ARTICLE VII. FINAL PAYMENT

The CONSULTANT shall clearly indicate on its last Invoice for the CONTRACT that the Invoice is "FINAL". The LPA will confirm that the CONTRACT is ready to be closed and the "FINAL" Invoice may be paid. All "FINAL" invoices shall pay any retainage withheld on the CONTRACT. However, under no circumstances will the total amount paid exceed the maximum not to exceed amount established for the CONTRACT. The CONSULTANT agrees that acceptance of the final payment shall be in full and final settlement of all claims arising against the LPA for payment for work done, materials furnished, cost incurred, or otherwise arising out of this CONTRACT and shall release the LPA from any and all further claims for payment, whether known or unknown, for and on account of said CONTRACT, including payment for all work done, and labor and material furnished in connection with the same. Failure to perform, to the satisfaction of the LPA, all terms of this CONTRACT, which include the Scope of Work and other exhibits, any technical specifications, and special requirements of the LPA, or the CONSULTANT'S failure to perform according to the prevailing industry standards, including standards of conduct and care, format and content, shall be corrected by the CONSULTANT without additional compensation. Neither the LPA's review, approval or acceptance of, nor payment for, the SERVICES required under this CONTRACT shall be construed to operate as a waiver of any rights under this CONTRACT, or of any cause of action arising out of the performance of this CONTRACT. The CONSULTANT shall be and remain liable to the LPA for all damages to the LPA caused by the CONSULTANT's negligent acts, errors and/or omissions in the performance of any of the SERVICES furnished under this CONTRACT. Errors and/or omissions discovered subsequent to the acceptance by the LPA of the final contract documents shall be corrected by the CONSULTANT without additional compensation. Notwithstanding inspection and acceptance by the LPA or any provision concerning the conclusiveness thereof, the CONSULTANT represents that SERVICES performed and work product(s) provided under this CONTRACT conform (or exceed) the requirements of this CONTRACT.

The CONSULTANT shall submit their "FINAL" invoice no later than 45 days following termination of the CONTRACT.

ARTICLE VIII. REVIEW OF WORK

Authorized representatives of the LPA may at all reasonable times review and inspect the SERVICES being provided under this CONTRACT and any addenda or amendments thereto. Authorized representatives of the FHWA may also review and inspect the SERVICES under this CONTRACT should funds of the United States of America be in any way utilized in payment for said SERVICES. Such inspection shall not make the United States of America a party to this CONTRACT, nor will FHWA interfere with the rights of either party hereunder.

All reports, drawings, designs, studies, maps, or other work product(s) prepared by and for the CONSULTANT, shall be made available to authorized representatives of the LPA for inspection and review at all reasonable times in the General Offices of the LPA. Authorized representatives of the FHWA may also review and inspect said reports, drawings, designs, studies, maps, and other work product(s) prepared under the CONTRACT should funds of the United States of America be in any way utilized in payment for the same. Acceptance by the LPA shall not relieve the CONSULTANT of its contractual and professional obligations. CONSULTANT shall correct, at its expense, any of its breaches, negligent acts, errors and/or omissions, in the final version of the work.

The CONSULTANT shall be responsible for performance of and compliance with all terms of this CONTRACT, including the Scope of Work and other exhibits, and including any technical specifications and special requirements of the LPA, to the satisfaction of the LPA, and shall be responsible for any negligent acts,

Attachment: 20210907 - Preliminary Engineering Services Contract - Hurricane Zeta Repair Project (9772 : Preliminary Engineering Services

errors and/or omissions, including those as to conduct and care, format and content, for all aspects of the CONTRACT, and including professional quality and technical accuracy of all designs, drawings, specifications, and other services furnished by the CONSULTANT.

Failure to comply with any terms of this CONTRACT shall be corrected by the CONSULTANT without additional compensation.

If any breach of CONTRACT, is discovered by LPA personnel after final acceptance of the work by the LPA, then the CONSULTANT shall, without additional compensation, cure any deficiency or breach including any negligent acts, errors and/or omissions in designs, plans, drawings, specifications, or other services.

In the event that the project schedule requires that a breach of this CONTRACT be corrected by someone other than the CONSULTANT then the actual costs incurred by the LPA for such corrections shall be the responsibility of the CONSULTANT. The LPA shall give the CONSULTANT an opportunity to correct said breach unless (1) the LPA determines, in its sole discretion, that the CONSULTANT cannot cure the breach within the schedule established by the LPA, or (2) the LPA determines, in its sole discretion, that the CONSULTANT cannot cure the breach to the satisfaction of the LPA.

In the event that the CONSULTANT breaches this CONTRACT, and the breaches of the CONSULTANT are discovered during the construction or any phase of work, then an accounting of all costs incurred by the LPA resulting from such breach, including any negligent acts, errors and/or omissions, will be made and such amount will be recovered from the CONSULTANT.

During construction or any phase of work performed by others based on the services provide by the CONSULTANT for this CONTRACT, the CONSULTANT shall confer with the LPA when requested for the purpose of interpreting the information, clarification of any ambiguities, and/or to correct any negligent acts, error or omission without additional compensation. The CONSULTANT shall prepare any plans or data needed to correct the negligent acts, error or omission without additional compensation, even though acceptance and/or final payment may have been received by the CONSULTANT. The CONSULTANT shall give immediate attention to these changes once notified by the LPA so there will be a minimum of delay to the contractor.

When notified by the LPA of potential negligent acts, errors and/or omissions, during the development, construction, or any phase of the project, the CONSULTANT shall establish and maintain cost accounting records to segregate all costs associated with the evaluation and correction of any negligent acts, errors and/or omissions. All costs associated with any negligent acts, errors and/or omissions, including direct or indirect, must be borne by the CONSULTANT. If after written notice from the LPA, the CONSULTANT fails or refuses to correct any negligent acts, errors and/or omissions, the LPA may, by contract or otherwise, correct or replace with similar services and charge to the CONSULTANT the cost occasioned to the LPA thereby, or offset and withhold a sum equal to said cost to the LPA from payments on any existing contract(s) with the CONSULTANT or against any sums due the CONSULTANT under the terms of this CONTRACT or any other active contract(s).

ARTICLE IX. RESPONSIBILITIES FOR CLAIMS AND LIABILITY

The CONSULTANT shall indemnify and hold harmless the LPA and all its officers, agents and employees from any claim, loss, damage, cost, charge or expense, including reasonable attorney fees, to the extent caused by any negligent act, actions, neglect, error or omission by the CONSULTANT, its agents, employees, or subconsultants during the performance of this CONTRACT, whether direct or indirect, and whether to any person or property for which the LPA or said parties may be subject, except that neither the CONSULTANT nor any of his agents or subconsultants will be liable under this provision for damages arising out of the injury or damage to persons or property to the extent caused by or resulting from the negligence of the LPA or any of its officers, agents or employees.

Attachment: 20210907 - Preliminary Engineering Services Contract - Hurricane Zeta Repair Project (9772 : Preliminary Engineering Services

The CONSULTANT'S obligations under this Article, including the obligations to indemnify, defend, hold harmless, pay reasonable attorney fees or, at the LPA'S option, participate and associate with the LPA in the defense and trial or arbitration of any damage claim, lien or suit and any related settlement negotiations, shall be initiated by the LPA'S notice of claim for indemnification to the CONSULTANT. Only an adjudication or judgment after the highest appeal is exhausted specifically finding the LPA entirely responsible shall excuse performance of this provision by the CONSULTANT. In such case, the LPA shall pay all costs and fees related to this obligation and its enforcement. Should there be a finding of dual or multiple liability, costs and fees shall be apportioned accordingly.

In conjunction herewith, the LPA agrees to notify the CONSULTANT in writing as soon as practicable after receipt or notice of any claim involving the CONSULTANT. These indemnities shall not be limited by reason of the listing of any insurance coverage below.

ARTICLE X. INSURANCE

The Insurance coverage recited above shall be maintained in full force and effect by the CONSULTANT during the entire term of the CONTRACT. The LPA shall be notified of cancellation of any of the required insurance by the CONSULTANT and by the insurance company issuing any such cancellation of the required policies. Should CONSULTANT cease to carry the errors and/or omissions coverage listed above for any reason, it shall obtain "tail" or extended reporting period coverage at the same limits for a period of not less than three (3) years subsequent to policy termination or contract termination, whichever is longer.

All insurance carriers shall be licensed and in good standing with the Office of the Insurance Commissioner of the State of Mississippi.

The CONSULTANT shall provide the LPA any and all documentation necessary to prove compliance with the insurance requirements of this CONTRACT as such documentation is requested, from time to time, by the LPA.

If the CONSULTANT fails to procure or maintain required insurance, the LPA may immediately elect to terminate this CONTRACT or, at its discretion, procure or renew such insurance and pay any and all premiums in connection therewith, and all monies so paid by the LPA shall be repaid by the CONSULTANT to the LPA upon demand, or the LPA may offset the cost of the premiums against any monies due to the CONSULTANT from the LPA.

ARTICLE XI. COVENANT AGAINST CONTINGENT FEES AND LOBBYING

The CONSULTANT shall comply with the relevant requirements of all federal, state or local laws. The CONSULTANT warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the CONSULTANT, to solicit or secure this CONTRACT, and that it has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the CONSULTANT, any fee, commission, percentage, brokerage fee, gifts or any other consideration contingent upon or resulting from the award or making of this CONTRACT. The CONSULTANT warrants that it shall not contribute any money, gift or gratuity of any kind, either directly or indirectly to any employee of the LPA, or to any employee of the MDOT. For breach or violation of this warranty, the LPA shall have the right to annul this CONTRACT without liability, and the CONSULTANT shall forfeit any sums due hereunder at the time of such breach and may be barred from performing any future services for the LPA or participating in any future contracts with the LPA.

ARTICLE XII. EMPLOYMENT OF LPA'S PERSONNEL

The CONSULTANT shall not employ any person or persons in the employ of the LPA for any work required by the terms of this CONTRACT, without the written permission of the LPA, except as may otherwise be provided for herein.

ARTICLE XIII. MODIFICATION

If, prior to the satisfactory completion of the SERVICES under this CONTRACT, the LPA materially alters the scope, character, complexity or duration of the SERVICES from those required under this CONTRACT, a supplemental agreement may be executed between the parties. Also, a supplemental agreement may be negotiated and executed between the parties in the event that both parties agree the CONSULTANT'S compensation should be increased due to an increase in the nature, scope or amount of work necessary to properly provide the SERVICES required on any particular phase or project begun hereunder.

Oral agreements or conversations with the LPA, any individual member of the LPA, officer, agent, or employee of MDOT, either before or after execution of this CONTRACT, shall not affect or modify any of the terms or obligations contained in this CONTRACT. All modifications to this CONTRACT, amendments or addenda thereto must be submitted in writing and signed by the parties thereto before the modifications, amendments, or addenda become effective.

The CONSULTANT may not begin work on any modifications, amendments, or addenda prior to receiving a Notice to Proceed.

Attachment: 20210907 - Preliminary Engineering Services Contract - Hurricane Zeta Repair Project (9772 : Preliminary Engineering Services

Minor changes in the proposal which do not involve changes in the contract maximum not to exceed amount, extensions of time or changes in the goals and objectives of this CONTRACT may be made by written notification of such change by either the MDOT or the CONSULTANT to the other party, and shall become effective upon written acceptance thereof (i.e. letter agreement).

ARTICLE XIV. SUBLETTING, ASSIGNMENT OR TRANSFER

It is understood by the parties to this CONTRACT that the work of the CONSULTANT is considered personal by the LPA. The CONSULTANT shall not assign, subcontract, sublet or transfer any or all of its interest in this CONTRACT without prior written approval of the LPA. Under no condition will the CONSULTANT be allowed to sublet or subcontract more than 60% of the work required under this CONTRACT. It is clearly understood and agreed that specific projects or phases of the work may be sublet or subcontracted in their entirety provided that the CONSULTANT performs at least 40% of the overall CONTRACT with its own forces. Consent by the LPA to any subcontract shall not relieve the CONSULTANT from any of its obligations hereunder, and the CONSULTANT is required to maintain final management responsibility with regard to any such subcontract.

The LPA reserves the right to review all subcontracts documents prepared in connection with this CONTRACT, and the CONSULTANT agrees that it shall submit to the LPA any proposed subcontract document together with subconsultant cost estimates for review and written concurrence of the LPA in advance of their execution.

The CONSULTANT shall make prompt payment to all subconsultants no later than 15 days from receipt of each payment the LPA makes to the CONSULTANT. Each month, the CONSULTANT shall submit OCR-484-C found on MDOT's website to the LPA along with the Invoice. This form certifies payments to all Subconsultants and shows all firms even if the CONSULTANT has paid no monies to the firm during that estimate period (negative report). The CONSULTANT shall pay all retainage owed to the subconsultant for satisfactory completion of the accepted work within 15 days after receipt of payment.

ARTICLE XV. OWNERSHIP OF PRODUCTS AND DOCUMENTS AND WORK MADE FOR HIRE

The CONSULTANT agrees that all reports, documents, computer information and access, software, drawings, studies, notes, maps and other data and products, prepared by and for the LPA under the terms of this CONTRACT shall become and remain the property of the LPA upon creation and shall be delivered to the LPA upon termination or completion of work, or upon request of the LPA, regardless of any claim or dispute between the parties. All such data and products shall be delivered within thirty (30) days of receipt of a written request by the LPA.

The CONSULTANT and the LPA intend and agree that this CONTRACT to be a contract for SERVICES and each party considers the products and results of the SERVICES to be rendered by the CONSULTANT hereunder, including any and all material produced and/or delivered under this CONTRACT (the "Work"), to be a "work made for hire" under U.S. copyright and all applicable laws. The CONSULTANT acknowledges and agrees that the LPA owns all right, title, and interest in and to the Work including, without limitation, the copyright thereto and all trademark, patent, and all intellectual property rights thereto.

If for any reason the Work would not be considered a work made for hire under applicable law, or in the event this CONTRACT is determined to be other than a contract or agreement for a work made for hire, the CONSULTANT does hereby transfer and assign to the LPA, and its successors and assigns, the entire right, title, and interest in and to any Work prepared hereunder including, without limitation, the following: the copyright and all trademark, patent, and all intellectual property rights in the Work and any registrations and copyright, and/or all other intellectual property, applications relating thereto and any renewals and extensions thereof; all works based upon, derived from, or incorporating the Work; all income, royalties, damages, claims, and payments now or hereafter due or payable with respect thereto; all causes of action, either in law or in equity, for past, present, or future infringement based on the copyrights and/or all other intellectual property;

all rights, including all rights to claim priority, corresponding to the foregoing in the United States and its territorial possessions and in all foreign countries. The CONSULTANT agrees to execute all papers and perform such other proper acts as the LPA may deem necessary to secure for the LPA or its designee the rights herein assigned.

The LPA may, without any notice or obligation of further compensation to the CONSULTANT, publish, re-publish, anthologize, use, disseminate, license, or sell the Work in any format or medium now known or hereafter invented or devised. The LPA 'S rights shall include, without limitation, the rights to publish, re-publish, or license a third party to publish, re-publish, or sell the Work in print, on the World Wide Web, or in any other electronic or digital format or database now known or hereafter invented or devised, as a separate isolated work or as part of a compilation or other collective work, including a work different in form from the first publication, and to include or license a third party to include the Work in an electronic or digital database or any other medium or format now known or hereafter invented or devised.

The CONSULTANT shall obtain any and all right, title, and interest to all input and/or material from any third party subconsultant, or any other party, who may provide such input and/or material to any portion of the Work so that said right, title, and interest, and all such interest in and to the Work including, without limitation, the copyright thereto and all trademark, patent, and all intellectual property rights thereto, shall belong to the LPA.

For any intellectual property rights currently owned by third parties or by the CONSULTANT and not subject to the terms of this CONTRACT, the CONSULTANT agrees that it will obtain or grant royalty-free, nonexclusive, irrevocable license(s) for or to the LPA at no cost to the LPA to use all copyrighted or copyrightable work(s) and all other intellectual property which is incorporated in the material furnished under this CONTRACT. Further, the CONSULTANT warrants and represents to the LPA that it has obtained or granted any and all such licensing prior to presentation of any Work to the LPA under this CONTRACT. This obligation of the CONSULTANT does not apply to a situation involving a third party who enters a license agreement directly with the LPA.

The CONSULTANT warrants and represents that it has not previously licensed the Work in whole or in part to any third party and that use of the Work in whole or in part will not violate any rights of any kind or nature whatsoever of any third party. The CONSULTANT agrees to indemnify and hold harmless the LPA, its successors, assigns and assignees, and its respective officers, directors, agents and employees, from and against any and all claims, damages, liabilities, costs and expenses (including reasonable attorneys' fees), arising out of or in any way connected with any breach of any representation or warranty made by CONSULTANT herein.

ARTICLE XVI. PUBLICATION AND PUBLICITY

The CONSULTANT agrees that it shall not for any reason whatsoever communicate to any third party, with the exception of the MDOT and the FHWA, in any manner whatsoever concerning any of its CONTRACT work product, its conduct under the CONTRACT, the results or data gathered or processed under this CONTRACT, which includes, but is not limited to, reports, computer information and access, drawings, studies, notes, maps and other data prepared by and for the CONSULTANT under the terms of this CONTRACT, without prior written approval from the LPA, unless such release or disclosure is required by judicial proceeding. The CONSULTANT agrees that it shall immediately refer any third party who requests such information to the LPA and shall also report to the LPA any such third party inquiry, with the exception of the MDOT and/or the FHWA. This Article shall not apply to information in whatever form that comes into the public domain, nor shall it restrict the CONSULTANT from giving notices required by law or complying with an order to provide information or data when such order is issued by a court, administrative agency or other authority with proper jurisdiction, or if it is reasonably necessary for the CONSULTANT to defend itself from any suit or claim.

It is expressly understood and agreed that the obligation of the LPA to proceed under this CONTRACT is conditioned upon the availability of funds, the appropriation of funds by the Mississippi Legislature, and the receipt of state and/or federal funds. If, at any time, the funds anticipated for the fulfillment of this CONTRACT are not forthcoming or are insufficient, either through the failure of the federal government to provide funds or of the State of Mississippi to appropriate funds or the discontinuance or material alteration of the program under which funds were provided, or if funds are not otherwise available to the LPA for the performance of this CONTRACT, the LPA shall have the right, upon written notice to the CONSULTANT, to immediately terminate or stop work on this CONTRACT without damage, penalty, cost, or expense to the LPA of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination.

ARTICLE XXIV. STOP WORK ORDER

Attachment: 20210907 - Preliminary Engineering Services Contract - Hurricane Zeta Repair Project (9772 : Preliminary Engineering Services

A. **Order to Stop Work.** The LPA may, by written order to the CONSULTANT at any time, and without notice to any surety, require the CONSULTANT to stop all or any part of the work called for by this CONTRACT. This order shall be for a specified period not exceeding twenty-four (24) months after the order is delivered to the CONSULTANT unless the parties agree to any further period. Any such order shall be identified specifically as a stop work order issued pursuant to this clause. Upon receipt of such an order, the CONSULTANT shall forthwith comply with its terms and take all steps to minimize the occurrence of costs allocable to the work covered by the order during the period of work stoppage. Before the stop work order expires, or within any further period to which the parties shall have agreed, the LPA shall either:

(1) Cancel the stop work order; or

(2) Terminate the work covered by such order according to and as provided in Article III of this CONTRACT.

Prior to the LPA'S taking official action to stop work under this CONTRACT, the Executive Director of MDOT and/or the LPA may notify the CONSULTANT, in writing, of MDOT'S or the LPA's intentions to ask the LPA or CONSULTANT to stop work under this CONTRACT. Upon notice from the Executive Director of MDOT or the LPA, the CONSULTANT shall suspend all activities under this CONTRACT, pending final action by the LPA.

B. **Cancellation or Expiration of the Order.** If a stop work order issued under this clause is canceled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, the CONSULTANT shall have the right to resume work. If the LPA decides that it is justified, an appropriate adjustment may be made in the delivery schedule. If the stop work order results in an increase in the time required for or in the CONSULTANT'S cost properly allocable to the performance of any part of this CONTRACT and the CONSULTANT asserts a claim for such an adjustment within 30 days after the end of the period of work stoppage, an equitable adjustment in this CONTRACT may be made by written modification of this CONTRACT as provided by the terms of this CONTRACT.

C. **Termination of Stopped Work.** If a stop work order is not canceled and the work covered by such order is terminated, the CONSULTANT may be paid for SERVICES rendered prior to the Termination. In addition to payment for SERVICES rendered prior to the date of termination, the LPA shall be liable only for the costs, fees, and expenses for demobilization and close out of this CONTRACT, based on actual time and expenses incurred by the CONSULTANT in the packaging and shipment of all documents covered by this CONTRACT to the LPA. The Honorable Eddie Favre
Hancock County Administrator
854 Highway 90, Suite A
Bay St. Louis, MS 39520

Re: Annual Subsidy

Dear Honorable Favre,

Please reference Section 2.1, Consideration from the County to AMR of our Agreement to Provide Advanced Life Support Ambulance Service for the following subsidy payment calculations.

FY2019 - $6,920.00
FY2020 - $6,920.00
FY2021 - $6,920.00

Amount due - $20,760.00

In 2016, the requested subsidy amount was reduced to the agreed upon rate of the minimum required based on the amount of fifteen cents per capita. That amount is reflected above.

Please let me know if you have any questions.

Sincerely,

Billy Shipp,
Manager of Operations/EMS Chief
American Medical Response
Gulfport, MS

Eddie,

Attached & below please find the PO for CNC Land Services for gravel delivered and spread to support the helicopter operations at Stennis Int'l Airport. It was not processed this past Monday by the Port & Harbor Commission. Tonya or Chanse will forward invoice.

We respectfully request the Board of Supervisors made payment and the Commission reimbursement at our next meeting on September 27th. With the confusion surrounding payment for the work completed, we are seeking expedited payment to CNC.

Bill

Re: Hancock County Hangar & Terminal Projects
Final Payment Application

Dear Mr. Bearman and Ms. White:

Please find attached the final pay application for the Hangar & Terminal projects (R-128-023-05-HCED & R-118-023-18-HCCR) submitted by the project architect, JBHM, in accordance with the settlement documents for these projects. The amount due of $205,000 represents work product agreed and accepted by the County to fulfill the contractor's obligations on the project. During the course of construction, disputes arose between owner and contractor concerning the work, and, in accordance with applicable federal regulations and the grant requirements, the County engaged in dispute resolution procedures to resolve these claims and ensure completion of the work.

The scope of the work is now complete. The original contract price totaled $6,651,119.13 for both projects, of which the County paid $6,345,408.66 at the time prior to the settlement being executed. The settlement reached by the contractor and County totaled $205,000. This resolution reduced the original contract price by $100,710.47 as evidenced by the amount certified by architect and listed specifically in settlement agreement. This was the result of an arms-length dispute resolution negotiation performed in a manner compliant with all regulations.

Thank you for your attention to this request and payment application. Please contact me should you have any questions. With kind regards, I remain

Sincerely,

/s/ Gary M. Yarborough, Jr.

AGREEMENT RELATIVE TO CLOSEOUT OF DISASTER RECOVERY DIVISION GRANT PROGRAMS

This Agreement is between Hancock County, Mississippi ("Recipient") and the Mississippi Development Authority Disaster Recovery Division ("Division").

Closeouts/Audits

The parties to this Agreement desire to close out the Recipient's Katrina Community Development Block Grant (KCDBG) Number R-128-023-05-HCED (the "Grant").

Because of regulatory and legislative changes, the Division no longer requires a final audit of an individual grant at closeout.

Rather than waiting for Recipient's next periodic single or program-specific audit, the parties desire to close out the Grant **subject to subsequent audit(s).**

THEREFORE, in consideration of the mutual promises contained herein, the parties to this Agreement agree as follows:

1. Recipient will submit to the Division its subsequent single or program-specific audit or audits, which shall comply with federal and state requirements and which shall cover all periods in which any Grant costs have been incurred. Recipients should refer to the KCDBG audit guidelines for further information and to determine whether a single or program-specific audit must be performed.

2. Recipient shall remit to the Division the amount of any costs which are disallowed by the subsequent single or program-specific audit(s) and which disallowances are sustained by the state.

3. Upon receipt of a copy of the Recipient's audit report and resolution of any findings related to the subgrant/contract (if applicable), the MDA-DRD will notify the Recipient in writing that the Recipient has fulfilled its audit requirements relative to the subgrant agreement.

4. Recipient acknowledges that the subgrant/contract is subject to monitoring by the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, and that findings of noncompliance may be taken into account by HUD and the MDA-DRD as unsatisfactory performance of the Recipient in the consideration of any future grant award.

5. The Agreements contained herein are in addition to any other agreements between the parties relative to the closeout of the Grant. Recipient agrees to abide by all governing laws and regulations.

Record Retention

1. Pursuant to 24 CFR Subsection 570.490(d), the Recipient agrees to maintain records, including support documentation, **for the greater of** three years from closeout of the grant agreement between the Division and the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, or the period required by other applicable laws and regulations as described in Subsections 570.487, relative to fair housing, lead-based paint poisoning prevention, the Architectural Barriers Act and the Americans with Disabilities Act, and 570.488, relative to the displacement, relocation, acquisition, and replacement of housing. The Division agrees to notify the Recipient of the closeout date of the grant agreement between the Division and HUD.

2. Pursuant to 24 CFR Part 85.42(c), the Recipient accepts that the starting dates of the retention period are as follows:

   a. General- When grant support is continued or renewed annually or at other intervals, the retention period for the records of each funding period starts on the day the Recipient submits to the Division its last expenditure report for that period. If grant support is continued or renewed quarterly, the retention period for each year's records starts on the day the Recipient submits its expenditure report for the last quarter of the Federal fiscal year. In all other cases, the retention period starts on the day the Recipient submits its final expenditure report as part of the closeout package.
   b. Real Property and Equipment Records- The retention period for real property and equipment records starts from the date of disposition or replacement or transfer (as applicable) at the direction of the awarding agency.
   c. Records for income transactions after grant or subgrant support- In instances where the Recipient earned income after the period of grant support, the retention period for the records pertaining to the earning of the income starts from the end of the grantee's fiscal year in which the income is earned.

Attachment: 20210907 - Hangar A Project Closeout Package - Exh. a (9779 : Approve MDA CDBG Hanger Terminal Closeout and Gouras Inv.

d. Indirect cost rate proposals, cost allocation plans, and similar accounting computations of rates at which costs are charged- If the proposal, plan or other computation is required to be submitted to the Division to form the basis for the negotiation of the rate, the 3-year retention period starts from the date of such submission. If the proposal, plan or other computation is not required to be submitted to the Division for negotiation of the rate, the 3-year retention period starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan or other computation.

3. Substitution of microfilm- Copies made by microfilming, photocopying, or similar methods may be substituted for the original records.

4. Records to be maintained-

a. At a minimum, the Recipient's closeout file should contain a copy of this closeout package as well as all applicable documents listed on pages 32-35 of the Katrina Community Development Block Grant Program Implementation Manual.
b. Equipment- Per 24 CFR Part 85.32(d), property records must be maintained that include a description of the property, a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost of the property, the percentage of Federal participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property. A physical inventory of the property must be taken and the results reconciled with the property records at least once every two years.
c. Real Property- Records to be retained include, but are not limited to, documentation of the acquisition, improvement, use and disposition of real property acquired or improved with CDBG assistance.

Flood Insurance Coverage

Pursuant to 24 CFR Subsection 570.509(c)(4)(iv), if applicable, the Recipient shall ensure that flood insurance coverage for property owners is maintained for the mandatory period for the grant program.

AGREEMENT RELATIVE TO CLOSEOUT OF DISASTER RECOVERY DIVISION GRANT PROGRAMS

This Agreement is between Hancock County, Mississippi ("Recipient") and the Mississippi Development Authority Disaster Recovery Division ("Division").

Closeouts/Audits

The parties to this Agreement desire to close out the Recipient's Katrina Community Development Block Grant (KCDBG) Number R-128-023-05-HCED (the "Grant").

Because of regulatory and legislative changes, the Division no longer requires a final audit of an individual grant at closeout.

Rather than waiting for Recipient's next periodic single or program-specific audit, the parties desire to close out the Grant **subject to subsequent audit(s).**

THEREFORE, in consideration of the mutual promises contained herein, the parties to this Agreement agree as follows:

1. Recipient will submit to the Division its subsequent single or program-specific audit or audits, which shall comply with federal and state requirements and which shall cover all periods in which any Grant costs have been incurred. Recipients should refer to the KCDBG audit guidelines for further information and to determine whether a single or program-specific audit must be performed.

2. Recipient shall remit to the Division the amount of any costs which are disallowed by the subsequent single or program-specific audit(s) and which disallowances are sustained by the state.

3. Upon receipt of a copy of the Recipient's audit report and resolution of any findings related to the subgrant/contract (if applicable), the MDA-DRD will notify the Recipient in writing that the Recipient has fulfilled its audit requirements relative to the subgrant agreement.

4. Recipient acknowledges that the subgrant/contract is subject to monitoring by the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, and that findings of noncompliance may be taken into account by HUD and the MDA-DRD as unsatisfactory performance of the Recipient in the consideration of any future grant award.

5. The Agreements contained herein are in addition to any other agreements between the parties relative to the closeout of the Grant. Recipient agrees to abide by all governing laws and regulations.

Record Retention

1. Pursuant to 24 CFR Subsection 570.490(d), the Recipient agrees to maintain records, including support documentation, **for the greater of** three years from closeout of the grant agreement between the Division and the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, or the period required by other applicable laws and regulations as described in Subsections 570.487, relative to fair housing, lead-based paint poisoning prevention, the Architectural Barriers Act and the Americans with Disabilities Act, and 570.488, relative to the displacement, relocation, acquisition, and replacement of housing. The Division agrees to notify the Recipient of the closeout date of the grant agreement between the Division and HUD.

2. Pursuant to 24 CFR Part 85.42(c), the Recipient accepts that the starting dates of the retention period are as follows:

   a. General- When grant support is continued or renewed annually or at other intervals, the retention period for the records of each funding period starts on the day the Recipient submits to the Division its last expenditure report for that period. If grant support is continued or renewed quarterly, the retention period for each year's records starts on the day the Recipient submits its expenditure report for the last quarter of the Federal fiscal year. In all other cases, the retention period starts on the day the Recipient submits its final expenditure report as part of the closeout package.
   b. Real Property and Equipment Records- The retention period for real property and equipment records starts from the date of disposition or replacement or transfer (as applicable) at the direction of the awarding agency.
   c. Records for income transactions after grant or subgrant support- In instances where the Recipient earned income after the period of grant support, the retention period for the records pertaining to the earning of the income starts from the end of the grantee's fiscal year in which the income is earned.

Attachment: 20210907 - Hangar A Project Closeout Package - Exh. a (9779 : Approve MDA CDBG Hanger Terminal Closeout and Gouras Inv.

d. Indirect cost rate proposals, cost allocation plans, and similar accounting computations of rates at which costs are charged- If the proposal, plan or other computation is required to be submitted to the Division to form the basis for the negotiation of the rate, the 3-year retention period starts from the date of such submission. If the proposal, plan or other computation is not required to be submitted to the Division for negotiation of the rate, the 3-year retention period starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan or other computation.

3. Substitution of microfilm- Copies made by microfilming, photocopying, or similar methods may be substituted for the original records.

4. Records to be maintained-

   a. At a minimum, the Recipient's closeout file should contain a copy of this closeout package as well as all applicable documents listed on pages 32-35 of the Katrina Community Development Block Grant Program Implementation Manual.
   b. Equipment- Per 24 CFR Part 85.32(d), property records must be maintained that include a description of the property, a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost of the property, the percentage of Federal participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property. A physical inventory of the property must be taken and the results reconciled with the property records at least once every two years.
   c. Real Property- Records to be retained include, but are not limited to, documentation of the acquisition, improvement, use and disposition of real property acquired or improved with CDBG assistance.

Flood Insurance Coverage

Pursuant to 24 CFR Subsection 570.509(c)(4)(iv), if applicable, the Recipient shall ensure that flood insurance coverage for property owners is maintained for the mandatory period for the grant program.

AGREEMENT RELATIVE TO CLOSEOUT OF DISASTER RECOVERY DIVISION GRANT PROGRAMS

This Agreement is between Hancock County, Mississippi ("Recipient") and the Mississippi Development Authority Disaster Recovery Division ("Division").

Closeouts/Audits

The parties to this Agreement desire to close out the Recipient's Katrina Community Development Block Grant (KCDBG) Number R-128-023-05-HCED (the "Grant").

Because of regulatory and legislative changes, the Division no longer requires a final audit of an individual grant at closeout.

Rather than waiting for Recipient's next periodic single or program-specific audit, the parties desire to close out the Grant **subject to subsequent audit(s).**

THEREFORE, in consideration of the mutual promises contained herein, the parties to this Agreement agree as follows:

1. Recipient will submit to the Division its subsequent single or program-specific audit or audits, which shall comply with federal and state requirements and which shall cover all periods in which any Grant costs have been incurred. Recipients should refer to the KCDBG audit guidelines for further information and to determine whether a single or program-specific audit must be performed.

2. Recipient shall remit to the Division the amount of any costs which are disallowed by the subsequent single or program-specific audit(s) and which disallowances are sustained by the state.

3. Upon receipt of a copy of the Recipient's audit report and resolution of any findings related to the subgrant/contract (if applicable), the MDA-DRD will notify the Recipient in writing that the Recipient has fulfilled its audit requirements relative to the subgrant agreement.

4. Recipient acknowledges that the subgrant/contract is subject to monitoring by the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, and that findings of noncompliance may be taken into account by HUD and the MDA-DRD as unsatisfactory performance of the Recipient in the consideration of any future grant award.

5. The Agreements contained herein are in addition to any other agreements between the parties relative to the closeout of the Grant. Recipient agrees to abide by all governing laws and regulations.

Record Retention

1. Pursuant to 24 CFR Subsection 570.490(d), the Recipient agrees to maintain records, including support documentation, **for the greater of** three years from closeout of the grant agreement between the Division and the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, or the period required by other applicable laws and regulations as described in Subsections 570.487, relative to fair housing, lead-based paint poisoning prevention, the Architectural Barriers Act and the Americans with Disabilities Act, and 570.488, relative to the displacement, relocation, acquisition, and replacement of housing. The Division agrees to notify the Recipient of the closeout date of the grant agreement between the Division and HUD.

   a. General- When grant support is continued or renewed annually or at other intervals, the retention period for the records of each funding period starts on the day the Recipient submits to the Division its last expenditure report for that period. If grant support is continued or renewed quarterly, the retention period for each year's records starts on the day the Recipient submits its expenditure report for the last quarter of the Federal fiscal year. In all other cases, the retention period starts on the day the Recipient submits its final expenditure report as part of the closeout package.
   b. Real Property and Equipment Records- The retention period for real property and equipment records starts from the date of disposition or replacement or transfer (as applicable) at the direction of the awarding agency.

d. Indirect cost rate proposals, cost allocation plans, and similar accounting computations of rates at which costs are charged- If the proposal, plan or other computation is required to be submitted to the Division to form the basis for the negotiation of the rate, the 3-year retention period starts from the date of such submission. If the proposal, plan or other computation is not required to be submitted to the Division for negotiation of the rate, the 3-year retention period starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan or other computation.

3. Substitution of microfilm- Copies made by microfilming, photocopying, or similar methods may be substituted for the original records.

4. Records to be maintained-

a. At a minimum, the Recipient's closeout file should contain a copy of this closeout package as well as all applicable documents listed on pages 32-35 of the Katrina Community Development Block Grant Program Implementation Manual.

A physical inventory of the property must be taken and the results reconciled with the property records at least once every two years.
c. Real Property- Records to be retained include, but are not limited to, documentation of the acquisition, improvement, use and disposition of real property acquired or improved with CDBG assistance.

Re: Hancock County Hangar & Terminal Projects
Final Payment Application

Dear Mr. Bearman and Ms. White:

Please find attached the final pay application for the Hangar & Terminal projects (R-128-023-05-HCED & R-118-023-18-HCCR) submitted by the project architect, JBHM, in accordance with the settlement documents for these projects. The amount due of $205,000 represents work product agreed and accepted by the County to fulfill the contractor's obligations on the project. During the course of construction, disputes arose between owner and contractor concerning the work, and, in accordance with applicable federal regulations and the grant requirements, the County engaged in dispute resolution procedures to resolve these claims and ensure completion of the work.

The scope of the work is now complete. The original contract price totaled $6,651,119.13 for both projects, of which the County paid $6,345,408.66 at the time prior to the settlement being executed. The settlement reached by the contractor and County totaled $205,000. This resolution reduced the original contract price by $100,710.47 as evidenced by the amount certified by architect and listed specifically in settlement agreement. This was the result of an arms-length dispute resolution negotiation performed in a manner compliant with all regulations.

Thank you for your attention to this request and payment application. Please contact me should you have any questions. With kind regards, I remain

Sincerely,

/s/ Gary M. Yarborough, Jr.

RE: Stennis Airport Terminal Project (CDBG #: R-118-023-18-HCCR) and
Stennis Airport Hanger Project (CDBG #: R-128-023-05-HCED)

Dear Corinne,

I have enclosed one (1) copy of the Application and Certificate for Payment Number 32 for the period ending 12/28/17, in the amount of $205,000.00 for the above referenced projects. The amount to be paid represents the amount stipulated in the settlement agreement between the parties.

Per our recent discussions and correspondence, the application has been redlined to reflect the actual total paid amount of $6,345,408.66. While this total differs from the amounts previously certified by the design team, it reflects the actual amount paid to the Contractor per County and HCPHC records. The remaining balance will be written off as part of the settlement agreement.

Should you have any questions, please do not hesitate to call.

AGREEMENT RELATIVE TO CLOSEOUT OF DISASTER RECOVERY DIVISION GRANT PROGRAMS

This Agreement is between Hancock County, Mississippi ("Recipient") and the Mississippi Development Authority Disaster Recovery Division ("Division").

Closeouts/Audits

The parties to this Agreement desire to close out the Recipient's Katrina Community Development Block Grant (KCDBG) Number R-118-023-18-HCCR (the "Grant").

Because of regulatory and legislative changes, the Division no longer requires a final audit of an individual grant at closeout.

Rather than waiting for Recipient's next periodic single or program-specific audit, the parties desire to close out the Grant **subject to subsequent audit(s).**

THEREFORE, in consideration of the mutual promises contained herein, the parties to this Agreement agree as follows:

1. Recipient will submit to the Division its subsequent single or program-specific audit or audits, which shall comply with federal and state requirements and which shall cover all periods in which any Grant costs have been incurred. Recipients should refer to the KCDBG audit guidelines for further information and to determine whether a single or program-specific audit must be performed.

2. Recipient shall remit to the Division the amount of any costs which are disallowed by the subsequent single or program-specific audit(s) and which disallowances are sustained by the state.

3. Upon receipt of a copy of the Recipient's audit report and resolution of any findings related to the subgrant/contract (if applicable), the MDA-DRD will notify the Recipient in writing that the Recipient has fulfilled its audit requirements relative to the subgrant agreement.

4. Recipient acknowledges that the subgrant/contract is subject to monitoring by the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, and that findings of noncompliance may be taken into account by HUD and the MDA-DRD as unsatisfactory performance of the Recipient in the consideration of any future grant award.

5. The Agreements contained herein are in addition to any other agreements between the parties relative to the closeout of the Grant. Recipient agrees to abide by all governing laws and regulations.

Record Retention

1. Pursuant to 24 CFR Subsection 570.490(d), the Recipient agrees to maintain records, including support documentation, **for the greater of** three years from closeout of the grant agreement between the Division and the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, or the period required by other applicable laws and regulations as described in Subsections 570.487, relative to fair housing, lead-based paint poisoning prevention, the Architectural Barriers Act and the Americans with Disabilities Act, and 570.488, relative to the displacement, relocation, acquisition, and replacement of housing. The Division agrees to notify the Recipient of the closeout date of the grant agreement between the Division and HUD.

2. Pursuant to 24 CFR Part 85.42(c), the Recipient accepts that the starting dates of the retention period are as follows:

   a. General- When grant support is continued or renewed annually or at other intervals, the retention period for the records of each funding period starts on the day the Recipient submits to the Division its last expenditure report for that period. If grant support is continued or renewed quarterly, the retention period for each year's records starts on the day the Recipient submits its expenditure report for the last quarter of the Federal fiscal year. In all other cases, the retention period starts on the day the Recipient submits its final expenditure report as part of the closeout package.
   b. Real Property and Equipment Records- The retention period for real property and equipment records starts from the date of disposition or replacement or transfer (as applicable) at the direction of the awarding agency.
   c. Attachment: 20210907 - Terminal Project Closeout Package - Exh.b (9779 : Approve MDA CDBG Hanger Terminal Closeout and Gouras Inv.

d. Indirect cost rate proposals, cost allocation plans, and similar accounting computations of rates at which costs are charged- If the proposal, plan or other computation is required to be submitted to the Division to form the basis for the negotiation of the rate, the 3-year retention period starts from the date of such submission. If the proposal, plan or other computation is not required to be submitted to the Division for negotiation of the rate, the 3-year retention period starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan or other computation.

3. Substitution of microfilm- Copies made by microfilming, photocopying, or similar methods may be substituted for the original records.

4. Records to be maintained-

a. At a minimum, the Recipient's closeout file should contain a copy of this closeout package as well as all applicable documents listed on pages 32-35 of the Katrina Community Development Block Grant Program Implementation Manual.

A physical inventory of the property must be taken and the results reconciled with the property records at least once every two years.
c. Real Property- Records to be retained include, but are not limited to, documentation of the acquisition, improvement, use and disposition of real property acquired or improved with CDBG assistance.

AGREEMENT RELATIVE TO CLOSEOUT OF DISASTER RECOVERY DIVISION GRANT PROGRAMS

This Agreement is between Hancock County, Mississippi ("Recipient") and the Mississippi Development Authority Disaster Recovery Division ("Division").

Closeouts/Audits

The parties to this Agreement desire to close out the Recipient's Katrina Community Development Block Grant (KCDBG) Number R-118-023-18-HCCR (the "Grant").

Because of regulatory and legislative changes, the Division no longer requires a final audit of an individual grant at closeout.

Rather than waiting for Recipient's next periodic single or program-specific audit, the parties desire to close out the Grant **subject to subsequent audit(s).**

THEREFORE, in consideration of the mutual promises contained herein, the parties to this Agreement agree as follows:

1. Recipient will submit to the Division its subsequent single or program-specific audit or audits, which shall comply with federal and state requirements and which shall cover all periods in which any Grant costs have been incurred. Recipients should refer to the KCDBG audit guidelines for further information and to determine whether a single or program-specific audit must be performed.

2. Recipient shall remit to the Division the amount of any costs which are disallowed by the subsequent single or program-specific audit(s) and which disallowances are sustained by the state.

3. Upon receipt of a copy of the Recipient's audit report and resolution of any findings related to the subgrant/contract (if applicable), the MDA-DRD will notify the Recipient in writing that the Recipient has fulfilled its audit requirements relative to the subgrant agreement.

4. Recipient acknowledges that the subgrant/contract is subject to monitoring by the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, and that findings of noncompliance may be taken into account by HUD and the MDA-DRD as unsatisfactory performance of the Recipient in the consideration of any future grant award.

5. The Agreements contained herein are in addition to any other agreements between the parties relative to the closeout of the Grant. Recipient agrees to abide by all governing laws and regulations.

Record Retention

1. Pursuant to 24 CFR Subsection 570.490(d), the Recipient agrees to maintain records, including support documentation, **for the greater of** three years from closeout of the grant agreement between the Division and the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, or the period required by other applicable laws and regulations as described in Subsections 570.487, relative to fair housing, lead-based paint poisoning prevention, the Architectural Barriers Act and the Americans with Disabilities Act, and 570.488, relative to the displacement, relocation, acquisition, and replacement of housing. The Division agrees to notify the Recipient of the closeout date of the grant agreement between the Division and HUD.

2. Pursuant to 24 CFR Part 85.42(c), the Recipient accepts that the starting dates of the retention period are as follows:

   a. General- When grant support is continued or renewed annually or at other intervals, the retention period for the records of each funding period starts on the day the Recipient submits to the Division its last expenditure report for that period. If grant support is continued or renewed quarterly, the retention period for each year's records starts on the day the Recipient submits its expenditure report for the last quarter of the Federal fiscal year. In all other cases, the retention period starts on the day the Recipient submits its final expenditure report as part of the closeout package.
   b. Real Property and Equipment Records- The retention period for real property and equipment records starts from the date of disposition or replacement or transfer (as applicable) at the direction of the awarding agency.
   c. Records for income transactions after grant or subgrant support- In instances where the Recipient earned income after the period of grant support, the retention period for the records pertaining to the earning of the income starts from the end of the grantee's fiscal year in which the income is earned.

Attachment: 20210907 - Terminal Project Closeout Package - Exh.b (9779 : Approve MDA CDBG Hanger Terminal Closeout and Gouras Inv.

d. Indirect cost rate proposals, cost allocation plans, and similar accounting computations of rates at which costs are charged- If the proposal, plan or other computation is required to be submitted to the Division to form the basis for the negotiation of the rate, the 3-year retention period starts from the date of such submission. If the proposal, plan or other computation is not required to be submitted to the Division for negotiation of the rate, the 3-year retention period starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan or other computation.

3. Substitution of microfilm- Copies made by microfilming, photocopying, or similar methods may be substituted for the original records.

4. Records to be maintained-

AGREEMENT RELATIVE TO CLOSEOUT OF DISASTER RECOVERY DIVISION GRANT PROGRAMS

This Agreement is between Hancock County, Mississippi ("Recipient") and the Mississippi Development Authority Disaster Recovery Division ("Division").

Closeouts/Audits

The parties to this Agreement desire to close out the Recipient's Katrina Community Development Block Grant (KCDBG) Number R-118-023-18-HCCR (the "Grant").

Because of regulatory and legislative changes, the Division no longer requires a final audit of an individual grant at closeout.

Rather than waiting for Recipient's next periodic single or program-specific audit, the parties desire to close out the Grant **subject to subsequent audit(s).**

THEREFORE, in consideration of the mutual promises contained herein, the parties to this Agreement agree as follows:

1. Recipient will submit to the Division its subsequent single or program-specific audit or audits, which shall comply with federal and state requirements and which shall cover all periods in which any Grant costs have been incurred. Recipients should refer to the KCDBG audit guidelines for further information and to determine whether a single or program-specific audit must be performed.

2. Recipient shall remit to the Division the amount of any costs which are disallowed by the subsequent single or program-specific audit(s) and which disallowances are sustained by the state.

3. Upon receipt of a copy of the Recipient's audit report and resolution of any findings related to the subgrant/contract (if applicable), the MDA-DRD will notify the Recipient in writing that the Recipient has fulfilled its audit requirements relative to the subgrant agreement.

4. Recipient acknowledges that the subgrant/contract is subject to monitoring by the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, and that findings of noncompliance may be taken into account by HUD and the MDA-DRD as unsatisfactory performance of the Recipient in the consideration of any future grant award.

5. The Agreements contained herein are in addition to any other agreements between the parties relative to the closeout of the Grant. Recipient agrees to abide by all governing laws and regulations.

Record Retention

1. Pursuant to 24 CFR Subsection 570.490(d), the Recipient agrees to maintain records, including support documentation, **for the greater of** three years from closeout of the grant agreement between the Division and the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, or the period required by other applicable laws and regulations as described in Subsections 570.487, relative to fair housing, lead-based paint poisoning prevention, the Architectural Barriers Act and the Americans with Disabilities Act, and 570.488, relative to the displacement, relocation, acquisition, and replacement of housing. NOTICE OF A PUBLIC HEARING ON THE PROPOSED BUDGET AND PROPOSED TAX LEVIES FOR THE UPCOMING FISCAL YEAR FOR HANCOCK COUNTY, MISSISSIPPI

The Hancock County Board of Supervisors will hold a public hearing on its proposed budget and proposed tax levies for Fiscal Year 2021-2022 on September 7, 2021, at 2:00 p.m. at the Board of Supervisors Meeting Room at 854 Highway 90, Bay Saint Louis, Mississippi 39520.

Hancock County, Mississippi is now operating with projected total budget revenue of $56,575,586.00 with forty-four percent (44%) or $24,884,735.00 of such revenue obtained through ad valorem taxes. For the next fiscal year, the proposed budget has total projected revenue of $76,683,820.00. Of that amount, thirty-four percent (34%) or $26,370,230.00, is proposed to be financed through total ad valorem tax levy.

The Hancock County Board of Supervisors has decided not to increase the ad valorem tax millage rate for Fiscal Year 2021-2022 above the current fiscal year's ad valorem tax millage rate. However, the Board of Supervisors has decided to reduce the millage rate by 3.02 mills from 49.010 mills to 45.990 mills. This means you will not pay more in ad valorem taxes on your home, automobile tag, utilities, business fixtures and equipment and rental real property, unless the assessed value of your property has increased for Fiscal Year 2021-2022.

During the present fiscal year, Hancock County completed a countywide reappraisal of the valuation of the property within the County that has been approved by the Department of Revenue and that resulted in an increase in the assessed valuation. A millage rate of 43.328 mills would produce the same amount of revenue from ad valorem taxation on property of Hancock County that was produced in the fiscal year before the property of Hancock County was reappraised (Per Miss. Code Ann. Section 27-39-203(7)).

During the present fiscal year, Hancock County has also completed a countywide reappraisal of the valuation of the property within the Hancock County School District that has been approved by the Department of Revenue and that resulted in an increase in the assessed valuation. A millage rate of 43.020 mills would produce the same amount of revenue from ad valorem taxation on property of the Hancock County School District that was produced in the fiscal year before the property of Hancock County was reappraised (Per Miss. Code Ann. Section 27-39-203(7)).

Any citizen of Hancock County, Mississippi is invited to attend this public hearing on the proposed budget and tax levies for Fiscal Year 2021-2022 and will be allowed to speak for a reasonable amount of time and offer tangible evidence before any vote is taken.

It is the intent of the Hancock County Board of Supervisors to recess this September 7, 2021, public hearing until September 15, 2021, at 5:00p.m. in order to Adopt the Budget and Set the Tax Levies for Fiscal Year 2021-2022.
