, LESSOR shall not be deemed to have waived this provision requiring rent adjustment, and in such event (at any time after a rent adjustment date), LESSOR may proceed to have the Leased Premises reappraised and an adjusted rent determined for any such readjustment period. The adjusted rent shall be effective on the required adjustment date and LESSEE shall pay any deficiency to LESSOR within fifteen (15) days of the determination of the adjusted rent. The reappraisal shall be made pursuant to the Mississippi Code of 1972, § 29-3-69, or pursuant to the statute then in effect governing such leases and procedures for determining fair market rental value. The reappraisal shall establish the fair market value of the property unencumbered by this lease and shall reflect the market rate of return at the time but shall be no less than the minimum acceptable percentage provided by the statute in effect. Unless altered by the procedures described below, the amount of rent so determined as of each rental adjustment date shall be paid until the next rental adjustment date or for the balance of the lease as the case may be. The appraisal process described in this subparagraph (a) may be referred to hereafter as the Statutory Procedure. The cost of the reappraisal shall be borne by LESSEE, using an appraiser selected by LESSOR.

b. Should the Statutory Procedure result in an increase in rent over the amount previously due, LESSEE, by notice in writing given to LESSOR within 15 days after receiving notice of the increase, shall have the right to elect an alternate method of determining the current fair market rental value of the Leased Premises (the "Alternate Procedure") as follows:
   1. LESSEE may provide an appraisal by a Mississippi licensed appraiser having the qualifications hereafter described giving an opinion of current fair market annual rental value based on the (i) the fair market value of the land unencumbered by this lease and (ii) a reasonable percentage of return on comparable land investments as of the rental adjustment date. The written report of LESSEE'S appraiser shall be delivered to LESSOR within 45 days after the date on which LESSOR gave notice of an increase in rent under the Statutory Procedure. UPON FAILURE TO PROVIDE AN ALTERNATE APPRAISAL WITHIN THE TIME ALLOWED, LESSEE SHALL FORFEIT THE RIGHT TO PURSUE THE ALTERNATE PROCEDURE, AND ANNUAL RENT DETERMINED UNDER THE STATUTORY PROCEDURE SHALL BECOME DUE AND PAYABLE.
   2. The two appraisers shall make a good faith effort to reconcile their differences. If they have been unable to do so within 10 days after delivery of the report of

Attachment: Rico Lee - 2 acres. - recorded (11756 : Spread 16th Section Land Matters)

LESSEE'S appraiser, the two appraisers within such 10 day period shall each submit the names of three appraisers having the qualifications hereafter described who practice in Mississippi to serve as a review appraiser, and they shall select the review appraiser from names in common on the two lists. If there is no name in common on the two lists, or if the person selected shall decline to serve, then each appraiser shall submit another list of three names of persons meeting the same criteria.

3. The review appraiser shall review and analyze the two appraisal reports, and if needed, inspect the land, consult with the two appraisers, review their assumptions and source information and request corrections, revisions, and additions to the appraisal reports. The review appraiser may also consider relevant information from his own files, conduct such independent investigation as he deems appropriate and may consider comparable transactions which occurred after the rental adjustment date.
4. The review appraiser shall report his opinion of annual fair market rent and such amount shall be accepted by LESSOR and LESSEE as the current fair market rental value of the Leased Premises.

c. If LESSEE requests the Alternate Procedure, LESSEE shall pay all fees and expenses of LESSEE'S appraiser, the review appraiser and any additional charges of LESSOR'S appraiser. The review appraiser, however, shall perform his duties in an independent and impartial manner irrespective of the source of payment of his fees and expenses.
d. The annual rentals on any adjustment date shall not be reduced below the amount established upon the initial date of this lease except upon determination by the Statutory Procedure.
e. The amount of rent determined in the above manner shall be remitted on or before the rental adjustment date or, if the rental adjustment procedures are concluded after such date, then promptly upon conclusion of such procedures effective as of the rental adjustment date.
f. The rent adjustment procedures will not delay the due date of rent at the existing annual rate and will not affect LESSOR'S right to declare a default if such rent is not timely paid.
g. LESSEE'S appraiser and the review appraiser must be members of the same organization of appraisers as LESSOR'S appraiser, or an organization having higher requirements for admission, and must have the same or higher designation (such as, for example, Member, Appraisal Institute). If LESSOR'S appraiser belongs to more than one organization, the other appraisers must belong to the organization having the highest standards and qualifications for membership. If the organization has multiple designations for appraisers, the review appraiser and LESSEE'S appraiser must hold the same or a higher designation as held by LESSOR'S appraiser.

4. Taxes. LESSEE covenants and agrees to pay any and all general and special taxes and assessments, including drainage taxes, if ever any there be, applicable to the above-described property and LESSEE'S interest therein; further, LESSEE covenants and agrees to pay any and all survey costs and recording fees in connection with this Lease Agreement or any other fees so determined by law. All payments for general and special taxes and assessments, including drainage taxes, shall be made directly to the governmental authority responsible for collecting such taxes and assessments. During the final year of the lease term, LESSOR or the governmental authority responsible for collecting taxes and assessments may require payment of any such taxes or assessments in advance or require

Attachment: Rico Lee - 2 acres. - recorded (11756 : Spread 16th Section Land Matters)

that other security be given to insure that taxes will be paid when due. In the event it becomes necessary for the County Tax Collector or any other authority responsible for collecting general and special taxes or assessments to retain the services of attorneys to collect any taxes or assessments due from LESSEE under this lease, then LESSEE agrees to pay all costs and expenses of such actions or collections, including a reasonable attorneys' fee for the County Tax Collector or such other authority responsible for collecting said taxes or assessments.

5. Default. The parties herein expressly agree that if DEFAULT shall be made in the payment of any general or special tax or assessment or rent due, pursuant to this Lease Agreement, then and in any event of DEFAULT it shall be lawful for LESSOR to enter upon said premises, or any part thereof, after LESSOR has provided sixty (60) days prior written notice to LESSEE and upon LESSEE'S failure to cure such DEFAULT within said sixty (60) days, either with or without the process of law, to re-enter and repossess the same, and to distrain from any rent or assessment that may be due thereon, at the election of LESSOR, but nothing here is to be construed to mean that LESSOR is not permitted to hold LESSEE liable for any unpaid rent or assessment to that time. As to all other conditions, covenants, and obligations imposed on LESSEE herein, enforcement shall be by proceeding at law or in equity against any person violating or attempting to violate said conditions, covenants, and obligations to restrain violation and recover damages, if any, including reasonable expenses of litigation including but not limited to fees charged by attorneys, expert witnesses, surveyors and appraisers, which LESSEE expressly agrees to pay. Such enforcement by proceedings at law or in equity may be instituted at any time after thirty (30) days written notice. Enforcement proceedings shall include the right of the Tax Collector to recover any tax, assessment, fees and costs.

6. Remedies. In the event of any FORFEITURE, DEFAULT, OR CANCELLATION of this Lease Agreement or termination of the term therefore aforesaid, LESSEE shall quit, deliver up and surrender possession of the leased property and all LESSOR-owned structures and improvements thereon to the said LESSOR, and thereupon this Lease Agreement and all agreements and covenants on LESSOR'S behalf to be performed and kept, shall cease, terminate, and be utterly void, the same as if the Lease Agreement had not been made. At LESSOR'S option LESSEE shall be required to remove all LESSEE-owned improvements. In addition thereto LESSOR shall be entitled to whatever remedies it may have at law or equity for the collection of any unpaid rental hereunder, or for any other sums, for damages or otherwise, that it may have sustained on account of the LESSEE'S non-fulfillment or nonperformance of the terms and conditions of this Lease Agreement including costs for removing LESSEE-owned improvements.

Immediately upon the termination of this Lease Agreement, whether by FORFEITURE, DEFAULT, or CANCELLATION, LESSOR shall be entitled to take possession of the Leased Premises and all LESSOR- owned improvements thereon absolutely, and custom, usage, or law to the contrary notwithstanding. Any removal of property from the Leased Premises shall be accomplished so as to leave said the Leased Premises in a condition satisfactory to LESSOR. At LESSOR'S option LESSEE shall remove all of the LESSEE'S property within thirty (30) days of LESSOR'S possession. LESSEE shall be subject to the accrual of rent during said thirty (30) day period.

Attachment: Rico Lee - 2 acres. - recorded (11756 : Spread 16th Section Land Matters)

7. Curing Default. Notwithstanding any DEFAULT provisions of this Lease Agreement, any present or future holder of a mortgage or deed of trust securing money loaned on facilities located on the Leased Premises shall have the right of a thirty (30) day notice of default within which to cure any DEFAULT which may be cured by the payment of money. In addition, for any other DEFAULT for which a forfeiture of said Lease Agreement may be invoked, such holder of such mortgage or deed of trust shall be entitled to a notice in writing of the claimed DEFAULT and shall have a reasonable time, which shall not be less than Thirty (30) days, either to require the correction of such DEFAULT or in lieu thereof to protect itself through the exercise of a power of sale and thereby acquire a leasehold in said property and correct such DEFAULT. LESSEE hereby covenants and agrees to notify LESSOR of the existence of all such mortgages, deeds of trust, or other secured encumbrances, and that, in the absence of such notice, LESSOR has no obligation whatever to notify any such holder of said encumbrance.

8. Assignment. This lease SHALL NOT BE ASSIGNED OR SUBLEASED. Assignment or sublease of this Lease Agreement or any rights hereunder shall automatically terminate this lease without any further notice or action by LESSOR. In the event LESSEE owns improvements on the Leased Premises, any purchaser of said improvements or any person or entity holding a contract to purchase said improvements shall have the right of first refusal to negotiate a new lease agreement with LESSOR.

9. Regulatory Compliance. LESSEE shall comply with all applicable laws, rules, and regulations concerning LESSEE'S use of the Leased Premises and/or obligations under this instrument. This obligation shall include, but not be limited to, compliance with federal, state and local environmental regulations concerning the air, water and soil, endangered species, wetlands, and other laws, rules and regulations that may presently exist or hereafter be adopted. In the event of contamination of the air, water or soils arising out of any LESSEE use, LESSEE shall be responsible for all mandated remediation and monitoring with this obligation to survive termination of this Lease Agreement. Notwithstanding the requirements of this paragraph LESSEE:

a. Except as modified by paragraph 22 below, LESSEE will not use, generate, manufacture, produce, store, release, discharge or dispose of on, under or about the Leased Premises or transport to or from the Leased Premises any hazardous substance or pollutant (as either may be defined by any present or future laws or regulations of any governmental authority or by any administrative or judicial decisions) or any solid wastes and will not allow any other person to do so.
b. Shall keep and maintain the Leased Premises in compliance with and shall not cause or permit the Leased Premises to be in violation of any environment laws or regulations nor any laws or regulations pertaining to the disposal of solid, liquid, or gaseous wastes, both hazardous, and non-hazardous.
c. Shall give prompt written notice to LESSOR and the Secretary of State of:
    1. Any proceeding or inquiry by any governmental authority with respect to the presence of any solid wastes or hazardous substance on the leased premises or the migration thereof from or to other property;
    2. All claims made or threatened by any governmental authority with respect to the presence of any solid wastes or hazardous substance on the Leased Premises or the migration thereof from or to other property; or

Attachment: Rico Lee - 2 acres. - recorded (11756 : Spread 16th Section Land Matters)

3. LESSEE'S discovery of any occurrence or condition that would cause the leased premised to be subject to any restrictions on the ownership, occupancy, transferability or use of the Leased Premises under any environmental or solid waste disposal law, regulation, ordinance or ruling.

10. Environmental Accidents. LESSEE shall immediately furnish written notice of all spills, leaks, accidents or similar matters on the Leased Premises to LESSOR and the Secretary of State at the address provided in this instrument. LESSEE shall also furnish LESSOR a copy of all filings, including but not limited to, environmental issues, required bylaws, rules or regulations arising out of any spills, leaks, accidents, or other matters relating to the use and occupation of the Leased Premises by LESSEE. Nothing in this paragraph shall place any duty of cleanup or remediation of the Leased Premises upon LESSOR or the Secretary of State with those duties belonging exclusively to LESSEE.

11. Breach of Lease Agreement. If LESSEE breaches any of the provisions of this Lease Agreement and fails to cure same after thirty (30) days written notice from LESSOR, then LESSEE, in addition to any other damages for which it may be responsible, shall pay LESSOR its reasonable costs and expenses in enforcing the Lease Agreement, including but not limited to fees charged by attorneys, expert witnesses, surveyors and appraisers.

12. Notices. All notices specified by this instrument shall be in writing and sent by registered or certified mail, postage prepaid to the following addresses or hand-delivered in person, delivered by facsimile or otherwise to the following persons. By written notice, either party may change the persons or addresses to whom notice shall be given.

13. Insurance. LESSEE shall maintain contractual and comprehensive general liability insurance with a company acceptable to LESSOR and the Secretary of State with a minimum combined single limit of liability of one million dollars ($1,000,000.00) and the members of LESSEE shall collectively maintain a similar policy or self-insure for an excess limit of liability of one million dollars ($1,000,000.00) for personal injuries or death of persons or destruction of property arising out of its operation, use or occupancy of the Leased Premises. LESSEE shall furnish proof of insurance (or self-insurance for LESSEE'S members, if applicable) to LESSOR, shall keep this insurance (of self-insurance for LESSEE'S members, if applicable) in full force and effect, and shall furnish LESSOR notice if the coverage is placed with another insurance company (or if the self-insurance for LESSEE'S members is managed by another company, if applicable). The amount of insurance coverage shall be adjusted for inflation every ten years on each tenth Anniversary of this instrument according to the procedures then set forth by the Office of the Secretary of State.

14. Indemnification. LESSEE shall protect, indemnify, defend, save, and hold harmless LESSOR, the State of Mississippi, and the Secretary of State, their officers, board members, employees and agents, from and against all claims, demands, liabilities, suits, injuries, and any and all losses or damages and cost of every kind and nature whatsoever ("loss"), including but not limited to all court costs and attorneys fees and all personal injury or death and/or damage to any person or entity including, but not limited to, LESSOR and its property or other loss arising out of any alleged noncompliance with laws or caused by LESSEE'S exercise of its rights under this Lease Agreement and/or resulting from the actions or omission of LESSEE in connection with its presence on or any use of the Leased Premises by LESSEE, its officers, agents, subcontractors, employees or invitees. Provided, however, it is understood that the indemnity provided by LESSEE as described in this paragraph shall not extend to intentional or negligent acts of LESSOR, its officers, or agents. In the event the intentional or negligent acts of LESSOR, its officers or agents, are not the direct and sole proximate cause for one hundred percent (100%) of the loss of claim, LESSEE shall be responsible to fulfill its obligations under this paragraph for the percentage of liability not attributable to LESSOR, its officers or agents.

15. Mortgage Transactions. The restrictions on assignments set forth in Paragraph 8 of the Lease Agreement shall not apply to and no prior approval of LESSOR shall be required for (i) a mortgage of the leasehold estate (ii) a foreclosure or an assignment of the leasehold estate to the mortgagee in lieu of foreclosure or (iii) a transfer by a mortgagee who has acquired the leasehold estate and such transfer occurs within a reasonable period of time commensurate with liquidation of the asset. However, any person acquiring the leasehold estate by any of the above means shall be obligated, within 10 days thereafter, to provide LESSOR with a copy of the assignment. No mortgagee shall be deemed to have assumed and no mortgagee shall be personally obligated to perform any of LESSEE'S obligations under this lease which accrued prior to acquisition of the leasehold estate, provided that this limitation on personal liability shall not diminish the rights and remedies otherwise available to LESSOR in the event of a default nor the right of a mortgagee to cure defaults as herein provided. A mortgagee, having acquired the leasehold estate through foreclosure or assignment in lieu of foreclosure, shall be liable for performance of all obligations of LESSEE which accrue during the period the mortgagee has ownership of the leasehold estate, and any rent payment which becomes

Attachment: Rico Lee - 2 acres. - recorded (11756 : Spread 16th Section Land Matters)

due during such period shall be paid in full and not prorated. Nothing contained in this Lease Agreement or in any mortgage shall release LESSEE from the full and faithful performance of LESSEE'S obligations under this Lease Agreement or from any liability for non-performance or constitute a waiver of any right of LESSOR against LESSEE.

The term "mortgage" as used in this paragraph means any mortgage, deed of trust, collateral assignment or other transfer or pledge of this lease as security for an indebtedness of LESSEE; and the term "mortgagee" means the holder of the indebtedness to whom or for whose benefit this lease has been mortgaged or pledged as security.

16. Waste. LESSEE shall be responsible for any damage that may be caused to LESSOR'S property by the activities of LESSEE, its employees, agents, contractors, and invitees under this Lease Agreement, and shall exercise reasonable care in the protection of all improvements, timber and other property of LESSOR, which may be located on the Leased Premises or in the vicinity whereon, against fire or damage from any and all other causes. LESSEE, its employees, agents, contractors, and invitees shall exercise reasonable care in conducting the activities permitted under this Lease Agreement, and shall not, in any event, commit waste or allow waste to be committed.

17. Quiet Possession. LESSEE shall have quiet and peaceful possession of said property as long as compliance is made with the terms of this agreement.

18. Bankruptcy or Judgments. LESSEE hereby covenants and agrees that if an execution or process is levied upon the Leased Premises or if a petition of bankruptcy be filed by or against the LESSEE in any court of competent jurisdiction, LESSOR shall have the right at its option, to cancel this Lease Agreement. LESSEE further covenants and agrees that this Lease Agreement and the interest of LESSEE hereunder shall not, without the written consent of LESSOR first obtained, be subject to garnishment or sale under execution or otherwise in any suit or proceeding which may be brought against said LESSEE.

19. Condemnation. If the whole of the Leased Premises, or such portion thereof as will make the Leased Premises unsuitable for LESSEE'S normal business activity, should be condemned for any public use or conveyed under threat of condemnation, then this Lease Agreement shall terminate on the date possession is acquired by the condemning authority, and rent shall be apportioned as of that date. All compensation awarded or paid upon such total or partial taking of the Leased Premises shall belong to LESSOR without participation by LESSEE except to the extent the award fairly represents the value of improvements which are the property of LESSEE. However, nothing herein shall preclude LESSEE from prosecuting any claim directly against the condemning authority for loss of business, cost of relocation or any other damages to which a tenant may be entitled provided that no such claim shall diminish or otherwise adversely affect the amount of LESSOR'S award.

20. Classification/Use. The lands herein have been classified as Other in accordance with §29-3-31 et seq. Miss. Code Ann (1972) as amended. LESSOR warrants that the Leased Premises shall be permitted to be used as set forth in Exhibit "B" for the duration of the term. This warranty does not apply to any change in use which may be required by governmental authority or other means beyond the control of LESSOR.

Attachment: Rico Lee - 2 acres. - recorded (11756 : Spread 16th Section Land Matters)

LESSEE shall not use the Leased Premises for any of the following purposes:

a. The operation of a business or proprietorship where the majority of revenues are derived from the sale of alcohol,
b. The operation of a business or proprietorship that offers adult entertainment including, but not limited to, nude or partially nude dancing or display, or the sale of distribution of adult materials including, but not limited to, pornographic magazines, books, videocassettes, or computer disks,
c. Activities that are considered hazardous including, but not limited to, demolition or the storage or use of dangerous substances,
d. Any activity considered to be a nuisance,
e. Any activity that is unlawful or immoral; or
f. Any activity which at the discretion of LESSOR or the Secretary of State is inappropriate upon Sixteenth Section Land.

21. Successors. To the extent assignment of this Lease Agreement is allowed by the above provisions this Lease Agreement shall be binding upon LESSEE'S successors and assigns.

22. General Duties of LESSEE. LESSEE agrees:

a. To comply with all laws and ordinances applicable to the use of the Leased Premises including, without limitation, laws and regulations pertaining to accessibility by handicapped persons;
b. To allow inspection of the Leased Premised during normal business hours by any persons responsible for management or supervision of the Leased Premises or this Lease Agreement acting in their official capacity;
c. To perform all obligations herein expressed in a prompt fashion, without notice or demand;
d. To surrender the Leased Premises upon termination or expiration of this Lease Agreement, with improvements to be in the condition as herein specified;
e. To provide LESSOR, at each Anniversary Date, written certification by LESSEE or an officer of LESSEE of compliance with the provisions of this lease;
f. To maintain the Leased Premises at all times in a clean, neat and orderly manner, free of waste materials, and to keep grass and other vegetation clipped.

23. Alteration. It is expressly agreed by and between the parties that LESSEE will not make any alteration upon the Leased Premises without the express prior written consent of LESSOR and that LESSEE will not occupy or use, nor permit to be occupied or used, the Leased Premises, for any business deemed extra-hazardous on account of fire or otherwise; nor will LESSEE permit the same to be used for any immoral or unlawful purpose. LESSEE also covenants and agrees to maintain the Leased Premises in a neat and orderly manner and to refrain from creating or maintaining any eyesores, unattractive nuisances, or other nuisance.

24. Reservations. LESSOR reserves title to all oil or gas, coal, lignite or other minerals in,

25. Timber. LESSOR reserves and excepts from said lease all timber now or during the term, being situated on the Leased Premises with right of ingress and egress to remove same, and with the right to sell all or any part of said timber without breach of any right of LESSEE hereunder.

26. Rights-of-Way. LESSOR reserves the right to grant or sell rights-of-way across said lands for roads, highways, railroads, fiber optic cables or any public utility line, provided that any such roads, highways, railroads, fiber optic cables or public utility lines be constructed in a manner so as not to interfere with LESSEE'S operations.

27. Recording. Lessee will deliver a check in the requisite amount to the Lessor that is payable to the Chancery Clerk to cover recording fees. The Lessor will deliver this Lease Agreement to the Chancery Clerk of the necessary County for recording.

28. Immunity. No provision of this Lease Agreement, whether requiring LESSEE to maintain insurance or to indemnify LESSOR or otherwise, shall be construed as a waiver by LESSOR of any provision of law related to governmental immunity.

29. Interpretation. The parties to this Lease Agreement acknowledge that they have freely entered into this Lease Agreement and any ambiguities shall not be construed against a single party.

30. Governing Law. This Lease Agreement shall be governed by, construed, and enforced in accordance with the laws of the State of Mississippi. 32. Supervisory Right. The Secretary of State, as supervisory trustee, shall have the right to institute any action to enforce the terms of this Lease Agreement in the event LESSOR fails to do so in a timely manner. In the event the Secretary institutes legal action to enforce the terms of this Lease Agreement, he shall have all rights as are conferred to LESSOR.

33. Additional Provisions. This Lease Agreement contains an Exhibit "B". Any additional or special provisions to this Lease Agreement are set forth in Exhibit "B" and incorporated by reference as if copied fully herein. WITNESSETH:

That, for the term and in consideration of the annual rentals hereinafter set forth, and the covenants, conditions, and obligations to be observed and performed by LESSEE, LESSOR does hereby lease, let and rent unto LESSEE the following classified "Residential lands", situated in HANCOCK County, Mississippi (hereinafter called the "Leased Premises") and described as:

Section 16 Township 9S Range 16W

SEE SURVEY AND DESCRIPTION ATTACHED AS EXHIBIT "A" TO THIS LEASE

1. Term. The term of this Lease Agreement shall be for Twenty-Five (25) years, beginning on the 3rd day of November , 2022 , and terminating on the 3th day of November , 2047 (called the "primary term"). For purposes of this Lease Agreement the Anniversary Date shall be November 3rd of each year.

It is expressly agreed and understood by all the parties hereto that part of the consideration given for the execution and delivery of this instrument is the option hereby granted to LESSEE to renew this Lease Agreement for an additional "secondary term" of Twenty-Five (25) years from November 4, 2047, under the same terms, conditions, and stipulations set forth herein, except the annual rental shall be based upon the fair market value of the land, excluding the value of buildings and improvements not then owned by LESSOR, as determined by a qualified appraiser selected by LESSOR hereto who performs his appraisal not more than twelve months and not less than three months prior to the expiration of the initial primary term. LESSEE shall exercise said option to renew for the secondary term of Twenty-Five (25) years by notifying LESSOR in writing no less than twelve (12) months in advance of the expiration of the primary term and by tendering the determined annual rental to LESSOR at its above-stated address prior to the expiration of the primary term as may be required by statute. The cost of the new appraisal shall be borne by LESSEE. A new lease shall be executed to effectuate the secondary term.

2. Rental Amount. LESSEE agrees and covenants to pay or cause to be paid to LESSOR annually, on or before the Anniversary Date of this Lease Agreement each year during the term hereof, rentals in the amount of Two Hundred and Ninety-Two dollars and Eighty cents ($ 292.80). The first annual payment has been made with the execution hereof, and a like amount, subject to adjustment, shall be due and payable on each anniversary date. Subsequent payment of annual rent shall be due on or before the Anniversary Date of this Lease Agreement. The obligation of LESSEE to pay rent under this Lease Agreement is unconditional, and the rent shall not be subject to set off for any reason or cause. LESSOR and LESSEE agree that in the event of termination or cancellation, any rental payment made during the term of this Lease Agreement is not refundable, and LESSEE waives any right or claim it may have to refund of rent paid. Rents shall be adjusted periodically pursuant to the rent adjustment clause contained in Paragraph 3 of this lease. In the event LESSEE is delinquent in the payment of rent, LESSEE shall pay a late charge equal to fifteen percent (15%) of the amount of rent past due for more than 30 days and thereafter shall pay interest on any rent past due at an annual rate (the "Default Rate) equal to the maximum rate then allowed by law or, if there is no maximum rate, then a rate equal to five percent per annum

Attachment: Herbert Ritchie - Lot 62. - recorded (11756 : Spread 16th Section Land Matters)

above the discount rate, excluding any surcharge thereon, on ninety-day commercial paper in effect at the Federal Reserve Bank in the Federal Reserve district in which the LESSOR is located, calculated according to the actuarial method.

3. Rent Adjustment. The eighth and every subsequent eight year Anniversary Date of the commencement of this Lease Agreement shall be the effective dates of rental adjustments, and on such dates the amount of annual rental due and payable hereunder shall be adjusted in the manner hereafter described to reflect the current fair market rental value of the Leased Premises.

a. LESSOR shall use its best efforts to cause the Leased Premises to be reappraised and a redetermination made of the annual fair market rental amount within six months before any adjustment date. In the event LESSOR shall fail to instigate reappraisal within the six months preceding any rent adjustment date, LESSOR shall not be deemed to have waived this provision requiring rent adjustment, and in such event (at any time after a rent adjustment date), LESSOR may proceed to have the Leased Premises reappraised and an adjusted rent determined for any such readjustment period. The adjusted rent shall be effective on the required adjustment date and LESSEE shall pay any deficiency to LESSOR within fifteen (15) days of the determination of the adjusted rent. The reappraisal shall be made pursuant to the Mississippi Code of 1972, § 29-3-69, or pursuant to the statute then in effect governing such leases and procedures for determining fair market rental value. The reappraisal shall establish the fair market value of the property unencumbered by this lease and shall reflect the market rate of return at the time but shall be no less than the minimum acceptable percentage provided by the statute in effect. Unless altered by the procedures described below, the amount of rent so determined as of each rental adjustment date shall be paid until the next rental adjustment date or for the balance of the lease as the case may be. The appraisal process described in this subparagraph (a) may be referred to hereafter as the Statutory Procedure. The cost of the reappraisal shall be borne by LESSEE, using an appraiser selected by LESSOR.
b. Should the Statutory Procedure result in an increase in rent over the amount previously due, LESSEE, by notice in writing given to LESSOR within 15 days after receiving notice of the increase, shall have the right to elect an alternate method of determining the current fair market rental value of the Leased Premises (the "Alternate Procedure") as follows:
    1. LESSEE may provide an appraisal by a Mississippi licensed appraiser having the qualifications hereafter described giving an opinion of current fair market annual rental value based on the (i) the fair market value of the land unencumbered by this lease and (ii) a reasonable percentage of return on comparable land investments as of the rental adjustment date. The written report of LESSEE'S appraiser shall be delivered to LESSOR within 45 days after the date on which LESSOR gave notice of an increase in rent under the Statutory Procedure. UPON FAILURE TO PROVIDE AN ALTERNATE APPRAISAL WITHIN THE TIME ALLOWED, LESSEE SHALL FORFEIT THE RIGHT TO PURSUE THE ALTERNATE PROCEDURE, AND ANNUAL RENT DETERMINED UNDER THE STATUTORY PROCEDURE SHALL BECOME DUE AND PAYABLE.
    2. The two appraisers shall make a good faith effort to reconcile their differences. If they have been unable to do so within 10 days after delivery of the report of

Attachment: Herbert Ritchie - Lot 62. - recorded (11756 : Spread 16th Section Land Matters)

LESSEE'S appraiser, the two appraisers within such 10 day period shall each submit the names of three appraisers having the qualifications hereafter described who practice in Mississippi to serve as a review appraiser, and they shall select the review appraiser from names in common on the two lists. If there is no name in common on the two lists, or if the person selected shall decline to serve, then each appraiser shall submit another list of three names of persons meeting the same criteria.

3. The review appraiser shall review and analyze the two appraisal reports, and if needed, inspect the land, consult with the two appraisers, review their assumptions and source information and request corrections, revisions, and additions to the appraisal reports. The review appraiser may also consider relevant information from his own files, conduct such independent investigation as he deems appropriate and may consider comparable transactions which occurred after the rental adjustment date.
4. The review appraiser shall report his opinion of annual fair market rent and such amount shall be accepted by LESSOR and LESSEE as the current fair market rental value of the Leased Premises.

c. If LESSEE requests the Alternate Procedure, LESSEE shall pay all fees and expenses of LESSEE'S appraiser, the review appraiser and any additional charges of LESSOR'S appraiser. The review appraiser, however, shall perform his duties in an independent and impartial manner irrespective of the source of payment of his fees and expenses.
d. The annual rentals on any adjustment date shall not be reduced below the amount established upon the initial date of this lease except upon determination by the Statutory Procedure.
e. The amount of rent determined in the above manner shall be remitted on or before the rental adjustment date or, if the rental adjustment procedures are concluded after such date, then promptly upon conclusion of such procedures effective as of the rental adjustment date.
f. The rent adjustment procedures will not delay the due date of rent at the existing annualrate and will not affect LESSOR'S right to declare a default if such rent is not timely paid.
g. LESSEE'S appraiser and the review appraiser must be members of the same organization of appraisers as LESSOR'S appraiser, or an organization having higher requirements for admission, and must have the same or higher designation (such as, for example, Member, Appraisal Institute). If LESSOR'S appraiser belongs to more than one organization, the other appraisers must belong to the organization having the highest standards and qualifications for membership. If the organization has multiple designations for appraisers, the review appraiser and LESSEE'S appraiser must hold the same or a higher designation as held by LESSOR'S appraiser.

4. Taxes. LESSEE covenants and agrees to pay any and all general and special taxes and assessments, including drainage taxes, if ever any there be, applicable to the Leased Premises and LESSEE'S interest therein; further, LESSEE covenants and agrees to pay any and all survey costs and recording fees in connection with this Lease Agreement or any other fees so determined by law. All payments for general and special taxes and assessments, including drainage taxes, shall be made directly to the governmental authority responsible for

Attachment: Herbert Ritchie - Lot 62. - recorded (11756 : Spread 16th Section Land Matters)

collecting such taxes and assessments. During the final year of the lease term, LESSOR or the governmental authority responsible for collecting taxes and assessments may require payment of any such taxes or assessments in advance or require that other security be given to insure that taxes will be paid when due. In the event it becomes necessary for the County Tax Collector or any other authority responsible for collecting general and special taxes or assessments to retain the services of attorneys to collect any taxes or assessments due from LESSEE under this lease, then LESSEE agrees to pay all costs and expenses of such actions or collections, including a reasonable attorneys' fee for the County Tax Collector or such other authority responsible for collecting said taxes or assessments.

5. Assignment. This lease SHALL NOT BE ASSIGNED OR SUBLEASED. Assignment or sublease of this Lease Agreement or any rights hereunder shall automatically terminate this lease without any further notice or action by LESSOR. In the event LESSEE owns improvements on Leased Premises, any purchaser of said improvements or any person or entity holding a contract to purchase said improvements shall have the right of first refusal to negotiate a new lease agreement with LESSOR.

6. Improvements. LESSEE agrees, at LESSEE'S own cost and expense, to keep all improvements in a good state of repair at all times and maintain the premises in good order and in a clean, sanitary and safe condition. While this Lease continues in force and effect, LESSEE shall have the unrestricted right to remove, change, alter, modify, add to or subtract from any of LESSEE'S improvements on the land as LESSEE may in his sole discretion elect so to do, and LESSOR, while this Lease or any extensions thereof continues in force and effect, shall have no ownership interest in any of LESSEE'S improvements. If any improvements are removed, LESSEE shall be obligated to remove all foundations and paved areas, fill any excavations with a soil material suitable as a foundation support for further construction and generally restore the premises to a condition suitable for construction, use and occupancy by others. LESSEE shall have the right to construct new or replacement buildings or structures on the Leased Premises. In the event construction is contemplated, LESSEE shall submit a description of the general nature of the proposed improvement and its intended use to LESSOR for approval, which approval shall not be unreasonably withheld.

7. Default. The parties herein expressly agree that if default shall be made in the payment of any tax assessment or other charge made pursuant to this Lease Agreement, then and in any such event of default, it shall be lawful for LESSOR, its legal representatives or assigns, to enter upon the Leased Premises, or any part thereof, either with or without process of law, to re-enter and repossess the same, and to distrain for any rent or assessment that may be due thereon, at the election of LESSOR, but nothing herein is to be construed to mean that LESSOR is not permitted to hold LESSEE liable for any unpaid liens or assessment to that time. As to all other conditions, covenants and obligations imposed on LESSEE herein, enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate said conditions, covenants and obligations, to restrain violation and to recover damages, if any, including reasonable expenses of litigation and a reasonable attorney's fee, which LESSEE expressly agrees to pay. Such enforcement by proceedings at law or in equity may be instituted at any time after sixty (60) days written notice to LESSEE. Invalidation of any provision(s) of this Lease by judgment or court order shall in no way affect any of the remaining provisions which shall remain in full force and effect.

Attachment: Herbert Ritchie - Lot 62. - recorded (11756 : Spread 16th Section Land Matters)

8. Forfeiture. In the event of any forfeiture, default or cancellation of this Lease Agreement or termination under the terms hereof as aforesaid, LESSEE shall quit, deliver up and surrender possession of the Leased Premises, and all structures and improvements thereon to LESSOR, and thereupon this Lease Agreement and all agreements and covenants on LESSOR'S behalf to be performed and kept, shall cease, terminate and be utterly void, the same as if this Lease had not been made; and in addition thereto, LESSOR shall be entitled to whatever remedies it may have at law for the collection of any unpaid rental hereunder, or for any other sums, for damages or otherwise, that it may have sustained on account of LESSEE'S non fulfillment or nonperformance of the terms and conditions of this Lease. LESSEE shall pay to LESSOR all costs of collection of rent or enforcement of this Lease Agreement, including expenses of litigation and attorneys fees, regardless of whether suit is filed. Immediately upon the termination of this Lease in any manner, whether by litigation or forfeiture, LESSOR shall be entitled to take possession of the Leased Premises and all the improvements thereon absolutely, any custom, usage, or law to the contrary notwithstanding. Mobile homes, factory manufactured, complete with wheels, where permitted to be placed, may, however, be removed at the termination of the Lease Agreement, when termination is by the expiration of the full term, but not in the event of default.

9. Waste. LESSEE shall be responsible for any waste or damages that may be caused to LESSOR's property by the activities of LESSEE under this Lease Agreement, and shall exercise due diligence in the protection of all improvements, timber and other property of LESSOR, which may be located on the Leased Premises or in the vicinity thereof, against fire or damage from any and all other causes. LESSEE shall further comply with all applicable laws, rules, and regulations concerning LESSEE'S use of the property and/or obligations under this Lease Agreement. This obligation shall include, but not be limited to, compliance with federal, state and local environmental, endangered species, wetlands, and other laws, rules and regulations that may presently exist or hereafter be adopted. In the event of contamination of soils, air or water arising out of any LESSEE use, LESSEE shall be responsible for all mandated remediation and monitoring with this obligation to survive termination of this lease.

10. Indemnity. LESSEE shall protect, indemnify, defend, save, and hold harmless LESSOR, the State of Mississippi, and the Secretary of State, their officers, board members, employees and agents, from and against all claims, demands, liabilities, suits, injuries, and any and all losses or damages and cost of every kind and nature whatsoever ("loss"), including but not limited to all court costs and attorneys fees and all personal injury or death and/or damage to any person or entity including, but not limited to, LESSOR and its property or other loss arising out of any alleged noncompliance with laws or caused by LESSEE'S exercise of its rights under this Lease Agreement and/or resulting from the actions or omission of LESSEE in connection with its presence on or any use of Leased Premises by it, its officers, agents, subcontractors, employees, or invitees; provided, however, it is understood that the indemnity provided by LESSEE as described in this paragraph shall not extend to intentional or negligent acts of LESSOR, its officers, or agents.

11. Right to Cure. Notwithstanding any DEFAULT of this Lease Agreement, any present or future holder of a mortgage or deed of trust representing money loaned on facilities located

Attachment: Herbert Ritchie - Lot 62. - recorded (11756 : Spread 16th Section Land Matters)

2022 19039

on the Leased Premises shall have the right of a sixty (60) day notice of default within which to cure any default which may be cured by the payment of money. In addition, for any other default for which a forfeiture of said Lease may be invoked, such holder shall have reasonable time, which shall not be less than sixty (60) days, either to require the correction of such default, or in lieu thereof to protect itself through the exercise of a power of sale and thereby acquire title to such properties and correct such default.

12. Enjoyment. LESSEE shall have quiet and peaceable possession as long as compliance is made by LESSEE with the terms of this Lease Agreement. LESSEE, his heirs successors or assigns, shall occupy the premises as a single family residence; but this condition shall not prejudice rights of a holder of mortgage or deed of trust set forth elsewhere in this residential lease agreement. LESSEE certifies that there are no other dwellings on the Leased Premises other than LESSEE'S dwelling.

13. Reservation. LESSOR reserves title to all timber, the right to harvest said timber at LESSOR's discretion and to reseed or replant after harvest, together with title to all minerals and oil and gas, together with the right of ingress and egress to remove same, as provided by law. LESSOR reserves the right to grant or sell rights-of-way across the Leased Premises for roads, highways, railroads, fiber optic cables or any public utility line, provided that any such roads, highways, railroads, fiber optic cables or public utility lines be constructed or operated in a manner so as not to unreasonably interfere with LESSEE'S use of the property.

14. Mortgage. Any recorded mortgages or deed of trust may provide that any default by the LESSEE/Mortgagor concerning this Lease shall likewise be a default of such mortgage or deed of trust, but failure to indicate such provisions in any mortgage or deed of trust shall not affect the validity or propriety thereof nor diminish the protection extended to the holder of such mortgage or deed of trust or the indebtedness secured thereby. Notwithstanding any provision of this Lease to the contrary, in the event of a default and foreclosure of a mortgage or deed of trust representing money loaned on the hereinbefore described property or the receipt of a transfer in lieu thereof, the purchaser at such foreclosure or the recipient of a transfer in lieu thereof will receive all the rights and privileges of a LESSEE and likewise assume all responsibilities of a LESSEE as if such purchaser or transferee had initially been a LESSEE under this Lease Agreement.

15. Condemnation. RE: Use of Hancock County Name & Likeness in Sweating Bullets

Attention: The esteemed Hancock County Board of Supervisors,

Constant Daydreamer Films LLC humbly requests the Board of Supervisors for permission to use the name and likeness of Hancock County in our upcoming film, Sweating Bullets. Sweating Bullets will be shooting in the Hancock area this December, and the Producers would like to stay true to the filming locations in the story. It is the intention of the Producers to showcase the wonderful State of Mississippi as the cultural backdrop to this exciting action film.

If this request is amenable to the Board of Supervisors, a simple release form is attached on the following page for the appropriate member or representative to sign.

Thank you for your time and consideration,
