REQUEST FOR COST PROPOSALS
HANDLING, COLLECTION, TRANSPORTATION, AND DISPOSAL
FOR
HOUSEHOLD HAZARDOUS WASTE COLLECTION DAY
Hancock County Board of Supervisors

I. Introduction:

The Mississippi Department of Environmental Quality awarded Solid Waste Assistance Grant Funds to Hancock County. The Hancock County Board of Supervisors (the Board) plans to sponsor a Household Hazardous Waste Collection Day on Saturday, **October 30 2021** from 8:00 A.M. to 1:00 P.M. at the Hancock County Fairgrounds on Kiln-Delisle Road.

The Board is seeking competitive cost proposals from qualified Contractors to provide for the proper handling, collection, transportation, and disposal of hazardous waste from households collected at the planned Collection Day. The award may be by the overall low bidder; however, the Board reserves the right to award in the best interest of the County.

Please note, that, due to the present Coronavirus Pandemic, the date of the event is subject to being rescheduled. The County will coordinate with the selected Contractor to follow CDC guidance on social distancing, and any other restrictions, during the Event.

Contractor Responsibilities:

The following are Contractor responsibilities:

A. The Contractor shall assist Hancock County personnel in planning and organizing the Collection Event, including answering questions, being available for a site visit before the program, and responding to media questions.

B. The Contractor shall coordinate with Hancock County personnel, volunteers, and local emergency response personnel to develop a site contingency plan. Train all site personnel, including volunteers, in site safety procedures to include but not be limited to the handling of the materials, heat stress, proper safety equipment, and general emergency information such as evacuation signals and routes.

C. The Contractor shall provide all equipment, including safety equipment, and supplies necessary for those portions of the collection site used for collection, handling, packaging, and transportation of household hazardous waste.

D. The Contractor is required to set up the day before the Event and takedown after the Collection Event all materials and equipment devoted to the collection, handling, and transportation of household hazardous waste.

E. The Contractor shall unload participants' vehicles, segregating hazardous, non-hazardous, and recyclable materials; packaging all hazardous waste by following the Department of Environmental Quality and Department of Transportation requirements. The Contractor shall prepare container content sheets, manifests, notifications, certifications, and any other shipping documents required by law for the transporting and disposing of the collected hazardous wastes.

F. The Contractor shall provide appropriately trained and qualified full-time staff necessary to review, segregate, package, manifest, and transport the collected wastes.

G. The Contractor shall assist the public with waste information, including reasons for any waste rejection.

H. The Contractor shall provide for the safe treatment and disposal of collected household hazardous waste in compliance with all applicable Federal, State, and local laws and regulations.

I. The Contractor shall take title to all wastes immediately upon receipt, and protect Hancock County against any claims that might result from improper managing of the waste materials.

J. The Contractor shall provide copies of training certificates of workers before commencing work.

Attachment: Complete Environmental 2021 HHWD Cost Proposal_ (9743 : Collection of Household Hazardous Waste cost proposal)

K. The Contractor shall provide proof of EPA registration, have an EPA hazardous waste ID Number, and submit evidence of two or more past company involvement within the past twelve months in the removal and disposal of hazardous waste to include names and telephone numbers of contact persons.

L. The Contractor shall maintain Worker's Compensation Insurance and Employer's Liability Insurance in the amount of $100,000 per accident and maintain Comprehensive Public Liability and Property Damage Insurance with limits of $100,000,000 General Aggregate and $500,000 for each occurrence.

II. Hancock County Responsibilities:

Hancock County will provide site security, traffic control, fire protection, a forklift, and a refuse dumpster. Personnel from Hancock County will participate in the planning of the Collection Day and will be on-site during the Day. Staff will be responsible for disseminating public information outreach about the Event.

The County will request staff from the Mississippi Department of Environmental Quality to be on-site to assist. The County will solicit volunteers to be available to provide any necessary assistance, including but not limited to survey-taking, site set-up, and clean-up.

III. Cost Proposal Submission:

Proposals must be signed, labeled appropriately *(2021 HHWD Cost Proposals)*, and sent electronically to Robin Benoit, Purchasing Clerk, at robin.benoit@co.hancock.ms.us on or before 10:00 a.m., **September 3, 2021**. Proposals received after this date and time will not be considered.

The contact person for questions is Jeff Loftus, Project Administrator, with Gulf Regional Planning Commission at 228 207-7386 or jol@grpc.com.

Attachment: Complete Environmental 2021 HHWD Cost Proposal_ (9743 : Collection of Household Hazardous Waste cost proposal)

Complete Environmental and Remediation Company, LLC is a Mississippi corporation, founded in 1998, with a mission dedicated to providing a diverse range of services to meet each client's unique business challenges and to develop innovative, comprehensive, and creative solutions with a cost effective approach. Complete was created by Tommy, Terry, and Jerry Kelley as the missing link to the Kelley Companies. Kelley Companies are involved in oil and gas construction and production; site preparation; debris removal and demolition; site reconstruction; timber management and lumber manufacturing; gasoline, diesel, and liquid propane retailing; and environmental testing. It is easy to see how an environmental firm was needed to "complete" the services that the Kelley Companies offer. Since its beginning, Complete Environmental has emerged as one of our area's most comprehensive environmental service firms. Our company is comprised of highly qualified professionals who offer our clients a wide variety of skills and experience. Complete Environmental offers environmental services to private and government sectors.

Routine field services provided by Complete Environmental include the following:

- Waste Management (packaging, transportation, and disposal)
- Household Hazardous Waste Collection
- Emergency Response, Oil and HazMat Spills
- Industrial Tank, Vessel, and Line Cleaning
- Vacuum Truck Services
- Industrial Plant Maintenance
- Soil Remediation
- NORM Remediation
- Underground Storage Tank Removal
- Demolition
- Disaster Recovery Assistance / Storm Clean up

STAFFING

Kevin Ivy, ES- Project Manager

Mr. Ivy will be responsible for all planning and project coordination with Jackson County Solid Waste Department personnel for the duration of the contract. He will coordinate with JCSWD personnel and local emergency response personnel to develop a site contingency plan and train all site personnel, including volunteers, in site safety procedures such as evacuation signals and routes. During the length of the contract, he will be available to assist members of the public with information on their wastes, including the reason for any waste rejection.

On behalf of Complete Environmental, Mr. Ivy will provide for the safe treatment and disposal of collected household hazardous waste in compliance with all applicable local, state and federal laws and regulations.

Mr. Ivy holds a Bachelor's Degree in Environmental Science from the University of Southern Mississippi and an Associate's Degree in Forestry and Wildlife Management from Meridian Community College. He also holds the following technical training:

- OSHA 29 CFR 1910.120 Hazardous Waste Operations / Emergency Response Training (40-hour initial and annual refreshers)
- Confined Space
- DOT 49 CFR Hazardous Materials Handling
- 40 CFR 265.16 Hazardous Waste Management
- First Aid & CPR

Jerry Broadway, CSA, EHS, HSS, CSM- Site Safety Specialist

Mr. Broadway will be responsible for managing site safety for all personnel and volunteers at the HHW collection site.

Mr. Broadway holds a Bachelor's Degree in Environmental Science from American Public University, has over 10 years' experience in the hazardous waste field and has been a Safety Professional for over 15 years. He holds numerous technical training certificates including:

- OSHA 29 CFR 1910.120 Hazardous Waste Operations / Emergency Response Training (40-hour initial and annual refreshers)
- Confined Space
- DOT 49 CFR Hazardous Materials Handling
- 40 CFR 265.16 Hazardous Waste Management
- First Aid & CPR
- Site Safety Officer Training

Kelli Dorris, Field Chemist

Ms. Dorris will be responsible for Hazardous Categorization (field testing) and identification of any unknown or unmarked containers.

Ms. Dorris holds a Bachelor's of Science degree in Chemistry from Eastern Illinois University and has been a Laboratory Technician for the past 20 years. In addition to her work experience, she holds numerous technical training certificates including:

- OSHA 29 CFR 1910.120 Hazardous Waste Operations / Emergency Response Training (40-hour initial and annual refreshers)
- Confined Space
- DOT 49 CFR Hazardous Materials Handling
- 40 CFR 265.16 Hazardous Waste Management
- First Aid & CPR
- Site Safety Officer Training

Chanse Mathis, Senior HazMat Technician

Mr. Mathis will be responsible for leading the labor force in safe and productive acceptance and packaging of household hazardous waste.

Mr. Mathis holds a Bachelor's of Science Degree from William Carey University (Biology):

- OSHA 29 CFR 1910.120 Hazardous Waste Operations / Emergency Response Training (40-hour initial and annual refreshers)
- Confined Space
- DOT 49 CFR Hazardous Materials Handling
- 40 CFR 265.16 Hazardous Waste Management
- First Aid & CPR

Yancey Waltman, Senior HazMat Technician

Mr. Waltman will be responsible for leading the labor force in safe and productive acceptance and packaging of household hazardous waste.

Mr. Waltman began has been associated with the hazardous waste industry for over four years. He began his career in environmental testing. He has the following training credentials:

- OSHA 29 CFR 1910.120 Hazardous Waste Operations / Emergency Response Training (40-hour initial and annual refreshers)
- Confined Space
- DOT 49 CFR Hazardous Materials Handling
- 40 CFR 265.16 Hazardous Waste Management
- First Aid & CPR

Mac Hudson, Senior HazMat Supervisor, Driver

Mr. Hudson will be available to assist in the packaging and transportation of the waste. He holds a Commercial Drivers License with hazardous materials endorsement so that he may transport waste.

Mr. Hudson has the following technical training:

- OSHA 29 CFR 1910.120 Hazardous Waste Operations / Emergency Response Training (40-hour initial and annual refreshers)
- Confined Space
- DOT 49 CFR Hazardous Materials Handling
- First Aid and CPR

Mark Rivers, HazMat Technician, Driver

Mr. Cox will be available to assist in the packaging and transportation of the waste. He holds a Commercial Driver's License with hazardous materials endorsement so that he may transport waste. Mr. Cox has the following technical training:

- OSHA 29 CFR 1910.120 Hazardous Waste Operations / Emergency Response Training (40-hour initial and annual refreshers)
- Confined Space
- DOT 49 CFR Hazardous Materials Handling
- First Aid and CPR

Jason Nichols, HazMat Technician, Driver

Mr. Nichols will be available to assist in the packaging and transportation of the waste. He holds a Commercial Driver's License with hazardous materials endorsement so that he may transport waste. Mr. Nichols has the following technical training:

- OSHA 29 CFR 1910.120 Hazardous Waste Operations / Emergency Response Training (40-hour initial and annual refreshers)
- Confined Space
- DOT 49 CFR Hazardous Materials Handling
- First Aid and CPR

Trent Hudson, HazMat Technician

Mr. Hudson will be available to assist in the packaging and segregation of the waste. Mr. Hudson has the following technical training:

- OSHA 29 CFR 1910.120 Hazardous Waste Operations / Emergency Response Training (40-hour initial and annual refreshers)

SITE SET UP & COLLECTION PROCESS

Traffic will be directed to the unloading area. Participants are urged to stay in their cars. Waste will be unloaded and placed in a central area for segregation. HCBS personnel and other volunteers will unload the vehicles and place it in the segregation and packaging area.

The segregation area will allow enough space for the transfer of waste onto dollies and to their proper consolidation areas. Reception areas will be staggered to ensure against cross vehicular contamination in the event of a spill for the safety of our personnel working in close quarters with moving vehicles. A Decontamination area will be set up at the back of the roll-off containers or paint areas for fast response for the decontamination in the event of an emergency. Emergency eyewash stations will be located in this area as well as the first aid station for additional safety.

EQUIPMENT LIST

The following equipment and materials are expected to be needed and will be readily available at the event.

1. **CONTAINERS**
   85-gallon open head poly (5 for emergency use only)
   55-gallon open head drums new and reconditioned steel
   55-gallon poly open head drums
   30-gallon poly open head drums
   20, 10, and 5-gallon poly open head containers
   25 cubic yard roll off boxes

2. **EQUIPMENT**
   Tool boxes (3) with various mechanical tools, (i.e., wrenches, screwdrivers)
   Chemical dolly (4)
   Tables (6)
   Drum dolly
   Drum tongs
   Drum funnels
   Various hand tools (squeegees, brooms, shovels, etc.)
   Impact wrenches (2)
   Tents
   Packaging material (vermiculite, drum liners, etc.)
   HazCat Kit (1)

3. **SAFETY EQUIPMENT**
   Fire Extinguishers
   Gloves: DOT, Leather, Nitrile, Solvex, and Scorpio
   Full Body Suits: Tyvek, Poly Tyvek, and Saranex
   Boots: Leather Steel Toe, Chemical Resistant Booties, and Chemical Resistant Rubber Boots, Boots with steel toe and shank
   Safety Glasses and Goggles
   Emergency Eye wash station (portable)
   Spill Containment and Neutralization Kits
   Absorbent Pads and boom
   Fire Extinguishers
   First Aid Medic Kit (with Emergency Medical Technician EMT on site)
   Self Contained Breathing Apparatus (2)
   Mobile Cellular Phones
   40 CFR (1 copy)
   Chemical Dictionary (1 copy)
   Hazardous Chemical Desk Reference (1 copy)
   Niosh and DOT hand books

Attachment: Complete Environmental 2021 HHWD Cost Proposal_ (9743 : Collection of Household Hazardous Waste cost proposal)

4. **DOCUMENTATION**
   Waste Labels
   DOT Drum Labels
   Hazardous and Non-Hazardous Manifests
   Packing Lists with Drum Envelops
   Bill of Ladings

5. **GENERAL SUPPLIES**
   Sample kits
   Foul weather gear
   Note books & Pens
   Duct Tape
   Visqueen
   Excess Packing Materials
   Excess Safety Equipment
   Extra Lids and Rings
   Non-Ferris Tool Kit
   Excess Sampling Equipment
   Excess PPE

NOTE: THERE WILL BE NO ADDITIONAL COSTS FOR EQUIPMENT AND SUPPLIES OTHER THAN THOSE NOT LISTED ABOVE.

Based on previous experience with similar projects, we feel that the equipment and supplies listed above will be sufficient for project completion. However, if any additional equipment or supplies are needed Complete Environmental will make every effort to provide this additional equipment in a time and cost efficient manner.

All paperwork including waste profiles, manifest, labels, and LDRs will be provided by the contractor at no additional charge. If lab analyses are ordered by the sponsor, they will be billed at cost plus 20%.

SAFETY PLAN

Complete Environmental will use all precautions necessary to minimize the risk of spills and fires and ensure the safety of the workers and participates. All workers must have the appropriate personal protective equipment as directed in the safety training.

To minimize the risk of a spill, any container that is heavier than twenty-five pounds, two people or a forklift will be required to remove the container from the vehicle. In the event that there is a leaking container, the spill will be contained as soon as possible. The leaking container will be over-packed with either a poly or metal over-pack depending on the type of chemical. Any spilled materials will be recovered with the proper absorbents.

The segregation area will be lined with poly sheeting to prevent the ground from being contaminated if a spill occurs during packaging.

Smoking will only be allowed in designated areas. There will be no smoking near the waste collection and storage area.

Fire extinguishers will be placed strategically around the segregation area. To prevent fires and to ensure the safety of participates, only trained personnel employees will be allowed to consolidate flammable liquids.

Traffic control devices will be placed in order to direct the flow of traffic and a worker will be assigned to direct the drivers when to pull ahead to the next unloading zone.

Attachment: Complete Environmental 2021 HHWD Cost Proposal_ (9743 : Collection of Household Hazardous Waste cost proposal)

CONTINGENCY PLAN

1. Complete Environmental's safety officer will make decisions on the course of action to be taken. The safety of private citizens and personnel assisting with the event is paramount.

2. Each consolidation area will be segregated according to hazard classes as well as the chemistry and reception areas.

3. If a spill involving waste of a non-hazardous, flammable, corrosive, or oxidizing nature should occur, Complete Environmental will contain the spill and remediate the materials, leaving no residual. If the segregation area is involved, Complete Environmental employees will work to clean this area and return it to perfect working order as soon as possible.

4. In the event of toxic or poisonous release or spill, all personnel and citizens will be evacuated from the immediate area and moved to a safe area. Complete Environmental will don the proper PPE, contain the material, and ensure that it is packaged and sealed tightly prior to the return of personnel into the area.

5. Complete Environmental will be equipped with PPE to handle spills of any nature involving household hazardous wastes and will possess the equipment to eliminate the problem quickly.

6. In the event of any spill, Complete Environmental will maintain an emergency phone number list for each city and county that is applicable. This list will be posted in the case of an emergency. Phone numbers on this list will include local EMS, fire department, police, sheriff departments, and hospitals. All Complete Environmental management personnel will carry cellular phones.

SITE OPERATIONAL PLAN

Successful completion of a project depends on planning and employees understanding the plan in its entirety. Complete Environmental has experienced employees who understand the complex rigors of a successful household hazardous waste collection. This understanding improves the overall success of the project. Our personnel are accustomed to working under OSHA Safety Guidelines and will carry out the operational plan of action in a timely and safety conscious manner. Complete Environmental will merge both technical and operational supervisors to ensure that our operational plan will proceed smoothly and within regulations.

Complete Environmental has set forth guidelines to be followed for the waste collection. These guidelines are to be followed unless the scope of work changes enough as to affect the efficiency of the job. At such time, Complete Environmental's project manager will assess the situation and make changes accordingly.

Complete Environmental' s Operational Plan is as follows:

1. **COLLECTION:** If Complete Environmental is awarded this contract, we will host an initial site safety and operational meeting immediately. All of Complete Environmental personnel and ESC personnel will be asked to attend. Operational plans and safety training will be discussed during this meeting.

2. **RECEPTION**: During the reception phase, all non-essential personnel will remain clear of the work areas. Residents will be required to stay in or near their vehicles during this phase. Vehicles approaching the reception area will be required to stop a minimum of 50 feet prior to entering. This is to ensure proper working distance for emergency spill operations and the safety of our personnel working around motor vehicles.

3. **IDENTIFICATION**: The waste will be segregated according to hazard class prior to packaging. This will insure all waste streams are in their prospective place for packaging. First stage identification will be performed in the reception area; waste will be transferred from the reception area to waste stream specific consolidation areas. Complete Environmental will insure proper packaging through secondary identification at the time of pickup.

Attachment: Complete Environmental 2021 HHWD Cost Proposal_ (9743 : Collection of Household Hazardous Waste cost proposal)

4. **PACKAGING**: Packaging will be performed in compliance with all local, state, and federal regulations. All containers will be DOT approved for shipping. Each waste stream type and size will determine the container type and size (i.e., acids will be packaged in acid approved shipping container). Technicians will ensure the proper waste stream packaging and install proper lids, rings, and bolts prior to container being moved out of primary waste stream segregation area. All containers will be inspected for overall integrity of the drum. Proper labeling and waste approval numbers with identification will be placed on the drum for tracking purposes.

5. **STAGING**: Waste Streams will be verified by Complete Environmental personnel and the driver of the transporting vehicle. Upon completion of this verification and the manifests, the generator's representative will sign the manifests. This is to ensure that no waste streams are counted in error and all containers are properly accounted for.

6. **TRANSPORTATION**: Technicians will perform a pre-shipment inspection on all containers in the staging area to ensure that all labels and shipping information is properly affixed. Containers will be loaded on the trailers and secured for shipment. All containers will be accounted for on hazardous or non-hazardous waste manifest. The generator or generator's representative will be required to sign the manifest along with the transport driver. At this time, the generator or representative will receive the first generators copy.

7. **DISPOSAL**: After the waste has been recycled, blended, or disposed of, the generator will receive a certificate of disposal. General matrix of the waste will be the determining factor in the disposal method utilized. Complete Environmental will provide all support documentation: manifest, labels, and tracking of the waste as a courtesy to the generator and will maintain a permanent copy for future reference or in the event that the original documentation is lost or destroyed.

UNACCEPTABLE WASTE

Complete Environmental can and will accept waste of any nature approved by representatives of the MDEQ. Special waste of this nature may be handled on a case by case basis. Complete Environmental has provided quotations on waste streams as generally requested by the sponsor; however, Complete Environmental can handle the disposal of most products (i.e., NORM or PCB contaminated materials).

Attachment: Complete Environmental 2021 HHWD Cost Proposal_ (9743 : Collection of Household Hazardous Waste cost proposal)

WASTE SCREENING

Complete Environmental and HCBS personnel and volunteers will make a primary survey of waste materials as they are received from the citizen. At this time, waste will be categorized. If any questions arise during this process, the citizen delivering the waste may be questioned on the product to help with determination process. Our field chemists can generally make a determination on categorization by the type of container, matrix of the product, color, odor, and quantity. For further information, the product will be forwarded to the chemistry area for field analysis. After a product has been declared a flammable (for example), the waste will be taken to the flammable consolidation area to be properly packaged. Packaging technicians will observe each product as it is packed to ensure the product is correctly categorized. If the technician has a questionable container, the container will be reprocessed by our field chemists to ensure the waste is properly packaged and disposed of.

Complete Environmental can and will accept waste of any nature approved by representatives of the MDEQ. Special waste of this nature may be handled on a case by case basis. Complete Environmental has provided quotations on waste streams as generally requested by the sponsor; however, Complete Environmental can handle the disposal of most products (i.e., NORM or PCB contaminated materials). Recyclable materials can also be accepted and handled by Complete Environmental. Materials such as oils, batteries, and fluorescent bulbs are common recyclable waste streams and can be handled in a cost and time efficient manner.

PERSONNEL TRAINING

A mandatory site safety meeting will be held before starting the HHW Event. All working participants, HCBS personnel, and volunteers will be taught a very accelerated hazardous materials awareness level training. Topics will include:

- General site safety
- Traffic control and awareness
- Selection of PPE
- Hazard communication.
- Proper handling of leaking containers
- Proper Lifting techniques
- Decontamination areas
- Understanding & Executing Site Safety / Contingency Plan
- Designated Smoking Areas

Only trained individuals will be allowed to physically come in contact with hazardous substances. The only exception to this is if the possess a current certificate of completion from an approved 40 hour course as per 29 CFR 1910.120. Hancock County Emergency Agency
Emergency Sheltering Plan

1. Introduction

A. The Hancock County Emergency Sheltering Plan is being written to explain when and how the Hancock County Shelters will be used under different disasters and/or events that may impact Hancock County.

2. Purpose

A. The purpose of this plan is to explain and prescribe the responsibilities of the local government and private relief agencies in providing emergency shelter and/or temporary housing for people displaced from their residence by an emergency or disaster.

B. To provide the framework for an effective and coordinated response on the part of the Hancock County Emergency Management Agency, American Red Cross, Hancock County Department of Human Services and the Mississippi Emergency Management Agency in opening and closing emergency shelters in Hancock County.

C. To establish Standard Operating Guidelines for activating, staffing, operating and deactivating the Hancock County Emergency Shelters.

3. Situation

A. Hancock County is 485 square miles and is the most western of the three counties along the Mississippi Gulf Coast. Hancock County has approximately 200 square miles of Surge Inundation Zone. Hancock County lies approximately 140 miles south of Jackson, Mississippi, about 50 miles east of New Orleans Louisiana and nearly 60 miles west of Mobile Alabama. The county is bordered on the east by Harrison County and the Bay of St. Louis, on the North by Pearl River County and on the west by the Pearl River and St. Tammany Paris Louisiana. Population is approximately forty thousand residents. Hancock County has two municipalities, Bay St. Louis and Waveland. Hancock County, Bay St. Louis and Waveland shall work cohesively together to protect and shelter all citizens in need.

B. There are several reasons in which shelters will be opened.

- Volunteer and/or Mandatory Evacuations
- Widespread Power Outages
- Extended displacement of citizens from their residences

Attachment: SHELTERPLANHANCOCKCOUNTY2021_Draft (9755 : Emergency Shelter Operation Plan)

Hancock County Emergency Agency
Emergency Sheltering Plan

Situation: Continued)

C. There are numerous emergencies for which shelters may be required to be opened including:

- Hurricanes,
- Tropical storms,
- Tornadoes,
- Floods,
- Severe thunderstorms,
- Hazardous materials incidents,
- Severe cold weather and/or
- Any other type of natural or man-made disaster.

D. There are four (4) General Population Shelters identified for use in Hancock County. These locations shall be used as needed. The Hancock County Emergency Management Agency in coordination with the American Red Cross and the Hancock County Department of Human Services shall open the shelters on an as needed basis. The American Red Cross and the Hancock County Department of Human Services shall provide the workers for each shelter that is opened. The Shelters are as follows:

- Kiln Shelter: 18320 HWY 43, Kiln
  - 10,000 Square Feet
  - Capacity (364) (Red Cross Figure)

- Dedeaux Shelter: 1095 Road 350, Dedeaux
  - 10,000 Square Feet
  - Capacity (364) (Red Cross Figure)

- Necaise Shelter: 30360 Hwy 603, Necaise Crossing
  - 3,600 Square Feet
  - Capacity (111) (Red Cross Figure)

- Lee Town Shelter: 28290 Lee Town Road, Lee Town
  - 3,600 Square Feet
  - Capacity (111) (Red Cross Figure)

Hancock County Emergency Agency
Emergency Sheltering Plan

Situation: (Continued)

E. There is one (1) Special Needs Population Shelter identified for use in Hancock County. This Shelter Location shall be used as a COVID Shelter as needed. This Shelter can be used as a General Population Shelter as needed. Anyone who is exhibiting signs of COVID shall be brought to this location. The Hancock County Emergency Management Agency in coordination with the Hancock County ESF 8 Coordinator, American Medical Response (AMR) shall open the shelter as needed. The Hancock County ESF 8 Coordinator shall determine who qualifies for the COVID Shelter.

- West Hancock Special Needs Shelter: 24075 Hwy 43, Catahoula Community.
- Capacity (111) (Red Cross Figure)

F. Hancock County is susceptible to all levels of tropical systems, from tropical depressions to severe category 5 hurricanes. These tropical systems produce three major hazards. These tropical systems produce major hazards:

- Storm Surge
- High winds, including tornadoes
- Rainfall

G. Hancock County is also susceptible to other non-tropical systems such as:

- Coastal and inland flooding
- Severe thunderstorms
- Severe winter conditions
- Tornadoes

H. The vulnerable population at risk which should be evacuated in the event of a tropical storm and/or hurricanes is defined for planning purposes, as those persons living in the pre-determined storm surge inundation zone and those in mobile homes, modular homes, travel trailers, FEMA Trailers and unsafe homes shall be at risk by hurricane force winds. Storm effects could also affect other citizens living further inland due to high winds, heavy rains resulting in flash flooding from rivers, streams and bayous.

I. Hancock County has a significant amount of area that is low lying and subject to flooding conditions very easily due to tropical systems and/or south east winds and high tides.

J. Sheltering for Hancock County evacuees shall be coordinated by the Hancock County Emergency Management Agency, American Red Cross and the Hancock County Department of Human Services through the Emergency Operations Center ESF Function.

Attachment: SHELTERPLANHANCOCKCOUNTY2021_Draft (9755 : Emergency Shelter Operation Plan)

Situation: (Continued)

K. Hancock County shall be a host County for coastal evacuees, primarily during a hurricane evacuation upon request from the Mississippi Emergency Management Agency. Depending on the conditions in Hancock County, all attempts will be made to accommodate coastal and other evacuees.

4. Assumptions

A. The Sheltering of the Hancock County Citizens is the responsibility of the Hancock County Emergency Management Agency in Coordination with the Hancock County Board of Supervisors, Mayors of the City of Bay St. Louis, Waveland and Diamondhead.

B. All Hancock County Shelters shall be used in any situation that requires the evacuation of and sheltering of the Hancock County Citizens.

C. Tropical Storms, Hurricanes, Severe Weather, Coastal and Inland Flooding are definite threats to Mississippi. Hancock County has experienced tornadoes, destructive winds, floods and loss of life and property due to these storms hitting the coast in Mississippi, Louisiana and Alabama.

D. The American Red Cross and Hancock Department of Human Services shall support shelter/mass care operations with donations or purchase of emergency supplies.

E. For out of County evacuations, the Hancock County Emergency Management Agency shall coordinate them through the Mississippi Emergency Management Agency.

F. A high percentage of evacuees will seek shelter with friends or relatives rather than go to a public shelter.

G. Evacuees shall be provided with public information in the shelter concerning the emergency event.

5. Concept of Operations:

A. All Emergencies and Incidents begin locally and initial response actions will be conducted by Hancock County including the Cities of Bay St. Louis, Waveland and Diamondhead. A concerted effort is made to incorporate other organizations for providing assistance into the shelter support plan.

B. The Hancock County Emergency Management Agency is the lead Agency in determining the need for Sheltering in Hancock County.

Attachment: SHELTERPLANHANCOCKCOUNTY2021_Draft (9755 : Emergency Shelter Operation Plan)

Concept of Operations: (Continued)

C. The Hancock County EMA Director will coordinate directly with the American Red Cross and Mississippi Department of Human Services to provide sheltering, no later than 72 hours before impact. This will ensure proper time to mobilize resources. If the decision is delayed, or if there is a short notice storm, 48 hours is the absolute latest that an operation can be mobilized. However, Hancock County may be able to mobilize support within as little as 24-hour notice. All organizations should retain operational control of their assets and resources. The coordination for the Hancock County sheltering support plan is conducted at the Hancock County Emergency operations center.

D. This guideline shall be activated when a disaster or emergency is impending and/or has occurred in Hancock county requiring evacuation of citizens to emergency shelters.

E. During a catastrophic incident, response operations, to include sheltering, will be incident dependent. The sheltering phase is the responsibility of the Hancock County Emergency Management Agency and in Coordination with the Hancock County Board of Supervisors, Cities of Bay St. Louis, Waveland and Diamondhead.

F. When the decision to evacuate citizens to emergency shelters is made by the Hancock County Emergency Management Agency Director in coordination with the American Red Cross, and DHS. It will be communicated to the Hancock County Public Information Officer, MEMA and media outlets.

G. The Hancock County Emergency Management Director in coordination with the American Red Cross and Hancock County Department of Human Services shall determine which General Population Shelters need to be opened along with the time and date to be opened.

H. All general population shelters shall fall under the guidance of the Emergency Operations Center ESF 6 (Mass Care) Function. (Red Cross and the Department of Human Services (DHS)

I. All shelters, regardless of the scale of the emergency or disaster, shall be managed in accordance with the Red Cross guidelines. The Hancock County Department of Human Services and American Red Cross shall provide trained personnel to be shelter managers and shelter staff to operate shelters under American Red Cross guidelines.

Attachment: SHELTERPLANHANCOCKCOUNTY2021_Draft (9755 : Emergency Shelter Operation Plan)

Hancock County Emergency Agency
Emergency Sheltering Plan

Concept of Operations: (Continued)

J. Publications of emergency shelters shall be provided to the public prior to as well as during the emergency event through the following:

- WLOX TV
- WQRZ Radio 103.5
- Sun Herald Paper
- Sea Coast Echo Paper
- EMA Social Media Page
- EMA First Call Phone System
- Other Media Outlets

K. Evacuated Citizens not meeting the requirements of the special needs Shelter, shall be placed in a general population shelter.

L. Citizens that qualify for a Special Needs Shelter shall be sent to the State Special Needs Shelter if opened. To be placed in the Special Needs Shelter, citizens must meet the requirements set forth by the EOC'S ESF 8 Coordinator and approved by the EOC'S ESF 8 Coordinator.

M. An Inventory of emergency shelters shall be maintained by the Hancock County Emergency Management Agency. Maintenance on each shelter shall be coordinated by the Hancock County EMA and performed by the Hancock County Building Maintenance Crew.

N. Emergency Shelters shall remain open no longer than absolutely required.

O. If the magnitude of the disaster is such that the Services of other volunteer groups are needed to mitigate suffering and aid in sheltering, the EMA Director, shall put in MEMA'S Web-EOC for assistance. If Assistance is not possible through WEB-EOC, The EMA Director, the American Red Cross, Hancock County Representative and Hancock County DHS Representative shall contact other volunteer organizations for assistance.

P. The Hancock County Emergency Management Director in coordination with the American Red Cross Hancock County Representative and the Hancock County DHS shall coordinate the following:

- Shelter Locations. How many to open at one particular time.
- What time the shelters will be manned and opened.
- Who is the Shelter Manager for each shelter.
- Provide Law Enforcement for each shelter.

Attachment: SHELTERPLANHANCOCKCOUNTY2021_Draft (9755 : Emergency Shelter Operation Plan)

Concept of Operations: (Continued)

Q. The Hancock County Emergency Management Director group in coordination with the American Red Cross Hancock County Representative and the Hancock County Department of Human Service Representative shall determine on which shelters need to be closed along with the time and date to be closed.

R. Hancock County shall assume no responsibility and/or liability for unauthorized shelter openings during emergency events.

S. The Hancock County Emergency Management Agency in coordination with the County's Ambulance Provider, the Hancock County Sheriff's Department and the EOC'S ESF 2 Coordinator shall provide health/medical support, communications and security.

T. The Hancock County Emergency Management Director shall advise the Mississippi Emergency Management Agency (MEMA) of the number of shelters opened and their locations.

U. The American Red Cross and the Hancock County Department of Human Services shall operate and provide man-power for all of the opened shelters.

V. In the event the Hancock County Emergency Management Agency is requested by MEMA to open shelters for other evacuees, all openings and locations shall be approved by the Hancock County Board of Supervisors. The shelter opening shall be coordinated with the American Red Cross and the Hancock County DHS.

6. Responsibility

A. Hancock County in Coordination with the Cities of Bay St. Louis, Diamondhead and Waveland shall provide emergency shelters and temporary housing for disaster victims within its own capabilities and to request and facilitate the implementation of shelter assistance provided by MEMA, relief agencies and other State and Federal programs.

B. The Hancock County Emergency Management Agency is responsible for coordinating the opening and closing of all emergency shelters in Hancock County for any type of emergency that requires sheltering of its citizens.

C. The Hancock County Emergency Management Director is responsible for maintaining this plan. It is the responsibility of the County and City Governments to support the Emergency Management Agency in opening and closing emergency shelters.

Attachment: SHELTERPLANHANCOCKCOUNTY2021_Draft (9755 : Emergency Shelter Operation Plan)

Responsibility (Continued)

D. When all emergency shelters are at full capacity, the Hancock County Emergency Management Agency shall request assistance in providing emergency shelters through the Mississippi Emergency Management Agency (MEMA). This shall be done through MEMA'S Hancock County EOC Representative using Web EOC.

E. The Hancock County Emergency Management Agency Director shall work on shelter plans review and other storm related information.

F. The American Red Cross and Department of Human Services shall provide the Emergency Operations Center Command Staff and ESF 8 Function with updated information on each shelter on a regular and continuous basis. The following information shall be received from them:

- Number of citizens in each shelter.
- Adequate food for citizens
- Any problems that arise
- Any request or supplies needed

7. General Information

A. Shelters serve two basic functions:

- One is the pre-designated shelter that protects people from an immediate or ongoing danger such as tornadoes, severe thunderstorms, severe flooding, etc…
- The other is the care of disaster victims made homeless by the results of a disaster or emergency. This is accomplished by the use of pre-selected shelters.

B. Types of shelters:

- Congregate General Population Shelter. These facilities provide adequate temporary shelter for disaster victims.
- All-Purpose Shelter: This facility provides adequate temporary shelter for Disaster victims that exhibit symptom of COVID -19 and/or is positive for COVID-19.
- Non-Congregate Sheltering. This is longer duration shelter for disaster victims. This is done through MEMA and FEMA as the Disaster dictates.

Attachment: SHELTERPLANHANCOCKCOUNTY2021_Draft (9755 : Emergency Shelter Operation Plan)

General Information (Continued)

C. Shelters for care of disaster victims should meet the following requirements:

Be a safe facility.

- Have suitable space for sleeping quarters.
- Have secure storage areas, separate rooms for nursing and office space.
- Have adequate supply of drinking water.
- Include provisions for serving and storing food.
- Have security at shelters

8. Opening Shelters for Hurricanes/Tropical Storms

A. There are four (4) General Population Shelters identified for use in Hancock County. These locations shall be used as needed. The Hancock County Emergency Management Agency in coordination with the American Red Cross and the Hancock County Department of Human Services shall open the shelters on an as needed basis. The American Red Cross and the Hancock County Department of Human Services shall provide the workers for each shelter that is opened. The Shelters are as follows:

- Kiln Shelter: 18320 HWY 43, Kiln
  - 10,000 Square Feet
  - Capacity (364) (Red Cross Figure)

- Dedeaux Shelter: 1095 Road 350, Dedeaux
  - 10,000 Square Feet
  - Capacity (364) (Red Cross Figure)

- Necaise Shelter: 30360 Hwy 603, Necaise Crossing
  - 3,600 Square Feet
  - Capacity (111) (Red Cross Figure)

- Leetown Shelter: 28290 Lee Town Road, Leetown
  - 3,600 Square Feet
  - Capacity (111) (Red Cross Figure)

B. Shelter Management Staff Operations**.** A critical component to operating a disaster shelter is the Shelter Management staff. The staff is responsible for inspecting the facility for safety; establishing communication with Hancock County Emergency Operations Center (EOC); registering shelter occupants. The Shelter Management staff is also responsible for supplying shelter occupants with food and drinks; providing a sleeping area with blankets and personal hygiene supplies; providing first aid and health care services; and providing mental and spiritual counseling.

Attachment: SHELTERPLANHANCOCKCOUNTY2021_Draft (9755 : Emergency Shelter Operation Plan)

Opening Shelters for Hurricanes/Tropical Storms (Continued)

C. The American Red Cross (ARC) and the Department of Human Resources (DHS) are responsible for manning and staffing any shelter that is open as per the Hancock County Emergency Management Agency.

D. When a Hurricane and/or a Tropical Storm is expected to impact Hancock County, the Hancock County EMA Director shall request to the American Red Cross (ARC) and Department of Human Resources (DHS) the Hancock County to open Shelters in Hancock County.

E. It is the intent of the Hancock County Emergency Management Agency to open the General Population Shelters in a systematic and manageable approach with in mind manpower resources that are initially available from the American Red Cross and the Department of Human Resources.

F. The Hancock County EMA Director will not open all four (4) Shelters at the same time unless it is determined that the evacuee numbers show the need to open all four (4) shelters at the same time and provided the American Red Cross (ARC) and the Department of Human Resources has the manpower resources available to staff all four (4) shelters.

G. The Kiln and Dedeaux Shelters shall be opened first when it is determined shelters are absolutely needed. These two shelters are 10,000 square feet shelters.

H. The Hancock County EMA Director shall request to the American Red Cross (ARC) and Department of Human Resources (DHS) to open the Kiln and Dedeaux Shelters initially at the same time.

I. The Kiln community Center which is located in front of the Kiln General Population shelter and the Necaise Community Center which is located in front of the Necaise General Population Shelter were approved by the Hancock County Board of Supervisors to house small animals. This will be coordinated by the Director of the Hancock County Animal Shelter.

J. The Lee Town Shelter was approved by the Hancock County Board of Supervisors on March 21, 2012 to be used as the First Responder Shelter. This allows the Fire Departments to get their equipment out of harms way and gives them a safe place to ride out the storm. Citizens of that area are still allowed to use this shelter also.

K. Costs – The Red Cross will pay costs that the Red Cross independently incurs.

L. American Red Cross should be notified **72 hours** prior to opening of a shelter.

Attachment: SHELTERPLANHANCOCKCOUNTY2021_Draft (9755 : Emergency Shelter Operation Plan)

9. **Considerations for Opening Shelters**

   A. Coordination: Determine which facilities are available and which ones will be best to open

   B. Inspection: Complete pre-occupancy survey with Hancock County EMA Personnel

   C. Location: Ensure shelters are located in safe, secure areas outside of potential risk areas

   D. Verifications: Verify the facility is appropriate for sheltering target populations.

   E. Equipment: Ensure there are sufficient material and human resources for expected populations

   F. Availability: Ensure that facility meets all ADA requirements and there is a plan in place to meet shortfalls.

   G. Confirm the availability of agencies to complete assigned roles for this specific shelter assignment

   H. Status of Sheltering: Shelter population is either increasing, remaining stable or declining.

   I. Infrastructure: Are the utilities restored and access completed to businesses and homes? Are the roads accessible?

   J. Dwellings: Do a majority of the homes have operational cooking capabilities

10. **Considerations for Closing Shelters**

   A. Upon notification of the de-escalation of an incident, the Hancock County Emergency Management Agency in coordination with the American Red Cross and Mississippi Department of Human Services meet to determine a shelter closing date.

   B. Determine how to meet the needs of the remaining shelter residents. Is there a plan for combining multiple shelters to minimize the number of open shelters? Are there other housing options available? Determine the facility's availability. Determine the requirements under the sheltering agreement.

   C. Case Management: Ensure that all remaining shelter residents have met with case management to establish a housing plan.

Attachment: SHELTERPLANHANCOCKCOUNTY2021_Draft (9755 : Emergency Shelter Operation Plan)

Considerations for Closing Shelters (Continued)

D. Accountability: Ensure that all equipment, materials and supplies are accounted for and returned to a ready state for future deployment.

E. Additional Supplies: Ensure that all additional supplies and materials are inventoried and properly stowed.

F. Inspection: Conduct a final inspection and ensure that all buildings and grounds are checked, and that trash has been removed and properly discarded.

G. Equipment pick-up: Arrange for equipment and trailers to be picked up (i.e. forklifts, dumpsters, portable showers, etc.)

11. **Isolation Protocols**

A. When sheltering citizens of Hancock County, it is the intentions of the Hancock County Emergency Management Agency to make sure everyone entering the Shelters are safe.

B. The Flat Top (All Purpose) Shelter shall be used as the Isolation Shelter for anyone suspected and/or positive with Covid-19 and other communicable diseases.

C. Anyone who is exhibiting signs and symptom of COVID-19 and other communicable diseases shall not be put in any General Population Shelter unless circumstances dictated this must happen due to unforeseen circumstances.

D. Anyone entering any of the Hancock County Shelters shall adhere to the following:

- Temperatures taken upon arrival and before entering the shelter.
- Temperatures taken at least twice a day and/or if they re-enter the shelter.
- Masks being worn at all times with the exception of when they are eating but must put them back on immediately after finishing their meal

E. The Isolation Shelter shall be provided with the following:

- Masks
- Hand Sanitizer
- Disinfectant Wipes
- Disinfectant Spray

Attachment: SHELTERPLANHANCOCKCOUNTY2021_Draft (9755 : Emergency Shelter Operation Plan)

Isolation Protocols: (Continued)

F. The Hancock County Emergency Management Agency shall report to Mississippi Emergency Management Agency and the Mississippi State Department of Health on how many actual COVID-19 people and how many suspected people are in the COVID-19 Shelter.

12. Transportation for Evacuees:

A. The Hancock County Emergency Management Agency shall provide transportation for those citizens who do not have the means to get to the Evacuation Shelter.

B. The Hancock County Emergency Management Agency shall request the use of School Buses from Hancock County School District on an as needed basis.

C. Once the Hancock County Emergency Management Agency receives a request for transportation to a Shelter, this request shall be given to the ESF -1 Coordinator and the EMA Deputy Director. They shall go to the address of the citizen needing transportation and bring those citizens to a shelter.

D. When the Shelters close, the Hancock County EMA ESF-1 Coordinator and the EMA deputy Director shall make sure those citizens that need transportation to the shelter is transported back to their residence.

13. Risk Assessment

A. Hancock County has a long history of destruction caused by hurricanes. None however caused such widespread destruction as Hurricane Katrina in August 2005. Katrina was one of the most devastating hurricanes in the history of the Untied States. It produced catastrophic damages-estimated at $75 billion in the New Orleans area and along the Mississippi coast-and is the costliest U.S. hurricane on record. (National Hurricane Center)

B. Because of its coastal location hurricanes and tropical storms will continue to wreak havoc on Hancock County and surrounding areas. Historic data indicates that Hancock County has been damaged by numerous hurricanes and tropical storms in the past 100 years. Historical data also shows during the last several years the storm activity has increased. This Shelter Plan has been developed to help reduce the risk of death and injury to individuals.

Hancock County Emergency Agency
Emergency Sheltering Plan

1. Introduction

A. The Hancock County Emergency Sheltering Plan is being written to explain when and how the Hancock County Shelters will be used under different disasters and/or events that may impact Hancock County.

2. Purpose

A. The purpose of this plan is to explain and prescribe the responsibilities of the local government and private relief agencies in providing emergency shelter and/or temporary housing for people displaced from their residence by an emergency or disaster.

B. To provide the framework for an effective and coordinated response on the part of the Hancock County Emergency Management Agency, American Red Cross, Hancock County Department of Human Services and the Mississippi Emergency Management Agency in opening and closing emergency shelters in Hancock County.

C. To establish Standard Operating Guidelines for activating, staffing, operating and deactivating the Hancock County Emergency Shelters.

3. Situation

A. Hancock County is 485 square miles and is the most western of the three counties along the Mississippi Gulf Coast. Hancock County has approximately 200 square miles of Surge Inundation Zone. Hancock County lies approximately 140 miles south of Jackson, Mississippi, about 50 miles east of New Orleans Louisiana and nearly 60 miles west of Mobile Alabama. The county is bordered on the east by Harrison County and the Bay of St. Louis, on the North by Pearl River County and on the west by the Pearl River and St. Tammany Paris Louisiana. Population is approximately forty thousand residents. Hancock County has two municipalities, Bay St. Louis and Waveland. Hancock County, Bay St. Louis and Waveland shall work cohesively together to protect and shelter all citizens in need.

B. There are several reasons in which shelters will be opened.

- Volunteer and/or Mandatory Evacuations
- Widespread Power Outages
- Extended displacement of citizens from their residences

Attachment: HANCOCKCOUNTYSHELTERPLANSIGNEDCOPYSEPTEMBER72021 (9755 : Emergency Shelter Operation Plan)

Hancock County Emergency Agency
Emergency Sheltering Plan

Situation: Continued)

C. There are numerous emergencies for which shelters may be required to be opened including:

- Hurricanes,
- Tropical storms,
- Tornadoes,
- Floods,
- Severe thunderstorms,
- Hazardous materials incidents,
- Severe cold weather and/or
- Any other type of natural or man-made disaster.

D. There are four (4) General Population Shelters identified for use in Hancock County. These locations shall be used as needed. The Hancock County Emergency Management Agency in coordination with the American Red Cross and the Hancock County Department of Human Services shall open the shelters on an as needed basis. The American Red Cross and the Hancock County Department of Human Services shall provide the workers for each shelter that is opened. The Shelters are as follows:

- Kiln Shelter: 18320 HWY 43, Kiln
  - 10,000 Square Feet
  - Capacity (364) (Red Cross Figure)

- Dedeaux Shelter: 1095 Road 350, Dedeaux
  - 10,000 Square Feet
  - Capacity (364) (Red Cross Figure)

- Necaise Shelter: 30360 Hwy 603, Necaise Crossing
  - 3,600 Square Feet
  - Capacity (111) (Red Cross Figure)

- Lee Town Shelter: 28290 Lee Town Road, Lee Town
  - 3,600 Square Feet
  - Capacity (111) (Red Cross Figure)

Situation: (Continued)

E. There is one (1) Special Needs Population Shelter identified for use in Hancock County. This Shelter Location shall be used as a COVID Shelter as needed. This Shelter can be used as a General Population Shelter as needed. Anyone who is exhibiting signs of COVID shall be brought to this location. The Hancock County Emergency Management Agency in coordination with the Hancock County ESF 8 Coordinator, American Medical Response (AMR) shall open the shelter as needed. The Hancock County ESF 8 Coordinator shall determine who qualifies for the COVID Shelter.

- West Hancock Special Needs Shelter: 24075 Hwy 43, Catahoula Community.
- Capacity (111) (Red Cross Figure)

F. Hancock County is susceptible to all levels of tropical systems, from tropical depressions to severe category 5 hurricanes. These tropical systems produce three major hazards. These tropical systems produce major hazards:

- Storm Surge
- High winds, including tornadoes
- Rainfall

G. Hancock County is also susceptible to other non-tropical systems such as:

- Coastal and inland flooding
- Severe thunderstorms
- Severe winter conditions
- Tornadoes

H. The vulnerable population at risk which should be evacuated in the event of a tropical storm and/or hurricanes is defined for planning purposes, as those persons living in the pre-determined storm surge inundation zone and those in mobile homes, modular homes, travel trailers, FEMA Trailers and unsafe homes shall be at risk by hurricane force winds. Storm effects could also affect other citizens living further inland due to high winds, heavy rains resulting in flash flooding from rivers, streams and bayous.

I. Hancock County has a significant amount of area that is low lying and subject to flooding conditions very easily due to tropical systems and/or south east winds and high tides.

J. Sheltering for Hancock County evacuees shall be coordinated by the Hancock County Emergency Management Agency, American Red Cross and the Hancock County Department of Human Services through the Emergency Operations Center ESF Function.

Attachment: HANCOCKCOUNTYSHELTERPLANSIGNEDCOPYSEPTEMBER72021 (9755 : Emergency Shelter Operation Plan)

Situation: (Continued)

K. Hancock County shall be a host County for coastal evacuees, primarily during a hurricane evacuation upon request from the Mississippi Emergency Management Agency. Depending on the conditions in Hancock County, all attempts will be made to accommodate coastal and other evacuees.

4. Assumptions

A. The Sheltering of the Hancock County Citizens is the responsibility of the Hancock County Emergency Management Agency in Coordination with the Hancock County Board of Supervisors, Mayors of the City of Bay St. Louis, Waveland and Diamondhead.

B. All Hancock County Shelters shall be used in any situation that requires the evacuation of and sheltering of the Hancock County Citizens.

C. Tropical Storms, Hurricanes, Severe Weather, Coastal and Inland Flooding are definite threats to Mississippi. Hancock County has experienced tornadoes, destructive winds, floods and loss of life and property due to these storms hitting the coast in Mississippi, Louisiana and Alabama.

D. The American Red Cross and Hancock Department of Human Services shall support shelter/mass care operations with donations or purchase of emergency supplies.

E. For out of County evacuations, the Hancock County Emergency Management Agency shall coordinate them through the Mississippi Emergency Management Agency.

F. A high percentage of evacuees will seek shelter with friends or relatives rather than go to a public shelter.

G. Evacuees shall be provided with public information in the shelter concerning the emergency event.

5. Concept of Operations:

A. All Emergencies and Incidents begin locally and initial response actions will be conducted by Hancock County including the Cities of Bay St. Louis, Waveland and Diamondhead. A concerted effort is made to incorporate other organizations for providing assistance into the shelter support plan.

B. The Hancock County Emergency Management Agency is the lead Agency in determining the need for Sheltering in Hancock County.

Attachment: HANCOCKCOUNTYSHELTERPLANSIGNEDCOPYSEPTEMBER72021 (9755 : Emergency Shelter Operation Plan)

Concept of Operations: (Continued)

C. The Hancock County EMA Director will coordinate directly with the American Red Cross and Mississippi Department of Human Services to provide sheltering, no later than 72 hours before impact. This will ensure proper time to mobilize resources. If the decision is delayed, or if there is a short notice storm, 48 hours is the absolute latest that an operation can be mobilized. However, Hancock County may be able to mobilize support within as little as 24-hour notice. All organizations should retain operational control of their assets and resources. The coordination for the Hancock County sheltering support plan is conducted at the Hancock County Emergency operations center.

D. This guideline shall be activated when a disaster or emergency is impending and/or has occurred in Hancock county requiring evacuation of citizens to emergency shelters.

E. During a catastrophic incident, response operations, to include sheltering, will be incident dependent. The sheltering phase is the responsibility of the Hancock County Emergency Management Agency and in Coordination with the Hancock County Board of Supervisors, Cities of Bay St. Louis, Waveland and Diamondhead.

F. When the decision to evacuate citizens to emergency shelters is made by the Hancock County Emergency Management Agency Director in coordination with the American Red Cross, and DHS. It will be communicated to the Hancock County Public Information Officer, MEMA and media outlets.

G. The Hancock County Emergency Management Director in coordination with the American Red Cross and Hancock County Department of Human Services shall determine which General Population Shelters need to be opened along with the time and date to be opened.

H. All general population shelters shall fall under the guidance of the Emergency Operations Center ESF 6 (Mass Care) Function. (Red Cross and the Department of Human Services (DHS)

I. All shelters, regardless of the scale of the emergency or disaster, shall be managed in accordance with the Red Cross guidelines. The Hancock County Department of Human Services and American Red Cross shall provide trained personnel to be shelter managers and shelter staff to operate shelters under American Red Cross guidelines.

Attachment: HANCOCKCOUNTYSHELTERPLANSIGNEDCOPYSEPTEMBER72021 (9755 : Emergency Shelter Operation Plan)

Hancock County Emergency Agency
Emergency Sheltering Plan

Concept of Operations: (Continued)

J. Publications of emergency shelters shall be provided to the public prior to as well as during the emergency event through the following:

- WLOX TV
- WQRZ Radio 103.5
- Sun Herald Paper
- Sea Coast Echo Paper
- EMA Social Media Page
- EMA First Call Phone System
- Other Media Outlets

K. Evacuated Citizens not meeting the requirements of the special needs Shelter, shall be placed in a general population shelter.

L. Citizens that qualify for a Special Needs Shelter shall be sent to the State Special Needs Shelter if opened. To be placed in the Special Needs Shelter, citizens must meet the requirements set forth by the EOC'S ESF 8 Coordinator and approved by the EOC'S ESF 8 Coordinator.

M. An Inventory of emergency shelters shall be maintained by the Hancock County Emergency Management Agency. Maintenance on each shelter shall be coordinated by the Hancock County EMA and performed by the Hancock County Building Maintenance Crew.

N. Emergency Shelters shall remain open no longer than absolutely required.

O. If the magnitude of the disaster is such that the Services of other volunteer groups are needed to mitigate suffering and aid in sheltering, the EMA Director, shall put in MEMA'S Web-EOC for assistance. If Assistance is not possible through WEB-EOC, The EMA Director, the American Red Cross, Hancock County Representative and Hancock County DHS Representative shall contact other volunteer organizations for assistance.

P. The Hancock County Emergency Management Director in coordination with the American Red Cross Hancock County Representative and the Hancock County DHS shall coordinate the following:

- Shelter Locations. How many to open at one particular time.
- What time the shelters will be manned and opened.
- Who is the Shelter Manager for each shelter.
- Provide Law Enforcement for each shelter.

Attachment: HANCOCKCOUNTYSHELTERPLANSIGNEDCOPYSEPTEMBER72021 (9755 : Emergency Shelter Operation Plan)

Concept of Operations: (Continued)

Q. The Hancock County Emergency Management Director group in coordination with the American Red Cross Hancock County Representative and the Hancock County Department of Human Service Representative shall determine on which shelters need to be closed along with the time and date to be closed.

R. Hancock County shall assume no responsibility and/or liability for unauthorized shelter openings during emergency events.

S. The Hancock County Emergency Management Agency in coordination with the County's Ambulance Provider, the Hancock County Sheriff's Department and the EOC'S ESF 2 Coordinator shall provide health/medical support, communications and security.

T. The Hancock County Emergency Management Director shall advise the Mississippi Emergency Management Agency (MEMA) of the number of shelters opened and their locations.

U. The American Red Cross and the Hancock County Department of Human Services shall operate and provide man-power for all of the opened shelters.

V. In the event the Hancock County Emergency Management Agency is requested by MEMA to open shelters for other evacuees, all openings and locations shall be approved by the Hancock County Board of Supervisors. The shelter opening shall be coordinated with the American Red Cross and the Hancock County DHS.

6. Responsibility

A. Hancock County in Coordination with the Cities of Bay St. Louis, Diamondhead and Waveland shall provide emergency shelters and temporary housing for disaster victims within its own capabilities and to request and facilitate the implementation of shelter assistance provided by MEMA, relief agencies and other State and Federal programs.

B. The Hancock County Emergency Management Agency is responsible for coordinating the opening and closing of all emergency shelters in Hancock County for any type of emergency that requires sheltering of its citizens.

C. The Hancock County Emergency Management Director is responsible for maintaining this plan. It is the responsibility of the County and City Governments to support the Emergency Management Agency in opening and closing emergency shelters.

Attachment: HANCOCKCOUNTYSHELTERPLANSIGNEDCOPYSEPTEMBER72021 (9755 : Emergency Shelter Operation Plan)

Responsibility (Continued)

D. When all emergency shelters are at full capacity, the Hancock County Emergency Management Agency shall request assistance in providing emergency shelters through the Mississippi Emergency Management Agency (MEMA). This shall be done through MEMA'S Hancock County EOC Representative using Web EOC.

E. The Hancock County Emergency Management Agency Director shall work on shelter plans review and other storm related information.

F. The American Red Cross and Department of Human Services shall provide the Emergency Operations Center Command Staff and ESF 8 Function with updated information on each shelter on a regular and continuous basis. The following information shall be received from them:

- Number of citizens in each shelter.
- Adequate food for citizens
- Any problems that arise
- Any request or supplies needed

7. General Information

A. Shelters serve two basic functions:

- One is the pre-designated shelter that protects people from an immediate or ongoing danger such as tornadoes, severe thunderstorms, severe flooding, etc…
- The other is the care of disaster victims made homeless by the results of a disaster or emergency. This is accomplished by the use of pre-selected shelters.

B. Types of shelters:

- Congregate General Population Shelter. These facilities provide adequate temporary shelter for disaster victims.
- All-Purpose Shelter: This facility provides adequate temporary shelter for Disaster victims that exhibit symptom of COVID -19 and/or is positive for COVID-19.
- Non-Congregate Sheltering. This is longer duration shelter for disaster victims. This is done through MEMA and FEMA as the Disaster dictates.

Attachment: HANCOCKCOUNTYSHELTERPLANSIGNEDCOPYSEPTEMBER72021 (9755 : Emergency Shelter Operation Plan)

Hancock County Emergency Agency
Emergency Sheltering Plan

General Information (Continued)

C. Shelters for care of disaster victims should meet the following requirements:

Be a safe facility.

- Have suitable space for sleeping quarters.
- Have secure storage areas, separate rooms for nursing and office space.
- Have adequate supply of drinking water.
- Include provisions for serving and storing food.
- Have security at shelters

8. Opening Shelters for Hurricanes/Tropical Storms

A. There are four (4) General Population Shelters identified for use in Hancock County. These locations shall be used as needed. The Hancock County Emergency Management Agency in coordination with the American Red Cross and the Hancock County Department of Human Services shall open the shelters on an as needed basis. The American Red Cross and the Hancock County Department of Human Services shall provide the workers for each shelter that is opened. The Shelters are as follows:

- Kiln Shelter: 18320 HWY 43, Kiln
  - 10,000 Square Feet
  - Capacity (364) (Red Cross Figure)

- Dedeaux Shelter: 1095 Road 350, Dedeaux
  - 10,000 Square Feet
  - Capacity (364) (Red Cross Figure)

- Necaise Shelter: 30360 Hwy 603, Necaise Crossing
  - 3,600 Square Feet
  - Capacity (111) (Red Cross Figure)

- Leetown Shelter: 28290 Lee Town Road, Leetown
  - 3,600 Square Feet
  - Capacity (111) (Red Cross Figure)

B. Shelter Management Staff Operations. A critical component to operating a disaster shelter is the Shelter Management staff. The staff is responsible for inspecting the facility for safety; establishing communication with Hancock County Emergency Operations Center (EOC); registering shelter occupants. The Shelter Management staff is also responsible for supplying shelter occupants with food and drinks; providing a sleeping area with blankets and personal hygiene supplies; providing first aid and health care services; and providing mental and spiritual counseling.

Attachment: HANCOCKCOUNTYSHELTERPLANSIGNEDCOPYSEPTEMBER72021 (9755 : Emergency Shelter Operation Plan)

Opening Shelters for Hurricanes/Tropical Storms (Continued)

C. The American Red Cross (ARC) and the Department of Human Resources (DHS) are responsible for manning and staffing any shelter that is open as per the Hancock County Emergency Management Agency.

D. When a Hurricane and/or a Tropical Storm is expected to impact Hancock County, the Hancock County EMA Director shall request to the American Red Cross (ARC) and Department of Human Resources (DHS) the Hancock County to open Shelters in Hancock County.

E. It is the intent of the Hancock County Emergency Management Agency to open the General Population Shelters in a systematic and manageable approach with in mind manpower resources that are initially available from the American Red Cross and the Department of Human Resources.

F. The Hancock County EMA Director will not open all four (4) Shelters at the same time unless it is determined that the evacuee numbers show the need to open all four (4) shelters at the same time and provided the American Red Cross (ARC) and the Department of Human Resources has the manpower resources available to staff all four (4) shelters.

G. The Kiln and Dedeaux Shelters shall be opened first when it is determined shelters are absolutely needed. These two shelters are 10,000 square feet shelters.

H. The Hancock County EMA Director shall request to the American Red Cross (ARC) and Department of Human Resources (DHS) to open the Kiln and Dedeaux Shelters initially at the same time.

I. The Kiln community Center which is located in front of the Kiln General Population shelter and the Necaise Community Center which is located in front of the Necaise General Population Shelter were approved by the Hancock County Board of Supervisors to house small animals. This will be coordinated by the Director of the Hancock County Animal Shelter.

J. The Lee Town Shelter was approved by the Hancock County Board of Supervisors on March 21, 2012 to be used as the First Responder Shelter. This allows the Fire Departments to get their equipment out of harms way and gives them a safe place to ride out the storm. Citizens of that area are still allowed to use this shelter also.

K. Costs – The Red Cross will pay costs that the Red Cross independently incurs.

L. American Red Cross should be notified **72 hours** prior to opening of a shelter.

Attachment: HANCOCKCOUNTYSHELTERPLANSIGNEDCOPYSEPTEMBER72021 (9755 : Emergency Shelter Operation Plan)

9. **Considerations for Opening Shelters**

   A. Coordination: Determine which facilities are available and which ones will be best to open

   B. Inspection: Complete pre-occupancy survey with Hancock County EMA Personnel

   C. Location: Ensure shelters are located in safe, secure areas outside of potential risk areas

   D. Verifications: Verify the facility is appropriate for sheltering target populations.

   E. Equipment: Ensure there are sufficient material and human resources for expected populations

   F. Availability: Ensure that facility meets all ADA requirements and there is a plan in place to meet shortfalls.

   G. Confirm the availability of agencies to complete assigned roles for this specific shelter assignment

   H. Status of Sheltering: Shelter population is either increasing, remaining stable or declining.

   I. Infrastructure: Are the utilities restored and access completed to businesses and homes? Are the roads accessible?

   J. Dwellings: Do a majority of the homes have operational cooking capabilities

10. **Considerations for Closing Shelters**

   A. Upon notification of the de-escalation of an incident, the Hancock County Emergency Management Agency in coordination with the American Red Cross and Mississippi Department of Human Services meet to determine a shelter closing date.

   B. Determine how to meet the needs of the remaining shelter residents. Is there a plan for combining multiple shelters to minimize the number of open shelters? Are there other housing options available? Determine the facility's availability. Determine the requirements under the sheltering agreement.

   C. Case Management: Ensure that all remaining shelter residents have met with case management to establish a housing plan.

Attachment: HANCOCKCOUNTYSHELTERPLANSIGNEDCOPYSEPTEMBER72021 (9755 : Emergency Shelter Operation Plan)

Considerations for Closing Shelters (Continued)

D. Accountability: Ensure that all equipment, materials and supplies are accounted for and returned to a ready state for future deployment.

E. Additional Supplies: Ensure that all additional supplies and materials are inventoried and properly stowed.

F. Inspection: Conduct a final inspection and ensure that all buildings and grounds are checked, and that trash has been removed and properly discarded.

G. Equipment pick-up: Arrange for equipment and trailers to be picked up (i.e. forklifts, dumpsters, portable showers, etc.)

11. **Isolation Protocols**

A. When sheltering citizens of Hancock County, it is the intentions of the Hancock County Emergency Management Agency to make sure everyone entering the Shelters are safe.

B. The Flat Top (All Purpose) Shelter shall be used as the Isolation Shelter for anyone suspected and/or positive with Covid-19 and other communicable diseases.

C. Anyone who is exhibiting signs and symptom of COVID-19 and other communicable diseases shall not be put in any General Population Shelter unless circumstances dictated this must happen due to unforeseen circumstances.

D. Anyone entering any of the Hancock County Shelters shall adhere to the following:

- Temperatures taken upon arrival and before entering the shelter.
- Temperatures taken at least twice a day and/or if they re-enter the shelter.
- Masks being worn at all times with the exception of when they are eating but must put them back on immediately after finishing their meal

E. The Isolation Shelter shall be provided with the following:

- Masks
- Hand Sanitizer
- Disinfectant Wipes
- Disinfectant Spray

Attachment: HANCOCKCOUNTYSHELTERPLANSIGNEDCOPYSEPTEMBER72021 (9755 : Emergency Shelter Operation Plan)

Isolation Protocols: (Continued)

F. The Hancock County Emergency Management Agency shall report to Mississippi Emergency Management Agency and the Mississippi State Department of Health on how many actual COVID-19 people and how many suspected people are in the COVID-19 Shelter.

12. Transportation for Evacuees:

A. The Hancock County Emergency Management Agency shall provide transportation for those citizens who do not have the means to get to the Evacuation Shelter.

B. The Hancock County Emergency Management Agency shall request the use of School Buses from Hancock County School District on an as needed basis.

C. Once the Hancock County Emergency Management Agency receives a request for transportation to a Shelter, this request shall be given to the ESF -1 Coordinator and the EMA Deputy Director. They shall go to the address of the citizen needing transportation and bring those citizens to a shelter.

D. When the Shelters close, the Hancock County EMA ESF-1 Coordinator and the EMA deputy Director shall make sure those citizens that need transportation to the shelter is transported back to their residence.

13. Risk Assessment

A. Hancock County has a long history of destruction caused by hurricanes. None however caused such widespread destruction as Hurricane Katrina in August 2005. Katrina was one of the most devastating hurricanes in the history of the Untied States. It produced catastrophic damages-estimated at $75 billion in the New Orleans area and along the Mississippi coast-and is the costliest U.S. hurricane on record. (National Hurricane Center)

B. Because of its coastal location hurricanes and tropical storms will continue to wreak havoc on Hancock County and surrounding areas. Historic data indicates that Hancock County has been damaged by numerous hurricanes and tropical storms in the past 100 years. Historical data also shows during the last several years the storm activity has increased. This Shelter Plan has been developed to help reduce the risk of death and injury to individuals.

  - Determines when it is safe to leave the shelter after a severe weather event.

15. Shelter Disaster Planning

- The Hancock County EMA, American Red Cross, Hancock County Department of Human Services shall coordinate activities and encourage community involvement. Residents should be given a copy of the Shelter Operation Plan and a list of key personnel.

Attachment: HANCOCKCOUNTYSHELTERPLANSIGNEDCOPYSEPTEMBER72021 (9755 : Emergency Shelter Operation Plan)

Shelter Disaster Planning (Continued)

- The EMA Office, Red Cross and DHS Personnel should have knowledge of the operations of all equipment associated with the shelter. This includes radios, phones, transmitters, lighting, and safety equipment. They are responsible for the closure of all shelter openings (doors, windows, etc.) prior to the event. All equipment must be maintained throughout the year. They are also responsible for maintaining supplies (first aid kit, water, and special needs) in a readiness state within the shelter. All supplies shall be replenished after each disaster even and running inventory kept of available supplies.

16. Public Education and Training

- The EMA Director, Red Cross and DHS shall conduct several meetings throughout the year to educate residents on the risk from severe weather events, and the importance of complying with Shelter Operations Plan. At these meeting, the Disaster Management Team should be introduced and all the residents should be informed of each entity's responsibilities. Details of Shelter Operation Plans should be presented (of most importance, are the routes to the shelters). Residents will also receive detailed information from the Hancock County Emergency Management Agency regarding items they will be required to bring to the shelter.
- The Hancock County Emergency Management Agency will conduct at least two evacuation practice drills per year.
- The Hancock County Emergency Management Agency, the American Red Cross and the Hancock County Department of Human services shall coordinate the evacuation drills.

17. Shelter Items Residents need to bring:

- Food, snacks, water for a minimum period of 3-5 days
- Medications
- Bedding
- Clothing and Personal Items
- Infant items (if applicable)
- Small entertainment items for children (if applicable)

18. Updates and Announcements:

- Newsletters with updates and announcements shall be prepared and distributed by the EOC'S Public Information Officer.

- The Public Information Officer shall distribute information as instructed by the EMA Director.

- The Public Information Officer shall provide the location of the shelter to anyone that that may respond to the Site after an event, if so necessary.

19. Law Enforcement and Fire Department Coordination:

- The Hancock County EMA/EOC Office shall communicate with local police, fire, and rescue teams on any assistance needed.
- Law Enforcement Officers and/or contracted security shall be in place at all of the shelters when they are opened.
- Firefighters shall be asked to assist in medical first aid at the shelters if needed. This shall be done at the advice of the EOC'S ESF 8 Coordinator.

20. Pets

- No pets are permitted in the shelter during a tornado event (except for a service animal).
- The Kiln community Center which is located in front of the Kiln General Population shelter and the Necaise Community Center which is located in front of the Necaise General Population Shelter was approved by the Hancock County Board of Supervisors to house small animals. This will be coordinated by the Director of the Hancock County Animal Shelter and the Hancock County Emergency Management Agency.

21. Facility Management Plan

- The Hancock County Shelters have been built with all the newest designs and materials to serve as a Community Shelter during severe weather events for its residents. The shelter has been built with the Federal Emergency Management Agency 361 Guidelines. It is self-contained with its own standby power system, sewage plant and water system.

- **Building:**

  - The Hancock County Emergency Management Agency in coordination with the American Red Cross shall exercise and walk through the twice a year.

  - Inspect and document the condition of the facility and any facility equipment that will be utilized during the operation of the facility.

  - Operate the Water System, Electrical System, A/C Unit, etc..

  - Check the Emergency lighting.

  - Check the Fire Extinguishers

Attachment: HANCOCKCOUNTYSHELTERPLANSIGNEDCOPYSEPTEMBER72021 (9755 : Emergency Shelter Operation Plan)

- Document every walk-through on the EOC'S Shelter Check Sheet.

- **Generator**

  - The shelter will have an Emergency and Standby Power System. The Hancock County Emergency Management Agency realizes this important piece of equipment will only be utilized during power outages. Therefore it is important that this equipment receive proper maintenance on a year round basis. The Hancock County EMA will have the Hancock County Road Maintenance Mechanic maintain the generator in accordance with the NFPA 110 Standard.
  - During a declared emergency event the fuel for this generator will be provided by the Hancock County Road Maintenance Crew.
  - The emergency generator shall be exercised (ran) once a week on Fridays by the Hancock County Emergency Management Agency. The emergency generator shall be put on full load on the last Friday of the month.

22. **Plan Development and Maintenance, Training and Exercise**

E. The Hancock County Emergency Management Agency shall coordinate with the American Red Cross and Mississippi Department of Human Services for updating and review of the Shelter Plan.

Regular Meeting of the Hancock County Planning Commission held on August 5, 2021

Those Present: R. Ladner,Koenig and Kellar

Also Present
Anthony Cuevas, Director of Planning & Zoning

Minutes of Previous Meetings: The minutes of the July 1, 2021 regular meeting were unanimously adopted on the motion of Commissioner R. Ladner. The minutes of July 15, 2021 regular meeting were unanimously adopted on the motion of Commissioner Kellar.

Kim & Charlene Farve- Mini Subdivision

The Commission considered the application of Kim & Charlene Farve requesting to divide 1.03 acres from a 7.79-acre parcel of property. The property is located at 3858 Firetower Rd. Kiln, MS 39556. The parcel number is 062 -0-09-001.007. The property is currently zoned A-1 General Agricultural.

Mr. and Mrs. Farve were both present at the meeting and explained to the Commission that they would like to divide the property to give a piece to their daughter so she can build a house.

After discussion on the matter it was unanimously adopted on the motion of Commissioner R. Ladner to recommend approval of the proposed subdivision as a mini subdivision based on the findings that said division meets the previously established criteria for a mini subdivision and that formal compliance with the requirements of the Subdivision Regulations is not necessary, but subject to the stipulations and on the condition that the applicant files an affidavit of subdivision in the public land records along with a certified survey showing new parcels with the legal descriptions.

Kenneth Hershberger- Mini Subdivision

The Commission considered the application of Kenneth Hershberger requesting to divide 1.44 acres from a 4.1-acre parcel of property. The property is located at 21472 Deerwood Rd. Kiln, MS 39556. The parcel number for the property is 057 -0-36-003.000. The property is currently zoned A-1 General Agricultural.

Mr. Hershberger was present at the meeting and explained to the Commission that he would like to divide his property along Deerwood Rd. in the Kiln.

After discussion on the matter it was unanimously adopted on the motion of Commissioner Kellar to recommend approval of the proposed subdivision as a mini subdivision based on the findings that said division meets the previously established criteria for a mini subdivision and that formal compliance with the requirements of the Subdivision Regulations is not necessary, but subject to the stipulations and on the condition that the applicant files an affidavit of subdivision in the public land records along with a certified survey showing new parcels with the legal descriptions.

Attachment: 8-5-21 P&Z Minutes (9713 : August 5, 2021 P&Z Minutes)

Irvin Templet- Mini Subdivision

The Commission considered the application of Irvin Templet requesting to divide 10 acres from a 60-acre parcel of property. The property is located at 12260 Old Kiln Rd. Picayune, MS 39466. The parcel number for the property is 043 -0-07-005.000. The property is currently zoned A-1 General Agricultural.

Mr. Templet was present at the meeting and explained to the Commission that he would like to divide the property to sell a piece to his sister-in-law.

After discussion on the matter it was unanimously adopted on the motion of Commissioner Kellar to recommend approval of the proposed subdivision as a mini subdivision based on the findings that said division meets the previously established criteria for a mini subdivision and that formal compliance with the requirements of the Subdivision Regulations is not necessary, but subject to the stipulations and on the condition that the applicant files an affidavit of subdivision in the public land records along with a certified survey showing new parcels with the legal descriptions.

Corey Smith d/b/a Executive Holding LLC-Conditional Use & Site Plan Review

The Commission considered the application of Corey Smith d/b/a Executive Holdings LLC requesting a Conditional Use & Site Plan Review for a new Family Dollar Tree Store. The property is located at 21350 Hwy 603 Kiln, MS 39556. The parcel number for the property is 059 -0-31-009.000. The property is currently zoned A-1 General Agricultural.

Mr. Smith was present at the meeting and explained to the Commission that he would like to construct a Family Dollar Tree Store on the property.

After discussion on the matter it was unanimously adopted on the motion of Commissioner Kellar to recommend the Conditional Use & Site Plan to construct a new Family Dollar Tree Store.

(The Public Comments did not pertain to the Agenda Items considered at this meeting since there were not any Public Hearings on the Agenda)

Public Comments -

Denise Catone asked the Commission how each of the Commissioners are selected and the Commission explained the process to her.

Mrs. Catone then asked a question on how to find contractors for gutter cleaning services which the Commission recommended searching Contractors desk or Bulletin Boards at the local hardware stores in the area.

Mrs. Catone also asked about a previous application concerning a property on the corner of 7th Ave. and Hwy 90 in Pearlington as to the final decision. The Commission explained that they recommended denying the application and that the applicant did not appeal the decision to the Board of Supervisors.

Steve Fricke was present and explained to the Commission that he did not agree with the way the Public Hearing in which he attended for the application concerning the property on the corner of 7th Ave. and Hwy 90 was handled by the Commission. He also stated that he was not in favor or against the application.

AN AGREEMENT BETWEEN THE UNIVERSITY OF SOUTHERN MISSISSIPPI FOR ITS SCHOOL OF SOCIAL WORK AND

Agency Name **Hancock County Youth Court**

Agency Address 126 Court St. Bay St. Louis, MS 39520

This is an agreement between the University of Southern Mississippi, hereinafter known as the university, and Hancock County Youth Court hereinafter known as the agency, to guide and direct a working relationship in providing field education learning experiences for social work students.

This agreement will be effective from August 1, 2021 through December 31, 2025 . Both parties to the agreement, prior to the date of termination may review this agreement and automatically renew for an additional year. The agreement may be modified by mutual consent at any time with appropriate approval from both parties. Either party may terminate the agreement at any time without cause upon at least thirty (30) days' prior written notice, provided that all student(s) currently enrolled in field education at the time of notice of termination shall be given the opportunity to complete their learning experience at the agency, such completion shall not exceed one (1) month.

Whereas both parties are desirous of cooperating in a plan to provide facilities for social work Field Education instruction to the students in university, it is agreed as follows:

A. Responsibilities of the University of Southern Mississippi and Its School of Social Work

1. Field Education experience will be provided without regard to age, race, color, creed, national origin, or gender of parties involved.

2. Honor all agency communication channels, procedures, and policies in making plans for Field Education placements for social work learning experiences.

3. Provide a School of Social Work geographical faculty liaison to the agency to make periodic contact and/or visits to the facility to review student progress, respond to consultation requests regarding the student(s), and assist the field instructor to explore diverse and meaningful learning experiences for the student(s).

4. Assume full responsibility for administration of the Field Education program of the School of Social Work and for classroom instructor responsibilities to the field instructors at the facility. Using feedback from the field instructor in the form of evaluations the classroom instructor will submit student's final grade.

5. Provide Field Education training to field instructors through periodic meetings planned specifically for this purpose.

Attachment: Agreement between USM and HCYC (9706 : Approve and authorize Board President to sign Agreement between USM and HCFTC)

6. Provide copies of the Field Education Manual, course materials, and Field Education calendar. Provide the facility with verification of professional liability insurance for field education students.

7. Advise students that certain agencies may require background checks, drug screens, and/or certain immunizations before acceptance at the facility. Where permissible, a Healthcare Criminal History Background Affidavit (MSDH Form #210) may substitute for the background check.

B. Responsibilities of the agency

1. Field Education experience facilities will be provided without regard to age, race, color, creed, national origin, or gender of the parties involved.

2. Provide available space, instructional materials and social work experiences to the student(s) for the learning purposes. Provide adequate orientation of said agency to the student(s). Provide a planned educational experience to the social work student(s) in accordance with the Field Education Manual of the School of Social Work.

3. Honor student class attendance and school requirements.

4. Inform the geographical faculty liaison of any changes in policy and/or procedures, which may affect student learning experiences and/or opportunities. Inform the geographical faculty liaison of any changes in the employment status or assignment of the assigned field instructor, which may affect student learning experiences and/or opportunities.

5. Inform field coordinator immediately of any inappropriate conduct of the student.

6. Allow social work field instructor time to meet with the student(s) on a weekly basis. Allow social work field instructor to complete and submit in Tk20 mid-term evaluation and an end-term evaluation for each semester a student is placed within the agency.

7. Allow social work field instructor to attend Field Education training.

8. Retain full responsibility for the care and welfare of all clients when students are in training.

9. Honor the University and School of Social Work policy that prohibits students from transporting clients in the student's personal vehicle.

4. Assume full responsibility for administration of the Field Education program of the School of Social Work and for classroom instructor responsibilities to the field instructors at the facility. Using feedback from the field instructor in the form of evaluations the classroom instructor will submit student's final grade.

5. Provide Field Education training to field instructors through periodic meetings planned specifically for this purpose.

Attachment: 20210907 - Agreement between University of Southern Mississippi and Hancock County Youth Court (9706 : Approve and

6. Provide copies of the Field Education Manual, course materials, and Field Education calendar. Provide the facility with verification of professional liability insurance for field education students.

7. Advise students that certain agencies may require background checks, drug screens, and/or certain immunizations before acceptance at the facility. Where permissible, a Healthcare Criminal History Background Affidavit (MSDH Form #210) may substitute for the background check.

B. Responsibilities of the agency

1. Field Education experience facilities will be provided without regard to age, race, color, creed, national origin, or gender of the parties involved.

2. Provide available space, instructional materials and social work experiences to the student(s) for the learning purposes. Provide adequate orientation of said agency to the student(s). Provide a planned educational experience to the social work student(s) in accordance with the Field Education Manual of the School of Social Work.

3. Honor student class attendance and school requirements.

4. Inform the geographical faculty liaison of any changes in policy and/or procedures, which may affect student learning experiences and/or opportunities. Inform the geographical faculty liaison of any changes in the employment status or assignment of the assigned field instructor, which may affect student learning experiences and/or opportunities.

5. Inform field coordinator immediately of any inappropriate conduct of the student.

6. Allow social work field instructor time to meet with the student(s) on a weekly basis. Allow social work field instructor to complete and submit in Tk20 mid-term evaluation and an end-term evaluation for each semester a student is placed within the agency.

7. Allow social work field instructor to attend Field Education training.

8. Retain full responsibility for the care and welfare of all clients when students are in training.

9. Honor the University and School of Social Work policy that prohibits students from transporting clients in the student's personal vehicle.

SECTION IV: PROPOSED CHANGES TO THE STORM WATER MANAGEMENT PROGRAM

ACT7, S-2(4) and (5) of the MS4 General Permit require the coverage recipient to report proposed changes to BMPs or identified measurable goals that apply to the SWMP program elements. The MS4 should also include changes to address any BMPs listed as "Inappropriate" or "Minimally Appropriate" in Section II or this form.

The **Comments** column should contain details regarding the measurable goals to implement the BMP, a schedule of implementation and an indication if this is a new BMP being proposed.

NOTE: Use the following codes for Minimum Measure ID: Public Education – **PE**; Public Involvement – **PI**; Illicit Discharge Detection and Elimination – **ID**; Construction Site Runoff Control – **CS**; Post-Construction Storm Water Management – **PC**; Pollution Prevention/Good Housekeeping - **PP**

Minimum Measure ID	Best Management Practice	Previous Measurable Goal	Proposed New Measurable Goal	Comments	Responsible Individual (Name or Job Title)
PI 1	Stormwater task force	Adding citizens to the task force	Establish a consistent internal task force with regular meetings prior to inviting the public	The county task forces includes members from the Planning, Zoning, Roads and Parks departments, the County engineer and emergency management officials	Hancock County Building Official

SECTION V: CONTROL MEASURES PLANNED/IMPLEMENTED TO ADDESS WASTELOAD ALLOCATIONS

ACT7, S-2(12) of the MS4 General Permit requires the coverage recipient to document all control measures being planned or implemented that may address the Wasteload Allocations (WLA) provisions of a Total Maximum Daily Load (TMDL) established for impaired receiving stream segments within the MS4 (if it is found that the MS4 must implement specific WLA provisions of a TMDL). The general permit also requires the MS4 to include an implementation schedule for all planned controls.

Approved TMDL / Water Body Name / Pollutant of Concern	Best Management Practice	Wasteload Allocation Details	Implementation Schedule
203811 / Orphan Creek / Sediment	Construction Site Controls – Through the BMPs outlined in the construction site stormwater controls minimum measure, the County hopes to reduce sediment in this stream segment within the County.	There are no NPDES point sources in the Orphan Creek watershed. The pollutant of concern for this TMDL is sediment from land use runoff and in-channel processes	See construction site control minimum measure for implementation schedule
205312 / Wolf Creek / Biological Impairment	This stream segment will be listed for TMDL in the next stormwater year, with BMPs to be identified by the MDEQ	Aquatic Life Use Support	

SECTION VI: OTHER INFORMATION (type "X" in all boxes that apply)

☐ During this reporting period, the MS4 has collected and analyzed monitoring data as part of its SWMP implementation (attach copies).

☐ During this reporting period, the MS4 relied on another government agency to satisfy some of its permit obligations (attach description of the SWMP components being delegated and a copy of the legal agreement between the MS4 and the implementing entity).

SECTION V: CONTROL MEASURES PLANNED/IMPLEMENTED TO ADDESS WASTELOAD ALLOCATIONS

ACT7, S-2(12) of the MS4 General Permit requires the coverage recipient to document all control measures being planned or implemented that may address the Wasteload Allocations (WLA) provisions of a Total Maximum Daily Load (TMDL) established for impaired receiving stream segments within the MS4 (if it is found that the MS4 must implement specific WLA provisions of a TMDL). The general permit also requires the MS4 to include an implementation schedule for all planned controls.

Approved TMDL / Water Body Name / Pollutant of Concern	Best Management Practice	Wasteload Allocation Details	Implementation Schedule
203811 / Orphan Creek / Sediment	Construction Site Controls – Through the BMPs outlined in the construction site stormwater controls minimum measure, the County hopes to reduce sediment in this stream segment within the County.	There are no NPDES point sources in the Orphan Creek watershed. The pollutant of concern for this TMDL is sediment from land use runoff and in-channel processes	See construction site control minimum measure for implementation schedule
205312 / Wolf Creek / Biological Impairment	This stream segment will be listed for TMDL in the next stormwater year, with BMPs to be identified by the MDEQ	Aquatic Life Use Support	

SECTION VI: OTHER INFORMATION (type "X" in all boxes that apply)

☐ During this reporting period, the MS4 has collected and analyzed monitoring data as part of its SWMP implementation (attach copies).

UTILITY NAME Standard Dedeaux Water Association,

BY Diana Ladner, Office Manager,
(Name & Company Title)

ADDRESS 2655 Firetower Road, Kiln, MS, herein called APPLICANT,

proposes to construct 2" Road Bore to run 3/4" service line through
(Type of Facility)

along or across Firetower Road Road, said facility to be
(Name of Road)

installed between Station No._____ and Station No._____ and within the road right-of-way, and hereby makes application to the County for the construction permit. Attached hereto are drawings or plans for the construction, which will not be changed or altered without approval of the Board of Supervisors, or its authorized representative.

WHEREAS, the Legislature of Mississippi has heretofore granted to the Applicant the right to locate its facilities upon, across, under, over and along public roads and streets within the State of Mississippi; Applicant agrees to comply with applicable provisions of S.O.P. No. SA II-2-8, Policy for the Accommodation of Utility Facilities within the Rights-of-Way of County Federal Aid and State Aid Roads (hereinafter referred to as the "Policy"), promulgated by the State Aid Engineer and dated July 1, 2005, and which is hereby made a part of this Application Agreement, and agrees to perform the construction according to the applicable industry code and according to the plans and specifications for the project.

The Applicant shall be responsible for future maintenance and repair of the facilities. The Applicant shall make future adjustments in, or relocate, the facilities located within the road right-of-way when required for road widening, construction or maintenance, and its right to reimbursement of its costs shall be in accordance with State Laws affecting County roads in effect at the time such adjustment or relocation is made. Further, any maintenance, repair, or construction shall be done in such a manner as to occasion no unreasonable interference with the normal flow and safety of traffic.

FORM-SA ROW-U2
(Rev. 07-01-2005)

A general description of the size, type, nature, and extent of the Utility work to be done is a follows:

2" Road bore under Interstate Road. 2" HDP tubing will be used to insert 3/4" tubing to install 3/4" meter to supply water to 1 household. Meter on 1 side and 3/4" x 4" tap on opposite side

The Applicant understands and agrees that, except as herein granted, no right, title, claim, or easement to said road right-of-way is granted by the issuance of this permit and that if this Utility Facility is not placed within the allowable horizontal and vertical limits as listed in the general provisions of the Policy, it will be adjusted to comply with same without cost to the County, unless the variance from the Policy has been approved by the granting of the Permit pursuant to this Application.

Hancock County agrees to the following stipulations:

(1) To cooperate with the Utility Company in every way to avoid conflicts in the location, construction, and maintenance of the County road and Utility Facility.

(2) To pursue any and all legal means to see that Policy Standards, except to the extent of any variance shown on the plans filed herewith and approved, are complied with in the facility installation.

(3) If the County/LSBP Engineer or other authorized representative of the Board of Supervisors approved the drawings, sketches, and plans submitted by the Applicant, he shall so indicate by signing and dating the Permit Approval at the end of this Application, and the Applicant may proceed with the installation; if the drawings, sketches, and plans are not approved, he shall promptly notify the Applicant, and advise him of the reason or reasons. He will also act as the duly appointed representative of the Board of Supervisors and will give his approval to the completed work as being in compliance with the location and standards shown in the Policy and in this Agreement for the installation.

(4) That all joint road construction and utility adjustment or relocation operations will comply with the requirements of Section S-105.06 and Section S-107.18, Mississippi Standard Specifications for State Aid Road and Bridge Construction, 2004 edition (or current edition).

(5) Should any terms or provision of this Agreement conflict with the Laws of the State of Mississippi, or the United States, or impair or deny to the Applicant or the County any right protected thereby, it shall be deemed amended to conform to said Laws.

Memorandum of Agreement

ER-0023-00(056)LPA / 108754-701000
Beach Boulevard Repairs
Hancock County, Mississippi

This Agreement is made between the Mississippi Transportation Commission, a body Corporate of the State of Mississippi (hereinafter referred to as the "Commission"), acting by and through the duly authorized Executive Director of the Mississippi Department of Transportation ("MDOT") and Hancock County Board of Supervisors (hereinafter referred to as the "LPA"), for the purpose of establishing the terms under which the LPA may utilize federal funds to complete the proposed project as described below, effective as of the date of the last execution by the Commission.

WHEREAS, the Commission has oversight responsibility and authority over federal funds that are available for local public agency projects; and

WHEREAS, the LPA intends to develop and construct Beach Boulevard Repairs; (hereinafter referred to as the "Project"), and the Commission intends to allow the LPA access to available federal funds and manage the Project under the terms and provisions of this Memorandum of Agreement; and

WHEREAS, a Detailed Damage Inspection Report was developed by the parties along with a cost estimate, for purpose of obtaining emergency funding, said amount being that which would be required to return the project area to pre-disaster conditions. The cost estimate will serve as the amount of project cost for which federal funding is being sought; and

WHEREAS, if the project construction is completed within 180 days of the disaster event, then the LPA will be eligible for 100% federal reimbursement, and if the Project extends beyond 180 days of the disaster event, the amount of federal reimbursement will be 80% of eligible costs, with the remaining costs being the responsibility of the LPA, as more particularly set forth herein; and

WHEREAS, the LPA will be responsible for all Project costs over and above the maximum amount of federal funds allocated to the Project by the Commission, and the MDOT requires the LPA to provide the local share (local match) previously stated; and

WHEREAS, the Commission and the LPA desire to set forth, by this Agreement, more fully, the agreements of the parties by which the Project will be developed and completed; and

NOW, THEREFORE, for and in consideration of the premises and agreements of the parties as hereinafter contained, the LPA and the Commission enter into this Memorandum of Agreement for the use of the currently available federal funds and any future federal funds that may be allocated to this Project, agree and covenant as follows:

Attachment: 108754 - MOA_001 - Beach Boulevard Repairs Project (9690 : Approve MOA with MDOT regarding Beach Boulevard Repairs

ARTICLE I. DUTIES AND RESPONSIBILITIES

A. The LPA, which is hereby designated as the Local Sponsor for the purposes herein, hereby contracts, covenants and binds itself to the following responsibilities, duties, terms and conditions:

1. The LPA shall immediately designate a full time employee of the LPA as the Project Director, who will serve as the person responsible for completion of all phases of the Project and will coordinate all Project activities with the MDOT District LPA Engineer.

2. The LPA shall promptly follow the procedures set out in the latest online version of the Project Development Manual (PDM) for Local Public Agencies that are necessary for the Project including, but not limited to, project activation, reporting requirements for federal awards (including the single audit), consultant selection, necessary permits, environmental process, preliminary design,, right-of-way acquisition, advertisement for and selection of a contractor, construction oversight, and project close out activities.

3. The LPA shall submit to MDOT four (4) complete sets of as-built plans in printed form and the original electronic files in a format that is compatible with Microstation prior to MDOT acceptance. Upon request, MDOT may waive this requirement for selected projects.

4. The LPA shall be responsible for all maintenance and operation of the Project during and after completion so that the federal investment in the Project is preserved. If maintenance is not performed, as appropriate, future federal funds may be withheld for any projects in the jurisdiction of the local agency, or the Commission may seek recovery of federal funds through all available legal actions.

5. The LPA shall follow and abide by any and all federal requirements, specifically, but not limited to, the provisions that no retainage shall be withheld from installment payments to the construction contractor.

6. The LPA agrees that if any act or omission on the part of the LPA causes loss of Federal funding from FHWA or any other source, or any penalty being imposed by the United States of America under the Clean Water Act, 33 U.S.C. § 1251, et seq. or any other provision of law, the LPA will be solely responsible for all additional costs.

7. In compliance with State Law, the LPA shall pay all payments owed to Contractors and Consultants according to the terms of the contract, and in all instances payments shall be made within forty-five (45) days from the day they were due and payable. MDOT reserves the right to withhold reimbursement until adequate proof of payment has been produced by the LPA.

Excepted from this requirement are payments to railroads for any work included in the Project. Payments to railroads, their consultants or contractors, for work included in the Project, may be made by MDOT, at its sole discretion. Payments made by MDOT to railroads, their consultants or contractors shall come from the funds obligated for the Project.

8. The LPA shall be solely responsible for payment of any and all funds required to complete the Project, over and above the available federal funds for the Project.

Attachment: 108754 - MOA_001 - Beach Boulevard Repairs Project (9690 : Approve MOA with MDOT regarding Beach Boulevard Repairs

9. All contracts and subcontracts shall include a provision for compliance with Senate Bill 2988 from the 2008 Session of the Mississippi Legislature entitled "The Mississippi Employment Protection Act," as published in the General Laws of 2008 and codified in the Mississippi Code of 1972, as amended (Sections 71-11-1 and 71-11-3), and any rules or regulations promulgated by the Commission, the Department of Employment Security, the Department of Revenue, the Secretary of State, or the Department of Human Services in accordance with the Mississippi Administrative Procedures Law (Section 25-43-1, et seq., Mississippi Code of 1972, as amended) regarding compliance with the Act. Under this Act, the LPA and every sub-recipient or subcontractor shall register with and participate in a federal work authorization program operated by the United States Department of Homeland Security to electronically verify information of newly hired employees pursuant to the Illegal Immigration Reform and Immigration Responsibility Act of 1996, Public Law 104-208., Division C, Section 403(a); 8 USC, Section 1324a.

10. The LPA will be required to acknowledge MDOT and FHWA in all public relations efforts for the Project including press releases, materials for groundbreakings, ribbon cuttings or other public events and any other public information or media resources by notifying the MDOT Public Affairs Division, via telephone at 601-359-7074 or by electronic mail at comments@mdot.ms.gov. At a minimum, the following example sentence should be included:

"This project was funded (partially) by the Mississippi Department of Transportation and the Federal Highway Administration."

When appropriate, an invitation should be extended to MDOT Public Affairs for the Transportation Commissioner, MDOT Executive Director or other designee to speak at any official public ceremony for this Project.

11. The LPA agrees that if the Project is not kept upon a schedule that meets MDOT guidelines, then the funds allocated to the Project may be rescinded. If the Project funds are rescinded, then the LPA may be required to refund any amounts paid unto the LPA by MDOT. The MDOT guidelines are derived from Title 23, United States Code, Section 102(b) and Title 23, Code of Federal Regulations, Part 630.112(c)(2).

12. The LPA will be required to submit to the District LPA Engineer monthly progress reports through the Notice to Proceed for construction, which shall include, but not be limited to, the work that has been completed that month and the planned work for the upcoming month. The LPA will also provide a project progress schedule that will report project milestones and the target date for the LPA's request for Ad Authority. These project milestones are to be updated once any milestones are missed.

13. The LPA agrees to maintain, and make available to Commission, a sufficient accounting system with proper internal controls and safeguards to prevent fraud and overpayments. The accounting system and its controls should at all times maintain adequate recording and reporting of federal funds received by the LPA. If sufficient internal controls over the LPA's federal funding are not maintained, federal funds may be withheld and future transportation projects will not be considered.

14. The LPA agrees that any planning studies prepared or produced, as part of, or in conjunction with, this Project, shall in no way obligate the Commission to any other terms or conditions other than those stated herein.

Attachment: 108754 - MOA_001 - Beach Boulevard Repairs Project (9690 : Approve MOA with MDOT regarding Beach Boulevard Repairs

15. The LPA, being classified as a lower tier participant in federal funding, certifies, by execution of this agreement, that neither it nor those individuals or entities with which it contracts are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

16. The LPA agrees that it will require that any engineering plans prepared for the construction of the Project be signed and sealed by the professional engineer responsible for preparation of the plans. This requirement applies to the engineer assigned to the Project by a consulting engineering firm under contract to the LPA, or to an engineer that is a full-time, or part-time employee of the LPA. Further, the LPA agrees that it is solely responsible for errors and omissions that occur during Project development or during construction, regardless of any review or oversight activity on the part of MTC/MDOT.

17. The LPA agrees that once construction of the Project has commenced, the LPA is responsible for the Project being completed according to the plans and specifications, addenda or supplemental agreement as amended. The LPA acknowledges and agrees that this responsibility continues after the federal funds provided through MDOT are exhausted.

B. THE COMMISSION WILL:

1. Allow the LPA to design and construct the proposed transportation improvements provided that the design meets with MTC/MDOT and FHWA approval.

2. Approve permit applications that meet with MDOT standards that are necessary to allow the LPA access to the property of the Commission for the purposes of constructing the proposed transportation improvements. The Commission may enter into an appropriate agreement in its discretion.

3. Work with the LPA, through the District LPA Engineer, during the various phases of the work with the goal of producing a project that will be acceptable to the Commission upon completion.

4. Review all submittals in a timely manner, in accordance with the PDM, to allow the Project to progress in an orderly fashion. The review and oversight conducted by MTC does not relieve the LPA from its full responsibility for the proper design and construction of the Project.

5. During the progress of the Project, assist the LPA in obtaining reimbursements of federal funding for any project cost that is eligible for reimbursement.

6. Submit all documents to the Federal Highway Administration (FHWA) when required or requested by the FHWA.

7. At its discretion, make payments directly to railroad companies, their consultants or contractors for work on railroads included in the Project. The payments made shall come from Project funds obligated for the Project.

Attachment: 108754 - MOA_001 - Beach Boulevard Repairs Project (9690 : Approve MOA with MDOT regarding Beach Boulevard Repairs

ARTICLE II. GENERAL PROVISIONS

A. The Commission shall have the right to audit all accounts associated with the Project, and should there be any overpayment by the Commission to the LPA, the LPA agrees to refund any such overpayment within thirty (30) days of written notification. Should the LPA fail to reimburse the Commission, the Commission shall have the right to offset the amount due from any other funds in its possession that are due the LPA on this or any other project, current or future.

B. This Memorandum of Agreement shall be subject to termination at any time upon thirty (30) days written notice by either party. Such notice given by the LPA, shall not, however, cancel any contract made by the LPA that is to further the purpose of this agreement and that is underway at the time of termination. Any construction contract underway shall be allowed to conclude under its own terms. The LPA agrees to bear complete and total, legal and financial responsibility for any such contract. Additionally, funds may be suspended or terminated under the provisions of Section F of this Article.

C. It is understood that this is a Memorandum of Agreement and that more specific requirements for the development and construction of the transportation improvement Project are contained in the Federal Statutes, the Code of Federal Regulations, the Mississippi Code, and the Standard Operating Procedures for MDOT, and other related regulatory authorities. The LPA agrees that it will abide by all such applicable authority.

D. Should the LPA miss the obligation deadline set in this MOA, the Commission reserves the right to refuse to obligate funds for the Project.

E. The Executive Director of MDOT is authorized to withhold federal funds for the Project for failure of the LPA, its consultants, or its contractor to follow the requirements of the Standard Specifications for Road and Bridge Construction, latest edition, or the latest online LPA Project Development Manual.

F. Before federal funds are terminated, the LPA will be notified in writing by the Executive Director of the conditions that make termination of funds imminent. If no effective effort has been made by the LPA, its agents, employees, contractors or subcontractors, to correct the conditions set forth in the Director's notice, within fifteen (15) calendar days after notice is given, the Executive Director may declare the federal funds suspended for the Project and notify the LPA accordingly. The LPA will then have forty-five (45) days in which to correct all conditions of which complaint is made. If all conditions are not corrected within forty-five (45) days, the Executive Director may declare the federal funds for the Project terminated and notify the LPA accordingly. If all conditions are corrected, within the forty-five (45) day period, the LPA will be reimbursed under the terms of this agreement, for all work satisfactorily completed during the forty-five day period.

G. In the event that circumstances call for MDOT to expend staff time and other resources to address issues on the Project, then MDOT time may be charged to the Project. Assessing charges to a project is within the sole discretion of MDOT. Any charges made will impact the amount of funds available to reimburse the LPA, and therefore the LPA's contribution to the Project may increase.

ARTICLE I. DUTIES AND RESPONSIBILITIES

A. The LPA, which is hereby designated as the Local Sponsor for the purposes herein, hereby contracts, covenants and binds itself to the following responsibilities, duties, terms and conditions:

1. The LPA shall immediately designate a full time employee of the LPA as the Project Director, who will serve as the person responsible for completion of all phases of the Project and will coordinate all Project activities with the MDOT District LPA Engineer.

2. The LPA shall promptly follow the procedures set out in the latest online version of the Project Development Manual (PDM) for Local Public Agencies that are necessary for the Project including, but not limited to, project activation, reporting requirements for federal awards (including the single audit), consultant selection, necessary permits, environmental process, preliminary design,, right-of-way acquisition, advertisement for and selection of a contractor, construction oversight, and project close out activities.

3. The LPA shall submit to MDOT four (4) complete sets of as-built plans in printed form and the original electronic files in a format that is compatible with Microstation prior to MDOT acceptance. Upon request, MDOT may waive this requirement for selected projects.

4. The LPA shall be responsible for all maintenance and operation of the Project during and after completion so that the federal investment in the Project is preserved. If maintenance is not performed, as appropriate, future federal funds may be withheld for any projects in the jurisdiction of the local agency, or the Commission may seek recovery of federal funds through all available legal actions.

5. The LPA shall follow and abide by any and all federal requirements, specifically, but not limited to, the provisions that no retainage shall be withheld from installment payments to the construction contractor.

6. The LPA agrees that if any act or omission on the part of the LPA causes loss of Federal funding from FHWA or any other source, or any penalty being imposed by the United States of America under the Clean Water Act, 33 U.S.C. § 1251, et seq. or any other provision of law, the LPA will be solely responsible for all additional costs.

7. In compliance with State Law, the LPA shall pay all payments owed to Contractors and Consultants according to the terms of the contract, and in all instances payments shall be made within forty-five (45) days from the day they were due and payable. MDOT reserves the right to withhold reimbursement until adequate proof of payment has been produced by the LPA.

Excepted from this requirement are payments to railroads for any work included in the Project. Payments to railroads, their consultants or contractors, for work included in the Project, may be made by MDOT, at its sole discretion. Payments made by MDOT to railroads, their consultants or contractors shall come from the funds obligated for the Project.

8. The LPA shall be solely responsible for payment of any and all funds required to complete the Project, over and above the available federal funds for the Project.

9. All contracts and subcontracts shall include a provision for compliance with Senate Bill 2988 from the 2008 Session of the Mississippi Legislature entitled "The Mississippi Employment Protection Act," as published in the General Laws of 2008 and codified in the Mississippi Code of 1972, as amended (Sections 71-11-1 and 71-11-3), and any rules or regulations promulgated by the Commission, the Department of Employment Security, the Department of Revenue, the Secretary of State, or the Department of Human Services in accordance with the Mississippi Administrative Procedures Law (Section 25-43-1, et seq., Mississippi Code of 1972, as amended) regarding compliance with the Act. Under this Act, the LPA and every sub-recipient or subcontractor shall register with and participate in a federal work authorization program operated by the United States Department of Homeland Security to electronically verify information of newly hired employees pursuant to the Illegal Immigration Reform and Immigration Responsibility Act of 1996, Public Law 104-208., Division C, Section 403(a); 8 USC, Section 1324a.

10. The LPA will be required to acknowledge MDOT and FHWA in all public relations efforts for the Project including press releases, materials for groundbreakings, ribbon cuttings or other public events and any other public information or media resources by notifying the MDOT Public Affairs Division, via telephone at 601-359-7074 or by electronic mail at comments@mdot.ms.gov. At a minimum, the following example sentence should be included:

"This project was funded (partially) by the Mississippi Department of Transportation and the Federal Highway Administration."

When appropriate, an invitation should be extended to MDOT Public Affairs for the Transportation Commissioner, MDOT Executive Director or other designee to speak at any official public ceremony for this Project.

11. The LPA agrees that if the Project is not kept upon a schedule that meets MDOT guidelines, then the funds allocated to the Project may be rescinded. If the Project funds are rescinded, then the LPA may be required to refund any amounts paid unto the LPA by MDOT. The MDOT guidelines are derived from Title 23, United States Code, Section 102(b) and Title 23, Code of Federal Regulations, Part 630.112(c)(2).

12. The LPA will be required to submit to the District LPA Engineer monthly progress reports through the Notice to Proceed for construction, which shall include, but not be limited to, the work that has been completed that month and the planned work for the upcoming month. The LPA will also provide a project progress schedule that will report project milestones and the target date for the LPA's request for Ad Authority. These project milestones are to be updated once any milestones are missed.

13. The LPA agrees to maintain, and make available to Commission, a sufficient accounting system with proper internal controls and safeguards to prevent fraud and overpayments. The accounting system and its controls should at all times maintain adequate recording and reporting of federal funds received by the LPA. If sufficient internal controls over the LPA's federal funding are not maintained, federal funds may be withheld and future transportation projects will not be considered.

14. The LPA agrees that any planning studies prepared or produced, as part of, or in conjunction with, this Project, shall in no way obligate the Commission to any other terms or conditions other than those stated herein.

15. The LPA, being classified as a lower tier participant in federal funding, certifies, by execution of this agreement, that neither it nor those individuals or entities with which it contracts are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

16. The LPA agrees that it will require that any engineering plans prepared for the construction of the Project be signed and sealed by the professional engineer responsible for preparation of the plans. This requirement applies to the engineer assigned to the Project by a consulting engineering firm under contract to the LPA, or to an engineer that is a full-time, or part-time employee of the LPA. Further, the LPA agrees that it is solely responsible for errors and omissions that occur during Project development or during construction, regardless of any review or oversight activity on the part of MTC/MDOT.

17. The LPA agrees that once construction of the Project has commenced, the LPA is responsible for the Project being completed according to the plans and specifications, addenda or supplemental agreement as amended. The LPA acknowledges and agrees that this responsibility continues after the federal funds provided through MDOT are exhausted.

B. THE COMMISSION WILL:

1. Allow the LPA to design and construct the proposed transportation improvements provided that the design meets with MTC/MDOT and FHWA approval.

2. Approve permit applications that meet with MDOT standards that are necessary to allow the LPA access to the property of the Commission for the purposes of constructing the proposed transportation improvements. The Commission may enter into an appropriate agreement in its discretion.

3. Work with the LPA, through the District LPA Engineer, during the various phases of the work with the goal of producing a project that will be acceptable to the Commission upon completion.

4. Review all submittals in a timely manner, in accordance with the PDM, to allow the Project to progress in an orderly fashion. The review and oversight conducted by MTC does not relieve the LPA from its full responsibility for the proper design and construction of the Project.

5. During the progress of the Project, assist the LPA in obtaining reimbursements of federal funding for any project cost that is eligible for reimbursement.

6. Submit all documents to the Federal Highway Administration (FHWA) when required or requested by the FHWA.

7. At its discretion, make payments directly to railroad companies, their consultants or contractors for work on railroads included in the Project. The payments made shall come from Project funds obligated for the Project.

ARTICLE II. GENERAL PROVISIONS

A. The Commission shall have the right to audit all accounts associated with the Project, and should there be any overpayment by the Commission to the LPA, the LPA agrees to refund any such overpayment within thirty (30) days of written notification. Should the LPA fail to reimburse the Commission, the Commission shall have the right to offset the amount due from any other funds in its possession that are due the LPA on this or any other project, current or future.

B. This Memorandum of Agreement shall be subject to termination at any time upon thirty (30) days written notice by either party. Such notice given by the LPA, shall not, however, cancel any contract made by the LPA that is to further the purpose of this agreement and that is underway at the time of termination. Any construction contract underway shall be allowed to conclude under its own terms. The LPA agrees to bear complete and total, legal and financial responsibility for any such contract. Additionally, funds may be suspended or terminated under the provisions of Section F of this Article.

C. It is understood that this is a Memorandum of Agreement and that more specific requirements for the development and construction of the transportation improvement Project are contained in the Federal Statutes, the Code of Federal Regulations, the Mississippi Code, and the Standard Operating Procedures for MDOT, and other related regulatory authorities. The LPA agrees that it will abide by all such applicable authority.

D. Should the LPA miss the obligation deadline set in this MOA, the Commission reserves the right to refuse to obligate funds for the Project.

E. The Executive Director of MDOT is authorized to withhold federal funds for the Project for failure of the LPA, its consultants, or its contractor to follow the requirements of the Standard Specifications for Road and Bridge Construction, latest edition, or the latest online LPA Project Development Manual.

F. Before federal funds are terminated, the LPA will be notified in writing by the Executive Director of the conditions that make termination of funds imminent. If no effective effort has been made by the LPA, its agents, employees, contractors or subcontractors, to correct the conditions set forth in the Director's notice, within fifteen (15) calendar days after notice is given, the Executive Director may declare the federal funds suspended for the Project and notify the LPA accordingly. The LPA will then have forty-five (45) days in which to correct all conditions of which complaint is made. If all conditions are not corrected within forty-five (45) days, the Executive Director may declare the federal funds for the Project terminated and notify the LPA accordingly. If all conditions are corrected, within the forty-five (45) day period, the LPA will be reimbursed under the terms of this agreement, for all work satisfactorily completed during the forty-five day period.

G. In the event that circumstances call for MDOT to expend staff time and other resources to address issues on the Project, then MDOT time may be charged to the Project. Assessing charges to a project is within the sole discretion of MDOT. Any charges made will impact the amount of funds available to reimburse the LPA, and therefore the LPA's contribution to the Project may increase.

ARTICLE V. RESPONSIBILITIES FOR CLAIMS AND LIABILITY

To the extent permitted by law, the Commission and the LPA agree that neither party nor their agents, employees, contractors or subcontractors, will be held liable for any claim, loss, damage, cost, charge or expenditure arising out of any negligent act, actions, neglect or omission caused solely by the other party, its agents, employees, contractors or subcontractors.

ARTICLE VI. MISCELLANEOUS

No modification of this Memorandum of Agreement shall be binding unless such modification shall be in writing and signed by all parties. If any provision of this Memorandum of Agreement shall be held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable. If a court finds that any provision of this Memorandum of Agreement is invalid or unenforceable, but that by limiting such provision it would become valid and enforceable, then such provision shall be deemed to be written, construed, and enforced as so limited.

Memorandum of Agreement

ER-0023-00(056)LPA / 108754-701000
Beach Boulevard Repairs
Hancock County, Mississippi

This Agreement is made between the Mississippi Transportation Commission, a body Corporate of the State of Mississippi (hereinafter referred to as the "Commission"), acting by and through the duly authorized Executive Director of the Mississippi Department of Transportation ("MDOT") and Hancock County Board of Supervisors (hereinafter referred to as the "LPA"), for the purpose of establishing the terms under which the LPA may utilize federal funds to complete the proposed project as described below, effective as of the date of the last execution by the Commission.

WHEREAS, the Commission has oversight responsibility and authority over federal funds that are available for local public agency projects; and

WHEREAS, the LPA intends to develop and construct Beach Boulevard Repairs; (hereinafter referred to as the "Project"), and the Commission intends to allow the LPA access to available federal funds and manage the Project under the terms and provisions of this Memorandum of Agreement; and

WHEREAS, a Detailed Damage Inspection Report was developed by the parties along with a cost estimate, for purpose of obtaining emergency funding, said amount being that which would be required to return the project area to pre-disaster conditions. The cost estimate will serve as the amount of project cost for which federal funding is being sought; and

WHEREAS, if the project construction is completed within 180 days of the disaster event, then the LPA will be eligible for 100% federal reimbursement, and if the Project extends beyond 180 days of the disaster event, the amount of federal reimbursement will be 80% of eligible costs, with the remaining costs being the responsibility of the LPA, as more particularly set forth herein; and

WHEREAS, the LPA will be responsible for all Project costs over and above the maximum amount of federal funds allocated to the Project by the Commission, and the MDOT requires the LPA to provide the local share (local match) previously stated; and

WHEREAS, the Commission and the LPA desire to set forth, by this Agreement, more fully, the agreements of the parties by which the Project will be developed and completed; and

NOW, THEREFORE, for and in consideration of the premises and agreements of the parties as hereinafter contained, the LPA and the Commission enter into this Memorandum of Agreement for the use of the currently available federal funds and any future federal funds that may be allocated to this Project, agree and covenant as follows:

ARTICLE I. DUTIES AND RESPONSIBILITIES

A. The LPA, which is hereby designated as the Local Sponsor for the purposes herein, hereby contracts, covenants and binds itself to the following responsibilities, duties, terms and conditions:

1. The LPA shall immediately designate a full time employee of the LPA as the Project Director, who will serve as the person responsible for completion of all phases of the Project and will coordinate all Project activities with the MDOT District LPA Engineer.

2. The LPA shall promptly follow the procedures set out in the latest online version of the Project Development Manual (PDM) for Local Public Agencies that are necessary for the Project including, but not limited to, project activation, reporting requirements for federal awards (including the single audit), consultant selection, necessary permits, environmental process, preliminary design,, right-of-way acquisition, advertisement for and selection of a contractor, construction oversight, and project close out activities.

3. The LPA shall submit to MDOT four (4) complete sets of as-built plans in printed form and the original electronic files in a format that is compatible with Microstation prior to MDOT acceptance. Upon request, MDOT may waive this requirement for selected projects.

4. The LPA shall be responsible for all maintenance and operation of the Project during and after completion so that the federal investment in the Project is preserved. If maintenance is not performed, as appropriate, future federal funds may be withheld for any projects in the jurisdiction of the local agency, or the Commission may seek recovery of federal funds through all available legal actions.

5. The LPA shall follow and abide by any and all federal requirements, specifically, but not limited to, the provisions that no retainage shall be withheld from installment payments to the construction contractor.

6. The LPA agrees that if any act or omission on the part of the LPA causes loss of Federal funding from FHWA or any other source, or any penalty being imposed by the United States of America under the Clean Water Act, 33 U.S.C. § 1251, et seq. or any other provision of law, the LPA will be solely responsible for all additional costs.

7. In compliance with State Law, the LPA shall pay all payments owed to Contractors and Consultants according to the terms of the contract, and in all instances payments shall be made within forty-five (45) days from the day they were due and payable. MDOT reserves the right to withhold reimbursement until adequate proof of payment has been produced by the LPA.

Excepted from this requirement are payments to railroads for any work included in the Project. Payments to railroads, their consultants or contractors, for work included in the Project, may be made by MDOT, at its sole discretion. Payments made by MDOT to railroads, their consultants or contractors shall come from the funds obligated for the Project.

8. The LPA shall be solely responsible for payment of any and all funds required to complete the Project, over and above the available federal funds for the Project.

When appropriate, an invitation should be extended to MDOT Public Affairs for the Transportation Commissioner, MDOT Executive Director or other designee to speak at any official public ceremony for this Project.

11. The LPA agrees that if the Project is not kept upon a schedule that meets MDOT guidelines, then the funds allocated to the Project may be rescinded. If the Project funds are rescinded, then the LPA may be required to refund any amounts paid unto the LPA by MDOT. The MDOT guidelines are derived from Title 23, United States Code, Section 102(b) and Title 23, Code of Federal Regulations, Part 630.112(c)(2).

12. The LPA will be required to submit to the District LPA Engineer monthly progress reports through the Notice to Proceed for construction, which shall include, but not be limited to, the work that has been completed that month and the planned work for the upcoming month. The LPA will also provide a project progress schedule that will report project milestones and the target date for the LPA's request for Ad Authority. These project milestones are to be updated once any milestones are missed.

13. The LPA agrees to maintain, and make available to Commission, a sufficient accounting system with proper internal controls and safeguards to prevent fraud and overpayments. The accounting system and its controls should at all times maintain adequate recording and reporting of federal funds received by the LPA. If sufficient internal controls over the LPA's federal funding are not maintained, federal funds may be withheld and future transportation projects will not be considered.

14. The LPA agrees that any planning studies prepared or produced, as part of, or in conjunction with, this Project, shall in no way obligate the Commission to any other terms or conditions other than those stated herein.

E. The Executive Director of MDOT is authorized to withhold federal funds for the Project for failure of the LPA, its consultants, or its contractor to follow the requirements of the Standard Specifications for Road and Bridge Construction, latest edition, or the latest online LPA Project Development Manual.

F. Before federal funds are terminated, the LPA will be notified in writing by the Executive Director of the conditions that make termination of funds imminent. If no effective effort has been made by the LPA, its agents, employees, contractors or subcontractors, to correct the conditions set forth in the Director's notice, within fifteen (15) calendar days after notice is given, the Executive Director may declare the federal funds suspended for the Project and notify the LPA accordingly. The LPA will then have forty-five (45) days in which to correct all conditions of which complaint is made. If all conditions are not corrected within forty-five (45) days, the Executive Director may declare the federal funds for the Project terminated and notify the LPA accordingly. If all conditions are corrected, within the forty-five (45) day period, the LPA will be reimbursed under the terms of this agreement, for all work satisfactorily completed during the forty-five day period.

G. In the event that circumstances call for MDOT to expend staff time and other resources to address issues on the Project, then MDOT time may be charged to the Project. Assessing charges to a project is within the sole discretion of MDOT. Any charges made will impact the amount of funds available to reimburse the LPA, and therefore the LPA's contribution to the Project may increase.

PRELIMINARY ENGINEERING SERVICES CONTRACT

Lakeshore Road Resurfacing Project
STP-0101-00(154)LPA / 108785-701000
Hancock County

This CONTRACT, is made and entered into by and between the **Hancock County Board of Supervisors**, a body Politic of the State of Mississippi (the "LPA"), and, **Compton Engineering, Inc.** (the "CONSULTANT"), a **Corporation**, duly licensed and registered to do business in the State of Mississippi, whose address for mailing is **1969 Market Street, Pascagoula, Mississippi, 39567**. This CONTRACT shall be effective as of the latest date of execution below.

WITNESSETH:

WHEREAS, the LPA requires the services of a professional engineering firm for the purposes of providing preliminary engineering services for the design of a resurfacing project on Lakeshore Road from Lower Bay Road to Beach Road in Hancock County, MS, as provided for in STP-0101-00(154)LPA / **108785-701000**, hereinafter called the "PROJECT"; and

WHEREAS, the LPA desires to engage a qualified and experienced CONSULTANT to perform engineering services as stated above, hereinafter called the "SERVICES"; and

WHEREAS, the CONSULTANT has represented to the LPA that it is experienced and qualified to provide those SERVICES, and the LPA has relied upon such representation; and

WHEREAS, the CONSULTANT herein was selected through a Consultant Selection Process pursuant to the Mississippi Department of Transportation (hereinafter "MDOT") LPA Project Development Manual and pursuant to Federal Highway Administration ("FHWA") regulations, Engineering and Design Related Service Contracts, 23 C.F.R. Part 172 (as amended) and found satisfactory by the LPA; which is now desirous of entering into a CONTRACT;

NOW, THEREFORE, for and in consideration of the mutual promises and covenants contained herein and for other good and valuable consideration flowing unto the parties, the receipt and sufficiency of which is hereby acknowledged, the LPA and the CONSULTANT do hereby CONTRACT and agree as follows:

ARTICLE I. GENERAL RECITALS

The CONSULTANT shall, for the agreed fees, furnish all engineering services and materials required to perform the tasks described in the Scope of Work for the proposed transportation project. SERVICES provided by the CONSULTANT under this CONTRACT shall be performed in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances. In so doing, the CONSULTANT shall comply with all terms of this CONTRACT, including the Scope of Work and other exhibits, to the satisfaction of the LPA, which shall include any special requirements of the LPA. The CONSULTANT shall perform all SERVICES according to the terms of the CONTRACT, including all technical specifications and according to the prevailing industry standards, including standards of conduct and care, format and content.

Attachment: Letter to MDOT, Notice to Proceed, fully executed Lakeshore Road Resurfacing Project contract (9691 : Spread Preliminary

The LPA, in support of the CONSULTANT, will provide the CONSULTANT a Scope of Work shown in "Exhibit 2" hereto and any other data which may be of assistance to the CONSULTANT and within the possession and control of the LPA.

Manuals, guides, standards, and specifications applicable to this CONTRACT shall be those approved and/or adopted by MDOT and the FHWA and in effect on the effective date of this CONTRACT, unless otherwise specified in this CONTRACT or subsequently directed by MDOT during the course of the CONTRACT.

ARTICLE II. SCOPE OF WORK

The CONSULTANT shall perform the SERVICES in accordance with the Scope of Work attached to this CONTRACT as "Exhibit 2" and made a part hereof as if fully set forth herein. The performance of the SERVICES referred to in "Exhibit 2" shall be the primary basis for measurement of performance under this CONTRACT. The LPA specifically reserves the right and privilege to enlarge or reduce the scope or to cancel this CONTRACT at any time.

ARTICLE III. CONTRACT TERM, TERMINATION

This CONTRACT shall commence upon the latest date of execution below and continue until such time as the above named project is successfully completed to the satisfaction of the LPA (as demonstrated by the issuance of final payment) or until **December 31, 2021**, at 11:59 p.m., whichever comes first, at which time this CONTRACT shall absolutely and finally terminate.

During the term of this CONTRACT, the LPA reserves the right to terminate this CONTRACT in whole or in part, at any time, with or without cause, upon seven (7) days written notice to the CONSULTANT, notwithstanding any just claims by the CONSULTANT for payment for SERVICES rendered prior to the date of termination. In addition to payment for SERVICES rendered prior to the date of termination, the LPA shall be liable only for the reasonable costs, fees and expenses for demobilization and close out of this CONTRACT, based on actual time and expenses incurred by the CONSULTANT in the packaging and shipment of all documents covered by this CONTRACT to the LPA. In no event shall the LPA be liable for lost profits or other consequential damages.

ARTICLE IV. TIME OF PERFORMANCE

Time is of the essence in this CONTRACT. The CONSULTANT shall be prepared to perform its responsibilities for providing SERVICES by the date of execution of this CONTRACT.

The CONSULTANT has submitted a proposed project schedule to the LPA which has been incorporated herein as a part of "Exhibit 2" which, when approved by final execution of this CONTRACT, shall control the evaluation of the CONSULTANT'S progress on this PROJECT.

The CONSULTANT may not begin work on any feature of this PROJECT prior to receiving a Notice to Proceed.

Attachment: Letter to MDOT, Notice to Proceed, fully executed Lakeshore Road Resurfacing Project contract (9691 : Spread Preliminary

ARTICLE V. RELATIONSHIP OF THE PARTIES

The relationship of the CONSULTANT to the LPA is that of an independent contractor and, said CONSULTANT, in accordance with its status as an independent contractor, covenants and agrees that it will conduct itself consistent with such status, that it will neither hold itself out as, nor claim to be, an officer or employee of the LPA by reason hereof. The CONSULTANT shall not make any claim, demand or application for any right or privilege applicable to an officer or employee of the LPA, including but not limited to workers' compensation coverage, unemployment insurance benefits, social security coverage, retirement membership or credit, or any form of tax withholding whatsoever.

All notices, communications, and correspondence between the LPA and the CONSULTANT shall be directed to the key personnel and designated agents designated in this CONTRACT.

ARTICLE VI. COMPENSATION, BILLING & AUDIT

A. Cost and Fees

The CONSULTANT shall be paid on the basis set forth in "Exhibit 3" to this CONTRACT. Under no circumstances shall the LPA be liable for any amounts, including any costs, which exceed the maximum dollar amount of compensation that is specified in Exhibit 3.

B. Monthly Billing

The CONSULTANT must submit monthly billing to the LPA. (A sample of a required invoice is attached as "Exhibit 4"). All billing must be submitted in accordance with the Local Public Agency Consultant Operating Procedures. Each billing shall include all time and allowable expenses through the end of the billing period. Direct expenses, as used herein, include the costs of travel, subsistence, shipping charges, long distance telephone calls and printing if it is not company accounting policy to include these costs in overhead rates. Monthly payments will be made on the basis of a certified time record. The LPA retains the right to verify time and expense records by audit of any or all the CONSULTANT'S time and accounting records at any time during the life of this CONTRACT and up to three years thereafter.

If SERVICES are rendered within a given State fiscal year, an invoice requesting payment from the CONSULTANT shall be presented to the LPA within 60 days of the end of the State fiscal year. **Should the CONSULTANT fail to present the invoice within the allotted time, legislative approval may be required before payment can be rendered.**

The CONSULTANT further agrees that FHWA or any other federal agency may audit the same records at any time during the life of this CONTRACT and up to three years thereafter, should the funding source for all or any part of this CONTRACT be funds of the United States of America.

C. Progress Reports

The CONSULTANT shall provide the LPA monthly progress reports on two documents. The first document shall be a narrative outline of work performed during the billing period for which the CONSULTANT has submitted an invoice. The second document shall be a spreadsheet that indicates the amount of progress for each designated "Part" of the Scope of Work of the CONTRACT. If a contract is for a duration of 30 days or less, the provisions of this paragraph are waived. Otherwise, waiver of the provisions of this paragraph shall only be by written consent of the LPA.

D. Record Retention

The CONSULTANT shall maintain all time and expense records related to the PROJECT and used in support of its proposal and shall make such material available at all reasonable times during the period of this CONTRACT and for three years from the date of final payment under this CONTRACT for inspection by the LPA, and copies thereof shall be furnished upon request, at the LPA'S expense. The CONSULTANT agrees that the provisions of this Article shall be included in any CONTRACT it may make with any subconsultants, assignees or transferees.

Attachment: Letter to MDOT, Notice to Proceed, fully executed Lakeshore Road Resurfacing Project contract (9691 : Spread Preliminary

E. Retainage

The LPA shall retain the final 25% of the CONSULTANT'S Fixed Fees until all the deliverables have been received and found acceptable, the final payment request has been received, and an audit of the total PROJECT cost to date has been completed by the LPA or its designee.

ARTICLE VII. FINAL PAYMENT

The CONSULTANT shall clearly indicate on its last Invoice for the CONTRACT that the Invoice is "FINAL". The LPA will confirm that the CONTRACT is ready to be closed and the "FINAL" Invoice may be paid. All "FINAL" invoices shall pay any retainage withheld on the CONTRACT. However, under no circumstances will the total amount paid exceed the maximum not to exceed amount established for the CONTRACT. The CONSULTANT agrees that acceptance of the final payment shall be in full and final settlement of all claims arising against the LPA for payment for work done, materials furnished, cost incurred, or otherwise arising out of this CONTRACT and shall release the LPA from any and all further claims for payment, whether known or unknown, for and on account of said CONTRACT, including payment for all work done, and labor and material furnished in connection with the same. Failure to perform, to the satisfaction of the LPA, all terms of this CONTRACT, which include the Scope of Work and other exhibits, any technical specifications, and special requirements of the LPA, or the CONSULTANT'S failure to perform according to the prevailing industry standards, including standards of conduct and care, format and content, shall be corrected by the CONSULTANT without additional compensation. Neither the LPA's review, approval or acceptance of, nor payment for, the SERVICES required under this CONTRACT shall be construed to operate as a waiver of any rights under this CONTRACT, or of any cause of action arising out of the performance of this CONTRACT. The CONSULTANT shall be and remain liable to the LPA for all damages to the LPA caused by the CONSULTANT's negligent acts, errors and/or omissions in the performance of any of the SERVICES furnished under this CONTRACT. Errors and/or omissions discovered subsequent to the acceptance by the LPA of the final contract documents shall be corrected by the CONSULTANT without additional compensation. Notwithstanding inspection and acceptance by the LPA or any provision concerning the conclusiveness thereof, the CONSULTANT represents that SERVICES performed and work product(s) provided under this CONTRACT conform (or exceed) the requirements of this CONTRACT.

The CONSULTANT shall submit their "FINAL" invoice no later than 45 days following termination of the CONTRACT.

ARTICLE VIII. REVIEW OF WORK

Authorized representatives of the LPA may at all reasonable times review and inspect the SERVICES being provided under this CONTRACT and any addenda or amendments thereto. Authorized representatives of the FHWA may also review and inspect the SERVICES under this CONTRACT should funds of the United States of America be in any way utilized in payment for said SERVICES. Such inspection shall not make the United States of America a party to this CONTRACT, nor will FHWA interfere with the rights of either party hereunder.

All reports, drawings, designs, studies, maps, or other work product(s) prepared by and for the CONSULTANT, shall be made available to authorized representatives of the LPA for inspection and review at all reasonable times in the General Offices of the LPA. Authorized representatives of the FHWA may also review and inspect said reports, drawings, designs, studies, maps, and other work product(s) prepared under the CONTRACT should funds of the United States of America be in any way utilized in payment for the same. Acceptance by the LPA shall not relieve the CONSULTANT of its contractual and professional obligations. CONSULTANT shall correct, at its expense, any of its breaches, negligent acts, errors and/or omissions, in the final version of the work.

The CONSULTANT shall be responsible for performance of and compliance with all terms of this CONTRACT, including the Scope of Work and other exhibits, and including any technical specifications and special requirements of the LPA, to the satisfaction of the LPA, and shall be responsible for any negligent acts,

Attachment: Letter to MDOT, Notice to Proceed, fully executed Lakeshore Road Resurfacing Project contract (9691 : Spread Preliminary

errors and/or omissions, including those as to conduct and care, format and content, for all aspects of the CONTRACT, and including professional quality and technical accuracy of all designs, drawings, specifications, and other services furnished by the CONSULTANT.

Failure to comply with any terms of this CONTRACT shall be corrected by the CONSULTANT without additional compensation.

If any breach of CONTRACT, is discovered by LPA personnel after final acceptance of the work by the LPA, then the CONSULTANT shall, without additional compensation, cure any deficiency or breach including any negligent acts, errors and/or omissions in designs, plans, drawings, specifications, or other services.

In the event that the project schedule requires that a breach of this CONTRACT be corrected by someone other than the CONSULTANT then the actual costs incurred by the LPA for such corrections shall be the responsibility of the CONSULTANT. The LPA shall give the CONSULTANT an opportunity to correct said breach unless (1) the LPA determines, in its sole discretion, that the CONSULTANT cannot cure the breach within the schedule established by the LPA, or (2) the LPA determines, in its sole discretion, that the CONSULTANT cannot cure the breach to the satisfaction of the LPA.

In the event that the CONSULTANT breaches this CONTRACT, and the breaches of the CONSULTANT are discovered during the construction or any phase of work, then an accounting of all costs incurred by the LPA resulting from such breach, including any negligent acts, errors and/or omissions, will be made and such amount will be recovered from the CONSULTANT.

During construction or any phase of work performed by others based on the services provide by the CONSULTANT for this CONTRACT, the CONSULTANT shall confer with the LPA when requested for the purpose of interpreting the information, clarification of any ambiguities, and/or to correct any negligent acts, error or omission without additional compensation. The CONSULTANT shall prepare any plans or data needed to correct the negligent acts, error or omission without additional compensation, even though acceptance and/or final payment may have been received by the CONSULTANT. The CONSULTANT shall give immediate attention to these changes once notified by the LPA so there will be a minimum of delay to the contractor.

When notified by the LPA of potential negligent acts, errors and/or omissions, during the development, construction, or any phase of the project, the CONSULTANT shall establish and maintain cost accounting records to segregate all costs associated with the evaluation and correction of any negligent acts, errors and/or omissions. All costs associated with any negligent acts, errors and/or omissions, including direct or indirect, must be borne by the CONSULTANT. If after written notice from the LPA, the CONSULTANT fails or refuses to correct any negligent acts, errors and/or omissions, the LPA may, by contract or otherwise, correct or replace with similar services and charge to the CONSULTANT the cost occasioned to the LPA thereby, or offset and withhold a sum equal to said cost to the LPA from payments on any existing contract(s) with the CONSULTANT or against any sums due the CONSULTANT under the terms of this CONTRACT or any other active contract(s).

ARTICLE IX. RESPONSIBILITIES FOR CLAIMS AND LIABILITY

The CONSULTANT shall indemnify and hold harmless the LPA and all its officers, agents and employees from any claim, loss, damage, cost, charge or expense, including reasonable attorney fees, to the extent caused by any negligent act, actions, neglect, error or omission by the CONSULTANT, its agents, employees, or subconsultants during the performance of this CONTRACT, whether direct or indirect, and whether to any person or property for which the LPA or said parties may be subject, except that neither the CONSULTANT nor any of his agents or subconsultants will be liable under this provision for damages arising out of the injury or damage to persons or property to the extent caused by or resulting from the negligence of the LPA or any of its officers, agents or employees.

Attachment: Letter to MDOT, Notice to Proceed, fully executed Lakeshore Road Resurfacing Project contract (9691 : Spread Preliminary

The CONSULTANT'S obligations under this Article, including the obligations to indemnify, defend, hold harmless, pay reasonable attorney fees or, at the LPA'S option, participate and associate with the LPA in the defense and trial or arbitration of any damage claim, lien or suit and any related settlement negotiations, shall be initiated by the LPA'S notice of claim for indemnification to the CONSULTANT. Only an adjudication or judgment after the highest appeal is exhausted specifically finding the LPA entirely responsible shall excuse performance of this provision by the CONSULTANT. In such case, the LPA shall pay all costs and fees related to this obligation and its enforcement. Should there be a finding of dual or multiple liability, costs and fees shall be apportioned accordingly.

In conjunction herewith, the LPA agrees to notify the CONSULTANT in writing as soon as practicable after receipt or notice of any claim involving the CONSULTANT. These indemnities shall not be limited by reason of the listing of any insurance coverage below.

ARTICLE X. INSURANCE

Prior to beginning any work under this CONTRACT, the CONSULTANT shall obtain and furnish proof of insurance through Certificates of Insurance and, at MDOT's request, copies of insurance policies of the following:

A. Workers' Compensation Insurance in accordance with the laws of the State of Mississippi.

B. Commercial General Liability Insurance with a minimum combined limit of not less than One Million Dollars ($1,000,000.00) for each occurrence.

C. Errors and Omissions (Professional Liability) Insurance in an amount not less than One Million Dollars ($1,000,000.00) per claim; One Million Dollars ($1,000,000.00) annual aggregate.

D. Comprehensive Automobile Liability Insurance, in an amount not less than One Million Dollars ($1,000,000.00) per occurrence.

The LPA shall be listed as a certificate holder of insurance on any of the insurance required under this CONTRACT.

In the event that the CONSULTANT retains any subconsultant or other personnel to perform SERVICES or carry out any activities under or incident to work on any project or phase of this CONTRACT, the CONSULTANT agrees to obtain from said subconsultant or other personnel, certificates of insurance demonstrating that said subconsultant or other personnel shall have sufficient coverage, or CONSULTANT agrees to include said subconsultant or other personnel within the CONSULTANT'S coverage for the duration of this PROJECT or phase for which said subconsultant or other personnel is employed.

The Insurance coverage recited above shall be maintained in full force and effect by the CONSULTANT during the entire term of the CONTRACT. The LPA shall be notified of cancellation of any of the required insurance by the CONSULTANT and by the insurance company issuing any such cancellation of the required policies. Should CONSULTANT cease to carry the errors and/or omissions coverage listed above for any reason, it shall obtain "tail" or extended reporting period coverage at the same limits for a period of not less than three (3) years subsequent to policy termination or contract termination, whichever is longer.

All insurance carriers shall be licensed and in good standing with the Office of the Insurance Commissioner of the State of Mississippi.

A certificate of insurance acceptable to the LPA shall be issued to the LPA by the CONSULTANT prior to beginning any work under this CONTRACT and thereafter on an annual basis for the duration of this CONTRACT as evidence that policies providing the required insurance are in full force and effect. All policies

Attachment: Letter to MDOT, Notice to Proceed, fully executed Lakeshore Road Resurfacing Project contract (9691 : Spread Preliminary

of required insurance shall give thirty days written notice to the LPA before the effective date of cancellation or reduction in limits of any required insurance.

The CONSULTANT will furnish certified copies, upon request, of any or all of the policies and/or endorsements to the LPA prior to the execution of this CONTRACT and thereafter on an annual basis for the duration of this CONTRACT.

The CONSULTANT shall provide the LPA any and all documentation necessary to prove compliance with the insurance requirements of this CONTRACT as such documentation is requested, from time to time, by the LPA.

If the CONSULTANT fails to procure or maintain required insurance, the LPA may immediately elect to terminate this CONTRACT or, at its discretion, procure or renew such insurance and pay any and all premiums in connection therewith, and all monies so paid by the LPA shall be repaid by the CONSULTANT to the LPA upon demand, or the LPA may offset the cost of the premiums against any monies due to the CONSULTANT from the LPA.

ARTICLE XI. COVENANT AGAINST CONTINGENT FEES AND LOBBYING

The CONSULTANT shall comply with the relevant requirements of all federal, state or local laws. The CONSULTANT warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the CONSULTANT, to solicit or secure this CONTRACT, and that it has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the CONSULTANT, any fee, commission, percentage, brokerage fee, gifts or any other consideration contingent upon or resulting from the award or making of this CONTRACT. The CONSULTANT warrants that it shall not contribute any money, gift or gratuity of any kind, either directly or indirectly to any employee of the LPA, or to any employee of the MDOT. For breach or violation of this warranty, the LPA shall have the right to annul this CONTRACT without liability, and the CONSULTANT shall forfeit any sums due hereunder at the time of such breach and may be barred from performing any future services for the LPA or participating in any future contracts with the LPA.

ARTICLE XII. EMPLOYMENT OF LPA'S PERSONNEL

The CONSULTANT shall not employ any person or persons in the employ of the LPA for any work required by the terms of this CONTRACT, without the written permission of the LPA, except as may otherwise be provided for herein.

ARTICLE XIII. MODIFICATION

If, prior to the satisfactory completion of the SERVICES under this CONTRACT, the LPA materially alters the scope, character, complexity or duration of the SERVICES from those required under this CONTRACT, a supplemental agreement may be executed between the parties. Also, a supplemental agreement may be negotiated and executed between the parties in the event that both parties agree the CONSULTANT'S compensation should be increased due to an increase in the nature, scope or amount of work necessary to properly provide the SERVICES required on any particular phase or project begun hereunder.

Oral agreements or conversations with the LPA, any individual member of the LPA, officer, agent, or employee of MDOT, either before or after execution of this CONTRACT, shall not affect or modify any of the terms or obligations contained in this CONTRACT. All modifications to this CONTRACT, amendments or addenda thereto must be submitted in writing and signed by the parties thereto before the modifications, amendments, or addenda become effective.

The CONSULTANT may not begin work on any modifications, amendments, or addenda prior to receiving a Notice to Proceed.

Attachment: Letter to MDOT, Notice to Proceed, fully executed Lakeshore Road Resurfacing Project contract (9691 : Spread Preliminary

Minor changes in the proposal which do not involve changes in the contract maximum not to exceed amount, extensions of time or changes in the goals and objectives of this CONTRACT may be made by written notification of such change by either the MDOT or the CONSULTANT to the other party, and shall become effective upon written acceptance thereof (i.e. letter agreement).

ARTICLE XIV. SUBLETTING, ASSIGNMENT OR TRANSFER

It is understood by the parties to this CONTRACT that the work of the CONSULTANT is considered personal by the LPA. The CONSULTANT shall not assign, subcontract, sublet or transfer any or all of its interest in this CONTRACT without prior written approval of the LPA. Under no condition will the CONSULTANT be allowed to sublet or subcontract more than 60% of the work required under this CONTRACT. It is clearly understood and agreed that specific projects or phases of the work may be sublet or subcontracted in their entirety provided that the CONSULTANT performs at least 40% of the overall CONTRACT with its own forces. Consent by the LPA to any subcontract shall not relieve the CONSULTANT from any of its obligations hereunder, and the CONSULTANT is required to maintain final management responsibility with regard to any such subcontract.

The LPA reserves the right to review all subcontracts documents prepared in connection with this CONTRACT, and the CONSULTANT agrees that it shall submit to the LPA any proposed subcontract document together with subconsultant cost estimates for review and written concurrence of the LPA in advance of their execution.

The CONSULTANT shall make prompt payment to all subconsultants no later than 15 days from receipt of each payment the LPA makes to the CONSULTANT. Each month, the CONSULTANT shall submit OCR-484-C found on MDOT's website to the LPA along with the Invoice. This form certifies payments to all Subconsultants and shows all firms even if the CONSULTANT has paid no monies to the firm during that estimate period (negative report). The CONSULTANT shall pay all retainage owed to the subconsultant for satisfactory completion of the accepted work within 15 days after receipt of payment.

ARTICLE XV. OWNERSHIP OF PRODUCTS AND DOCUMENTS AND WORK MADE FOR HIRE

The CONSULTANT agrees that all reports, documents, computer information and access, software, drawings, studies, notes, maps and other data and products, prepared by and for the LPA under the terms of this CONTRACT shall become and remain the property of the LPA upon creation and shall be delivered to the LPA upon termination or completion of work, or upon request of the LPA, regardless of any claim or dispute between the parties. All such data and products shall be delivered within thirty (30) days of receipt of a written request by the LPA.

The CONSULTANT and the LPA intend and agree that this CONTRACT to be a contract for SERVICES and each party considers the products and results of the SERVICES to be rendered by the CONSULTANT hereunder, including any and all material produced and/or delivered under this CONTRACT (the "Work"), to be a "work made for hire" under U.S. copyright and all applicable laws. The CONSULTANT acknowledges and agrees that the LPA owns all right, title, and interest in and to the Work including, without limitation, the copyright thereto and all trademark, patent, and all intellectual property rights thereto.

If for any reason the Work would not be considered a work made for hire under applicable law, or in the event this CONTRACT is determined to be other than a contract or agreement for a work made for hire, the CONSULTANT does hereby transfer and assign to the LPA, and its successors and assigns, the entire right, title, and interest in and to any Work prepared hereunder including, without limitation, the following: the copyright and all trademark, patent, and all intellectual property rights in the Work and any registrations and copyright, and/or all other intellectual property, applications relating thereto and any renewals and extensions thereof; all works based upon, derived from, or incorporating the Work; all income, royalties, damages, claims, and payments now or hereafter due or payable with respect thereto; all causes of action, either in law or in equity, for past, present, or future infringement based on the copyrights and/or all other intellectual property;

Attachment: Letter to MDOT, Notice to Proceed, fully executed Lakeshore Road Resurfacing Project contract (9691 : Spread Preliminary

all rights, including all rights to claim priority, corresponding to the foregoing in the United States and its territorial possessions and in all foreign countries. The CONSULTANT agrees to execute all papers and perform such other proper acts as the LPA may deem necessary to secure for the LPA or its designee the rights herein assigned.

The LPA may, without any notice or obligation of further compensation to the CONSULTANT, publish, re-publish, anthologize, use, disseminate, license, or sell the Work in any format or medium now known or hereafter invented or devised. The LPA 'S rights shall include, without limitation, the rights to publish, re-publish, or license a third party to publish, re-publish, or sell the Work in print, on the World Wide Web, or in any other electronic or digital format or database now known or hereafter invented or devised, as a separate isolated work or as part of a compilation or other collective work, including a work different in form from the first publication, and to include or license a third party to include the Work in an electronic or digital database or any other medium or format now known or hereafter invented or devised.

The CONSULTANT shall obtain any and all right, title, and interest to all input and/or material from any third party subconsultant, or any other party, who may provide such input and/or material to any portion of the Work so that said right, title, and interest, and all such interest in and to the Work including, without limitation, the copyright thereto and all trademark, patent, and all intellectual property rights thereto, shall belong to the LPA.

For any intellectual property rights currently owned by third parties or by the CONSULTANT and not subject to the terms of this CONTRACT, the CONSULTANT agrees that it will obtain or grant royalty-free, nonexclusive, irrevocable license(s) for or to the LPA at no cost to the LPA to use all copyrighted or copyrightable work(s) and all other intellectual property which is incorporated in the material furnished under this CONTRACT. Further, the CONSULTANT warrants and represents to the LPA that it has obtained or granted any and all such licensing prior to presentation of any Work to the LPA under this CONTRACT. This obligation of the CONSULTANT does not apply to a situation involving a third party who enters a license agreement directly with the LPA.

The CONSULTANT warrants and represents that it has not previously licensed the Work in whole or in part to any third party and that use of the Work in whole or in part will not violate any rights of any kind or nature whatsoever of any third party. The CONSULTANT agrees to indemnify and hold harmless the LPA, its successors, assigns and assignees, and its respective officers, directors, agents and employees, from and against any and all claims, damages, liabilities, costs and expenses (including reasonable attorneys' fees), arising out of or in any way connected with any breach of any representation or warranty made by CONSULTANT herein.

ARTICLE XVI. PUBLICATION AND PUBLICITY

The CONSULTANT agrees that it shall not for any reason whatsoever communicate to any third party, with the exception of the MDOT and the FHWA, in any manner whatsoever concerning any of its CONTRACT work product, its conduct under the CONTRACT, the results or data gathered or processed under this CONTRACT, which includes, but is not limited to, reports, computer information and access, drawings, studies, notes, maps and other data prepared by and for the CONSULTANT under the terms of this CONTRACT, without prior written approval from the LPA, unless such release or disclosure is required by judicial proceeding. The CONSULTANT agrees that it shall immediately refer any third party who requests such information to the LPA and shall also report to the LPA any such third party inquiry, with the exception of the MDOT and/or the FHWA. This Article shall not apply to information in whatever form that comes into the public domain, nor shall it restrict the CONSULTANT from giving notices required by law or complying with an order to provide information or data when such order is issued by a court, administrative agency or other authority with proper jurisdiction, or if it is reasonably necessary for the CONSULTANT to defend itself from any suit or claim.

All approved releases of information, findings, and recommendations shall include a disclaimer provision and all published reports shall include that disclaimer on the cover and title page in the following form:

The opinions, findings, and conclusions in this publication are those of the author(s) and not necessarily those of the Local Public Agency, Mississippi Department of Transportation, Mississippi Transportation Commission, the State of Mississippi or the Federal Highway Administration.

ARTICLE XVII. CONTRACT DISPUTES

This CONTRACT shall be deemed to have been executed in **Hancock** County, Mississippi, and all questions including but not limited to questions of interpretation, construction and performance shall be governed by the laws of the State of Mississippi, excluding its conflicts of laws provisions, and any litigation with respect to this CONTRACT shall be brought in a court of competent jurisdiction in **Hancock** County, State of Mississippi. The CONSULTANT expressly agrees that under no circumstances shall the LPA be obligated to or responsible for payment of an attorney's fee for the cost of legal action to or on behalf of the CONSULTANT.

ARTICLE XVIII. COMPLIANCE WITH APPLICABLE LAW

A. The undersigned certify that to the best of their knowledge and belief, the foregoing is in compliance with all applicable laws.

B. The CONSULTANT shall observe and comply with all applicable federal, state, and local laws, rules and regulations, policies and procedures, ordinances, and orders and decrees of bodies or tribunals of the United States of America or any agency thereof, the State of Mississippi or any agency thereof, and any local governments or political subdivisions, that are in effect at the time of the execution of this CONTRACT or that may later become effective.

C. The CONSULTANT shall not discriminate against any employee nor shall any party be subject to discrimination in the performance of this CONTRACT because of race, creed, color, sex, national origin, age or disability.

D. The CONSULTANT shall comply and shall require its subconsultants to comply with the regulations for compliance with TITLE VI OF THE CIVIL RIGHTS ACT OF 1964, as amended, and all other applicable federal regulations as stated in "Exhibit 5" which is incorporated herein by reference.

E. The CONSULTANT shall comply with the provisions set forth in Department of Transportation regulations, Uniform Administrative Requirements for Grants and Cooperative Agreements, 49 CFR, Part 18, Et Seq., regarding Uniform Administrative Requirements for Grants and Cooperative agreements (as amended) in its administration of this CONTRACT or any subcontract resulting herefrom.

F. The CONSULTANT agrees that it will abide by the provisions of 49 CFR Section 26 regarding disadvantaged business enterprises and include the certification made in "Exhibit 5" to this CONTRACT in any and all subcontracts which may result from this CONTRACTS.

G. The CONSULTANT shall comply and shall require its subconsultants to comply with Code of Federal Regulations CFR 23 Part 634 - Worker Visibility – as stated in "Exhibit 5".

H. IMMIGRANT STATUS CERTIFICATION. The CONSULTANT represents that it is in compliance with the Immigration Reform and Control Act of 1986 (Public Law 99-603), as amended, in relation to all employees performing work in the State of Mississippi and does not knowingly employ persons in violation of the United States immigration laws. The CONSULTANT further represents that it is registered and participating in the Department of Homeland Security's E-Verify™ employment

eligibility verification program, or successor thereto, and will maintain records of compliance with the Mississippi Employment Protection Act including, but not limited to, requiring compliance certification from all subcontractors and vendors who will participate in the performance of this Agreement and maintaining such certifications for inspection if requested. The CONSULTANT acknowledges that violation may result in the following: (a) cancellation of any public contract and ineligibility for any public contract for up to three (3) years, or (b) the loss of any license, permit, certification or other document granted by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year, or (c) both. The CONSULTANT also acknowledges liability for any additional costs incurred by the LPA due to such contract cancellation or loss of license or permit. The CONSULTANT is required to provide the certification on Exhibit 9 in this CONTRACT to the LPA verifying that the CONSULTANT and subconsultant(s) are registered and participating in E-Verify prior to execution of this CONTRACT

I. The covenants herein shall, except as otherwise provided, accrue to the benefit of and be binding upon the successors and assigns of the parties hereto.

ARTICLE XIX. WAIVER

Failure of either party hereto to insist upon strict compliance with any of the terms, covenants, and conditions hereof shall not be deemed a waiver or relinquishment of any similar right or power hereunder at any subsequent time, or of any other provision hereof, nor shall it be construed to be a modification of the terms of this CONTRACT.

ARTICLE XX. SEVERABILITY

If any terms or provisions of this CONTRACT are prohibited by the laws of the State of Mississippi or declared invalid or void by a court of competent jurisdiction, the remainder of this CONTRACT shall not be affected thereby and each term and provision of this CONTRACT shall be valid and enforceable to the fullest extent permitted by law.

ARTICLE XXI. ENTIRE AGREEMENT

This CONTRACT constitutes the entire agreement of the parties with respect to the subject matter contained herein and supersedes and replaces any and all prior negotiations, understandings, and agreements, written or oral, between the parties relating thereto.

ARTICLE XXII. CONFLICT OF INTEREST

The CONSULTANT covenants that no public or private interests exist and none shall be acquired directly or indirectly which would conflict in any manner with the performance of the CONSULTANT'S CONTRACT. The CONSULTANT further covenants that no employee of the CONSULTANT or of any subconsultant(s), regardless of his/her position, is to personally benefit directly or indirectly from the performance of the SERVICES or from any knowledge obtained during the CONSULTANT'S execution of this CONTRACT.

ARTICLE XXIII. AVAILABILITY OF FUNDS

It is expressly understood and agreed that the obligation of the LPA to proceed under this CONTRACT is conditioned upon the availability of funds, the appropriation of funds by the Mississippi Legislature, and the receipt of state and/or federal funds. If, at any time, the funds anticipated for the fulfillment of this CONTRACT are not forthcoming or are insufficient, either through the failure of the federal government to provide funds or of the State of Mississippi to appropriate funds or the discontinuance or material alteration of the program under which funds were provided, or if funds are not otherwise available to the LPA for the performance of this CONTRACT, the LPA shall have the right, upon written notice to the CONSULTANT, to immediately terminate or stop work on this CONTRACT without damage, penalty, cost, or expense to the LPA of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination.

ARTICLE XXIV. STOP WORK ORDER

Attachment: Letter to MDOT, Notice to Proceed, fully executed Lakeshore Road Resurfacing Project contract (9691 : Spread Preliminary

A. **Order to Stop Work.** The LPA may, by written order to the CONSULTANT at any time, and without notice to any surety, require the CONSULTANT to stop all or any part of the work called for by this CONTRACT. This order shall be for a specified period not exceeding twenty-four (24) months after the order is delivered to the CONSULTANT unless the parties agree to any further period. Any such order shall be identified specifically as a stop work order issued pursuant to this clause. Upon receipt of such an order, the CONSULTANT shall forthwith comply with its terms and take all steps to minimize the occurrence of costs allocable to the work covered by the order during the period of work stoppage. Before the stop work order expires, or within any further period to which the parties shall have agreed, the LPA shall either:

(1) Cancel the stop work order; or

(2) Terminate the work covered by such order according to and as provided in Article III of this CONTRACT.

Prior to the LPA'S taking official action to stop work under this CONTRACT, the Executive Director of MDOT and/or the LPA may notify the CONSULTANT, in writing, of MDOT'S or the LPA's intentions to ask the LPA or CONSULTANT to stop work under this CONTRACT. Upon notice from the Executive Director of MDOT or the LPA, the CONSULTANT shall suspend all activities under this CONTRACT, pending final action by the LPA.

B. **Cancellation or Expiration of the Order.** If a stop work order issued under this clause is canceled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, the CONSULTANT shall have the right to resume work. If the LPA decides that it is justified, an appropriate adjustment may be made in the delivery schedule. If the stop work order results in an increase in the time required for or in the CONSULTANT'S cost properly allocable to the performance of any part of this CONTRACT and the CONSULTANT asserts a claim for such an adjustment within 30 days after the end of the period of work stoppage, an equitable adjustment in this CONTRACT may be made by written modification of this CONTRACT as provided by the terms of this CONTRACT.

C. **Termination of Stopped Work.** If a stop work order is not canceled and the work covered by such order is terminated, the CONSULTANT may be paid for SERVICES rendered prior to the Termination. In addition to payment for SERVICES rendered prior to the date of termination, the LPA shall be liable only for the costs, fees, and expenses for demobilization and close out of this CONTRACT, based on actual time and expenses incurred by the CONSULTANT in the packaging and shipment of all documents covered by this CONTRACT to the LPA. In no event shall the LPA be liable for lost profits or other consequential damages.

SCOPE OF WORK

GENERAL REQUIREMENTS

The following engineering services shall be performed by the CONSULTANT on behalf of the LPA in accordance with this CONTRACT at the direction of the LPA for the purpose of providing bid documents to Resurface Lakeshore Road from Beach Blvd to Lower Bay Road.

The following engineering services shall be performed by the CONSULTANT in accordance with this CONTRACT and the latest Project Development Manual (PDM) for the LPA at the time of the execution of this CONTRACT.

A Project Schedule is required. Work progression is to proceed in accordance with the attached agreed Project Schedule. A status report along with an updated Project Schedule is required monthly. This report is to be submitted by the 7th of each month to the LPA for their signature and then submitted to the MDOT District LPA Coordinator. This monthly report is to be submitted by the CONSULTANT and will update the LPA on the status of the project. Recent milestones in plan development, such as the submittal of plans for review, shall be documented. Also, the target dates for the future milestones should be included.

The CONSULTANT shall, if requested by MDOT or LPA, attend any meetings concerning this Project.

The CONSULTANT shall comply with the current version of the following publications:

Roadway Design

1. MDOT *Roadway Design Manual*, and supplemented with updated design policies as described in Design Memos located on Roadway Design Division's website;
2. MDOT Roadway Design Standard Drawings;
3. MDOT Roadway Design Special Design Sheets;
4. MDOT *Roadway Design CADD Manual*;
5. MDOT *Survey Manual*;
6. MDOT *Access Management Manual*;
7. MDOT Traffic Engineerings *Typical Signing Details*;

plans and information from previous studies and projects including but not limited to environmental studies, USGS reports, traffic studies, roadway and bridge plans, bridge inspection reports, underwater inspection reports, pile records, CADD files, survey control points.

The LPA will provide a single point-of-contact for day-to-day coordination.

ENVIRONMENTAL STUDIES (CATEGORICAL EXCLUSION) WITHOUT NEW ROW*

*New ROW includes donated ROW and permanent easements. New ROW does not include temporary easements.

The CONSULTANT will perform various Engineering and Environmental studies necessary to prepare a Categorical Exclusion, in accordance with the US Department of Transportation, Federal Highway Administration Technical Advisory T 6640.8A, Guidance for Preparing and Processing Environmental Documents and Section 4 (F) Documents; Federal-Aid Policy Guide 23 CFR 770, 771, 772, and 777 at the time this CONTRACT is executed; and MDOT Project Development/Environmental Documentation, S.O.P. No. ENV-02-01-00-000 and other related Federal and State regulations, laws and/or procedures that may be in effect at the time this CONTRACT is executed and complete the ENV-160 form.

PHASE A (FIELD REVIEW) ROADWAY

Phase A (Field Review) Roadway Plans

The CONSULTANT will submit the LPA-100 and LPA-700 forms to MDOT.

MDOT approval of the LPA-100 & LPA-700 forms are required prior to the scheduling of a field review.

The Field Review Plans shall contain, at a minimum:

A. Title Sheet;
B. Typical Sections;

The CONSULTANT shall include the following: preliminary earthwork quantities, preliminary pavement marking sheets, as well as any traffic control that will be required during construction.

Following the Field Inspection, the CONSULTANT shall make all approved plan changes as instructed.

PHASE B (OFFICE REVIEW) ROADWAY DESIGN

(Construction Plans and Specifications)

The Office Review Plan requirements include the following components

FEES AND EXPENSES

The LPA shall pay the CONSULTANT on an actual cost-plus fixed-fee basis with an upset limit of **$51,392.02** for the satisfactory completion of the Scope of Work set forth under "Exhibit 2", hereto, for all salaries, payroll additives, overhead, direct costs and CONSULTANT'S fixed fees attributable to this CONTRACT.

Actual costs as the term is used herein shall include all direct salaries, payroll additives, overhead and direct cost. Direct salaries are those amounts actually paid to the person performing the SERVICES, which are deemed reasonably necessary by the LPA for the advancement of the Scope of Work. Overtime work is not contemplated by this CONTRACT. Accordingly, direct salaries chargeable to this CONTRACT shall not include any overtime premium. Salaries for officers, principals or partners shall not increase at a rate in excess of that for other employees. Payroll additives and overhead consist of employee fringe benefits and that part of CONSULTANT'S allowable indirect costs attributable to this CONTRACT.

Direct Costs are those charges deemed reasonably necessary by the LPA for the successful completion of the Scope of Work, which are charged directly to the project and not included in overhead.

Fixed fee as the term is used herein shall mean a dollar amount established to cover the CONSULTANT'S profit and business expenses not allocable to overhead for the successful completion of the SERVICES.

Each month, the CONSULTANT shall submit OCR-484-C found on MDOT's website to the LPA along with the Invoice. This form certifies payments to all Subconsultants and shows all firms even if the CONSULTANT has paid no monies to the firm during that estimate period (negative report).

SCHEDULE OF MAXIMUM RATES, EXPENSES & FEES:

The following schedule of rates for SERVICE will not be exceeded for all work under this CONTRACT:

Direct Salaries:

Direct salaries shall not exceed those amounts actually paid to an employee performing SERVICES reasonably necessary for the completion of the Scope of Work set forth under "Exhibit 2" to this CONTRACT.

Upon MDOT's request, all charges for SERVICES must be substantiated by supporting data, i.e. certified time sheets, daily logs, check stubs, pay vouchers, etc.

Payroll Additive & Overhead:

The current overhead rates shall be submitted by the CONSULTANT and approved by the MDOT within nine (9) months of the end of the CONSULTANT's fiscal period. The current overhead rate, as defined in this CONTRACT, shall be the overhead rate for the CONSULTANT's most recent previous fiscal period. The CONSULTANT's failure to provide a current overhead rate within nine (9) months of the end of the CONSULTANT's fiscal period may result in the CONSULTANT being deemed ineligible for any potential Supplemental Agreements with LPA. The estimated FCCM for cost proposals, Supplemental Agreements, and invoices must be specially identified and distinguished from the other costs. Profit/Fee shall not include amounts applicable to FCCM.

Final payment of the overhead rate costs shall be adjusted after completion of the final audit to reflect the actual rates experienced by the CONSULTANT during the course of this CONTRACT; however, in no event shall such an adjustment allow this CONTRACT'S cost to exceed the maximum limitation stated. Said audit of

Attachment: Letter to MDOT, Notice to Proceed, fully executed Lakeshore Road Resurfacing Project contract (9691 : Spread Preliminary

the CONSULTANT will be conducted by the LPA, or the LPA'S designated auditor at the conclusion of this CONTRACT in accordance with Federal and the LPA requirements.

All overhead rates submitted to MDOT for approval shall comply with the current edition of the AASHTO Audit Guide, as amended. In addition, the CONSULTANT shall submit written certification in accordance with FHWA Order 4470.1A, as amended, that the indirect cost rate submitted does not include any costs which are expressly unallowable and the indirect cost rate was established only with allowable costs in accordance with the applicable cost principles contained in the Federal Acquisition Regulations (FAR) of 48 CFR part 31.

Direct Costs:

The LPA will reimburse the CONSULTANT'S actual documented expenses; or the amount allowable under the current edition of the MDOT State Travel Handbook, whichever is lower. Except as otherwise specifically provided herein, the procedures generally outlined in the MDOT State Travel Handbook shall govern the allowability of any expense reimbursement. This policy will include no meal reimbursement when there is no overnight stay. **However, Direct costs for lodging shall be reimbursed in accordance with FAR 31.205-46(a)(2).**

All direct costs must be substantiated by supporting data in accordance with the MDOT State Travel Handbook, i.e. mileage, log books, receipts, etc.

All other expenses will be reimbursed upon receipt of acceptable paid invoices.

Fixed Fee:

The CONSULTANT'S fixed fee shall be **$5,393.58**, which sum shall be paid incrementally each month in an amount determined by multiplying the total fixed fee by the project completion percentage, less any amounts previously paid for fixed fees.

Contract Maximums:

Under no circumstances shall the amount payable by the LPA for this assignment exceed **$51,392.02** (Total of all Charges) without the prior written consent of both parties.

NOTICE TO CONTRACTORS, FEDERAL AID CONTRACT COMPLIANCE WITH TITLE VI OF THE CIVIL RIGHTS ACT OF 1964

COPELAND ANTI-KICKBACK ACT, DAVIS BACON ACT, CONTRACT WORK HOURS AND SAFETY STANDARDS ACT, CLEAN AIR ACT, ENERGY POLICY AND CONSERVATION ACT, and WORKER VISIBILITY

During the performance of this CONTRACT, the CONSULTANT, for itself, its assignees and successor-in-interest (hereinafter referred to as the "CONSULTANT") agrees as follows:

1. Compliance with Regulations: The CONSULTANT will comply with the Regulations of the Department of Transportation, relative to nondiscrimination in Federally-assisted programs of the U. S. Department of Transportation (Title 49, Code of Federal Regulations, Part 21, hereinafter referred to as the "Regulations"), which are herein incorporated by reference and made a part of this CONTRACT.

2. Nondiscrimination: The CONSULTANT, with regard to the work performed by it after award and prior to completion of the contract work, will not discriminate on the grounds of race, religion, color, sex, national origin, age or disability in the selection and retention of subconsultants including procurement of materials and leases of equipment. The CONSULTANT will not participate either directly or indirectly in the discrimination prohibited by Section 21.5 of the Regulations, including employment practices when this CONTRACT covers a program set forth in Appendix B of the Regulations. In addition, the CONSULTANT will not participate either directly or indirectly in discrimination prohibited by 23 C.F.R. 710.405(b).

3. Solicitations for Subcontracts. Including Procurement of Materials and Equipment: In all Solicitations, either by competitive bidding or negotiation made by the CONSULTANT for work to be performed under a subcontract, including procurement of materials or equipment, each potential subconsultant or supplier shall be notified by the CONSULTANT of the CONSULTANT'S obligations under this CONTRACT and the Regulations relative to nondiscrimination on the grounds of race, religion, color, sex, national origin, age or disability.

4. Anti-kick back provisions: All CONTRACTS and subcontracts for construction or repair shall include a provision for compliance with the Copeland "Anti-Kick Back" Act (18 U.S.C. 874) as supplemented in Department of Labor regulations (29 CFR, Part 3). This Act provides that each CONSULTANT or subconsultant shall be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he is otherwise entitled. The CONSULTANT shall report all suspected or reported violations to the LPA.

5. Davis Bacon Act: When required by the federal grant program legislation, all construction contracts awarded to contractors and subcontractors in excess of $2,000 shall include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 276a to a-7) and as supplemented by Department of Labor regulations (29 CFR, Part 5). Under this Act, contractors shall be required to pay wages to laborers and mechanics at a rate not less than the minimum wages specified in a wage determination made by the Secretary of Labor. In addition, contractors shall be required to pay wages specified in a wage determination made by the Secretary of Labor. In addition, contractors shall be required to pay wages specified in a wage determination made by the Secretary of Labor. In addition, contractors shall be required to pay wages not less often than once a week.

6. Contract Work Hours and Safety Standards Act: Where applicable, all contracts awarded by contractors and subcontractors in excess of $100,000 which involve the employment of mechanics or laborers

shall include a provision for compliance with sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-330) as supplemented by Department of Labor Regulations (29 CFR, Part 5). Under section 103 of the Act, each contractor shall be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than 1 1/2 times the basic rate of pay for all hours worked in excess of 40 hours in the work week. Section 107 of the Act is applicable to construction work and provides that no laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his health and safety as determined under construction, safety, and health standards promulgated by the Secretary of Labor. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

7. Clean Air Act: Compliance with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act (42 U.S.C. 1857 (h), Section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR Part 15) (Contracts and subcontracts in amounts in excess of $100,000).

8. Energy Policy and Conservation Act: Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163).

9. Disadvantaged Business Enterprises: It is the policy of the Mississippi Department of Transportation to comply with the requirements of 49 C.F.R. 26, to prohibit unlawful discrimination, to meet it's goal for DBE participation, to meet that goal whenever possible by race-neutral means, to create a level playing field, and to achieve that amount of DBE participation that would be obtained in an non-discriminatory market place. To meet that objective in any United States Department of Transportation assisted contracts, the LPA and the CONSULTANT shall comply with the "Mississippi Department of Transportation's Disadvantaged Business Enterprise Programs For United States Department Of Transportation Assisted Contracts".

Neither the CONSULTANT (Contractor), nor any sub-recipient or sub-contractor shall discriminate on the bases of race, color, national origin, or sex in the performance of this CONTRACT. The CONSULTANT (Contractor) shall carry out applicable requirements of 49 C.F.R. 26 in the award and administration of United States Department of Transportation assisted contracts. Failure of the CONSULTANT (Contractor) to carry out those requirements is a material breach of the contract which may result in the termination of this CONTRACT or such other remedies as the Mississippi Department of Transportation deems appropriate.

10. Worker Visibility: All workers within the right-of-way of a Federal-aid highway who are exposed either to traffic (vehicles using the highway for the purposes of travel) or to construction equipment within the work area shall wear high-visibility safety apparel – personal protective safety clothing that is intended to provide conspicuity during both daytime and nighttime usage, and that meets the Performance Class 2 or 3 requirements of the ANSI/ISEA 107–2004 publication entitled "American National Standard for High-Visibility Safety Apparel and Headwear" – for compliance with 23 CFR, Part 634.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS - Certification in accordance with Section 29.510 Appendix A, C.F.R./Vol. 53, No. 102, page 19210 and 19211:

(1) The CONSULTANT certifies to the best of its knowledge and belief that it and its principals:

(a) are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal department or agency;

(b) have not within a three-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or CONTRACT under a public transaction, violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

(c) are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (federal, state or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification: and

(d) have not within a three-year period preceding this application/proposal had one or more public transactions (federal, state or local) terminated for cause or default;

(e) has not either directly or indirectly entered into any agreement participated in any collusion; or otherwise taken any action in restraint of free competitive negotiation in connection with this CONTRACT.

(2) The CONSULTANT further certifies, to the best of his/her knowledge and belief, that:

(f) No federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any Federal agency, a member of Congress, an officer or employee of Congress, or employee of a member of Congress in connection with the awarding of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(g) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer of employee of Congress, or any employee of a member of Congress in connection with this CONTRACT, Standard Form-LLL," Disclosure Form to Report Lobbying", in accordance with its instructions will be completed and submitted.

The certification contained in (1) and (2) above is a material representation of fact upon which reliance is placed and a pre-requisite imposed by Section 1352, Title 31, U.S. Code prior to entering into this CONTRACT. Failure to comply shall be subject to a civil penalty of not less than $10,000 and not more than $100,000. The CONSULTANT shall include the language of the certification in all subcontracts exceeding $100,000 and all sub-consultants shall certify and disclose accordingly.

David,

The Consultant Services Unit (CSU) has reviewed the following attached Contract for Preliminary Engineering Services between the Hancock County Board of Supervisors and Compton Engineering, Inc. for the above referenced project in the amount of $51,392.02. CSU recommends that the LPA may execute this Contract at their discretion.

The LPA may retain one (1) original for their file and remit the other original to the Consultant. Send one (1) copy of the fully executed contract, Notice to Proceed (NTP), and the LPA's "Exhibit 1", to the MDOT District LPA Engineer and Consultant Services Unit (Attention: Stephen Rone).

These services may then be eligible for "Special Match" at MDOT's discretion at a later date.

Please also advise the LPA that any future supplemental agreements must be forwarded to the MDOT for concurrence before they are executed.

Re: Community Revitalization Project, Hancock County Arena Restoration

Dear Mr. McGrevey:

On behalf of Hancock County, I submit to you a proposal for the MS Development Authority's consideration of $5,000,000.00 for the revitalization of the Hancock County Arena. Since Hurricane Katrina, the Arena has continued to be the center for residential emergency commodity pickup and delivery and serves as an operations staging location for our local power companies after any disaster. This Arena and it's stability is essential to the continued rebuilding and long term recovery of Hancock County.

The Arena is the central pod location for distributions of emergency materials after a disaster event. The Arena needs upgrading to improve the traffic safety, storage of commodities, convenience of transporting goods and accessibility to emergency personnel and residents. It is centrally located and has become a familiar location for our residents during or after any disaster. Its location is the largest county owned property that can sustain these large organized essential operations needed on demand.

The Arena also remains under contract annually with Coast Electric and Mississippi Power Companies to be the designated staging area for the lineman emergency operations and recovery efforts. This staging site needs strengthening by way of adding additional utilities, power hookups for temporary RV arrangements and improving, strengthening and adding covered bays for operations and equipment.

The restorations and estimates proposed:

Paved parking area (90,000 square feet) and entrance and exit roadways	$ 800,000.00
Additional RV Power & Utilities	$3,500,000.00
Additional covered bays and restoration of current bays	$1,000,000.00

Attachment: 20210827 Arena Revitalization Proposal (9702 : Spread CDBG-Revitalization Funding Proposal to MDA for $5M at Arena)

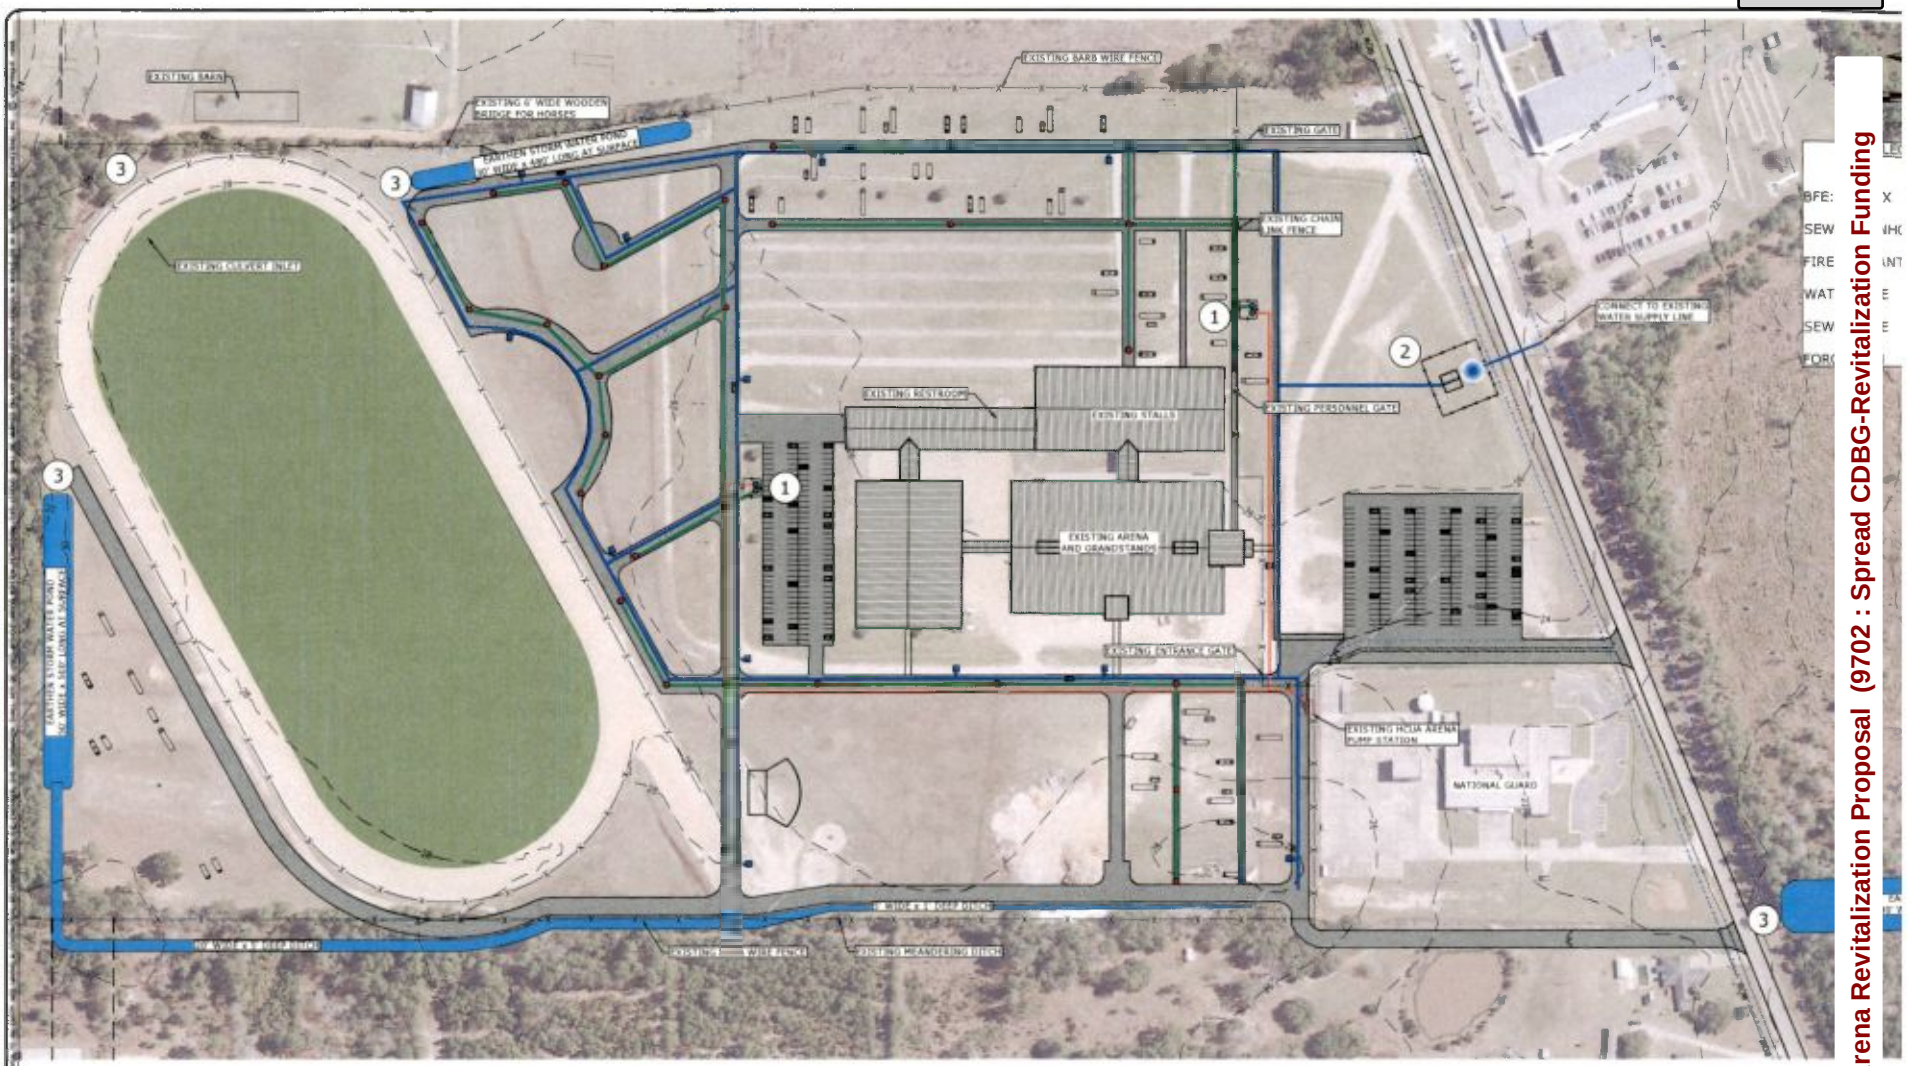

Total estimated costs of revitalization	**$5,300,000.00**

Hancock County is currently under new contract for the crucial main arena roof system repairs that have been a safety concern through several storms seasons. Hancock County continues to work towards an Arena Master Plan that not only revitalizes and adds to the current uses for this large property, but also improves its ability to provide recreational development activities for the benefit of the local and state economies. This property will remain being the county's emergency pod location and if improved, could serve as a safer, more accessible site for the high demand of distributions, staging and storage to our community after a disaster.

Sincerely,

Eddie Favre, County Administrator

The AVERAGE DAILY BALANCE for each indicated rate of balances is the sum of the individual daily load balances within that range divided by the number of days tl loan is outstanding during the billing cycle.
The average daily balance for each range is multiplied by this number of days and by the periodic rate of each range. To determine the amount of the FINANCE CH for that range, if more than one range is indicated, add the amounts together.

UNCOLLECTED ACCOUNT DEFICITS

If the Bank does not collect any account deficits resulting from charges or overdrafts, your account will be sent for collection. The Bank may report information abc your account to credit bureaus. Late payments, missed payments or other defaults on your account may be reflected in your credit report.

Error Resolution Notice For Consumer Accounts Only

In case of Errors or Questions About Your Electronic Transfers. Call or Write us at the telephone number or address listed on the statement, as soon as you can, if y think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than days after we sent the FIRST statement on which the problem or error appeared.

1. Tell us your name and account number (if any)
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.
We will determine whether an error occurred within 10 business days (5 business days if the transfer involved a point-of-sale transaction and 20 business days if th transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days i transfer involved a new account, a point-of-sale transaction or a foreign-initiated transfer) to investigate your complain or question. If we decide to do this, we will credit your account within 10 business days (5 business days if the transfer involved a point-of-sale transaction and 20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investiga your complain or question in writing and we do not receive it within 10 business days, we may not credit your account.

PRELIMINARY ENGINEERING SERVICES CONTRACT

Beach Blvd Hurricane Zeta Repair Project
ER-0023-00(056)LPA / 108754-711000
Hancock County

This CONTRACT, is made and entered into by and between the **Hancock County Board of Supervisors**, a body Politic of the State of Mississippi (the "LPA"), and, **Compton Engineering, Inc.** (the "CONSULTANT"), a **Corporation**, duly licensed and registered to do business in the State of Mississippi, whose address for mailing is **1969 Market Street, Pascagoula, Mississippi, 39567**. This CONTRACT shall be effective as of the latest date of execution below.

WITNESSETH:

WHEREAS, the LPA requires the services of a professional engineering firm for the purposes of providing preliminary engineering services for the design of Hurricane Zeta Repairs to Beach Boulevard project. Project includes repairs to a concrete road, guard rail, shoulder repair, and timber pier access due to damage caused by Hurricane Zeta along approximately 2.25 miles of Beach Blvd from Lakeshore Road to Scenic Overlook approximately 300 feet east of Grand Bayou in Hancock County, MS, as provided for in ER-0023-00(056)LPA / 108754-711000, hereinafter called the "PROJECT"; and

WHEREAS, the LPA desires to engage a qualified and experienced CONSULTANT to perform engineering services as stated above, hereinafter called the "SERVICES"; and

WHEREAS, the CONSULTANT has represented to the LPA that it is experienced and qualified to provide those SERVICES, and the LPA has relied upon such representation; and

WHEREAS, the CONSULTANT herein was selected through a Consultant Selection Process pursuant to the Mississippi Department of Transportation (hereinafter "MDOT") LPA Project Development Manual and pursuant to Federal Highway Administration ("FHWA") regulations, Engineering and Design Related Service Contracts, 23 C.F.R. Part 172 (as amended) and found satisfactory by the LPA; which is now desirous of entering into a CONTRACT;

NOW, THEREFORE, for and in consideration of the mutual promises and covenants contained herein and for other good and valuable consideration flowing unto the parties, the receipt and sufficiency of which is hereby acknowledged, the LPA and the CONSULTANT do hereby CONTRACT and agree as follows:

ARTICLE I. GENERAL RECITALS

The CONSULTANT shall, for the agreed fees, furnish all engineering services and materials required to perform the tasks described in the Scope of Work for the proposed transportation project. SERVICES provided by the CONSULTANT under this CONTRACT shall be performed in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances. In so doing, the CONSULTANT shall comply with all terms of this CONTRACT, including the Scope of Work and other exhibits, to the satisfaction of the LPA, which shall include any special requirements of the LPA. The CONSULTANT shall perform all SERVICES according to the terms of the CONTRACT, including all technical specifications and according to the prevailing industry standards, including standards of conduct and care, format and content.

Attachment: 20210907 - Preliminary Engineering Services Contract - Hurricane Zeta Repair Project (9709 : Preliminary Engineering Services

The LPA, in support of the CONSULTANT, will provide the CONSULTANT a Scope of Work shown in "Exhibit 2" hereto and any other data which may be of assistance to the CONSULTANT and within the possession and control of the LPA.

Manuals, guides, standards, and specifications applicable to this CONTRACT shall be those approved and/or adopted by MDOT and the FHWA and in effect on the effective date of this CONTRACT, unless otherwise specified in this CONTRACT or subsequently directed by MDOT during the course of the CONTRACT.

ARTICLE II. SCOPE OF WORK

The CONSULTANT shall perform the SERVICES in accordance with the Scope of Work attached to this CONTRACT as "Exhibit 2" and made a part hereof as if fully set forth herein. The performance of the SERVICES referred to in "Exhibit 2" shall be the primary basis for measurement of performance under this CONTRACT. The LPA specifically reserves the right and privilege to enlarge or reduce the scope or to cancel this CONTRACT at any time.

ARTICLE III. CONTRACT TERM, TERMINATION

This CONTRACT shall commence upon the latest date of execution below and continue until such time as the above named project is successfully completed to the satisfaction of the LPA (as demonstrated by the issuance of final payment) or until **February 28, 2022**, at 11:59 p.m., whichever comes first, at which time this CONTRACT shall absolutely and finally terminate.

During the term of this CONTRACT, the LPA reserves the right to terminate this CONTRACT in whole or in part, at any time, with or without cause, upon seven (7) days written notice to the CONSULTANT, notwithstanding any just claims by the CONSULTANT for payment for SERVICES rendered prior to the date of termination. In addition to payment for SERVICES rendered prior to the date of termination, the LPA shall be liable only for the reasonable costs, fees and expenses for demobilization and close out of this CONTRACT, based on actual time and expenses incurred by the CONSULTANT in the packaging and shipment of all documents covered by this CONTRACT to the LPA. In no event shall the LPA be liable for lost profits or other consequential damages.

ARTICLE IV. TIME OF PERFORMANCE

Time is of the essence in this CONTRACT. The CONSULTANT shall be prepared to perform its responsibilities for providing SERVICES by the date of execution of this CONTRACT.

The CONSULTANT has submitted a proposed project schedule to the LPA which has been incorporated herein as a part of "Exhibit 2" which, when approved by final execution of this CONTRACT, shall control the evaluation of the CONSULTANT'S progress on this PROJECT.

The CONSULTANT may not begin work on any feature of this PROJECT prior to receiving a Notice to Proceed.

Attachment: 20210907 - Preliminary Engineering Services Contract - Hurricane Zeta Repair Project (9709 : Preliminary Engineering Services

ARTICLE V. RELATIONSHIP OF THE PARTIES

The relationship of the CONSULTANT to the LPA is that of an independent contractor and, said CONSULTANT, in accordance with its status as an independent contractor, covenants and agrees that it will conduct itself consistent with such status, that it will neither hold itself out as, nor claim to be, an officer or employee of the LPA by reason hereof. The CONSULTANT shall not make any claim, demand or application for any right or privilege applicable to an officer or employee of the LPA, including but not limited to workers' compensation coverage, unemployment insurance benefits, social security coverage, retirement membership or credit, or any form of tax withholding whatsoever.

All notices, communications, and correspondence between the LPA and the CONSULTANT shall be directed to the key personnel and designated agents designated in this CONTRACT.

ARTICLE VI. COMPENSATION, BILLING & AUDIT

A. Cost and Fees

The CONSULTANT shall be paid on the basis set forth in "Exhibit 3" to this CONTRACT. Under no circumstances shall the LPA be liable for any amounts, including any costs, which exceed the maximum dollar amount of compensation that is specified in Exhibit 3.

B. Monthly Billing

The CONSULTANT must submit monthly billing to the LPA. (A sample of a required invoice is attached as "Exhibit 4"). All billing must be submitted in accordance with the Local Public Agency Consultant Operating Procedures. Each billing shall include all time and allowable expenses through the end of the billing period. Direct expenses, as used herein, include the costs of travel, subsistence, shipping charges, long distance telephone calls and printing if it is not company accounting policy to include these costs in overhead rates. Monthly payments will be made on the basis of a certified time record. The LPA retains the right to verify time and expense records by audit of any or all the CONSULTANT'S time and accounting records at any time during the life of this CONTRACT and up to three years thereafter.

If SERVICES are rendered within a given State fiscal year, an invoice requesting payment from the CONSULTANT shall be presented to the LPA within 60 days of the end of the State fiscal year. **Should the CONSULTANT fail to present the invoice within the allotted time, legislative approval may be required before payment can be rendered.**

The CONSULTANT further agrees that FHWA or any other federal agency may audit the same records at any time during the life of this CONTRACT and up to three years thereafter, should the funding source for all or any part of this CONTRACT be funds of the United States of America.

C. Progress Reports

The CONSULTANT shall provide the LPA monthly progress reports on two documents. The first document shall be a narrative outline of work performed during the billing period for which the CONSULTANT has submitted an invoice. The second document shall be a spreadsheet that indicates the amount of progress for each designated "Part" of the Scope of Work of the CONTRACT. If a contract is for a duration of 30 days or less, the provisions of this paragraph are waived. Otherwise, waiver of the provisions of this paragraph shall only be by written consent of the LPA.

D. Record Retention

The CONSULTANT shall maintain all time and expense records related to the PROJECT and used in support of its proposal and shall make such material available at all reasonable times during the period of this CONTRACT and for three years from the date of final payment under this CONTRACT for inspection by the LPA, and copies thereof shall be furnished upon request, at the LPA'S expense. The CONSULTANT agrees that the provisions of this Article shall be included in any CONTRACT it may make with any subconsultants, assignees or transferees.

Attachment: 20210907 - Preliminary Engineering Services Contract - Hurricane Zeta Repair Project (9709 : Preliminary Engineering Services

E. Retainage

The LPA shall retain the final 25% of the CONSULTANT'S Fixed Fees until all the deliverables have been received and found acceptable, the final payment request has been received, and an audit of the total PROJECT cost to date has been completed by the LPA or its designee.

ARTICLE VII. FINAL PAYMENT

The CONSULTANT shall clearly indicate on its last Invoice for the CONTRACT that the Invoice is "FINAL". The LPA will confirm that the CONTRACT is ready to be closed and the "FINAL" Invoice may be paid. All "FINAL" invoices shall pay any retainage withheld on the CONTRACT. However, under no circumstances will the total amount paid exceed the maximum not to exceed amount established for the CONTRACT. The CONSULTANT agrees that acceptance of the final payment shall be in full and final settlement of all claims arising against the LPA for payment for work done, materials furnished, cost incurred, or otherwise arising out of this CONTRACT and shall release the LPA from any and all further claims for payment, whether known or unknown, for and on account of said CONTRACT, including payment for all work done, and labor and material furnished in connection with the same. Failure to perform, to the satisfaction of the LPA, all terms of this CONTRACT, which include the Scope of Work and other exhibits, any technical specifications, and special requirements of the LPA, or the CONSULTANT'S failure to perform according to the prevailing industry standards, including standards of conduct and care, format and content, shall be corrected by the CONSULTANT without additional compensation. Neither the LPA's review, approval or acceptance of, nor payment for, the SERVICES required under this CONTRACT shall be construed to operate as a waiver of any rights under this CONTRACT, or of any cause of action arising out of the performance of this CONTRACT. The CONSULTANT shall be and remain liable to the LPA for all damages to the LPA caused by the CONSULTANT's negligent acts, errors and/or omissions in the performance of any of the SERVICES furnished under this CONTRACT. Errors and/or omissions discovered subsequent to the acceptance by the LPA of the final contract documents shall be corrected by the CONSULTANT without additional compensation. Notwithstanding inspection and acceptance by the LPA or any provision concerning the conclusiveness thereof, the CONSULTANT represents that SERVICES performed and work product(s) provided under this CONTRACT conform (or exceed) the requirements of this CONTRACT.

The CONSULTANT shall submit their "FINAL" invoice no later than 45 days following termination of the CONTRACT.

ARTICLE VIII. REVIEW OF WORK

Authorized representatives of the LPA may at all reasonable times review and inspect the SERVICES being provided under this CONTRACT and any addenda or amendments thereto. Authorized representatives of the FHWA may also review and inspect the SERVICES under this CONTRACT should funds of the United States of America be in any way utilized in payment for said SERVICES. Such inspection shall not make the United States of America a party to this CONTRACT, nor will FHWA interfere with the rights of either party hereunder.

All reports, drawings, designs, studies, maps, or other work product(s) prepared by and for the CONSULTANT, shall be made available to authorized representatives of the LPA for inspection and review at all reasonable times in the General Offices of the LPA. Authorized representatives of the FHWA may also review and inspect said reports, drawings, designs, studies, maps, and other work product(s) prepared under the CONTRACT should funds of the United States of America be in any way utilized in payment for the same. Acceptance by the LPA shall not relieve the CONSULTANT of its contractual and professional obligations. CONSULTANT shall correct, at its expense, any of its breaches, negligent acts, errors and/or omissions, in the final version of the work.

The CONSULTANT shall be responsible for performance of and compliance with all terms of this CONTRACT, including the Scope of Work and other exhibits, and including any technical specifications and special requirements of the LPA, to the satisfaction of the LPA, and shall be responsible for any negligent acts,

Attachment: 20210907 - Preliminary Engineering Services Contract - Hurricane Zeta Repair Project (9709 : Preliminary Engineering Services

errors and/or omissions, including those as to conduct and care, format and content, for all aspects of the CONTRACT, and including professional quality and technical accuracy of all designs, drawings, specifications, and other services furnished by the CONSULTANT.

Failure to comply with any terms of this CONTRACT shall be corrected by the CONSULTANT without additional compensation.

If any breach of CONTRACT, is discovered by LPA personnel after final acceptance of the work by the LPA, then the CONSULTANT shall, without additional compensation, cure any deficiency or breach including any negligent acts, errors and/or omissions in designs, plans, drawings, specifications, or other services.

In the event that the project schedule requires that a breach of this CONTRACT be corrected by someone other than the CONSULTANT then the actual costs incurred by the LPA for such corrections shall be the responsibility of the CONSULTANT. The LPA shall give the CONSULTANT an opportunity to correct said breach unless (1) the LPA determines, in its sole discretion, that the CONSULTANT cannot cure the breach within the schedule established by the LPA, or (2) the LPA determines, in its sole discretion, that the CONSULTANT cannot cure the breach to the satisfaction of the LPA.

In the event that the CONSULTANT breaches this CONTRACT, and the breaches of the CONSULTANT are discovered during the construction or any phase of work, then an accounting of all costs incurred by the LPA resulting from such breach, including any negligent acts, errors and/or omissions, will be made and such amount will be recovered from the CONSULTANT.

During construction or any phase of work performed by others based on the services provide by the CONSULTANT for this CONTRACT, the CONSULTANT shall confer with the LPA when requested for the purpose of interpreting the information, clarification of any ambiguities, and/or to correct any negligent acts, error or omission without additional compensation. The CONSULTANT shall prepare any plans or data needed to correct the negligent acts, error or omission without additional compensation, even though acceptance and/or final payment may have been received by the CONSULTANT. The CONSULTANT shall give immediate attention to these changes once notified by the LPA so there will be a minimum of delay to the contractor.

When notified by the LPA of potential negligent acts, errors and/or omissions, during the development, construction, or any phase of the project, the CONSULTANT shall establish and maintain cost accounting records to segregate all costs associated with the evaluation and correction of any negligent acts, errors and/or omissions. All costs associated with any negligent acts, errors and/or omissions, including direct or indirect, must be borne by the CONSULTANT. If after written notice from the LPA, the CONSULTANT fails or refuses to correct any negligent acts, errors and/or omissions, the LPA may, by contract or otherwise, correct or replace with similar services and charge to the CONSULTANT the cost occasioned to the LPA thereby, or offset and withhold a sum equal to said cost to the LPA from payments on any existing contract(s) with the CONSULTANT or against any sums due the CONSULTANT under the terms of this CONTRACT or any other active contract(s).

ARTICLE IX. RESPONSIBILITIES FOR CLAIMS AND LIABILITY

The CONSULTANT shall indemnify and hold harmless the LPA and all its officers, agents and employees from any claim, loss, damage, cost, charge or expense, including reasonable attorney fees, to the extent caused by any negligent act, actions, neglect, error or omission by the CONSULTANT, its agents, employees, or subconsultants during the performance of this CONTRACT, whether direct or indirect, and whether to any person or property for which the LPA or said parties may be subject, except that neither the CONSULTANT nor any of his agents or subconsultants will be liable under this provision for damages arising out of the injury or damage to persons or property to the extent caused by or resulting from the negligence of the LPA or any of its officers, agents or employees.

Attachment: 20210907 - Preliminary Engineering Services Contract - Hurricane Zeta Repair Project (9709 : Preliminary Engineering Services

The CONSULTANT'S obligations under this Article, including the obligations to indemnify, defend, hold harmless, pay reasonable attorney fees or, at the LPA'S option, participate and associate with the LPA in the defense and trial or arbitration of any damage claim, lien or suit and any related settlement negotiations, shall be initiated by the LPA'S notice of claim for indemnification to the CONSULTANT. Only an adjudication or judgment after the highest appeal is exhausted specifically finding the LPA entirely responsible shall excuse performance of this provision by the CONSULTANT. In such case, the LPA shall pay all costs and fees related to this obligation and its enforcement. Should there be a finding of dual or multiple liability, costs and fees shall be apportioned accordingly.

In conjunction herewith, the LPA agrees to notify the CONSULTANT in writing as soon as practicable after receipt or notice of any claim involving the CONSULTANT. These indemnities shall not be limited by reason of the listing of any insurance coverage below.

ARTICLE X. INSURANCE

Prior to beginning any work under this CONTRACT, the CONSULTANT shall obtain and furnish proof of insurance through Certificates of Insurance and, at MDOT's request, copies of insurance policies of the following:

A. Workers' Compensation Insurance in accordance with the laws of the State of Mississippi.

B. Commercial General Liability Insurance with a minimum combined limit of not less than One Million Dollars ($1,000,000.00) for each occurrence.

C. Errors and Omissions (Professional Liability) Insurance in an amount not less than One Million Dollars ($1,000,000.00) per claim; One Million Dollars ($1,000,000.00) annual aggregate.

D. Comprehensive Automobile Liability Insurance, in an amount not less than One Million Dollars ($1,000,000.00) per occurrence.

The LPA shall be listed as a certificate holder of insurance on any of the insurance required under this CONTRACT.

In the event that the CONSULTANT retains any subconsultant or other personnel to perform SERVICES or carry out any activities under or incident to work on any project or phase of this CONTRACT, the CONSULTANT agrees to obtain from said subconsultant or other personnel, certificates of insurance demonstrating that said subconsultant or other personnel shall have sufficient coverage, or CONSULTANT agrees to include said subconsultant or other personnel within the CONSULTANT'S coverage for the duration of this PROJECT or phase for which said subconsultant or other personnel is employed.

The Insurance coverage recited above shall be maintained in full force and effect by the CONSULTANT during the entire term of the CONTRACT. The LPA shall be notified of cancellation of any of the required insurance by the CONSULTANT and by the insurance company issuing any such cancellation of the required policies. Should CONSULTANT cease to carry the errors and/or omissions coverage listed above for any reason, it shall obtain "tail" or extended reporting period coverage at the same limits for a period of not less than three (3) years subsequent to policy termination or contract termination, whichever is longer.

All insurance carriers shall be licensed and in good standing with the Office of the Insurance Commissioner of the State of Mississippi.

A certificate of insurance acceptable to the LPA shall be issued to the LPA by the CONSULTANT prior to beginning any work under this CONTRACT and thereafter on an annual basis for the duration of this CONTRACT as evidence that policies providing the required insurance are in full force and effect. All policies

Attachment: 20210907 - Preliminary Engineering Services Contract - Hurricane Zeta Repair Project (9709 : Preliminary Engineering Services

of required insurance shall give thirty days written notice to the LPA before the effective date of cancellation or reduction in limits of any required insurance.

The CONSULTANT will furnish certified copies, upon request, of any or all of the policies and/or endorsements to the LPA prior to the execution of this CONTRACT and thereafter on an annual basis for the duration of this CONTRACT.

The CONSULTANT shall provide the LPA any and all documentation necessary to prove compliance with the insurance requirements of this CONTRACT as such documentation is requested, from time to time, by the LPA.

If the CONSULTANT fails to procure or maintain required insurance, the LPA may immediately elect to terminate this CONTRACT or, at its discretion, procure or renew such insurance and pay any and all premiums in connection therewith, and all monies so paid by the LPA shall be repaid by the CONSULTANT to the LPA upon demand, or the LPA may offset the cost of the premiums against any monies due to the CONSULTANT from the LPA.

ARTICLE XI. COVENANT AGAINST CONTINGENT FEES AND LOBBYING

The CONSULTANT shall comply with the relevant requirements of all federal, state or local laws. The CONSULTANT warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the CONSULTANT, to solicit or secure this CONTRACT, and that it has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the CONSULTANT, any fee, commission, percentage, brokerage fee, gifts or any other consideration contingent upon or resulting from the award or making of this CONTRACT. The CONSULTANT warrants that it shall not contribute any money, gift or gratuity of any kind, either directly or indirectly to any employee of the LPA, or to any employee of the MDOT. For breach or violation of this warranty, the LPA shall have the right to annul this CONTRACT without liability, and the CONSULTANT shall forfeit any sums due hereunder at the time of such breach and may be barred from performing any future services for the LPA or participating in any future contracts with the LPA.

ARTICLE XII. EMPLOYMENT OF LPA'S PERSONNEL

The CONSULTANT shall not employ any person or persons in the employ of the LPA for any work required by the terms of this CONTRACT, without the written permission of the LPA, except as may otherwise be provided for herein.

ARTICLE XIII. MODIFICATION

If, prior to the satisfactory completion of the SERVICES under this CONTRACT, the LPA materially alters the scope, character, complexity or duration of the SERVICES from those required under this CONTRACT, a supplemental agreement may be executed between the parties. Also, a supplemental agreement may be negotiated and executed between the parties in the event that both parties agree the CONSULTANT'S compensation should be increased due to an increase in the nature, scope or amount of work necessary to properly provide the SERVICES required on any particular phase or project begun hereunder.

Oral agreements or conversations with the LPA, any individual member of the LPA, officer, agent, or employee of MDOT, either before or after execution of this CONTRACT, shall not affect or modify any of the terms or obligations contained in this CONTRACT. All modifications to this CONTRACT, amendments or addenda thereto must be submitted in writing and signed by the parties thereto before the modifications, amendments, or addenda become effective.

The CONSULTANT may not begin work on any modifications, amendments, or addenda prior to receiving a Notice to Proceed.

Attachment: 20210907 - Preliminary Engineering Services Contract - Hurricane Zeta Repair Project (9709 : Preliminary Engineering Services

Minor changes in the proposal which do not involve changes in the contract maximum not to exceed amount, extensions of time or changes in the goals and objectives of this CONTRACT may be made by written notification of such change by either the MDOT or the CONSULTANT to the other party, and shall become effective upon written acceptance thereof (i.e. letter agreement).

ARTICLE XIV. SUBLETTING, ASSIGNMENT OR TRANSFER

It is understood by the parties to this CONTRACT that the work of the CONSULTANT is considered personal by the LPA. The CONSULTANT shall not assign, subcontract, sublet or transfer any or all of its interest in this CONTRACT without prior written approval of the LPA. Under no condition will the CONSULTANT be allowed to sublet or subcontract more than 60% of the work required under this CONTRACT. It is clearly understood and agreed that specific projects or phases of the work may be sublet or subcontracted in their entirety provided that the CONSULTANT performs at least 40% of the overall CONTRACT with its own forces. Consent by the LPA to any subcontract shall not relieve the CONSULTANT from any of its obligations hereunder, and the CONSULTANT is required to maintain final management responsibility with regard to any such subcontract.

The LPA reserves the right to review all subcontracts documents prepared in connection with this CONTRACT, and the CONSULTANT agrees that it shall submit to the LPA any proposed subcontract document together with subconsultant cost estimates for review and written concurrence of the LPA in advance of their execution.

The CONSULTANT shall make prompt payment to all subconsultants no later than 15 days from receipt of each payment the LPA makes to the CONSULTANT. Each month, the CONSULTANT shall submit OCR-484-C found on MDOT's website to the LPA along with the Invoice. This form certifies payments to all Subconsultants and shows all firms even if the CONSULTANT has paid no monies to the firm during that estimate period (negative report). The CONSULTANT shall pay all retainage owed to the subconsultant for satisfactory completion of the accepted work within 15 days after receipt of payment.

ARTICLE XV. OWNERSHIP OF PRODUCTS AND DOCUMENTS AND WORK MADE FOR HIRE

The CONSULTANT agrees that all reports, documents, computer information and access, software, drawings, studies, notes, maps and other data and products, prepared by and for the LPA under the terms of this CONTRACT shall become and remain the property of the LPA upon creation and shall be delivered to the LPA upon termination or completion of work, or upon request of the LPA, regardless of any claim or dispute between the parties. All such data and products shall be delivered within thirty (30) days of receipt of a written request by the LPA.

The CONSULTANT and the LPA intend and agree that this CONTRACT to be a contract for SERVICES and each party considers the products and results of the SERVICES to be rendered by the CONSULTANT hereunder, including any and all material produced and/or delivered under this CONTRACT (the "Work"), to be a "work made for hire" under U.S. copyright and all applicable laws. The CONSULTANT acknowledges and agrees that the LPA owns all right, title, and interest in and to the Work including, without limitation, the copyright thereto and all trademark, patent, and all intellectual property rights thereto.

If for any reason the Work would not be considered a work made for hire under applicable law, or in the event this CONTRACT is determined to be other than a contract or agreement for a work made for hire, the CONSULTANT does hereby transfer and assign to the LPA, and its successors and assigns, the entire right, title, and interest in and to any Work prepared hereunder including, without limitation, the following: the copyright and all trademark, patent, and all intellectual property rights in the Work and any registrations and copyright, and/or all other intellectual property, applications relating thereto and any renewals and extensions thereof; all works based upon, derived from, or incorporating the Work; all income, royalties, damages, claims, and payments now or hereafter due or payable with respect thereto; all causes of action, either in law or in equity, for past, present, or future infringement based on the copyrights and/or all other intellectual property;

Attachment: 20210907 - Preliminary Engineering Services Contract - Hurricane Zeta Repair Project (9709 : Preliminary Engineering Services

all rights, including all rights to claim priority, corresponding to the foregoing in the United States and its territorial possessions and in all foreign countries. The CONSULTANT agrees to execute all papers and perform such other proper acts as the LPA may deem necessary to secure for the LPA or its designee the rights herein assigned.

The LPA may, without any notice or obligation of further compensation to the CONSULTANT, publish, re-publish, anthologize, use, disseminate, license, or sell the Work in any format or medium now known or hereafter invented or devised. The LPA 'S rights shall include, without limitation, the rights to publish, re-publish, or license a third party to publish, re-publish, or sell the Work in print, on the World Wide Web, or in any other electronic or digital format or database now known or hereafter invented or devised, as a separate isolated work or as part of a compilation or other collective work, including a work different in form from the first publication, and to include or license a third party to include the Work in an electronic or digital database or any other medium or format now known or hereafter invented or devised.

The CONSULTANT shall obtain any and all right, title, and interest to all input and/or material from any third party subconsultant, or any other party, who may provide such input and/or material to any portion of the Work so that said right, title, and interest, and all such interest in and to the Work including, without limitation, the copyright thereto and all trademark, patent, and all intellectual property rights thereto, shall belong to the LPA.

For any intellectual property rights currently owned by third parties or by the CONSULTANT and not subject to the terms of this CONTRACT, the CONSULTANT agrees that it will obtain or grant royalty-free, nonexclusive, irrevocable license(s) for or to the LPA at no cost to the LPA to use all copyrighted or copyrightable work(s) and all other intellectual property which is incorporated in the material furnished under this CONTRACT. Further, the CONSULTANT warrants and represents to the LPA that it has obtained or granted any and all such licensing prior to presentation of any Work to the LPA under this CONTRACT. This obligation of the CONSULTANT does not apply to a situation involving a third party who enters a license agreement directly with the LPA.

The CONSULTANT warrants and represents that it has not previously licensed the Work in whole or in part to any third party and that use of the Work in whole or in part will not violate any rights of any kind or nature whatsoever of any third party. The CONSULTANT agrees to indemnify and hold harmless the LPA, its successors, assigns and assignees, and its respective officers, directors, agents and employees, from and against any and all claims, damages, liabilities, costs and expenses (including reasonable attorneys' fees), arising out of or in any way connected with any breach of any representation or warranty made by CONSULTANT herein.

ARTICLE XVI. PUBLICATION AND PUBLICITY

The CONSULTANT agrees that it shall not for any reason whatsoever communicate to any third party, with the exception of the MDOT and the FHWA, in any manner whatsoever concerning any of its CONTRACT work product, its conduct under the CONTRACT, the results or data gathered or processed under this CONTRACT, which includes, but is not limited to, reports, computer information and access, drawings, studies, notes, maps and other data prepared by and for the CONSULTANT under the terms of this CONTRACT, without prior written approval from the LPA, unless such release or disclosure is required by judicial proceeding. The CONSULTANT agrees that it shall immediately refer any third party who requests such information to the LPA and shall also report to the LPA any such third party inquiry, with the exception of the MDOT and/or the FHWA. This Article shall not apply to information in whatever form that comes into the public domain, nor shall it restrict the CONSULTANT from giving notices required by law or complying with an order to provide information or data when such order is issued by a court, administrative agency or other authority with proper jurisdiction, or if it is reasonably necessary for the CONSULTANT to defend itself from any suit or claim.

All approved releases of information, findings, and recommendations shall include a disclaimer provision and all published reports shall include that disclaimer on the cover and title page in the following form:

The opinions, findings, and conclusions in this publication are those of the author(s) and not necessarily those of the Local Public Agency, Mississippi Department of Transportation, Mississippi Transportation Commission, the State of Mississippi or the Federal Highway Administration.

ARTICLE XVII. CONTRACT DISPUTES

This CONTRACT shall be deemed to have been executed in **Hancock** County, Mississippi, and all questions including but not limited to questions of interpretation, construction and performance shall be governed by the laws of the State of Mississippi, excluding its conflicts of laws provisions, and any litigation with respect to this CONTRACT shall be brought in a court of competent jurisdiction in **Hancock** County, State of Mississippi. The CONSULTANT expressly agrees that under no circumstances shall the LPA be obligated to or responsible for payment of an attorney's fee for the cost of legal action to or on behalf of the CONSULTANT.

ARTICLE XVIII. COMPLIANCE WITH APPLICABLE LAW

A. The undersigned certify that to the best of their knowledge and belief, the foregoing is in compliance with all applicable laws.

B. The CONSULTANT shall observe and comply with all applicable federal, state, and local laws, rules and regulations, policies and procedures, ordinances, and orders and decrees of bodies or tribunals of the United States of America or any agency thereof, the State of Mississippi or any agency thereof, and any local governments or political subdivisions, that are in effect at the time of the execution of this CONTRACT or that may later become effective.

C. The CONSULTANT shall not discriminate against any employee nor shall any party be subject to discrimination in the performance of this CONTRACT because of race, creed, color, sex, national origin, age or disability.

D. The CONSULTANT shall comply and shall require its subconsultants to comply with the regulations for compliance with TITLE VI OF THE CIVIL RIGHTS ACT OF 1964, as amended, and all other applicable federal regulations as stated in "Exhibit 5" which is incorporated herein by reference.

E. The CONSULTANT shall comply with the provisions set forth in Department of Transportation regulations, Uniform Administrative Requirements for Grants and Cooperative Agreements, 49 CFR, Part 18, Et Seq., regarding Uniform Administrative Requirements for Grants and Cooperative agreements (as amended) in its administration of this CONTRACT or any subcontract resulting herefrom.

F. The CONSULTANT agrees that it will abide by the provisions of 49 CFR Section 26 regarding disadvantaged business enterprises and include the certification made in "Exhibit 5" to this CONTRACT in any and all subcontracts which may result from this CONTRACTS.

G. The CONSULTANT shall comply and shall require its subconsultants to comply with Code of Federal Regulations CFR 23 Part 634 - Worker Visibility – as stated in "Exhibit 5".

H. IMMIGRANT STATUS CERTIFICATION. The CONSULTANT represents that it is in compliance with the Immigration Reform and Control Act of 1986 (Public Law 99-603), as amended, in relation to all employees performing work in the State of Mississippi and does not knowingly employ persons in violation of the United States immigration laws. The CONSULTANT further represents that it is registered and participating in the Department of Homeland Security's E-Verify™ employment

eligibility verification program, or successor thereto, and will maintain records of compliance with the Mississippi Employment Protection Act including, but not limited to, requiring compliance certification from all subcontractors and vendors who will participate in the performance of this Agreement and maintaining such certifications for inspection if requested. The CONSULTANT acknowledges that violation may result in the following: (a) cancellation of any public contract and ineligibility for any public contract for up to three (3) years, or (b) the loss of any license, permit, certification or other document granted by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year, or (c) both. The CONSULTANT also acknowledges liability for any additional costs incurred by the LPA due to such contract cancellation or loss of license or permit. The CONSULTANT is required to provide the certification on Exhibit 9 in this CONTRACT to the LPA verifying that the CONSULTANT and subconsultant(s) are registered and participating in E-Verify prior to execution of this CONTRACT

I. The covenants herein shall, except as otherwise provided, accrue to the benefit of and be binding upon the successors and assigns of the parties hereto.

ARTICLE XIX. WAIVER

Failure of either party hereto to insist upon strict compliance with any of the terms, covenants, and conditions hereof shall not be deemed a waiver or relinquishment of any similar right or power hereunder at any subsequent time, or of any other provision hereof, nor shall it be construed to be a modification of the terms of this CONTRACT.

ARTICLE XX. SEVERABILITY

If any terms or provisions of this CONTRACT are prohibited by the laws of the State of Mississippi or declared invalid or void by a court of competent jurisdiction, the remainder of this CONTRACT shall not be affected thereby and each term and provision of this CONTRACT shall be valid and enforceable to the fullest extent permitted by law.

ARTICLE XXI. ENTIRE AGREEMENT

This CONTRACT constitutes the entire agreement of the parties with respect to the subject matter contained herein and supersedes and replaces any and all prior negotiations, understandings, and agreements, written or oral, between the parties relating thereto.

ARTICLE XXII. CONFLICT OF INTEREST

The CONSULTANT covenants that no public or private interests exist and none shall be acquired directly or indirectly which would conflict in any manner with the performance of the CONSULTANT'S CONTRACT. The CONSULTANT further covenants that no employee of the CONSULTANT or of any subconsultant(s), regardless of his/her position, is to personally benefit directly or indirectly from the performance of the SERVICES or from any knowledge obtained during the CONSULTANT'S execution of this CONTRACT.

ARTICLE XXIII. AVAILABILITY OF FUNDS

It is expressly understood and agreed that the obligation of the LPA to proceed under this CONTRACT is conditioned upon the availability of funds, the appropriation of funds by the Mississippi Legislature, and the receipt of state and/or federal funds. If, at any time, the funds anticipated for the fulfillment of this CONTRACT are not forthcoming or are insufficient, either through the failure of the federal government to provide funds or of the State of Mississippi to appropriate funds or the discontinuance or material alteration of the program under which funds were provided, or if funds are not otherwise available to the LPA for the performance of this CONTRACT, the LPA shall have the right, upon written notice to the CONSULTANT, to immediately terminate or stop work on this CONTRACT without damage, penalty, cost, or expense to the LPA of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination.

ARTICLE XXIV. STOP WORK ORDER

Attachment: 20210907 - Preliminary Engineering Services Contract - Hurricane Zeta Repair Project (9709 : Preliminary Engineering Services

A. **Order to Stop Work.** The LPA may, by written order to the CONSULTANT at any time, and without notice to any surety, require the CONSULTANT to stop all or any part of the work called for by this CONTRACT. This order shall be for a specified period not exceeding twenty-four (24) months after the order is delivered to the CONSULTANT unless the parties agree to any further period. Any such order shall be identified specifically as a stop work order issued pursuant to this clause. Upon receipt of such an order, the CONSULTANT shall forthwith comply with its terms and take all steps to minimize the occurrence of costs allocable to the work covered by the order during the period of work stoppage. Before the stop work order expires, or within any further period to which the parties shall have agreed, the LPA shall either:

(1) Cancel the stop work order; or

(2) Terminate the work covered by such order according to and as provided in Article III of this CONTRACT.

Prior to the LPA'S taking official action to stop work under this CONTRACT, the Executive Director of MDOT and/or the LPA may notify the CONSULTANT, in writing, of MDOT'S or the LPA's intentions to ask the LPA or CONSULTANT to stop work under this CONTRACT. Upon notice from the Executive Director of MDOT or the LPA, the CONSULTANT shall suspend all activities under this CONTRACT, pending final action by the LPA.

B. **Cancellation or Expiration of the Order.** If a stop work order issued under this clause is canceled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, the CONSULTANT shall have the right to resume work. If the LPA decides that it is justified, an appropriate adjustment may be made in the delivery schedule. If the stop work order results in an increase in the time required for or in the CONSULTANT'S cost properly allocable to the performance of any part of this CONTRACT and the CONSULTANT asserts a claim for such an adjustment within 30 days after the end of the period of work stoppage, an equitable adjustment in this CONTRACT may be made by written modification of this CONTRACT as provided by the terms of this CONTRACT.

C. **Termination of Stopped Work.** If a stop work order is not canceled and the work covered by such order is terminated, the CONSULTANT may be paid for SERVICES rendered prior to the Termination. In addition to payment for SERVICES rendered prior to the date of termination, the LPA shall be liable only for the costs, fees, and expenses for demobilization and close out of this CONTRACT, based on actual time and expenses incurred by the CONSULTANT in the packaging and shipment of all documents covered by this CONTRACT to the LPA. In no event shall the LPA be liable for lost profits or other consequential damages.

FEES AND EXPENSES

The LPA shall pay the CONSULTANT on an actual cost-plus fixed-fee basis with an upset limit of **$66,688.44** for the satisfactory completion of the Scope of Work set forth under "Exhibit 2", hereto, for all salaries, payroll additives, overhead, direct costs and CONSULTANT'S fixed fees attributable to this CONTRACT.

Actual costs as the term is used herein shall include all direct salaries, payroll additives, overhead and direct cost. Direct salaries are those amounts actually paid to the person performing the SERVICES, which are deemed reasonably necessary by the LPA for the advancement of the Scope of Work. Overtime work is not contemplated by this CONTRACT. Accordingly, direct salaries chargeable to this CONTRACT shall not include any overtime premium. Salaries for officers, principals or partners shall not increase at a rate in excess of that for other employees. Payroll additives and overhead consist of employee fringe benefits and that part of CONSULTANT'S allowable indirect costs attributable to this CONTRACT.

Direct Costs are those charges deemed reasonably necessary by the LPA for the successful completion of the Scope of Work, which are charged directly to the project and not included in overhead.

Fixed fee as the term is used herein shall mean a dollar amount established to cover the CONSULTANT'S profit and business expenses not allocable to overhead for the successful completion of the SERVICES.

Each month, the CONSULTANT shall submit OCR-484-C found on MDOT's website to the LPA along with the Invoice. This form certifies payments to all Subconsultants and shows all firms even if the CONSULTANT has paid no monies to the firm during that estimate period (negative report).

SCHEDULE OF MAXIMUM RATES, EXPENSES & FEES:

The following schedule of rates for SERVICE will not be exceeded for all work under this CONTRACT:

Direct Salaries:

Direct salaries shall not exceed those amounts actually paid to an employee performing SERVICES reasonably necessary for the completion of the Scope of Work set forth under "Exhibit 2" to this CONTRACT.

Upon MDOT's request, all charges for SERVICES must be substantiated by supporting data, i.e. certified time sheets, daily logs, check stubs, pay vouchers, etc.

Payroll Additive & Overhead:

The current overhead rates shall be submitted by the CONSULTANT and approved by the MDOT within nine (9) months of the end of the CONSULTANT's fiscal period. The current overhead rate, as defined in this CONTRACT, shall be the overhead rate for the CONSULTANT's most recent previous fiscal period. The CONSULTANT's failure to provide a current overhead rate within nine (9) months of the end of the CONSULTANT's fiscal period may result in the CONSULTANT being deemed ineligible for any potential Supplemental Agreements with LPA. The estimated FCCM for cost proposals, Supplemental Agreements, and invoices must be specially identified and distinguished from the other costs. Profit/Fee shall not include amounts applicable to FCCM.

Final payment of the overhead rate costs shall be adjusted after completion of the final audit to reflect the actual rates experienced by the CONSULTANT during the course of this CONTRACT; however, in no event shall such an adjustment allow this CONTRACT'S cost to exceed the maximum limitation stated. Said audit of

the CONSULTANT will be conducted by the LPA, or the LPA'S designated auditor at the conclusion of this CONTRACT in accordance with Federal and the LPA requirements.

All overhead rates submitted to MDOT for approval shall comply with the current edition of the AASHTO Audit Guide, as amended. In addition, the CONSULTANT shall submit written certification in accordance with FHWA Order 4470.1A, as amended, that the indirect cost rate submitted does not include any costs which are expressly unallowable and the indirect cost rate was established only with allowable costs in accordance with the applicable cost principles contained in the Federal Acquisition Regulations (FAR) of 48 CFR part 31.

Direct Costs:

The LPA will reimburse the CONSULTANT'S actual documented expenses; or the amount allowable under the current edition of the MDOT State Travel Handbook, whichever is lower. Except as otherwise specifically provided herein, the procedures generally outlined in the MDOT State Travel Handbook shall govern the allowability of any expense reimbursement. This policy will include no meal reimbursement when there is no overnight stay. **However, Direct costs for lodging shall be reimbursed in accordance with FAR 31.205-46(a)(2).**

All direct costs must be substantiated by supporting data in accordance with the MDOT State Travel Handbook, i.e. mileage, log books, receipts, etc.

All other expenses will be reimbursed upon receipt of acceptable paid invoices.

Fixed Fee:

The CONSULTANT'S fixed fee shall be **$6,963.42**, which sum shall be paid incrementally each month in an amount determined by multiplying the total fixed fee by the project completion percentage, less any amounts previously paid for fixed fees.

Contract Maximums:

Under no circumstances shall the amount payable by the LPA for this assignment exceed **$66,688.44** (Total of all Charges) without the prior written consent of both parties.

NOTICE TO CONTRACTORS, FEDERAL AID CONTRACT COMPLIANCE WITH TITLE VI OF THE CIVIL RIGHTS ACT OF 1964

COPELAND ANTI-KICKBACK ACT, DAVIS BACON ACT, CONTRACT WORK HOURS AND SAFETY STANDARDS ACT, CLEAN AIR ACT, ENERGY POLICY AND CONSERVATION ACT, and WORKER VISIBILITY

During the performance of this CONTRACT, the CONSULTANT, for itself, its assignees and successor-in-interest (hereinafter referred to as the "CONSULTANT") agrees as follows:

1. Compliance with Regulations: The CONSULTANT will comply with the Regulations of the Department of Transportation, relative to nondiscrimination in Federally-assisted programs of the U. S. Department of Transportation (Title 49, Code of Federal Regulations, Part 21, hereinafter referred to as the "Regulations"), which are herein incorporated by reference and made a part of this CONTRACT.

2. Nondiscrimination: The CONSULTANT, with regard to the work performed by it after award and prior to completion of the contract work, will not discriminate on the grounds of race, religion, color, sex, national origin, age or disability in the selection and retention of subconsultants including procurement of materials and leases of equipment. The CONSULTANT will not participate either directly or indirectly in the discrimination prohibited by Section 21.5 of the Regulations, including employment practices when this CONTRACT covers a program set forth in Appendix B of the Regulations. In addition, the CONSULTANT will not participate either directly or indirectly in discrimination prohibited by 23 C.F.R. 710.405(b).

3. Solicitations for Subcontracts. Including Procurement of Materials and Equipment: In all Solicitations, either by competitive bidding or negotiation made by the CONSULTANT for work to be performed under a subcontract, including procurement of materials or equipment, each potential subconsultant or supplier shall be notified by the CONSULTANT of the CONSULTANT'S obligations under this CONTRACT and the Regulations relative to nondiscrimination on the grounds of race, religion, color, sex, national origin, age or disability.

4. Anti-kick back provisions: All CONTRACTS and subcontracts for construction or repair shall include a provision for compliance with the Copeland "Anti-Kick Back" Act (18 U.S.C. 874) as supplemented in Department of Labor regulations (29 CFR, Part 3). This Act provides that each CONSULTANT or subconsultant shall be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he is otherwise entitled. The CONSULTANT shall report all suspected or reported violations to the LPA.

5. Davis Bacon Act: When required by the federal grant program legislation, all construction contracts awarded to contractors and subcontractors in excess of $2,000 shall include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 276a to a-7) and as supplemented by Department of Labor regulations (29 CFR, Part 5). Under this Act, contractors shall be required to pay wages to laborers and mechanics at a rate not less than the minimum wages specified in a wage determination made by the Secretary of Labor. In addition, contractors shall be required to pay wages specified in a wage determination made by the Secretary of Labor. In addition, contractors shall be required to pay wages specified in a wage determination made by the Secretary of Labor. In addition, contractors shall be required to pay wages not less often than once a week.

6. Contract Work Hours and Safety Standards Act: Where applicable, all contracts awarded by contractors and subcontractors in excess of $100,000 which involve the employment of mechanics or laborers

shall include a provision for compliance with sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-330) as supplemented by Department of Labor Regulations (29 CFR, Part 5). Under section 103 of the Act, each contractor shall be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than 1 1/2 times the basic rate of pay for all hours worked in excess of 40 hours in the work week. Section 107 of the Act is applicable to construction work and provides that no laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his health and safety as determined under construction, safety, and health standards promulgated by the Secretary of Labor. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

7. Clean Air Act: Compliance with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act (42 U.S.C. 1857 (h), Section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR Part 15) (Contracts and subcontracts in amounts in excess of $100,000).

8. Energy Policy and Conservation Act: Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163).

9. Disadvantaged Business Enterprises: It is the policy of the Mississippi Department of Transportation to comply with the requirements of 49 C.F.R. 26, to prohibit unlawful discrimination, to meet it's goal for DBE participation, to meet that goal whenever possible by race-neutral means, to create a level playing field, and to achieve that amount of DBE participation that would be obtained in an non-discriminatory market place. To meet that objective in any United States Department of Transportation assisted contracts, the LPA and the CONSULTANT shall comply with the "Mississippi Department of Transportation's Disadvantaged Business Enterprise Programs For United States Department Of Transportation Assisted Contracts".

Neither the CONSULTANT (Contractor), nor any sub-recipient or sub-contractor shall discriminate on the bases of race, color, national origin, or sex in the performance of this CONTRACT. The CONSULTANT (Contractor) shall carry out applicable requirements of 49 C.F.R. 26 in the award and administration of United States Department of Transportation assisted contracts. Failure of the CONSULTANT (Contractor) to carry out those requirements is a material breach of the contract which may result in the termination of this CONTRACT or such other remedies as the Mississippi Department of Transportation deems appropriate.

10. Worker Visibility: All workers within the right-of-way of a Federal-aid highway who are exposed either to traffic (vehicles using the highway for the purposes of travel) or to construction equipment within the work area shall wear high-visibility safety apparel – personal protective safety clothing that is intended to provide conspicuity during both daytime and nighttime usage, and that meets the Performance Class 2 or 3 requirements of the ANSI/ISEA 107–2004 publication entitled "American National Standard for High-Visibility Safety Apparel and Headwear" – for compliance with 23 CFR, Part 634.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS - Certification in accordance with Section 29.510 Appendix A, C.F.R./Vol. 53, No. 102, page 19210 and 19211:

(1) The CONSULTANT certifies to the best of its knowledge and belief that it and its principals:

(a) are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal department or agency;

(b) have not within a three-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or CONTRACT under a public transaction, violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

(c) are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (federal, state or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification: and

(d) have not within a three-year period preceding this application/proposal had one or more public transactions (federal, state or local) terminated for cause or default;

(e) has not either directly or indirectly entered into any agreement participated in any collusion; or otherwise taken any action in restraint of free competitive negotiation in connection with this CONTRACT.

(2) The CONSULTANT further certifies, to the best of his/her knowledge and belief, that:

(f) No federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any Federal agency, a member of Congress, an officer or employee of Congress, or employee of a member of Congress in connection with the awarding of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(g) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer of employee of Congress, or any employee of a member of Congress in connection with this CONTRACT, Standard Form-LLL," Disclosure Form to Report Lobbying", in accordance with its instructions will be completed and submitted.

The certification contained in (1) and (2) above is a material representation of fact upon which reliance is placed and a pre-requisite imposed by Section 1352, Title 31, U.S. Code prior to entering into this CONTRACT. Failure to comply shall be subject to a civil penalty of not less than $10,000 and not more than $100,000. The CONSULTANT shall include the language of the certification in all subcontracts exceeding $100,000 and all sub-consultants shall certify and disclose accordingly.

CORONER

August 5, 2021

Board of Supervisors
Hancock County
854 Highway 90
Suite A
Bay St Louis, Ms. 39520

RE: Diana Beal Brisolara
SS# 417-80-2169
D.O.D. 08/03/2021

To The Honorable Board of Supervisors:

We currently have the body of Diana Beal Brisolara who died 08/03/2021. She was at Gulfport Memorial Hospital, 4500 Thirteenth St., Gulfport, Ms. 39501. She was a resident of Woodland Village Nursing Home. All efforts were exhausted and it was determined there was next of kin. I am asking at this time for the Board of Supervisors to consider Mrs. Brisolara as a Pauper and to assist with the cremation directed by Riemann Funeral Home, Gulfport, Ms. 39505.

Riemann Funeral Home Cremation Fee- $500.00

Thank you,

Derek Turnage,
Pearl River County Coroner

HANCOCK COUNTY TOURISM DEVELOPMENT BUREAU

August 19, 2021

Hancock County Board of Supervisors
Government Annex
854 Highway 90, Suite A
Bay Saint Louis, MS 39520

Dear Hancock County Supervisors,

The Hancock County Tourism Development Bureau is requesting closure of **Beach Blvd** for the following dates and locations:

Cruisin' the Coast: October 7, 8, & 9, 2021 from the Bay St, Louis Bridge to the railroad track from 8:00 AM to 5:00 PM. We are also requesting permission to use the parking bay on Highway 90 in front of the Fire Dog lot and Court Street Restaurant for the purpose of the CTC t-shirt vendor trailer and the Tourism hospitality tent.

This is the 25th (Silver Anniversary) annual Cruisin the Coast which already has a large number of over 7,000 classic cars preregistered. In past years, the economic impact to the coast has been in excess of $25 million dollars.

Thank you for your assistance in making this event possible for the citizens of Hancock County.

Sincerely,

Myrna Green

Here is a rundown on Red Cross Hurricane Ida response so far.

SHELTERS

On Saturday evening we had 14 shelters opened and staffed across South Mississippi and another six in north Mississippi and one in Mobile to shelter people from the oncoming storm.

A total of 407 people rode out the storm in our South Mississippi shelters with another 100+

taking shelter Sunday evening in North Mississippi.
As of today (Thursday), only one shelter in Hinds County (Jackson), and one in Hancock County (Kiln) remain open.

DAMAGE

Ida's damage in Mississippi was much less than expected considering the storm made landfall in Louisiana as a Category 4 hurricane. But, as predicted by many models, the storm quickly dropped to a minor hurricane and then tropical storm as it moved across southeast Louisiana before hitting Mississippi. But it also slowed to less than 5 MPH, so it did drop a lot of rain across Mississippi. Thus, the flooding.

The graphic below shows where most of the damage was in South Mississippi. Each dot represents a residence or group of residences with damage. While damage assessment has not yet finished, as of this morning we have assessed 833 residences in Mississippi and found **2 home destroyed**, **11 with major damage**, **197 with minor damage**, and **262 affected** (cosmetic damage or damage not affecting living spaces). Another 5 residences were inaccessible due to high water or debris.

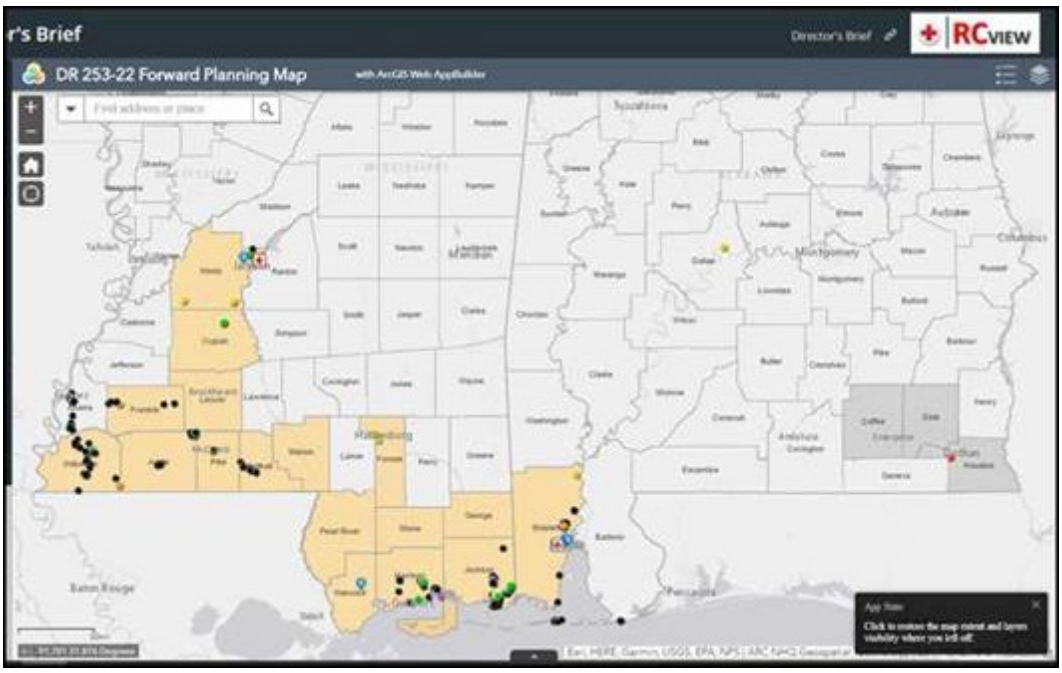

RESPONSE OPERATIONS

To better manage response, we have broken Alabama and Mississippi into two districts, north and south, with an operations center in Mobile to manage District 1 (south) and an operations center in Flowood (Jackson suburb) to manage District 2. With today's technology and videoconferencing, these remote management arrangements actually save a lot of time.

Today and tomorrow we are focusing our attention in the tan-colored counties on the graphic

below. This is where most of the damage is. We continue driving every street and coordinating with local elected officials and emergency management personnel to complete damage assessment. We're also running "hot shots" in those areas each day, using ERVs (Emergency Response Vehicles) to bring water and food and emergency supplies like comfort kits, cleanup kits, hand tools, trash bags, bleach, bug spray, and Covid PPE for anyone who needs it. We also have nurses and mental health professionals (mostly volunteers) who make up our IDC (Individual Disaster Care) teams making contacts as well. One team will be distributing disaster supplies from the town green across from City Hall in Moss Point.

-

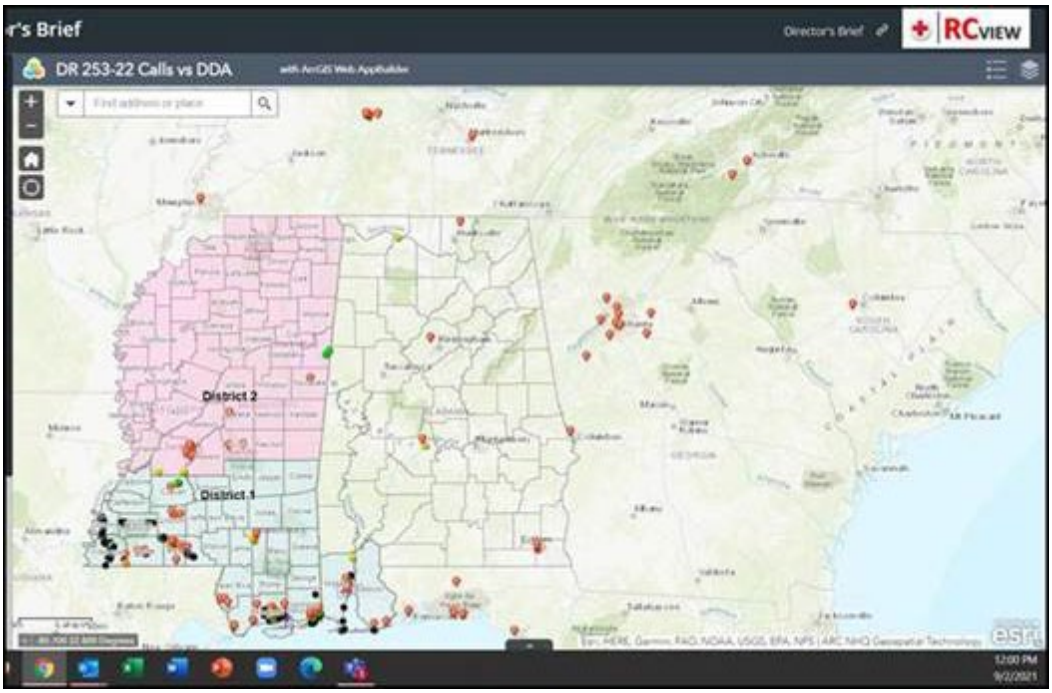

As of lunch today, our shelter population had dropped from almost 600 to 48. Most of those are Louisiana evacuees (more on that later).

Also as of lunchtime today, our Mississippi response has included:

- 846 different shelter residents
- More than 3,100 meals and 6,600 snacks served
- 11 ERVs (Emergency Response Vehicles) deployed
- 60+ cases of water distributed
- 194 homes received emergency supplies, including comfort and clean-up kits
- 230 Disaster Health Service contacts by our nurses and health professionals
- 17 Disaster Mental Health contacts by our volunteer mental health professionals
- 83 Disaster Spiritual Care contacts by our trained counselors (including visits to family members and classmates of the two individuals killed and others seriously wounded Saturday night when a portion of Hwy 26 collapsed in George County and dropped several vehicles down a long slope into water). There have been a total of 4 fatalities related to Ida in Mississippi.
- A total of 22 staff and 236 volunteers and 84 vehicles have been involved in the response to date.

- Our call center has received and responded to more than 400 calls for assistance and information. The graphic below shows where the calls have come from seeking assistance or reporting damage from Ida in Mississippi or seeking information about the storm in Mississippi:

As mentioned earlier, this operation will continue for probably two more weeks until all the needs are addressed.

LOUISIANA EVACUEES

Thousands of Louisiana residents evacuated in the face of Hurricane Ida. Many of those came through Mississippi on their way further east, but at least several hundred remained here on the Mississippi Coast, some in our shelters but most in hotel rooms. Those in hotels have run out of money and have been hitting all our offices for assistance, which we are not authorized to give at this time.

Red Cross and FEMA have set up caseworkers in 24 open shelters in the affected areas of Louisiana. They are providing immediate assistance on site as well as registering Louisiana residents for greater financial assistance once damage assessment is complete. Our instructions are to encourage evacuees to return to Louisiana where they will get assistance. We are offering $100 gas cards for Louisiana residents who evacuated to Mississippi and are ready to return; we will be offering these cards through our Gulfport office from 9 am to Noon through Saturday. There have been many rumors and some inaccurate media reporting that all shelters in Louisiana are full and there is no room for anyone else. This is untrue: we receive shelter population data from Louisiana just as we do from our own shelters. Yesterday, 24 Louisiana shelters were open and only four were at or near capacity – and that includes 60 sq. ft. of space around each cot as part of our COVID protocols. But most of the

Attachment: FW_ RED CROSS UPDATE ON IDA OPERATIONS (9747 : Red Cross Update on Ida Operations)

more than 100+ evacuees who have come to the Gulfport office don't want to go back; they want to stay in local hotels at the Red Cross expense, and that is not authorized.

FEMA has begun authorizing emergency financial assistance for Louisiana residents of 25 impacted parishes. They prefer those residents return to Louisiana to receive that assistance, but they can apply online at www.disasterassistance.gov or call 800-621-3362.

As damage assessment continues in Louisiana, FEMA and Red Cross will be announcing more opportunity for assistance for Louisiana storm victims. The situation is changing almost by the hour.

LOUISIANA IMPACT

Damage assessment in Louisiana only began Wednesday morning. Monday and Tuesday was spent primarily with search and rescue and sheltering and feeding those in the shelters. There were over 700 Red Crossers on the ground in Louisiana last night and another 500 in route from several states, including some of our own people moving off the job here to help. The graphic below shows the damage assessment as of early this morning in Louisiana, but remember, this is just the beginning. As you can see from the graphic, only the parishes of southeast Louisiana have been worked, and they only started on that yesterday. As of early this morning, only 460 residences were assessed, with 14 destroyed, 33 with major damage, 121 with minor damage, and 138 affected. As damage assessment progresses, financial assistance can be made available to residences determined to be destroyed or with major damage. But for now, that assistance will be paid out in Louisiana.

ASSISTING HURRICANE VICTIMS

Attachment: FW_ RED CROSS UPDATE ON IDA OPERATIONS (9747 : Red Cross Update on Ida Operations)

After disasters, the American people want to help. There is often an urge to start collecting clothes, food, toys, etc. and send them to the disaster victims. But they don't think about the situation on the other end: where to send it? Who is going to receive and unload and inventory it? Are there any available places to store the "stuff"? Who is going to distribute the "stuff" and to whom? Sometimes that generosity actually creates more problems for officials and volunteers on the receiving end who, right now, are extremely

ONE FINAL NOTE

Hurricane Ida is just one of 35 major operations Red Cross has underway across the country. And that is really stretching Red Cross finances and resources – and we're just getting into the peak hurricane season. Each of the icons in the graphic below indicates a different operation. Among them are Hurricane Henri response, multiple wildfires in the west, and major flooding in Tennessee and long the Atlantic coast. Among the major operations most people don't know about are:

- COVID – Red Cross continues to run vaccination drives in many states and in numerous military medical centers and VA homes;
- Migrant assistance – Red Cross has been sheltering and feeding more than 1,500 unaccompanied minors at Fort Bliss and other installations along our southern border.
- Afghan refugees – as tragic as the handling of the pull-out in Afghanistan has been, more than 8,000 refugees have arrived in the US, most with nothing but the clothes on their back. Many are even barefoot, and injured from their efforts to get to the airport. These evacuees have been placed at a number of military installations around the country and the responsibility for caring for them has been placed on the Red Cross. We may see some at one or more south Mississippi installations soon. We are on alert to be prepared to take care of them.

Re: Hancock County Hangar & Terminal Projects
Final Payment Application

Dear Mr. Bearman and Ms. White:

Please find attached the final pay application for the Hangar & Terminal projects (R-128-023-05-HCED & R-118-023-18-HCCR) submitted by the project architect, JBHM, in accordance with the settlement documents for these projects. The amount due of $205,000 represents work product agreed and accepted by the County to fulfill the contractor's obligations on the project. During the course of construction, disputes arose between owner and contractor concerning the work, and, in accordance with applicable federal regulations and the grant requirements, the County engaged in dispute resolution procedures to resolve these claims and ensure completion of the work.

The scope of the work is now complete. The original contract price totaled $6,651,119.13 for both projects, of which the County paid $6,345,408.66 at the time prior to the settlement being executed. The settlement reached by the contractor and County totaled $205,000. This resolution reduced the original contract price by $100,710.47 as evidenced by the amount certified by architect and listed specifically in settlement agreement. This was the result of an arms-length dispute resolution negotiation performed in a manner compliant with all regulations.

Thank you for your attention to this request and payment application. Please contact me should you have any questions. With kind regards, I remain

Sincerely,

/s/ Gary M. Yarborough, Jr.

RE: Stennis Airport Terminal Project (CDBG #: R-118-023-18-HCCR) and
Stennis Airport Hanger Project (CDBG #: R-128-023-05-HCED)

Dear Corinne,

I have enclosed one (1) copy of the Application and Certificate for Payment Number 32 for the period ending 12/28/17, in the amount of $205,000.00 for the above referenced projects. The amount to be paid represents the amount stipulated in the settlement agreement between the parties.

Per our recent discussions and correspondence, the application has been redlined to reflect the actual total paid amount of $6,345,408.66. While this total differs from the amounts previously certified by the design team, it reflects the actual amount paid to the Contractor per County and HCPHC records. The remaining balance will be written off as part of the settlement agreement.

Should you have any questions, please do not hesitate to call.

Sincerely,

Mark S. Pipper

____ Attemped to recruit low-income residents through: local advertising media, signs prominently displayed at the project site, contracts with the community organizations and public or private agencies operating within the metropolitan area (or nonmetropolitan county) in which the Section 3 covered program or project is located or similar methods.

____ Participation in HUD program or other program which promotes the training or employment of Section 3 residents.

____ Participation in HUD program or other program which promotes the award of contracts to business concerns which meet the definition of Section 3 business concerns

____ Coordinated with Youthbuild Programs adminstered in the metropolitan area in which Section 3 covered project is located.

X Other; describe below

The following clause will be included and encouraged during the procurement process for all contracts:

The Contracted Party will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 17010) requiring that to the greatest extent feasible, opportunities for training and employment be given to lower income residents of the project area and contracts for work in connection with the project area be awarded to eligible business concerns which are located in, or owned in substantial part by persons residing in the area of the project.

Section 3 clauses are also present in the grant agreement, advertisement for bids, and special provisions that are made a part of every service contract under the grant. A pre-construction handbook is also presented to the contractor with numerous draft Section 3 documents to aid in compliance.

Public reporting for this collection of information is estimated to average 2 hours per resonse, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completeing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB number.

Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u, mandates that the Department ensures that employment and other economic opportunities generated by its housing and community development assistance programs are directed toward low-and very-low income persons, particularly those who are recipients of government assistance housing. The regulations are found at 24 CFR Part 135. The information will be used by the Department to monitor program recipients' compliance with Section 3, to assess the results of the Department's efforts to meet the statutory objectives of Section 3, to prepare reports to Congress, and by recipients as self-monitoring tool. The data is entered into a database and will be analyzed and distributed. The collection of information involves recipients receiving Federal financial assistance for housing and community development programs covered by Section 3. The information will be collected annually to assist HUD in meeting its reporting requirements under Section 808(e)(6) of the Fair Housing Act and Section 916 of the HCDA of 1992. An assurance of confidentiality is not applicable to this form. The Private Act of 1974 and OMB Circular A-108 are not applicable. The reporting requirements do not contain sensitive questions. Data is cumulative; personal identifying information is not included.

AGREEMENT RELATIVE TO CLOSEOUT OF DISASTER RECOVERY DIVISION GRANT PROGRAMS

This Agreement is between Hancock County, Mississippi ("Recipient") and the Mississippi Developmen Authority Disaster Recovery Division ("Division").

Closeouts/Audits

The parties to this Agreement desire to close out the Recipient's Katrina Community Development Block Grant (KCDBG) Number R-128-023-05-HCED (the "Grant").

Because of regulatory and legislative changes, the Division no longer requires a final audit of an individual grant at closeout.

Rather than waiting for Recipient's next periodic single or program-specific audit, the parties desire to close out the Gran **subject to subsequent audit(s).**

THEREFORE, in consideration of the mutual promises contained herein, the parties to this Agreement agree as follows:

1. Recipient will submit to the Division its subsequent single or program-specific audit or audits, which shall comply with federal and state requirements and which shall cover all periods in which any Grant costs have been incurred. Recipient should refer to the KCDBG audit guidelines for further information and to determine whether a single or program-specific audit must be performed.

2. Recipient shall remit to the Division the amount of any costs which are disallowed by the subsequent single or program-specific audit(s) and which disallowances are sustained by the state.

3. Upon receipt of a copy of the Recipient's audit report and resolution of any findings related to the subgrant/contract (if applicable), the MDA-DRD will notify the Recipient in writing that the Recipient has fulfilled its audit requirements relative to the subgrant agreement.

4. Recipient acknowledges that the subgrant/contract is subject to monitoring by the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, and that findings of noncompliance may be taken into account by HUD and the MDA-DRD as unsatisfactory performance of the Recipient in the consideration of any future grant award.

5. The Agreements contained herein are in addition to any other agreements between the parties relative to the closeout of the Grant. Recipient agrees to abide by all governing laws and regulations.

Record Retention

1. Pursuant to 24 CFR Subsection 570.490(d), the Recipient agrees to maintain records, including support documentation **for the greater of** three years from closeout of the grant agreement between the Division and the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, or the period required by other applicable laws and regulations as described in Subsections 570.487, relative to fair housing, lead-based paint poisoning prevention, the Architectural Barriers Act and the Americans with Disabilities Act, and 570.488, relative to the displacement, relocation, acquisition, and replacement of housing. The Division agrees to notify the Recipient of the closeout date of the grant agreement between the Division and HUD.

2. Pursuant to 24 CFR Part 85.42(c), the Recipient accepts that the starting dates of the retention period are as follows:

   a. General- When grant support is continued or renewed annually or at other intervals, the retention period for the records of each funding period starts on the day the Recipient submits to the Division its last expenditure report for that period. If grant support is continued or renewed quarterly, the retention period for each year's records starts on the day the Recipient submits its expenditure report for the last quarter of the Federal fiscal year. In all other cases the retention period starts on the day the Recipient submits its final expenditure report as part of the closeout package.
   b. Real Property and Equipment Records- The retention period for real property and equipment records starts from the date of disposition or replacement or transfer (as applicable) at the direction of the awarding agency.
   c. Records for income transactions after grant or subgrant support- In instances where the Recipient earned income after the period of grant support, the retention period for the records pertaining to the earning of the income starts from the end of the grantee's fiscal year in which the income is earned.

Attachment: Hangar Closeout Docs (9695 : Approve MDA CDBG Hanger Terminal Closeout and Gouras Inv. 0719)

d. Indirect cost rate proposals, cost allocation plans, and similar accounting computations of rates at which costs are charged- If the proposal, plan or other computation is required to be submitted to the Division to form the basis for the negotiation of the rate, the 3-year retention period starts from the date of such submission. If the proposal, plan o other computation is not required to be submitted to the Division for negotiation of the rate, the 3-year retentio period starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan or oth computation.

3. Substitution of microfilm- Copies made by microfilming, photocopying, or similar methods may be substituted for th original records.

4. Records to be maintained-

   a. At a minimum, the Recipient's closeout file should contain a copy of this closeout package as well as all applicabl documents listed on pages 32-35 of the Katrina Community Development Block Grant Program Implementatio Manual.
   b. Equipment- Per 24 CFR Part 85.32(d), property records must be maintained that include a description of the property a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost o the property, the percentage of Federal participation in the cost of the property, the location, use and condition of th property, and any ultimate disposition data including the date of disposal and sale price of the property. A physica inventory of the property must be taken and the results reconciled with the property records at least once every tw years.
   c. Real Property- Records to be retained include, but are not limited to, documentation of the acquisition, improvemen use and disposition of real property acquired or improved with CDBG assistance.

Flood Insurance Coverage

Pursuant to 24 CFR Subsection 570.509(c)(4)(iv), if applicable, the Recipient shall ensure that flood insurance coverage fo property owners is maintained for the mandatory period for the grant program.

Program Income: List the amount of program income collected to date, the type of activity generating program income (i.e., public facility, economic development, etc.), the estimated amount of additional program income payments expected, and the proposed use of the program income. Pursuant to 73FR 75733-75736 1(a)(3)(ii) program income received after the closeout of the agreement between the MDA-DRD and the Recipient may be retained and utilized for other CDBG eligible purposes in accordance with 24 CFR § 570 Part I or shall be returned to the MDA-DRD. Program income is defined in 24 CFR § 570.500 and in 73FR 75733-75736 1(a). As defined at 24 CFR § 570.500, "program income" means gross income received by the grantee or subgrantee directly generated by a grant supported activity, or earned only as a result of the grant agreement during the grant period. "During the grant period" is the time between the effective date of the award and the ending date of the award reflected in the final financial report.

Part III: Summary

Indicate the efforts made to direct the employment and other economic opportunities generated by HUD financial assistance for housing and community development programs, to the greatest extent feasible, toward low-and very low-income persons, particularly those who are recipients of government assistance for housing. (Check all that apply.)

____ Attemped to recruit low-income residents through: local advertising media, signs prominently displayed at the project site, contracts with the community organizations and public or private agencies operating within the metropolitan area (or nonmetropolitan county) in which the Section 3 covered program or project is located or similar methods.

____ Participation in HUD program or other program which promotes the training or employment of Section 3 residents.

____ Participation in HUD program or other program which promotes the award of contracts to business concerns which meet the definition of Section 3 business concerns

____ Coordinated with Youthbuild Programs adminstered in the metropolitan area in which Section 3 covered project is located.

X Other; describe below

The following clause will be included and encouraged during the procurement process for all contracts:

The Contracted Party will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 17010) requiring that to the greatest extent feasible, opportunities for training and employment be given to lower income residents of the project area and contracts for work in connection with the project area be awarded to eligible business concerns which are located in, or owned in substantial part by persons residing in the area of the project.

Section 3 clauses are also present in the grant agreement, advertisement for bids, and special provisions that are made a part of every service contract under the grant. A pre-construction handbook is also presented to the contractor with numerous draft Section 3 documents to aid in compliance.

Public reporting for this collection of information is estimated to average 2 hours per resonse, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completeing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB number.

Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u, mandates that the Department ensures that employment and other economic opportunities generated by its housing and community development assistance programs are directed toward low-and very-low income persons, particularly those who are recipients of government assistance housing. The regulations are found at 24 CFR Part 135. The information will be used by the Department to monitor program recipients' compliance with Section 3, to assess the results of the Department's efforts to meet the statutory objectives of Section 3, to prepare reports to Congress, and by recipients as self-monitoring tool. The data is entered into a database and will be analyzed and distributed. The collection of information involves recipients receiving Federal financial assistance for housing and community development programs covered by Section 3. The information will be collected annually to assist HUD in meeting its reporting requirements under Section 808(e)(6) of the Fair Housing Act and Section 916 of the HCDA of 1992. An assurance of confidentiality is not applicable to this form. The Private Act of 1974 and OMB Circular A-108 are not applicable. The reporting requirements do not contain sensitive questions. Data is cumulative; personal identifying information is not included.

AGREEMENT RELATIVE TO CLOSEOUT OF DISASTER RECOVERY DIVISION GRANT PROGRAMS

This Agreement is between Hancock County, Mississippi ("Recipient") and the Mississippi Developmen Authority Disaster Recovery Division ("Division").

Closeouts/Audits

The parties to this Agreement desire to close out the Recipient's Katrina Community Development Block Grant (KCDBG) Number R-128-023-05-HCED (the "Grant").

Because of regulatory and legislative changes, the Division no longer requires a final audit of an individual grant at closeout.

Rather than waiting for Recipient's next periodic single or program-specific audit, the parties desire to close out the Gran **subject to subsequent audit(s).**

THEREFORE, in consideration of the mutual promises contained herein, the parties to this Agreement agree as follows:

1. Recipient will submit to the Division its subsequent single or program-specific audit or audits, which shall comply with federal and state requirements and which shall cover all periods in which any Grant costs have been incurred. Recipients should refer to the KCDBG audit guidelines for further information and to determine whether a single or program-specific audit must be performed.

2. Recipient shall remit to the Division the amount of any costs which are disallowed by the subsequent single or program-specific audit(s) and which disallowances are sustained by the state.

3. Upon receipt of a copy of the Recipient's audit report and resolution of any findings related to the subgrant/contract (if applicable), the MDA-DRD will notify the Recipient in writing that the Recipient has fulfilled its audit requirements relative to the subgrant agreement.

4. Recipient acknowledges that the subgrant/contract is subject to monitoring by the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, and that findings of noncompliance may be taken into account by HUD and the MDA-DRD as unsatisfactory performance of the Recipient in the consideration of any future grant award.

5. The Agreements contained herein are in addition to any other agreements between the parties relative to the closeout of the Grant. Recipient agrees to abide by all governing laws and regulations.

Record Retention

1. Pursuant to 24 CFR Subsection 570.490(d), the Recipient agrees to maintain records, including support documentation, **for the greater of** three years from closeout of the grant agreement between the Division and the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, or the period required by other applicable laws and regulations as described in Subsections 570.487, relative to fair housing, lead-based paint poisoning prevention, the Architectural Barriers Act and the Americans with Disabilities Act, and 570.488, relative to the displacement, relocation, acquisition, and replacement of housing. The Division agrees to notify the Recipient of the closeout date of the grant agreement between the Division and HUD.

2. Pursuant to 24 CFR Part 85.42(c), the Recipient accepts that the starting dates of the retention period are as follows:

   a. General- When grant support is continued or renewed annually or at other intervals, the retention period for the records of each funding period starts on the day the Recipient submits to the Division its last expenditure report for that period. If grant support is continued or renewed quarterly, the retention period for each year's records starts on the day the Recipient submits its expenditure report for the last quarter of the Federal fiscal year. In all other cases, the retention period starts on the day the Recipient submits its final expenditure report as part of the closeout package.
   b. Real Property and Equipment Records- The retention period for real property and equipment records starts from the date of disposition or replacement or transfer (as applicable) at the direction of the awarding agency.
   c. Records for income transactions after grant or subgrant support- In instances where the Recipient earned income after the period of grant support, the retention period for the records pertaining to the earning of the income starts from the end of the grantee's fiscal year in which the income is earned.

Attachment: Hangar Closeout Docs (9695 : Approve MDA CDBG Hanger Terminal Closeout and Gouras Inv. 0719)

d. Indirect cost rate proposals, cost allocation plans, and similar accounting computations of rates at which costs are charged- If the proposal, plan or other computation is required to be submitted to the Division to form the basis for the negotiation of the rate, the 3-year retention period starts from the date of such submission. If the proposal, plan other computation is not required to be submitted to the Division for negotiation of the rate, the 3-year retentic period starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan or oth computation.

3. Substitution of microfilm- Copies made by microfilming, photocopying, or similar methods may be substituted for tl original records.

4. Records to be maintained-

a. At a minimum, the Recipient's closeout file should contain a copy of this closeout package as well as all applicab documents listed on pages 32-35 of the Katrina Community Development Block Grant Program Implementatic Manual.
b. Equipment- Per 24 CFR Part 85.32(d), property records must be maintained that include a description of the propert a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost the property, the percentage of Federal participation in the cost of the property, the location, use and condition of tl property, and any ultimate disposition data including the date of disposal and sale price of the property. A physic inventory of the property must be taken and the results reconciled with the property records at least once every tw years.
c. Real Property- Records to be retained include, but are not limited to, documentation of the acquisition, improvemen use and disposition of real property acquired or improved with CDBG assistance.

Flood Insurance Coverage

Pursuant to 24 CFR Subsection 570.509(c)(4)(iv), if applicable, the Recipient shall ensure that flood insurance coverage fc property owners is maintained for the mandatory period for the grant program.

Certificate of Completion

It is hereby certified that all activities undertaken by the Recipient with funds provided under the grant agreement, hereo have, to the best of my knowledge, been carried out in accordance with the grant agreement; that proper provision has bee made by the Recipient for the payment of all unpaid costs and unsettled third-party claims identified, hereof; that the Unite States of America or the State of Mississippi is under no obligation to make any further payment to the Recipient under th grant agreement, hereof; and that every statement and amount set forth in this instrument is, to the best of my knowledge, tru and correct as of this date.

Part III: Summary

Indicate the efforts made to direct the employment and other economic opportunities generated by HUD financial assistance for housing and community development programs, to the greatest extent feasible, toward low-and very low-income persons, particularly those who are recipients of government assistance for housing. (Check all that apply.)

____ Attemped to recruit low-income residents through: local advertising media, signs prominently displayed at the project site, contracts with the community organizations and public or private agencies operating within the metropolitan area (or nonmetropolitan county) in which the Section 3 covered program or project is located or similar methods.

____ Participation in HUD program or other program which promotes the training or employment of Section 3 residents.

____ Participation in HUD program or other program which promotes the award of contracts to business concerns which meet the definition of Section 3 business concerns

____ Coordinated with Youthbuild Programs adminstered in the metropolitan area in which Section 3 covered project is located.

X Other; describe below

The following clause will be included and encouraged during the procurement process for all contracts:

The Contracted Party will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 17010) requiring that to the greatest extent feasible, opportunities for training and employment be given to lower income residents of the project area and contracts for work in connection with the project area be awarded to eligible business concerns which are located in, or owned in substantial part by persons residing in the area of the project.

Section 3 clauses are also present in the grant agreement, advertisement for bids, and special provisions that are made a part of every service contract under the grant. A pre-construction handbook is also presented to the contractor with numerous draft Section 3 documents to aid in compliance.

Public reporting for this collection of information is estimated to average 2 hours per resonse, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completeing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB number.

Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u, mandates that the Department ensures that employment and other economic opportunities generated by its housing and community development assistance programs are directed toward low-and very-low income persons, particularly those who are recipients of government assistance housing. The regulations are found at 24 CFR Part 135. The information will be used by the Department to monitor program recipients' compliance with Section 3, to assess the results of the Department's efforts to meet the statutory objectives of Section 3, to prepare reports to Congress, and by recipients as self-monitoring tool. The data is entered into a database and will be analyzed and distributed. The collection of information involves recipients receiving Federal financial assistance for housing and community development programs covered by Section 3. The information will be collected annually to assist HUD in meeting its reporting requirements under Section 808(e)(6) of the Fair Housing Act and Section 916 of the HCDA of 1992. An assurance of confidentiality is not applicable to this form. The Private Act of 1974 and OMB Circular A-108 are not applicable. The reporting requirements do not contain sensitive questions. Data is cumulative; personal identifying information is not included.

AGREEMENT RELATIVE TO CLOSEOUT OF DISASTER RECOVERY DIVISION GRANT PROGRAMS

This Agreement is between Hancock County, Mississippi ("Recipient") and the Mississippi Developmen Authority Disaster Recovery Division ("Division").

Closeouts/Audits

The parties to this Agreement desire to close out the Recipient's Katrina Community Development Block Grant (KCDBG) Number R-128-023-05-HCED (the "Grant").

Because of regulatory and legislative changes, the Division no longer requires a final audit of an individual grant at closeout.

Rather than waiting for Recipient's next periodic single or program-specific audit, the parties desire to close out the Gran **subject to subsequent audit(s).**

THEREFORE, in consideration of the mutual promises contained herein, the parties to this Agreement agree as follows:

1. Recipient will submit to the Division its subsequent single or program-specific audit or audits, which shall comply witl federal and state requirements and which shall cover all periods in which any Grant costs have been incurred. Recipient should refer to the KCDBG audit guidelines for further information and to determine whether a single or program-specifi audit must be performed.

2. Recipient shall remit to the Division the amount of any costs which are disallowed by the subsequent single or program specific audit(s) and which disallowances are sustained by the state.

3. Upon receipt of a copy of the Recipient's audit report and resolution of any findings related to the subgrant/contract (i applicable), the MDA-DRD will notify the Recipient in writing that the Recipient has fulfilled its audit requirement relative to the subgrant agreement.

4. Recipient acknowledges that the subgrant/contract is subject to monitoring by the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, and that findings of noncompliance may be taken int account by HUD and the MDA-DRD as unsatisfactory performance of the Recipient in the consideration of any futur grant award.

5. The Agreements contained herein are in addition to any other agreements between the parties relative to the closeout o the Grant. Recipient agrees to abide by all governing laws and regulations.

Record Retention

1. Pursuant to 24 CFR Subsection 570.490(d), the Recipient agrees to maintain records, including support documentation **for the greater of** three years from closeout of the grant agreement between the Division and the United State Department of Housing and Urban Development (HUD), the Federal awarding agency, or the period required by othe applicable laws and regulations as described in Subsections 570.487, relative to fair housing, lead-based paint poisonin prevention, the Architectural Barriers Act and the Americans with Disabilities Act, and 570.488, relative to th displacement, relocation, acquisition, and replacement of housing. The Division agrees to notify the Recipient of th closeout date of the grant agreement between the Division and HUD.

2. Pursuant to 24 CFR Part 85.42(c), the Recipient accepts that the starting dates of the retention period are as follows:

   a. General- When grant support is continued or renewed annually or at other intervals, the retention period for th records of each funding period starts on the day the Recipient submits to the Division its last expenditure report fo that period. If grant support is continued or renewed quarterly, the retention period for each year's records starts o the day the Recipient submits its expenditure report for the last quarter of the Federal fiscal year. In all other cases the retention period starts on the day the Recipient submits its final expenditure report as part of the closeout package.
   b. Real Property and Equipment Records- The retention period for real property and equipment records starts from th date of disposition or replacement or transfer (as applicable) at the direction of the awarding agency.
   c. Attachment: Hangar Closeout Docs (9695 : Approve MDA CDBG Hanger Terminal Closeout and Gouras Inv. 0719)

d. Indirect cost rate proposals, cost allocation plans, and similar accounting computations of rates at which costs are charged- If the proposal, plan or other computation is required to be submitted to the Division to form the basis for the negotiation of the rate, the 3-year retention period starts from the date of such submission. If the proposal, plan o other computation is not required to be submitted to the Division for negotiation of the rate, the 3-year retentio period starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan or othe computation.

3. Substitution of microfilm- Copies made by microfilming, photocopying, or similar methods may be substituted for th original records.

4. Records to be maintained-

   a. At a minimum, the Recipient's closeout file should contain a copy of this closeout package as well as all applicabl documents listed on pages 32-35 of the Katrina Community Development Block Grant Program Implementatio Manual.
   b. Equipment- Per 24 CFR Part 85.32(d), property records must be maintained that include a description of the property a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost o the property, the percentage of Federal participation in the cost of the property, the location, use and condition of th property, and any ultimate disposition data including the date of disposal and sale price of the property. A physica inventory of the property must be taken and the results reconciled with the property records at least once every tw years.
   c. Real Property- Records to be retained include, but are not limited to, documentation of the acquisition, improvement use and disposition of real property acquired or improved with CDBG assistance.

Flood Insurance Coverage

Pursuant to 24 CFR Subsection 570.509(c)(4)(iv), if applicable, the Recipient shall ensure that flood insurance coverage fo property owners is maintained for the mandatory period for the grant program.

Part III: Summary

Indicate the efforts made to direct the employment and other economic opportunities generated by HUD financial assistance for housing and community development programs, to the greatest extent feasible, toward low-and very low-income persons, particularly those who are recipients of government assistance for housing. (Check all that apply.)

____ Attemped to recruit low-income residents through: local advertising media, signs prominently displayed at the project site, contracts with the community organizations and public or private agencies operating within the metropolitan area (or nonmetropolitan county) in which the Section 3 covered program or project is located or similar methods.

____ Participation in HUD program or other program which promotes the training or employment of Section 3 residents.

____ Participation in HUD program or other program which promotes the award of contracts to business concerns which meet the definition of Section 3 business concerns

____ Coordinated with Youthbuild Programs adminstered in the metropolitan area in which Section 3 covered project is located.

X Other; describe below

The following clause will be included and encouraged during the procurement process for all contracts:

The Contracted Party will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 17010) requiring that to the greatest extent feasible, opportunities for training and employment be given to lower income residents of the project area and contracts for work in connection with the project area be awarded to eligible business concerns which are located in, or owned in substantial part by persons residing in the area of the project.

Section 3 clauses are also present in the grant agreement, advertisement for bids, and special provisions that are made a part of every service contract under the grant. A pre-construction handbook is also presented to the contractor with numerous draft Section 3 documents to aid in compliance.

Public reporting for this collection of information is estimated to average 2 hours per resonse, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completeing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB number.

Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u, mandates that the Department ensures that employment and other economic opportunities generated by its housing and community development assistance programs are directed toward low-and very-low income persons, particularly those who are recipients of government assistance housing. The regulations are found at 24 CFR Part 135. The information will be used by the Department to monitor program recipients' compliance with Section 3, to assess the results of the Department's efforts to meet the statutory objectives of Section 3, to prepare reports to Congress, and by recipients as self-monitoring tool. The data is entered into a database and will be analyzed and distributed. The collection of information involves recipients receiving Federal financial assistance for housing and community development programs covered by Section 3. The information will be collected annually to assist HUD in meeting its reporting requirements under Section 808(e)(6) of the Fair Housing Act and Section 916 of the HCDA of 1992. An assurance of confidentiality is not applicable to this form. The Private Act of 1974 and OMB Circular A-108 are not applicable. The reporting requirements do not contain sensitive questions. Data is cumulative; personal identifying information is not included.

AGREEMENT RELATIVE TO CLOSEOUT OF DISASTER RECOVERY DIVISION GRANT PROGRAMS

This Agreement is between Hancock County, Mississippi ("Recipient") and the Mississippi Developmen Authority Disaster Recovery Division ("Division").

Closeouts/Audits

The parties to this Agreement desire to close out the Recipient's Katrina Community Development Block Grant (KCDBG) Number R-118-023-18-HCCR (the "Grant").

Because of regulatory and legislative changes, the Division no longer requires a final audit of an individual grant at closeout.

Rather than waiting for Recipient's next periodic single or program-specific audit, the parties desire to close out the Gran **subject to subsequent audit(s).**

THEREFORE, in consideration of the mutual promises contained herein, the parties to this Agreement agree as follows:

1. Recipient will submit to the Division its subsequent single or program-specific audit or audits, which shall comply witl federal and state requirements and which shall cover all periods in which any Grant costs have been incurred. Recipient should refer to the KCDBG audit guidelines for further information and to determine whether a single or program-specifi audit must be performed.

2. Recipient shall remit to the Division the amount of any costs which are disallowed by the subsequent single or program specific audit(s) and which disallowances are sustained by the state.

3. Upon receipt of a copy of the Recipient's audit report and resolution of any findings related to the subgrant/contract (i applicable), the MDA-DRD will notify the Recipient in writing that the Recipient has fulfilled its audit requirement relative to the subgrant agreement.

4. Recipient acknowledges that the subgrant/contract is subject to monitoring by the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, and that findings of noncompliance may be taken int account by HUD and the MDA-DRD as unsatisfactory performance of the Recipient in the consideration of any futur grant award.

5. The Agreements contained herein are in addition to any other agreements between the parties relative to the closeout o the Grant. Recipient agrees to abide by all governing laws and regulations.

Record Retention

1. Pursuant to 24 CFR Subsection 570.490(d), the Recipient agrees to maintain records, including support documentation **for the greater of** three years from closeout of the grant agreement between the Division and the United State Department of Housing and Urban Development (HUD), the Federal awarding agency, or the period required by othe applicable laws and regulations as described in Subsections 570.487, relative to fair housing, lead-based paint poisonin prevention, the Architectural Barriers Act and the Americans with Disabilities Act, and 570.488, relative to th displacement, relocation, acquisition, and replacement of housing. The Division agrees to notify the Recipient of th closeout date of the grant agreement between the Division and HUD.

2. Pursuant to 24 CFR Part 85.42(c), the Recipient accepts that the starting dates of the retention period are as follows:

   a. General- When grant support is continued or renewed annually or at other intervals, the retention period for th records of each funding period starts on the day the Recipient submits to the Division its last expenditure report fo that period. If grant support is continued or renewed quarterly, the retention period for each year's records starts o the day the Recipient submits its expenditure report for the last quarter of the Federal fiscal year. In all other cases the retention period starts on the day the Recipient submits its final expenditure report as part of the closeout package.

Part III: Summary

Indicate the efforts made to direct the employment and other economic opportunities generated by HUD financial assistance for housing and community development programs, to the greatest extent feasible, toward low-and very low-income persons, particularly those who are recipients of government assistance for housing. (Check all that apply.)

____ Attemped to recruit low-income residents through: local advertising media, signs prominently displayed at the project site, contracts with the community organizations and public or private agencies operating within the metropolitan area (or nonmetropolitan county) in which the Section 3 covered program or project is located or similar methods.

____ Participation in HUD program or other program which promotes the training or employment of Section 3 residents.

____ Participation in HUD program or other program which promotes the award of contracts to business concerns which meet the definition of Section 3 business concerns

____ Coordinated with Youthbuild Programs adminstered in the metropolitan area in which Section 3 covered project is located.

X Other; describe below

The following clause will be included and encouraged during the procurement process for all contracts:

The Contracted Party will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 17010) requiring that to the greatest extent feasible, opportunities for training and employment be given to lower income residents of the project area and contracts for work in connection with the project area be awarded to eligible business concerns which are located in, or owned in substantial part by persons residing in the area of the project.

Section 3 clauses are also present in the grant agreement, advertisement for bids, and special provisions that are made a part of every service contract under the grant. A pre-construction handbook is also presented to the contractor with numerous draft Section 3 documents to aid in compliance.

Public reporting for this collection of information is estimated to average 2 hours per resonse, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completeing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB number.

Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u, mandates that the Department ensures that employment and other economic opportunities generated by its housing and community development assistance programs are directed toward low-and very-low income persons, particularly those who are recipients of government assistance housing. The regulations are found at 24 CFR Part 135. The information will be used by the Department to monitor program recipients' compliance with Section 3, to assess the results of the Department's efforts to meet the statutory objectives of Section 3, to prepare reports to Congress, and by recipients as self-monitoring tool. The data is entered into a database and will be analyzed and distributed. The collection of information involves recipients receiving Federal financial assistance for housing and community development programs covered by Section 3. The information will be collected annually to assist HUD in meeting its reporting requirements under Section 808(e)(6) of the Fair Housing Act and Section 916 of the HCDA of 1992. An assurance of confidentiality is not applicable to this form. The Private Act of 1974 and OMB Circular A-108 are not applicable. The reporting requirements do not contain sensitive questions. Data is cumulative; personal identifying information is not included.

AGREEMENT RELATIVE TO CLOSEOUT OF DISASTER RECOVERY DIVISION GRANT PROGRAMS

This Agreement is between Hancock County, Mississippi ("Recipient") and the Mississippi Developmen Authority Disaster Recovery Division ("Division").

Closeouts/Audits

The parties to this Agreement desire to close out the Recipient's Katrina Community Development Block Grant (KCDBG) Number R-118-023-18-HCCR (the "Grant").

Because of regulatory and legislative changes, the Division no longer requires a final audit of an individual grant at closeout.

Rather than waiting for Recipient's next periodic single or program-specific audit, the parties desire to close out the Gran **subject to subsequent audit(s).**

THEREFORE, in consideration of the mutual promises contained herein, the parties to this Agreement agree as follows:

1. Recipient will submit to the Division its subsequent single or program-specific audit or audits, which shall comply with federal and state requirements and which shall cover all periods in which any Grant costs have been incurred. Recipient should refer to the KCDBG audit guidelines for further information and to determine whether a single or program-specific audit must be performed.

2. Recipient shall remit to the Division the amount of any costs which are disallowed by the subsequent single or program-specific audit(s) and which disallowances are sustained by the state.

3. Upon receipt of a copy of the Recipient's audit report and resolution of any findings related to the subgrant/contract (if applicable), the MDA-DRD will notify the Recipient in writing that the Recipient has fulfilled its audit requirements relative to the subgrant agreement.

4. Recipient acknowledges that the subgrant/contract is subject to monitoring by the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, and that findings of noncompliance may be taken into account by HUD and the MDA-DRD as unsatisfactory performance of the Recipient in the consideration of any future grant award.

5. The Agreements contained herein are in addition to any other agreements between the parties relative to the closeout o the Grant. Recipient agrees to abide by all governing laws and regulations.

Record Retention

1. Pursuant to 24 CFR Subsection 570.490(d), the Recipient agrees to maintain records, including support documentation **for the greater of** three years from closeout of the grant agreement between the Division and the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, or the period required by other applicable laws and regulations as described in Subsections 570.487, relative to fair housing, lead-based paint poisoning prevention, the Architectural Barriers Act and the Americans with Disabilities Act, and 570.488, relative to the displacement, relocation, acquisition, and replacement of housing. The Division agrees to notify the Recipient of the closeout date of the grant agreement between the Division and HUD.

2. Pursuant to 24 CFR Part 85.42(c), the Recipient accepts that the starting dates of the retention period are as follows:

   a. General- When grant support is continued or renewed annually or at other intervals, the retention period for the records of each funding period starts on the day the Recipient submits to the Division its last expenditure report fo that period. If grant support is continued or renewed quarterly, the retention period for each year's records starts or the day the Recipient submits its expenditure report for the last quarter of the Federal fiscal year. In all other cases the retention period starts on the day the Recipient submits its final expenditure report as part of the closeout package.
   b. Real Property and Equipment Records- The retention period for real property and equipment records starts from the date of disposition or replacement or transfer (as applicable) at the direction of the awarding agency.
   c. Records for income transactions after grant or subgrant support- In instances where the Recipient earned income afte the period of grant support, the retention period for the records pertaining to the earning of the income starts from the end of the grantee's fiscal year in which the income is earned.

Attachment: Terminal Closeout Docs (9695 : Approve MDA CDBG Hanger Terminal Closeout and Gouras Inv. 0719)

d. Indirect cost rate proposals, cost allocation plans, and similar accounting computations of rates at which costs are charged- If the proposal, plan or other computation is required to be submitted to the Division to form the basis for the negotiation of the rate, the 3-year retention period starts from the date of such submission. If the proposal, plan o other computation is not required to be submitted to the Division for negotiation of the rate, the 3-year retentior period starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan or othe computation.

3. Substitution of microfilm- Copies made by microfilming, photocopying, or similar methods may be substituted for the original records.

4. Records to be maintained-

   a. At a minimum, the Recipient's closeout file should contain a copy of this closeout package as well as all applicable documents listed on pages 32-35 of the Katrina Community Development Block Grant Program Implementatior Manual.
   b. Equipment- Per 24 CFR Part 85.32(d), property records must be maintained that include a description of the property a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost o the property, the percentage of Federal participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property. A physica inventory of the property must be taken and the results reconciled with the property records at least once every two years.
   c. Real Property- Records to be retained include, but are not limited to, documentation of the acquisition, improvement use and disposition of real property acquired or improved with CDBG assistance.

Flood Insurance Coverage

Pursuant to 24 CFR Subsection 570.509(c)(4)(iv), if applicable, the Recipient shall ensure that flood insurance coverage fo property owners is maintained for the mandatory period for the grant program.

Part III: Summary

Indicate the efforts made to direct the employment and other economic opportunities generated by HUD financial assistance for housing and community development programs, to the greatest extent feasible, toward low-and very low-income persons, particularly those who are recipients of government assistance for housing. (Check all that apply.)

____ Attemped to recruit low-income residents through: local advertising media, signs prominently displayed at the project site, contracts with the community organizations and public or private agencies operating within the metropolitan area (or nonmetropolitan county) in which the Section 3 covered program or project is located or similar methods.

____ Participation in HUD program or other program which promotes the training or employment of Section 3 residents.

____ Participation in HUD program or other program which promotes the award of contracts to business concerns which meet the definition of Section 3 business concerns

____ Coordinated with Youthbuild Programs adminstered in the metropolitan area in which Section 3 covered project is located.

X___ Other; describe below

The following clause will be included and encouraged during the procurement process for all contracts:

The Contracted Party will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 17010) requiring that to the greatest extent feasible, opportunities for training and employment be given to lower income residents of the project area and contracts for work in connection with the project area be awarded to eligible business concerns which are located in, or owned in substantial part by persons residing in the area of the project.

Section 3 clauses are also present in the grant agreement, advertisement for bids, and special provisions that are made a part of every service contract under the grant. A pre-construction handbook is also presented to the contractor with numerous draft Section 3 documents to aid in compliance.

Public reporting for this collection of information is estimated to average 2 hours per resonse, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completeing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB number.

Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u, mandates that the Department ensures that employment and other economic opportunities generated by its housing and community development assistance programs are directed toward low-and very-low income persons, particularly those who are recipients of government assistance housing. The regulations are found at 24 CFR Part 135. The information will be used by the Department to monitor program recipients' compliance with Section 3, to assess the results of the Department's efforts to meet the statutory objectives of Section 3, to prepare reports to Congress, and by recipients as self-monitoring tool. The data is entered into a database and will be analyzed and distributed. The collection of information involves recipients receiving Federal financial assistance for housing and community development programs covered by Section 3. The information will be collected annually to assist HUD in meeting its reporting requirements under Section 808(e)(6) of the Fair Housing Act and Section 916 of the HCDA of 1992. An assurance of confidentiality is not applicable to this form. The Private Act of 1974 and OMB Circular A-108 are not applicable. The reporting requirements do not contain sensitive questions. Data is cumulative; personal identifying information is not included.

1. Recipient will submit to the Division its subsequent single or program-specific audit or audits, which shall comply witl federal and state requirements and which shall cover all periods in which any Grant costs have been incurred. Recipient should refer to the KCDBG audit guidelines for further information and to determine whether a single or program-specifi audit must be performed.

2. Recipient shall remit to the Division the amount of any costs which are disallowed by the subsequent single or program specific audit(s) and which disallowances are sustained by the state.

3. Upon receipt of a copy of the Recipient's audit report and resolution of any findings related to the subgrant/contract (i applicable), the MDA-DRD will notify the Recipient in writing that the Recipient has fulfilled its audit requirement relative to the subgrant agreement.

4. Recipient acknowledges that the subgrant/contract is subject to monitoring by the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, and that findings of noncompliance may be taken int account by HUD and the MDA-DRD as unsatisfactory performance of the Recipient in the consideration of any futur grant award.

5. The Agreements contained herein are in addition to any other agreements between the parties relative to the closeout o the Grant. Recipient agrees to abide by all governing laws and regulations.

Record Retention

1. Pursuant to 24 CFR Subsection 570.490(d), the Recipient agrees to maintain records, including support documentation **for the greater of** three years from closeout of the grant agreement between the Division and the United State Department of Housing and Urban Development (HUD), the Federal awarding agency, or the period required by othe applicable laws and regulations as described in Subsections 570.487, relative to fair housing, lead-based paint poisonin prevention, the Architectural Barriers Act and the Americans with Disabilities Act, and 570.488, relative to th displacement, relocation, acquisition, and replacement of housing. The Division agrees to notify the Recipient of th closeout date of the grant agreement between the Division and HUD.

2. Pursuant to 24 CFR Part 85.42(c), the Recipient accepts that the starting dates of the retention period are as follows:

   a. General- When grant support is continued or renewed annually or at other intervals, the retention period for th records of each funding period starts on the day the Recipient submits to the Division its last expenditure report fo that period. If grant support is continued or renewed quarterly, the retention period for each year's records starts o the day the Recipient submits its expenditure report for the last quarter of the Federal fiscal year. In all other cases the retention period starts on the day the Recipient submits its final expenditure report as part of the closeout package.
   b. Real Property and Equipment Records- The retention period for real property and equipment records starts from th date of disposition or replacement or transfer (as applicable) at the direction of the awarding agency.
   c. Records for income transactions after grant or subgrant support- In instances where the Recipient earned income afte the period of grant support, the retention period for the records pertaining to the earning of the income starts from th end of the grantee's fiscal year in which the income is earned.

Attachment: Terminal Closeout Docs (9695 : Approve MDA CDBG Hanger Terminal Closeout and Gouras Inv. 0719)

d. Indirect cost rate proposals, cost allocation plans, and similar accounting computations of rates at which costs are charged- If the proposal, plan or other computation is required to be submitted to the Division to form the basis for the negotiation of the rate, the 3-year retention period starts from the date of such submission. If the proposal, plan o other computation is not required to be submitted to the Division for negotiation of the rate, the 3-year retentio period starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan or othe computation.

3. Substitution of microfilm- Copies made by microfilming, photocopying, or similar methods may be substituted for th original records.

4. Records to be maintained-

a. At a minimum, the Recipient's closeout file should contain a copy of this closeout package as well as all applicabl documents listed on pages 32-35 of the Katrina Community Development Block Grant Program Implementatio Manual.
b. Equipment- Per 24 CFR Part 85.32(d), property records must be maintained that include a description of the property a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost o the property, the percentage of Federal participation in the cost of the property, the location, use and condition of th property, and any ultimate disposition data including the date of disposal and sale price of the property. A physica inventory of the property must be taken and the results reconciled with the property records at least once every tw years.
c. Real Property- Records to be retained include, but are not limited to, documentation of the acquisition, improvement use and disposition of real property acquired or improved with CDBG assistance.

Flood Insurance Coverage

Pursuant to 24 CFR Subsection 570.509(c)(4)(iv), if applicable, the Recipient shall ensure that flood insurance coverage fo property owners is maintained for the mandatory period for the grant program.

Re: Adverse Weather - January

Dear Mr. McBride,

During the month of December we experienced four (4) adverse weather (rain) days that affected progress on the parking lot:

- 1-28-14 Rain and sleet
- 1-29-14 Sleet and Ice
- 1-30-14 Sleet and Ice still frozen
- 1-31-14 Sleet and Ice melting now to wet

If you have any questions or need additional information please feel free to contact me. Thanks.

Sincerely,

Hank Martinez
Project Manager

RE: Stennis Airport Terminal Project
CDBG #: R-118-023-18-HCCR

Dear Corinne,

I have enclosed one (1) copy of the Application and Certificate for Payment Number 28 for the period ending 02/28/14, in the amount of $43,124.86 for the above referenced project. I am certifying the entire amount requested. Please note that Contractor's pay request amount was off by a few cents due to rounding and has been marked up accordingly.

Adverse weather information included: Yes
Updated progress schedule included: No

Should you have any questions, please do not hesitate to call.

Sincerely,

John McBride, AIA

RE: Hancock County Stennis Airport Terminal
CDBG R-128-023-05-HCED

Dear Ms. Sacks:

Enclosed please find invoice #1012697 from Neel-Schaffer for services related to the above referenced project for your review and payment. Funds committed by the CDBG program have been expended for the engineering line item and funds committed by HCDC will cover these expenses. I will report this payment by the HCDC as matching funds on the next Request for Cash.

Thank you so much for your assistance with this request. Please let me know if you require any additional information for your review.

Sincerely,

J. Corinne Graham

Indicate the efforts made to direct the employment and other economic opportunities generated by HUD financial assistance for housing and community development programs, to the greatest extent feasible, toward low-and very low-income persons, particularly those who are recipients of government assistance for housing. (Check all that apply.)

____ Attemped to recruit low-income residents through: local advertising media, signs prominently displayed at the project site, contracts with the community organizations and public or private agencies operating within the metropolitan area (or nonmetropolitan county) in which the Section 3 covered program or project is located or similar methods.

____ Participation in HUD program or other program which promotes the training or employment of Section 3 residents.

____ Participation in HUD program or other program which promotes the award of contracts to business concerns which meet the definition of Section 3 business concerns

____ Coordinated with Youthbuild Programs adminstered in the metropolitan area in which Section 3 covered project is located.

X Other; describe below

The following clause will be included and encouraged during the procurement process for all contracts:

The Contracted Party will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 17010) requiring that to the greatest extent feasible, opportunities for training and employment be given to lower income residents of the project area and contracts for work in connection with the project area be awarded to eligible business concerns which are located in, or owned in substantial part by persons residing in the area of the project.

Section 3 clauses are also present in the grant agreement, advertisement for bids, and special provisions that are made a part of every service contract under the grant. A pre-construction handbook is also presented to the contractor with numerous draft Section 3 documents to aid in compliance.

Public reporting for this collection of information is estimated to average 2 hours per resonse, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completeing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB number.

Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u, mandates that the Department ensures that employment and other economic opportunities generated by its housing and community development assistance programs are directed toward low-and very-low income persons, particularly those who are recipients of government assistance housing. The regulations are found at 24 CFR Part 135. The information will be used by the Department to monitor program recipients' compliance with Section 3, to assess the results of the Department's efforts to meet the statutory objectives of Section 3, to prepare reports to Congress, and by recipients as self-monitoring tool. The data is entered into a database and will be analyzed and distributed. The collection of information involves recipients receiving Federal financial assistance for housing and community development programs covered by Section 3. The information will be collected annually to assist HUD in meeting its reporting requirements under Section 808(e)(6) of the Fair Housing Act and Section 916 of the HCDA of 1992. An assurance of confidentiality is not applicable to this form. The Private Act of 1974 and OMB Circular A-108 are not applicable. The reporting requirements do not contain sensitive questions. CERTIFICATE OF RECIPIENT COMPLIANCE

1. Release

Pursuant to the terms of said subgrant/contract and in consideration of the sum of $2,100,000.00 (Total Amount Paid & Payable by MDA-DRD), upon payment of the said sum the Recipient does remise, release, and discharge MDA-DRD, its officers, agents, and employees, of and from all liabilities, obligations, claims, and demands whatsoever under or arising from the said subgrant/contract, **except the following**:

a. Specified claims in stated amounts or in estimated amounts where the amounts are not susceptible of exact statement by the Recipient, as follows:

none
(If none, so state)

b. Claims, together with reasonable expenses incidental thereto, based upon the liabilities of the Recipient to third parties arising out of the performance of the said subgrant/contract, which are not known to the Recipient on the date of execution of this release and of which the Recipient gives notice in writing to the MDA-DRD within the period specified in the said subgrant/contract.

c. Claims, after closeout, for costs which result from the liability to pay Unemployment Insurance costs under a reimbursement system or to settle Worker's Compensation claims.

2. Assignment of Refunds, Rebates and Credits

Pursuant to the terms of said contract and in consideration of the reimbursement of costs and payment of fees as provided in the said contract and any assignment thereunder, the Contractor hereby does the following:

a. Assign, transfer, set over and release to MDA-DRD all right, title and interest to all refunds, rebates, credits or other amounts (including any interest thereon) arising or which may hereafter accrue thereunder.

b. Agree to take whatever action may be necessary to effect prompt collection of all such refunds, rebates, credits or other amounts (including interest thereon due or which may become due, and to forward promptly to MDA-DRD) for any proceeds so collected. The reasonable costs of any such action to effect collection shall constitute allowable costs when approved by the MDA-DRD as stated in the said contract and may be applied to reduce any amount otherwise payable to MDA-DRD under the terms hereof.

c. Agree to cooperate fully with MDA-DRD as to any claim or suit in connection with such refunds, rebates, credits or other amounts due (including any interest thereon); to execute any protest, pleading, application, power of attorney or other papers in connection therewith; and to permit MDA-DRD or the Federal Grant of Agency to represent it at any hearing, trial or other proceeding arising out of such claim or suit.

3. Inventory Certification (Select One)

a. _____ The Recipient hereby certifies that all items of materials and equipment purchased, furnished, or transferr for or to said Recipient were done so in accordance with the terms and conditions of said subgrant/contract

b. X The Recipient hereby certifies that no equipment was furnished or acquired under the terms and conditio of said subgrant/contract.

Attachment: 20210907 - Hangar A Project Closeout Package - Exh. a (9695 : Approve MDA CDBG Hanger Terminal Closeout and Gouras Inv.

4. Recipient and Subrecipient Monitoring

The Recipient hereby certifies that onsite fiscal and programmatic reviews of the project(s) covered by this subgrant agreement were conducted, and that any findings identified in the monitoring report were resolved to the satisfaction of the MDA-DRD, prior to the submission of this closeout package. Further, the Recipient certifies that fiscal and programmatic reviews of subrecipient(s) (where applicable) were conducted by the Recipient, and any findings identified in the monitoring report(s) resolved, prior to the final fiscal and programmatic monitoring review of the Recipient. Copies of the Recipient and subrecipient monitoring reports and all related documents shall be maintained in the Recipient's official grant file for the period identified in the Record Retention section of the Agreement Relative to Closeout.

5. General Statement of Compliance

The Recipient further certifies that all other terms and conditions of said subgrant/contract have been complied with.

AGREEMENT RELATIVE TO CLOSEOUT OF DISASTER RECOVERY DIVISION GRANT PROGRAMS

This Agreement is between Hancock County, Mississippi ("Recipient") and the Mississippi Development Authority Disaster Recovery Division ("Division").

Closeouts/Audits

The parties to this Agreement desire to close out the Recipient's Katrina Community Development Block Grant (KCDBG) Number R-128-023-05-HCED (the "Grant").

Because of regulatory and legislative changes, the Division no longer requires a final audit of an individual grant at closeout.

Rather than waiting for Recipient's next periodic single or program-specific audit, the parties desire to close out the Grant **subject to subsequent audit(s).**

THEREFORE, in consideration of the mutual promises contained herein, the parties to this Agreement agree as follows:

1. Recipient will submit to the Division its subsequent single or program-specific audit or audits, which shall comply with federal and state requirements and which shall cover all periods in which any Grant costs have been incurred. Recipients should refer to the KCDBG audit guidelines for further information and to determine whether a single or program-specific audit must be performed.

2. Recipient shall remit to the Division the amount of any costs which are disallowed by the subsequent single or program-specific audit(s) and which disallowances are sustained by the state.

3. Upon receipt of a copy of the Recipient's audit report and resolution of any findings related to the subgrant/contract (if applicable), the MDA-DRD will notify the Recipient in writing that the Recipient has fulfilled its audit requirements relative to the subgrant agreement.

4. Recipient acknowledges that the subgrant/contract is subject to monitoring by the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, and that findings of noncompliance may be taken into account by HUD and the MDA-DRD as unsatisfactory performance of the Recipient in the consideration of any future grant award.

5. The Agreements contained herein are in addition to any other agreements between the parties relative to the closeout of the Grant. Recipient agrees to abide by all governing laws and regulations.

Record Retention

1. Pursuant to 24 CFR Subsection 570.490(d), the Recipient agrees to maintain records, including support documentation, **for the greater of** three years from closeout of the grant agreement between the Division and the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, or the period required by other applicable laws and regulations as described in Subsections 570.487, relative to fair housing, lead-based paint poisoning prevention, the Architectural Barriers Act and the Americans with Disabilities Act, and 570.488, relative to the displacement, relocation, acquisition, and replacement of housing. The Division agrees to notify the Recipient of the closeout date of the grant agreement between the Division and HUD.

2. Pursuant to 24 CFR Part 85.42(c), the Recipient accepts that the starting dates of the retention period are as follows:

   a. General- When grant support is continued or renewed annually or at other intervals, the retention period for the records of each funding period starts on the day the Recipient submits to the Division its last expenditure report for that period. If grant support is continued or renewed quarterly, the retention period for each year's records starts on the day the Recipient submits its expenditure report for the last quarter of the Federal fiscal year. In all other cases, the retention period starts on the day the Recipient submits its final expenditure report as part of the closeout package.
   b. Real Property and Equipment Records- The retention period for real property and equipment records starts from the date of disposition or replacement or transfer (as applicable) at the direction of the awarding agency.
   c. Records for income transactions after grant or subgrant support- In instances where the Recipient earned income after the period of grant support, the retention period for the records pertaining to the earning of the income starts from the end of the grantee's fiscal year in which the income is earned.

Attachment: 20210907 - Hangar A Project Closeout Package - Exh. a (9695 : Approve MDA CDBG Hanger Terminal Closeout and Gouras Inv.

d. Indirect cost rate proposals, cost allocation plans, and similar accounting computations of rates at which costs are charged- If the proposal, plan or other computation is required to be submitted to the Division to form the basis for the negotiation of the rate, the 3-year retention period starts from the date of such submission. If the proposal, plan or other computation is not required to be submitted to the Division for negotiation of the rate, the 3-year retention period starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan or other computation.

3. Substitution of microfilm- Copies made by microfilming, photocopying, or similar methods may be substituted for the original records.

4. Records to be maintained-

a. At a minimum, the Recipient's closeout file should contain a copy of this closeout package as well as all applicable documents listed on pages 32-35 of the Katrina Community Development Block Grant Program Implementation Manual.
b. Equipment- Per 24 CFR Part 85.32(d), property records must be maintained that include a description of the property, a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost of the property, the percentage of Federal participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property. A physical inventory of the property must be taken and the results reconciled with the property records at least once every two years.
c. Real Property- Records to be retained include, but are not limited to, documentation of the acquisition, improvement, use and disposition of real property acquired or improved with CDBG assistance.

Flood Insurance Coverage

Pursuant to 24 CFR Subsection 570.509(c)(4)(iv), if applicable, the Recipient shall ensure that flood insurance coverage for property owners is maintained for the mandatory period for the grant program.

Certificate of Completion

It is hereby certified that all activities undertaken by the Recipient with funds provided under the grant agreement, hereof, have, to the best of my knowledge, been carried out in accordance with the grant agreement; that proper provision has been made by the Recipient for the payment of all unpaid costs and unsettled third-party claims identified, hereof; that the United States of America or the State of Mississippi is under no obligation to make any further payment to the Recipient under the grant agreement, hereof; and that every statement and amount set forth in this instrument is, to the best of my knowledge, true and correct as of this date.

Recipient Performance Certification Report

It is hereby certified that all planned and actual beneficiaries, and the planned and actual low-to-moderate-income beneficiaries as stated on the Recipient Performance Certification Report are, to the best of my knowledge, true and correct as of this date.

Part III: Summary

Indicate the efforts made to direct the employment and other economic opportunities generated by HUD financial assistance for housing and community development programs, to the greatest extent feasible, toward low-and very low-income persons, particularly those who are recipients of government assistance for housing. (Check all that apply.)

____ Attemped to recruit low-income residents through: local advertising media, signs prominently displayed at the project site, contracts with the community organizations and public or private agencies operating within the metropolitan area (or nonmetropolitan county) in which the Section 3 covered program or project is located or similar methods.

____ Participation in HUD program or other program which promotes the training or employment of Section 3 residents.

____ Participation in HUD program or other program which promotes the award of contracts to business concerns which meet the definition of Section 3 business concerns

____ Coordinated with Youthbuild Programs adminstered in the metropolitan area in which Section 3 covered project is located.

X Other; describe below

The following clause will be included and encouraged during the procurement process for all contracts:

The Contracted Party will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 17010) requiring that to the greatest extent feasible, opportunities for training and employment be given to lower income residents of the project area and contracts for work in connection with the project area be awarded to eligible business concerns which are located in, or owned in substantial part by persons residing in the area of the project.

Section 3 clauses are also present in the grant agreement, advertisement for bids, and special provisions that are made a part of every service contract under the grant. A pre-construction handbook is also presented to the contractor with numerous draft Section 3 documents to aid in compliance.

Public reporting for this collection of information is estimated to average 2 hours per resonse, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completeing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB number.

Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u, mandates that the Department ensures that employment and other economic opportunities generated by its housing and community development assistance programs are directed toward low-and very-low income persons, particularly those who are recipients of government assistance housing. The regulations are found at 24 CFR Part 135. The information will be used by the Department to monitor program recipients' compliance with Section 3, to assess the results of the Department's efforts to meet the statutory objectives of Section 3, to prepare reports to Congress, and by recipients as self-monitoring tool. The data is entered into a database and will be analyzed and distributed. The collection of information involves recipients receiving Federal financial assistance for housing and community development programs covered by Section 3. The information will be collected annually to assist HUD in meeting its reporting requirements under Section 808(e)(6) of the Fair Housing Act and Section 916 of the HCDA of 1992. An assurance of confidentiality is not applicable to this form. The Private Act of 1974 and OMB Circular A-108 are not applicable. The reporting requirements do not contain sensitive questions. Data is cumulative; personal identifying information is not included.

CERTIFICATE OF RECIPIENT COMPLIANCE

1. Release

Pursuant to the terms of said subgrant/contract and in consideration of the sum of $2,100,000.00 (Total Amount Paid & Payable by MDA-DRD), upon payment of the said sum the Recipient does remise, release, and discharge MDA-DRD, its officers, agents, and employees, of and from all liabilities, obligations, claims, and demands whatsoever under or arising from the said subgrant/contract, **except the following**:

a. Specified claims in stated amounts or in estimated amounts where the amounts are not susceptible of exact statement by the Recipient, as follows:

none
(If none, so state)

b. Claims, together with reasonable expenses incidental thereto, based upon the liabilities of the Recipient to third parties arising out of the performance of the said subgrant/contract, which are not known to the Recipient on the date of execution of this release and of which the Recipient gives notice in writing to the MDA-DRD within the period specified in the said subgrant/contract.

c. Claims, after closeout, for costs which result from the liability to pay Unemployment Insurance costs under a reimbursement system or to settle Worker's Compensation claims.

2. Assignment of Refunds, Rebates and Credits

Pursuant to the terms of said contract and in consideration of the reimbursement of costs and payment of fees as provided in the said contract and any assignment thereunder, the Contractor hereby does the following:

a. Assign, transfer, set over and release to MDA-DRD all right, title and interest to all refunds, rebates, credits or other amounts (including any interest thereon) arising or which may hereafter accrue thereunder.

b. Agree to take whatever action may be necessary to effect prompt collection of all such refunds, rebates, credits or other amounts (including interest thereon due or which may become due, and to forward promptly to MDA-DRD) for any proceeds so collected. The reasonable costs of any such action to effect collection shall constitute allowable costs when approved by the MDA-DRD as stated in the said contract and may be applied to reduce any amount otherwise payable to MDA-DRD under the terms hereof.

c. Agree to cooperate fully with MDA-DRD as to any claim or suit in connection with such refunds, rebates, credits or other amounts due (including any interest thereon); to execute any protest, pleading, application, power of attorney or other papers in connection therewith; and to permit MDA-DRD or the Federal Grant of Agency to represent it at any hearing, trial or other proceeding arising out of such claim or suit.

3. Inventory Certification (Select One)

a. _____ The Recipient hereby certifies that all items of materials and equipment purchased, furnished, or transferr for or to said Recipient were done so in accordance with the terms and conditions of said subgrant/contract

b. X The Recipient hereby certifies that no equipment was furnished or acquired under the terms and conditio of said subgrant/contract.

Attachment: 20210907 - Hangar A Project Closeout Package - Exh. a (9695 : Approve MDA CDBG Hanger Terminal Closeout and Gouras Inv.

4. Recipient and Subrecipient Monitoring

The Recipient hereby certifies that onsite fiscal and programmatic reviews of the project(s) covered by this subgrant agreement were conducted, and that any findings identified in the monitoring report were resolved to the satisfaction of the MDA-DRD, prior to the submission of this closeout package. Further, the Recipient certifies that fiscal and programmatic reviews of subrecipient(s) (where applicable) were conducted by the Recipient, and any findings identified in the monitoring report(s) resolved, prior to the final fiscal and programmatic monitoring review of the Recipient. Copies of the Recipient and subrecipient monitoring reports and all related documents shall be maintained in the Recipient's official grant file for the period identified in the Record Retention section of the Agreement Relative to Closeout.

5. General Statement of Compliance

The Recipient further certifies that all other terms and conditions of said subgrant/contract have been complied with.

AGREEMENT RELATIVE TO CLOSEOUT OF DISASTER RECOVERY DIVISION GRANT PROGRAMS

This Agreement is between Hancock County, Mississippi ("Recipient") and the Mississippi Development Authority Disaster Recovery Division ("Division").

Closeouts/Audits

The parties to this Agreement desire to close out the Recipient's Katrina Community Development Block Grant (KCDBG) Number R-128-023-05-HCED (the "Grant").

Because of regulatory and legislative changes, the Division no longer requires a final audit of an individual grant at closeout.

Rather than waiting for Recipient's next periodic single or program-specific audit, the parties desire to close out the Grant **subject to subsequent audit(s).**

THEREFORE, in consideration of the mutual promises contained herein, the parties to this Agreement agree as follows:

1. Recipient will submit to the Division its subsequent single or program-specific audit or audits, which shall comply with federal and state requirements and which shall cover all periods in which any Grant costs have been incurred. Recipients should refer to the KCDBG audit guidelines for further information and to determine whether a single or program-specific audit must be performed.

2. Recipient shall remit to the Division the amount of any costs which are disallowed by the subsequent single or program-specific audit(s) and which disallowances are sustained by the state.

3. Upon receipt of a copy of the Recipient's audit report and resolution of any findings related to the subgrant/contract (if applicable), the MDA-DRD will notify the Recipient in writing that the Recipient has fulfilled its audit requirements relative to the subgrant agreement.

4. Recipient acknowledges that the subgrant/contract is subject to monitoring by the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, and that findings of noncompliance may be taken into account by HUD and the MDA-DRD as unsatisfactory performance of the Recipient in the consideration of any future grant award.

5. The Agreements contained herein are in addition to any other agreements between the parties relative to the closeout of the Grant. Recipient agrees to abide by all governing laws and regulations.

Record Retention

1. Pursuant to 24 CFR Subsection 570.490(d), the Recipient agrees to maintain records, including support documentation, **for the greater of** three years from closeout of the grant agreement between the Division and the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, or the period required by other applicable laws and regulations as described in Subsections 570.487, relative to fair housing, lead-based paint poisoning prevention, the Architectural Barriers Act and the Americans with Disabilities Act, and 570.488, relative to the displacement, relocation, acquisition, and replacement of housing. The Division agrees to notify the Recipient of the closeout date of the grant agreement between the Division and HUD.

2. Pursuant to 24 CFR Part 85.42(c), the Recipient accepts that the starting dates of the retention period are as follows:

   a. General- When grant support is continued or renewed annually or at other intervals, the retention period for the records of each funding period starts on the day the Recipient submits to the Division its last expenditure report for that period. If grant support is continued or renewed quarterly, the retention period for each year's records starts on the day the Recipient submits its expenditure report for the last quarter of the Federal fiscal year. In all other cases, the retention period starts on the day the Recipient submits its final expenditure report as part of the closeout package.
   b. Real Property and Equipment Records- The retention period for real property and equipment records starts from the date of disposition or replacement or transfer (as applicable) at the direction of the awarding agency.
   c. Records for income transactions after grant or subgrant support- In instances where the Recipient earned income after the period of grant support, the retention period for the records pertaining to the earning of the income starts from the end of the grantee's fiscal year in which the income is earned.

Attachment: 20210907 - Hangar A Project Closeout Package - Exh. a (9695 : Approve MDA CDBG Hanger Terminal Closeout and Gouras Inv.

d. Indirect cost rate proposals, cost allocation plans, and similar accounting computations of rates at which costs are charged- If the proposal, plan or other computation is required to be submitted to the Division to form the basis for the negotiation of the rate, the 3-year retention period starts from the date of such submission. If the proposal, plan or other computation is not required to be submitted to the Division for negotiation of the rate, the 3-year retention period starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan or other computation.

3. Substitution of microfilm- Copies made by microfilming, photocopying, or similar methods may be substituted for the original records.

4. Records to be maintained-

a. At a minimum, the Recipient's closeout file should contain a copy of this closeout package as well as all applicable documents listed on pages 32-35 of the Katrina Community Development Block Grant Program Implementation Manual.
b. Equipment- Per 24 CFR Part 85.32(d), property records must be maintained that include a description of the property, a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost of the property, the percentage of Federal participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property. A physical inventory of the property must be taken and the results reconciled with the property records at least once every two years.
c. Real Property- Records to be retained include, but are not limited to, documentation of the acquisition, improvement, use and disposition of real property acquired or improved with CDBG assistance.

Flood Insurance Coverage

Pursuant to 24 CFR Subsection 570.509(c)(4)(iv), if applicable, the Recipient shall ensure that flood insurance coverage for property owners is maintained for the mandatory period for the grant program.

Certificate of Completion

It is hereby certified that all activities undertaken by the Recipient with funds provided under the grant agreement, hereof, have, to the best of my knowledge, been carried out in accordance with the grant agreement; that proper provision has been made by the Recipient for the payment of all unpaid costs and unsettled third-party claims identified, hereof; that the United States of America or the State of Mississippi is under no obligation to make any further payment to the Recipient under the grant agreement, hereof; and that every statement and amount set forth in this instrument is, to the best of my knowledge, true and correct as of this date.

Part III: Summary

Indicate the efforts made to direct the employment and other economic opportunities generated by HUD financial assistance for housing and community development programs, to the greatest extent feasible, toward low-and very low-income persons, particularly those who are recipients of government assistance for housing. (Check all that apply.)

____ Attemped to recruit low-income residents through: local advertising media, signs prominently displayed at the project site, contracts with the community organizations and public or private agencies operating within the metropolitan area (or nonmetropolitan county) in which the Section 3 covered program or project is located or similar methods.

____ Participation in HUD program or other program which promotes the training or employment of Section 3 residents.

____ Participation in HUD program or other program which promotes the award of contracts to business concerns which meet the definition of Section 3 business concerns

____ Coordinated with Youthbuild Programs adminstered in the metropolitan area in which Section 3 covered project is located.

X Other; describe below

The following clause will be included and encouraged during the procurement process for all contracts:

The Contracted Party will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 17010) requiring that to the greatest extent feasible, opportunities for training and employment be given to lower income residents of the project area and contracts for work in connection with the project area be awarded to eligible business concerns which are located in, or owned in substantial part by persons residing in the area of the project.

Section 3 clauses are also present in the grant agreement, advertisement for bids, and special provisions that are made a part of every service contract under the grant. A pre-construction handbook is also presented to the contractor with numerous draft Section 3 documents to aid in compliance.

Public reporting for this collection of information is estimated to average 2 hours per resonse, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completeing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB number.

Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u, mandates that the Department ensures that employment and other economic opportunities generated by its housing and community development assistance programs are directed toward low-and very-low income persons, particularly those who are recipients of government assistance housing. The regulations are found at 24 CFR Part 135. The information will be used by the Department to monitor program recipients' compliance with Section 3, to assess the results of the Department's efforts to meet the statutory objectives of Section 3, to prepare reports to Congress, and by recipients as self-monitoring tool. The data is entered into a database and will be analyzed and distributed. The collection of information involves recipients receiving Federal financial assistance for housing and community development programs covered by Section 3. The information will be collected annually to assist HUD in meeting its reporting requirements under Section 808(e)(6) of the Fair Housing Act and Section 916 of the HCDA of 1992. An assurance of confidentiality is not applicable to this form. The Private Act of 1974 and OMB Circular A-108 are not applicable. The reporting requirements do not contain sensitive questions. Data is cumulative; personal identifying information is not included.

CERTIFICATE OF RECIPIENT COMPLIANCE

1. Release

Pursuant to the terms of said subgrant/contract and in consideration of the sum of $2,100,000.00 (Total Amount Paid & Payable by MDA-DRD), upon payment of the said sum the Recipient does remise, release, and discharge MDA-DRD, its officers, agents, and employees, of and from all liabilities, obligations, claims, and demands whatsoever under or arising from the said subgrant/contract, **except the following**:

a. Specified claims in stated amounts or in estimated amounts where the amounts are not susceptible of exact statement by the Recipient, as follows:

none
(If none, so state)

b. Claims, together with reasonable expenses incidental thereto, based upon the liabilities of the Recipient to third parties arising out of the performance of the said subgrant/contract, which are not known to the Recipient on the date of execution of this release and of which the Recipient gives notice in writing to the MDA-DRD within the period specified in the said subgrant/contract.

c. Claims, after closeout, for costs which result from the liability to pay Unemployment Insurance costs under a reimbursement system or to settle Worker's Compensation claims.

2. Assignment of Refunds, Rebates and Credits

Pursuant to the terms of said contract and in consideration of the reimbursement of costs and payment of fees as provided in the said contract and any assignment thereunder, the Contractor hereby does the following:

a. Assign, transfer, set over and release to MDA-DRD all right, title and interest to all refunds, rebates, credits or other amounts (including any interest thereon) arising or which may hereafter accrue thereunder.

b. Agree to take whatever action may be necessary to effect prompt collection of all such refunds, rebates, credits or other amounts (including interest thereon due or which may become due, and to forward promptly to MDA-DRD) for any proceeds so collected. The reasonable costs of any such action to effect collection shall constitute allowable costs when approved by the MDA-DRD as stated in the said contract and may be applied to reduce any amount otherwise payable to MDA-DRD under the terms hereof.

c. Agree to cooperate fully with MDA-DRD as to any claim or suit in connection with such refunds, rebates, credits or other amounts due (including any interest thereon); to execute any protest, pleading, application, power of attorney or other papers in connection therewith; and to permit MDA-DRD or the Federal Grant of Agency to represent it at any hearing, trial or other proceeding arising out of such claim or suit.

AGREEMENT RELATIVE TO CLOSEOUT OF DISASTER RECOVERY DIVISION GRANT PROGRAMS

This Agreement is between Hancock County, Mississippi ("Recipient") and the Mississippi Development Authority Disaster Recovery Division ("Division").

Closeouts/Audits

The parties to this Agreement desire to close out the Recipient's Katrina Community Development Block Grant (KCDBG) Number R-128-023-05-HCED (the "Grant").

Because of regulatory and legislative changes, the Division no longer requires a final audit of an individual grant at closeout.

Rather than waiting for Recipient's next periodic single or program-specific audit, the parties desire to close out the Grant **subject to subsequent audit(s).**

THEREFORE, in consideration of the mutual promises contained herein, the parties to this Agreement agree as follows:

1. Recipient will submit to the Division its subsequent single or program-specific audit or audits, which shall comply with federal and state requirements and which shall cover all periods in which any Grant costs have been incurred. Recipients should refer to the KCDBG audit guidelines for further information and to determine whether a single or program-specific audit must be performed.

2. Recipient shall remit to the Division the amount of any costs which are disallowed by the subsequent single or program-specific audit(s) and which disallowances are sustained by the state.

3. Upon receipt of a copy of the Recipient's audit report and resolution of any findings related to the subgrant/contract (if applicable), the MDA-DRD will notify the Recipient in writing that the Recipient has fulfilled its audit requirements relative to the subgrant agreement.

4. Recipient acknowledges that the subgrant/contract is subject to monitoring by the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, and that findings of noncompliance may be taken into account by HUD and the MDA-DRD as unsatisfactory performance of the Recipient in the consideration of any future grant award.

5. The Agreements contained herein are in addition to any other agreements between the parties relative to the closeout of the Grant. Recipient agrees to abide by all governing laws and regulations.

Record Retention

1. Pursuant to 24 CFR Subsection 570.490(d), the Recipient agrees to maintain records, including support documentation, **for the greater of** three years from closeout of the grant agreement between the Division and the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, or the period required by other applicable laws and regulations as described in Subsections 570.487, relative to fair housing, lead-based paint poisoning prevention, the Architectural Barriers Act and the Americans with Disabilities Act, and 570.488, relative to the displacement, relocation, acquisition, and replacement of housing. The Division agrees to notify the Recipient of the closeout date of the grant agreement between the Division and HUD.

2. Pursuant to 24 CFR Part 85.42(c), the Recipient accepts that the starting dates of the retention period are as follows:

   a. General- When grant support is continued or renewed annually or at other intervals, the retention period for the records of each funding period starts on the day the Recipient submits to the Division its last expenditure report for that period. If grant support is continued or renewed quarterly, the retention period for each year's records starts on the day the Recipient submits its expenditure report for the last quarter of the Federal fiscal year. In all other cases, the retention period starts on the day the Recipient submits its final expenditure report as part of the closeout package.
   b. Real Property and Equipment Records- The retention period for real property and equipment records starts from the date of disposition or replacement or transfer (as applicable) at the direction of the awarding agency.
   c. Records for income transactions after grant or subgrant support- In instances where the Recipient earned income after the period of grant support, the retention period for the records pertaining to the earning of the income starts from the end of the grantee's fiscal year in which the income is earned.

Attachment: 20210907 - Hangar A Project Closeout Package - Exh. a (9695 : Approve MDA CDBG Hanger Terminal Closeout and Gouras Inv.

d. Indirect cost rate proposals, cost allocation plans, and similar accounting computations of rates at which costs are charged- If the proposal, plan or other computation is required to be submitted to the Division to form the basis for the negotiation of the rate, the 3-year retention period starts from the date of such submission. If the proposal, plan or other computation is not required to be submitted to the Division for negotiation of the rate, the 3-year retention period starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan or other computation.

3. Substitution of microfilm- Copies made by microfilming, photocopying, or similar methods may be substituted for the original records.

4. Records to be maintained-

a. At a minimum, the Recipient's closeout file should contain a copy of this closeout package as well as all applicable documents listed on pages 32-35 of the Katrina Community Development Block Grant Program Implementation Manual.

b. Equipment- Per 24 CFR Part 85.32(d), property records must be maintained that include a description of the property, a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost of the property, the percentage of Federal participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property. A physical inventory of the property must be taken and the results reconciled with the property records at least once every two years.

c. Real Property- Records to be retained include, but are not limited to, documentation of the acquisition, improvement, use and disposition of real property acquired or improved with CDBG assistance.

Flood Insurance Coverage

Pursuant to 24 CFR Subsection 570.509(c)(4)(iv), if applicable, the Recipient shall ensure that flood insurance coverage for property owners is maintained for the mandatory period for the grant program.

Certificate of Completion

It is hereby certified that all activities undertaken by the Recipient with funds provided under the grant agreement, hereof, have, to the best of my knowledge, been carried out in accordance with the grant agreement; that proper provision has been made by the Recipient for the payment of all unpaid costs and unsettled third-party claims identified, hereof; that the United States of America or the State of Mississippi is under no obligation to make any further payment to the Recipient under the grant agreement, hereof; and that every statement and amount set forth in this instrument is, to the best of my knowledge, true and correct as of this date.

Recipient Performance Certification Report

It is hereby certified that all planned and actual beneficiaries, and the planned and actual low-to-moderate-income beneficiaries as stated on the Recipient Performance Certification Report are, to the best of my knowledge, true and correct as of this date.

Re: Hancock County Hangar & Terminal Projects
Final Payment Application

Dear Mr. Bearman and Ms. White:

Please find attached the final pay application for the Hangar & Terminal projects (R-128-023-05-HCED & R-118-023-18-HCCR) submitted by the project architect, JBHM, in accordance with the settlement documents for these projects. The amount due of $205,000 represents work product agreed and accepted by the County to fulfill the contractor's obligations on the project. During the course of construction, disputes arose between owner and contractor concerning the work, and, in accordance with applicable federal regulations and the grant requirements, the County engaged in dispute resolution procedures to resolve these claims and ensure completion of the work.

The scope of the work is now complete. The original contract price totaled $6,651,119.13 for both projects, of which the County paid $6,345,408.66 at the time prior to the settlement being executed. The settlement reached by the contractor and County totaled $205,000. This resolution reduced the original contract price by $100,710.47 as evidenced by the amount certified by architect and listed specifically in settlement agreement. This was the result of an arms-length dispute resolution negotiation performed in a manner compliant with all regulations.

Thank you for your attention to this request and payment application. Please contact me should you have any questions. With kind regards, I remain

Sincerely,

/s/ Gary M. Yarborough, Jr.

RE: Stennis Airport Terminal Project (CDBG #: R-118-023-18-HCCR) and
Stennis Airport Hanger Project (CDBG #: R-128-023-05-HCED)

Dear Corinne,

I have enclosed one (1) copy of the Application and Certificate for Payment Number 32 for the period ending 12/28/17, in the amount of $205,000.00 for the above referenced projects. The amount to be paid represents the amount stipulated in the settlement agreement between the parties.

Per our recent discussions and correspondence, the application has been redlined to reflect the actual total paid amount of $6,345,408.66. While this total differs from the amounts previously certified by the design team, it reflects the actual amount paid to the Contractor per County and HCPHC records. The remaining balance will be written off as part of the settlement agreement.

Should you have any questions, please do not hesitate to call.

Sincerely,

Mark S. Pipper

Part III: Summary

Indicate the efforts made to direct the employment and other economic opportunities generated by HUD financial assistance for housing and community development programs, to the greatest extent feasible, toward low-and very low-income persons, particularly those who are recipients of government assistance for housing. (Check all that apply.)

____ Attemped to recruit low-income residents through: local advertising media, signs prominently displayed at the project site, contracts with the community organizations and public or private agencies operating within the metropolitan area (or nonmetropolitan county) in which the Section 3 covered program or project is located or similar methods.

____ Participation in HUD program or other program which promotes the training or employment of Section 3 residents.

____ Participation in HUD program or other program which promotes the award of contracts to business concerns which meet the definition of Section 3 business concerns

____ Coordinated with Youthbuild Programs adminstered in the metropolitan area in which Section 3 covered project is located.

X Other; describe below

The following clause will be included and encouraged during the procurement process for all contracts:

The Contracted Party will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 17010) requiring that to the greatest extent feasible, opportunities for training and employment be given to lower income residents of the project area and contracts for work in connection with the project area be awarded to eligible business concerns which are located in, or owned in substantial part by persons residing in the area of the project.

Section 3 clauses are also present in the grant agreement, advertisement for bids, and special provisions that are made a part of every service contract under the grant. A pre-construction handbook is also presented to the contractor with numerous draft Section 3 documents to aid in compliance.

Public reporting for this collection of information is estimated to average 2 hours per resonse, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completeing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB number.

Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u, mandates that the Department ensures that employment and other economic opportunities generated by its housing and community development assistance programs are directed toward low-and very-low income persons, particularly those who are recipients of government assistance housing. The regulations are found at 24 CFR Part 135. The information will be used by the Department to monitor program recipients' compliance with Section 3, to assess the results of the Department's efforts to meet the statutory objectives of Section 3, to prepare reports to Congress, and by recipients as self-monitoring tool. The data is entered into a database and will be analyzed and distributed. The collection of information involves recipients receiving Federal financial assistance for housing and community development programs covered by Section 3. The information will be collected annually to assist HUD in meeting its reporting requirements under Section 808(e)(6) of the Fair Housing Act and Section 916 of the HCDA of 1992. An assurance of confidentiality is not applicable to this form. The Private Act of 1974 and OMB Circular A-108 are not applicable. The reporting requirements do not contain sensitive questions. Data is cumulative; personal identifying information is not included.

CERTIFICATE OF RECIPIENT COMPLIANCE

1. Release

Pursuant to the terms of said subgrant/contract and in consideration of the sum of $2,500,000 (Total Amount Paid & Payable by MDA-DRD), upon payment of the said sum the Recipient does remise, release, and discharge MDA-DRD, its officers, agents, and employees, of and from all liabilities, obligations, claims, and demands whatsoever under or arising from the said subgrant/contract, **except the following**:

a. Specified claims in stated amounts or in estimated amounts where the amounts are not susceptible of exact statement by the Recipient, as follows:

none
(If none, so state)

b. Claims, together with reasonable expenses incidental thereto, based upon the liabilities of the Recipient to third parties arising out of the performance of the said subgrant/contract, which are not known to the Recipient on the date of execution of this release and of which the Recipient gives notice in writing to the MDA-DRD within the period specified in the said subgrant/contract.

c. Claims, after closeout, for costs which result from the liability to pay Unemployment Insurance costs under a reimbursement system or to settle Worker's Compensation claims.

2. Assignment of Refunds, Rebates and Credits

Pursuant to the terms of said contract and in consideration of the reimbursement of costs and payment of fees as provided in the said contract and any assignment thereunder, the Contractor hereby does the following:

a. Assign, transfer, set over and release to MDA-DRD all right, title and interest to all refunds, rebates, credits or other amounts (including any interest thereon) arising or which may hereafter accrue thereunder.

b. Agree to take whatever action may be necessary to effect prompt collection of all such refunds, rebates, credits or other amounts (including interest thereon due or which may become due, and to forward promptly to MDA-DRD) for any proceeds so collected. The reasonable costs of any such action to effect collection shall constitute allowable costs when approved by the MDA-DRD as stated in the said contract and may be applied to reduce any amount otherwise payable to MDA-DRD under the terms hereof.

c. Agree to cooperate fully with MDA-DRD as to any claim or suit in connection with such refunds, rebates, credits or other amounts due (including any interest thereon); to execute any protest, pleading, application, power of attorney or other papers in connection therewith; and to permit MDA-DRD or the Federal Grant of Agency to represent it at any hearing, trial or other proceeding arising out of such claim or suit.

AGREEMENT RELATIVE TO CLOSEOUT OF DISASTER RECOVERY DIVISION GRANT PROGRAMS

This Agreement is between Hancock County, Mississippi ("Recipient") and the Mississippi Development Authority Disaster Recovery Division ("Division").

Closeouts/Audits

The parties to this Agreement desire to close out the Recipient's Katrina Community Development Block Grant (KCDBG) Number R-118-023-18-HCCR (the "Grant").

Because of regulatory and legislative changes, the Division no longer requires a final audit of an individual grant at closeout.

Rather than waiting for Recipient's next periodic single or program-specific audit, the parties desire to close out the Grant **subject to subsequent audit(s).**

THEREFORE, in consideration of the mutual promises contained herein, the parties to this Agreement agree as follows:

1. Recipient will submit to the Division its subsequent single or program-specific audit or audits, which shall comply with federal and state requirements and which shall cover all periods in which any Grant costs have been incurred. Recipients should refer to the KCDBG audit guidelines for further information and to determine whether a single or program-specific audit must be performed.

2. Recipient shall remit to the Division the amount of any costs which are disallowed by the subsequent single or program-specific audit(s) and which disallowances are sustained by the state.

3. Upon receipt of a copy of the Recipient's audit report and resolution of any findings related to the subgrant/contract (if applicable), the MDA-DRD will notify the Recipient in writing that the Recipient has fulfilled its audit requirements relative to the subgrant agreement.

4. Recipient acknowledges that the subgrant/contract is subject to monitoring by the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, and that findings of noncompliance may be taken into account by HUD and the MDA-DRD as unsatisfactory performance of the Recipient in the consideration of any future grant award.

5. The Agreements contained herein are in addition to any other agreements between the parties relative to the closeout of the Grant. Recipient agrees to abide by all governing laws and regulations.

Record Retention

1. Pursuant to 24 CFR Subsection 570.490(d), the Recipient agrees to maintain records, including support documentation, **for the greater of** three years from closeout of the grant agreement between the Division and the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, or the period required by other applicable laws and regulations as described in Subsections 570.487, relative to fair housing, lead-based paint poisoning prevention, the Architectural Barriers Act and the Americans with Disabilities Act, and 570.488, relative to the displacement, relocation, acquisition, and replacement of housing. The Division agrees to notify the Recipient of the closeout date of the grant agreement between the Division and HUD.

2. Pursuant to 24 CFR Part 85.42(c), the Recipient accepts that the starting dates of the retention period are as follows:

   a. General- When grant support is continued or renewed annually or at other intervals, the retention period for the records of each funding period starts on the day the Recipient submits to the Division its last expenditure report for that period. If grant support is continued or renewed quarterly, the retention period for each year's records starts on the day the Recipient submits its expenditure report for the last quarter of the Federal fiscal year. In all other cases, the retention period starts on the day the Recipient submits its final expenditure report as part of the closeout package.
   b. Real Property and Equipment Records- The retention period for real property and equipment records starts from the date of disposition or replacement or transfer (as applicable) at the direction of the awarding agency.
   c. Records for income transactions after grant or subgrant support- In instances where the Recipient earned income after the period of grant support, the retention period for the records pertaining to the earning of the income starts from the end of the grantee's fiscal year in which the income is earned.

Attachment: 20210907 - Terminal Project Closeout Package - Exh.b (9695 : Approve MDA CDBG Hanger Terminal Closeout and Gouras Inv.

d. Indirect cost rate proposals, cost allocation plans, and similar accounting computations of rates at which costs are charged- If the proposal, plan or other computation is required to be submitted to the Division to form the basis for the negotiation of the rate, the 3-year retention period starts from the date of such submission. If the proposal, plan or other computation is not required to be submitted to the Division for negotiation of the rate, the 3-year retention period starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan or other computation.

3. Substitution of microfilm- Copies made by microfilming, photocopying, or similar methods may be substituted for the original records.

4. Records to be maintained-

a. At a minimum, the Recipient's closeout file should contain a copy of this closeout package as well as all applicable documents listed on pages 32-35 of the Katrina Community Development Block Grant Program Implementation Manual.
b. Equipment- Per 24 CFR Part 85.32(d), property records must be maintained that include a description of the property, a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost of the property, the percentage of Federal participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property. A physical inventory of the property must be taken and the results reconciled with the property records at least once every two years.
c. Real Property- Records to be retained include, but are not limited to, documentation of the acquisition, improvement, use and disposition of real property acquired or improved with CDBG assistance.

Flood Insurance Coverage

Pursuant to 24 CFR Subsection 570.509(c)(4)(iv), if applicable, the Recipient shall ensure that flood insurance coverage for property owners is maintained for the mandatory period for the grant program.

Certificate of Completion

It is hereby certified that all activities undertaken by the Recipient with funds provided under the grant agreement, hereof, have, to the best of my knowledge, been carried out in accordance with the grant agreement; that proper provision has been made by the Recipient for the payment of all unpaid costs and unsettled third-party claims identified, hereof; that the United States of America or the State of Mississippi is under no obligation to make any further payment to the Recipient under the grant agreement, hereof; and that every statement and amount set forth in this instrument is, to the best of my knowledge, true and correct as of this date.

Part III: Summary

Indicate the efforts made to direct the employment and other economic opportunities generated by HUD financial assistance for housing and community development programs, to the greatest extent feasible, toward low-and very low-income persons, particularly those who are recipients of government assistance for housing. (Check all that apply.)

____ Attemped to recruit low-income residents through: local advertising media, signs prominently displayed at the project site, contracts with the community organizations and public or private agencies operating within the metropolitan area (or nonmetropolitan county) in which the Section 3 covered program or project is located or similar methods.

____ Participation in HUD program or other program which promotes the training or employment of Section 3 residents.

____ Participation in HUD program or other program which promotes the award of contracts to business concerns which meet the definition of Section 3 business concerns

____ Coordinated with Youthbuild Programs adminstered in the metropolitan area in which Section 3 covered project is located.

X Other; describe below

The following clause will be included and encouraged during the procurement process for all contracts:

The Contracted Party will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 17010) requiring that to the greatest extent feasible, opportunities for training and employment be given to lower income residents of the project area and contracts for work in connection with the project area be awarded to eligible business concerns which are located in, or owned in substantial part by persons residing in the area of the project.

Section 3 clauses are also present in the grant agreement, advertisement for bids, and special provisions that are made a part of every service contract under the grant. A pre-construction handbook is also presented to the contractor with numerous draft Section 3 documents to aid in compliance.

Public reporting for this collection of information is estimated to average 2 hours per resonse, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completeing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB number.

Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u, mandates that the Department ensures that employment and other economic opportunities generated by its housing and community development assistance programs are directed toward low-and very-low income persons, particularly those who are recipients of government assistance housing. The regulations are found at 24 CFR Part 135. The information will be used by the Department to monitor program recipients' compliance with Section 3, to assess the results of the Department's efforts to meet the statutory objectives of Section 3, to prepare reports to Congress, and by recipients as self-monitoring tool. The data is entered into a database and will be analyzed and distributed. The collection of information involves recipients receiving Federal financial assistance for housing and community development programs covered by Section 3. The information will be collected annually to assist HUD in meeting its reporting requirements under Section 808(e)(6) of the Fair Housing Act and Section 916 of the HCDA of 1992. An assurance of confidentiality is not applicable to this form. The Private Act of 1974 and OMB Circular A-108 are not applicable. The reporting requirements do not contain sensitive questions. Data is cumulative; personal identifying information is not included.

CERTIFICATE OF RECIPIENT COMPLIANCE

1. Release

Pursuant to the terms of said subgrant/contract and in consideration of the sum of $2,500,000 (Total Amount Paid & Payable by MDA-DRD), upon payment of the said sum the Recipient does remise, release, and discharge MDA-DRD, its officers, agents, and employees, of and from all liabilities, obligations, claims, and demands whatsoever under or arising from the said subgrant/contract, **except the following**:

a. Specified claims in stated amounts or in estimated amounts where the amounts are not susceptible of exact statement by the Recipient, as follows:

none
(If none, so state)

b. Claims, together with reasonable expenses incidental thereto, based upon the liabilities of the Recipient to third parties arising out of the performance of the said subgrant/contract, which are not known to the Recipient on the date of execution of this release and of which the Recipient gives notice in writing to the MDA-DRD within the period specified in the said subgrant/contract.

c. Claims, after closeout, for costs which result from the liability to pay Unemployment Insurance costs under a reimbursement system or to settle Worker's Compensation claims.

2. Assignment of Refunds, Rebates and Credits

Pursuant to the terms of said contract and in consideration of the reimbursement of costs and payment of fees as provided in the said contract and any assignment thereunder, the Contractor hereby does the following:

a. Assign, transfer, set over and release to MDA-DRD all right, title and interest to all refunds, rebates, credits or other amounts (including any interest thereon) arising or which may hereafter accrue thereunder.

b. Agree to take whatever action may be necessary to effect prompt collection of all such refunds, rebates, credits or other amounts (including interest thereon due or which may become due, and to forward promptly to MDA-DRD) for any proceeds so collected. The reasonable costs of any such action to effect collection shall constitute allowable costs when approved by the MDA-DRD as stated in the said contract and may be applied to reduce any amount otherwise payable to MDA-DRD under the terms hereof.

c. Agree to cooperate fully with MDA-DRD as to any claim or suit in connection with such refunds, rebates, credits or other amounts due (including any interest thereon); to execute any protest, pleading, application, power of attorney or other papers in connection therewith; and to permit MDA-DRD or the Federal Grant of Agency to represent it at any hearing, trial or other proceeding arising out of such claim or suit.

AGREEMENT RELATIVE TO CLOSEOUT OF DISASTER RECOVERY DIVISION GRANT PROGRAMS

This Agreement is between Hancock County, Mississippi ("Recipient") and the Mississippi Development Authority Disaster Recovery Division ("Division").

Closeouts/Audits

The parties to this Agreement desire to close out the Recipient's Katrina Community Development Block Grant (KCDBG) Number R-118-023-18-HCCR (the "Grant").

Because of regulatory and legislative changes, the Division no longer requires a final audit of an individual grant at closeout.

Rather than waiting for Recipient's next periodic single or program-specific audit, the parties desire to close out the Grant **subject to subsequent audit(s).**

THEREFORE, in consideration of the mutual promises contained herein, the parties to this Agreement agree as follows:

1. Recipient will submit to the Division its subsequent single or program-specific audit or audits, which shall comply with federal and state requirements and which shall cover all periods in which any Grant costs have been incurred. Recipients should refer to the KCDBG audit guidelines for further information and to determine whether a single or program-specific audit must be performed.

2. Recipient shall remit to the Division the amount of any costs which are disallowed by the subsequent single or program-specific audit(s) and which disallowances are sustained by the state.

3. Upon receipt of a copy of the Recipient's audit report and resolution of any findings related to the subgrant/contract (if applicable), the MDA-DRD will notify the Recipient in writing that the Recipient has fulfilled its audit requirements relative to the subgrant agreement.

4. Recipient acknowledges that the subgrant/contract is subject to monitoring by the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, and that findings of noncompliance may be taken into account by HUD and the MDA-DRD as unsatisfactory performance of the Recipient in the consideration of any future grant award.

5. The Agreements contained herein are in addition to any other agreements between the parties relative to the closeout of the Grant. Recipient agrees to abide by all governing laws and regulations.

Record Retention

1. Pursuant to 24 CFR Subsection 570.490(d), the Recipient agrees to maintain records, including support documentation, **for the greater of** three years from closeout of the grant agreement between the Division and the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, or the period required by other applicable laws and regulations as described in Subsections 570.487, relative to fair housing, lead-based paint poisoning prevention, the Architectural Barriers Act and the Americans with Disabilities Act, and 570.488, relative to the displacement, relocation, acquisition, and replacement of housing. The Division agrees to notify the Recipient of the closeout date of the grant agreement between the Division and HUD.

2. Pursuant to 24 CFR Part 85.42(c), the Recipient accepts that the starting dates of the retention period are as follows:

   a. General- When grant support is continued or renewed annually or at other intervals, the retention period for the records of each funding period starts on the day the Recipient submits to the Division its last expenditure report for that period. If grant support is continued or renewed quarterly, the retention period for each year's records starts on the day the Recipient submits its expenditure report for the last quarter of the Federal fiscal year. In all other cases, the retention period starts on the day the Recipient submits its final expenditure report as part of the closeout package.
   b. Real Property and Equipment Records- The retention period for real property and equipment records starts from the date of disposition or replacement or transfer (as applicable) at the direction of the awarding agency.
   c. Records for income transactions after grant or subgrant support- In instances where the Recipient earned income after the period of grant support, the retention period for the records pertaining to the earning of the income starts from the end of the grantee's fiscal year in which the income is earned.

Attachment: 20210907 - Terminal Project Closeout Package - Exh.b (9695 : Approve MDA CDBG Hanger Terminal Closeout and Gouras Inv.

d. Indirect cost rate proposals, cost allocation plans, and similar accounting computations of rates at which costs are charged- If the proposal, plan or other computation is required to be submitted to the Division to form the basis for the negotiation of the rate, the 3-year retention period starts from the date of such submission. If the proposal, plan or other computation is not required to be submitted to the Division for negotiation of the rate, the 3-year retention period starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan or other computation.

3. Substitution of microfilm- Copies made by microfilming, photocopying, or similar methods may be substituted for the original records.

4. Records to be maintained-

a. At a minimum, the Recipient's closeout file should contain a copy of this closeout package as well as all applicable documents listed on pages 32-35 of the Katrina Community Development Block Grant Program Implementation Manual.
b. Equipment- Per 24 CFR Part 85.32(d), property records must be maintained that include a description of the property, a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost of the property, the percentage of Federal participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property. A physical inventory of the property must be taken and the results reconciled with the property records at least once every two years.
c. Real Property- Records to be retained include, but are not limited to, documentation of the acquisition, improvement, use and disposition of real property acquired or improved with CDBG assistance.

Flood Insurance Coverage

Pursuant to 24 CFR Subsection 570.509(c)(4)(iv), if applicable, the Recipient shall ensure that flood insurance coverage for property owners is maintained for the mandatory period for the grant program.

Certificate of Completion

It is hereby certified that all activities undertaken by the Recipient with funds provided under the grant agreement, hereof, have, to the best of my knowledge, been carried out in accordance with the grant agreement; that proper provision has been made by the Recipient for the payment of all unpaid costs and unsettled third-party claims identified, hereof; that the United States of America or the State of Mississippi is under no obligation to make any further payment to the Recipient under the grant agreement, hereof; and that every statement and amount set forth in this instrument is, to the best of my knowledge, true and correct as of this date.

Part III: Summary

Indicate the efforts made to direct the employment and other economic opportunities generated by HUD financial assistance for housing and community development programs, to the greatest extent feasible, toward low-and very low-income persons, particularly those who are recipients of government assistance for housing. (Check all that apply.)

____ Attemped to recruit low-income residents through: local advertising media, signs prominently displayed at the project site, contracts with the community organizations and public or private agencies operating within the metropolitan area (or nonmetropolitan county) in which the Section 3 covered program or project is located or similar methods.

____ Participation in HUD program or other program which promotes the training or employment of Section 3 residents.

____ Participation in HUD program or other program which promotes the award of contracts to business concerns which meet the definition of Section 3 business concerns

____ Coordinated with Youthbuild Programs adminstered in the metropolitan area in which Section 3 covered project is located.

X Other; describe below

The following clause will be included and encouraged during the procurement process for all contracts:

The Contracted Party will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 17010) requiring that to the greatest extent feasible, opportunities for training and employment be given to lower income residents of the project area and contracts for work in connection with the project area be awarded to eligible business concerns which are located in, or owned in substantial part by persons residing in the area of the project.

Section 3 clauses are also present in the grant agreement, advertisement for bids, and special provisions that are made a part of every service contract under the grant. A pre-construction handbook is also presented to the contractor with numerous draft Section 3 documents to aid in compliance.

Public reporting for this collection of information is estimated to average 2 hours per resonse, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completeing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB number.

Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u, mandates that the Department ensures that employment and other economic opportunities generated by its housing and community development assistance programs are directed toward low-and very-low income persons, particularly those who are recipients of government assistance housing. The regulations are found at 24 CFR Part 135. The information will be used by the Department to monitor program recipients' compliance with Section 3, to assess the results of the Department's efforts to meet the statutory objectives of Section 3, to prepare reports to Congress, and by recipients as self-monitoring tool. The data is entered into a database and will be analyzed and distributed. The collection of information involves recipients receiving Federal financial assistance for housing and community development programs covered by Section 3. The information will be collected annually to assist HUD in meeting its reporting requirements under Section 808(e)(6) of the Fair Housing Act and Section 916 of the HCDA of 1992. An assurance of confidentiality is not applicable to this form. The Private Act of 1974 and OMB Circular A-108 are not applicable. The reporting requirements do not contain sensitive questions. Data is cumulative; personal identifying information is not included.

CERTIFICATE OF RECIPIENT COMPLIANCE

1. Release

Pursuant to the terms of said subgrant/contract and in consideration of the sum of $2,500,000 (Total Amount Paid & Payable by MDA-DRD), upon payment of the said sum the Recipient does remise, release, and discharge MDA-DRD, its officers, agents, and employees, of and from all liabilities, obligations, claims, and demands whatsoever under or arising from the said subgrant/contract, **except the following**:

a. Specified claims in stated amounts or in estimated amounts where the amounts are not susceptible of exact statement by the Recipient, as follows:

none
(If none, so state)

b. Claims, together with reasonable expenses incidental thereto, based upon the liabilities of the Recipient to third parties arising out of the performance of the said subgrant/contract, which are not known to the Recipient on the date of execution of this release and of which the Recipient gives notice in writing to the MDA-DRD within the period specified in the said subgrant/contract.

c. Claims, after closeout, for costs which result from the liability to pay Unemployment Insurance costs under a reimbursement system or to settle Worker's Compensation claims.

2. Assignment of Refunds, Rebates and Credits

Pursuant to the terms of said contract and in consideration of the reimbursement of costs and payment of fees as provided in the said contract and any assignment thereunder, the Contractor hereby does the following:

a. Assign, transfer, set over and release to MDA-DRD all right, title and interest to all refunds, rebates, credits or other amounts (including any interest thereon) arising or which may hereafter accrue thereunder.

b. Agree to take whatever action may be necessary to effect prompt collection of all such refunds, rebates, credits or other amounts (including interest thereon due or which may become due, and to forward promptly to MDA-DRD) for any proceeds so collected. The reasonable costs of any such action to effect collection shall constitute allowable costs when approved by the MDA-DRD as stated in the said contract and may be applied to reduce any amount otherwise payable to MDA-DRD under the terms hereof.

c. Agree to cooperate fully with MDA-DRD as to any claim or suit in connection with such refunds, rebates, credits or other amounts due (including any interest thereon); to execute any protest, pleading, application, power of attorney or other papers in connection therewith; and to permit MDA-DRD or the Federal Grant of Agency to represent it at any hearing, trial or other proceeding arising out of such claim or suit.

AGREEMENT RELATIVE TO CLOSEOUT OF DISASTER RECOVERY DIVISION GRANT PROGRAMS

This Agreement is between Hancock County, Mississippi ("Recipient") and the Mississippi Development Authority Disaster Recovery Division ("Division").

Closeouts/Audits

The parties to this Agreement desire to close out the Recipient's Katrina Community Development Block Grant (KCDBG) Number R-118-023-18-HCCR (the "Grant").

Because of regulatory and legislative changes, the Division no longer requires a final audit of an individual grant at closeout.

Rather than waiting for Recipient's next periodic single or program-specific audit, the parties desire to close out the Grant **subject to subsequent audit(s).**

THEREFORE, in consideration of the mutual promises contained herein, the parties to this Agreement agree as follows:

1. Recipient will submit to the Division its subsequent single or program-specific audit or audits, which shall comply with federal and state requirements and which shall cover all periods in which any Grant costs have been incurred. Recipients should refer to the KCDBG audit guidelines for further information and to determine whether a single or program-specific audit must be performed.

2. Recipient shall remit to the Division the amount of any costs which are disallowed by the subsequent single or program-specific audit(s) and which disallowances are sustained by the state.

3. Upon receipt of a copy of the Recipient's audit report and resolution of any findings related to the subgrant/contract (if applicable), the MDA-DRD will notify the Recipient in writing that the Recipient has fulfilled its audit requirements relative to the subgrant agreement.

4. Recipient acknowledges that the subgrant/contract is subject to monitoring by the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, and that findings of noncompliance may be taken into account by HUD and the MDA-DRD as unsatisfactory performance of the Recipient in the consideration of any future grant award.

5. The Agreements contained herein are in addition to any other agreements between the parties relative to the closeout of the Grant. Recipient agrees to abide by all governing laws and regulations.

Record Retention

1. Pursuant to 24 CFR Subsection 570.490(d), the Recipient agrees to maintain records, including support documentation, **for the greater of** three years from closeout of the grant agreement between the Division and the United States Department of Housing and Urban Development (HUD), the Federal awarding agency, or the period required by other applicable laws and regulations as described in Subsections 570.487, relative to fair housing, lead-based paint poisoning prevention, the Architectural Barriers Act and the Americans with Disabilities Act, and 570.488, relative to the displacement, relocation, acquisition, and replacement of housing. The Division agrees to notify the Recipient of the closeout date of the grant agreement between the Division and HUD.

2. Pursuant to 24 CFR Part 85.42(c), the Recipient accepts that the starting dates of the retention period are as follows:

   a. General- When grant support is continued or renewed annually or at other intervals, the retention period for the records of each funding period starts on the day the Recipient submits to the Division its last expenditure report for that period. If grant support is continued or renewed quarterly, the retention period for each year's records starts on the day the Recipient submits its expenditure report for the last quarter of the Federal fiscal year. In all other cases, the retention period starts on the day the Recipient submits its final expenditure report as part of the closeout package.
   b. Real Property and Equipment Records- The retention period for real property and equipment records starts from the date of disposition or replacement or transfer (as applicable) at the direction of the awarding agency.
   c. Records for income transactions after grant or subgrant support- In instances where the Recipient earned income after the period of grant support, the retention period for the records pertaining to the earning of the income starts from the end of the grantee's fiscal year in which the income is earned.

Attachment: 20210907 - Terminal Project Closeout Package - Exh.b (9695 : Approve MDA CDBG Hanger Terminal Closeout and Gouras Inv.

d. Indirect cost rate proposals, cost allocation plans, and similar accounting computations of rates at which costs are charged- If the proposal, plan or other computation is required to be submitted to the Division to form the basis for the negotiation of the rate, the 3-year retention period starts from the date of such submission. If the proposal, plan or other computation is not required to be submitted to the Division for negotiation of the rate, the 3-year retention period starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan or other computation.

3. Substitution of microfilm- Copies made by microfilming, photocopying, or similar methods may be substituted for the original records.

4. Records to be maintained-

   a. At a minimum, the Recipient's closeout file should contain a copy of this closeout package as well as all applicable documents listed on pages 32-35 of the Katrina Community Development Block Grant Program Implementation Manual.
   b. Equipment- Per 24 CFR Part 85.32(d), property records must be maintained that include a description of the property, a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost of the property, the percentage of Federal participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property. A physical inventory of the property must be taken and the results reconciled with the property records at least once every two years.
   c. Real Property- Records to be retained include, but are not limited to, documentation of the acquisition, improvement, use and disposition of real property acquired or improved with CDBG assistance.

Flood Insurance Coverage

Pursuant to 24 CFR Subsection 570.509(c)(4)(iv), if applicable, the Recipient shall ensure that flood insurance coverage for property owners is maintained for the mandatory period for the grant program.

RESOLUTION OF HANCOCK COUNTY BOARD OF SUPERVISORS PURSUANT TO MISSISSIPPI CODE SECTION 19-7-3 (3) APPROVING SHORT TERM LEASE TO PINCHERS, LLC

COME NOW, the Hancock County Board of Supervisors, and resolve to approve this short-term lease with Pinchers, LLC pursuant to Mississippi Code Section 19-7-3 (3) as follows:

WHEREAS, Hancock County owns and operates a marina in the Bayou Caddy area of Hancock County;

WHEREAS, Hurricane Ida caused severe damage in Louisiana, resulting in many emergency orders and waivers pertaining to those affected areas;

WHEREAS, via September 2, 2021, Order of the Mississippi Department of Marine Resources, "[a]ll shrimp harvested outside of [Mississippi] waters may be landed in Mississippi without necessity of obtaining a seafood transport license pursuant to Miss. Admin. Code Title 22, Part 12."; and

WHEREAS, given this emergency Order and privilege, and the status of canals within the Bayou Caddy area, it is necessary for Hancock County to provide access to seafood companies, such as Pinchers, LLC, to utilize the Bayou Caddy marina to receive such shrimp from Louisiana.

WHEREFORE, PREMISES CONSIDERED, it is hereby resolved by the Hancock County Board of Supervisors as follows:

1. Certain areas of Hancock County's Bayou Caddy Marina, including without limitation certain portions on the south side of the pier, are "no longer needed for county or related purposes and is not to be used in the operation of the county." Further, Hancock County resolves that, given the emergency, the sale of the property in the manner otherwise provided by law is not necessary or desirable for the financial welfare of the county, further, the use of the county property for the purpose for which it is to be sold, conveyed or leased will promote and foster the development and improvement of the community in which it is located and the civic, social, educational, cultural, moral, economic or industrial welfare thereof, the board of supervisors of such county shall be authorized and empowered, in its discretion, to sell, convey, lease, or otherwise dispose of same for any of the purposes set forth herein.

2. It is therefore resolved that the lease of said property to Pinchers, LLC through December 31, 2021 is approved pursuant to Mississippi Code Section 19-7-3 with the limitations that: Pinchers, LLC's use is limited to the extend deemed proper by the County harbor master to be necessary to provide proper function of the harbor. Pinchers, LLC's use shall also terminate at midnight, December 31, 2021, unless as extended by the Board of Supervisors. Pinchers, LLC shall also pay a pro rated amount of $2.00 per linear foot for said use. Supervisors, however, reserve the right to shorten this time of use without any right or remedy of Pinchers, LLC.

Attachment: Resolution Approving Short Term Lease to Pinchers, LLC (9763 : Discussion regarding Pleasure Street Marina)

SO RESOLVED by the Hancock County Board of Supervisors on this the 7th day of September, 2021, as moved by Supervisor Theresa Ryan, District 1, Seconded by Supervisor Greg Shaw, District 2, with following vote:

District 1	yes
District 2	yes

RESOLUTION TO APPROVE AMENDMENT TO AMBULANCE ORDINANCE TO AUTHORIZE BASIC LIFE SUPPORT SERVICES AS STATED THEREIN

This RESOLUTION is adopted on the 7th day of September, 2021, to amend Hancock County's Ambulance Ordinance as follows:

WHEREAS, Mississippi House Bill 1313, Regular Session 2019 authorizes ambulances to provide basic life support services as outlined therein, and Hancock County finds and determines that protection of the public health, safety and welfare of Hancock County necessitates the amendment of its ambulance ordinance to authorize this service.

IT IS THEREFORE, ordered and resolved by the Hancock County Board of Supervisors that its ambulance ordinance is amended as follows, with the remainder of the ordinance remaining the same except as expressly modified herein:

Section 14, Clinical Quality of Ambulance Services

Upon the effective date of this Ordinance, every response to an Emergency Transport Call at any location within the County shall be made in either an Advance Life Support ambulance or a Basic Life Support ambulance by an Ambulance Service and every response to a Routine/Non-Emergency Transport Call at any location within the County shall be made by either a Basic Life Support ambulance or an Advanced Life Support ambulance based on the level of medical care necessitated by the patient by an Ambulance Service.

This resolution was moved and approved by the Hancock County Board of Supervisors on September 7, 2021 moved by Supervisor Scotty Adam, District 4, Second by Supervisor Greg Shaw, District 2, with a Vote as follows:

Supervisor District 1	yes
Supervisor District 2	yes
Supervisor District 3	yes
Supervisor District 4	yes
Supervisor District 5	yes

So approved and effective immediately on the 7th day of September, 2021.
