Article I. Premises

Section 1.01 **Leased Premises**. Lessor demises and leases to Lessee, and Lessee leases from Lessor, 13,125 sq. ft. of hangar space as-is and approximately two (2) acre parcel as-is at Stennis International Airport located at 14061 Fred & Al Key Road, Kiln, MS 39556, as shown in Exhibit "A", attached hereto and incorporated by reference (the "Premises").

Article II. Term

Section 2.01 **Term of Lease**. The term of the lease ("Lease Term") is three (3) years, beginning on December 1st, 2021, and ending on November 30th, 2024.

Section 2.02 **Termination Notification.** If the Lessee chooses to terminate the Lease before the end of the Lease Term, Lessee shall give 180-days written notice to Lessor of its intent to terminate the Lease.

Section 2.03 **Holdover.** If Lessee holds over and continues in possession of the Premises after the lease term expires, Lessee will be considered to be occupying the Premises on a month-to-month tenancy, subject to all the terms of this lease, at double the monthly rate in effect when the Lease Term (or any extension) expired. Nothing in this section shall be interpreted as providing Lessee the right to holdover and if Lessee fails to vacate the Premises within ten days of a written request by Lessor, Lessee will be responsible for any legal fees incurred in the eviction process.

Article III. Rent/Security Deposit

Section 3.01 **Fixed Rent.**

(a) Lessee agrees to pay Lessor the sum and amount of one hundred eighty-three thousand seven hundred fifty dollars ($183,750.00) per year for the term of this Lease, payable in installments of fifteen thousand three hundred twelve dollars and fifty cents ($15,312.50) per month in advance beginning on the first day of the month as provided for above, and on the first day of each month during the term of this Lease.

Attachment: Resolution# 20211122-07 lease agreement with Tyonek Packaging Hangar, 14061 Fred and Al Key Rd. at Stennis International

(b) Lessee will pay the fixed rent to Lessor for each month by mail to 14054 Fred & Al Key Road, Kiln, MS 39556 or at such other location or locations that Lessor may from time to time designate by written notice to Lessee.

Section 3.02 **Late Charges.** Lessee shall pay a late charge of five percent (5%) of any payment not received by Lessor by the tenth day of the month in which said payment is due.

Section 3.03 **Taxes and Assessments.** In addition to the fixed rent specified in § 3.01, Lessee will pay in full all real-property taxes, special assessments, and governmental charges of any kind imposed on the Premises or leasehold interest in the Premises commencing on the first day of the lease term and continuing through the end of the calendar year in which the term ends, including any special assessments imposed on or against the Premises for constructing or improving public works. In the event Lessee occupies the Premises for part of a year, it will be responsible for any assessment resulting from such partial year occupancy. These taxes and assessments are payable directly to the entity imposing the tax, assessment, or charge at least 30 days before the date payment is due. Lessee will provide Lessor with a receipt or other evidence of payment for each tax, assessment, or charge paid as soon as a receipt or other evidence is available to Lessee, but not later than the date payment is due. Lessee will provide Lessor with a receipt or other evidence of its annual reporting requirements to the Tax Assessor/Collector of Hancock County for personal property and inventory subject to ad valorem property tax, which is due on or before March 30th of each year. Lessee shall provide notice to Lessor of any tax protest filed with Hancock County within seven (7) days of such notice being filed.

Section 3.04 **Security Deposits.** Upon execution of this Lease, Lessee shall deposit the sum of **$15,312.00** with Lessor as a deposit. Said deposit shall not accrue interest. Lessor may use the deposit to pay arrears of rent, to repair any damage or injury to the Premises, or to pay any expense or liability incurred by Lessor as a result of any default by Lessee under this Lease including but not limited to payment of ad valorem taxes upon the Premises or the leasehold interest in the Premises. If Lessor uses the deposit, or any portion thereof as authorized above, Lessee shall restore the deposit to its original amount within ten (10) days after notice from Lessor. Failure to restore the deposit to its original amount within the required time shall constitute a default under the Lease. Within 30 days after Lessee surrenders the Premises, or completion of repairs or replacement of damaged or destroyed property, whichever is later, Lessor shall return to Lessee any remaining portion of the deposit, after any lawful deductions, provided Lessee has given to Lessor an address specifically for that purpose. IT IS SPECIFICALLY PROVIDED, HOWEVER, THAT LESSEE SHALL NOT BE ENTITLED TO ANY PORTION OF THE SECURITY DEPOSIT AS A REFUND UNLESS LESSEE GIVES LESSOR ONE HUNDRED EIGHTY (180) DAYS NOTICE OF SURRENDERING THE PREMISES.

Lessee represents and warrants to Lessor that the Lessee intends to use the hangar portion of the Premises for the storing and maintenance of aircraft, including storage of spare parts and tools, and such other related business uses as the Lessee determines from time to time. Lessee's use of the property is restricted to the purpose specified in this section unless Lessee obtains Lessor's prior written consent to any change in use.

All maintenance, repairs, and replacements required by this section must be performed promptly when required.

Section 6.04 **Lessee's Failure to Repair or Maintain.** If Lessee fails to perform its obligation to repair, replace, or maintain, as set forth in § 6.03, within a reasonable time after notice from Lessor of the need for the repair, replacement, or maintenance, Lessor may enter the Premises and make the repairs or replacements, or perform the

Attachment: Resolution# 20211122-07 lease agreement with Tyonek Packaging Hangar, 14061 Fred and Al Key Rd. at Stennis International

maintenance, or have the repairs or replacements made or maintenance performed, at its own expense. On Lessor's notice to Lessee of the performance and cost of any maintenance, repairs, or replacements under this section, Lessee must immediately reimburse Lessor for any reasonable costs incurred by Lessor under this section, together with interest on the sum at the highest legal rate from the date of the notice until the date paid by Lessee to Lessor.

Section 6.05 **Delivery of Premises at End of Term.** Lessee shall remove all personal property, Lessee owned equipment and stored items from the Premises at the end of the Lease Term. The Premises shall be returned to Lessor in clean, empty, and good condition reasonable wear and tear excepted. Under no circumstances shall stored items be left on or in the Premises. Lessor may retain, destroy, or dispose of any property left on the Premises at the end of the Term without liability to Lessee for loss or damage.

Lessee must promptly notify Lessor as to any liens threatened or attached against the Premises. Lessee will promptly pay any lien that is filed on the Premises or on improvements located in the Premises. If default in payment of the lien continues for 20 days after Lessor's written notice to Lessee, and in any case before the date on which any proceedings to foreclose on such lien begin, Lessor may, at its option, pay the lien or any portion of it without inquiring into its validity. Any amounts Lessor pays to remove a lien caused by Lessee to be filed against the Premises or improvements on them, including expenses and interest, are due from Lessee to Lessor and must be repaid to Lessor immediately on rendition of notice, together with interest at eighteen (18) percent annually until repaid.

Section 6.07 **Allocation of Environmental Cleanup Costs.** Lessee is responsible only for the payment of that portion of any cleanup costs necessary for compliance with Hazardous Materials Laws that arise as a result of discharge of hazardous materials on the Premises by Lessee or Lessee's agents, contractors, representatives, invitees, or other associated parties.

Article VIII. ALTERATIONS, IMPROVEMENTS, AND FIXTURES

Section 8.01 **Consent of Lessor.** Except as provided in Section 8.03, Lessee may not make any alterations, additions, or improvements to the Premises without Lessor's prior written consent.

Section 8.02 **Property of Lessor.** Lessor shall have the option of accepting any or all alterations, additions, or improvements made by Lessee when the Lease terminates with such accepted alterations, additions, and improvements becoming the property of Lessor or rejecting any or all alterations, additions, or improvements made by Lessee and Lessee shall be required to return the Premises to the condition that existed prior to the alterations, additions, or improvements rejected by Lessor. In the event rejected alterations, additions, or improvements have not been undone or removed at the expiration or termination of the Lease, then Lessor may remove such alterations, additions, and improvements made by Lessee and any other property it placed in the premises, and charge Lessee the cost of removal plus interest which amount shall be paid within 50 days of Lessor's notice to Lessee of the amount due.

Section 8.03 **Signs.** Any signs of Lessee shall be consistent with the Uniform Sign Plan for Stennis International Airport. No sign may be erected without written approval of Lessor.

Section 8.04 **Alterations Required by Accessibility Laws.** If any alterations, additions, or improvements to the Premises are mandated by legal requirements related to accessibility by persons with disabilities ("accessibility alterations"), Lessee is responsible for making them. This allocation of responsibility for compliance with such legal requirements is a material inducement for the Parties to enter this Lease.

Article IX. INSURANCE AND INDEMNITY

Section 9.01 **Lessee's Property Insurance.** Lessee must, at its own expense during the lease term, maintain insurance on Lessee's personal property, furniture, fixtures and equipment in such amounts as Lessee deems necessary.

Attachment: Resolution# 20211122-07 lease agreement with Tyonek Packaging Hangar, 14061 Fred and Al Key Rd. at Stennis International

the course of Lessee's operations, with a combined single limit of $1,000,000 per occurrence, (c) a policy of Worker's Compensation Insurance as required by applicable law, and (d) employer's liability insurance in the minimum amount of $1,000,00 for bodily injury by accident, disease, or in the aggregate, covering injury or death to any employee which may be outside the scope of or in addition to liability under an workers compensation statute, (e) environmental/pollution insurance in the minimum amount of $1,000,000.

Section 9.04 **Remedy for Failure to Provide Insurance.** Lessee must furnish Lessor with certificates of all insurance required by this article. If Lessee does not provide the certificates when Lessor delivers possession to Lessee and within ten days prior to any renewal date, or if Lessee allows any insurance required under this article to lapse, Lessor may, at its option, take out and pay the premiums on the necessary insurance to comply with Lessee's obligations under this article. Lessor is entitled to reimbursement from Lessee for all amounts spent to procure and maintain the insurance, with interest at the rate of eighteen (18) percent annually from the date Lessee receives Lessor's notice of payment until reimbursement.

Section 9.05 **Lessee's Environmental Indemnity.** Lessee agrees to indemnify, defend, and hold harmless Lessor from and against all claims, liabilities, losses, damages, remediation expenses, fines and penalties, and costs, foreseen or unforeseen, including without limitation counsel, engineering, and other professional or expert fees, that Lessor may incur by reason of Lessee's action or inaction with regard to Lessee's obligations under Article 5 of this lease. This section survives the expiration or earlier termination of this lease.

Section 9.06 **Hold-Harmless Clause** Lessee will indemnify and hold Lessor harmless against any claims, demands, damages, costs, and expenses, including reasonable attorney's fees for defending claims and demands, arising from the conduct or management of Lessee's business on the Premises or its use of them; from any breach by Lessee of any conditions of this Lease; or from any act of negligence of Lessee, its agents, contractors, employees, sublessee, concessionaires, or licensees in or about the Premises. If any action or proceeding is brought against Lessor by reason of any such claim, Lessee, on notice from Lessor, will defend the action or proceeding by counsel acceptable to Lessor.

Section 9.07 **Release of Claims/Waiver of Subrogation.** Lessee shall release Lessor from any claim, by subrogation or otherwise, for any damage to the Premises, the building, or personal property within the building, regardless of cause, including negligence of Lessor, however, the release applies only to the extent the damage is covered by insurance proceeds and the release does not adversely affect any insurance coverage. Lessee will notify their insurance companies of the release set forth herein and will have the insurance policies, endorsed, if necessary, to prevent invalidation of the insurance coverage.

Section 9.08 **Additional Insured and Other Requirements.** All insurance required to be carried by Lessee shall be written on an occurrence basis, and with the exception of workers' compensation and employer's liability, shall name Hancock County and the Hancock County Port & Harbor Commission as additional insured. Lessee shall provide

Lessor with certificates of insurance for each insurance policy required in a form acceptable to Lessor evidencing policies of insurance and such certificates will indicate that the described insurance policies may not be canceled before the expiration of a thirty (30) day notification period and that the Lessor will be immediately notified in writing of any such notice of termination. All insurance shall be written by an insurance company authorized by the Commissioner of Insurance of the State of Mississippi to do business in the State of Mississippi.

Article X. DAMAGE OR DESTRUCTION OF PREMISES

Section 10.01 **Notice to Lessor.** If the Premises, or any structures or improvements on them, are damaged or destroyed by fire, tornado, or other casualty, Lessee must immediately give Lessor written notice of the damage or destruction, including a general description of the damage and, as far as known to Lessee, the cause of the damage.

Section 10.02 **Total Destruction.** If the building on the premises is totally destroyed by fire, tornado, or other casualty by other than the negligence, gross negligence, or intentional tort of Lessee or any person in or about the premises with Lessee's express or implied consent, or if it is so damaged that rebuilding or repairs cannot reasonably be completed within ninety (90) working days at a cost not to exceed the insurance recovery proceeds, this lease will terminate, and rent will be abated for the unexpired portion of this lease, effective as of the date of written notification as provided in § 10.01.

Section 10.03 **Partial Destruction.** If the building or other improvements on the premises are partially damaged by fire, tornado, or other casualty by other than the negligence, gross negligence, or intentional tort of Lessee or any person in or about the premises with Lessee's express or implied consent, but not to such an extent that rebuilding or repairs cannot reasonably be completed within ninety (90) working days and at a cost not to exceed the insurance recovery proceeds, this lease will not terminate except that if Lessor elects not to rebuild or repair and the damage rendered the premises unusable in whole or in part for the purposes of Lessee, Lessee may terminate the lease or continue it with the rent for the remainder of the lease period adjusted equitably.

Article XI. CONDEMNATION

Section 11.01 **Total Condemnation.** If, during the lease term or any extension or renewal of it, all of the premises are taken for any public or quasi-public use under any governmental law, ordinance, or regulation, or by right of eminent domain, or are sold to the condemning authority under threat of condemnation, this lease will terminate, and the rent will be abated during the unexpired portion of this lease, effective as of the date the condemning authority takes the premises.

Section 11.02 **Partial Condemnation.**

Attachment: Resolution# 20211122-07 lease agreement with Tyonek Packaging Hangar, 14061 Fred and Al Key Rd. at Stennis International

(a) If less than all, but more than twenty-five percent (25%), of the premises is taken for any public or quasi-public use under any governmental law, ordinance, or regulation, or by right of eminent domain, or is sold to the condemning authority under threat of condemnation, Lessee may terminate the lease by giving Lessor written notice within 30 days after the entity exercising the power of condemnation takes possession of the condemned portion. In addition, if twenty-five percent (25%) of the parking area, or all of the signage, of the premises is taken for any public or quasi-public use under any governmental law, ordinance, or regulation or by right of eminent domain, or is sold to the condemning authority under threat of condemnation, Lessee may terminate the lease by giving Lessor written notice within 30 days after the entity exercising the power of condemnation takes possession of the condemned portion.

(b) If the premises are partially condemned and Lessee fails to exercise the option to terminate the lease under this section, or if less than twenty five percent (25%) of the premises is condemned, this lease will not terminate, but Lessee may, at its sole expense, restore and reconstruct the building and other improvements situated on the premises to make them reasonably usable and suitable for the uses for which the premises are leased. The fixed rent payable under § 2.01 of this lease will be adjusted equitably during the unexpired portion of this lease.

Section 11.03 **Condemnation Award.** Lessor is entitled to receive and retain the entire award in any condemnation proceedings, except for any portion attributable to trade fixtures, which Lessee is entitled to receive and retain. The termination of this lease will not affect the right to this award.

Article XII. DEFAULT

Section 12.01 **Lessee's Default.** If Lessee allows the rent to be in arrears more than fifteen (15) days after its due date, or remains in breach under any other provision of this lease for 30 days after written notice from Lessor, Lessor may, at its option, without notice to Lessee, terminate this lease, or, in the alternative, Lessor may reenter and take possession of the premises and remove all persons and property without being considered guilty of any manner of trespass and may (but is not required to) relet the premises (or any part of them) for all or any part of the remainder of the lease term, to a party satisfactory to Lessor and at the monthly rental as Lessor can secure with reasonable diligence. If Lessor cannot relet after reasonable efforts to do so or if the monthly rental is less than the rental Lessee was obligated to pay under this lease (or any renewal of it) plus the expense of reletting, then Lessee must pay Lessor the amount of the deficiency.

Section 12.02 **Lessor's Lien.** If Lessee defaults in paying rent or any other sum due from Lessee to Lessor under this lease, Lessor has a lien on all fixtures, chattels, or other property of any description belonging to Lessee that are placed in, or become a part of, the premises as security for rent due and to become due for the remainder of the current lease

Attachment: Resolution# 20211122-07 lease agreement with Tyonek Packaging Hangar, 14061 Fred and Al Key Rd. at Stennis International

term and any other sum Lessee owes Lessor. This lien is not in lieu of, nor in any way affects, any statutory Lessor's lien but is in addition to such lien, and Lessee grants Lessor a security interest in all of Lessee's property placed in or on the premises for purposes of this contractual lien. This does not prevent Lessee's selling any merchandise in the ordinary course of business free of such Lessor's lien. If Lessor exercises the option to terminate the leasehold, reenter, and relet the premises as provided in the preceding paragraph and gives Lessee reasonable notice of the intent to take possession and an opportunity for a hearing on the matter, Lessor may take possession of all of Lessee's property on the premises and sell it at public or private sale after giving Lessee reasonable notice of the time and place of any public sale or of the time after which any private sale is to be made, for cash or on credit, for the prices and terms that Lessor considers best, with or without having the property present at the sale. The proceeds of the sale will be applied first to the necessary and proper expense of removing, storing, and selling the property, then to the payment of any rent due or to become due under this lease; any balance will be paid to Lessee. Lessee further grants Lessor a security interest in Lessee's personal property now or subsequently placed in or on the Premises.

Section 12.03 **Lessor's Default.** If Lessor remains in breach of any material condition of this lease for thirty (30) days after written notice from Lessee may (i) remedy the default by any reasonable and necessary action and, in connection with the remedy, and Lessor must, on demand, pay the reasonable costs borne by Lessee in remedying such breach or (ii) terminate this Lease by providing thirty (30) days written notice to Lessor. all sums expended, or obligations incurred, by Lessee in connection with remedying Lessor's default. It is agreed, however, that if Lessor commences action within 30 days after receipt of notice to remedy any default and diligently pursues such action to conclusion, Lessee's rights under this section shall not apply.

Section 12.04 **Cumulative Remedies.** All Lessor's and Lessee's rights and remedies under this Article are cumulative, and none will exclude any other right or remedy provided by law or any other provision of this lease. All the consistent rights and remedies may be exercised and enforced concurrently and whenever occasion for their exercise arises.

Section 12.05 **Waiver of Breach.** Lessor's or Lessee's waiving a breach of this lease by the other party does not constitute a continuing waiver or a waiver of any subsequent breach.

Section 12.06 **Survival.** Notwithstanding anything to the contrary in this Agreement, provisions which by their nature and context are intended to survive the expiration or termination of the Lease will survive the expiration or termination of the Lease, including without limitation, termination provisions, damages provisions, and indemnification provisions.

Section 12.07 **Limitation of Lessor's Liability.** Notwithstanding anything to the contrary contained herein, no personal or individual liability of any kind or character whatsoever shall now or at any time hereafter attach to Lessor or its property other than Lease Area for the payment of any amount payable under this Lease. The exclusive remedy of Lessee for the

failure of Lessor to perform any of its obligations under this Lease shall be to proceed against the interest of Lessor in and to the Lease Area.

Article XIII. INSPECTION AND ACCESS BY LESSOR

Section 13.01 **Inspection & Access.** Lessee must permit Lessor and Lessor's agents, servants, and employees, including but not limited to legal counsel and environmental consultants and engineers, access to the Premises at all reasonable times for the purpose of inspection, whether environmental inspections and sampling or inspections of the condition of the Premises or otherwise and for any other purpose necessary to protect the Lessor's interest in the Premises or to perform Lessor's duties under this Lease or to show the Premises to prospective future Lessees and must permit access during other hours in the event of an emergency. Lessee may not restrict access to any part of the Premises, and Lessee may not impose any conditions to access. If Lessor's inspection includes sampling and testing of the Premises, Lessor must use its best efforts to avoid interfering with Lessee's use of the Premises, and on completion of sampling and testing must repair and restore the affected areas of the Premises as made necessary by any sampling and testing.

Article XIV. ASSIGNMENT AND SUBLEASE

Section 14.01 **Assignment and Subletting by Lessee.**

(a) The Lessee shall have the right to sublet and assign all or any part of the Premises to Lessee's affiliate company without the consent of the Lessor and to any Lessee third party business entity with the consent of the Lessor, additionally provided that Lessee: (i) Provides Lessor with advance written notice of the sublet and assignment; (ii) provides Lessor, in advance, with proof that the affiliate company or third party business entity has all insurance in place required to be maintained under this Lease including naming Lessor as an additional insured; An "affiliate company" shall mean, for purposes of this Article XIV, any corporation, partnership or other business entity under common control and ownership with the Lessee, or with the parent or any subsidiary of the Lessee.

Section 14.02 **Assignment by Lessor.** Lessor may assign or transfer any of its interests under this lease. On transfer, and on the transferee's assumption of its obligations, Lessor is relieved of its obligations under the lease.

1. Contractor and Surety, jointly and severally, bind themselves, their heirs, executors, administrators, successors, and assigns to Owner for the performance of the Contract, which is incorporated herein by reference.

2. If Contractor performs the Contract, Surety and Contractor have no obligation under this Bond, except to participate in conferences as provided in Paragraph 3.1.

3. If there is no Owner Default, Surety's obligation under this Bond shall arise after:

3.1. Owner has notified Contractor and Surety, at the addresses described in Paragraph 10 below, that Owner is considering declaring a Contractor Default and has requested and attempted to arrange a conference with Contractor and Surety to be held not later than 15 days after receipt of such notice to discuss methods of performing the Contract. If Owner, Contractor and Surety agree, Contractor shall be allowed a reasonable time to perform the Contract, but such an agreement shall not waive Owner's right, if any, subsequently to declare a Contractor Default; and

3.2. Owner has declared a Contractor Default and formally terminated Contractor's right to complete the Contract. Such Contractor Default shall not be declared earlier than 20 days after Contractor and Surety have received notice as provided in Paragraph 3.1; and

3.3. Owner has agreed to pay the Balance of the Contract Price to:

1. Surety in accordance with the terms of the Contract;

2. Another contractor selected pursuant to Paragraph 4.3 to perform the Contract.

4. When Owner has satisfied the conditions of Paragraph 3, Surety shall promptly and at Surety's expense take one of the following actions:

4.1. Arrange for Contractor, with consent of Owner, to perform and complete the Contract; or

4.2. Undertake to perform and complete the Contract itself, through its agents or through independent contractors; or

4.3. Obtain bids or negotiated proposals from qualified contractors acceptable to Owner for a contract for performance and completion of the Contract, arrange for a contract to be prepared for execution by Owner and Contractor selected with Owner's concurrence, to be secured with performance and payment bonds executed by a qualified surety equivalent to the bonds issued on the Contract, and pay to Owner the amount of damages as described in Paragraph 6 in excess of the Balance of the Contract Price incurred by Owner resulting from Contractor Default; or

4.4. Waive its right to perform and complete, arrange for completion, or obtain a new contractor and with reasonable promptness under the circumstances:

1. After investigation, determine the amount for which it may be liable to Owner and, as soon as practicable after the amount is determined, tender payment therefor to Owner; or

2. Deny liability in whole or in part and notify Owner citing reasons therefor.

5. If Surety does not proceed as provided in Paragraph 4 with reasonable promptness, Surety shall be deemed to be in default on this Bond 15 days after receipt of an additional written notice from Owner to Surety demanding that Surety perform its obligations under this Bond, and Owner shall be entitled to enforce any remedy available to Owner. If Surety proceeds as provided in Paragraph 4.4, and Owner refuses the payment tendered or Surety has denied liability, in whole or in part, without further notice Owner shall be entitled to enforce any remedy available to Owner.

6. After Owner has terminated Contractor's right to complete the Contract, and if Surety elects to act under Paragraph 4.1, 4.2, or 4.3 above, then the responsibilities of Surety to Owner shall not be greater than those of Contractor under the Contract, and the responsibilities of Owner to Surety shall not be greater than those of Owner under the Contract. To a limit of the amount of this Bond, but subject to commitment by Owner of the Balance of the Contract Price to mitigation of costs and damages on the Contract, Surety is obligated without duplication for:

6.1. The responsibilities of Contractor for correction of defective Work and completion of the Contract;

6.2. Additional legal, design professional, and delay costs resulting from Contractor's Default, and resulting from the actions or failure to act of Surety under Paragraph 4, as well as any and all professional costs related to any defects or default of Contractor; and

6.3. Liquidated damages, or if no liquidated damages are specified in the Contract, actual damages caused by delayed performance or non-performance of Contractor.

7. Surety shall not be liable to Owner or others for obligations of Contractor that are unrelated to the Contract, and the Balance of the Contract Price shall not be reduced or set off on account of any such unrelated obligations. No right of action shall accrue on this Bond to any person or entity other than Owner or its heirs, executors, administrators, or successors.

8. Surety hereby waives notice of any change, including changes of time, to Contract or to related subcontracts, purchase orders, and other obligations.

9. Any proceeding, legal or equitable, under this Bond may be instituted in any court of competent jurisdiction in the location in which the Work or part of the Work is located and shall be instituted within two years after Contractor Default or within two years after Contractor ceased working or within two years after Surety refuses or fails to perform its obligations under this Bond, whichever occurs first. If the provisions of this paragraph are void or prohibited by law, the minimum period of limitation available to sureties as a defense in the jurisdiction of the suit shall be applicable.

10. Notice to Surety, Owner, or Contractor shall be mailed or delivered to the address shown on the signature page.

11. When this Bond has been furnished to comply with a statutory requirement in the location where the Contract was to be performed, any provision in this Bond conflicting with said statutory requirement shall be deemed deleted herefrom and provisions conforming to such statutory requirement shall be deemed incorporated herein. The intent is that this Bond shall be construed as a statutory bond and not as a common law bond.

1. Contractor and Surety, jointly and severally, bind themselves, their heirs, executors, administrators, successors, and assigns to Owner to pay for labor, materials, and equipment furnished by Claimants for use in the performance of the Contract, which is incorporated herein by reference.

2. With respect to Owner, this obligation shall be null and void if Contractor:

2.1. Promptly makes payment, directly or indirectly, for all sums due Claimants, and

2.2. Defends, indemnifies, and holds harmless Owner from all claims, demands, liens, or suits alleging non-payment by Contractor by any person or entity who furnished labor, materials, or equipment for use in the performance of the Contract, provided Owner has promptly notified Contractor and Surety (at the addresses described in Paragraph 12) of any claims, demands, liens, or suits and tendered defense of such claims, demands, liens, or suits to Contractor and Surety, and provided there is no Owner Default.

3. With respect to Claimants, this obligation shall be null and void if Contractor promptly makes payment, directly or indirectly, for all sums due.

4. Surety shall have no obligation to Claimants under this Bond until:

Claimants who are employed by or have a direct contract with Contractor have given notice to Surety (at the addresses described in Paragraph 12) and sent a copy, or notice thereof, to Owner, stating that a claim is being made under this Bond and, with substantial accuracy, the amount of the claim.

4.2. Claimants who do not have a direct contract with Contractor:

1. Have furnished written notice to Contractor and sent a copy, or notice thereof, to Owner, within 90 days after having last performed labor or last furnished materials or equipment included in the claim stating, with substantial accuracy, the amount of the claim and the name of the party to whom the materials or equipment were furnished or supplied, or for whom the labor was done or performed; and

2. Have either received a rejection in whole or in part from Contractor, or not received within 30 days of furnishing the above notice any communication from Contractor by which Contractor had indicated the claim will be paid directly or indirectly; and

3. Not having been paid within the above 30 days, have sent a written notice to Surety and sent a copy, or notice thereof, to Owner, stating that a claim is being made under this Bond and enclosing a copy of the previous written notice furnished to Contractor.

5. If a notice by a Claimant required by Paragraph 4 is provided by Owner to Contractor or to Surety, that is sufficient compliance.

6. When a Claimant has satisfied the conditions of Paragraph 4, the Surety shall promptly and at Surety's expense take the following actions:

6.1. Send an answer to that Claimant, with a copy to Owner, within 45 days after receipt of the claim, stating the amounts that are undisputed and the basis for challenging any amounts that are disputed.

6.2. Pay or arrange for payment of any undisputed amounts.

7. Surety's total obligation shall not exceed the amount of this Bond, and the amount of this Bond shall be credited for any payments made in good faith by Surety.

8. Amounts owed by Owner to Contractor under the Contract shall be used for the performance of the Contract and to satisfy claims, if any, under any performance bond. By Contractor furnishing and Owner accepting this Bond, they agree that all funds earned by Contractor in the performance of the Contract are dedicated to satisfy obligations of Contractor and Surety under this Bond, subject to Owner's priority to use the funds for the completion of the Work.

9. Surety shall not be liable to Owner, Claimants, or others for obligations of Contractor that are unrelated to the Contract. Owner shall not be liable for payment of any costs or expenses of any Claimant under this Bond, and shall have under this Bond no obligations to make payments to, give notices on behalf of, or otherwise have obligations to Claimants under this Bond.

10. Surety hereby waives notice of any change, including changes of time, to the Contract or to related Subcontracts, purchase orders and other obligations.

11. No suit or action shall be commenced by a Claimant under this Bond other than in a court of competent jurisdiction in the location in which the Work or part of the Work is located or after the expiration of one year from the date (1) on which the Claimant gave the notice required by Paragraph 4.1 or Paragraph 4.2.3, or (2) on which the last labor or service was performed by anyone or the last materials or equipment were furnished by anyone under the Construction Contract, whichever of (1) or (2) first occurs. If the provisions of this paragraph are void or prohibited by law, the minimum period of limitation available to sureties as a defense in the jurisdiction of the suit shall be applicable.

Re: Derby Place II Subdivision Review, Hancock County, MS

Dear Anthony:

We have reviewed the plans for the referenced subdivision for compliance with the Hancock County Subdivision Regulations. Based on several revision efforts with the Developer's Engineer and Owner, the plans are in general conformance with the Hancock County subdivision regulations. We recommend the following conditions:

1. Based on coordination with the Hancock County Road Department, if the developer requests the County to assume maintenance of roads in the development, the County will only consider maintenance of road surfacing, and road base that is not part of the dam/levy system. Any drain crossings through the pond dam or banks shall remain the responsibility of the Developer or HOA (if any). Any levy or earthen dam adjacent to the ponds shall remain the responsibility of the developer or HOA (if any).

2. The developer has provided MSBOH letter indicating the area is generally suitable for use of independent on-site wastewater disposal systems. Each resident must submit for a soil and site evaluation, and each lot is subject to approval of an appropriate system.

If you have any questions or comments, please feel free to contact us.

Sincerely,

November 30, 2021

Mrs. Jones,

The Hancock County Sheriff's Office is requesting to move line items in the originally submitted budget for the VAWA-STOP FY22 funding period. A miscalculation of pay periods to be billed for life insurance and health insurance leaves an overage of $646.84 total. We should have calculated these line items at 24 pay periods instead of 26. This reflects $485.13 federal funds and $161.71 in match. We are requesting to move this funding to the Capital Outlay line item in order to purchase a laptop. This laptop has been approved in the past funding, but we were unable to acquire it in the short period of time from the grant award in FY21 July-September due to timeline constraints on shipping. This does not change our budget total, simply moves funding to another line item.

Please find the requested budget revision attached.

Regards,

Scotty Adam

Travel - In State Narrative

Out of State travel reimbursement is being requested for the Domestic Violence Investigator to attend the 2022 Conference on Crimes Against Women in Dallas, TX in Spring of 2022. The goal of attending this conference is to improve delivery of services to victims. The 2021 program was invaluable to the investigator and continued education is essential. The first "other" item is for the cost of registration. For "Mileage", this is a projected cost for gas based off of current rates. The DV Investigator drives a 2019 Nissan Pathfinder that gets 23.5 miles per gallon. We have estimated that he will need 45.18 gallons of gas at the gas average of $2.71 per gallon. This totals to $122.44 for the trip to Dallas and back. Hotel and meal rates are based off of the federal Per Diem rates for Dallas, TX. The second "other" item is to be used for parking at the hotel, with the cost being directly taken from the conference website. According to the website, teh goal of the Conference on Crimes Against Women is to provide practical instruction, using current information, the newest ideas and most successful intervention strategies, to those professionals responsible for combating the many and varied forms of crimes against women. Some of the classes offered cover the following: Investigations, Victim Testimony, Victim Interviewing Techniques, Domestic Violence Fatality Review Teams, and more.

DIRECTV

Hello,

Thank you for considering us for your TV service. If you don't own the property, we ask that you get your landlord's approval first before installation.

We may have to make modifications to the property during installation. These modifications are often minor, like drilling holes in order to run cable and attach equipment securely to the outside of the structure. Any kind of modification may not be allowed based on the terms of your lease/rental agreement or may require pre-approval by the landlord. Landlord approval is often required with multi-tenant apartment buildings.

You should carefully review your lease agreement to determine if you have the right to make these modifications. If landlord approval is required, please request that the landlord, or its authorized representative, complete section 1 below to acknowledge authorization for the installation and provide this signed form to the DIRECTV technician at the time of installation. If the landlord verbally gives you permission or if approval is not required based on your lease or rental agreement, please complete section 2 below.

By providing this signed form to us, you're giving us permission to install your new DIRECTV service and receiving equipment, and are releasing us from obligation to remove your equipment after we install it. This signed installation permission form releases us, DIRECTV (including any installation technician), from any liability related to damages your landlord may claim as a result of an alleged violation of your lease/rental agreement as it relates to the installation of your new DIRECTV service.

Should your landlord only approve our service installation subject to special requirements that make the actual install more expensive (or exceeds what we offer as part of our standard professional installation), you will be asked to pay a corresponding charge, to be agreed upon by you and your installer, for the additional services.

In addition, please remember that technical issues may still prevent us from installing your DIRECTV receiving equipment. In rare situations, such as a poor line-of-sight to the satellite or inadequate grounding availability, we won't be able to provide service, so we'll refund your money back to you.

PLEASE COMPLETE SECTION 1 OR 2 BELOW (Please print)

(b) Your Programming Changes.

You may change your programming selection by notifying us. A fee may apply to such changes (described in Sections 2 & 5(b)). Some programming may be purchased in minimum blocks of one month or multiples of one month.

(c) Our Programming Changes.

Many factors affect the availability, cost and quality of programming and may influence the decision to raise prices and the amount of any increase. These include, among others, programming and other costs, consumer demand, market and shareholder expectations, and changing business conditions. Accordingly, we must reserve the unrestricted right to change, rearrange, add or delete our programming packages, the selections in those packages, our prices, and any other Service we offer, at any time. We will endeavor to notify you of any change that is within our reasonable control and its effective date. In most cases this notice will be about one month in advance. You always have the right to cancel your Service, in whole or in part, if you do not accept the change (see Section 5). If you cancel your Service, a deactivation fee (described in Sections 2 & 5(b)) or other charges may

Attachment: FW_ Please Review Your DIRECTV Customer Agreement (10105 : Direct TV 24-month quote for Sheriff's Office)

apply. Credits, if any, to your account will be posted as described in Section 5. If you do not cancel, your continued receipt of our Service will constitute acceptance.

(d) Access Card.

You have received a conditional access card (referred to as the "**Access Card**") and a License Agreement governing your use of the Access Card while you are receiving our Service. If you tell us that the original Access Card was lost, damaged, defective or stolen, we will replace it, as long as there is no evidence of unauthorized tampering with or modification of the Access Card and your account is in good standing. A replacement fee may apply (described in Section 2). Tampering with or other unauthorized modification of the Access Card is strictly prohibited and may result in criminal or civil action. Tampering with or inserting any device into your Receiving Equipment other than an authorized unmodified Access Card is prohibited. DIRECTV reserves the right to cancel or replace the Access Card. Upon request, the card must be returned to DIRECTV. If you do not return the Access Card to DIRECTV when you cancel your Service, you may be charged a fee as described in Section 2. Requesting Access Cards on behalf of other persons or for purposes other than lawful viewing of DIRECTV Service is prohibited. **Access Cards are the exclusive property of DIRECTV.** If you wish to transfer your license to use the Access Cards as part of a sale of your commercial establishment, you must contact DIRECTV immediately and obtain DIRECTV's approval of the transfer in accordance with Section 11(c) below.

(e) Phone or Internet Connections.

For optimal performance of your Receiving Equipment, including ordering with your remote control or receiving certain Services, your Receiving Equipment must be directly connected to the same land-based telephone line or internet connection. If you enable Service on additional TVs, depending on the establishment type you may purchase a separate subscription for each additional TV, or, if your Receiving Equipment is continuously connected to the same land-based telephone line or internet connection, we can charge you only the fee amount described in Section 2. You agree to provide true and accurate information about the location of your Receiving Equipment. If it is determined that the Receiving Equipment is not at the service address identified on your account, we may disconnect the Receiving Equipment or charge you the full programming subscription price for the Receiving Equipment.

(f) Music Services.

Any music services, including packaged music channels, shall be used only as accompaniment to routine activities for which there is no admission fee charged, such as, but not limited to, work, shopping, conversation, dining, and relaxation, and the music service shall not be used as an accompaniment to dancing or to serve as an adjunct to any other physical activity (e.g., skating).

(g) Viewing Limitations.

You may not rebroadcast, transmit or perform the programming, charge admission for its viewing or transmit or distribute running accounts of the Services. If you are a movie theater, Services may not be displayed, viewed or otherwise made available in the theater viewing area.

(h) Blackouts.

Certain programming, including sports events, may be blacked out in your local reception area or otherwise unavailable to commercial customers in your local reception area due to legal, contractual, or other restrictions. Blackout restrictions are decided by the sports

Attachment: FW_ Please Review Your DIRECTV Customer Agreement (10105 : Direct TV 24-month quote for Sheriff's Office)

leagues and the other entities that own the local broadcast rights. You may visit www.directv.com for more information. If you circumvent or attempt to circumvent any of these blackouts, you may be subject to legal action.

(i) Loss of Receiving Equipment.

You should notify us immediately if any of your Receiving Equipment is lost or stolen. If you notify us within 5 days, we will not charge you for unauthorized use. In any case, we will not charge you for unauthorized use occurring after we receive your notice; but non-return fees will apply.

(j) Transfer of Receiving Equipment.

We consider you to be responsible for, and the recipient of programming on, any Receiving Equipment you own. You are liable for charges incurred in the use of your Receiving Equipment. If you wish to transfer ownership of your Receiving Equipment as part of a sale of your commercial establishment, you must contact DIRECTV immediately and obtain DIRECTV's approval of the transfer in accordance with Section 11(c) below.

(k) Your Viewing Restrictions.

It is your responsibility to impose any viewing restrictions on employees or guests, as you think appropriate. We are not responsible to you or anyone else based on the content of our programming. Please visit www.directv.com for information on parental controls, locks and limits and password protection on your account.

(l) Change of Address.

You must notify us immediately of any change in your contact name, business name, business ownership, mailing address, service address or telephone number.

(m) Inspection.

DIRECTV, or its authorized agent, shall have the right to inspect your Receiving Equipment at any time during your normal business hours. If we reasonably determine that you are in breach of any of these rules for use, or of your obligations under this Agreement, we may immediately inactivate any or all Services provided to you. If Services to you are so inactivated, in addition to the indemnification obligations described below, you are still responsible for payment of all outstanding balances accrued through the date of inactivation.

(n) Modifications.

Unless authorized by DIRECTV in writing through a DIRECTV subscription service, you agree that all Services will be exhibited in entirety, in original form and as provided by us, without any modifications, additions (including the addition of a crawl line), or deletions to any of the Services.

(o) DIRECTV Marks.

You may not use any of our Marks without our prior written consent. "**Marks**" means any trademarks, symbols, logos, etc. whether owned by DIRECTV or a third party(s), that are used in connection with or are otherwise associated with the Services.

2. PAYMENT

In return for receiving our Service, you promise to pay us as follows:

Attachment: FW_ Please Review Your DIRECTV Customer Agreement (10105 : Direct TV 24-month quote for Sheriff's Office)

(a) Programming.

You will pay in advance, at our rates in effect at the time for all Service ordered by you or anyone who uses your Receiving Equipment, with or without your permission, until the Service is canceled. If the Service is part of an offer through which you receive credits offsetting all or part of the Service price, such credits are also paid in advance. If you cancel the Service, you are no longer entitled to receive the credits and we reserve the right to recoup pre-paid credits. The outstanding balance is due in full each month. In the event that DIRECTV provides an invoice for unbilled or underbilled amounts for Service previously received ("Underbilled Charges"), you will only be responsible for payment of such Underbilled Charges for Services invoiced no more than 6 months after the close of the billing period in which Underbilled Charges were incurred; *provided however*, no such limitation applies to Underbilled Charges caused by inaccurate information provided by you, including, by way of example, Commercial Establishment type and fire code occupancy (where applicable). To establish service, you were required to provide a credit card. You may use this or another credit or debit card to establish recurring payments. See Section 5(e) regarding payment upon cancellation. We may, in our discretion, accept partial payments, which will be applied to the oldest outstanding statement. No "payment in full" notation or other restrictive endorsement written on your payments will restrict our ability to collect all amounts owing to us. If you do not pay your statements on time, we may reduce your Service to a minimum service level, at our rates in effect at the time, restrict the availability or renewability of your Service options, require immediate payment for Services ordered, or deactivate your Service.

(b) Taxes.

You will pay all state and local taxes or other governmental fees and charges, if any, which are assessed, including any such taxes, fees or charges assessed against discounted fees or service credits.

(c) Administrative Fees.

To control the basic charges which apply to all customers, we may charge fees that arise in specific circumstances only to those customers responsible for them. DIRECTV reserves the right to modify these fees or charge additional fees. In addition to other fees, we may charge you a fee, as set forth on the rate card (if applicable), for each additional DIRECTV Receiver, Genie Mini/Client(s) and/or Enabled TV authorized to receive the same programming. Each DIRECTV Receiver, Genie Mini/Client(s) and Enabled TV must be located at the same service address as the initial DIRECTV Receiver and you must meet the qualifications specified in Section 1(e). We reserve the right to limit the number of the DIRECTV Receiver, Genie Mini/Client(s) and/or Enabled TVs that you may use and to establish rules for such use. If we charge late fees, late fees are not an interest charge, finance charge, time price differential or other such charge or payment of a similar nature.

(d) Billing Statements.

Subject to any third party billing relationship, if you receive your bill from DIRECTV, we will send you a statement for each billing cycle (usually once every 30 days) unless you have a zero or nominal balance due, or a nominal credit balance, on your account at the end of a billing cycle. If you receive your bill from a DIRECTV dealer, please speak with them regarding payments and timing of payments. Statements from DIRECTV will show: (1) payments, credits, purchases and any other charges to your account, (2) the amount you owe us and (3) the payment due date.

(e) Questions About Your Statement.

Attachment: FW_ Please Review Your DIRECTV Customer Agreement (10105 : Direct TV 24-month quote for Sheriff's Office)

If you think your statement is incorrect or if you need more information about it, contact us immediately. We will try to resolve any complaints you have as promptly as we can.

(f) Disputed Charges.

UNDISPUTED PORTIONS OF THE STATEMENT MUST BE PAID BY THE DUE DATE TO AVOID A LATE FEE AND POSSIBLE REDUCTION OR DEACTIVATION OF SERVICE. Remember, if your bill for DIRECTV Service comes from a party other than DIRECTV, please use the contact information on your bill. **EXCEPT AS OTHERWISE PROVIDED BY LAW WITH RESPECT TO UNAUTHORIZED CHARGES, BILLED CHARGES MUST BE DISPUTED TO DIRECTV IN WRITING WITHIN SIX (6) MONTHS AFTER THE DATE OF THE AFFECTED INVOICE OR THE RIGHT TO DISPUTE SUCH CHARGES IS WAIVED. WRITTEN DISPUTE NOTICES MAY BE SENT TO:**

DIRECTV, LLC
Commercial Account Payments
P.O. Box 105249
Atlanta, GA 30348-5249

(g) Consents Regarding Credit.

In order to establish an account with us, you authorize us to inquire into your creditworthiness (subject to Section 7), by checking with business credit reporting agencies. If you are delinquent in any payment to us, you also authorize us to report any late payment or nonpayment to credit reporting agencies. Due to the subjective nature of creditworthiness, we reserve the right to require prepayment for any Service via cashier's check, money order or credit card, notwithstanding your credit rating, past history or practice.

(h) Collection Costs.

If you fail to pay amounts you owe us, you may be subject to collections by DIRECTV or your account may be referred to a third party collection agency. To the extent permitted by law, you will pay us any costs and fees we reasonably incur to collect amounts you owe us.

3. CUSTOMER INFORMATION

(a) Representations.

The person ordering Service represents and warrants that (s)he is (i) at least 18 years of age, (ii) a resident of the United States and (iii) authorized to agree to the terms of this Agreement. You have had the opportunity to consult with an attorney or any other person/entity of your choosing for legal/professional advice prior to agreeing to this Agreement. THE SERVICE PROVIDED TO YOU IS DEPENDENT ON THE TYPE OF COMMERCIAL ESTABLISHMENT YOU OPERATE. YOUR RECEIPT OF SERVICES CONSTITUTES YOUR AGREEMENT TO THE FOLLOWING, AS APPLICABLE:

Public Viewing Establishments and Programming Packages:

Public Viewing programming packages are required for an establishment if you intend to display the Service where the viewing is generally accessible to the public and/or the establishment's clientele AND, either: (1) the establishment is a hospitality or entertainment establishment where food/beverage is served for immediate consumption (such as a bar, restaurant, diner, club, café, or bowling alley and including any such establishment within a larger establishment, such as a stadium, hotel or theater), or (2) the establishment charges, as a part of its primary business operation, an admission or cover charge (any establishment requiring Public Viewing programming package is a "**Public Viewing**

Establishment"). If you ordered a Public Viewing programming package, you represent, warrant, acknowledge and agree that the Services will only be displayed at a Public Viewing Establishment.

Business Viewing Establishment:

Business Viewing programming packages are required for an establishment if you intend to display the Service where the viewing is generally accessible to the public and/or the establishment's clientele BUT (1) the establishment does NOT sell food/beverage for immediate consumption, AND (2) the establishment does not charge admission or cover charge to view the Service (except that monthly membership dues for membership organizations are acceptable, such as gyms or fraternity or sorority memberships) (any establishment requiring Business Viewing programming package is a "**Business Viewing Establishment**"). If you ordered a Business Viewing programming package, you represent, warrant, acknowledge and agree that the Services will only be displayed at a Business Viewing Establishment.

Private Viewing Establishment:

Private Viewing programming packages are required for an establishment if you intend to display the Services at where the viewing is in areas that are not accessible to the public and/or the establishment's clientele (such as offices and conference rooms) (any establishment requiring Private Viewing programming package is a "**Private Viewing Establishment**"). If you receive Private Viewing programming, (1) you may not display or exhibit, and shall not permit others to display or exhibit, in any manner whatsoever, any of the Services in areas accessible to the public and/or common areas and (2) you may not distribute the Service through a satellite master antenna television system or in a Public Viewing Establishment or Business Viewing Establishment. If you ordered a Private Viewing programming package, you represent, warrant, acknowledge and agree that the Services will only be displayed at a Private Viewing Establishment.

Other Commercial Establishments and Customers:

If your business or establishment or location does not meet the qualification for Public Viewing Establishment, Business Viewing Establishment or Private Viewing Establishment but you still wish to receive the Service, you may qualify for other types of commercial establishment services subject to additional terms to be agreed to in connection with this Agreement. If you agree to such additional terms, you represent, warrant, acknowledge and agree that the Services will only be displayed as permitted under such terms. Other types of commercial establishment agreements include: Casino & Gaming Viewing Establishments, Stadium Viewing Establishments and Oil Rig Viewing Establishments.

(b) Contact Information.

You agree to provide true, accurate, current and complete contact information about your commercial establishment, and maintain and promptly update your contact information to keep it true, accurate and complete. With regard to all telephone numbers, including cellular numbers you choose to provide on your account, you acknowledge and consent to receive business and informational calls relating to your Service to such numbers, including collections calls. You agree such calls may be pre-recorded messages or placed with an automatic telephone dialing system. In addition, you agree that we may send non-marketing service or account related text messages to cellular phone numbers provided on your account. Carrier message and data rates may apply but, on some text message programs, you may opt out of a text message program by replying "stop" to a message from that program (visit www.directv.com for information). If you choose to provide an e-mail or other electronic address on your account, you acknowledge and consent to receive business and informational messages relating to your Service at the address, including collections

messages, and that such address is your private address and is not accessible or viewable by any other person.

(c) Online Access.

If you have an online account with DIRECTV, you are responsible for maintaining the confidentiality of the password and account e-mail address used for any online billing and account maintenance at www.directv.com, and are fully responsible for all activities that occur under your password and account. You agree to: (i) keep your e-mail address and password confidential and not share them with anyone else; (ii) immediately notify DIRECTV of any unauthorized use of your password and account or other breach of security and (iii) use only your e-mail address and password to log into www.directv.com.

4. CHANGES IN CONTRACT TERMS

We reserve the right to change the terms and conditions on which we offer Service, including adding new terms or deleting existing ones. If we make any such changes, we will send you a copy of your new Commercial Customer Agreement containing its effective date. You always have the right to cancel your Service, in whole or in part, at any time, and you may do so if you do not accept any such changed terms or conditions. See Sections 5(b), (d) and (e) below. If you elect not to cancel your Service after receiving a new Commercial Customer Agreement, your continued receipt of Service constitutes acceptance of the changed terms and conditions. If you notify us that you do not accept such terms and conditions, then we may cancel your Service as provided in Section 5, as we cannot offer Service to different customers on different terms, among other reasons.

5. CANCELLATION

(a) Term.

The term of this Agreement is indefinite and Service will continue until canceled as provided herein. Unless you notify us that you wish to cancel it, we will automatically renew Service that you subscribe to on a periodic basis, including any monthly or annual subscriptions and seasonal sports subscriptions, as long as we continue to carry the Service.

(b) Your Cancellation.

You may cancel Service by notifying us in writing (including by email or facsimile). In addition to cancelling in writing, DIRECTV may accept cancellation requests over the phone; however, DIRECTV is not required under this Agreement to do so. If your account remains active and you have only notified DIRECTV of cancellation over the phone you remain responsible for all outstanding balances accrued until you provide notice in writing. You may be charged a deactivation fee as described in Section 2 and issued a credit as described below. Your notice is effective on the day we receive it. You will still be responsible for payment of all outstanding balances accrued through that effective date. In addition to any deactivation or change of service fees provided in Section 2, if you cancel Service or change your Service package, you may be subject to an early cancellation fee if you agreed to a programming commitment with DIRECTV, and have failed to maintain the required programming package for the required period of time. For Services sold only in blocks of one month or multiples of one month, if you cancel such Service, we will credit you only for full months not used. For example, if you subscribe for a year of such Service from January through December but cancel on March 10, we will credit you for the subscription fees for April through December. However, we will not credit any fees for January through March. Additionally, we will not credit seasonal sports subscriptions after the season starts.

(c) Our Cancellation.

Attachment: FW_ Please Review Your DIRECTV Customer Agreement (10105 : Direct TV 24-month quote for Sheriff's Office)

We may cancel your Service at any time if you fail to pay amounts owing to us when due, subject to any grace periods, breach any other material provision of this Agreement, or act abusively toward our staff. In addition, we may cancel your Service if you elect not to accept any changed terms described to you, as provided in Section 4. Upon cancellation, you will still be responsible for payment of all outstanding balances accrued through the effective date, which may include the deactivation fee described in Section 2 and/or an early cancellation fee.

(d) Credit Balances.

When your account is closed, we will review your account and refund any excess monetary payments. Retention or similar credits may not be refunded.

(e) Payment Upon Cancellation.

You acknowledge that you have provided your credit or debit card account information to us. You understand that you will incur fees and charges as a result of your receipt and use of Service and/or Receiving Equipment, and may incur early cancellation fees and/or equipment non-return fees (as specified in any programming or other service commitment agreement you entered into in connection with obtaining Receiving Equipment). By giving us your credit or debit card account information at any time, you authorize us to apply this method of payment, in accordance with applicable law, to satisfy any and all amounts due upon cancellation. You also acknowledge and agree that you are required to maintain current credit or debit card information with us and agree to notify us whenever there is a change in such information, such as a change in the card number or the expiration date and additionally, that DIRECTV may obtain such updated information through payment card networks, card issuers or other third party sources.

9. LIMITS ON OUR RESPONSIBILITY

(a) Service Interruptions.

Service may be interrupted from time to time for a variety of reasons. We are not responsible for any interruptions of Service that occur due to acts of God, power failure or any other cause beyond our reasonable control. However, because we value our customers, for an interruption of a significant length of time that is within our reasonable control, upon your request we will provide what we reasonably determine to be a fair and equitable adjustment to your account to make up for such Service interruption. THIS WILL BE YOUR SOLE REMEDY AND OUR SOLE DUTY IN SUCH CASES.

(b) WARRANTY DISCLAIMER.

EXCEPT AS PROVIDED HEREIN, WE MAKE NO WARRANTY REGARDING ANY SERVICE OR YOUR RECEIVING EQUIPMENT, WHICH IS PROVIDED AS IS. ALL SUCH WARRANTIES, INCLUDING, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND

Attachment: FW_ Please Review Your DIRECTV Customer Agreement (10105 : Direct TV 24-month quote for Sheriff's Office)

FITNESS FOR A PARTICULAR PURPOSE, ARE EXPRESSLY EXCLUDED. YOU BEAR THE ENTIRE RISK AS TO THE QUALITY AND PERFORMANCE OF THE RECEIVING EQUIPMENT AND ARE RESPONSIBLE FOR THE ENTIRE COST OF ANY NECESSARY REPAIR.

(c) Limitations of Liability.

WE ARE NOT RESPONSIBLE FOR ANY INDIRECT, CONSEQUENTIAL, SPECIAL, PUNITIVE, INCIDENTAL DAMAGES OR LOSSES RELATING TO THE RECEIVING EQUIPMENT OR ANY SERVICE, WHETHER BASED ON NEGLIGENCE OR OTHERWISE. WE SHALL NOT BE LIABLE FOR COSTS OF PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES, NOR FOR ANY LOSS OF PROFITS, LOSS OF BUSINESS, LOSS OF USE, OR INTERRUPTION OF BUSINESS. Some states or jurisdictions do not allow the exclusion or limitation of consequential damages, so the above limitation may not apply to you.

(d) Warranty Services.

You agree that this Agreement does not provide for, and the Service does not include, any warranty services or other services that we might provide separately, including, without limitation, any fee based or other programs.

(e) Exhibition and Music Rights.

WE SHALL HAVE NO LIABILITY TO ANY PERSON OR ENTITY DUE TO OR BASED ON THE CONTENT OR YOUR EXHIBITION OF ANY OF THE PROGRAMMING OR OTHER SERVICES PROVIDED BY US INCLUDING, BUT NOT LIMITED TO, LIABILITY FOR THE PAYMENT OF ANY REQUIRED MUSIC LICENSE FEES. IF YOU WISH TO PLAY MUSIC (OTHER THAN MUSIC SERVICES PROVIDED BY DIRECTV AS PART OF A PACKAGED MUSIC CHANNEL SERVICE AND DISPLAYED IN ACCORDANCE WITH OUR RULES OF USE), INCLUDING MUSIC INCLUDED WITHIN TELEVISION PROGRAMMING OR ADVERTISING, IN YOUR COMMERCIAL ESTABLISHMENT YOU ARE RESPONSIBLE FOR ALL REQUIRED MUSIC LICENSE FEES.

(f) Indemnification.

YOU AGREE TO INDEMNIFY, DEFEND, AND HOLD DIRECTV, ITS OFFICERS, EMPLOYEES, AGENTS AND REPRESENTATIVES HARMLESS FROM AND AGAINST ANY AND ALL CLAIMS, DAMAGES, LIABILITIES, EXPENSES (INCLUDING REASONABLE ATTORNEYS' FEES AND COSTS OF LITIGATION), LOSSES, JUDGMENTS, AND ASSESSMENTS OF ANY KIND WHATSOEVER DIRECTLY OR INDIRECTLY RESULTING FROM YOUR BREACH OF ANY OF YOUR OBLIGATIONS UNDER THIS AGREEMENT.

10. RESOLVING DISPUTES

PLEASE READ THIS CAREFULLY. IT AFFECTS YOUR RIGHTS.

10.1 Summary

Most customer concerns can be resolved quickly and to the customer's satisfaction by calling our customer service department at 800.531.5000. **In the unlikely event that DIRECTV's customer service department is unable to resolve a complaint you may have to your satisfaction (or if DIRECTV has not been able to resolve a dispute it has with you after attempting to do so informally), we each agree to resolve those disputes through binding arbitration or small claims court instead of in courts of general jurisdiction.** Arbitration is more informal than a lawsuit in court. Arbitration uses a

Attachment: FW_ Please Review Your DIRECTV Customer Agreement (10105 : Direct TV 24-month quote for Sheriff's Office)

neutral arbitrator instead of a judge or jury, allows for more limited discovery than in court, and is subject to very limited review by courts. Arbitrators can award the same damages and relief that a court can award. **Any arbitration under this Agreement will take place on an individual basis; class arbitrations and class actions are not permitted.** For any non-frivolous claim that does not exceed $75,000, DIRECTV will pay all costs of the arbitration. Moreover, in arbitration you are entitled to recover attorneys' fees from DIRECTV to at least the same extent as you would be in court.

In addition, under certain circumstances (as explained below), DIRECTV will pay you more than the amount of the arbitrator's award and will pay your attorney (if any) twice his or her reasonable attorneys' fees if the arbitrator awards you an amount that is greater than what DIRECTV has offered you to settle the dispute.

10.2 Arbitration Agreement

(a) DIRECTV and you agree to arbitrate **all disputes and claims** between us. This agreement to arbitrate is intended to be broadly interpreted. It includes, but is not limited to:

- claims arising out of or relating to any aspect of the relationship between us, whether based in contract, tort, statute, fraud, misrepresentation or any other legal theory;

- claims that arose before this or any prior Agreement (including, but not limited to, claims relating to advertising);

- claims that are currently the subject of purported class action litigation in which you are not a member of a certified class; and

- claims that may arise after the termination of this Agreement.

References to "DIRECTV," "you," and "us" include our respective subsidiaries, affiliates, agents, employees, predecessors in interest, successors, and assigns, as well as all authorized or unauthorized users or beneficiaries of services or Devices under this or prior Agreements between us. Notwithstanding the foregoing, either party may bring an individualized action in small claims court. This arbitration agreement does not preclude you from bringing issues to the attention of federal, state, or local agencies, including, for example, the Federal Communications Commission. Such agencies can, if the law allows, seek relief against us on your behalf. **You agree that, by entering into this Agreement, you and DIRECTV are each waiving the right to a trial by jury or to participate in a class action.** This Agreement evidences a transaction in interstate commerce, and thus the Federal Arbitration Act governs the interpretation and enforcement of this provision. This arbitration provision shall survive termination of this Agreement.

(b) A party who intends to seek arbitration must first send to the other, by certified mail, a written Notice of Dispute ("Notice"). The Notice to DIRECTV should be addressed to: DIRECTV LLC, Commercial Arbitration Demand, P.O. Box 915, El Segundo, CA, 90245 ("Notice Address"). The Notice must (a) describe the nature and basis of the claim or dispute; and (b) set forth the specific relief sought ("Demand"). If DIRECTV and you do not reach an agreement to resolve the claim within 30 days after the Notice is received, you or DIRECTV may commence an arbitration proceeding. During the arbitration, the amount of any settlement offer made by DIRECTV or you shall not be disclosed to the arbitrator until after the arbitrator determines the amount, if any, to which you or DIRECTV is entitled. You may download or copy a form Notice and a form to initiate arbitration at http://directv.com/arbitration-forms.

(c) After you have commenced arbitration, DIRECTV will promptly reimburse you for your payment of the filing fee, unless your claim is for greater than $75,000. (The filing fee currently is $200 for claims under $10,000 but is subject to change by the arbitration

provider. If you are unable to pay this fee, DIRECTV will pay it directly upon receiving a written request at the Notice Address.) The arbitration will be governed by the Consumer Arbitration Rules ("AAA Rules") of the American Arbitration Association ("AAA"), as modified by this Agreement, and will be administered by the AAA. If the AAA is unavailable, the parties shall agree to another arbitration provider or the court shall appoint a substitute. The AAA Rules are available online at adr.org, by calling the AAA at 1-800-778-7879, or by writing to the Notice Address. (You may obtain information that is designed for non-lawyers about the arbitration process at directv.com/arbitration-information.) The arbitrator is bound by the terms of this Agreement. All issues are for the arbitrator to decide, except that issues relating to the scope and enforceability of the arbitration provision are for the court to decide. Unless DIRECTV and you agree otherwise, any arbitration hearings will take place in the county (or parish) of your billing address. If your claim is for $10,000 or less, we agree that you may choose whether the arbitration will be conducted solely on the basis of documents submitted to the arbitrator, through a telephonic hearing, or by an in-person hearing as established by the AAA Rules. If your claim exceeds $10,000, the right to a hearing will be determined by the AAA Rules. Regardless of the manner in which the arbitration is conducted, the arbitrator shall issue a reasoned written decision sufficient to explain the essential findings and conclusions on which the award is based. Except as otherwise provided for herein, DIRECTV will pay all AAA filing, administration, and arbitrator fees for any arbitration initiated in accordance with the notice requirements above. If, however, the arbitrator finds that either the substance of your claim or the relief sought in the Demand is frivolous or brought for an improper purpose (as measured by the standards set forth in Federal Rule of Civil Procedure 11(b)), then the payment of all such fees will be governed by the AAA Rules. In such case, you agree to reimburse DIRECTV for all monies previously disbursed by it that are otherwise your obligation to pay under the AAA Rules. In addition, if you initiate an arbitration in which you seek more than $75,000 in damages, the payment of these fees will be governed by the AAA rules.

(d) If, after finding in your favor in any respect on the merits of your claim, the arbitrator issues you an award that is greater than the value of DIRECTV's last written settlement offer made before an arbitrator was selected, then DIRECTV will:

- pay you the amount of the award or $10,000 ("the alternative payment"), whichever is greater; and

- pay your attorney, if any, twice the amount of attorneys' fees, and reimburse any expenses (including expert witness fees and costs) that your attorney reasonably accrues for investigating, preparing, and pursuing your claim in arbitration ("the attorney premium").

If DIRECTV did not make a written offer to settle the dispute before an arbitrator was selected, you and your attorney will be entitled to receive the alternative payment and the attorney premium, respectively, if the arbitrator awards you any relief on the merits. The arbitrator may make rulings and resolve disputes as to the payment and reimbursement of fees, expenses, and the alternative payment and the attorney premium at any time during the proceedings and upon request from either party made within 14 days of the arbitrator's ruling on the merits.

(e) The right to attorneys' fees and expenses discussed in paragraph (4) supplements any right to attorneys' fees and expenses you may have under applicable law. Thus, if you would be entitled to a larger amount under the applicable law, this provision does not preclude the arbitrator from awarding you that amount. However, you may not recover duplicative awards of attorneys' fees or costs. Although under some laws DIRECTV may have a right to an award of attorneys' fees and expenses if it prevails in an arbitration, DIRECTV agrees that it will not seek such an award.

(f) The arbitrator may award declaratory or injunctive relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that

Attachment: FW_ Please Review Your DIRECTV Customer Agreement (10105 : Direct TV 24-month quote for Sheriff's Office)

party's individual claim. **YOU AND DIRECTV AGREE THAT EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN YOUR OR ITS INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING.** Further, unless both you and DIRECTV agree otherwise, the arbitrator may not consolidate more than one person's claims, and may not otherwise preside over any form of a representative or class proceeding. If applicable law precludes enforcement of any of this paragraph's limitations as to a particular claim for relief, then that claim (and only that claim) must be severed from arbitration and may be brought in court.

(g) Notwithstanding any provision in this Agreement to the contrary, we agree that if DIRECTV makes any future change to this arbitration provision (other than a change to the Notice Address) during your Service Commitment, you may reject any such change by sending us written notice within 30 days of the change to the Arbitration Notice Address provided above. By rejecting any future change, you are agreeing that you will arbitrate any dispute between us in accordance with the language of this provision.

11. MISCELLANEOUS

(a) Notice.

Notices to you will be deemed given when personally delivered, addressed to you at your last known address and deposited in the U.S. Mail (which may include inclusion in your billing statement), or sent via Internet to the e-mail address you provided us or sent via satellite to your Receiving Equipment or delivered when a voice message is left at the telephone number on your account. Except as specified in Section 10.2(2) above, your notices to us will be deemed given when we receive them at the address or telephone number on the first page of this Agreement.

(b) Applicable Law.

The interpretation and enforcement of this Agreement and any disputes related to your agreements or service with DIRECTV shall be governed by the rules and regulations of the Federal Communications Commission, other applicable federal laws, and the laws of the state and local area where Service is provided to you. This Agreement is subject to modification if required by such laws. Notwithstanding the foregoing, Section 10 shall be governed by the Federal Arbitration Act.

(c) Assignment of Account.

We may assign your account or this Agreement and all rights and/or obligations hereunder to any third party without notice for any purpose, including, without limitation, collection of unpaid amounts, or in the event of an acquisition, corporate reorganization, merger or sale of substantially all of the party's assets to another entity. You hereby consent to such assignment. You must continue making all required payments to us in accordance with your billing statement, unless notified otherwise. You may not assign or transfer your Service, Receiving Equipment or Access Cards, this Agreement or any or your rights and obligations under this Agreement without our prior written consent. If as part of the sale of your commercial establishment, you wish to transfer any of the foregoing, contact DIRECTV immediately so that DIRECTV can review your account and determine whether DIRECTV will approve the transfer.

(d) Other.

This Agreement and any lease, activation, programming, or other service commitment agreement that you entered into in connection with obtaining Service or Receiving Equipment constitute our entire agreement. No salesperson or other representative is

authorized to change it. The terms of this Agreement that expressly or by their nature survive termination shall continue thereafter until fully performed.

Five Stages of Interview & Interrogation Techniques

Why Attend?

Most experienced interviewers know and realize if an admission is obtained from a suspect, that admission or statement will more than likely be challenged in court. Over the last few years, well known Interview & Interrogation Techniques have come under the microscope of criminal defense attorneys regarding the tactics used. Cases in both the United States and Canada are being thrown out due to some of these tactics.

Five Stages of Successful Interview Techniques has been designed to train individuals to conduct interviews following a structured interview approach. This process will teach the attendees how to learn better listening skills which in turn will result in obtaining more relevant information.

Five Stages of Successful Interview Techniques has been designed by an individual who has been conducting professional structured interviews for over 35 years. The principal instructor and creator of this course still actively conducts real life interviews on a regular basis. He conducts interviews for both law enforcement agencies and criminal defense attorneys which provides a unique insight to the world of interviewing.

The information taught in the ***Five Stages of Successful Interview Techniques*** will demonstrate to the attendees the importance of having patience and learning how to listen to the subject. The attendees will be taught how to obtain information, statements and confessions which will withstand a court challenge.

During the course of instruction, videos of interviews that the instructor has personally conducted will be used for training purposes. It should be noted that since these training tapes are real life situations, some of the material will be sensitive in nature.

Who Should Attend?

• Investigators • Detectives • Patrol Officers • Loss Prevention • Judicial Investigators • Intelligence Officers • Background Investigators • Probation Officers • Parole Officers • Polygraph Examiners

Five Stages of Interview & Interrogation Techniques

Course Objectives:

Traits of Deception: Identify 18 traits researchers have identified which would challenge seasoned interviewers regarding detecting deception.

Types of Denial: Understanding reasons why and how people lie will assist the interviewer in developing information which can be used in the Review & Resolution Stage.

Basic Interview Theories: Simple theories will be explained and discussed which will allow the interviewer to understand interview concepts. These concepts will include Typical Interview Faux Pas, Setting Up the Room and Case Preparation.

Rapport Building: Learning How To Be A Good Listener will help establish empathy which is a crucial building block of rapport.

Five Stages of Successful Interviews: These stages will allow the interviewer to learn and develop a better formula of interviewing all suspects.

Analytical Disclosure Dialogue: These key critical questions will reveal answers which will allow the interviewer to analyze responses to these questions. The responses then can be categorized as being typically acceptable or unacceptable responses.

Improving Listening Skills: Listening is an essential part of communication and is different from hearing. Being a good and patient listener will assist the interviewer to become more effective.

Assessing Verbal Responses: The key to successful interviews is to unlock what the person is saying in response to critical questions in addition to listening to the person's facts and circumstances surrounding the case.

Assessing Non-Verbal Behaviors: Recent research has shown that interviewers are being mislead by non-verbal behavior. This area will focus on how to use observable body language to the benefit of the interviewer.

RE: Kiln Utility and Fire District
ROW Occupancy Request
Kiln Delisle & Magnolia Cove Drive

Dear Board Members:

We have received from your office a right-of-way permit application (attached).

We recommend approval of the attached permit with the following conditions:

1) Distance from the pump station to the edge of pavement is not shown. Installation shall occur as far along the back of the right-of-way as possible.
2) In the event it is not possible to locate the equipment adjacent to the ROW line, an exception may be made. However, the equipment should not be less then 10 feet from the edge of pavement.
3) Permit is not valid until proper construction notice is given and work is verified. Permit will not be executed by County Engineer until referenced notice is given.
4) Applicant shall also provide a 48-hour notice to County Engineer prior to work being performed.
5) No open cuts within 10' of road and no installation of any appurtenance that interfere with mowing and ditch maintenance.

Since this is a public entity and a small project no fee is assessed.

If you have any questions, please advise.

Sincerely,

COMPTON ENGINEERING, INC.

Geoff,

I have received a request via email by Jason Chiniche to amend the Right of Way Request previously approved by moving the pump station equipment from the North side of Kiln Delisle Rd. and Magnolia Cove Drive to the South side of Kiln Delisle Rd. in the same general area of the intersection.

Included you will find the proposed drawings indicating the new location of the pump station equipment. Please review the amended change.

Re: Repairs to Hancock County Arena

Dear Joey,

The Base Bid to Prepare and Coat All Metal Building Components in the Arena and West Portion of Barn was $275,000.00. This area per the contract drawings is ~~64,296~~ 72,700 SF. The Plans indicate that the Arena is 282 LF long, when it is 300 LF long by 225'-2" wide, which makes the area 67,551 SF SF in lieu of 64,296 SF. Below is the breakdown for the additional cost to paint the additional 3,255 SF less the two end bays (columns/rafters).

CONTRACT AMOUNT DIVIDED BY SF = COST PER SF
275,000.00/~~64,296~~ 72,700 SF = ~~$4.28 / SF~~ $ 3.78/SF
ADDITIONAL 3,255 SF @ ~~$4.28 = $13,931.40~~ $12,303.90
LESS TWO END BAY FRAMES @ $1,500.00/EA ($3,000.00)

TOTAL THIS REQUEST: ~~$10,931.40~~ $9,303.90

Please review and prepare a change order.

Thank you for your cooperation to the above.

Sincerely,

Mel,

The revised proposal to paint included an adjustment to the cost calculated cost per square foot. The lump sum cost was for the Arena and West Barn. It appears cost per square foot was calculated excluding the area of the west barn. It should still be based on $275,000 / 72,700 SF.

Call me to discuss if you disagree.

Thank you,

Re: Repairs to Hancock County Arena

Dear Joey,

The Base Bid to Prepare and Coat All Metal Building Components in the Arena and West Portion of Barn was $275,000.00. This area per the contract drawings is ~~64,296~~ 72,700 SF. The Plans indicate that the Arena is 282 LF long, when it is 300 LF long by 225'-2" wide, which makes the area 67,551 SF SF in lieu of 64,296 SF. Below is the breakdown for the additional cost to paint the additional 3,255 SF less the two end bays (columns/rafters).

CONTRACT AMOUNT DIVIDED BY SF = COST PER SF
275,000.00/~~64,296~~ 72,700 SF = ~~$4.28 / SF~~ $ 3.78/SF
ADDITIONAL 3,255 SF @ ~~$4.28~~ $3.78 = ~~$13,931.40~~ $12,303.90
LESS TWO END BAY FRAMES @ $1,500.00/EA ($3,000.00)

TOTAL THIS REQUEST: ~~$10,931.40~~ $9,303.90

Please review and prepare a change order.

Thank you for your cooperation to the above.

Mel,

The revised proposal to paint included an adjustment to the cost calculated cost per square foot. The lump sum cost was for the Arena and West Barn. It appears cost per square foot was calculated excluding the area of the west barn. It should still be based on $275,000 / 72,700 SF.

Call me to discuss if you disagree.

Thank you,

Harbor Drive Boat Launch Nature Walk Proposal

Submitted by: Stanley L. Denton

4/25/2015

I. BACKGROUND

a. During 2010 the Harbor Drive Neighborhood Association (HDNA) submitted a proposal to the County Board of Supervisors for improvement of the boat launch and park located on Harbor Drive.

b. The proposal included:

i. Improvements to reduce litter, criminal activity at the park and accidents that involve trucks sliding into the water when launching a boat. Which included:

1. Installing street lights and lights in the park area.
2. Cutting grooves in the cement drive used to launch boats.
3. Putting trash cans in the park.

ii. Provide residents and families a recreational area by:

1. Mowing and maintaining the park.
2. Installing a pavilion, picnic tables and barbeque pits on the north side.

iii. Pave an exercise walk way around the south end of the park.

iv. Put in a children's playground.

v. Establish the park as a miniature wetland educational site similar to the Crosby Arboretum located in Picayune, Ms. (http://crosbyarboretum.msstate.edu/) This would be accomplished by:

1. Landscaping the south side of the park with native plants and trees.
2. (HDNA) was to install educational planks along the walk way which would provide information about the local vegetation the visitor would be viewing.
3. Information from the wildlife and fisheries department would be posted on a bulletin board and inserted into pamphlet holders mounted on an outdoor display similar to that used at Bayou Sauvage. (Attached)

c. The County Board of Supervisors approved the proposal with the exception of the children's playground.

II. It is my understand due to limited funding the county has only completed the following:

a. Cleaned and maintained the property.
b. Cut grooves in the cement to prevent cars / trucks and their boats from sliding into the water.
c. Installed lighting for safety.
d. Paved the exercise walkway on the south side of the park.

III. I am requesting permission from the board to allow me, my friends and neighbors to:

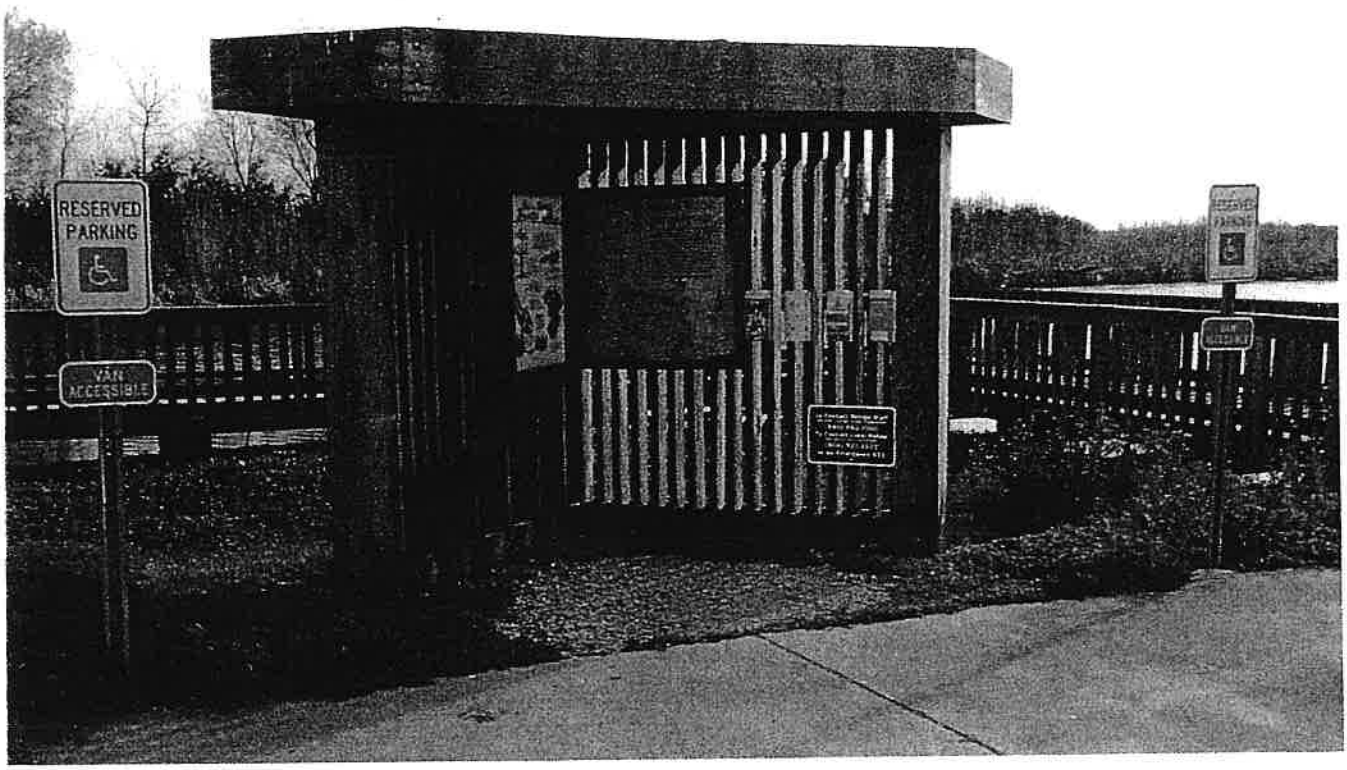

a. Plant native plants along and around the walkway located on the south end of the park. The plants would be donated by neighbors or provided by The Crosby Arboretum, Mississippi State University.
b. Post plastic covered informational sheets along the walkway on the native plants provided by Crosby Arboretum.

IV. I am additionally requesting if the county cannot afford to do the following, allow me, my friend and neighbors to:

a. Build and install a display board with a bulletin board and pamphlet holder to educate visitors on wetland stewardship, vegetation, protected and invasive species. (See attached) The blueprint will be provided by Mickey Lagasse, Compton Engineering. The construction, supplies, and material will be provided by volunteers and donations.
b. Install three to four picnic tables on the north side of the park. The tables would be obtain through donations.

Secured Party may demand, collect, receipt for, settle, compromise, adjust, sue for, foreclose or realize upon Collateral as Secured Party may determine, whether or not Obligations or Collateral are then due. Secured Party may receive, open and dispose of mail addressed to Debtor and sign and endorse notes, checks, drafts, money orders, certificates and documents of title and related forms or other evidences of payment, shipment or storage or any form of Collateral on behalf of and in the name of Debtor as Debtor's attorney-in-fact for such purpose. In addition, the Debtor waives any and all rights that it may have to a judicial hearing in advance of the enforcement of any of the Secured Party's rights and remedies hereunder, including, without limitation, its right following an Event of Default to take immediate possession of the Collateral and to exercise its rights and remedies with respect thereto.

SECTION 13. **Standards for Exercising Rights and Remedies**. To the extent that applicable law imposes duties on the Secured Party to exercise remedies in a commercially reasonable manner, the Debtor acknowledges and agrees that it is not commercially unreasonable for the Secured Party (a) to fail to incur expenses reasonably deemed significant by the Secured Party to prepare Collateral for disposition or otherwise to fail to complete raw material or work in process into finished goods or other finished products for disposition, (b) to fail to obtain third party consents for access to Collateral to be disposed of, or to obtain or, if not required by other law, to fail to obtain governmental or third party consents for the collection or disposition of Collateral to be collected or disposed of, (c) to fail to exercise collection remedies against account debtors or other persons obligated on Collateral or to fail to remove liens or encumbrances on or any adverse claims against Collateral (except for those permitted by the Purchase Agreement), (d) to exercise collection remedies against account debtors and other persons obligated on Collateral directly or through the use of collection agencies and other collection specialists, (e) to advertise dispositions of Collateral through publications or media of general circulation, whether or not the Collateral is of a specialized nature, (f) to contact other persons, whether or not in the same business as the Debtor, for expressions of interest in acquiring all or any portion of the Collateral, (g) to hire one or more professional auctioneers to assist in the disposition of Collateral, whether or not the collateral is of a specialized nature, (h) to dispose of Collateral by utilizing Internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capability of doing so, or that match buyers and sellers of assets, (i) to dispose of assets in wholesale rather than retail markets, (j) to disclaim disposition warranties, (k) to purchase insurance or credit enhancements to insure the Secured Party against risks of loss, collection or disposition of Collateral or to provide to the Secured

Party a guaranteed return from the collection or disposition of Collateral, or (l) to the extent deemed appropriate by the Secured Party, to obtain the services of other brokers, investment bankers, consultants and other professionals to assist the Secured Party in the collection or disposition of any of the Collateral. The Debtor acknowledges that the purpose of this Section 15 is to provide non-exhaustive indications of what actions or omissions by the Secured Party would fulfill the Secured Party's duties under the Uniform Commercial Code or other law of the State or any other relevant jurisdiction in the Secured Party's exercise of remedies against the Collateral and that other actions or omissions by the Secured Party shall not be deemed to fail to fulfill such duties solely on account of not being indicated in this Section 15. Without limitation upon the foregoing, nothing contained in this Section 15 shall be construed to grant any rights to the Debtor or to impose any duties on the Secured Party that would not have been granted or imposed by this Agreement or by applicable law in the absence of this Section 15.

SECTION 14. No Waiver by Secured Party, etc. The Secured Party shall not be deemed to have waived any of its rights or remedies in respect of the Obligations or the Collateral unless such waiver shall be in writing and signed by the Secured Party. No delay or omission on the part of the Secured Party in exercising any right or remedy shall operate as a waiver of such right or remedy or any other right or remedy. A waiver on any one occasion shall not be construed as a bar to or waiver of any right or remedy on any future occasion. All rights and remedies of the Secured Party with respect to the Obligations or the Collateral, whether evidenced hereby or by any other instrument or papers, shall be cumulative and may be exercised singularly, alternatively, successively or concurrently at such time or at such times as the Secured Party deems expedient.

SECTION 15. Suretyship Waivers by Debtor. The Debtor waives demand, notice, protest, notice of acceptance of this Agreement, notice of loans made, credit extended, Collateral received or delivered or other action taken in reliance hereon and all other demands and notices of any description. With respect to both the Obligations and the Collateral, the Debtor assents to any extension or postponement of the time of payment or any other indulgence, to any substitution, exchange or release of or failure to perfect any security interest in any Collateral, to the addition or release of any party or person primarily or secondarily liable, to the acceptance of partial payment thereon and the settlement, compromising or adjusting of any thereof, all in such manner and at such time or times as the Secured Party may deem advisable. The Secured Party shall have no duty as to the collection or protection of the Collateral or any income therefrom, the preservation of rights against prior parties, or the preservation of any rights pertaining thereto beyond the safe custody thereof as set forth in Section 10.2. The Debtor further waives any and all other suretyship defenses.

SECTION 16. Marshalling. The Secured Party shall not be required to marshal any present or future collateral security (including but not limited to the Collateral) for, or other assurances of payment of, the Obligations or any of them or to resort to such collateral security or other assurances of payment in any particular order, and all of its rights and remedies hereunder and in respect of such collateral security and other assurances of payment shall be cumulative and in addition to all other rights and remedies, however existing or arising. To the extent that it lawfully may, the Debtor hereby agrees that it will not invoke any law relating to the marshalling of collateral which might cause delay in or impede the enforcement of the Secured Party's rights and remedies under this Agreement or under any other instrument creating or evidencing any of the Obligations or under which any of the Obligations is outstanding or by which any of the Obligations is secured or payment

thereof is otherwise assured, and, to the extent that it lawfully may, the Debtor hereby irrevocably waives the benefits of all such laws.

SECTION 17. Proceeds of Dispositions; Expenses. The Debtor shall pay to the Secured Party on demand any and all expenses, including reasonable attorneys' fees and disbursements, incurred or paid by the Secured Party in protecting, preserving or enforcing the Secured Party's rights and remedies under or in respect of any of the Obligations or any of the Collateral. After deducting all of said expenses, the residue of any proceeds of collection or sale or other disposition of the Collateral shall, to the extent actually received in cash, be applied to the payment of the Obligations in such order or preference as the Secured Party may determine, proper allowance and provision being made for any Obligations not then due. Upon the final payment and satisfaction in full of all of the Obligations and after making any payments required by Sections 9A-608(a)(1)(C) or 9A-615(a)(3) of the Uniform Commercial Code of the State, any excess shall be returned to the Debtor. In the absence of final payment and satisfaction in full of all of the Obligations, the Debtor shall remain liable for any deficiency.

SECTION 18. Governing Law; Consent to Jurisdiction. THIS AGREEMENT IS INTENDED TO TAKE EFFECT AS A SEALED INSTRUMENT AND SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF MISSISSIPPI. The Debtor agrees that any action or claim arising out of, or any dispute in connection with, this Agreement, any rights, remedies, obligations, or duties hereunder, or the performance or enforcement hereof or thereof, may be brought in the courts of the Mississippi or any federal court sitting therein and consents to the non-exclusive jurisdiction of such court and to service of process in any such suit being made upon the Debtor by mail at the address specified in Section 6.5 of the Purchase Agreement. The Debtor hereby waives any objection that it may now or hereafter have to the venue of any such suit or any such court or that such suit is brought in an inconvenient court.

SECTION 19. Waiver of Jury Trial. THE DEBTOR WAIVES ITS RIGHT TO A JURY TRIAL WITH RESPECT TO ANY ACTION OR CLAIM ARISING OUT OF ANY DISPUTE IN CONNECTION WITH THIS AGREEMENT, ANY RIGHTS, REMEDIES, OBLIGATIONS, OR DUTIES HEREUNDER, OR THE PERFORMANCE OR ENFORCEMENT HEREOF OR THEREOF. Except as prohibited by law, the Debtor waives any right which it may have to claim or recover in any litigation referred to in the preceding sentence any special, exemplary, punitive or consequential damages or any damages other than, or in addition to, actual damages. The Debtor (i) certifies that neither the Secured Party nor any representative, agent or attorney of the Secured Party have represented, expressly or otherwise, that the Secured Party would not, in the event of litigation, seek to enforce the foregoing waivers or other waivers contained in this Agreement, and (ii) acknowledges that, in entering into the Purchase Agreement, the Secured Party are relying upon, among other things, the waivers and certifications contained in this Section 22.

SECTION 20. Miscellaneous. The headings of each section of this Agreement are for convenience only and shall not define or limit the provisions thereof. This Agreement and all rights and obligations hereunder shall be binding upon the Debtor and its respective successors and assigns, and shall inure to the benefit of the Secured Party and its successors and assigns. If any term of this Agreement shall be held to be invalid, illegal or unenforceable, the validity of all other terms hereof shall in no way be affected thereby, and this Agreement shall be construed and be enforceable as if
