Re: Public Hearing on "Petition for the addition of the east section of Bud Ladner Road"

Penny Ladner Sahuque v. Ernest Charles Ladner, Jr., Hancock County
Chancery Court Cause No. 21-396, Judge Persons

Dear Gary,

Hope this finds you well.

It is my understanding that the above-referenced public hearing is set for November 1, 2021, at 1 pm. It appears that the request is to have the Board open an already existing public road. I question the existence of a public road as I have been unable to find an "east" extension of Bud Ladner Road on the County road map.

The above-referenced lawsuit currently pending in Hancock County Chancery Court addresses the exact issue that will be presented to the Board on November 1, 2021. I represent the Defendant, Earnest Ladner, who owns the property through which Ms. Sahuque seeks access. Ms. Sahuque is simply trying to do an end run around the legal process hoping the Board will approve her request to take my client's land. I respectfully request the Board table this matter and await the outcome of the pending litigation. I will be present at the Board meeting on behalf of my client and will have documents in support of our position to be reviewed by the Board if necessary.

On another matter, I have not heard anything on my client's request to void the tax sale related to the movie theater in Waveland. Can you please give me an update?

Sincerely,

Lewie G. Negrotto IV

IN THE CHANCERY COURT OF HANCOCK COUNTY, MISSISSIPPI**PENNY LADNER SAHUQUE****FILED****PLAINTIFF****VS****JUL CAUSE NO.: 23CH1:21-cv-396 JP****ERNEST CHARLES LADNER, JR.**TIMOTHY A. KELLAR
CHANCERY CLERK**DEFENDANT**BY D.C.**COMPLAINT TO CONFIRM TITLE, CANCEL CLOUDS, FOR
DECLARATORY JUDGMENT, AND FOR OTHER RELEIF**

COMES NOW Penny Ladner Sahuque, by and through Michael D. Haas, Jr. her attorney, and files this Complaint against the Defendant and to confirm Plaintiff's title, cancel cloud, for declaratory and other relief related to the real property hereinafter described for and in support thereof the Plaintiff would show as follows, to-wit:

1.

That Penny Ladner Sahuque is an adult resident citizen of Hancock County, Mississippi who may be served with process in this matter on her attorney Michael D. Haas, Jr., 201 N. 2nd Street, Bay St. Louis, MS 39520.

2.

That Ernest Charles Ladner, Jr. is an adult resident citizen of Hancock County, Mississippi who may be served with process in this matter at 5260 Bud Ladner Road, Bay St. Louis, Mississippi 39520.

3.

That the Court has jurisdiction over the parties and the subject matter. Hancock County, Mississippi is the proper venue due to the fact that the cause of action accrued in Hancock County, Mississippi, and the real property involved in this case is located in Hancock County, Mississippi. The matter is

filed in the Chancery Court due to Chancery Court's constitutional jurisdiction and also due to the fact that no adequate remedy is available at law.

FACTS

The Plaintiff is the owner of real property located in Hancock County, Mississippi more particularly described as follows, to-wit:

Commencing at an axle found at the Sections corner common to Section 22, 23, 26 and 27, Township 9 South, Range 15 West, Hancock County, Mississippi; thence on and along the Section line between Sections 22 and 23, North 00 degrees 22 minutes 48 seconds East 1329.56 feet to a 10" fence corner; thence North 89 degrees 29 minutes 43 seconds West 79.97 feet to a 5/8" rebar set with cap and the Point of Beginning; thence North 54 degrees 13 minutes 52 seconds West 219.62 to a 5/8" rebar set with cap; thence North 48 degrees 49 minutes 37 seconds West 61.75 feet to a 5/8" rebar set with cap; thence North 70 degrees 36 minutes 33 seconds West 61.75 feet to a 5/8" rebar set with cap; thence South 85 degrees 33 minutes 09 seconds West 37.20 feet to a 5/8" rebar set with cap; thence North 44 degrees 22 minutes 48 seconds East 260.28 feet to the center of Bayou Cadet; thence along the center of said bayou for the following calls: South 55 degrees 52 minutes 19 seconds East 48.90 feet; thence South 71 degrees 26 minutes 13 seconds East 200.74 feet; thence South 00 degrees 04 minutes 02 seconds East 57.67 feet; thence South 77 degrees 35 minutes 27 seconds East 65.49 feet; thence North 72 degrees 40 minutes 34 seconds East 64.96 feet; thence South 62 degrees 45 minutes 24 seconds East 60.55 feet; thence South 22 degrees 48 minutes 10 seconds West 93.39 feet; thence South 32 degrees 22 minutes 54 seconds East 26.45 feet; thence South 65 degrees 26 minutes 57 seconds East 236.80 feet; thence leaving said bayou, North 89 degrees 29 minutes 43 seconds West 464.32 feet to the Point of Beginning, containing 3.10 acres, more or less, and being located in the Northeast Quarter of the Southeast Quarter of Section 22, and the Northwest Quarter of the Southwest Quarter of Section 23, Township 9 South, Range 15 West, Hancock County, Mississippi. The basis of bearings is the Mississippi State Plane Coordinate System, NAD83, MS East Zone.

and is shown on survey by Chad H. Cutrer, **Exhibit "A"** attached hereto. The real property was acquired by Warranty Deed, a copy of attached hereto as Exhibit "A-1".

4.

That the Defendant is the owner of real property located in Hancock County, Mississippi more particularly described as follows, to-wit:

Beginning at a stake set at the SW corner of the SE $\frac{1}{4}$ of the SE $\frac{1}{4}$, Section 22, Township 9 South, Range 15 West, Hancock County, Mississippi; thence running North 1413.5 feet to a stake; thence East 405 feet to a stake; thence South 1413.5 feet to a stake; thence West 405 feet to the place of beginning. Containing 13 $\frac{1}{6}$ acres, more or less, in the East half (E $\frac{1}{2}$) of the SE $\frac{1}{4}$ of Section 22, Township 9 South, Range 15 West, Hancock County, Mississippi. LESS AND EXCEPT THEREFROM ANY PRIOR CONVEYANCES.

That the Deraignment of Title to the Defendants real property is attached hereto and made a part hereof as **Exhibit "B"**.

5.

That the Plaintiff deraigns her title which was duly patented from the United States of America to the State of Mississippi in compliance with Mississippi Code Annotated § 11-17-35. That the larger tract of real property was thereafter subdivided and conveyed to different persons including the Plaintiff herein. That the conveyances regarding the real property are shown on the deraignment of title attached hereto and made a part hereof as **Exhibit "C"**.

6.

That the real property in dispute is accessed by a public roadway which was established and maintained as a County road for many years and has not been legally abandoned by the Hancock County Board of Supervisors.

7.

Additionally, the deed in favor of the Defendant's predecessor in title, Jaki S. Sanford, specifically contained a reservation of all easements of record which would include access thereto. In particular a deed from Jaki Smith Sanford filed in Deed Book BB 174, Pages 1-2, Deed Records of Hancock County, Mississippi, a copy of which is attached hereto as **Exhibit "D"** described the real property conveyed to Ernest C. Ladner, Sr. and Velma Ladner as being to the "centerline of a roadway" and follows the roadway centerline to the Plaintiff's real property. The deed provides that the conveyance is "less and except that part which constitutes a **public road right-of-way**". (emphasis added).

8.

That the Plaintiff and her predecessors in title have accessed the real property hereinabove described by virtue of a gravel road off Bud Ladner Road, the approximate location of the existing road bed is shown on the surveyor's sketch prepared by Chad H. Cutrer, Licensed Professional Surveyor, which is attached hereto as **Exhibit "E"**. The road begins at Bud Ladner Road (a public

roadway) shown on the sketch to the real property owned by the Plaintiff. The Plaintiff and her predecessors in title have utilized this road as their sole means of access to their real property for a period in excess of 50 years. The road has not been relocated and remains in the same location. The public road and the continued use by the Plaintiff should be adjudicated by the Court to be the road easement referred to in the previous deeds and the Court should adjudicate that the Plaintiff has the unfettered right to continue to use the road from Bud Ladner Road to Plaintiff's real property. That the Defendant should be temporarily and permanently enjoined from further harassment, blocking of the road, installation of gates which block access (installed in approximately January 27, 2020) and all other actions of harassment which have been utilized by Ernest Charles Ladner, Jr to intimidate and harass the Plaintiff and deny her access to her real property. Additionally, the Plaintiff requests the Court permanently enjoin the Defendant from any further actions to block the Plaintiff's use and access to the road which has been in existence for more than 50 years.

9.

Alternatively, the Plaintiff requests that the Court find that the acts and actions by the Plaintiff and her predecessors in title and acts, action and omissions of the Defendant and his predecessors in title regarding the actual use and location of the road hereinabove mentioned entitle the Plaintiff to a Judgment of the Court establishing a prescriptive easement and right to use

the road, in the event the Court determines that the real property or any portion thereof in which the road is situate is owned by the Defendant.

10.

Alternatively, that the Court should adjudicate the road to be a public road and confirm the right of the Plaintiff to continue to use said road and enjoin the Defendant from interfering with such use by Plaintiff. Upon information and belief, Hancock County, Mississippi maintained the road for many years as a county public road and has not abandoned the road by action of the Board of Supervisors. That attached hereto as **Exhibit "F"** is an Affidavit of Bert Courrege, Jr. attesting to the public maintenance of the road by the Hancock County, Mississippi Board of Supervisors.

11.

Further, that upon hearing hereof the Court should cancel the cloud on Plaintiff's title caused by the Defendant by virtue trespass based on the claim of ownership of Plaintiff's property rights and access as hereinabove stated, and award damages to the Plaintiff including court costs and attorneys' fees, as well.

12.

That alternatively, should the Court determine that the road is not legally established for use by the Plaintiff that the Court, under the provision of Miss. Code Ann. § 65-2-201 should establish a private road thru the land as described and shown on a survey by Cutrer Land Survey attached hereto as

Exhibit "G" along the centerline of the old roadbed and that the Court shall determine reasonable compensation to the Defendant, as well.

WHEREFORE PREMISES CONSIDERED the Plaintiff prays that under the provisions of Mississippi Code Annotated §§ 11-17-29, 11-17-31 and other applicable sections of the Mississippi Code of 1972, the Court will receive and file this Complaint, and upon hearing hereof, the Court will enter a Judgment in favor of the Plaintiff against the Defendant which will declare and confirm that the Plaintiff is entitled to use the road shown on **Exhibit "E"** for all purposes under Mississippi law confirm the Plaintiff's title free and clear of all claims of the Defendant and remove any claims or clouds on the title, as well. Further, that the court award trespass damages to the Plaintiff against the Defendant including court costs and attorney's fees. Finally, the Court allow any and all relief which the Plaintiff is entitled to receive, premises duly considered.

This the 15th day of July, 2021.

Respectfully submitted,

PENNY LADNER SAHUQUE, Plaintiff

First having been duly sworn, personally came and appeared before me the undersigned Notary Public, Bertram Courrege, 19140 Magnolia Ridge Drive, Kiln, Mississippi an adult resident of Hancock County, Mississippi, and upon oath states as follows, to-wit:

1. That I served as a Member of the Board of Supervisors of Hancock County, Mississippi for 12 years of time beginning 1977 and ending in 1988.

2. That I am the son of A. J. Courrege, Sr. and Aline Ladner Courrege who formerly owned property located generally off Bud Ladner Road and bounded on the North by Bayou Cadet and on the South by the current railroad operated by the Hancock County Port and Harbor Commission and located in Sections 22 and 23, Township 9 South, Range 15 West, Hancock County, Mississippi.

3. That the access to the real property owned by my parents was provided by public road which led from Bud Ladner Road easterly towards Bayou Cadet to real property which was owned by the predecessors in interest to Penny Ladner Sahuque and which is at the terminus of the public road.

EXHIBIT "F"

4. That I have personal knowledge that the road was built, established, maintained and utilized by the public for many years including during the term of my occupancy as son of the prior owners, and my term as a Member of the Board of Supervisors. The maintenance was continuous through the Hancock County Board of Supervisors during my occupancy in the office and upon information and belief, this is a public road maintained by Hancock County, Mississippi.

5. That the predecessors in title to Penny Ladner Sahuque utilized this road to access a house which the former residents maintained on the property which is located at the end of the public road.

6. That I am not aware of any action by the Board of Supervisors of Hancock County, Mississippi to officially abandon public use of the road and the roadway is the only practical access to the property since the other potential access is either wetlands, waterways or is blocked by a railroad right-of-way operated by the Hancock County Port and Harbor Commission.

So sworn on this the 25th day of March, 2021.

BERTRAM COURREGE, Affiant

SWORN TO and subscribed before me this the undersigned Notary Public on this the 25th day of March, 2021.

Step 2: Local Budgetary Accounting for 2021

Describe what was spent in local dollars (*not* grant dollars) on local EMS last fiscal year.

Attach a copy of the governmental unit printout for actual expenses paid for subsidizing/operating emergency medical services during fiscal year 2021. Example: AAAA County pays BBB Ambulance Service \$100,000.00 per year in subsidy to operate the ambulance service in AAAA County. You would send the printout of the account that shows the \$100,000.00 subsidy was paid.

There may be more than one account for subsidizing/operating emergency medical services. Attach copies of all funds expended on emergency medical services by this governmental unit. This is not your budget or grant-fund purchase items, but instead local governmental unit dollars.

Amount spent in local dollars in FY2021: \$ 6,920.00

Step 3: Local Proposed Budget for 2022

Describe what is projected to be spent in local dollars (*not* grant dollars) on local EMS this fiscal year.

Attach a copy of your 2022 budget printout for **projected** expenses for subsidizing/operating emergency medical services in fiscal year 2022.

There may be more than one account for subsidizing/operating emergency medical services. Attach copies of all funds projected to be expended on emergency medical services by this governmental unit. This is not your proposed budget for grant-fund purchase items, but instead local governmental dollars.

Amount projected to be spent in local dollars in FY 2022: \$ 6,920.00

Step 4: Grant Budget Narrative

On the following pages, describe what is planned to be spent in grant dollars on local EMS this fiscal year.

This is not a narrative of your total budget, just how you intend to spend the grant monies. Only the items to be paid for by this grant should be listed. Each item to be purchased or paid for must be listed with an estimated cost. Indicate how each purchase will be an improvement/enhancement to the government EMS units.

The following is an example.

1. Personnel Expenses - EMSOF may only be used to pay payroll and benefit differential pay for governmental units for the first year that a governmental unit improves its' level of ambulance service licensure (i.e., BLS to ALS), staff travel to BEMS approved training opportunities, and tuition for BEMS approved training opportunities. (Go to Page 6 to complete)
2. Contractual Services - Itemize all individual contracts and justify the services provided. (This is where payments to EMS Districts would be justified and listed.) (Go to Page 7 to complete)
3. Commodities - Categorize and give cost of all supplies. You may not purchase supplies for which you bill patients with grant funds. (Go to Page 8 to complete)
4. Equipment - List each non-expendable item to be purchased as shown: - Justify how each item of equipment relates to EMS activities. - Explain what steps you have taken or will take to insure that you receive the best value for least cost, consistent with state and federal purchasing regulations. (Go to Page 9 to complete)
5. Capital Outlay other than Equipment - EMSOF may be used to purchase capital outlay items that improve local Emergency Medical Services. Explain and justify all cost to be incurred and the relationship to EMS activities. (Example: Building a new station to offer better coverage of the county...) (Go to Page 10 to complete)
6. Escrow - Funds may only be escrowed for up to three (3) years. After the three (3) years, the funds must be expended before escrow of funds can occur again. Please provide a brief explanation of how these funds will be used at the end of the three (3) years and/or justification for escrowing these funds. (Go to Page 11 to complete)
7. Other - Any purchase listed under this caption must be approved by the Emergency Medical Services Advisory Council. (Go to Page 12 to complete)

6. Escrow Amount to be escrowed from FY2022 only: \$ _____

Please provide a brief explanation of how FY 2022 funds will be used and/or justification for escrowing these funds.

Escrow funds are to be escrowed for three years. On the fourth year's grant application, all escrowed funds and the current year's funds must be expended no later than September 30 of that grant year.

Example: Purchasing a new ambulance or radio system that cost more than your grant amount.

Radio = \$10,000.00

Grant Year 1 = \$3,000.00

Grant Year 2 = \$3,000.00

Grant Year 3 = \$3,000.00

Total Escrow = \$9,000.00

Current Grant Year = \$3,000.00

Must expend a total of \$12,000.00 (Total Escrow + Current Grant Year)

Step 5: Annual Expenditure Report for EMSOF Previous Years

The annual expenditure report is a financial summary of the previous year's EMSOF award and/or previous funds escrowed. **This report must be completed and returned with all other sections of this new application. No new awards can be granted until this report is completed and signed.**

Our records indicate that \$26735 was awarded in 2021.

Attach copies of receipts for all expenditures made during FY 2021.

Example 1: You were awarded \$5,000.00 last year to purchase an external defibrillator, attach receipt(s) for at least \$5,000.00 of the external defibrillator.

- If you spent more, no additional documentation is needed.
- If you spent less, a letter of modification is required.
- Attach training documentation (roster, sign in sheet, agenda, objectives, etc.)

Example 2: You are purchasing a new ambulance that costs more than your grant amount.

Ambulance = \$80,000.00

- If you spent more, no additional documentation is needed.
- If you spent less, a letter of modification is required.
- All purchases of EMS vehicles of any type must include copy of title with receipts.

Example 2:

Grant Year 1 = \$5,000.00

Grant Year 2 = \$5,000.00

Grant Year 3 = \$5,000.00

Total Escrow = \$15,000.00

Last Year's Grant = \$5,000.00

You must have expended the entire amount of \$20,000 for the purchased of an ambulance.

(Receipts for Escrow Funds must be attached to the Escrow Reporting Page 14.)

All grant funds must be placed in an interest bearing account. Prior grant awards not expended by September 30 of the award year must be returned to the State.

I, the undersigned, attest to the fact that I have expended funds as per the previous grants or I have submitted in writing prior approval to amend the previous grant(s), and that the figures found in the above Annual Expenditure Report for EMSOF Previous Years are correct.

Hancock County

Mississippi Emergency Medical Services Operating Fund

If you currently have grant funds in escrow, you must complete this section.

Use this form to indicate monies previously awarded that have been escrowed for an identified large purchase. (Example: Purchasing a new ambulance or radio system that cost more than your grant amount.) **Escrow funds are meant to be escrowed for three years. On the fourth year's grant application, all escrowed funds and the current year's funds must be expended no later than September 30 of that grant year.**

Current Escrow Balance, including interest:

	Escrow Amount	Interest Earned	Total with Interest
FY 2019	\$	\$	\$
FY 2020	\$	\$	\$
FY 2021	\$ 26,735.00	\$	\$
Total for FY'19, FY'20, and FY'21			\$ 26,735.00

If funds received prior to FY 2017 are still in escrow, these funds must be expended immediately (within 30 days) or returned to the State Department of Health. This grant application will be placed on hold until proof of compliance is submitted and approved.

Hancock County

Mississippi Emergency Medical Services Operating Fund

Contract for Supplemental Emergency Medical Services

For the purposes of providing expanded emergency medical services, and in consideration for the mutual covenants contained herein, it is hereby agreed by and between **Hancock County** (hereinafter referred to as the grantee) and the Emergency Medical Services Program of the Mississippi State Department of Health (hereinafter referred to as the Department) as follows:

The Grantee agrees that:

1. Funds received from the Department will be used for the provision of emergency medical services within the Grantee's district in accordance with the specifications set forth in the application and hereby incorporated into and made a part of the contract.
2. Funds received from the Department pursuant to this contract shall be used solely in addition to existing annual emergency medical budgets of the Grantee.
3. The Grantee will maintain its present level of funding for existing emergency medical services throughout the contract.
4. No funds received from the Department shall be used for the payment of any attorney's fees.
5. Financial and progress reports will be submitted by the Grantee to the Department on an annual basis or as requested by the Department. The annual reports for the previous year's funds must be submitted to the Department as part of this application.
6. Emergency medical services will be delivered in compliance with the licensing requirements and regulations of the Department.
7. The Grantee agrees to permit reasonable program review and evaluation by the Department, to provide access to its records, and to cooperate in any other reasonable request for program information.

The Department agrees that:

1. Funds appropriated to the Department for the Emergency Medical Services Operating Fund shall be distributed to Grantee for the support of emergency medical services.
2. The Grantee shall receive funds equal to Grantee's proportionate share of the Emergency Medical Services Operating Fund based on its general population in relation to the total population of the state.

It is mutually agreed by both parties:

1. This contract shall commence on **October 1, 2021** and remain in effect until **September 30, 2022**.
2. Funds shall be disbursed to the Grantee in a single payment before **June 1, 2022**.
3. The distribution of funds is subject to the receipt of same from the Emergency Medical Services Operating Fund.

The Honorable Eddie Favre
Hancock County Administrator
854 Highway 90, Suite A
Bay St. Louis, MS 39520

Re: Annual Subsidy

Dear Honorable Favre,

Please reference Section 2.1, Consideration from the County to AMR of our Agreement to Provide Advanced Life Support Ambulance Service for the following subsidy payment calculations.

FY2019 - \$6,920.00

FY2020 - \$6,920.00

FY2021 - \$6,920.00 DC 1-240-5599

Amount due - \$20,760.00

In 2016, the requested subsidy amount was reduced to the agreed upon rate of the minimum required based on the amount of fifteen cents per capita. That amount is reflected above.

Please let me know if you have any questions.

Sincerely,

Billy Shipp,
Manager of Operations/EMS Chief
American Medical Response
Gulfport, MS
