Matthew Boucree-Site Plan

The Commission considered the application of Matthew Boucree requesting a Site Plan review for a Medical Cannabis Processing Facility. The property is located at 24310 Standard Cemetery Rd. Kiln, MS 39556. The parcel number for the property is 056 -0-14-003.000. The property is currently zoned A-1 General Agricultural.

Mr. Boucree was present at the meeting and explained to the Commission that he would like to establish a Medical Cannabis Processing Facility on his property.

After discussion on the matter the application was unanimously tabled on the motion by Commissioner Farve due to no division of the parcel from the original parcel. The Site Plan cannot be approved until the division of the parcel is done.

Meeting adjourned at 5:17 p.m.
